## ORGANIZE HIGH SCHOOL ATHLETIC ASSOCIATION

A. A. Officers Elected-Conduct Drive for Membership.

Last week the election of officers of the New Ulm High School Athletic Association took place. The purpose of this organization is to raise money to buy athletic equipment and manage atheltics in general.
The following officers were elected: President ..............Carl Fritsche Vice President . . Florence Schneider Secretary-Treasurer ....Edward Witt Student Manager ......Stanley Olson Cheer Leaders ...Sylvester Wellmann and Gertrude Esser Class Representatives.
This year there are several additions to the Athletic Association Each class elected one member who is o represent them in the Association. They are as follows:
Seniors
..................Walter Julius Tremiores .............Bernard Esser Membership Orive.
A few days following the election of officers the drive for membership was put on. One commendation for he student body is that they are all enthusiastic about athletics. Over 95 per cent of them signed up and are now members of the Athletic Association. Being a member and paying $\$ .50$ entitles them to a ten cent reduction on all games played in New Ulm. This way the students each save about $\$ .50$ and the A. A. also profits by it because they have to have money to get started.

PROCURE NEW EQUIPMENT.
At the last school board meeting it was decided to purchase new manual training and mechanical drawing equipment. About $\$ 1,000$ is to be spent on these articles.
Among the new purchases are eight mechanical drawing tables, six sets of instruments, three manual training tables, an oil stone grinder and several new tools for the manual training room.
These articles were very necessary and they will make a very good addition to their departments. When this equipment is in place we will have one of the best equipped mechanical drawing and manual training departments for a school of our size in this part of the state.
"So you are Jimmy's little friend who was born in San Francisco?"
"Yes, sir."
"Which part?"
"All of me, sir."

## Classes.

Up to the end of last week the enior class was the only one to have completed the election of all off cers. The Juniors evidently believe in the phrase, "Put it off "till tomorrow," for they have succeeded in the choosing of a president and vice president only. Owing to the dance, which the Sophomores intend to give at Halloween, they have appointed such officers only as needed to carry out heir plans, whereas the Freshies are waiting for their new president to all another meeting.
The list of each class thus far is as follows:

President
Seniors.
Vice Preside........... Stanley Olson Vice President ........... Reuel Haenze Treasurer Treasurer ............. Beatrice Gaag Sergants-at-Arms ...Arthur Lamecker and Hugo Schleuder Cheer Leader ...Sylvester Wellmann Faculty Advisors ...... Mr. Clark and

Miss Morse

## GOOD PROSPECTS <br> FOR STRONG TEAM

Several Yets Back_Buy New Equipment.

The prospects for football this yea seem to be fair enough. The "Vets" of last year, Amann, Franta, Schuel er, Schleuder, Thies, Fritsche, Rieke Esser, Lamecker and Williams will certainly form enough of a foundaion around which to build a team Among the most promising "new comers" are "Pat McHale, "Erbs" Julius, Teynor, Wellmann and Leonard. In addition to these are many who have never played football, but who are out putting up a good scrap The team is by no means chosen yet and every fellow who comes out and works hard and willingly will most ikely get a chance

New Equipment.
Some new equipment, eight headyears, fourteen Jerseys and pairs of socks and eleven "schimmels," has een ordered and part of it has al eady come. With this necessary quipment our team can engage in regular" scrimmages without hav ng accidents, such as last year, when Schueller broke his collar bone. It s, of course, impossible to supply all the fellows with equipment, but it is up to the fellows themselves, if they work hard and make the team, they set it; otherwise they won't.

Church Back Again.
In addition to this "material" and "equipment" we have another one of the "seven good things on earth," good coach. "Mickey" Church is back gain at the helm where he was two years ago. At that time we lost only one game out of eight and that a to 0 score. We beat both Mankato and Sleepy Eye, our greatest rivals, while they beat us again last year This year "Mickey" will turn the ta bles on them, we're quite sure.

Lots of Pep.
A third thing we need for a successful team is a crowd with PEP and LOTS of PEP. Pep is catching and you all know it, so come and yell A crowd yelling for ITS team dis heartens the OTHER team at the sam time. Remember that and come and watch the games.
The schedule for this season has not yet been completed, but at this time is as follows:
oct 1-Sleepy Eye at Sleepy Eye Oct. 8-St. James at New Ulm. Oct. 15-Lamberton at Lamberton Oct. 22-Mankato at New Ulm. Oct. 29-St. Peter at New Ulm. Nov. 5-Tracy at Tracy.

## TEACHERS TRACED TO THEIR HAUNTS

Several New Instructors With Us This Year.

After a good deal of work by our lever High School detectives, they have finally found out where the varous members of the faculty are mak ing their homes this year. (No, no y dear Freshies, the teachers don't tay at school all the time even though they are there whenever you are.)

Their "Haunts."
Although quite a number of the last ear's instructors have returned there re several new ones
Mr. Clark, our new principal aught in the Mankato High School ast year. He is very much interest ed in athletics and would like to see New Ulm get the State Championship in basket ball this year. He is stay ing at the Frederickson home on South State street.
Miss Spriestersbach is making her home with the Held family on South Broadway this year. She is class ad visor to the Sophomores.
The new commercial teachers are Iiss Almeter and Miss Garnock. The ormer lives at Wicherski's on South State street and the latter at the Larks home on South Washington treet.
Mr. and Mrs. Church reside on North Washington street. Mr. Church teach s science and geometry. He is coach of boys athletics and ranks second o none in this capacity.
Miss Morse is living at the Biebe ome on South Broadway. She gradated from Smith College last year She now finds that teaching English o the Juniors and Sophomores takes a rood deal of her time. She ha een cora by the seniors as the Class Advisor.
Miss Myrick is back again and is eaching the Freshies the mysteries of athematics, We wouldn't be sur rised if some of them would turn ut to be regular Pythagoreans. Miss Myrick is making her homs with the Marksi on Soutn Washington street.
Miss Schmidt lives at her home on outh Front street. She is teaching American and Ancient History this ear.
Miss Treadwell is staying at the home of her sister, Mrs. Beecher, on South German street. She teaches the same subjects she had last year, Latin and Freshman English.
Mrs. and Miss Steinhauser are keeping house at their home on Center street.
Miss McFarlane, the new music (Continued on page 4.)

## THE GRAPHOS BOX.

For the benefit of those who are new in this school and are not yet very well acquainted, I am going to tell you the where, why and what for of the "Graphos Box."
On the Senior side of the assembly or the back of the room next to the row of encyclopedias is a box. In the cover of this box is an opening. Now this box is for the benefit of those who wish to contribute to the "Graphos." Anything is all right. Some little story, poem, or local. Just put it in the box and we will find it.

|  | PEP! |  |
| :---: | :---: | :---: |
| Pep! | Pep! | Pep! |

Pep! What is pep? It is one of
the most essential things which help to bring our school, studies and athletics up to standard.
Hand in hand with pep goes sportsmanship. A good and true student of the N. U. H. S. should have both to overflowing. Show your pep and sportsmanship by coming to the athletic games and help your team win for the honor of your school. When your team is winning, cheer them on; when your team is down, cheer them up. One is a poor sport when he cheers only when his team is winning and is silent when it is losing! That's when they need your pep and cheers

Pep is catching. Have it yourself and you pass it on. But gloom is also catching, and if you have it, you also pass it on. So discard gloom and take on an abundance of pep.

## CERS.

Last week a meeting was held in which several new editors were elect ed. Some of the old editors retained their positions, while several new editors were elected. The staff is as follows:

Graphos Drive.
A Graphos drive was also held last week. Twelve students each took a row and got the others to sign up. Out of the 225 students only 156 signed up. That is a very poor percentage. We all know that the times are hard, but there are few that could not pay $\$ 1.00$ to help our school have a paper.
In years heretofore the Freshmen generally signed up 100 per cent. This year they have the lowest per cent of any of the classes

## NORMAL NEWS.

On Tuesday morning, September 6, the opening of school, the Normal Department was all excited, because twelve new inembers entered; nine "worthy Seniors" and threz post graduates. They are all trying their level best to be able to take over a "little Red School House on the hill," by next fall.
The following are taking up training: Myrtle Alwin, Lauretta Arbes, Magdalen Foerster, Margaret Kienlen, Sylvia Gehrke, Lillian Lind, Olivia Meidl and Laura Martin. Veronica Krzmarzick Lola Meyer and Aurelia Schneider are the post graduates, who entered. We have one girl from out of town, Olga Hanson from Lake Crystal.
The girls are all enjoying the work very much, because they have been taking trips to the different schools in town to observe and "find how it is done."

SENIORS TO GET CLASS RINGS.
As usual one of the main topics of discussion for the Seniors is the picking of a class emblem. This year's Seniors have had the usual amount of argument over a design and place to purchase.
Last year the Seniors obtained their rings from an outside concern, thinking that they would be getting them cheaper, which they did not.
This year, however, the Seniors decided to patronize home industry and get the rings from one of our own jewelers. The design chosen is by far as pretty as the one last year
cheaper
The rings have to be made first, but very soon the Seniors will all be "flashing" their rings.

## BACK AGAIN.

When they opened up the school Two weeks ago, or so, said to my maw, "Oh, Maw, think that I can't go."
n'nen my maw she nearly fainted, And said, "When d'd you start to think? Just get to work, and find your books, Yer pencils, pens and ink."

So "darnit the luck," wat else could I do,
simply had to dig in, so I did; And now, "Oh, Baby," I'm glad I'll say That I begun to begin wen I did.

There is gurls all around me,
I'm neerly fenced in.
And "Oh; Boy," they are prettySo I forgive my maw's sim Of making me hurry back to school On the day it begun to begin.

## MYTHS.

Spake the teacher to the students: "Hand in your papers, pray." And from thirty throats were issued Shouts of protest and dismay.

Then rose her voice above the din: "In vain is all your protestation; Hold your peace; hand in your papers, And spare yourselves your agitation."
"Search not your brains for vain excuses;
Unfold to me no tales of woe;
I'll lend no ear to your entreaties; They are merely myths, I know."

The pretext that you've lost your paper,
Or formotten the lessons for today, Is but a figment of your fancy; So hand your papers in, I pray.
Jimmie: "My! the initiation was fine."

Father: "How's zhat",
Jimmie: "I wasn't initiated."

LOCALS.
It seems to be the latest fad in our old High for a venerable Senior to fall in love with a verdant Freshmian We know of several cases.
Have you noticed on the credit list how many Seniors will not get enough credits to graduate? Buck up, some of you Seniors, and show your grit. Have you noticed the cripples in our school. That is a good sign of football practice. Several "casualties" have been reported, but then, that's all in the game.
We suggest that one of the punishments inflicted upon criminals here at school would be to clean the tennis court. It would both improve the appearance of our grounds, and benefit the tennis players.
We think the Freshies this year are getting off mighty easy in regard to "hazing," which takes us back through years to the good old days when we, as Freshies, received many a ducking and paddling.
New football equipment has been purchased. This material, while costing in the neighborhood of $\$ 175$ was needed very much. When the fellows get all padded up they look as though they weigh about 300 pounds.
The old rule prohibiting "hooky" is again in force with a sentence of suspension against offenders. So far have doubts for the future for nice have doubts for the future for nice

some people.
The Juniors and Seniors had quite a controversy over a faculty advisor. Both classes elected Miss Morse. Argument followed argument, but-the Seniors finally won out, as it is the "unwritten law" that they have first choice in such matters.
Hip, hip, hurrah! The Sophs are beating us all by planning for a Halloween masquerade dance at Turner Hall on the 29th of October. So rummage through the attic, kids, and see what you can find. Be sure to ask your best girl what she'll wear or you might fail to recognize her.

I'm the guy who shakes the seat when the person in back of me is writing. Why shouldn't I? It's my seat as well as his. My shoes bother me and I want to wiggle. If he wants to wiggle let him do so; that's his business, not mine. Let him stop writing until I stop moving around, or take it as I do. That's the way I feel about it.

## JINGLES.

Tinke turned backward for us the other evening as we watched a group of childxan from the school around the corner playing hide and seek. You possibly remember when you used to be IT. There was a line of curious doggerel we used to repeat, "Allie, allie, ortz in free," literally rendered. What it meant was that all who were still in hiding were to come in; that another session of the game was to start. And that recalled to us the many jingles of childhood, most of which have never been incorporated in books. Remember this one:
One's all, two's all, zig-a-zall zam,
Bobtail, whinniger, tiddle um a tam;
Harum-scarum, bergeum narum
See-saw, buck!
HELP! HELP!
A story, poem, joke or two,
And something full of "pep,"
Are really all we ask of you
That we may keep in step.
It's up to us to make the game,
So get to work and write,
That we may say you've done your bit To make "The Graphos" bright.
