WEATHER FORECAST
Perfect water skiing and swimming weather all summer. Mosquitos will be few, but flys will be many. There will be no rain, only a few snow showers. Have FUNII! Would you believe

NUHS Seniors Now Alumni

The one hundred seventysix graduating seniors became alumni on June 2 at Johnson Park at 8:00 p.m.

The addresswas given by Mr. Harvey H. Rice, president of Macalester College, on "New Directions in Higher Education."

"War March of the Priest" was the processional and "Pomp and Circumstances," the recessional, played by the band.

"Open Our Eyes," "Tico Tico" and "Glory" were sung Jby the select choir while "You'll Never Walk Alone" was sung by the senior choir.

NUHS Students Travel Abroad

Susan Feuerhelm and Marsha Luebbert, two NUHS juniors, leave for Germany in June, on a German Branch Tour, sponsored by the University of Minnesota.

They will arrive in New York on June 15. At a banquet that evening the girls will meet the other people who will be accompanying them.

Leaving June 16, by plane, the group will arrive in Paris on the evening of the same day. They will tour the city and then take off for Tubigen Germany, June 18.

While in Tubigen, the girls will be taking two hour classes of German a day, for six weeks.

With weekends off, the groups will tour other areas, including Berlin and Austria.

They will return August 18 to the United States.

Pat Stewart Elected Prexy

Behind every successful young man, there is a woman. Pat Stewart, student body president for the year 1966-67, is one exception to this theory, his promoter being "Patman" and his campaign manager, Steve Somsen. Jerry Erickson was named vice president.

The other three candidates nominated in home rooms include John Sands, and manager, Jim Aufderheide; Bill Koeckeritz, and manager, Judy Baumann; and Jerry Erickson, and manager, Jim Eyrich.

Pat is an active member of many extracurricular activities including sports. He participates in choir, Boys Chorus and he is third baseman on the baseball team. He was alternate for Boys State and a representative at Boys' and Girls' County; for the past two years, he has been the president of the sophomore and junior classes. Through his experience in many class positions, Pat has developed a greater ability to lead others.

with the guidance and experience of Pat, next year will prove to be an exciting one at NUHS.

'66-'67 Cheerleaders Chosen by Committee

Instead of going before the whole student body, as was the custom in the past, cheerleaders for '66-'67 were chosen by a new method at tryouts on May 19. The girls were selected by nine judges - Miss Rubis, Miss Mueller, Mrs. Green, Mr. Anderson, Ann Fesenmaier, Karen Lampright, Jerry Erickson, Doug Harpster, and Mike Dallmann.

Each girl was required to do the school song, victory, another cheer which they could select, and anything else for extra credit.

Next year's six "A" squad cheer leaders are Vickie Pugmire, Andy Schmid, Linda Newton, Diane Hagberg, Jackie Berg, and Kathy Decker. The four "B" squad cheerleaders are Linda Odegard, Becky Petersen, Debbie Steenberg and Joyce Kraus. Martanne Lohman was chosen alternate.

Class Rings To Arrive In Mid-June

Class rings, which had been ordered early by the junior class, will be shipped by Josten's on June 18. Juniors may pick up their rings from the jewelry store they ordered from at the time. The rings are rectangular with an oval setting, and stones are available in black, blue, red or green.

Jan Hagg Wins Radio

Jan Hagg was the NUHS winner of the 1966 KNUJ Speak-fora-Scholarship Contest. This was announced at the banquet held May 17 at the Orchid Inn in Sleepy Eye,

Bob Ryan, of KSTP-TV gave the address to 300 persons attending, including parents, teachers and students.

Jan received an Am-Fm transister radio for herself and for the school, a tape recorder.

Tension Reigns As Seniors Awarded

Excitement and expectation high lighted the annual senior awards night, May 27. A total of twenty-two items filled the near two hour program presided over by Don Nelson, senior class president.

Here is a rundown on the awards:

In Agriculture and FFA Gary Gluth won the Dekalb FFA Award for obtaining the best four year record of any senior member. Jeff Griebel won the corn production trophy. David Rolloff was named the star poultry dairy farmer. The Geib-Janni award for advancement in shop was won by Roy Janni. John Fluegge was given the star farmer medal. Jim Hulke was given the trophy he won as Regional star hog farmer and he also won the conservation medal.

For obtaining the highest score on the homemaking test Terry Wieland was given the Betty Crocker award.

Sally Vogel was named the Good Citizen of NUHS and given the Daughter of the American Revolution medal.

Initiating a new award, Mrs. Green presented Sandi Woods and Ruth Klossner awards for their excellent work on the 1966 Eagle.

Three girls, Valerie Mattson, Donna Block and Kathy Kral received their library letters.

Better Half and Permanent stage crew participation pins were presented to Pam Weise. Ruth Webster, Katie Knopke, Sandi Woods, Sally Vogel, Betty Christiansen, Pat Rheaume, Jan Hagg, Myrene Jones, Gail Wichmann, Dave Schwartz, Tom Romberg, Todd Schnobrich and Steve Kramer.

For excellence in German Ruth Klossner, George Marti and Jim Schiller were presented certificates of merit.

Sandi Gillick and Jane Franke were named Bi-winners of the Krook award for mastery in the commercial department.

Chosen by the faculty, Sandi Gillick and Therese Hirschwon the Tante Meyer memorial.

Outstanding citizenship at NUHS won Sally Vogel and George Marti the American Legion award sponsored by the Ben J. Seifert Post No. 132 of New Ulm.

For accumulating the largest number of points during their high school careers, Betty Christiansen and Jim Schiller won the Josten award. Betty had over 14,000 points and Jim had over 20,000 points.

Those seniors who were awarded all - activity pins included Jeri Ahrens, Catherine Anderson, Betty Christiansen, Eric Forsberg, Gary Gluth, Jan Hagg, Connie Johns, Katie Knopke, Steve Kramer, Karen Lampright, Steve Plautz.

Mike Ring, Tom Romberg, Todd Schnobrich, Dave Schwartz, Sally Vogel, Ruth Webster, Pam Weise, and Gall Wichmann.

"I feel as though I am losing my right arm." These were Mrs. Wiechert's comments as she presented the Arion music award for vocal activities to Janice Femrite. Steve Plautz won the Arion award for instrumental music. The Eckstein award for both vocal and instrumental participation was won by Betty Christiansen.

Dave Schwartz, NUHS varsity debater and declam participant was awarded the Stewart Speech trophy. Mr. Oien commented that this was the 39th year of presentation.

> AWARDS cont. page 8

Climaxing Senior Award night, 20 were initiated into the coveted National Honor Society. The individuals selected were chosen by the faculty on the basis of character, leadership, scholarship and service. Each had to be in the upper 1/3 of his class to be considered; only 15% can be selected.

Speakers at the initiation were jumiors Carol Hogfoss, Jim Aufderheide, Bob Page, and Kathy Fritsche.

National Honor Society's new members are as follows; Sharon Albrecht, Cathy Anderson, Paulette Boock, Betty Christiansen Janice Femrite, Eric Forsberg, Sandy Gillick, Jan Hagg, Myrene Jones, Ruth Klossner, Katie Knopke, Marlene Mack, George Marti, Don Nelson, Steve Plautz, Mike Ring, Jim Schiller, Dave Schwartz, Sally Vogel and Ruth Webster.

Nine Teachers To Instruct 360 Drivers

Behind-the-wheel drivers' training will be taught by nine teachers this summer – Mr. Heille, Mr. Anderson, Mr. Knutson, Mr. Ruthenbeck, Mr. Bruels, Mr. Iten, Mr. Rolfs, Mr. Schmidt, and Miss Beug.

There are to be 360 students, driving in cars loaned to the school by local car dealers. Also there will be classroom instruction that is to be taught by Mr. Ruthenbeck and Mr. Rolf; 70 students are taking part in this program.

The cost of this program is \$5 per student.

Next year the students of NUHS will have a good opportunity to wipe the slate clean and start taking a few steps forward in the right direction. It's time that NUHS be "put on the map." These are just a few suggestions on how we can do this:

1. Let's Revive School Spirit

Everyone says they don't want to support a losing team. Basically, it's not the team's fault. If all the teams and coaches knew we were 100% behind them, they would be encouraged.

2. Let's Revive Interest In Some Neglected School Activities.

The speech activities have suffered much from the lack of participants, especially in senior high. If you like to meet interesting people and to strengthen an ability from which you will always benefit, investigate the speech activities.

Remember how much fun junior high dances used to be and remember the big crowds that attended senior high? Are you going to be outdanced by the junior high? All that is needed is the reassurance that YOU will attend the dances and then we might get better combos.

3. Let's Start Some New Activities.

There are many teen-agers in school who do not participate in any extracurricular activities. We cannot please everyone, but organizations like a car club, a science club, a pep club, or more participation in the field of girls' competitive sports would revive spirit. All we need to do is show interest in such activities to the right people.

NUHS senior high students take heed!

Let's not become passive and uninterested in OUR school; the key work is INTEREST.

Thank You

New Ulm merchants we thank you. Your loyalty to the NUHS Graphos for the many years is gratifying. Because of a change in policy, we will not be using advertisements next year.

Your services have certainly proved that New Ulm merchants are supporting the teen-agers of New Ulm.

By Judy and Barb

Remember when:

- the new seniors were sitting in the center section of the auditorium on the opening day of school
- the seniors attended their last homecoming as students
- the seniors attended their last "after basketball game" dance
- the seniors were guests, instead of hosts, at the Prom
- everyone got behind writing out their pictures
- the Eagle came out and everyone was running around getting them signed by the seniors because they wouldn't be there next year
- the seniors had graduation practice at Johnson Field and we had to
- sit through the awards assembly

 Mr. Lynott gave the seniors their
 last chance to pay for caps and
- Mr. Fjelstad gave his final words of advice to the seniors
- we, the underclassmen, watched with misty eyes, the seniors, our friends, receive their diplomas

Life Begins At Retirement

MISS WESTLING

"Get the idea, girls!" has echoed through the kitchen of the home ec. room for forty-one years in NUHS, but the classes of 1965-66 have heard it for the last time as Miss Anne Westling retires from her teaching career.

Miss Westling, who was born in Sweden and came to the United States at the age of seven, has been a part of many activities; she has been supervisor of the hot lunch program, the Junior-Senior Proms and Homecoming Tea. She is also an active member of the Association of American University Women.

When asked what her future plans include, Miss Westling commented "That's a very big question!" However, it is known that she will be vacationing in Phoenix, Arizona, and touring California this summer.

Miss Westling's final comment, "Everyone is welcome to visit me at any time next year," describes her personality, as all of her students, past and present, and friends know.

Heap of the Month

(ROBERTA OPEL & MARY JANE MEINE)

By the Hub-caps

The final issue of the Graphos is proud to have selected, by a draw of luck, without the help of John Gareis, the "Green Vomit" this month's "heave." Would you believe ... heap?

The name evolved from the experiences of Herman, Macklin's German Shepherd, on many family outings.

The '53 Ford is owned and operated (?) by Susan Macklin. The auto has served many purposes, ranging from car service to camping duties. With regular oil check-ups and an occasional quarter's worth of "firewater," the "Green Vomit" proves to be a likely contender for the Indianapolis 500????

MR. LYNOTT

"I've been punching the time clock here ever since the summer of 1943, so I have been rather tied down. I hope to do much traveling," commented Mr. Lynott on his retirement.

"In 1943, I moved to this office. Not many changes have been made. We removed a cabinet and a railing, painted the walls, and put a new top on the desk; otherwise it is pretty much the same."

Mr. M.A. Lynott was born and reared in Pierre, South Dakota. After graduation from Pierre High School he attended Yankton College and received his Bachelor of Arts degree. The University of Michigan provided Mr. Lynott's Master's degree.

A principal at every school he worked at, Mr. Lynott, has coached basketball, track, speech activities, and crass plays. He taught at several small South Dakota schools before moving to Brookings and finally New Ulm.

Mr. Lynott plans to continue living in New Ulm. He will not be available for substitute teaching, however.

Old Mold

BY STEVE FLUEGGE

From the December 22, 1950 Graphos:
Mr. Lynott was walking past a
drug store when suddenly John Wolfe
came dashing out, took a flying leap into
the air with legs apart and fell in a heap
into the gutter. Mr. Lynott rushed over
and said, "John, did you hurt yourself?"

John replied, 'No, but wait till I get my hands on the guy who moved my bicycle."

SKIP THIS

I say, didn't you notice the heading? Didn't you see that you were to skip this? Then why on earth do you so on?

I assure you you'll get nothing out of this. So go on to the next page.

If you haven't stopped, you're only wasting your time. This is the moment to show that you've got enough character to stop

Didn't you understand? Stop!

Now we are halfway through, and you're still going on. You can't help reading the next line.

Or can you?

No, indeed. I was right.

What on earth are you getting out of it? Nothing! But you're acting as if you're bewitched.

There are only a few lines left, so show you have some will power to stop!

But you're probably still curious

enough to keep wasting time, by reading Jane Halverson Editor -in chief these very last works, Aren't you? ---- Mary Jane Meine Page Editor

The 1950-51 intramural basketball teams included the Flying Krauts, Oles Yumpin Svedes, the Rambling Wrecks, and Moon's Mittle Mites.

MR. HARMON

Mr. Joseph Harman retiring this year, is one of the few people who has witnessed the growth of the educational system from its grass roots, the rural school. His career began in a one-room school house and culminated with his position at NUHS

Since the country school teacher taught every subject, Mr. Harman had the experience of teaching science, mathematics, social commercial, history, and language arts.

His talents weren't limited purely to school curriculum, however. He was coach or assistant-coach for nearly every athletic activity and for other extra-curriculars including forensics. Not only the school but also the public has recognized the service Mr. Harman has rendered by naming him Coach of the Year and by placing his name in Who's Who.

Mr. Harman's retirement means a cessation but rather a continuance of work, as he volunteered to serve as audio-visual program coordinator and bus chauffeur for the bookmobile provided for under the State Department of Education's "Project Uplift."

Although the mentioning of his credits, interests, jobs, and future plans presents some biographical information, his students have recollected some items which are typically Mr. Harman: his unforgetable signature, a saggy leather chair with a broken swivel, tales of Oskalosa, a steady finger on the track gun, the reassuring first aid kit, a resemblance to Hilton's Mr. Chips, and his pet phrase, 'I'm so thankful that I was taught to like to work.'

2 NUHS Students To Get Grants

Pamela Stone, junior at NUHS, has been awarded a grant for a secondary science program by the National Science Foundation. She will join forty-five other students from around the nation at Augustana College, Sloux Falls, South Dakota, from June 13-July 22.

The program is for high school students who have a great deal of ability in the science field, especially chemistry.

John Sands, also a junior, applied for a similar program. He received an alternate position to attend Augustana College, Minneapolis.

The students of NUHS just don't know what they're missing.

The thrill of witnessing a nohit ball-game is hard to equal in any sport. There was a comparatively good crowd present May 30 when Rog Zahn hurled his no-hit shutout over Fairfax, but only a handful of the fans were NUHS natives.

The perfectly pitched ball game resulted in the third trip in three years to the District finals for the Eagles, who travelled to the State Tourney in 63 and eventually became State Consolation Champion. All of the elements necessary for a beautiful afternoon for Mr. Senske's stickmen were present. except for one, possibly the most vital - and that is fan support.

This is my last column for the Graphos, and next year you won't have to listen to my griping about school spirit. But let

me leave you with this thought. Competition is the basis of life. Without it all life as we know it would decay. Competition is found at the core of every great accomplishment, not only in sports but in all phases of daily life.

There is no way to instil into students the drive that makes them successful adults. But spirit must begin somewhere, and supporting your team is the first indication of real spirit and competitive power.

If NUHS students don't support their teams, it is likely that they will be just as lackadaisical in all other activities. Cheering the Eagles to victory is a good place to develop the competitive spirit, because if this attitude is not nurtured during the high school years, it will degenerate quickly and will be lost forever.

'66 Summer Plans Varied for Faculty

Teachers' plans proved to be varied for the '66 summer vacation. Many will attend summer school, some will take a vacation, others will teach driver's training, and still others will help get things set up for the new school.

Those teachers attending summer school at Mankato include Mrs. Green, Mr. Weaver, Mr. Senske, Mr. McLean, and Mrs. Ackerson; Mr. Strang, who also will teach music during the summer; Mr. Zahn, who also will work as an insurance adjuster; Mr. Greenslit and Mr. Werdahl, who are working towards their masters degree. Mr. Epp plans to go to a vocational electronics school in Mankato, Afterward, he will spend two weeks at Camp Ripley and then attend the Institute of Electronics at Bemidji State. Also he will take his "annual trip to Hanska for an ice cream cone."

SUMMER SCHOOL, WORK IN TOWN FOR SEVERAL

Mr. Jenson will be at summer school at the University of Minnesota all summer; on weekends he plans to do some water skiing. Mr. Fier will attend the University of Minnesota to study vocational education; later on he will take a week's vacation

Dances Prove Discouraging

The administration was very much disappointed in the number of students that attended the senior high spring dance, Friday, May 13. It is believed that there was no more than one hundred at anytime. The Junior high dance, however, which was held Saturday night, May 14, had two thirds of the junior high in attendance, all of whom stayed until the end.

There are a few questions that Mr. Olson suggested the students ask themselves. Are we too sophisticated for dances? Should school dances be discontinued? How can school dances be improved?

The administration would be willing to get money from other sources to get combos to play for the school dances, but NOT if there is only a handful of students attending.

Mr. Arnet will spend six' weeks at a school in Colorado. After this time he will go to Ohio for a week - then to his home in Hokah for the rest of the summer.

Teaching driver's training this year will be nine faculty members. They include Mr. Anderson, Mr. Bruels, Mr. Iten, Mr. Knutson, Mr. Rolfs, Mr. Ruthenbeck, Mr. Heille, Mr. Schmidt, and Miss Bueg. Mr. Hielle also hopes to build a house, while Mr. Schmidt also plans to attend summer school at Mankato.

Those working getting ready to move to the new school are Mr. Hakes, Mr. Schwager, Mr. Voves, Mr. Oien, Miss Schmid, and Miss McLaughlin. Mr. Oine will also, in his spare time, go golfing. Miss Mc-Laughlin may visit relatives in Illinois. Mr. Olson will spend much of his time planning for the new school year.

TRAVEL, CONFERENCES IN PLANS

The teachers that will be taking vacations include the following: Mrs. Schmidt, who plans to go to Oregon, and possibly Alaska. Mr. Lovell will travel to Oregon, later build a garage, and go snake and fossil hunting; Mrs. Lund will take a trip East, while Mr. Marti goes West. Mr. Blackstad will spend wo weeks as commander of the National Guard at Camp Ripley and ten weeks selling real estate. Mr. Tyrrell is going to New York to visit his son at Coopertown. Mr. Wurm will go to West Canada, and for the other part of the time will lay sod and paint around

Mr. Jones plans to do farm work and will attend a leadership conference at St. Benedict College in August, Mr. Harmon will work as an audiovisual program coordinator and also the chauffeur for the book mobile in Nicollet and Brown Counties.

Mr. Werner will work with the Civil Defense Department and at Scott Air Force Base with the CAP part of the summer. Mr. Iverson plans to teach music.

MARRIAGE DATES SET FOR FOUR Four faculty members plan

to get married; Mr. Varpness, who will also be doing construction work; Mr. Hendrickson, who will then teach next year in Idaho; Miss Rubis, to be married in August, will work as a lifeguard at Anoka and will teach in the suburbs next year. Miss Kelley will attend school at Mankato, be married and then teach next year at Springfield.

Mr. Madson will move to St. Paul to work for the Department of Education in Research and Development of Curriculums and Courses for Vocational Schools and vocational Departments in the Public Schools.

Those spending their time at home include Mr. Achman, who plans to make cabinets; Mr. Trapp, who will work at 3M, farm, golf, and fish; Mr. Isensee who will work, play, and, get away from kids.

Miss Steen will spend her whole summer at her home town. Walnut Grove.

Miss Mueller, Miss Kayser, Mrs. Wiechert, and Mr. Deming are uncertain as to what they will do.

Bob Page Named Prexy Of Athletes

On May 17, 1966, the Letterman's Club of New Ulm High School held its first official meeting. A constitution was adopted and a slate of officers elected.

The officers are as follows: President, Bob Page; Vice-President, Pat Stewart; Secretary, Bill Koeckeritz; and Treasurer, Bob Wieland. These officers were elected for the 1966-67 school year. Mr. Varpness is 1966-67 advisor.

Any athletic letter-winner or student manager is eligible to become a member.

The club's purpose is topromote a greater interest in athletics and sportsmanship.

Congratulations, Grads!

AWARDS FROM PAGE ONÉ

Those students receiving special scholarships from specific colleges were Roger Zahn, Paulette Booch and Don Nelson from St. Olaf; Myrene Jones, Dave Schwartz, and Ruth Webster from University of Minnesota; Janice Femrite from Gustavus Adolphus; and Sandra Woods from South Dakota Wesleyan. Ruth Webster also was given a letter of commendation for high score in the National Merit Scholarship test. Steve Plautz won the State Bond and Mortgage Scholarship.
