WEATHER FORECAST

South-Easterly winds favor a victorious Homecoming. A few days of rain and cold but always followed by warm, spring-like weather.

Vol. 48 New Ulm High School, New Ulm, Minn. Tuesday, October 11, 1966 Number 2

Queen candidates from top to bottom are Carol Hogfoss, Nancy Lewis, Kathy Fritsche, Vickie Pugmire and Jackie Lowinske.

'66 Homecoming Sees Changes

"Shock the G.E.'s!"
"Get your homecoming pin here - only 25¢."
"The Senior class float committee will meet tonight."
"The 1966 Homecoming Queen is ??????????"
Homecoming fever has descended on NUHS and anticipation and expectation fill the halls as the New Ulm Eagles will battle the Glencoe Eagles, on October 14.

Kathy Fritsche, Carol Hogfoss, Nancy Lewis, Jackie Lowinske, and Vicki Pugmire are the five girls who are vying for honors as the 1966 Homecoming Queen. They were chosen from the senior class in homeroom voting on Sept. 29. Final voting took place on October 10.

Homecoming will bring many changes this year. There will be no pep feed or program the day before. In its place will be combined activities on Friday afternoon, as class will end at 1:30 p.m.

After-game activities at the senior High School included an alumni tea held in the Faculty Dining room and the annual Homecoming Dance for student and alumni. The admission to the dance is 50¢ and the Night Crawlers will provide the music.

Class of '66 Goes Varied Ways

Forty-three per cent of the 1966 graduates of New Ulm High School are going to colleges in Minnesota or other states. The other fifty-seven per cent are working, serving Uncle Sam, going to other schools, or are undecided.

Jim Johnson, Terry Wieland, Lloyd Hoffmann, Jim Geisler, Loren Jones, George Marti, Steve Kramer, Tom Romberg, Kathy Nelson, Judy Hottman, Gary Penkert, Ruth Klossner, Cheryl Kral, Terry Wieland, Jane Franke and Karen Lamp-right.

Mankato State has attracted thirty-five: John Eichinger, Sue Arbes, Jeri Berentson, Bob Bieraugel, Joan Davis, Steve Fluegge, John Gareis, Linda Johnson, Barb Roberts, John Mueller, David Roiger, Jim Schiller, Jill Schreyer, Scott Nordwall, Gary Gluth, Alan Budahn, Chuck Christensen, Jerry Pagel, Linda Huhn, Loren Howk,

A number are at home: John Fluegge, Jim Brandel, Ruth Brandel, Leanna Gulden, Carol Wieland, Darla Cordes and Orville Helget.

Rita Keim is now Mrs. Lloyd Geiger.

Those who are still undecided and at home are Tom Flatau and Pat Duetsch.

Psych Class Plans Trip

A psychology trip to the State Hospital for the Mentally Retarded at Faribault is scheduled for Thursday, October 20.

The two classes will leave by bus at 10:30 a.m. on their first day of MEA vacation. After lunch in Faribault, the students will then spend two hours visiting the state hospital.

Sometime this spring the classes will also visit the prison at St. Cloud. The usual trip to the hospital at St. Peter will not be made because, according to Mr. Oien, "It has become more of a hospital than an institution."

Eagle Sales Begin as Deadlines Come

Eagle editors have begun work on this year's senior high annual. Sports editor Judy Walston is now concentrating on the football section and is aided by two freshman photographers.

Members of the sales staff, headed by Doris Christiansen, have been visiting the home-rooms during the activity period and report over 200 sales.

Kathy Fritsche, activity editor, is working on homecoming and page lay-outs. The deadline has been set at December 16.

Future Teachers Visit NUHS

NUHS became a college "classroom" for a day, Tuesday Sept. 27, as 18 future teachers from Gustavus Adolphus College visited here to observe latest equipment in use in the brand new building.

Dr. Gerald Brekke, Supervisor of student teaching at Gustavus, brought 18 seniors to observe the methods used at NUHS. Dr. Brekke commented, "We were impressed with the new school plant. We hope to make visits here again to observe methods." He added that New Ulm residents were to be congratulated on providing such a fine building and equipment.

Public Views New School

Open house for the new senior high school was held on the afternoon of Sunday, October 9, from 1:00-6:00 p.m. Interested parents and friends attended to become acquainted with the new facilities.

Guided tours were conducted by the members of the speech class. Brochures stating costs, enrollments and other pertinent information were available.

Members of the Board of Education, the administration and teachers were present.

All School Play Begins Work

With the cast chosen, the fall all-school play, "The Man Who Came to Dinner", has started its first rehearsals directed by Mrs. Ackerson. It will be presented Nov. 11-12 at the Junior High School auditorium.

The fall all school play is taking the place of the previous Junior class play. Instead, the play is being sponsored by the junior class and they will receive the proceeds from the production, but all kids in school had the opportunity to try out for the characters of the play. Juniors are working on the committees with the Better Half and Stage crew assisting.

"The Man Who Came to Dinner," written by Moss Hart and George Kaufman, is a three act satirical comedy on the life of movie stars who came to the U.S.

Because there are no classes being held in the Emerson building at the Junior High building it is being used to store stage equipment for plays and concerts. It will be used for painting scenes for all plays thus moving out of the basement construction room previously used.

Cast members chosen include: Sheridan Whiteside, Steve Somsen; Maggie Cutler, Judy Walston; Mrs. Stanley, Kathy Fritsche; June Stanley, Connie Arbes; Richard Stanley, Doug Spelbrink; Lorraine Sheldon, Nancy Lewis; Beverly Carlton, Ron Eyrich; Miss Preem, Jane Halverson; John, John Sands; Sarah, Beverly Earl; Mrs. Dexter, Trudi Wright; Mrs. McCutcheon, Helen Rodenberg; Dr. Bradley, Jerry Kamm; Harriet Stanley, Andy Schmid; Burt Jefferson, John Slevert; Professor Metz, Rex Johnson; Convicts, Gary Lohman, Jim Albers, Mike Roiger, Mr. Baker, Randy Doughty; Expressman, Richard Benson; Sandy, Craig Steenberg; Wescott, Scott Hansen; Radio Technicians, Patty Adams and Joyce Boelter; Choir Members, Barb Kleene, Debbie Steenberg, Charlene Cordes, Marsha Luebbert, Jackie Lowinske, Cheryl Goltz Banjo, John Morris; Deputies, Dave Martinka, Randy Doughty; Plainclothes man, Frank Sands.

Peace Essay Contest Open to NUHS'ers

The New Ulm Lions club is helping Lions International celebrate its 50th anniversary by sponsoring a peace essay contest at NUHS.

The contest is open to young people age 14 to 22 in more than 130 countries. Essays should have a workable plan for world peace. Purpose of the contest is to focus attention of people on the desirability of searching for ideas and developing a plan toward making world peace a reality.

Essays must be typed and not to exceed 5000 words. They must be original, but background ma-

terial may be used.

Anyone interested should contact Miss Kayser in room 206. The deadline for entries is Dec. 10.

Mantoux Shots To be Given

Mantoux II, or TB tests, will be given to grades seven and eleven on Monday, October 24. The results will then be read the following Wednesday, October 26.

Pam Stone Semi-Finalist

Pam Stone, NUHS senior, has been named a semifinalist in the 1966-67 Merit Scholarship competition.

She plans to attend Gustavus Adolphus College in St. Peter and major in chemistry.

Pam was among the highest scoring students in the state of Minnesota on the National Merit Scholarship Qualifying Test, administered last March in schools nationwide; 14,000 semifinalists were appointed across the country.

As a semifinalist, Pam can advance to finalist status by receiving the endorsement of the school, substantiating her qualifying test performance on a second examination, and submitting information about her achievements and interests.

Pam, the daughter of Mr. and Mrs. Arthur Stone, has a special interest in the chemistry field. She has been helping Mr. Lovell in setting up experiments for other students.

The past summer, Pam attended a science workshop under the Secondary Science Training Program in Chemistry at Augustana College, Sioux Falls, S.D.

Get out the Cheer

Congratulations to the Eagles! They are a team that every one can be proud of. But are the students of New Ulm High School really proud of their gridders? Do we deserve to call this great team OUR team???? I don't think we have earned this honor yet. Our first job is to earn the respect of the football team.

How many kids that go to games really take cheering as a serious matter? Most students go to the game to see who's wearing what, or to plan activities for after the game, etc. How many actually come to the game with the purpose of supporting the team and cheering the team to victory?

NUHS students don't deserve a team as fighting as the Eagles! But this can be changed and homecoming is a good time to do something about this. Come to the game, even if only for curiosity's sake, and see how a fighting team battles to win, not only for themselves and the coach but for a school they want to be proud of.

But let's not stop there. Let's see if NUHS students can keep the spirit of homecoming throughout the rest of the football season and then on through the basketball, wrestling, gymnastics, tennis, golf and baseball seasons.

Students take heed!! The opportunity is before us to earn the respect of the coaches and their teams. Don't let the spirit die somewhere between school and Johnson field.

GET OUT THERE AND CHEER!!!

Card Of Thanks

To the students and faculty of New Ulm High School, to the Board of Education and to friends of Philip; we wish to express our deep gratitude for the kind messages, the lovely floral offerings, and the memorials. Especially to his students for their kindness and understanding in this past difficult year - May God bless you for your concern. The Family of Philip Arnet

C.P. English can get bogged down sometimes between adverb clauses and Shakespeare but 4th hour has developed few famous statesmen of its own (Historians take note???)

One day John Morris was complaining to his fellow students about his talking stomach. (It seems that John spends his noon hours in the speech room and skips eating lunch - That's understandable.) But when asked the results of this situation, John remarked in his own expressive way, "Now I have a big mouth and an empty stomach!"

* * * *

Another day one of our vocabulary words was billet-doux - translation - loveletters. Miss Kayser mentioned that seniors don't seem to write these as much as sophomores and juniors. Then Brad Vogelphol remarks, "Actions speak louder than words."

* * * *

Lament of the student -

A boy brought home his report card and explained to his father why his marks were so poor: "Remember, Dad, I'm just an ordinary son of ordinary parents, and this is an ordinary report card."

* * * *

The Boys of the second year German class feel slighted. Why can't they have a student teacher, also?

Mr. Senske was concerned about the "hearing" of one of his history students (Mark Dyre) so he looked into Mark's ears to see if there was wax.

Mr. Senske's comment: "No wax, I just see light."

* * * *

When a member of the journalism class was told to see Mr. Deming, another class member said, "I think Mr. Deming is up in the woods this hour!"

* * * *

There is a new activity during the noon hour: The students watching the teachers watching the students dancing.

* * * *

It seems NUHS has a Sir Galahad among the faculty. Mr. Deming helped Bev Botton up from the floor after she had fallen from her stool in biology class.

* * * *

For the College bound - Definition of a college draftee: "One who's been awarded a McNamara Fellowship."

Help for those filling out admissions forms:

* * * *

Curiosity satisfied? When Kathy Decker, Jerry Loose, Ted Marti and Barb Hopkin wondered what would happen if they filled the sinks in the biology lab to the top with water. They were enlightened. All four had to stay after school to wipe up the floor.

One revolting thought, Christmas is only a few short allowances away.

* * * *

Among the forms to be filled out in applying for admission to the University of Wisconsin is a personal-data sheet. In response to the request to "List Your Personal Strengths," one 18-year old applicant wrote: "Sometimes I am trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent," Where the form said, "List Your Weaknesses," he wrote; "Sometimes I am NOT trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent."

Where Were You . . .

Where were you when the lights went out?

NUHS students had a little variety added to the school day two weeks ago when the school underwent a blackout. Even though it lasted only 20 minutes, some very interesting situations could have come up!

What If -

- You were taking a shower and had to dress in the dark
- You're the only girl in the archi-

tectual drawing class (This did happen and Mr. Epp must have been worried because he made all the students bring their chairs out into the lighted hall to continue the class!

- You are trying to find your seat in the lecture theatre
- You are practicing bandaging a broken nose in first aid
- You are stuck in the express elevator.

Literate or ill-? Most of the world's people do not read because they were never taught how. If you know how to read and don't, then you must be counted in with the world's illiterate people.

Heap of the Month

By Byrd and Meene

Steve and Herbert

This month's selection for "heap" was very close, but the Graphos staff pulled the vote through with "Herbert" as the favorite car.

Steve Somsen owns and operates the '58 Chevrolet Del-Ray. It was reported by way of grape-vine that one day last summer, "Herbert" carried a step ladder on his side. What was the meaning of this? Would you believe - for elopement?? It was a nice try, Steve, but we don't think Cook's paint appreciates the use of their ladders for mar-

ital purposes. Maybe next time you will be more successful!

We have become bewildered over the lack of enthusiasm and response for the "heap." This column is written for your pleasure, and by the way you have been responding, it shows your lack of interest. All YOU have to do is cast your ballot and place it in the "Graphos box" provided in the principal's office. It's that simple. So let's see more votes in the box. Thank you.

Eagles Triumphant

Completing 16 or 20 passes for 192 net yards, the Sleepy Eye Indians defeated the New Ulm Eagles 20-12, Sept. 9, at Sleepy Eye.

The score at half was 7-6 Sleepy Eye. New Ulm's touchdown was made by Randy Doughty from the four-yard line. Sleepy Eye scored on a wild play and made the PAT.

Sleepy Eye scored again in the second half to make it 14-6. Later Randy Doughty went for 64 yards to score to make it 14-12. The Indians passed on a fourth down from the N.U. 23 to make the final score 20-12.

Holding Blue Earth to a 7-0 half-time score, the Eagles put up a great fight against the Bucs on Oct. 16 at Johnson Park.

New Ulm stopped a Blue Earth drive on the one-yard line, only to fumble at the seven. The Bucs scored on the next play.

During the third and fourth quarters Blue Earth scored 21 points, shattering New Ulm's

bid for a win.

New Ulm had 116 yards gain to Blue Earth's 359.

Winning their first conference game in several years, the Eagles defeated St. Peter 13-6.

Randy Doughty and Tom Backer did the scoring for the Eagles at the Sept. 23 game at St. Peter.

It had been five years since New Ulm had defeated Hutchinson in a football game but Sept. 30 was a different story when the final score was 15-8 for New Ulm.

Highlighting the game was a 28-yard field goal made by Doug Schultz.

In the final exciting minutes, a strong defensive push forced Hutch to fumble on their own 1-foot line. The Eagles recovered and Tom Backer pushed in for the touchdown on the next play.

New Ulm had 135 yards rushing to Hutch's 88.

The Eagles have now won three straight conference games and are tied with Fairmont for second place in the SCC.

The Eagles won the game against the Waseca "BlueJays" in the second half of the game. In the third period Waseca fumbled the ball and Scott Hansen recovered it to set-up the first touchdown in the game.

The BlueJays scored with 4:49 left in the game to tie the score 6-6.

In the final 28 seconds of the game New Ulm completed a pass and Randy Doughty plowed through Waseca for the final two yards and the winning touchdown.

Rah! . . . Rah! . . . Rah! Sis—Boom—Blah!

The score was 13 to 7 and the losing football team was having a rough time.

At the half, the coach asked the captain of the battered eleven, "Can we win?"

"We'll try," replied the captain.

Again queried the coach, "Can we win?"

"Sure will try," answered the captain again.

And once again, the coach demanded, "Can we win?"

This time the captain of the losing eleven shouted, "We'll win!"

"That's all I wanted to hear," said the coach quietly. "Now go out there and try."

Class Officers Elected

Class officers for the 1966-67 year were chosen at class meetings held September 27.

Those chosen include Senior class: President, John Bezdichek; Vice Pres. Jerry Erickson; secretary, Kathy Fritsche; Treasurer, Karen Prahl.

Junior Class: President, Ronald Eyrich; Vice Pres., Rex Johnson; Secretary, Rhonda Boesch; Treasurer, Becky Peterson.

Sophomore Class: President, Roger Hippert; Vice Pres. Larry Hesse; Secretary, Trudi Wright; Treasurer, Jerry Ostermann.

WAVING "GOODBYE" at opposing St. Peter Players as he skirts around end for a good gain is New Ulm fullback Randy Doughty. He picked up 108 yards in New Ulm's 13-6 win Friday.

A FORWARD BACKER — Tom Backer, New Ulm quarterback, circled left end for a seven yard gain and a first down early in Friday's game here. Making a diving tackle effort is Tom Edwards (21), real workhorse for Waseca.

Student Teachers

Mankato State College has two students practice-teaching at NUHS. Marilyn Stark from Redwood Falls is majoring in English and German and minoring in physical education. The other practice-teacher, Ronald Flaa from Boyd, is majoring in physical education and minoring in history.

They have been here since September 26 and will be here until Christmas.

Walnut Conclave Attended by NU

Carol Hogfoss, Pat Stewart, Kathy Fritsche, Becky Schreyer, and Jayne Rossner were the five NUHS student council members to attend the annual Southwest District Minnesota Student Council convention held at Walnut Grove on October 4.

During the day the students heard from two men well known in youth work — Dr. Frank Cort, pastor of the Trinity Methodist Church, Denver, Colo. and William F. Carlson, principal of the Columbia Heights Senior High School and president of the Minnesota Association of Secondary Principals.

The convention was presided over by Russell Severson, president of the Southwest Minnesota Student Council Association, and student body president at Walnut Grove High School.

'Early Bird' Phy. Ed. Promotes Skills (?)

A new class has been added to the school curriculum this year.

An "early bird," co-educational phy. ed. class was organized to accommodate those students who were in band and wanted to take five solids. To make the class large enough to be worth while, other students could also join the class. There is a total of 24 students in the class.

Seven-thirty a.m. may be a horrible time to start a phy. ed. class but in the hands of Mr. Anderson, the class instructor, the class is proving to be very

enjoyable and interesting.

The purpose behind the class is to prepare the students for sport activities that they will be able to use after high school.

Some of the different fields the students will be participating in are archery, table tennis, shuffle board, tennis, golf, and skish.

For the seniors involved in this class there is also an "early bird" first aid class. In this class Mr. Anderson has many ways of keeping the students awake, including smelling salts.

"Early Bird" Phy. Ed., includes many activities. Above Kathy Fritsche and Lori Kosek have a hand at ping pong.

Above: Pictured are the probable "A" team members (l to r). Jim Aufderheide, Roger Hippert, Hugh Nierengarten and Scott Fodness. Below: Pictured are the 18 speakers for the debate squad.

(cont. from page 1)

Four are attending business school: Mankato Commercial; Linda Thomas; Minnesota Business; Kathy Bowen, Joleen Lowinske, and Betty Christiansen.

Several have chosen nursing: Albert Lea Nursing; Pat Rheaume; Methodist; Mary Botten; Union Hospital; Bonnie Isenberg, and Diana Bergstrom.

Beauty School has been the choice of three: Robinson, Minneapolis; Pam Weise; St. Cloud Beauty School; Chris Gieseke, and Margaret Pagel.

Fifteen are enrolled at the University of Minnesota: Sharon Albrecht, Connie Johns, Myrene Jones, Davis Schwartz, Quentin Onstine, Perry Hendricks, Bob Mangen, Katie Knopke, Todd Schnobrich, Sally Vogel, Ruth Webster, Cheryl Roberts, Roger Zahn, Bret Steiner, and Mike Roloff.

Other colleges have drawn twenty-five: St. Olaf; Eric Forsberg, Paulette Boock, and Donald Nelson; St. Cloud State; Linda Mertz, Mike Ring, Valeri Mattson, and Sue Seifert; Moorhead State; Steve Bloedel; Willmar Junior College; Mark Nierengarten; Bemidji; Gayla Lueck, Bob Hogg; Macalester; Jan Hagg; University of New Mexico; George Wolf, Keith Cunningham (winter quarter); Brigham Young University; Sally Sievert; South Dakota Wesleyan; Sandi Woods; South Dakota State; Steve Plautz; University of Arizona; Jeri Ahrens, and Ann Fesenmaier; DMLC; Donna Fischer; Lutheran Bible Institute; Mildred Broste; Iowa State; Roberta Lieberman; Gustavus Adolphus; Janice Femrite; Immanuel Lutheran, Eau Claire, Wisconsin; Marlene Mack, and Linda Hoffmann.

Several could not be contacted: Cathy Anderson, Richard Schmitz and Mike Richter.

Because of lack of space we will continue the story of the alumni in the next issue.

Senior Pictures

Seniors! Have you had your pictures taken or have you made an appointment to do so? The deadline is December 1, 1966.

At a meeting on September 24 representatives from the Meyer, Oswald and Acker photography studios came to NUHS to show seniors samples of their work. They also discussed their policies and presented their price lists.

Debaters Prepare For Tournaments

An eighty-school debate tournament to be held at NUHS will highlight the upcoming debate season. December 10 is the date for this new addition to the season.

Of the 18 students out for debate, 16 will be taking part in all of the tournaments, the first to be held October 29 at Worthington. The next tournament will be November 5 at

Hutchinson. New Ulm will enter 4 four-man teams.

With Mr. Oien as their advisor, the following students will take part in the debates: John Morris, Barb Burnett, Bob Brandel, Greg Schwab, Hugh Nierengarten, Scott Fodness, Charles Marti, Tom Fritsche, Larry Hesse, Bruce Fenske, Jeff Hunter, Ted Marti, Cindi Nupson, Trudi Wright, Jim Aufderheide, and Roger Hippert.

FFA Wins Honors

The New Ulm chapter of the Future Farmers of America had another very successful summer. At the Minnesota State Fair, the New Ulm F.F.A. retained the Herdmanship Trophy for the second straight year. This is one of the top awards at the State Fair because it covers many angles and involves all the chapter members exhibiting at the State Fair.

Key to the trophy winning are four boys who exhibited dairy animals. They are John Schroeder, Mike Zeig, Dennis Wilson and LaRay Kral.

The New Ulm F.F.A. chapter also scored its highest placing in dairy herd competition history at the Minnesota State Fair with a reserve champion. The members were John Fluegge, Bruce Luepke and Mike Zeig.

The New F.F.A. officers at-

tended the District meeting at Madelia where all the officers were shown how to run their office properly. They also discussed many different topics in which the F.F.A. does much work. The New Ulm F.F.A. officers who attended were Paul Brandel, President; Tom Mohr, Vice president; Jerry Kamm, Secretary; Jim Bauman, Treasurer; Don Schaefer, Reporter; Leo Guggisberg, Sentinel. Chapter advisors Ed Fier and Frank Stucky also attended.

At South St. Paul this last week 15 New Ulm boys took 50 animals to the marketing school and sold all of them. In this, two New Ulm F.F.A. boys received top prices for their hogs and steers. Tom Mohr received \$22.25 cwt for his nine head of crossbred hogs. Ron and Bob Schwab each sold an Angus steer and received \$26 cwt.

New faculty members for the senior high include: Mr. Hermann, Mrs. Heldberg, Mr. Stuckey and Mr. Westra.

NUHS Welcomes New Faculty

NUHS is proud to announce the addition of four new teachers to the high school staff. It is our wish that these faculty members will enjoy their teaching position at NUHS.

The new biology teacher is Mr. Hermann. He's from Otertail, Minn. (everyone knows where that is) and is a graduate of Moorhead State College. Mr. Hermann stated that the facilities are very nice and the faculty has been really helpful to him. He feels that students here are generally pretty good, but he wishes that he could make them realize that their school days are the best days of their lives. He said the teacher that could do that would be a genius. He mentioned that he couldn't judge the schedule because he hasn't been here long enough, but he doesn't mind the noon hour because that's the way it was when he was in high school.

Mr. Stuckey, shop teacher, is from Westbrook, Minn. and a graduate of South Dakota State in Brookings. Mr. Stuckey thinks our school is tremendous, "one of the nicest schools in the state, if not the nicest." The students are pretty good, he said, but he only teaches boys so he doesn't know about the other half. He wouldn't make any changes in the school, and he thinks the noon hour is just fine. Mr. Stuckey said he hopes the students appreciate the music in the lunch room and the lobby because we are one of the few schools that provide this.

Mrs. Heldberg, the new home economics teacher, came from New Prague, Minn. and graduated from Stout State University, in Menominee, Wis.

Mr. Westra teaches advanced drawing and general metals. He also has some classes in the Junior High building.

Band Days

A familiar war tune featuring a fife and drum combination, highlighted the annual Band Day festivities attended by New Ulm Senior High Band, at the University of Minnesota, Sept. 24. Representing many regions of Minnesota, 101 high school bands and their directors were present as the U of M Gophers defeated Stanford University.

Dr. T. Benciscutto directed the massed bands during the traditional half time performance, which consisted of five selected numbers. Because of the unexpected rainfall, practice was held in Williams Arena. The University of Minnesota marching band accompanied the high school bands during their routine.

Announcements

Each week, according to a new system, two students from the speech class are held responsible for reading all announcements.

The announcements are placed in the box provided in the principal's office. The student's job is to read the morning announcements at the beginning of third hour and the afternoon ones at the beginning of sixth hour. These are followed by a quote for the day.

So far, the announcers have been John Morris, Steve Somson, Jim Aufderheide, Bruce Fenske, Roger Hippert, Hugh Nierengarten, Scott Fodness, Jeff Hunter, Brad Beyer and Jerry Geisler.
