FHA Float Takes First

The homecoming floats were judged Friday afternoon before the parade.

First prize went to the FHA "tiger by the tail".

The seniors took second place with their float. The theme was, "we're expecting victory".

Third place went to the German float. It was outstanding because of its huge purple and white eagle.

Honorable mention went to John Seivert's jeep and Tom Bieraugle as "the Hutch homecoming queen".

Members of the Forensics Guild are (1 to r), in front, Trudi Wright and Andy Schmid, back, Scott Fodness, Greg Schwab, and Tom Fritsche.

Royalty Reigns Over Homecoming

Becky Peterson was crowned the 1967 homecoming queen by Nancy Lewis Friday afternoon at the NUHS pep fest.

Her attendants were Jacki Berg, Rhonda Boesch, Connie Christainsen, Linda Odegard, Andy Schmid, and Bekki Schreyer.

After the crowning, the Queen and her attendants followed the NUHS band through the homecoming parade. The parade route went along north Payne, down to Main Street, and back up to school.

At the Eagles game against Hutch, the royalty was introduced by Mr. Olen as they were helped out of their convertibles in front of the bleachers.

Queen Becky and her attendants also reigned over the homecoming dance held in the gymnasium. The New Generation played.

The escorts for the homecoming candidates were Ted Marti, Craig Shavlik, Doug Spelbrink, Tom Backer, Chuck Balek, Dan Volz, Tim Sullivan, Lynn Brey, Mark Wilfahrt, Greg Schwab, Steve Arke, Steve Seeman, Doug Schmitz, Tom Mohr, Scott Hansen, and Bruce Lambrecht.

The fall play, "Everyone Loves Opal," sponsored by the junior class, will be held November 17 and 18.

The leading roles went to Andy Schmid as Opal, Bob Rolloff as Sol, Ron Eyrich as Brad, Bob Kaiser as the Officer, Rex Johnson as the Doctor, and Debbie Dewanz and Sue Rodenburg as Gloria.

The student directors, under the supervision of Mr. Jensen, are Bonnie Borchert and John

Students Attend Clinic

NUHS was represented by five members of the Student Council at the Southwestern Minnesota Student Council Convention held October 9 in Frank-

They were seniors; Vicki Harmening, Ron Eyrich, Ted Marti, and junior; Tom Fritsche and sophomore; JoAnn To-

The members discussed various topics at the convention such as smoking and drinking, student responsibilities, and student council elections and qualifications.

Debate Has Good Start

Debate topic this year is "That Congress should establish uniform regulations for criminal investigations." In actual competition two debaters will give the negative side and two others will compete for the affirmative. Then the judges decide which students gave the most convincing statements.

Debate has 24 students participating this year. On the Affirmative: Larry Hesse, Greg Schwab, Jeff Hunter, Hugh Nierengarten, Bob Hogfoss, Kent Knutson, John Fischer, Richard Schwab, Nancy Beck, Sarafae Good, Barb Becker, Vicki Chambard; On the negative side: Jed Marti, Bob Brandel, Scott Fodness, Rog Hippert, Tom Fritsche, Bruce Fenske, Tom Knutson, Gene Dickey, Charles Marti, Cindi Nupson, Kristine Eyrich, and Valerie Stolze. Mr. Oien, who is starting his nint: season, will be coach again and is looking forward to a very successful year.

The first meets will be at Worthington Oct. 21 and 28.

Mr. Olen has arranged for the debaters to participate in 16 tournaments, which adds up to 200 interscholastic rounds of debate.

New Ulm rejoined the National Forensics League and is eligible to compete in tournaments that will send a team to the national meet in Honolulu,

Editorial

EDITORIAL

(this is for SENIORS only . . .)
Do you realize that this is your last homecoming in NUHS? Next year there will be no football team and no student council.

Before you know it, you will be the one "coming home." You will be the one sitting in the stands watching your friends play the game, eating the popcorn that you used to help pop, and acting like the rest of the people who aren't connected with NUHS.

One thing will make you different, though the MEMORIES.

Th-an-ks

Thanks - kids - thanks!

We cheerleaders would like to thank the student body for their enthusiasm and support at the football games. It is greatly appreciated, and we hope it will last through the year.

Are you superstitious????

How superstitious are you? Afraid to walk under a ladder? Get distraught when a black cat crosses your path?

Perhaps you'll be even more aware since Halloween is coming. These are some of the superstitions you may want to understand.

Clothes: You'll receive a gift within a week if you put them on inside out. Foot: Be prepared to visit strange lands if yours itches.

Knees:Jealous? Itchy knees are a dead giveaway.

Knife: Stomach ache ahead if you stir your drink with one.

Pen: You will get a load of mail if one falls on the floor.

Shoes: Accident ahead if you put both your socks and shoes on one foot before putting them on the other.

Stairs: A future of wealth is yours if you trip on the way up.

Ear ringing: Someone is talking about you. If your left ear is ringing, people are saying good things about you; if the right ear rings, it's bad things.

Now watch out for flying goblins and

witches.

Thanks, Team

Homecoming is happiness.

It's for the students. It's for the teachers. It's for the alumni. But mostly it's for the coach and his team.

What would homecoming be if we just had a parade and a coronation? What would the pep fest be for if there wasn't a game to look forward to? What would the queen do if there wasn't a team?

The best part of homecoming is winning your game, like the team did for our homecoming. Winning makes everyone happy. And when you win like the Eagles win, then you can really be proud.

Thanks, team! Homecoming is for you!

Graphos Celebrates Fiftieth Anniversary

The issuance of the GRAPHOS on the first day of school marked a milestone in GRAPHOS production. The GRAPHOS has now been published for 50 consecutive years.

It was intersting to look over some of the first copies of the GRAPHOS. Many of the people on the original staff are now prominent men and women. We interviewed Margaret Esser, who was assistant editor of the first GRAPHOS, and is now the vice president and business manager of the New Ulm Journal.

Miss Esser said, "I am sure we all thought we were budding Horace Greelys or William Randolph Hearsts when we read our names on the masthead of New Ulm High School's first school paper, the GRAPHOS.

"The name was suggested by the school principal, Percy W. Hutson, from the Greek word for 'writing'.

As for the mechanics of the paper, Miss Esser stated, "Pictures weren't used in the first ussues. It was a case of economics – the paper was printed on letterpress and to print a picture a zinc engraving had to be made, which was too expensive.

The first issue was published on September 29, 1917. Many things were the same as the GRAPHOS of today, but some of them had different names. For instance, pep fests were called mass meetings. At these meetings, the boy cheer leaders led in the "official yell" while "policewomen" guarded the doors.

Enthusiasm was fantastic for the GRAPHOS after its first few issues, and it has been great ever since. We sincerely hope that this enthusiasm will remain intact throughout the coming year.

Heap Of The Month

Thanks for all the cooperation in voting for the Heap of the Month.

By voting, you made it possible for Tired Iron I to become heap of the month.

Tired Iron I is a black 1950 Chevy owned by Carol Lietzau. Tired Iron gets her almost everywhere she wants go go. The car may stall in the middle of the street, but old faithfull always comes through. Right!

NUHS Populated By New Students

Steve Schafer, a transfer from Cathedral, lives a few miles from New Ulm. Steve's friendly personality is a noticeable trait.

Linda Kraus, who transferred from New Ulm Cathedral High School, thinks all the kids are real sharp, and the teachers are cool

Steve Schnobrich is a transfer from St. John's prep, which is near St. Cloud. Steve is out for football and plans on going out for track also.

Roger Fortwengler, a sophomore, transferred from Cathedral. Roger is an avid golfer, and plans to go out for golf.

Bonnie Erickson, a junior, is a transfer from Hanska High School. Her brother graduated from there last year. Bonnie enjoys art.

Larry Trible, a transfer student from Arkansas City, Kansas, is a new senior this year. His father is the District Supervisor for Gibson's Stores. Larry is interested in all sports and expects to try out for the basketball team and the track team. He plans to attend college after high school. Larry commented on our school as being a nice school, but he dislikes the closed noon hours. His sister Patty is a sophomore.

Another new junior is Marlin Berg. He's a transfer from Cathedral and is taking general biology, sophomore and junior English, and business mathematics. He is undecided about going out for any sports next semester.

Ronald Baumbach, a junior, transferred from Elgin High School. His father is a depot clerk. Ronald is in band and Select Choir.

Mark Winter is another new sophomore who transferred from Luther and is considering sports participation.

Steve Koerenchen, another Cathedral transfer, is a senior. His father, Mr. George Koerenchen, is the manager of KNUJ radio and the Journal's Travel Fun Tours. Steve said he likes all sports and intends on going out for weightlifting. When asked what he thought of our school, he said that our school has a relaxed atmosphere. He said he likes most of his teachers and thinks that the facilities of our school are very good. As a final comment, Steve asked me to say that he is a good friend of "The Grunt" and "The Pollack."

SCHOOL SHITS

Fastest times ever in the fifty-yard dash were recorded in Mr. Zahn's Mon.-Wed. Phy. Ed. class. Times of 5.9, 5.6, 5.8, and 6.0 were run by almost every member of the class. Mr. Zahn, rather puzzled, soon arrived at the source of his wonderment. It seems Bill Scheible got talked into moving the starting line 6 feet ahead. Mr. Zahn promptly had them rerun the 50's.

Did you know that Steve Seeman and Connie Christiansen flew to the Blue Earth game September 22? (by airplane of corse)! What a way to support our team!

"The yearbook sign-in and dance was very successful this year and we, the yearbook staff, hope to do the same next year," remarked Mr. Marti.

The staff liked distributing the Eagle at the beginning of the school year because then they could get pictures of the previous spring activities into the book.

Last year's staff decorated the gym with the help of Richard Schwartz anda Steve Baumann.

MEA vacation will be October 12 and 13. It's about time that we get a vacation. Right!

All college-bound seniors will be taking the ACT test October 21 in the cafeteria, Sounds like fun??????

The Mantoux tests will be given October 17 and checked October 19.

Juniors . . . prepare yourselves!

Linda Goltz, standing 5'2'', may be mighty little but on September 28 you would have never known it.

While walking into room 209
A-activity, you would have thought you
were in Dracula's Den. The lights were
all off, a body was blocking the switches,
and all the shades were pulled down. Then
Linda took hold of the shade and zap! The
whole thing came flying off the spool.
Well, if nothing else, it sure brightened
up the room.

Grean Monster Meets Business Machines Hero

The Business Machines class was suddenly interrupted one day by a "green monster". This monster completely disrupted the class, horrified the girls and turned on Mr. Dallmann's temper.

Mr. Dallmann, not wanting anything to do with it, asked for a hero to arise and end the crisis. Promptly arose our hero-6'l'' friendly giant killer, Ray Paulson. He seized the monster and quickly threw it out the lst floor window. Ray then asked to wash his hands.

I think he still believes you can get warts from frogs.

NUHS Populated

(Continued from Page 2)
Lynn Schnobrich is another sophomore from Cathedral, One of her hobbies is gymnastics,

Greg Rienhart, a sophomore, is a Cathedral transfer. History with Mr. Larson is his favorite class. Greg didn't go out for any sports this year, but he is a member of the stage crew. Greg said he likes school here, but he wishes they'd have open noon hours.

Steve Schafer is another junior and transfer from Cathedral. He lives a few miles from New Ulm. Steve's friendly personality is a noticeable trait that makes one want to know him better.

Lisa Smith, a transfer from Ransey Junior High in Minneapolis, lives at 1526 South Jefferson. You might not know it, but this sophomore girl's eyes aren't perfect. She just might surprise you sometime and take her contact lenses out.

Richard Tietz is a sophomore who came to NUHS from Luther. If you see him reading a book in class, it will most likely be about cars. He makes model cars as a hobby.

Alan Portner, also a Cathedral transfer, is a senior. He likes to go to dances and work on his car.

Another sophomore, Dave Stout, is a transfer from Cathedral. He has a blue and white '57 Chevy. Someday you may see this car orange with BUS written on the side. Dave's favorite class is Miss Steen's English Class.

Mark Smasal is a junior transfer from Cathedral. The only thing he doesn't like at NUHS is the closed noon hour.

Norma Brei is a junior transler from Luther Academy.

Bruce Volz, a sophomore, transferred here from Cathedral. Bruce is interested in golf and football as well as being a member of the Stage Crew. Bruce's favorite class is Mr. Werner's.

Tim Sullivan is another one of those Cathedral transfers. He is staying at Mark Wilfahrt's home. Tim says he has no hobbles or interests, but with Mark around, there has to be something interesting about his senior year.

Richard Ostrum is a new junior from St. Paul. His classes are speech, chemistry, and advanced algebra. He is out for football, where he plays quard in offense and linebacker in defense. He also plans to go out for baseball in the spring.

Jolene Johnson transferred here from Madelia. She is a junior and thinks the kids are nice.

Karen Schugel, a junior transfer from Cathedral, Ives at 512 North Jefferson. She enjoys our school and likes the teachers and most of her classes.

Dwight Stoll came from Walnut Grove. He is a senior who likes football and basketball, having played both in Walnut Grove. He and his brother Bill live in Courtland. Bill is a sophomore.

Keith Rolloff, a senior, transferred from Luther High School, likes to have a good time and enjoys sports.

Francis and John Rieger are two sophomore brothers that came to us from Cathedral. Neither of the boys went out for any sports. Francis enjoys Phy. Ed. best of all his classes and Jon likes history. Francis, who is employed in Swanson's Meat Department, has a hobby of watching hondas; he likes all of them. John likes guns; he knows all of the parts. Francis is employed at Swanson's Meat Department.

Rodney Scheitel, another senior from Luther High School, likes to work with cars and things having to do with mechanics. His sister Marilyn is a sophomore.

Gary and Jim Scheman transferred from Cathedral. Gary, a senior, and better known as "Mouse", likes hunting. Jim, his brother, is a sophomore who may go out for gymnastics.

Girls, did you notice Marty Torgerson in the halls? He's a senior this year with interests in archery and wrestling. His younger brother, Jim, a sophomore, is also interested in wrestling. They transferred from Luverne. Martin Torgerson, their father, is manager of Flandrau State Park.

Larry Abraham is a senior who transferred here from Cathedral. His favorite class is power mechanics.

Students in Mr. Marti's Art Class work on homecoming posters.

F.H.A. officers include (1 to r), Vicki Lindmeyer, Rosie Gulden, Wendy Warnemunde, Paulette Konakowitz, Jayne Rosener, Sharon Wischstadt, Julie Westrum, Debbie Steinberg.

Home Ec. Corner

The sophomores in Home Economics are now on Child Development, and are planning a nursery school for 4 and 5 year olds in about a month, just as last year.

Juniors are on the clothing unit, and soon they'll be making wool suits.

The seniors are on home furnishing and are planning trips around the town to look at interior and exterior of homes.

The next F.H.A. meeting will be October 17, at 8 p.m. At this time the girls will be planning a Community Service Project. Mrs. Heldberg is hoping there will be some girls going to F.H.A. Camp at Lake Arrowhead next summer.

New Ulm is going to be host for the regional Home Economic Conference on Teaching Vocational Home Economics on November 6 at Eibner's.

Audio-Visual

Needs Workers

Although there are 13 students now working for Mr. Blackstad in the Audio-Visual room, there is need for a girl worker in first hour, and a boy in second.

If possible the girl should have typing experience; and the boy, a mechanical background.

Students working, so far, are: Steve Woratschka, first hour; Judy Scharf, second hour; Mike Schmidt and Barb Heille, third hour; Rosalind Goltz, first activity; Mike Schmidt, second activity; John Sievert, and Vicki Nelson, fourth hour; Frank Sands, and Ruth Gillick, fifth hour; Tom Goltz, Doug Grieser, and Cindi Nupson, sixth hour.

The work these students do consists of typing, working the duplicating machines, and delivering film and audio-visual equipment to the classrooms as needed.

Art Class

Clutters Halls

If you liked the homecoming posters that you saw in the halls of NUHS, you can give the credit to Mr. Marti's first hour art class.

The class, consisting of 15 NUHS students and 10 Cathedral students, spent several weeks cutting out letters and drawing with dry markers.

The finished results, posters for the respective home-comings, were hung in the halls of NUHS and Cathedral.

New Ulm Proved "Hutch

Ain't Mutch''

Playing with all the desire and hustle that they could muster, the New Ulm Eagles outplayed Hutchinson and made NUHS homecoming a happy one by defeating the Tigers 19-0.

It was the Eagles' first victory in the South Central Conference and put the season recors at 2-3.

The victory over Hutch might be called a comeback because most of the players were "down" afaer losses to Fairmont, Blue Earth, and St. Peter. This could also give the Eagles the momentum to finish the season with another winning season under Coach Don Varp-

The New Ulm defense played and oustanding game, as Hutchinson got inside the Eagles' 20-yard line only once. Hutchinson's strong passing game was nearly stopped by a strong defensive line rush and good coverage in the defensive backfield. Bob Rasmussen, the Tigers' quarterback, completed only six of 18 passes and the ball carriers for the Tigers gained less than a hundred yards rushing.

While the defense was stopping Hutchinson offensively, the New Ulm offense was taking advantage of the Tigers' errors. Early in the first quarter, Tom Bieraugel intercepted a deflected pass and six plays later Tom Backer tossed a nine-yard scoring strike to

Scott Hansen.

With the score still 6-0 in the third peroid, a long punt by Doug Spelbrink put Hutchinson on its own three-yard line. Then came a short punt by Hutch, and six plays later Spelbrink scored on a two-yard plunge and then kicked the extra point.

The Eagles recorded their final tally in the fouth quarter on a 20-yard pass from Tom Backer to Steve Harmening. The score was set up by Dan Volz, who raced 51 yards around left end a few plays previous.

Statistics show that the Eagles gained 271 yards from scrimmage to 126 for Hutch.

The Eagles' final three opponents are Waseca, Glencoe, and St. James.

Ron Alm going for a first down - with the help of Tom Backer.

Cross Country News

Eagles Finish Fourth in SCC Cross Country

The New Ulm Eagles finished fourth in the South Central Conference cross country meet at St. James. Team scores were St. James 44, Fairmont and Blue Earth 54, New Ulm 83, and Hutchinson 126.

The top individual runner in the meet was Roger Spee of Fairmont, who narrowly missed a course record. The top five Eagles in the meet were Kim Williams, who finished sixth, Chuck Wacker, 15th, Ron Eyrich, 19th, Jim Torgerson, 20th, and Ken Nelsn 23rd.

Coach Dick Peterson said he thought the team did well, since the South Central Conference is one of the toughest cross country conferences in the state. He said the Eagles could really stand out in the upcoming district and regional meets at Redwood Falls.

The Eagles had good balance as they had eight of the top ten runners in the meet. Top runner was Kim Williams, followed Ken Nelson, Chuck Wacker, Ron Eyrich, Steve Seeman, Steve Peterson, Jim Torgerson, and Tom Steinke.

According to Coach Dick Peterson, the Eagles great balance could spell victory in the district and region meets.

Cross Country team are (1 to r), G. Benson, Domier, S. Peterson, M. Nelson, J. Torgenson, C. Tietel. 2nd row R. Eyrich, C Balek, T. Schwartz, R. Johnson, M. Steinke. 3rd row - S. Seemann, K. Williams, D. Tessmer, C. Walker, D. Sinclair, D. Schmitz and Coach D. Peterson.

Fairmont Defeats New Ulm 18-39

New Ulm High School lost its cross country debut in a rain shower to Fairmont by a score of 18-39 (low score wins).

Kim Williams came in third in the meet to pace the Eagle runners. Jim Torgerson, a sophomore, finished seventh, Ron Eyrich eighth, and Joe Bernardy tenth.

The course, which is usually about two miles in lenth, measured out to only 1.6 miles.

Coach Dick Peterson said he feels the Eagles have the potential for a fine team.

Ron Eyrich, Kim Williams, Chuck Walker and Steve Seemann practice their running skill.

GAA

If you were wondering why girls are running around Monday after shool in their gym suits, it's because of GAA.

Miss Mueller is pleased with the 105 girls who turned out this year. With a number that large, there are four teams of soccer and four teams of softball. This winter Miss Mueller hopes to take the girls swimming at St. James. Also she hopes to get up some fieldhockey teams to take to the Twin Cities to compete with other girls teams at the University.

Eagles Bow To The Saints

NUHS lost to St. Peter, on Sept. 24, 19-0, making it their third loss in the South Central Conference.

The key play of the night that brought up the proverbial reference came in the third period. The Saints were leading 6-0, but the Eagles were moving steadily after the second half kick-off. New Ulm had third down on the Saint's two-yard line, and it looked like the Eagles were about ready to put themselves in the game. But St. Peter's determined defense didn't think that way. Third down netted almost a yard, but the ball was stopped four inches short of the goal line. On fourth down, another line plunge netted one inch, leaving the ball three

inches short.

The Saints, then having the ball, got a great break. Rick Nielson ran 99.8 yards for a touchdown, shaking off three tacklers.

New Ulm had fair scoring opportunities late in the half when a bad pass on a punt attempt put the Eagles on the Saint's 34. A pass interception stopped the chance as the half ended.

The Eagles had trouble with their tackling most of the night as the squirming, churning, twisting Saint's ball carriers kept sliding out of the tackler's arm.

Because of this loss, New Ulm slipped to last place with an 0-3 mark against the league's top three teams.

EAGLE

Scott Hansen Named Player Of the Week

Scott Hansen was named Journal lineman of the week, Scott had an outstanding game against Fairmont. One game official said Scott was the best offensive end he'd seen in 10

years of officiating.

Hansen grabbed six passes for 155 and three touch downs. Besides showing a good touch on pass receiving, Scott also ran well with the ball shaking off tacklers for extra yardage. at 6' 2" and 180 pounds Scott has a good frame for a pass receiving end.

Defensively Scott didfine too. He was in on 13 tackles.

What Is A Football Player?

A football player is a man who carries a ball in his hand, and runs so far that you can see he's out to get you and me.

Cheerleaders To Attend Clinic

The cheerleaders are looking forward to October 17, when they will take a day off school to to to a Cheerleading Clinic to be held in Granite Falls. They hope to come back with some new cheers to teach the students.
