NEW ULM HIGH SCHOOL

NEW ULM, MINNESOTA

JANUARY 24, 1936

## P.T.A. CARNIVAL MONDAY NIGHT

The Parent-Teacher Association will sponsor a carnival which will be held in the gymnasium in the New Ulm High School on January 27, starting at 7:30 o'clock sharp.

The proceeds of this event will be used to purchase juvenile books for the new public library.

The association feels that the placing of such books will be an incentive to give the children of this city an opportunity to make use of the new library.

The committee in charge of the big carnival is leaving nothing undone to give the visitors a real evening of fun and merriment which they will not so soon forget. Not only are the attractions of such nature that only the young folks may enjoy them--not by a long shot--the old folks will find just as much enjoyment as anyone at this merry event.

True there will be no merry-go-round or ferris wheel, but so many more novel and laugh-provoking entertainments will be found to make one forget the rides generally found at an out-of-door carnival. The little German band will blare forth the tunes which will bring back memories of the "good old days" to the dads and mothers present. The jokes, wise cracks and jolly songs of the minstrel show entertainers will make you forget all your troubles. Special attractions will be seen in the free floor show and then we will see Mrs. Wiggs of the Cabbage Patch who is so dear to the hearts of many. And by the way, how about having your fortune told? Why certainly the best fortune teller of all tellers will be there to tell you whether a blonde, brunette, or redhead is going to enter into your romantic life. What say, let's prim up a bit and have our picture taken! O.K.? You'll find the Beauty Show and the Photo Gallery right on the carnival grounds. These are only a few of the ever so many attractions that will be there for your entertainment.

Did we hear someone say they were hungry? If so, step right over to the lunch counter and get a big juicy hamburger or whatever you care for.

The committee urges everyone to keep the evening of January 27th free from all other engagements.

The admission to the carnival is free.

\*\*\*\*\*

## Committee For The P.T.A. Carnival

These people will have charge of the various booths on the carnival floor:

Mystery Lane--Tom Pfaender  
Chamber of Horrors--Mr. Harmon  
Art Gallery--Miss McGee  
Beauty Parlor--Vic Schleuder  
Fortune Telling--Miss Marie Ritt  
Mrs. Freitag  
Janet Landrum  
Photo Gallery--C. Pfaender  
Larry Larson  
Target Practices--Mr. Ernest  
Hoffs  
Nail Driving--Mr. Grefe  
Mrs. Wiggs of the Cabbage  
Patch--Hope Higgs  
Basket Ball Throw--  
Mr. Ralph Sutherland  
Root Beer Well--Doris Dahl  
Ding Dong Bell--Dorothy Vercoe  
Candy Booth--Miss Footh  
Miss Boner  
Lunch Counter--Miss Westling  
Mrs. Teichrow  
Fish Pond--Mrs. Eggers  
Little German Band  
Kangaroo Court--Vic Reim  
Police--Harry Dirks  
Ralph Stewart

The following people will participate in the program that is to precede the opening of the carnival in the high school assembly at 7:30:

Piano Solo - Alice Siebenbrunner  
Vocal Solo - Gretchen Bierbaum  
Hawaiian Skit - A group of  
High School  
girls

Style Show under the direction  
of Miss Ludwig.  
Selections by the Holy Trinity  
Band.

\*\*\*\*\*

## FIRST DISTRICT DEBATE

On January 29, New Ulm's first district debate will take place here. The question for debate is: Resolved: That the several states enact legislation providing for a system of complete medical service at public expense; in other words, shall we receive free medical care as we receive free education? The affirmative side will be upheld by the New Ulm team, consisting of Gareth Heibert, Marcella Groebner, and Betty Backer. Winthrop will take the negative case. Student activity tickets will admit all students but 25¢ admission will be charged to adults. A good representation of students should support the team.

\*\*\*\*\*

## NATIONAL FORENSIC LEAGUE NEWS

The regular meeting of the National Forensic League was held January 10. The corresponding secretary reported that only two answers had been received, from Winthrop and Springfield, in regard to holding freshmen debate. Neither of these schools was interested.

The stationery with the N. F. L. letterhead was ordered. This stationery is for the use of the organization and also for the personal correspondence of the members.

The N. F. L. is interested in sponsoring non-decision declamation contests open to all classes. In such contests can be arranged with the various towns around New Ulm, the students participating will gain points enabling them to join N. F. L. and they also will benefit by the experience.

Ways of making money were discussed, but no definite idea was adopted.

\*\*\*\*\*

## FURTHER IMMUNIZATION AGAINST DIPHTHERIA

On Monday, January 20, additional pupils of the public schools as well as children of pre-school age, residing in the rural communities tributary to this city were given another opportunity to receive immunization against diphtheria. Work began at 9 A.M. and again at 1.30 P.M. The diphtheria toxoid is furnished by the state. The cost, as before, was only 25¢. During the recent immunization campaign, conducted in all of the public and parochial schools here, a total of 887 children were treated to prevent them contracting diphtheria. At that time, a 3 day clinic was held for this purpose in which local physicians who administered the toxoid were assisted by Miss Erlandson, Brown County Red Cross Nurse and Miss Bruess.

\*\*\*\*\*

## HOME EC NEWS

The Home Economics classes changed rooms at the end of this semester and consequently the classes have changed subjects for the last semester. The classes which have been studying cooking are now taking sewing.

\*\*\*\*\*

The only sure thing we face is change. What are we doing to prepare pupils for it?

---John Dewey

## SCALP THOSE INDIANS!

The stirring music of the N. U. H. S. band and the roll of the drums of the Girls' Drum Corps will aid the cheering crowds of enthusiastic rooters at the New Ulm -- Sleepy Eye basketball game next Friday night, January 31 at the New Ulm armory. The Sleepy Eye quintet has a reputation this year that can't be beat. In a game while Glencoe, last year's runner-up in the State tournament, Sleepy Eye came out on top with a score of 34-25. Sleepy Eye has been picked to enter the State tournament this year by people that know basketball. But our boys are not letting a little matter like that get them down. They're all pepped up to fight to the finish--and win! But anyone at 5-1 odds they'll come through! Although the team has lost two games this year, in a game with Sleepy Eye they'll fight--and fight to win. We're with you, gang--let's get out there and skin the pants off of 'em!

\*\*\*\*\*

## ASSEMBLY PROGRAM

Mr. Berglund, a chemist from Minneapolis, performed many experiments which interested the Junior High School and the High School last Tuesday. In one of his experiments he took a rubber ball and put it in liquid air, a chemical 100° below freezing. When the ball was taken out of the liquid and thrown on the floor, it broke into small pieces. After his talk some of the students asked questions concerning the experiments.

\*\*\*\*\*

## MR. HELGEN SPEAKS

Mr. Helgen of St. Olaf's College, spoke to the Senior Class Tuesday afternoon on the subject of general education.

After Mr. Helgen had finished his speech to the class, a number of students who were interested in a college education accompanied Mr. Helgen to a vacant room to discuss the subject of college and college courses. The informal discussion was informative in that the students were advised as to the various courses they should take in preparing themselves for their chosen life work.

The period allowed for discussion was all too short for the number of questions waiting to be asked.

\*\*\*\*\*

## STUDENT COUNCIL MEETING

A regular meeting of the Student Council was held January 14, 1936. The committee appointed to see Mr. Hanson about the crowded condition in the cloak rooms, reported that more hooks had been added in the girls' cloak room, and that the condition is now satisfactory. The committee appointed to promote the Student Council Xmas dance, reported that their expenses amounted to \$17.81. They took in \$14.51 at the dance, leaving a deficit of \$3.35 which was paid out of the General School Fund.

The council reported that great progress has been made in the campaign against gum chewing. Kenneth Barnell was appointed to see Mr. Dirks about the black list of those caught cheating. This list is to be posted on the bulletin in the assembly for one month.

A committee consisting of Beverly Hammond, Jean Muesing, and Gareth Heibert was appointed to see Mr. Dirks about having Student Council Pins. The assembly program committee consisting of Marion Oswald, Corrine Berg, and Helen Andreen is to see Mr. Hanson about sponsoring further programs.

No school dances will be held this month because of basketball games falling on Fridays.

\*\*\*\*\*

## SPECIAL STUDENT COUNCIL MEETING

At a special meeting of the Student Council on January 17. The members reported that the students had unanimously voted for having the person who reported cheating, to sign his name on the slip that is to be put in the box in Mr. Dirks' office.

\*\*\*\*\*

The surest way to defeat learning is to place it in the hands of those whose own education has stopped.

\*\*\*\*\*

## P. T. A. MEETING

On Monday, the thirteenth of January, the Parent Teachers' Association held their regular monthly meeting. The Concord Singers, under the direction of Mr. Halling, favored the large audience with two selections. A reed quartet, consisting of Ruth Stoltenburg, Irene Jones, Lincoln Parmeter, and Lorraine Schuler, ended the musical part of the program by playing two numbers: Amerylis and Kellarnay. Mr. T.O. Streissguth and Mr. Dempsey gave very interesting talks on the con-

stitutionality of the AAA. After short discussion, the audience sang America, the Beautiful, under the direction of Mr. Dirks, with Miss Treadwell at the piano.

\*\*\*\*\*

## SMILES

As sunshine drives the clouds away,  
So doth a smile light up the day.

The teacher was having quite a time getting all the information required from the new pupil.

"Now, Mary," she asked, "what's your father's given name?"

"I don't know," answered Mary.

"Oh, come, Mary. What does your mother call him?"

"She doesn't call him anything," said Mary angrily, "she likes him."

A corpulent student at the university had just finished a particularly poor recitation in English. The professor remarked:

"Mr. Jones; you seem to be better fed than taught."

"That's right, professor," sighed the young man. "You teach me; and I feed myself."

Seven-year-old Jennie was very proud of her progress at school.

"You do read and write very well for such a young lady," complimented Jennie's aunt.

"But you should see me do the gozintos," beamed Jennie.

"Whatever are the go-zintos?"

"Two go-zinto four two times; three go-zinto six two times...."

"I don't want any callers this afternoon," said the business man to the new office boy. "If they say their business is important, just tell them, 'That's what they all say!'"

Soon thereafter a lady called, and insisted on seeing the boy's employer.

"I'm his wife!" she exclaimed.

"Yeah," said the boy, "that's what they all say!"

\*\*\*\*\*

## COMMERCIAL NEWS

Inc.

The Commercial Law Class is doing something rather interesting. The class supposedly invested \$1000 worth of stocks. They watch the stock markets in class daily and their exchange is opened at 11 each day. They can sell and buy stocks then. About a month from now they will cash in and see who invested the most wisely.

Several of the rooms have been getting improvements such as cabinets for storage of equipment. The entire building is being re-varnished also.

## -DEMOCRACY MEANS SELFDISCIPLINE

"A government of the people, by the people, and for the people" is the wellknown adage of Abraham Lincoln. This quotation clearly gives the meaning of a democracy. In a democracy people have to think for themselves. They are given liberty: some people, however, when given liberty are unable to control it. They are under the impression that they have a free hand to do whatever they wish. Freedom really means to "know Thyself," the theme of Socrates, and to plan your life. People in a democracy have more responsibility than people in a dictatorship. It is easy for people to sit back and let a government think and plan for them, as it is in Russia, but to do things successfully on their own initiative is another matter.

People must be enlightened on the subject of selfresponsibility as a democracy cannot exist in a nation of fools. In Russia, where illiteracy reigns, the responsibilities of government rule cannot be entrusted upon the citizens because they would not be able to cope with the situation. In America, however, almost every inhabitant has some education, and each

\*\*\*\*\*

one should be able to do his individual part in the government and to do it successfully.

The schools of America should serve as a torch to the people, to educate them on the subject of democracy. In some parts of the United States there has been some talk of closing schools because of the lack of funds. No, in some manner we must prevent it. Democracy depends on education and if our democracy is not to be threatened; our school doors must remain open.

There is no perfect government in the world, but a democracy is the best solution to a perfect government that has yet been found. Slowly this form of government is slipping away but such catastrophe must be prevented in America. By constantly presenting educational opportunities to everyone, we can make the people selfreliant, and be able to show them the principles of democracy.

The door to democracy is education--throw it wide open to everyone!

The above editorial won first place in the Nation-wide Student Writers' Project conducted by the Journal of the Nation of Education Association. The Author is Robert East of South High, Minneapolis.

\*\*\*\*\*

"If all my possessions and powers were to be taken from me with one exception, I would choose to keep the power of speech, for by it I could soon recover all the rest."

-----Daniel Webster

\*\*\*\*\*

"Let thy speech be better than silence, or be silent."

-----Dionysius,

The Liar

\*\*\*\*\*

"Until a man knows the truth and the method of adapting the truth to the minds of other men, he cannot be a good public speaker"

-----Plato

\*\*\*\*\*

"Not only does debating provide intellectual and oratorical benefits to the debaters themselves, but it stimulates among people in general a keen interest in public problems. It brings to them an understanding and knowledge of vital questions so essential to their solution."

PHILLIP F. LAFOITTE,

Governor of Wisconsin

\*\*\*\*\*

Of 1000 students who enter the public schools, 610 reach high school, 260 are graduated, 160 enter college, and 50 graduate from college.

\*\*\*\*\*

Democracy flourishes better on responsibilities than on privileges.

\*\*\*\*\*

## TRACY FALLS BY 21--19 SCORE

Kusske Leads New Ulm  
With 12-Point Total--  
Other Scoring Spotted

With Kusske leading the pace by sinking five field goals and two free throws for a total of 12 points, New Ulm high school won its second Little Ten conference game within a week Tuesday, Jan. 14, downing Tracy 21 to 19 on the armory floor here.

By his feat Kusske tallied single handed more than half the New Ulm team's total score. Culp, a Tracy guard, led his team in scoring but accomplished most of it from the free throw line. He sank but one field goal, scoring the other six points on eight shots.

The victory placed New Ulm in the running again for Little Ten honors, the locals now ranking high in the column of standings. Latest tabulated percentages were not available Wednesday.

New Ulm's scoring was largely spotted except for Kusske's powerhouse attack. Vorwerk, Johnson, Lindemann, and Precht each made one field goal, Johnson tallying once from the field goal line. One man, Precht, was ousted from the tilt on personal fouls. Two other New Ulm men, Kusske and Lindemann, had three penalties called on them.

Tracy played a clean game thru-out, only five fouls being called against New Ulm's 13. The game was far from a walk-away for Harman's men, who were forced to fight every minute to hold their margin of victory.

Culp, the high Tracy scorer, was aided materially by Leo Peterson, ace for a d who sank two field goals and two free throws. Holstein and O'Brien each made a field goal and Kalbrenner, center, sank a gift shot.

SPRINGFIELD DEFEATED 30--25

Harman Men Take Stride In  
Little 10

Second Stringers Take  
23--13 Decision

Spurting into mid-season form to push their way closer to the Little Ten conference title, Coach Joe Harman's New Ulm high school basketball team hung up another victory Friday Jan. 14, trouncing Springfield 25 to 30 in a game played on the western team's court.

With Vorwerk leading the locals in their scoring attack by garnering a third of the total points, the German Citizens were challenged only by a center named Larson, whose single handed efforts brought 12 points to Springfield through six field goals. The game was remarkably free from rough play, a total of 17 personal fouls being called. No men were ejected from the game.

## First Quarter

Hofmeister, Springfield forward opened the tilt with a short shot, Lindemann retaliating with a long basket. Larson started his scoring spree with a long shot, Sellner missing both tries from the free throw line after Johnson had fouled him. Vorwerk sank two quick baskets, Larson tallied with a long hook and Johnson added a point for New Ulm when he threw a free throw after Bielen had fouled him. The quarter ended 7 to 6 for New Ulm.

## Second Quarter

Precht sank a short ball to open the second frame scoring for New Ulm. Larson retaliated with a shot from mid-floor. Precht fouled Lawrenz, who made one free

(Con. on Page 7)

MARY DIX

Dear Miss Dix:

I am a Senior in High School. Sometimes ago I went with a girl in the Sophomore class. She is a pretty, dark haired, brown eyed girl. We broke up over practically nothing. Now, however, she seems to be sorry, and is trying her best to go with me again. Should I be stubborn, or should I give her another chance.

L. N.

Dear L. N.:

By your last statement I gather that you are a very hard-hearted man. I would give the girl another chance if I were you.

Mary Dix

Dear Miss Dix:

I am a Junior girl with brown hair and brown eyes. I am considered good looking, but I am too fat for my height. I find it rather hard at times, to hold boy friends. I have had quite a few but never for long. Do men really notice women's forms?

P. E.

Dear P. E.:

Men certainly do notice women's forms, and by all means reduce.

Mary Dix

Dear Miss Dix:

I have carried on a foolish flirtation with some junior boy's girl friend. It really didn't mean a thing, but it has caused a little trouble. Should I go to him and speak to him about it. I'm really very sorry about the whole thing.

S. J.

Dear S. J.:

No, I wouldn't. If that girl wants to flirt with you that's her business.

Mary Dix

Dear Mary Dix:

I am very much in love and want to get married soon. The girl I'm in love with is a Junior and she insists on finishing. I am graduating this year and do not want to wait. Is she right or am I.

A. B.

Dear A. B.:

I think the girl is right, for no doubt she is also quite young.

Mary Dix.

\*\*\*\*\*

Miss Sogg--"Yes, Kathryn, bears hibernate in the winter. Now can you tell me if there's anything that hibernates in the summer?" Kathryn H.--"Santa Claus."

Woebke G.--learning to drive--

"But I don't know what to do."

Alfred B.--"Just imagine that I'm driving."

Mr. Dirks--"I never saw a room littered so with paper as this morning. How do you account for it?"

Miss Riley--"I had leaflets distributed yesterday asking my pupils not to throw paper on the floor."

Mr. Harmon (explaining "gravity")--"Now, children, it is the law of gravity that keeps us on the earth." Ray Radke--"But please, how did we stick on before the law was passed."

Mr. Sutherland--"Orvil, who was Anne Boleyn?"

Orvil G.--"Anne Boleyn was a flat iron."

Mr. Sutherland--"What on earth do you mean?"

Orvil G.--"Well, it says in the history book 'Henry, having disposed of Catherine, pressed his suit with Anne Boleyn'."

Mr. Harmon--"When water becomes ice, what is the great change that takes place?"

Skidmore O.--"The greatest change is the change in price."

Miss Ritt--"And whatever on earth made you write a paragraph like that."

Nora Blake--"I quoted it from Dickens."

Miss Ritt--"Beautiful lines, aren't they?"

Merry Lake--"Have you put the cat out, darling?"

"Darling Delford P."--"Naw, I didn't know it was on fire."

"Babes" B.--"Why do you call that a 'Crosby' cocktail?"

Betty B.--"One drink and 'Bing'".

Wilbur L. (holding communication with the departed spirit of his wife)--"Is that you, Delores?"

Delores K. "Yes."

Wilbur--"Are you happy, Delores?"

Delores--"Very happy."

Wilbur--"Happier than you were with me?"

Delores--"Much happier."

Wilbur--"Where are you?"

Delores--"In hell."

\*\*\*\*\*

MARRIED FACULTY MEMBERS  
ENTERTAINED

The Messrs. and Mesdames Hoefs, Halling, Hanson, Harman, Draheim, Greife, Dirks, and Mr. Sutherland (this reporter is still trying to figure out why he was included among the married couples) were entertained at the home of Mr. and Mrs. Adolph Sandman on Jan. 8, 1936

## ALUMNI DEFEATS HIGH SCHOOL 31 to 27

Highschool's old grads came back to defeat their Alma Mater at the Highschool gym, Friday, January 3rd, 31 to 27. Marx was high scorer for the alumni with 7 field goals and 5 free throws for a total of 19 points. High scorer for the school was Vorwerk with 7 points. The alumni led at the half 10 to 7.

\* \*\*\*\*\*

## GYM NEWS

The emphasis will be on control, poise, grace, and relaxation in physical education during the fourth term. Expression gymnastics will be stressed in daily "work cuts" while all regularly listed aims will call for a maximum amount of the above listed qualities.

In the boys department, work on flying rings, advanced tumbling and couple and small group games will be covered while the girls will devote considerable time to rhythmic work and volley ball, instructions, practice, and play.

Lloyd Marti, former high school tumbler and gymnast, now a member of the university of Minnesota Gym team, fell from the flying rings and broke his ankle while working out in the Gopher Gym last Wednesday afternoon. Lloyd's many friends will be pleased to know that he is recovering rapidly from the painful injury and that he is taking his misfortune philosophically.

\*\*\*\*\*

## MR. HALLING BREAKS LEG

The first casualty of the school year occurred last Saturday when Mr. Halling had the misfortune of breaking his leg while tobogganing. Mr. Halling and Mr. Sutherland, in the company of four freshmen girls, had gone out to the golf course. That hill not being steep enough, they drove over to Camel's Back. When they reached the bottom of the hill, all got up but Mr. Halling. He said he had broken his leg. No one believed him at first, for all had been joking, but when he failed to get up, they found his words to be true. It was a long, hard job to pull him up the hill and across the field to Mr. Sutherland's car, but it was done without further mishap.

He is getting along nicely at the Union Hospital, where he will be confined for about three weeks.

\*\*\*\*\*

\*\*\*\*\*

\*\* \*\*\*\*

## JACK FROST DRIVES MERCURY TO 35° BELOW ZERO

Wednesday, January 22, Jack Frost drove the Mercury to 35° below zero, causing many absences from classes. Although some brave pupils risked the cold and getting their faces and legs frozen, Mr. Dirks announced there wouldn't be school in the afternoon.--much to the enjoyment of all.

\*\* \*\*\*\*\*

## AGRICULTURE JUDGING TEAMS WIN TWO TROPHIES

Two Agriculture Judging teams under the direction of L. R. Dragan, took part in the Southwestern Minnesota Agriculture Congress, held at Lakefield, Minnesota, on Saturday, January 18. The contest included schools from Southwestern Minnesota that maintain Agriculture Departments.

The New Ulm boys emerged victorious over all other schools participating bringing home the Identification trophy and the Sweepstakes trophy.

Charles Lindemann and Leo Maidl were on the poultry judging team and placed second, with Gordon City, running first place in this division.

Harold Schaefer, Orlin Mack, and Donald Hipert were the boys that made up the Crops judging and grain Identification team. These boys won the first place trophy in grain identification and placed second in Crops judging.

The three boys working on identification, identified between the three of them 180 different samples of grain, corn, potatoes, grasses, weeds, legumes, and diseases, plus smath samples of each of the above and set a record of identifying correctly 178 samples. In this part of the contest, the names had to be spelled correctly or the identification would be called wrong.

Other schools competing, included Lake Crystal, Madelia, Garden City, Wadena, Lakefield, Hills, Pipestone, and Luverne.

This takes the Second Sweepstakes trophy the local Agriculture Boys have won since September 1. They previously won over seventeen other schools competing in a Livestock Judging Contest held at Marshall, Minnesota last fall.

\*\*\*\*\*

But it was in making education now only common to all, but in some sense compulsory on all, that the destiny of the free republics of America was practically settled.

--Lowell in Among My Books

# SPRINGFIELD DEFEATED 30--25 (Con. from Page 5)

throw. Kusske did likewise when fouled by Bielen, who came back to sink a long shot. Bielen, fouled by Kusske, missed his try from the free throw line. Lindemann made a gift shot when fouled by Lawrenz. Kusske sank a short one handed shot and also a free throw when fouled by Bielen. Johnson made a short shot. Fouled by Werring, he added a point to place the locals in the lead 17 to 11 at half time.

## Third Quarter

In the third quarter Larson made a long counter, Johnson and Vorwerk each sank one and Hofmeister tallied from mis-floor. Lawrenz missed a free throw when fouled by Johnson, Precht and Vorwerk each scoring from the floor. New Ulm led 25 to 15 at the quarter.

## Last Frame

Sellner converted a free throw when fouled by Aufderheide, who then sank a basket. Sellner scored and made a free throw when fouled by Aufderheide. The tables were turned when Sellner fouled Aufderheide, who made the shot. Vorwerk tallied on a short toss, Larson made two baskets and Sellner counted before the game ended.

New Ulm seconds defeated Springfield stringers 23 to 13 in a preliminary tussle.

# BOYS V-BALL TOURNAMENT

AFTER SIX WEEKS OF INTRA-Gym class competition 9 volley ball teams out of 20 have won the right to battle for the high school championship in an after school tournament which will be conducted in the Turner Hall gym on Wednesday and Thursday afternoons Jan. 22 and 23.

Second, third, fourth, fifth, sixth, and seventh period classes will be represented by the Vettters Hippierts, Euhns, Windhorns, and Thiedes, Strates, Cronos, Brusts and Wicherskies.

Pre tournament "dope" favors the Hippierts to win the Class B tournament. Careful serving, steady passing and occasional spiking enabled that team to win 12 out of 13 games played. In the Class C tourney the Wicherskies appear to have a slight advantage over the Cronos and Thiedes. All games promise to be battles from start to finish.

## QUOIT TENNIS UNDER WAY

Competition among 42 girls' Quoit Tennis teams stopped on Friday, January 17. The following gym class tournament winners and their standings were announced. Second period, Landrums - 1000; Third period Joneses - 1000; Fourth period Muesings - 1000; Fifth period Andreens 1000; and Seventh period Reinhardtts - 1000. All of the above listed teams came through their class tournaments without losing a single game. An after school tournament to determine the school championship will be arranged some time in the near future.

## FRASER--JAMES DANCERS HERE

On January 9, the Fraser--James dancers entertained at the high school. This group is a company of artists, who present illustrative dancing, covering all history from the early Grecian period to the modern German. Very beautiful costumes, excellent music, and the wonderful lighting effects made the program very enjoyable.

Mr. Fraser played a few piano solos, which also were enjoyed by all.

A small audience was in attendance.
