-HOMECOMING-

Let's make the Homecoming celebration next Thursday something that will show up on the year's calendar! The traditional rivalry between Sleepy Eye and New Ulm will make the game itself interesting, but we want all the frills that contribute to the success of such an occasion. A bonfire, snake dances, another appearance of the drum corps we're all so proud of, band music, pepfests, a homecoming queen and a dance--all these go to make up a real celebration. With the cooperation of the various committees that have been appointed and with the enthusiastic support of the student body and the faculty we'll stage the biggest and best Homecoming that New Ulm has ever seen.

-THE INSECT WON-

Flies, flies, everywhere and no relief in sight! Not even freezing weather seems to banish the little winged creatures.

Let us take the case of Johnny Jones, a typical high school student, versus Archibald Buzzaround, a particularly persistent fly. Johnny, after a certain amount of customary fidgeting, settles himself to do some intensive studying on the molecular theory. No sooner does he lose himself among the atoms and molecules than Archibald lands on his forehead. Johnny subconsciously waves his hand in front of his face in an effort to drive away the intruder. Archie, however, is not frightened by the gesture; and he remains ensconced in the furrow that the study of molecules has produced in Johnny's forehead. Johnny, deep in his studies, unthinkingly flutters his hand back and forth a few more times. As Archie alights once more on his victim's brow, Johnny suddenly, closes his book, and gazes dejectedly out the window while Archibald remains enthroned upon a wrinkle. Another David has conquered his Goliath!

Betty T. thinks there's a plot afoot to ruin her. When she pulled the light cord in band Tuesday morning a big hunk of glass came down on her head. (It couldn't damage her head, but her hand was slightly cut.)

HOMECOMING TILTS - AMONG BEST OF YEAR SET FOR NOV. 11

Four conference schools in the Little Ten are building up to a grand climax for the day of November 11, when two of the greatest football games of the season are scheduled.

That day will find the two top teams, Hutchinson and Glencoe fighting it out for top honors in the conference in one of the most heated gridiron tilts of the season for either team, and to top it off, it will be Homecoming for the Hutch. eleven.

Meanwhile down at the bottom of the pile, fighting for ninth place, the two cellar teams, New Ulm and Sleepy Eye are out to get one another resuming an ancient rivalry, in New Ulm's Homecoming.

Clearly the Little Ten closes a colorful season with a grand climax.

WHERE TO GO

Tonite-Fairmont-N.U. football game at Fairmont at 8 P.M.

Tues. Nov. 10-N.F.L. meeting at 7 P.M.

Wed.-Thurs.-----Homecoming demonstrations.

Thurs.-NO SCHOOL.

MARSHALL HUTCH. GLENCOE UNDEFEATED

The Little Ten Conference is rapidly drawing to a close.

Tops in the race are Marshall, Hutchinson, and Glencoe, undefeated for the season.

Marshall, probably, has an edge over the other two top teams because of the fact that no Little Ten team has, for many years, run up as large scores against opponents as Bernie Cole's eleven has this season.

Scores run as follows: 33-0, 33-0, 33-0, 32-0, 32-0, the latter scored last week against Redwood Falls.

Perhaps no other Conference team has scored 52 points against an opponent since its founding.

HOMECOMING SLOGAN SELECTED

In a special meeting called for all classes yesterday, the following slogan for the Sleepy Eye Homecoming tilt was selected.

"CAN SLEEPY EYE?"

The lavender and white come in sight of the lights of home tonight in the final out-of-town grid tilt of the season against Fairmont.

The only fact that may hamper any chances the Harmanites may have of winning their second tilt of the year, is that Fairmont is UNDEFEATED.

The New Ulm eleven will meet with an old friend in the Fairmont squad tonight, none other than Mr. "Razzle Dazzle" who has wrought havoc with the Harmanite defense in more than one defeat this year.

They met the "old boy" in the Marshall game and came out on the short end of a 32-0 score, and Marshall won the game on four razzle-dazzles.

Blocking and tackling has, however, improved the N.U. defense and if the squad can keep their eyes on the ball, may spoil some effective reverses and double reverses.

STUDENT COUNCIL MEMBERS TO HELP PLAN HOMECOMING

The Student Council met last Thursday in Miss Kearns' room. The committee which had been appropriated, it would have to continue in the assembly reported that since no other place could be appropriated, it would have to continue in the assembly. Committees will be appointed to clean up the assembly each noon.

The question of homecoming arose, and it was decided that the Student Council plus some of the faculty members will be in charge of arranging the homecoming program.

NEW FACES OF 1937

In order to acquaint the students of N.U.H.S. with some of the new pupils attending school this year from out of town we present our review of some of the new faces of 1937.

From Nicollet comes a shy, sophomore girl, Cathleen Currier who attended Franklin High School in Mankato last year. Her hobby is reading and algebra is her favorite subject.

Florin and Allegra Ginkel, a sophomore and junior respectively, from Courtland, attended the Nicollet school last year. Florin likes modern history while Allegra's favorite class is typing.

De Mar Anderson, better known as "Cotton" is a Lafayette boy. He's a junior and likes N.U.H.S. "Cotton's" hobby is sports of all kinds, especially football and baseball. His favorite class is book-keeping.

Jerome Bergen, also from Lafayette, and likewise a junior, enjoys English class, and playing basketball and baseball. Using his own words he thinks N.U.H.S. is "swell!"

Lois Gruenfelder, formerly of Waseca, is in the junior class. She is in the chorus and has a part in the junior class play.

Black-haired Agatha Machtemus is a senior from Swan Lake. She likes N.U.H.S. and German class.

From Lafayette comes a blonde, senior, Elaine Fjell whose hobby is reading, and favorite class is typing.

Delores Kosek, who hails from Klossner, likes social science and singing as a hobby.

More about the new people will appear in a later issue.

JUNIOR CLASS PLAY
DATE SET

The junior class play, The Sixth Key, which was postponed from November 4, will be given Tuesday, November 16 at 8 p.m. in the high school assembly.

The play was postponed because of the illness of five members of the cast. The members of the class are working hard to put over a successful production.

Dress rehearsals will be held on Tuesday and Wednesday nights next week with the entire casts and production staffs present. The property committee is busy lining up furniture and other accessories. The dress rehearsal for high school students will be a week from Monday night, November 15.

FRI-LE-TAL HOLD MEETING

A Fri-Le-Ta meeting was held Wednesday, November 4. The program was sponsored by the sophomores. Plans for a Fri-Le-Ta float were discussed.

AG BOYS GO TO LAKEFIELD

Saturday, several judging teams from N.U. H. S. will leave for Lakefield where they are competing in the Annual Southwestern Minnesota Grain and Poultry Contest.

Teams will be picked from the following: District F.F.A. President, Leo Maidu, Sherman Zimmerman, Clarence Modlin, Donald Schroeder, Kenneth Halvorsen, Wallace Melzer, Donald Hippert, Harold Schaefer, Orlin Mack, Robert Runck, Leslie Buggert, Vernon Mack, Donald Gluth, Jerome Hanson and Delmar Schappekam.

MUSIC NOTES

There's a hum of activity in the music department this six weeks. The band and drum corps are practicing maneuvers for the homecoming. The chorus of sixty voices has been working diligently and is doing nice work. However, the chorus is still too large and Mr. Kitzberger is trying to figure out a way to reduce it.
