ENROLLMENT 385

CROWD OF 1500 EXPECTED

By Sports Editor

In approximately four more hours, the curtain will go up on the 1937 football season for New Ulm as the lavender and white warriors tangle with the Red Wave from Redwood Falls at the Athletic Field this evening at 8 P.M. before an expected crowd of 1,500.

With only two weeks of practice behind them, it has been an uphill struggle to get a team, who has lost as many men through graduation as Coach Harman has, into shape for a game against such strong opposition as Redwood Falls brings with them tonight.

Probable line up for tonight's game:

- Lindmeier....L.E.
- Spelbrink....L.G.
- Eichten.....L.T.
- Landrum.....C.
- Schmid.....R.G.
- Korth.....R.T.
- Buenger.....R.E.
- Marti.....R.H.
- Anderson.....Q.
- Ochs.....L.H.
- Gerber.....F.B.

GRAPHOS REORGANIZED

TO BE ISSUED WEEKLY

This year, the Graphos has been reorganized for the purpose of furnishing news to the students while it is still news. A four-page paper is to be published weekly rather than an eight-page edition every three weeks.

To assure less conflict and speedier publication of the paper, the number on the staff has been cut down. At present the names and the exact number have not been definitely decided upon.

The paper will be free to those who purchase student activity tickets; to others it will be 3¢ a copy or 10¢ a month and 75¢ for a year's subscription.

Mr. Sutherland states that he, as well as the staff, will appreciate any comments the students or faculty wish to make concerning the weekly Graphos.

ALL RECORDS BROKEN

Never before in the history of New Ulm High has the faculty been faced with a more difficult problem to solve than that of crowding 385 students into a building accommodating, at the most 335. Such was the situation which confronted Mr. Dirks the day school opened.

STEEN AND SNOWBECK ADDED TO FACULTY

When students returned to school this fall they found two new teachers on the teaching staff—Miss Steen and Mr. Snowbeck. Miss Steen is replacing Miss Ritt in the English department and Mr. Snowbeck has Miss Blair's position in the Commercial department.

New Ulm was put on the list for a PWA grant to build an addition to the high school, but through some mistake the grant was not received. Representative Ryan, however, has been working to see what can be done about it.

Two new courses are being given this year, Office Practice and Ag. IV.

-THE FRESHMEN-

Green, the color traditionally symbolic of a freshman, is defined in the dictionary as an adjective designating something not yet arrived at perfection--in other words a freshman is the opposite of a senior. The Class of 1941--the present freshman class, is, as yet, an unknown quality, untried and consequently undaunted.

To make a success of all that lies ahead in his four years of high school, each one should play the part of a contortionist while he tries to keep a level head, with his chin up, his nose to the grindstone, his shoulder to the wheel, his ear to the ground, one eye on the future and the other on his teachers, and, above all, a smile on his face.

-EFFORT-

The usual beginning-of-the-year editorial urges all students to turn over a new leaf and start the year with a clean slate. This editorial, however, is going to be the exception to the rule. The fact that this is a new school year creates for everyone a clean slate, and there's scarcely a person in school who wouldn't like to have a good record on that slate. Therefore, it is only a matter of effort to produce a record for the year that anyone would be proud to own.

-THE GRAPHOS-

The Graphos is your paper, published by the students of your school. If it is to be successful, there must be cooperation among the students. Suggestions that may help us in our newly reorganized paper will be greatly appreciated. Also, if any student has any contribution he thinks will be of interest to the student body, he may submit it to the paper and if it is accepted, he will have the satisfaction of seeing his own work in print.

SCHOOL DAZE

By A.G.

The doors swung open! Ah, the thrill that comes once in a life-time was experienced as one hundred and eleven freshies bent the doors sills in their frantic efforts to gain entrance to the assembly. Of course, there were some sophs, juniors and seniors too, but who could eclipse the shining radiance of the freshmen? The aura which surrounded them as they lined up for roll call seemed to glow with a delicate phosphorescent green. After going thru the painful process of having the other seven hundred and seventy eyes stare at them as they took their seats they relaxed and dared to breathe a gain. Their relief was shortlived. A bell rang--suddenly the newcomers were whirled into the pool of class rushing. If a cyclone had picked them up they couldn't have landed in odder places. After sitting through a half an hour of social, two freshmen girls discovered what was wrong, so they left the class to report for business relations. One freshman boy was struggling to find his way thru the furnace room when finally the janitor rescued him. The last bell had rung; and after dashing up the steps, a more aggressive freshie girl jerked open the door of what she expected to be the science class. She reported for class a few minutes later with a mouthful of fuzz

HS READY FOR REDWOOD

COMPLETE COVERAGE OF N.U.H.S. AND LITTLE TEN SPORTS

ATHLETES BENEFIT-INSURANCE

H.S. ATHLETES TO BENEFIT BY INSURANCE

Broken legs, arms, broken bones and even chipped teeth may not prove so costly hereafter to parents of N.U.H.S. athletes if the proposed plan of Athletic Insurance works out satisfactorily.

By this plan all athletes out for football, considered the most dangerous sport of any, for the nominal fee of 75 cents may join the insurance plan. All other athletes, not out for football may do so for the price of 25 cents per year.

Returns running anywhere from \$5 to \$200 in case of injuries, are paid to the parents.

During these last few days of hard practice, things have been shaping themselves somewhat as we see a green bunch of first stringers slowly converted into what looks something like a football team.

We're not out to give predictions on the outcome of tonight's game, but we may say that win or lose New Ulm will be in there fighting all the time.

SWINGING AROUND THE LITTLE TEN CIRCUIT

Sleepy Eye--Not as good as last year, but definitely set on defeating New Ulm.

Hutchinson--The old New Ulm jinx. A few heavy returning letter men.

Marshall--A heavy line. Has three weeks practice behind it.

Redwood Falls--Ready for N. U. tonite. 14 returning letter men. A bit heavier line than New Ulm.

It kind of gets under your skin those few minutes before the opening whistle. The crowd cheering loud and long, led by three colorfully dressed cheer leaders; the excitement of the undercurrent of speech; quarterbacks calling signals down on a field; lit up by huge lights and crossed at intervals of ten yards with straight white stripes; the band dressed in brilliant lavender and white uniforms playing the school pep song; the coaches giving final instructions; the teams lined up for the kickoff amid the sudden silence of the stands. The kicker comes down on the ball--the game is on.

EXTRA-CURRICULAR ACTIVITIES BEGIN

MUSIC

This year, Mr. Kitzberger is planning a bigger and better season for his music department. In order to accomodate beginners a second band will be started. The regular band will make its first appearance of the season at the football game tonite.

The small vocal and instrumental groups will be started in the near future. This year an award will be given to the vocalist and instrumentalist taking part in the most programs.

AGRICULTURE

With more boys than ever studying vocational Agriculture this year the local F. F. A. chapter is pointing towards a banner year.

Five local F. F. A. boys and their instructor E. R. Draheim plan to attend the National F. F. A. convention at Kansas City in October.

DRUM CORPS

With new equipment, new signals, new members, and possibly new uniforms, the drum corps will show a great deal of improvement this year. Four new drums and four new bugles have been added and the old drums and helmets have been repainted.

N. F. L.

The New Ulm chapter of the National Forensic League will begin its activities for the year 1937 in the very near future. The organization, which consists of about thirteen members, will meet one evening a month.

DECLAM

Within hte next few weeks Mr. Sutherland expects a large number of students to sign up for declamation. The three winners of the Siegel Trophy Contest of last year are still determined to win again in spite of keen competition.

DEBATE

The debate squad of twelve members is already deep in the study of the merits and drawbacks of unicameral legislature. The squad consists of twelve members, eight of whom are veterans.

DANCE NEXT FRIDAY

SCHOOL DANCE PLANNED

Friday night, September 24, the first school dance of the year will be held in the high school gymnasium. The music will be provided by Windhorn's orchestra. Those who purchase student activity tickets are entitled to attend.

LATE FLASHES

Class Elections to be Held
Next Monday morning at 8:45 the four classes will meet for the purpose of electing nominating committees who, in turn, will choose candidates for the various class offices. Tuesday morning each class will meet again, and from the list of nominees the class will elect the three officers and two student council representatives.

Pep Fest Held Today
Mr. W. L. "Shorty" Hullinger of the New Ulm Daily was guest cheer leader.
