## SUPT. TO REPLACE MR. HANSON NEXT

## AT STATEMEET

The New Ulm delegates to the State F.F.A. Convention, held at the University Farm May 19-20, are Leo Maidl and Sherman Zimmerman.

Under the supervision and coaching of E. R. Draheim the following boys will represent New Ulm in competition with 150 schools from throughout the state on the following judging teams.

Dairy Judging; O. Mack, L. Buggert and D. Hippert. General Livestock; H. Schaefer, D. Schroeder and L. Buggert.

Poultry Judging; C. Modlin. J. Hanson and K. Halvorson.

Meat Identification; W. Melzer, D. Gluth and D. Schroeder.

Showmanship; W.Meyer, V. Mack and O. Sievert.

#### STUDENTS RECEIVED AWARDS

This year's award night held here in the high school auditorium last Monday evening was attended by one of the largest crowds in recent years as Mr. Dirks, heading the ceremonies, handed out the awards won by students in the past year

Awards were given in speech, athletics, music, commercial work, history bread baking, and for honorable work done by students in the past few years.

(Con't on Page 4)

### E.E.A. BOYS SENIOR - RETURN DANCE SATURDAY

The Seniors will pay their respects to the Juniors, Saturday evening, in their return dance.

The Swingsters have been engaged to furnish the music for the dance, which is scheduled to begin at 7:30 P. M.

As in former years, the faculty, the remainder of the student body, freshman and sophomores, are invited to attend this fete as guests of the Seniors.

#### PROM POSTSCRIPTS

Psst! Did you know that Dopey could talk? Well, neither did we, but there was a Dopey at the prom last Saturday and should have heard him rattle away. Dopey was in the form of Ralph Sutherland while Phyllis Shake, the toastmistress, was Snow White. Other of the renown dwarfs were Happy Ochs, Bashful Oswald, Grumpy Dirks, Sleepy Hanson and Doc Hammermeister.

The Juniors wish thank all their classmates who assisted in decorating and Mr. Pfaender WHO taught the dance group their number, Miss Westling who supervised the food course, Mr. Hoefs, supervisor of the decorating and Miss Paulson, whose artistic ability displayed on the programs, greatly.

An announcement was made this morning that Superintendent E. M. Hanson, who accepted a position as assistant superintendent of public schools at Salt Lake City, Utah, will be replaced by Mr. Harold Bauer of Lakefield, Minn.

Mr. Hanson has been superintendent of the New Ulm public school for the past three years' and has served very efficiently in that capacity. The student body wishes him the greatest of success in his new position.

Mr. Bauer, who will take up his new duties about July 1, has been superinendent of schools Lakefield for the past nine years. His appointment was made at the meetng of the school board Thursday evening.

He has deld similar offices at Jasper and Renille. A graduate of Central College, Pella, Iowa, he has a Master's degree from the University of Minnesota.

#### LAUGHS REIGN AT SPRING FEVER

Wednesday and Thursday of this week the National Forensic League produced their play, Spring Fever. This is the first time the New Ulm Chapter of the N.F.L. has ever put on a play. We all hope they will put on many more, because they have good talent.

The returns from this play will be used for the N.F.L. trips that are made during the school year. THE GRAPHOS

#### -DON'T SLOW UP NOW-

During these last few days of school when review is the main subject of study in every class, don't start to become lazy and neglect your studies just because you don't care for them. Those reviews may make it possible for you to pass a test, where otherwise you may have failed it.

The school year can be compared with a foot race at a track meet. You start off at the beginning of the year very peppy; and you keep that good stride until about the last six weeks of school. That is when the students begin to slacken up.

But does the boy running the race slow up when he is a few feet from his goal. No, of course not. He keeps right on with just as much power and "push" as before.

In the next few days of school when you feel a tendency to forget about studies when you really need them, remember the fellow that was running the race and don't slow up!

#### -YOUR ATTENTION, PLEASE-

At a recent assembly program, some members of the student body were not giving their full attention to the speaker. Consequently, that afternoon before another program, a remark was made about that fact, and the student body was asked to give better attention to the afternoon's assembly, which they did.

Several times during the year it has become necessary for someone to reprimand the students because a certain few are not giving their full attention.

Even though a student doesn't like the program he should in all respect to the speaker show interest It is a good idea to try to learn to like the programs you dislike. But if you can't do that then at least don't cause disturbances.

#### SNOOPIN' AROUND

We wonder who that certain girl is that Dick E. and Dicky S. were entertaining so highly on the way home from skip day.

A certain tip ti D.K.-a certain girl in Biology spends most of her study period conversing with Robert B.

Well, the prom is over, but the memory lingers onToo bad one boy was too young to stay at the dance but rules are rules. Talking about gowns, weren't they positively exquisite? Lafayette, here we come, was, evidently, a very popular phrase Sat. night.

Wanted: By Galen M.; some pillows to make his lying-down-sitting-up position in the assembly more comfortable.

The ambition of one senior: To kiss every boy in the senior class (with a few exceptions.)

We hear that the sophomore class is the fastest on record. We mean, (you couldn't take it any other way, could you, or could you?) the short time it took them to do those hundreds of dishes after the prom. They were finished by approximately 10:112PM.

The old maxim, "True love never runs smooth," seems to suit Ruth Sch. and Jack M. perfectly.

Why were so many of the senior girls worried about taking the Roger's Test this time? It Couldn't have been because of the prom and skip day, could it?

# NU NINE LOSES TO SE BEATS ST. JAMES TRACKMEN PLACE SECOND IN DIST. 10 MEET

GAYLORD, REDWOOD TAKE SIX FIRSTS EACH

New Ulm cinder men went into the district ten track meet at Johnson Field last Friday with high hopes, but they emerged in second place, Redwood Falls taking the inital honors with 70 points to beat New Ulm with 52, Gaylord with 50, and Winthrop with 6.

With Kusske, Pollei, and Gerber at work, the Eagles although unable to cop first place honors, took sufficient second and third places to bring New Ulm into second place.

Kusske in a battle for individual high point honors beat out McGraw of Gaylord with 16 points and Schmidt of Redwood with 15 points. Kusske piled up 18 of New Ulm's 52 points—and with only one first place.

PFAENDER GIVES FINAL ROGERS TEST Field Day Next Friday

The last rogers test for this year was given during the past week showing fair increases in the boys division while the girls in the upper classes went down in their ratings. Boys have shown a great increase on the average in leg strength, and back strength while the senior girls have gone down in their ability to lift the old spring out of its hole.

Field day preparations continue faster than ever with the big event only one week off. The gym team has been reorganized to put on an impressive display on the night of May 27, when field day will be held in which some 400 students will join.

Eagle baseball men ran up against stiff opposition in their home stand at the fairgrounds this week as they dropped a return game to the Indians, 6-4, on Monday and eked out a 2-1 win over the St.

James nine on Ta Lay.

With all of the seniors out for one grand skip day Monday, Coach Harman shoved Carl Ingle in to sub for Dick Spelbrink regular mound man, and as a result Harmon discovered a new hurler in the sophomore boy.

Tuesday found the Eagles with the seniors returned from their little outing and the squad was rarin' to go, but they met stiffer opposition in the St. James crew and were forced to fight for it every inch of the way.

The first two inning found a pitching dual going on as the score stood 0-0 until in the third when the Eagles sent Ahrens across for the first run of the game. St. James, however, quickly retaliated with a run in the next inning on a hit to center making the score one up.

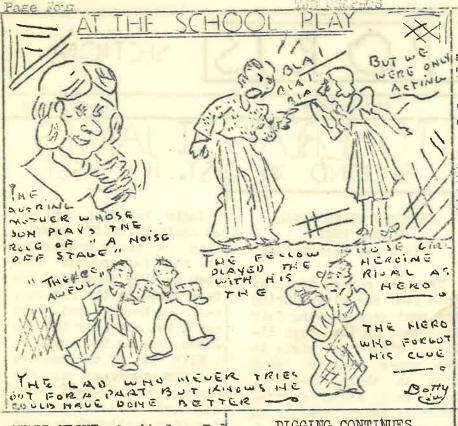

From there on out it was a pitching dual with the Eagles getting an occasional hit. In the night game Dick Spelbrink put away the Saints one, two, three, and when the Eagles took the bat, Ochs got a double, stole third and sneaked in to home to score the winning run.

#### ANTS TO FROLIC

The ants, gnats, and mosquitees plan a great gettogether when the several departments of the New Ulm
High School have their annual picnics. Hortense Hoggle, mayor of Antville, announced several great
"finds" in relation to picnics that are going to be
held. The date of the N.F.L. picnic is indefinite at
this time although it will be held sometime next week.
Members of the N.F.L., members of the speech class,
the "Spring Fever" play cast, and the play production
staff are all invited to eat ants with sandwiches.

Meanwhile, the F.F.A. boys are planning a picnic to be held at Minneopa Park sometime during the last week of school. Money from the Gopher Tail contest will be used to buy ice cream and other refreshments.

The German class is planning their big get-together for Tuesday, May 24, at Herman's Heights.

#### AWARD NIGHT -Con't from P. ]

The trophies were as follows: Stewart Public Speaking Trophy, Lyla Mae Kemske; A.J. Vogel Debate trophy, Jack Minium; Vogel Latin Trophy, Carole Sandmane, Latin I; Jack Minium, Latin II; Geib-Janni Industrial Arts Award, Vincent Hayes; L. B. Krook Commercial Award, Eleanor Larson and Lucille Reinhart; Eckstein Musci Trophy, Betty Neuwrith; American Legion Citizenship Honors and trophies were presented to Bradley Kusske and Corinne Berg: seniors, for outstanding citizenship in school; Special Josten Honor medals were presented to Anita Grussendorf and Gareth Hiebert, also seniors; and the D. A. R. History Medal to Lyla Mae Kemske and Leonard Rickers.

Honor letters were presented to the following; Anita Grussendorf Lois Backer, Phyllis Jahnke, Evelyn Arndt, Betty Neuwirth, Eleanor Larson, Marion Oswald, and Gareth Hiebert (Con: t Col. 2)

#### DIGGING CONTINUES

Work is progressing rapidly on the excavation of ground on the site of the new school building. The still have sophomores hopes that they will graduate from the new school.

A large crew of men and trucks are on the job aiding the "shovel"in preparing the east side of the school for the proposed auditorium-gymnasium addition.

#### AWARD NITE-from Col. 1

Music lyres were presented by Mr. Kitzberger to an unusually large number of students.

Winners in the Eagle bread baking contest received cash awards from that company.

The Prescott music award was presented to Letha Stoltenburg, the instrumental award to Elaine Schapekahm and Harold Fenske, while Betty Neuwirth won the Vogel award in the music division.

STUDENTS HEAR ASSEMBLIES 3 of we ational guidance was given Another assembly on voc-

Mr. Stewart, an ex-principal of our school, spoke on salesmanship.

Of the rules for good salesmanship, the most important is the Golden Rule. He said that industry depends on good salesmen to sell their products.

Wonders of science were explicited Friday afternoon by Mr. White, who has worked with Edison and White's Mr. Steinmetz. lighting of assortment fixtures ranged from ancient torches to modern television. He showed how each era has added to the efficiency of lighting so that now it is used not only for practical purposes, but also for luxury.

Last Friday morning Dr. Hammermeister spoke choosing medicine for a profession. He emphasized the fact that pupils should prepare for college in high school.

A rhythm band from the Washington School opened the program.

#### KITZBERGER'S KORNER

Though the band scheduled to play an outdoor concert on Award nite weather conditions forced the band to play indoors.

The kindergarten rhythm band provided a good deal of competition for Maestro Kitzberger and the high school orchestra, which played after a few of the awards had been given.

Don!t forget, dear reader to tune your radio dial to KSTP on Saturday, June 4 at 5:00 P. M. when the a capella chorus will broadcast.
