

Minnesota Education Assn. Meets Faculty Members to Take Part

Two Day Holiday For Students

Dirks, Andrews Preside

The Minnesota education association will hold its annual meeting October 16 and 17 at the State Teachers' college in Mankato. Eight New Ulm faculty members will take part in the program. The student body will enjoy a two-day holiday.

Harry G. Dirks, who is president of the secondary school principals, will preside over a program to be given Thursday afternoon at 2 o'clock in Room 332 of the college. Walter Englung will be a speaker at a 12 o'clock luncheon at the Saulpaugh Hotel.

In the student personnel section George McCutcheon, guidance instructor, will represent New Ulm. The program will take place on Friday, October 17, at 9:30 A. M. M. E. Hahn, director of men's activities at the University of Minnesota, and Barbara Wright, supervisor of counselors of high schools in Minneapolis, will speak at this meeting. Dr. Charles Boardman, professor of secondary education from University of Minnesota, will also speak.

"Federal Government and Our Public Schools", will be the topic at a sectional meeting of the administration on Friday at 9:30 A. M. W. A. Andrews will preside at this meeting and he will also give his views on the school agricultural program.

A panel discussion on bookkeeping will be headed by A. J. Snowbeck on Thursday at 2:00 P. M. Katherine Riley will talk on "Meeting Individual Differences in Shorthand."

Anne Westling, home economics instructor, will preside over a home economics discussion and Thomas P. Pfaender, physical education director, will speak on "Problems of Securing Medical Examination Reports".

Paul Fuller, vocational co-ordinator has charge of program on adult education on Friday at 9:30 A. M.

Trainees Get Free Graphos

In the September 26 issue of THE GRAPHOS the fact was mentioned that some person had given THE GRAPHOS enough funds to send the paper to three boys in military camps.

THE GRAPHOS contribution box went to work and the following names were sent in as applications to the paper.

Pvt. Donald Goodell
Battery A, 14th B.N.
5th Trg. Regt., F.A.R.T.C.
Fort Bragg, North Carolina
Pvts. Donald Veigel, Albert Hacker,
Ordell Herrian.
Band 215, C.A. (A.A.)
Fort Greely
Kodiak, Alaska
Corp. Claude Peters
Battery C 215 C.A.(A.A.)
U.S. Troops
U.S. Naval Air Base
Kodiak, Alaska

These boys are all graduates of New Ulm High School and will certainly be interested in getting the paper.

Gerhart Seger Former Nazi, To Talk Here

Will Speak on Conditions In Nazi Germany

On Tuesday, October 14 at eleven o'clock Mr. Gerhart H. Seger, a former member of the German Reichstag and its committee on foreign relations, will give a talk in the auditorium.

Mr. Seger was born in 1896 at Leipzig, Germany, attended public school, apprenticed and worked as printer and in 1915-1918 was in the military service in the war.

On March 12, 1933, Mr. Seger was arrested by the Nazis without any charge under the so called "Protective Custody" and spent three months in jail and six months in the first Nazi concentration camp near Berlin.

In December, 1933, he escaped out of the concentration camp to Czechoslovakia.

On January 19, 1934, his wife and seventeen months old baby were arrested and taken to Roslaw, a men's concentration camp at Anhalt, where Mrs. Seger was the only woman prisoner; they were held as hostages for four months.

They were finally released on May 19, 1934, after the intervention of the ladymembers of the British parliament, and taken by airplane to join Mr. Seger.

Mr. Seger came to the United States in October, 1934, first as a visitor, went back to Europe in 1935 and came again to the United States of America as a legal immigrant under the German quota; he has taken out his first papers in order to become a citizen.

Hear Those Trumpets?

On Wednesday, October 8, at 1:10 p.m. the Kilty Trumpeters presented a program in the auditorium of brass choir melodies. Instrumental solo and ensemble numbers were featured on the program.

"The Captain's Yarn" was one of the novelty numbers offered. A trombone and piano solo were also included.

A group of Victor Herbert's selections concluded the program.

'5 Happy, Blissful Years', Mrs. Heltne

By Mavis Schultz

In a very confidential interview with Mrs. Paul Heltne, I secured some personal data about her husband.

Mr. Heltne prefers that he-man dish, steak, above all others.

* * * *

It's obvious that Mr. Heltne is a golf enthusiast because the first thing that caught my eye (after climbing three flights of stairs) were golf sticks. Mrs. Heltne opened the door at that moment which left me no opportunity to snoop. So I just couldn't tell you what kind they were.

* * * *

Have you ever heard Mr. Heltne rave about the superb power of his V-8? If you have, you can readily understand why the Ford's Sunday Evening hour is his favorite program on the radio.

School Spirit Boosted

Color Day Set Aside; Emphasize Colors

If you should happen to see Miss Fischer strolling into the, classroom wearing lavender socks with white stripes on October 15 don't think she's on the gym team.

Or if you find Ted "Nellie" Kallsen with a lavender sa-teen bow in his curly (?) locks (?) don't think he's in his second childhood...yet.

Or if you see Ralph "Suthie" Sutherland wearing a lavender plaid jacket, don't think he's getting color blind.

Undoubtedly you'll see the football, basketball and track stars displaying white stripes on a lavender sweater, but don't think they're inmates of a penitentiary.

All these people and more are showing the real school spirit. For on this memorable occasion, Wednesday, October 15, N.U.H.S. will hold its annual homecoming. The method of displaying school spirit is the wearing of our school colors—lavender and white.

Faculty, students and alumni get in the "groove"!!!

Graphos Celebrates American Education

On Nov. 7 the silver anniversary of the Graphos will be celebrated by the release of a special issue.

It was in 1916 when a group of students published the first issue of a high school paper known as the Graphos.

For 25 years the Graphos has served students of New Ulm High School. It has broadened their knowledge and given valuable experience to many. Because of this it has a place in our education and in American Education Week.

American Education Week will be observed from November 9 to 15. Plans will be made for special programs. A movie short illustrating the theme, "Education for a Strong America," will be shown during that week at the local theaters.

Fuller Offers 28 Classes in Night School

Naturalization Class Already Begun

The meeting of the Adult Education committee was held Monday, October 6, in the co-ordination room. The following committee members were present: Paul Fuller, director of adult education; Karl K. Clay, representing investment and finance; James O. Green, representing retail sales; Paul Fritsche, representing agriculture; A. J. Snowbeck, Commercial education; Anne Westling, Home Economics education; W. J. Dahlmeier, agriculture education; Ted J. Kallsen, English education.

Teachers for the courses will be selected from the high school faculty, prominent business men, and through government agencies.

Classes will be held Monday and Thursday evenings from 7:30 to 10:30 for an average of ten weeks.

Most classes will begin in January; the naturalization class, however, held its first meeting on October 6 with the enrollment of ten.

A total of 28 courses will be offered. These will be described in a course catalog which is to be published later. A small fee will be charged for each course.

The list of courses to be offered are:

1. Advanced Shorthand
2. Beginning Shorthand
3. Advanced Typewriting
4. Beginning Typewriting
5. Cartooning and Show - Card Writing

Four Students Represent N.U.

Miss Muriel Wickstrom, after tryouts, has selected four people to represent the Senior High School Chorus at Mankato. They are Harriet Woebke, soprano; Gladys Weissenborn, alto; Oren Abraham, tenor; and Harley Krieger, bass.

They will rehearse in the morning with representatives of choruses of other schools. In the afternoon the whole group will present several musical selections before the convention.

Pep Fest Tuesday Below Herman, 6:30

Color Day New Feature Game, Dance Wed.

"Stampede St. James" is the slogan for the 1941 homecoming at New Ulm High School. The homecoming festivities this year will begin Tuesday evening with a pep fest, a bonfire and speeches, which will take place on Center street below Herman heights at 6:30 p.m.

A snake dance led by a special pep band will make its way through the streets and then down Center street to the evening's ceremonies. Tom O'Malley will be the master of ceremonies. Ray Bassett, Elmer Anderson, old alumni, and friends of the school will all be given a chance to voice their opinions. The pep band will play the school song and other pep songs. The cheerleaders will lead the group in their pepiest of pep cheers.

Wednesday will be color day at N.U.H.S. This is a new idea and each student and faculty member is required to wear the school colors, which everyone knows are lavender and white.

Wednesday afternoon school will be dismissed at 3:30 in order that all students may participate in the parade which will begin at 3:45. Floats from every club in school will make this parade a colorful event. The N.U.H.S. band and the Girls' Drum and Bugle corps will also partake in the parade. This will mark the first appearance of the drum corps this year.

In the evening at 7:30 the game with St. James and after that a dance will bring to a close this 1941 homecoming. The dance will be held in the new gym and it will begin at 10:00. Admission fee will be fifteen cents and the student body faculty members, and alumni are all invited to attend this dance.

This program was arranged by the following committees: Publicity committee headed by Miss Lucille Bruce and Miss Evelyn Ogrosky consists of Irene Gag, chairman, Mary Kral, Mary Ellen Yost, Germaine Martinka, Alice Reitter, Marie Seifert and Jeanette Herrian; Bonfire committee headed by George McCutcheon, Howard Brust, chairman, Ray Kimler, Burton Mahle, Gardelle Wagner, Warren Sandmann, and Alfred Lingenhag; Parade committee headed by Paul Heltne, Paul Fuller, W. J. Dahlmeier, Florence Lindemann and Norma Faaburg, co-chairmen, Melvin Forbrook, Bob Schneider and Tom O'Malley; Speech committee, Ray Kimler.

Ciernia Presents Assembly Program

On Wednesday, October 1, those students who are not in chorus and who do not leave for religious instructions had an interesting program presented to them by Prof. Al J. Ciernia, head of the science department. He demonstrated various experiments with liquid air, dry ice, phosphorus, potassium and magnesium.

One of the experiments involved the use of a small piece of banana. Many students looked hopefully toward the remainder of the banana but Ralph Teynor, Mr. Ciernia's helper (???) made his exit from the stage, eating the banana.

At the end of the program Mr. Ciernia explained the difference between a hot and cold flame.

I asked Mrs. Heltne just how long they had been married. She blushed a matronly blush and said that they had been married five long, happy, blissful years. With a sigh she said, "We had been teaching at the same school when we met."

* * * *

I also asked Mrs. Heltne to relate some humorous incident about her husband but she just couldn't think of any. Sorry, students, but I'll try to dig up some deep, dark—and possibly romantic—secret out of the next instructor's "better half."

Editor's Note: This is the first in a series of interviews with the "powers behind the thrones"—to you, faculty men's wives. Next issue, watch for Mrs. August Henderson.

HARVARD SYSTEM

Use for Future Reference . .

At Harvard, the students get their marks at the end of the year and the professors at the beginning. The students publish a pamphlet for which the charge is 25 cents. In this pamphlet the students rate the professors and the courses they teach. The freshmen are the usual buyers of it because they choose their courses from it. Some teachers, though, have toughened their course after this pamphlet is published.

Some of the courses rated are:

Sociology: "While opinions of (Pitirim) Sorokin vary from crackpot to genius, he is still one of the commanding personalities at Harvard. . . . It will do you no harm to hear Sorokin on Sorokin at least for half a year."

Fine Arts: "Not a good course; you put more in than you get out."

French: "Avoid if possible."

If N.U.H.S. published a booklet, these would probably be some of the courses mentioned:

Biology: "Too 'buggy' for words."

German: "If you want a course where you really learn something and at the same time have fun, take German which is taught by Miss Irene Fischer."

Accounting: "If you don't want to work, don't take accounting."

Brush up on Your Etiquette

Wednesday is our homecoming. All you students should probably brush up on your etiquette. There will be many people at the game and if the students will sit on the bleachers provided for them, more people who paid admission will be able to watch the game sitting down. With the students in one group the cheering section will increase.

If we win or lose, be good sports. Don't call the opponents all the names you can think of. It does not help.

Boys! At the dance, don't let the girls sit there like wallflowers. Get up enough courage and ask them if they wouldn't care to dance. They will.

Not for 1 Week - - - 52!

This past week has been Fire Prevention week. Its aim has been to show the destruction and havoc wrought by fires often started through carelessness, fire that can be prevented if people will stop and think.

There are always some people who are foolish enough to think that nothing can happen to them. These are potential firebugs.

Everyone, with a little thinking and carefulness, can do his share to stamp out the record of these fires. Play safe with fire and you'll be safe.

Prevent fires all year!

Thursday October 9 is celebrated by the Norwegians (or those who used to be Norwegians) in honor of the landing of the centuries-old Norsemen, under the leadership of Lief Erickson, in Vinland (perhaps New England) during the fall of 1000 B. C. The people in different parts of Norway dress up in the old-fashioned dress of the Vikings and celebrate.

CHEMISTRY

I stand in mortal fear of this class, Because of solids, liquids, and gas; I'll never get these straight, I fear, And hope I'll soon get out of here. But this high hope will never be, For I am dumb (as you can see). And all year long I'll study the junk, But at the end I'll probably flunk.

BUZZING AROUND -- With ARVIE

Judy and Jim are typical students of high school age. They're both planning to attend our homecoming game and the dance which follows.

The following clothing, which Judy will wear, is what you may see on any other high school girl. Judy selected a deer skin colored dress with fringes on the sleeves, bodice, and pockets. The buttons are the heads of Indian maidens with black braids and a colored feather. Such a dress may be found at the Vivian Frock Shop. She will wear brown spectator pumps which I have seen at Wicherski's Shoe Store. A man tailored coat of Harris tweed with a zip-out lining of suede may be found at Pink's. As for the hat, Judy selected from the Bee Hive a beanie made of felt suede with a feather of a different shade and an under arm bag. These beanies also come in corduroy. This completed Judy's ensemble.

Jim, as any other boy, didn't go to so much bother. He will wear covert trousers, which you can get in different colors, and a pull-over sweater. These may be found at Tauscheck & Green. Jim selected the very popular finger-tip coat to go with his outfit. This light, but warm, coat may be found at Crone Bros. Jim selected shoes of antique brown with moccasin toe, brogue pattern.

The latest fad of New Ulm High School is a lone sock which does not have a matching mate. More power to you girls. Keep it up and remember that on Color day one should be lavender and the other one white.

As far as wearing dish towels is concerned I don't think they belong on a girl's head. A better place would be in the pantry ready for wiping dishes.

For plain or colored socks and a kerchief, see Salet's department store.

Wagner, New Council President, Likes Caviar, Milk and Crackers!

Our new Student council president for the year 1941-42 is Gardelle Wagner, better known as "JuJu." His remark about being president is, "Indeed a great honor to be president."

By questioning, we learned that his favorite foods are stuffed pork chops, caviar, and milk and crackers. JuJu says he likes to eat.

His hobby is woodworking which he carries on in a home workshop. His favorite school subject is Spanish, taught by Miss Irene Fisher.

Band is an extra-curricular activity that JuJu enjoys tremendously. He plays the tenor saxophone and the clarinet in the band. He

JuJu listens to concerts over the radio and also to orchestras and think Jimmy Lunford's is the best. As we inquired further JuJu told us that he enjoyed playing for dances better than he did going to them. He does like parties

A few of the sports he keeps an eye on are football, basketball, and baseball. Another thing which is stranger than fiction is that he doesn't like movies. Most people do. JuJu would like to go to Hamline college or else to a good Chicago radio school. His life's ambition is to be a radio technician.

MR. CHAIRMAN, I Rise To A Point Of Order

We come in, sit down, all steamed up because of the work of the day before, and get ready for another workout.

Believe it or not, but that's social science and not gym I'm talking about. None of us thought social would be like this, but we're glad it is. Sophomores and juniors, you can't begin to realize what a good time you're missing till you've been in one of Coach Bassett's social classes.

There is a bill up for open discussion.

"Madam chairman," says someone, "is there any proof of what was just stated?"

"No. proof needed. We're sixteen against you," pipe up two voices from the corner.

"Bribery."

"Prove it!"
"Reread the minutes."
"You're out of order!"

It keeps going on and on till the end of the period; but it's fun and we learn more than by having tests. Why not have open discussion in all classes?

Ciernia Deferred

Al J. Ciernia is definitely not going into the Army. He was notified Tuesday that he was deferred because he had not met health standards. Mr. Ciernia would have been inducted into the Army Wednesday.

Something to Wonder about

Will this tenth grader have to pay an inheritance tax? He wrote in a theme, "He has only a little heir on his head." Does it get heavy?

Tomorrow marks the end of National Letter Writing week—as well as Fire Prevention week. Well, carry 'on; keep on preventing fires all year; keep on writing letters.

As the post office department says:

- On Monday write a word to Dad;
- On Tuesday write to Mother,
- On Wednesday drop a line to Sis,
- On Thursday write to Brother.
- On Friday, maybe there's a friend.
- On Saturday another,
- For whom a cheery word from you,
- Would long-lost joys recover.

Mr. Ciernia claims that his rubber ball would have broken in his science demonstration Thursday morning if the ball had been hollow. The solid rubber ball would have broken, too, if it had been completely frozen.

Horseback Riding is Latest Fad For Girls

Girls, if it's reducing or if it's just for fun, why not go horseback riding at the fairgrounds on Monday, Tuesday and Thursday nights after school?

If you don't know how to ride, lessons will be given by Miss Doris Schaub, gym instructor, and E. Schreyer, owner of the horses.

The price is twenty-five cents when in a group with Miss Schaub, but you must sign your name on the slip which is on the bulletin board in the girls' locker room, in order to be in this riding group.

Don't be afraid to ride because there have been no accidents yet, and there shouldn't be if you're careful.

LOOKING THROUGH The Sportoscope

After four starts and not one win the Eagles are going to Tracy tonight to engage in what they call their first victory. They claim that this week they have found themselves, and from now on they can't be beat.

This last week the boys have been working on the blocking and tackling idea more than they ever have before in hopes that they can start their winning streak and not take the back seat to any team.

Tonight the Eagles face another team that has not won a game this year, and so the game should be evenly matched. Redwood Falls trounced this Tracy team by a big score and the New Ulm-Redwood game was no walk-away for the Redmen so there might be a chance for the Eagles to soar high tonight as they play Tracy. Before the season started Tracy was rated to have one of the best teams around this vicinity, but Redwood Falls seems to have taken that honor so far because to my knowledge they have not lost a game this year.

The boys promise us a victory for the homecoming. I believe that it would give the boys some of the old drive and spirit if the gridders knew that we were behind them.

Johnny Eckstein really proved that he was a he-man after being hurt to go back in there and make some ground on his line plunges. Huntley Prah, better known as Tommy Harmon, has gone to town this year in making points. In the out-of-town games that is the nickname the spectators call him from the sidelines. It seems as that is the only name that they can call him without using profane language once in a while, for he can pile up the yardage.

We're With You Fellows

Stampede St. James will be the cry as the New Ulm Eagles take over the Johnson field gridiron for its homecoming game on Wednesday, October 15, at 7:30 p.m..

New Ulm, having lost its first four, will be out there to upset St. James.

Coach Bassett will probably put a squad composed mostly of underclassmen for the line up. If you remember last year the seniors fairly dominated the starting lineup.

The starting eleven will most likely be as follows:

Left end—John Furth, a junior who plays good offense and a steady defense.

Left Tackle—David Groebner, a junior who hits 'em hard and really has what it takes.

Left guard—Ervin Johns, senior, who is in there fighting from start to finish.

Center—Harley Wieland, a senior who gives each play a swell start with his accurate centering and does a good job on defense.

Right guard—Lloyd Zieske, a sophomore who is playing his first year of football and is doing a wonderful job.

Right tackle—Roland Niels, a junior, who has gotten his start on the first team and puts plenty into it.

Right end—Warren Sandmann, a junior, play a pretty steady game.

Right half back—Cal Backer, a junior who can really carry that ball and does some splendid kicking.

Left halfback—Huntley Prah, a senior, who plays good defense as well as offense.

Fullback—John Eckstein, a senior, who has power and knows how to use it.

Quarterback—Pat Keckeisen, a sophomore, who does his share of tackling and blocking.

Hey You Guys!
Come on out Now

Mr. Snowbeck is putting out a second and more urgent call for more candidates on the freshmen football squad.

Boys who come out for freshman football are usually material for future varsity teams and they can learn all about football before they get into senior high. Not only can they learn how to play but also have some fun because Mr. Snowbeck is planing several scrimmages a week and also trying to arrange scrimmage games with St. Mary's and Trinity. It will be more fun than work and Mr. Snowbeck hopes that more boys will become interested and report for practice.

So come on all you freshies, get behind the wheel and push. There are about two full teams reporting for practice now and there should be more.

Coordination Assists Ambitious Students

This year the New Ulm High School can boast of having a large number of students who are going to school and working in a business firm at the same time.

Here is a list of the students enrolled in coordination and who are doing a good job of preparing for a job after high school and who are still doing their share of study.

Loretta Bassett, Ochs Dept. Store, Saleslady.

Ordelle Bauermeister, Gamble Store, Stenographer.

Luverne Behrmann, Dr. O. J. Seifert, Stenographer.

Harry Beyer, Beyer's Grocery, Salesman.

FRI - LE - TA GIRLS DISCUSS 'LEA TRIP

The Fri-Le-Ta club held its regular meeting in the Cafeteria on Wednesday, October 1.

Miss Irene Fisher outlined important plans for the Girls' Convention at Albert Lea on October 25.

The officers were in charge of the program. Jean Bosel announced the following numbers, "The Highway Man," by Alfred Noyes, Mary Jane Marti; "Do You Care," sung by Dorothy Lang, accompanied by Geraldine Veigel; "Manhattan Serenade," piano solo by Harriet Woebke.

A pantomime, "Little Sally," concluded the program. It was presented by Betty Case, Teresa Pivonka, Margaret Puhlmann and Helen Pivonka.

Fishy?

Ciernia Is Angler

Al J. Ciernia has a new way of fishing—with his hands in the aquarium.

Finding that the goldfish had been swallowing the small sunfish brought by Charlotte Vogelpohl, he attempted to take the fish out. Failing to succeed with a small jar he used his hand.

After disturbing the jungle aquarium Mr. Ciernia trapped the fleet fish. He (Mr. Ciernia) made a final plunge. Swiftly the goldfish swam away. Mr. Ciernia later removed the fish with a large can.

Barber Shop

No Hair Cutting

Barber Shop harmony and plenty of blue notes have floated from the music department the last two Wednesday nights.

Reason? The faculty men have organized a sing club.

The charter members are: Principal Dirks, Paul Fuller, Ralph Sutherland, Ray Bassett, Joseph Harman, Elmer Anderson, Al Ciernia, Alden Snowbeck, Paul Heltne, August Hendersen, Ted Kallsen and George McCutcheon.

Les Schroeder, from Schroeder's music store, is the accompanist.

Did you see the fire extinguishers outside of the building a week ago Wednesday? They were remnants of an experiment conducted by the chemistry classes. Each year the extinguishers must be refilled. Mr. Ciernia took this opportunity to demonstrate their use and to show their "insides." Bonfires were built and put out by the amateur firemen.

F. F. A. Wins Prize at Fair

The last meeting of the New Ulm chapter of the F.F.A. was held in Mr. Dahlmeir's room. The initiation of the Green Hands will take place at Springfield, October 14.

The club plans to hold a corn and potato show October 24 in the agriculture room. This show is open to all the agriculture students and the entry fees are 5 cents and 10 cents.

Last week the club put up a booth at the Mankato fair. They placed fourth and received a prize of \$10.

At the next meeting of the F.F.A. a boy will be selected to represent the New Ulm chapter at the national convention at Kansas City.
