Eleven Apply for Entrance to New Dept.

New Ulm Has Six; Five From Nearby Towns

Eleven people have signified their desire to enroll in the teacher training department. Those from New Ulm are: **Harriet Woebke, Leoris Knees, Mavis Schultz, Deiores Amann, Mildred Mertz, and Genevieve Wilfahrt.** Others are: Phyllis Crone, Lafayette; Erne Albrecht and Minnie Klingenburg, Springfield; and Hazel Kunz, Sleepy Eye. One letter of application was unsigned.

This department will train students to teach in the rural schools. It is being opened to help meet the shortage of teachers in this field.

The administration is now trying to find an instructor for the department, and equipment is being bought. The room to be used will be either the old music room, which was on the first floor of the junior high school wing, or one in the Emerson building. The department will open in September.

The main admission requirements are: (1) the applicant must be a graduate of an accredited Minnesota high school and must be either in the upper or middle third of his or her graduating class (not more than 50% of the enrollees can be in the latter group); (2) the applicant should possess a personality that will "predict success in teaching;" (3) the student's character should possess qualities of "integrity, industry, courage, and good common sense;" (4) health should be good and a physician's certificate will be required; and (5) the applicant must pledge to teach at least one year in the rural schools of Minnesota. No tuition fee is necessary.

EVERY STUDENT WHO COMPLETES THE COURSE WILL RECEIVE A CERTIFICATE OF GRADUATION WHICH PERMITS HIM TO TEACH IN COUNTRY SCHOOLS. THIS COURSE WILL COUNT AS TEN CREDITS TOWARD GRADUATION AT ANY MINNESOTA STATE TEACHERS' COLLEGE.

Further information on the teachers' training department can be secured from the Superintendents W. A. Andrews' office.

Whoops, M'Dear Data for Beta

Students may have wondered when it was going to happen again. It will be January 26, during the fourth period.

What? Oh, yes. The Beta examination of the battery of English Minimum Essentials Tests—that's what.

Faculty members of the English department express the opinion that this announcement should make all N. U. H. S. pupils happy.

REV. WIGGINGTON SPEAKS

Rev. Frederick Wiggington spoke at the monthly meeting of the New Ulm P.T.A., held in the high school cafeteria last Monday at 8:00 p.m.

Miss Attwooll, who is taking over Miss Doris Schaub's work, comes from St. James high school where she has taught for the past year and a half. She was graduated from University of Minnesota.

Swimming and tennis are her favorite sports.

Helen Attwooll

As to G. A. A., Miss Attwooll replied that she would like to start an active club if enough girls would turn out.

B. Greten to Play at Jr.-Sr. Prom

The junior class prom committee met Monday, Jan. 13, after school to iron out details concerning the Junior-Senior prom.

THE ORCHESTRA WILL BE BENNETT GRETEN. THE THEME IS STILL UNDECIDED. USING A SONG TITLE, SUCH AS "OLD MAN RIVER" IS ONE THOUGHT.

Whether a luncheon or a dinner is to be served is also undecided, because the boys want a dinner and the girls want a luncheon.

N.U.H.S. Contributes

New Ulm high school's contribution to the Red Cross was \$10.

The candy was sold by Mr. Dirks with the assistance of the sixth hour hostesses — **Harriet Woebke, Jean Swanson and Dorothy Lang.**

ARE WE IN DANGER?

Rules for Air Raid Given

"Are we in danger? The answer to that is: **We do not intend to be caught napping again, anywhere or anytime.**" That was the statement of Harry G. Dirks, principal, and W. A. Andrews, superintendent, as they issued air-raid precautions to all teachers last Monday.

In case of an air raid, school fire sirens will be sounded in short, intermittent blasts to distinguish an air raid alarm from fire alarms.

NO PUPILS WILL BE PERMITTED TO LEAVE THE BUILDING so that danger from falling debris will be lessened. Instead, all classes will go to the **lower corridors in each building.**

Mr. Andrews emphasized that the following regulations must be rigidly enforced:

STAY AWAY FROM WINDOWS STAY AWAY FROM OUTSIDE DOORS

Band to Play Jan. 25

Luther Band in April

"Realizing fully that school and community music has definite responsibilities and obligations to fulfill during the present war situation, the music department of the New Ulm public schools has made plans for a series of interesting public performances during the ensuing semester," states Paul O. Heltne, director of music. "Among the many objectives for music, three are particularly pertinent in these days of stress — arousing of patriotism, serving as a release and an escape from tension, and developing self-realization."

Under the slogan "Music For Victory", the New Ulm high school concert band will present a concert of varied numbers on Sunday, Jan. 25, from 4 to 5:15 p.m. No admission will be charged. The public is invited to attend.

This concert will mark the first public indoor performance by this organization since Mr. Heltne assumed the directorship last fall. Highlights on the program will include "American Flag Parade" (a special flag-raising ceremony), several selections from the 1942 Selective Competition list compiled by the National School Band association, and as a special finale, "Uncle Sam In Review" (A pageant of American history).

K. Riley Leaves; Classes Changed

Due to Miss Kathrine Riley's leaving for Washington there has been a slight upset in the commercial department. Miss Riley has gone to Washington to take a government position.

G. A. Chelgren, formerly superintendent of Karlstad schools, has been secured to help teach. He has taken over the freshman business relation classes.

A. J. Snowbeck will take over Miss Ruth Kittel's salesmanship class and two typing classes. He will continue to teach accounting. Miss Kittel has taken over Miss Riley's classes in shorthand. She will continue to teach typing.

Old Themes, Notes Go to Red Cross

The government needs paper for defense, and as patriotic American citizens, N.U.H.S. students owe it to their country to save paper. In N.U.H.S. the paper thrown into the waste-paper baskets is tied into bundles and given to the Red Cross.

Some teachers have given back papers that are only partly used up. Mr. Dirks, principal, also asks, "Go easy on the paper toweling, too."

"Let's have no waste paper" might be a good slogan to follow.

'LITTLE TEN' MEETS ON WEDNESDAY

The "Little Ten" superintendents met in the men's lounge room last Wednesday at three p.m. They held a round table discussion on "The place of the schools in the all-out war effort."

The ten schools represented in this conference are Glencoe, Sleepy Eye, Redwood Falls, Fairmont, Springfield, Hutchinson, Marshall, Tracy, St. James, and New Ulm.

After the meeting they had dinner at the Dakota hotel at six p.m.

Frosh Hold Meeting

"Freshman class meeting" — that was the phrase muttered by every freshie Monday morning, Jan. 12. That meeting decided that the freshman are going to have a party, Jan. 23.

Signatures of 348 in 'Ye Ole Log Book'

"Ye Ole Log Book" has now the signatures of 348 people who have visited our school. Searching among these were found people from such states as Illinois, Wisconsin, Florida, California, Mississippi, North Dakota, and of course our own state, Minnesota.

There were also some from Washington, D. C., and Alaska. These signatures were those of the year of '41.

CLASSES RECEIVE RADIO BULLETIN

All senior high school English classes last week received a bulletin of recommended radio programs for increased background in English classes.

Seniors receive extra-credit for listening to these selected programs.

More Teachers! S.O.S. to School Boards

Better paid defense jobs are draining teachers from the schools. The rural schools have been hit the most. They face a shortage of 50,000 teachers in the coming year. A rural school teacher's salary averages about \$900 a year; more than half of all the teachers in the United States get under \$2,000.

The N.E.A. said, "The longtime battle for democracy will be won in the school. . . . It is of utmost importance to the American way of life that we do not weaken our long-time defense as was done in the War of 1917-18."

One year teacher training courses will be offered by the New Ulm high school next year to offset these shortages. Are you interested in teachers' training for rural school? See Mr. Andrews today to see if you are qualified.

Bonds . . . Buy Some

Are you rich? No, neither am I. But I am going to get myself a defense bond. I wonder how I am going to do it. I seem to be broke all the time.

SURE, I KNOW, YOU CAN GET DEFENSE STAMPS FOR A DIME, BUT WHAT IF YOU HAVEN'T EVEN GOT A DIME? I USUALLY HAVEN'T.

Say, I was just thinking. Couldn't we put aside a penny for every day of school? Five cents a week. Then we could even put aside two cents on the days we have holidays. We wouldn't have to count the Saturdays and Sundays. That's just what I am going to do.

Jiminy Crickets! You sure can think of the nicest things to do. I wonder how many bonds I am going to have by the time I get out of high school?

Have You Ever Thought--

What's coming after we win this war? What kind of a world is the war going to leave? What are going to be our aims and ideals?

We, as students, usually don't think of something so far ahead. The present is our main thought, but it must not be any more. We are likely to say, "Oh, let those who got us into this mess, get us out." It would be nice if this was the way out, but unfortunately it doesn't work that way.

We, you and I, and all the other young people in the United States and other countries, are going to be the ones who will have to put the world back on its feet. We are the ones who will have to make it our aim to bring about a world of peace that will last more than 25 years—a peace that will last forever.

And now you may ask, "What is the point of all this?" It's just this: IF WE ARE TO GO OUT INTO THE WORLD AND BRING ABOUT A NEW PEACE, WE ARE GOING TO HAVE TO DO AS MUCH AS WE CAN. Therefore, it is the duty of everyone of us to study hard and get as much out of our school life as we possibly can. We want a world peace, Let's come to school each morning with that aim in mind and prepare ourselves for the tremendous task ahead of us.

Keep those thumbs up for Victory!

By the way . . . ???
Are you a "knit-wit"?

Don't hold your nose. You've probably pulled worse puns than that yourself.

Drill, Former N. U. H. S. Senior, Describes His Life As A Marine

Miss Evelyn Ogrosky, eleventh grade English teacher, last week received a letter from Donald Drill, former senior of N.U.H.S., who was one of the first in Brown County to enlist in the U. S. Marine corps after Pearl Harbor.

The Graphos reproduces portions of the letter which would be of interest to N.U.H.S. students:

"We left Minneapolis at 7:30 on a Friday night. I don't remember the date anymore. We arrived in San Diego the following Monday between 4:00 and 4:30 p.m. Our train was about three and one-half hours late.

(Donald's trip took him through Iowa, Kansas, Oklahoma, Texas, New Mexico, and Arizona. He rode through Iowa in the dark, called Kansas "plenty dumpy". He was impressed with California's orchards and the Pacific Ocean.)

"After our arrival in San Diego, we hopped a bus right away and came out to the Marine Corps base. We've been here ever since under quarantine, getting a shot in the arm every week for different diseases.

The Marine Corps is one of

the best military organizations in the world—easily proved by their record. After I get out of this camp, I'll be considered a professional soldier."

"We don't drill for four hours every day as they do in the army. It is from sunrise to sunset!"

(The present Marine training period lasts for five weeks with emphasis on marksmanship and good, soldierly habits, said Donald. He had ten or twelve days left when he wrote the letter. That period would be ended by today, according to his letter.)

"THE CLIMATE IN CALIFORNIA IS CRUMMY. IT RAINS EVERY DAY."

"After our training is over, we might be put on guard duty here or else go across and fight the Japs. Then they're going to pull in their necks and feel sorry for themselves for attacking the U. S."

Debater Writes Week End Diary

By Ralph Werner

Last Friday and Saturday Mr. Sutherland and Harley Krieger, former all-star debater of New Ulm high school, took a group of students to Brookings, South Dakota, to participate in the annual speech tournament there. Those making the trip were Luverne Behrmann, Harley Krieger, Harold Krieger, John Clay, Jack Gruenfelder, Richard Engel, Fred Iseli, Robert Gislason, and Yours Truly. The first car, of which I was a member, left New Ulm about 10:30 a.m. on Friday and arrived at Brookings about two o'clock that afternoon.

The contests were just starting and Luverne B. entered story telling, poetry reading, and dramatic declamation while Bob G. entered poetry reading and Yours Truly entered story telling. That evening Bob G. and Harley K. entered extemp while Harold K. entered oratorical declamation. Richard Engel and Fred Iseli, who came in the other car, then entered discussion.

This concluded the contest for the day and we then went to the South Dakota state college for the evening. Thanks to Jim Emmerich and Norma Muesing the group was well taken care of. Jim, who is coaching at the college, found rooms for the boys in the boys' dorm while Norma secured Luverne B. a room in the girls' dorm.

Although we had fine rooms we did everything but go to sleep. We stayed awake, for we either were too excited or worried about the contests to take place the next day. Reports indicate that Luverne B. had a swell time in the girls' dorm which included eating popcorn, dancing, and playing hearts all after midnight. Everything went all right in the boys' dorm except in the morning when Bob G. tried to "crown" Fred I. with a pillow and Fred ducked and the result was a broken milk bottle. Oh, well, children will be children.

The next day started when Richard E., Bob G., and Yours Truly were rushed to the school to participate in impromptu speaking and original oratory respectively. After these contests came what we all were waiting for, the debate tournament. The teams were as follows: Richard Engel, Bob G., and John Clay, Yours Truly as the two affirmative teams while Jack G., Harley K., and Harold K. and Bob G. upheld the honor (???) of the negative.

Attention boys and girls: Have you ever wondered what to do when your date asks you what you would like to do and you have no idea of how much money he has to spend? If such or similar questions on social usage arise, consult this book.

It is interesting and easy to understand. These authors have tried to answer many questions young moderns might be interested in.

Not only is this book on dating but also tells you about correct eating habits, your personal appearance, conduct in public places, correct introductions and social communication.

Girls to Ask Boys to Dance

The Fri-Le-Ta club has held two meetings during the new year. The first meeting, on Jan. 7, was held in the cafeteria.

After the reading of the minutes, Mavis Schleuder played a piano solo, the theme of the Tschaiakowsky Concerto.

Ted Kallsen, senior English instructor, talked to the girls on "What a Man Expects in a Woman". He discussed appearance and denounced dark lipstick, garish fingernail polish and spike heels.

The second meeting, Jan. '14, featured dancing among the girls. At a future meeting it is planned to invite boys to a dancing party.

SENIORS WRITE THEMES

As a semester project, social science seniors are writing themes which are to be handed in January 19. Many sighs of relief will be sighed on the 19th for the themes are to be pretty long, or else.

tournament the standings were announced. New Ulm placed eighth in the individual contests, fourth in debate, and fifth in the sweepstakes or the whole tournament.

Two seniors from New Ulm each received a medal for placing first in each section of impromptu speaking. They were Richard E. and Bob G.

At five o'clock on Saturday we started for New Ulm and arrived home by nine o'clock that evening, tired but happy—for out of the thirty schools from four states New Ulm had ranked beyond our expectations.

Wanted Wanted Wanted

This is a new department in The Graphos. If there's anything you want especially and if the editors think it has enough "reader-appeal", your want ad will be published free—for nothing.

Wanted—Windshield wipers for glasses. Ray Kimler, Jolene Siebenbrunner, Calvin Lewis, Miss Irene Fischer

Wanted—a party. Charlotte Krahn, Warren Sandmann, Harley Krieger and other members of the junior class play cast.

Wanted—a free bus line to and from Sleepy Eye. Rosemary Vetter

Wanted—some new stories for band intermissions. Bob Tilden, Garnet Stoltenburg, Bob Schaefer

Wanted—more of these "shortened-period" days. N.U.H.S. Students

Wanted—Not only Mr. Dirks, but also Mr. Andrews, Mrs. Baur and Bill Rauschke to follow me around so I can keep track of my books. Herb Brugger

Do You Remember When?

The people in the cut above were prominent in N.U.H.S. 15 years ago. Can you answer these questions?

1. Which one is Alvin Rolloff?
2. Where is Mr. Rolloff employed at present?
3. Which one is Frank Heck?
4. Do you know where Mr. Heck is now?

The answers are given at the bottom of the column.

Gell-aniums to . . .

The school board for reopening the rural teachers' training department.

The student council for sponsoring candy sales for the benefit of the Red Cross.

Miss Lucille Reinhart for keeping the Alumni association on its toes.

The "Eighth Notes" for donating their services to the coming Defense dance.

Garlic to

The students who have to yell in the corridors and reopen the faculty monitor system.

Mr. Snowbeck for "cracking down" in detention.

The girls who played cards during the Guy Green assembly.

REDUCED TO A FORMULA

A chemist (a man) has at last been able to analyze women, and here it is:

Symbol: WO, a member of the human family.

Occurrence: can be found where a man exists.

Physical properties: all colors and sizes. Always appear in disguised conditions—surface of face seldom unprotected by coating of paint or film of powder. Boils at nothing and may freeze at any moment. Very bitter if not used correctly.

Chemical properties: extremely active. Possesses a great affinity for gold, silver, platinum and precious stones of all kinds. Violent reaction when left alone by man. Ability to absorb all sorts of expensive foods. Turns green when placed next to a better-appearing sample. Explosive and likely to be dangerous in inexperienced hands.

Astrology for Moderns

Under what sign were you born? The Graphos research department in astrology has discovered these interesting facts: (1) Bill Mickelson was born under a traffic signal when the green light flashed; (2) Arlo Abraham, Ralph Freese, Ralph Teynor, Warren Baer, Charles Anderson, Albert Gabler, and Louise Marti—all were born under a "stop" sign, according to tardy figures compiled in Mr. Dirks' office.

Where did Miss Attwooll get her tan? Is it true what they say about Florida?

Wolf, Baer Lead High School Gym Team To 1942 Victories

Close Scores Decide Two Dual Meets

Wolf, Baer Place One-Two Both Times

Saturday, January 10, was a "V" for Victory day for the New Ulm gymnasts, as they nosed out the Rochester squad by a score of 583.52 points to 582.48.

This, the second victory of the week, was the result of the united efforts of the New Ulm squad. First and second places were again taken respectively by "Donnie" Wolf, capt., with 91.3 points and "Twisto" Baer with 87.66 points. Frank Domeille, captain of the Rochester squad, placed third with 87.50 points. Arthur Schrieber and Jack Dallman, both of Rochester, tied for fourth place by a score of 86.33 points.

"Sebe" Hoffman, manager of the New Ulm team, took fifth place with 85.16 points.

The judges at the meet were Fred Naumann of New Ulm and Beckman of Rochester.

Before the New Ulm-Sleepy Eye gym meet Tom Pfaender, gym coach, stated that the New Ulm squad would pull through "Okey." His predictions were correct, for New Ulm defeated Sleepy Eye by a score of 274.16 to 262.01. These scores were determined by the highest three men from each squad.

FIRST AND SECOND PLACES WERE SCORED RESPECTIVELY BY "DONNIE" WOLF, WITH 93.83 AND "TWISTO" BAER WITH 92.67, BOTH OF NEW ULM. THE 87.66 SCORE OF "SEBE" HOFFMAN OF NEW ULM TOOK FIFTH PLACE.

Other participating members of the New Ulm squad in the two meets were "Dave" Groebner, "Deany" Lingenhag, "Whitey" Wolf, "Buddy" Wilfahrt, and the team's mascot, "Blackie" Glaser.

New Start, New Year New Teacher Here

G.A.A. is really getting a new start in the new year. Miss Helen Attwooll, the new girls' physical education director, intends to start either volleyball or basketball immediately, if enough girls turn out. The nights will be the same, Tuesday and Thursday.

In all gym classes, she wishes to start everybody out on rhythm or modern dancing. There will be a series of dances, with the juniors and seniors taking the more complicated dances.

Miss Attwooll started the new year, replacing Miss Doris Schaub, who now teaches at North Dakota State college.

Springfield Ags Whip New Ulm F.F.A., 36-18

The New Ulm F.F.A. basketball team started its 1942 basketball season with a defeat from the Springfield F.F.A. team last Tuesday evening on the home floor. The score was 36 to 18.

George Peterson, a forward, was the high point man for New Ulm with a total of 13.

The starting lineup for New Ulm was Peterson and Hippert at the forwards, Rolloff and Hamann at the guards with Forstner at center. The next F.F.A. game will be Jan. 23 at Sleepy Eye.

LOOKING THROUGH THE SPORT-O-SCOPE With "Dick"

The sports in New Ulm high school are receiving less and less attention, and it is due to one thing... That is school spirit. Just because a team is on the "rocks" and is losing its "shirt" is no sign that you, the students, should let it down.

The football team went through the same thing last fall for the first three or four games, and then the students were behind them when they started to win. When the team begins to win, they can carry the burden of winning; but when the team loses, that makes it hard on the players.

Let's get behind the players and help them along when the going is tough. There is good material and one of these days there will be a team that will be unrivaled, but until that time bear in mind that the players don't like to lose any more than the students do.

The wrestling team came through with a victory the other evening over the Walnut Grove grapplers. These boys deserve as much support as the basketball or football boys, but, to the contrary, they are looked down upon as being in an extra sport.

Dick Pengilly and Tom Pfaender have done much with the resources that they have.

Members of the wrestling team are as follows: Hippert, Schleuder, Zieske, Eckstein, Wieland, Nonnenmacheer, Haack, Dittrich,

Rausch, Johnson, Lindemann and Hamann.

One can find these boys working every night and learning how to break some of those "bone-crushing" holds.

THE GYM TEAM HAVE A GIFT THAT MOST PEOPLE AREN'T ENDOWED WITH, AND THAT IS AN EXCEPTIONALLY NICE BODY. THEY HAVE GOTTEN THEIR MUSCLES TO COORDINATE. PRACTICE IS HELD AT LEAST THREE TIMES A WEEK AND THEY ARE MAKING A NAME FOR NEW ULM HIGH SCHOOL IN THE GYM WORK THAT THEY PARTICIPATE IN.

Lastly, I would like to remind all of the boys who are interested in having a baseball team to get in touch with ye old scribe or Huntley Prah. The idea is to find out whether or not there is enough interest to have a team. There are other schools which have baseball teams so there would be competition. Think it over, boys.

Das ist alles... Dick...

BASKETBALL

Home games in bold face TONIGHT SLEEPY EYE Fri., Jan. 23 Gaylord Tues., Jan. 27 Springfield Fri., Jan. 30 St. James TUES., FEB. 3 ... HUTCHINSON

For Whom the Knell Tolls

Last Tuesday evening the "B" squad of the Eagles went hot and won a basketball game which required three overtime periods to determine the winners as they cleaned the Hutchinson "B" squad, 25-24, but the New Ulm Eagles lost, 53-19.

In the "B" game, which was far the superior game of the evening, "Huckey" Beyer did justice to himself as he totaled ten points for the evening with two of those points being the winning basket.

The score was tied, 23-23, at the end of the game, but the overtime was thought to take care of that so the referee called an overtime of three minutes instead of "sudden death". The Hutch team held possession of the ball for the entire three minutes but the New Ulm defense held perfectly. The second overtime period saw New Ulm shooting at the basket, but missing. Then in the third overtime period the New Ulm boys went "hot" in the last part of the three minute period and "Huckey" Beyer won the game with the assistance of four other boys. The winning "B" squad for the evening for the junior Eagles was Bill Kuester, Huckey Beyer, Herb Brugger, Warren Sandmann, and John Furth.

The main game at Hutchinson was one of the games that people like to miss because of its one-sidedness. The Tigers clawed the Eagles all evening as big Manthai paved the way to victory with a grand total of 13 points for the evening. He was put out on fouls in the final quarter of the game.

High point man for the Eagles was Huntley Prah with eight points. The score at the various times throughout the game was as follows: at the first quarter—13-5; at the half—27-10; at the end of the third quarter—45-13; and the final

score was 53-19 in favor of the Hutchinson Tigers.

Last Friday evening the New Ulm Eagles played one of their hardest fought games and one of its poorest defensive and offensive games on record and lost to Redwood Falls, 47-19.

The Cardinals started with great strides, and at the end of the first quarter the score was 9-4. The half found the Eagles trailing by the score of 20-9.

The third quarter saw Redwood add 10 more points, and the score zoomed to 30.

High point man for the Redmen was Bob Freise. He played a remarkable game as a substitute and scored ten points throughout the evening.

BUZZ EVANS, FOR THE EAGLES, TOTALED THE HIGHEST NUMBER OF POINTS FOR THE EVENING AS HE SUNK FOUR FIELD GOALS AND THREE FREE THROWS.

The fourth and final period of the game saw Redwood Falls soaring away with the ball game while the Eagles stood there with their "wings clipped".

LAVINE TO LEAVE

Bob Lavine, who came to N.U. H.S. a year ago from Sleepy Eye, will move to Redwood Falls at the end of the semester.

Buzzing Around with Arvie

While loafing around trying to think of what to put in my column a "bright" idea struck me. I thought to myself, Why not have a few students tell me what they think about some of the fads around school, things they like and dislike, etc? Well, I cornered a few victims and started to ask questions. In order to get their opinions, I had to promise not to write their names so I'll use initials and here goes.

I think they ought to banish all black-red nail polish and lip stick of the same color.—M.J.

If you want to wear colored stockings, wear sport shoes; if you want to wear pumps, wear silk stockings.—I.J.

To those who like to wear jewelry: Buy wooden jewelry (which is in style now) to wear with skirts. Makes them look more sporty.—B.H.

I don't like girls who wear their brother's old discarded sweat shirts.—M.V.

My favorite is a plaid shirt with a plain colored skirt.—P.N.

I despise colors which, worn together, clash. Try blending them, eh?—L.S.

I object to sloppy posture that seems to go with casual sport clothes. Also buttoned, tie-less shirts, and hair bows that need laundering.—A.C.

Half-on and half-off nail polish is my pet peeve.—E.H.

To those that wear make-up: Remove the night before's make-up and don new make-up for school.—M.T.

I despise dirty white blouses and socks.—L.S.

Nobody appreciates a girl in overalls at a basket-ball game or at any other school function.—J.H.

Girls shouldn't wear plaid or flannel shirts.—W.S.

Why do boys have to grease their hair down? Are they ashamed of the natural wave?—H.J.

If you object to any of these opinions or have any to offer please drop them in **The Graphos** box in the library.

'We Know Lincoln' Say N.U. Students

Guy Green Is 'Abe'

Abe Lincoln visits New Ulm high school!

Yes, Abe Lincoln, portrayed by Guy Green, visited and spoke to the students for an hour, Jan. 7th.

During that time he related some of Lincoln's political speeches, quoting "All I am or expect to be I owe to my mother." He told how Lincoln, when he was small, had only two terms of schooling and his law practice started when he emptied a barrel and found a set of Blackstone's law books.

Guy Green has been portraying Lincoln for five years, playing mostly in the northwestern states. His home is in Indianapolis, where he got the idea to portray Lincoln.

When asked if he thought these portrayals would bring about a more all-American attitude, he said, "That is my chief purpose and I always get a wonderful response from the audience, New Ulm especially."

He said he tried to portray some of Lincoln's humor, to which younger people usually respond faster and better than older ones.

The clothes he was wearing are the original style, the hat, which is two inches higher than a common top hat or opera hat, being blocked especially for him by the hatters who made Raymond Massey's hat. That beard is real and the profile much that of Lincoln.

World War II Prepare * * * * * NUHS Drills for Air Raid Alarms

Last Monday morning when Harry G. Dirks, principal, announced the rules to be obeyed by the student body during air-raids, most members of **The Graphos** went out to get students' reactions to the rules. These are the replies to the question:

Marion Vroman: "I think they're fine. There's nothing like being prepared."

Helen Mansoor: "We should be grateful to have a safe place to live in, but we can't say it will always be that way. Therefore, following the rules of air-raid alarms are mighty important."

Carl Hesse: "We may be bombed. I think we should be prepared."

Pauline Saathoff: "The rules are good. They shouldn't be changed. That's one way of being prepared."

James Oland: "I think that we can't be bombed, but we should be prepared."

Betty Dannheim: "I think it's fine."

7th Geographers Take World Trips

'Emily Post' Studied

Mrs. Ewy's seventh grade is giving reports in the geography class. These reports are on imaginary trips taken throughout the different parts of the world. They find out how all types of people live, what they do for a living, types of climates in the different parts of the country and population of the prominent cities.

The eighth grade in history is giving a dramatization of the constitution. They are studying about the Revolutionary war.

Every Tuesday a broadcast over the sound system is given to fellow members by some of the eighth grade pupils. Broadcasts are also given on Tuesdays to celebrate coming holidays. For these occasions they read poetry, stories, and sing songs. Last Tuesday the "Case of the Missing Shoes" was given. The announcer was **Donald Fenske, Helen Mansoor, Ruth Church, Margaret Harris, Blake Fox, and Charles Jacobson** were the contestants.

Mrs. Freitag's eighth grade mathematics class is studying about different kinds of bonds. The class had an opportunity to see a "Victory" bond that Mrs. Freitag had from the last war. The class hopes to see a "Defense" bond, but so far nobody has produced one.

The ninth grade business class under **Miss Kittel** is studying good manners. The fourth hour business class gave a playlet entitled "A Dinner Party", which was written by **LaVonne Slaybough**. The sixth hour class had two groups of students who told the right and wrong way to eat. **Marie Grams'** group had the right way and **Donald Jacobson's** group had the wrong way. After that, **Miss Kittel** and the pupils were surprised by being served cake and sauce by the demonstrators.

DRILLS WERE A WASTE OF TIME.
 * * * * *

"These students, who think air-raids are a waste of time, are not looking ahead into the future," said Mr. Dirks to a reporter.

"We have fire-drills so that the students will know what to do in case of fire, and we have air-raid drills in case of air-raids. If we hadn't listened to the isolationists, we would now be better prepared for this emergency," he concluded when he was asked about his opinion.

Harman's Group Plans

Mr. Harman's activity group will present the play, "Land of the Free," at the New Ulm armory in February. The play will be a part of the recreation program.

The all-girl cast of this patriotic drama will include, **Ellen Brust, Lorraine Apitz, Betty Case, Donna Berger, Marjorie Beser, Dolores Berg** and **Alice Becker**.

Mr. Harman is the advisor and Arleen Binder is the general manager.

The play will also be given at a regular Friday assembly.

'Cute Hat' not Correct

One thing that outsiders cannot understand is why a high school student's vocabulary is filled with so many words such as **heavenly, marvelous, terrific, revolting**, and many more such words.

GOOD SPEECH IS ESSENTIAL AT ALL TIMES. TO BE A REAL CONVERSATIONALIST, ONE MUST HAVE A COMPELLING VOICE, CLEAR, UNAFFECTED DICTION, AND A KNOWLEDGE OF THE LANGUAGE.

One who knows his grammar does not describe a hat as **cute**, a malted milk as **exciting**, or a pair of shoes as **simply marvelous. Grand, funny**, and **well** are overworked in our everyday school life.

Mispronunciation or using singular verbs with plural subjects will class one as uncultured. Slang should be used sparingly.

Avoid a stiff upper lip when you speak. Use your lips, your tongue, your jaw, and you will speak distinctly. Mumbling is a hindrance. Put life into your speech by letting your eyes express your feelings. It helps to put across ideas.
