Senior Skip Day Is Acknowledged

This year, as in former years, the senior class again observed the traditional Senior Skip day. This all-important occasion in senior life was held on May 17.

The day began for the seniors at 11 A. M. when they presented a program in the auditorium for all under-classmen. After the program, a class picnic was held at Flandrau State Park for the seniors and their advisors. Food and entertainment were provided for. The climax of the day was the annual spring dance which was held in the new gym in the evening. Everyone from the seventh graders to the seniors was invited to attend the dance. Music was provided by the NUHS Swing Band.

Bob Niemann, Donna Kienlen, and Helen Mansoor had charge of the senior program. Warren Epple was head of the food committee, and Bob Schaefer was in charge of entertainment. Charlie Herrmann was in charge of transportation to the park and back.

Mother-Daughter Banquet Is Held

The annual mother-daughter party was held last Wednesday evening in the cafeteria. The mothers and daughters arrived about 7:30.

Thelma Muesing, the president of the club, in behalf of the seniors, expressed her thanks to Miss Fischer for the many parties she has sponsored and chaperoned for them and the other girls, through the years they belonged to the club.

Before the program started each girl introduced her mother to the others present.

The program opened with several poetry selections read by Eileen Esser, Her last poem was dedicated to the mothers present.

Helen Mansoor demonstrated a modern dance. Many mothers do not get a chance to see their daughters dance so this was a real opportunity for them to see a real dancer perform.

"My First Date", recited by Donna Krueger, brought more than one tear to the eyes.

A memorized oration, "We Call Them Radicals" was given by Shirley Rolloff, followed by a selection by Harriet Krieger, "Balad of the Harp Weaver".

The guest soloists, Mrs. Epple, sang several numbers fitting the occasion. Miss Ulvilden and Miss Coderre accompanied her.

"Flower of Dreams", sung by the high school girls ensemble was next on the program. Miss Ulvilden also accompanied them.

Four Chosen Are To Attend 4-H Congress

Mayis Mueller, JoAnn Bushard, Melva Jean Hughes and Elaine Youngblom were chosen by their clubs to attend the state 4-H Congress at the University of Minnesota, June 11-14. They will attend lectures and classes and report to their clubs what they learned.

Earl Johnson and Amaryllis Samuelson were chosen to attend the Seven County 4-H Camp at Waseca, June 10 to 12.

Amaryllis Samuelson is secretary, Earl Johnson, treasurer, and Elaine Youngblom, president of the Lafayette club. Melva Jean Hughes is president of the Cambria Club, JoAnn Bushard is secretary of the Klossner Merry Makers, and Mavis Mueller, secretary-treasurer of the Cottonwood Comrades Club.

Two FFA Delegates Attend Convention

Two boys from our Ag. department were delegates to the seventeenth annual FFA convention at the University farm last Friday.

On May 10 Robert Griebel and Luverne Schugel accompanied by Glenn Scott went to the FFA convention at the University farm. It was the 17th annual convention, and 350 delegates representing 100 towns in all parts of the state were present. Glydon Stuff, the national president, was at the convention. A business meeting was held during the day at which officers were elected. Jerome Franta and Robert Griebel received State Farmer Degrees. The delegates had a banquet in the Dyckman hotel that night.

Accompanied by Miss Ulvilden, Thelma Muesing concluded the program with a song dedicated to her mother.

Each girl, with her mother, proceeded to the other part of the cafeteria where a luncheon was served.

Miss Fischer would like to say a few words concerning the party. "I am very proud of the efficient way in which the girls in charge of the programs, table decorations, and food arrangements, and the way they discharged their duties, making the party a great success. The Fri-Le-Ta Club shall greatly miss the present senior members next year."

On Senior Class

By a Sub-Grad

Gee, I'm gonna miss the senior class. You know you never really appreciate a class until they've left school and golly! these mighty seniors in our school are gonna be something to miss. What'll the day be like without seeing the guys hanging around their lockers in the morning, or Charlie not in the library with Patty at 8:15?? It'll be awfully quiet in the office mornings, with no pink [or white] slips to give "Kuska" when he forgets to come to school so bright and early??? Our bass section in chorus won't be as "reet" as usual and we're losing our whole basketball team!! Then there's Wally and Blackie on the gym squad, and the brawny might of Dick Town and

Prahl Is Elected Student President

After discussing the subject widely and limiting the qualifications for student presidents in the following years, the student body made their selection on Monday morning. Jerry Prahl was elected president of our student body.

Being an over-average student, an enthusiastic participant of extra curricular, and, in general, possessing all the personal traits which tend to make him a good citizen and leader, Jerry fulfills all of the qualities drawn up by the student council. In making his campaign speech before the assembly last Friday he stated that whoever is elected, he hopes, has the full cooperation of the student body. We'll all do our best and wish him a very successful year.

Henry Eckstein, having the second highest number of votes will be our vice-president succeeding Norwin Schultz, while Jerry succeeds this year's president, Jack Pollei. "Hank" also fulfills all of the necessary requirements.

Joseph Fivonka and Jean Nelson, the other two candidates ran a close second.

Seniors Leave Us

This year the sports department has enjoyed a specially successful year. It isn't every year that such a good record in the field of sports is stacked up by one school. The good record isn't only in the field of tournaments won but also in the field of having good kids working for the good of the sport.

The success of a sport in a school is controlled by the coach a great extent. New Ulm is especially fortunate to have a high grade of coaches. Coaches who can get along with the rest of the conference with the athletes and the administration, are an asset to any school. So when you look back to the successful year don't forget to give a vote of thanks to our hard working coaches.

The year wouldn't have been what it was without the present seniors. Not only did they set high records to shoot at but they set high standards of sportsmanship for the underclassmen to look up to. Next year the sports department won't be the same without them.

Transportation is important in any department especially so in

Bobby Nonnenmacher on the wrestling squad. And don't forget football!! Also, there's Thel and Bonnie, Gloria, Beverly and Cleo from the ensemble and we can't forget the wit and humor of "Flecky" or "Mutzie". Won't it seem funny not to see "Knute" or "Rocky" cuttin' a rug at dances and our band without its "blues" singer, "Shorty"? Hazel, our hard workin' "Graphos" Editor, and Bill Herzog our sports writer will be among the absent. Oh, and there are so many more. It'll seem odd not to see the same seniors in the middle rows in assembly. Yep! This year's graduating class is okay; but don't worry seniors, we'll take good care of your old Alma Mater!

High School Band Concert Was Presented Wednesday

Billy Herzog Is Rotarion

Billy Herzog, contrary to those who have preceded him, was chosen Rotarion on the basis of scholarship and journalism. He has been on the Graphos Staff during the past year, supplying the Sports Section. He is also active on the Annual staff.

Scholastically, Bill has been outstanding all through school. One of the four eligible from the senior class for the Pepsi Cola Scholarship, he is likely to attain many honors before graduation.

In summarizing the previous Rotarians we find that in September Jack Pollei was chosen on the basis of football, basketball, baseball, chorus, and primarily Student Council President; Bob Niemann, October's representative, for football, basketball, track, chorus, and Annual Editor; Burton Mahle, November, chosen for his participation in the music department, basketball, football, and track. In December we found it to be Jerome Franta holding up the agricultural department. Herbert Furth came next on the list on the basis of football, basketball, and vice-president of the Senior class. February Norwin Schultz, President of the band, president of his class and primarily vice-president of the Student council. was chosen; Don Eichten, March's representative, on the basis of football, basketball and baseball; Stan Martinka for his active participation in football, basketball, and track. So ends the school year!

sports because usually so many athletes must take the trip.

Those who offered rides, cars and other modes of transportation are also in line for a few bouquets.

Ruthy Grams Will Act As Co-Editor

Ruth Grams has been named coeditor to work with Jean Nelson. Ruth was not named when Jean was because she was not sure she would be at NUHS next year. She had intended to take a course at summer school. Her plans fell thru so Ruthie's views and opinions will be prevelant in the editorials of next year's Graphos.

This past year she has helped Hazel Cordes put out the Graphos. She has in that way learned many of the technicalities connected with editing a newspaper. She will take journalism next year and she has had typing therefore she will be a valuable asset.

The Graphos staff and all those connected with the Graphos owe a big vote of thanks to Mr. John Woebke and Mrs. Ruth Kinsey. Both are right there to help when anybody is stuck with one inch on printing day that is as bare as a bald spot.

Jokes (?) At NUHS

School has been made a little more pleasant [?] by some of the wits [nit] we have around school. Students aren't the only ones who indulge in this joyous pastime.

Where is there a better exchange than in Joe Harman's classes?

The year would have been pretty dry if it wouldn't have been for Mutzie and Flecky and their direct senses of humor.

The Graphos was upside down-April 1 due to the degenerate cunning of the editors.

Don Fenske added a lot by his radiant [?] personality and quick [dim] wit. Good thing "Mac" is a good sport.

Bob Schaefer Was Featured Clarinetist

The final NUHS band concert of the school year was presented Wednesday, May 22 at 8 P. M. at the NUHS auditorium. This program was presented in honor of the class of 1946 and particularly for the seniors who are retiring from the band this year. This was also the last high school band concert given under the direction of Mr. Paul Heltne as he is leaving New Ulm the last of June.

The program opened with the National Anthem followed by Amparito Roca, a Spanish March, Texidor-Winter; Barber of Seville Overture, Rossini; His Honor March, Fillmore; Lady of Spain, Evans-Cailliet; and Gremlin Patrol, Isaac-Lillya.

A special number on the program was a clarinet solo, Somnabula, featuring Robert Schaefer as soloist.

The program continued with Meadowlands [Cavalry of Steppes], Knipper-Bennett; Second Movement from Symphony in B Minor No. 8 which is one of the best-known and best-loved of all symphonic works; and the Westerner March, Richards.

Concluding the concert, the following numbers were played: Rainbow Rhapsody, Frangkiser; Old Vienna Overture, King; and the Stars and Stripes Forever March.

The five students who conducted at this concert are Norwin Schultz, Phyllis Lewis, Burton Mahle, Billy Schrader, and Donald Fenske.

Guidance Division Is Keeping Busy

Since Easter vacation more than 350 high school students have had individual conferences with Miss Nieboer in the guidance department. In this "fitting room", student's registration plans have been formulated, sometimes altered, and finally approved by both students and counselor. Interests, abilities, and student needs are given careful consideration during their annual spring conferences.

Indefinite selective service legislation and restricted college enrollment has made planning among seniors a little difficult this year. Mr. Lynott has kept the boys informed about Congressional action from time to time.

All senior girls had a group conference with Miss Nieboer two months ago. Since then more than half of them have reported for one or several smaller group and individual conferences.

Prospective nurses, teachers, stenographers, secretaries, social workers, salespeople, artists, musicians, and other's have availed themselves of the services rendered by the guidance department.

Then of course there is Mr. William Dempsey. Whether or not you want to admit it or not he is still with us. Whether or not his playing comic is an asset or not is a question. His puns are a bit on the moldy side but if you have patience he might disintegrate.

Fritz Schneider and his bright sayings always brighten up a class and add a dash of something. [I could mention what. This paper is censored] The following is the bright noise of the year; hey ba ba re bop, joke nicht? What do you know for sure besides nothing, Now ain't that so? You look tired. No I'M Patty. That's no excuse!! That's a joke son, Big wheel deal, Good deal. Then of course there are always our little pals such as Mr. Chad and his wot?

"Lory"

This senior girl's favorite pastime is loafing and dancing. French fries and chicken are irresistable to her. When Alice Faye is showing at any of the local theaters, you can be sure to find her there. Her favorite pinup is John Payne. [And we certainly don't blame her because he is plenty high on our list of favorites, too.] People who pretend to be innocent and really aren't are what peeves her most. The thing she dislikes about New Ulm High School most is a certain girl with red hair. [At first we thought she meant one of us, but on close observation we found that neither one of us had red hair.] She seems to like certain people in Hanska [but we haven't been able to find out exactly who. Her ambition, which she intends to follow up, is to become an overseas telephone operator. By the way, if you haven't guessed, her name is Lorraine Klingler.

"Corky"

This cute little senior girl's favorite pastime is picnics at Herman Heights. Mid night smacks are her favorite food. She has a list of favorite movie stars a mile long but we thought we would give it to you anyway, so here goes-Van Johnson, Tyrone Power, Clark Gable, John Payne, Vic Mature, Alan Ladd, and if we had more space we could keep right on listing them for you. The thing she dislikes most about our fair school is the thought of leaving it. She is just crazy about ranchers [we haven't been able to find out why, darn it.] She likes all of the teachers. [She tells us that she is in need of a few A's.] . When we asked about her plans for the future, she replied "Who knows-it happens to the best of them." [We will let you draw your own conclusions.] Her name is Hazel Cordes.

"Holle"

This senior girl's favorite food is Fried chicken. She is just crazy about dancing. Cornel Wilde absolutely makes her swoon.

I guess you noticed last time that I didn't write my column. Patty Harman is getting ready to take over for next year. Believe me, it's no snap thinking!!

Egad, skip day's almost here. Oh, you poor little under-classmen that have to stay in school and study. [?]

May I take this opportunity to congratulate the juniors on a very lovely and successful banquet and prom. I am sure it will be cherished in the hearts of the seniors for a long, long time.

A couple of weeks ago I happened to hear a member of the administration talking to one of the students—he was watching a couple of "smitten" kittens going down the hall holding hands and he remarked, "If it's this bad now, I wonder what it will be when spring really gets here."—If 'en he only knew.

To Paul Heltne:

Since you are leaving us this year, may I take this opportunity to tell you how much I have enjoyed working with you in chorus and Swing Band—and thank you for all the good times I've had in the music department. Although you are probably trying to forget your hectic years with NUHS, I—and I know I can speak for all the students—hope you WILL NOT forget us—for we shan't forget you. Your a "good Joe", Mr. Heltne, and may God bless you—

Bye now, Shorty

Get Hep, Kittens

Here we are—just a few more days of school left. Do we of the graduating class wish we had led our school days differently from the way in which we did?? Oh yes, we certainly do! There are so many things one misses and doesn't take part in. Of course, everyone of us can't be in everything, but each one certainly should be in one activity outside of the regular school grind.

Most likely you're now saying, "Why should I waste my time in debate, chorus, or track when I can always have more fun when I go up-

town.

And, we ask you, what does hanging around uptown lead to?—Not only do you get into bad habits, but you also become lazy and shiftless, carefree and careless. Instead of the person you were, you become the "oh,'let's-not-go-home-yet" type. Instead of making the best of your school days you figure "Oh, well, a couple of more years of this and I can do whatever I please." Yes, you also become independent and irresponsible.

So, come on kids, get in the groove.

She absolutely refuses to miss any of June Allyson's pictures. High heeled shoes with anklets drive her to extraction. Conceited people seem to get her goat more than anything else. She just loves to work at the club. Miss Kyser rang the bell as her favorite teacher. Her future plans have to do with taking care of a certain corporal. This senior girl's name is Ruth Holle.

"Flo" The thing she likes most about NUHS is study hall. [We are all inclined to agree somewhat with her choice.] Monday morning tests discourage her no end. [They seem to have the same effect on all of us.] Lon McCallister is her favorite actor and June Allyson is her favorite actress. As far as food goes she goes for any kind of food that makes her fat. Her pet peeve seems to be Billy and Warren in social class. [Those of us who have second hour social have an idea of what she is referring to.] Miss Hein is her favorite teacher. As far as the future is concerned she doesn't have any idea. Her name is Florence Epke.

"Mavis"

She likes Miss Hein's classes and band better than anything else in school. She doesn't seem to care for taking shorthand for an hour straight. [And we can't say that we blame her.] Robert Walker and June Allyson are her favorite movie-stars. Dancing is her favorite pastime. The thing that she enjoys to eat more than anything else is tuna fish on toast. Anklets, worn with high heeled shoes, are her pet peeve. Mr. Heltne and Miss Hein are her favorite teachers, so liking your teacher must have something to do with liking a subject. She plans to work as a secretary in the future. Mavis Mueller is her full name.

"Number Please"

This red headed senior girl, Lillian Klotz, is very ambitious. Besides working at the Telephone Office, she loafs. A heaping plate of french fries and chicken taste luscious to her. Swooning over Dennis Morgan also is a pastime of Lil's. She dislikes people who bite their fingernails and sixth hour English class is her pet peeve. Chalk up another senior whose favorite teacher is Joe Harman. In the future Lil would like to become an overseas telephone operator.

"Secret Stuff"

This dark haired senior girl likes dancing and picnics very, very much [wonder why?] The gal happens to be Rosemary Franta. She likes chili Con Carne; and Bing Crosby is her ideal actor, with Jennifer Jones as her favorite actress. People who don't mind

The Father Brown Omnibus, by G. K. Chesterton, is about a keen-witted little priest. Nowhere else in detective literature will one find more delightful amusement, more brilliant writing, and more amazing feats of detection, than in these stories. All the famous Father Brown detective stories are for the first time collected in a single volume. It contains an interesting introduction about the origin of Father Brown and his significant role in detective story literature. It sounds pretty good to us. How about you?

Stop Following Familiar Footsteps

their own business get her goat. Rosy likes home ec. and Mr. Scott's sixth hour study hall. As far as teachers go Mr. Heltne and Miss Hein head the list. Her future plans are still undecided.

"Beeps"

Betty Hamann, a good GAA girl, likes dancing and movies for passing the time. If you want to know what she likes to eat, it's chicken. A movie featuring Bing Crosby thrills Betty, but so does one with June Allyson. Betty's biggest dislike in this school is the point system. GAA and her gym class give her the most pleasure. Her pet peeve is a good one, she dislikes conceited people. Miss Hein and Mr. Harman are Betty's favorite teachers. She likes New Ulm and wishes to work in town after she graduates.

"Minnie the Moocher"

Please take note that we called Minnie Fluegge the Moocher, not smoocher. Her dislikes are too numerous to mention. Ice cream and candy begins and ends her list of good food. Mr. Snowbeck and Mr. Harman are her favorite teachers. Bob Walker is the only guy in the movies that interest her. For the time being, Minnie is working at Salets.

"Jenny Belle"

Dancing and roller skating help to make Genevieve Berger pass her time pleasantly. A nice big dish of chile con carni tastes very good to this gal. Dennis Morgan is very popular in this issue. Genevieve also likes him along with June Allyson. A movie with those two might be good, eh? She dislikes final exams the most. [Don't we all]. A happy hour is usually spent during Mr. Scott's sixth hour study hall. Genevieve enjoys being in Miss Hein's or Miss Kayser's class. Probably a business school will be included in her future plans.

Jus' Bernie

Our next victim was Bernice Guldan. The thing she likes about school are most tests when she is told to expect them. [It can't be; it can't be!] Mr. Harman's personal remarks is what she dislikes about school. Chemistry is her favorite subject. She would like to be a chemistry teacher. She plans to attend St. Catherine's.

"Our Glenn Ford"

Norbert Geisner was the next victim. Eating is his favorite pastime. Chili con carne is his favorite food. Van Johnson and June Allyson are his favorite movie stars. He dislikes chemistry almost more than anything else in school. His favorite teacher is Miss Raverty. He will enter the Army after graduation.

Harman Fieldman Take Third In Conference

Third place was taken by the Eagles in the second annual South Central high school conference track meet, held this year at Blue Earth. Saturday, May 11, was the day for the running of the event in which Fairmont was the winner with a total of 69 1-3 points. St. James again went over the Eagles by taking 55 2-3 points and New Ulm garnered 47 1-3. Other point maker garnered 47 1-3. Other point makers were Blue Earth with 18 2-3 and St. Peter with 3. Waseca was not able to place.

The day was a great one for breaking records as this was only second meet of the loop. All 1945 top marks except the high hurdles and 880 yard run were broken. Stan Martinka of the NU team took one by broad-jumping 19 ft. 4 1-2 inches. Martinka took a first in the low and high hurdles. This was a total of three firsts for the team.

Tom Hayes was on the ball for the NU squad as he whifted 13 hitters to face him. This victory on the part of Hayes and the Eagles moved the latter up to another elimination contest with Gibbon.

Runs began coming home in the second as the Eagles gained two followed closely by two more in the third when Fairfax gained its first counter. Fourth inning was hot for the Eagles as five came in and then in the sixth, four more for a total of 13, were taken. Fairfax wound up its battle with a single marked in the sevenths.

New Ulm also outhit Fairfax 13-2 and had 2 errors to 7 for the Fairfax men.

Dunn of Waseca allowed seven hits, among them two triples.

Eagle Tracksters Beat Tigers, Bees

By racing to wins in a number of dashes and counting the top places in numerous field events, the Eagle tracksters copped 74 points on Tuesday, May 8, during a triangular track meeting with Springfield and Gaylord. The Tigers gained 57 for a second place in the meet and Gaylord's Purple and Gold's counted only 12. Eight top spots went to the Eagle squad and five went to Springfield's outfit. Gaylord placed no one on top.

Weather again, this time a strong wind, prevented records from being set. Benny Ubl of New Ulm took a first in the 100 yard dash with a time of 10.7 second. Stan Martinka was the winner in the 120 yard high hurdles with 15.9 second and Aaron Romberg paced the 440 yard dash in a time of 57.3 second. Wallace Mau of the Eagles bested all contenders in the 1-2 mile race with a time of 2 minutes 16.5 second and the Eagle relay team comprised of Jim Schnobrich, Benny Ubl, Khalil Mansoor and Aaron Romberg won the relay in 1 minute 41.2 second.

Marv Rempfer of New Ulm pole vaulted 8 feet, 9 inches for a first and Stan Martinka broadjumped 19 feet, 2 1-2 inches for a first in that event. A highjump of 5 feet, 4 inches brought a first for Don Fenske.

JUST BROWSING -

It isn't everybody that can fly to Waseca for breakfast on Sunday morning. [Do I hear some angry protests to the effect, who wants to?] Stan Martinka and Bob Niemann were the two brains that figured that out.

You say you want to learn how to play golf? See Joe Milinovitch. He is quite the teacher. I hear he is quite interested in anything to better the game [that leaves a lot of us out].

The place sure looked funny Friday when all the seniors were diligently observing Skip Day. The senior locker section really was quiet. Not even a mouth organ. [Nobody weeping at that—shame on you]

New Ulm, Kato Defeated In Three-Way Melee

During a fall of rain and on a muddy track and field at Johnson field, St. James of the South Central high school conference pulled itself through for a victory over Mankato and New Ulm. The Triangular affair ended with the Jimmies having gained 56 1-6 points while the Katoans tallied 47 1-2 and the Eagles 38 1-3.

Of the thirteen events in the meet, St. James helped itself to ten top spots and the Eagles and Mankato each grabbed off a trio.

Counting the most points of the melee, however, was Stan Martinka, ace Eagle track and field man. Stan pulled 21 points by winning the 220 low hurdles, discus and broadjump. Also aiding in gaining the total were his points gained by finishing second in the shotput and third in the pole vault and the high jump.

No records were set.

New Ulm placings: 220 low hurdles-Stan Martinka first in 25.4, Charles Herrmann, fourth; jump-Martinka and Fenske tied Henry, Mankato for second; mile run-Virgil Herrick, fourth; cus-Stan Martinka, first with 118 ft. 9 inches, Fenske, second, and Pfeiffer, third; shotput-Martinka and Fenske, second and third respectively; 880 yd. run-Romberg, third; high hurdles-Fenske, broadjump- Martinka, first, 18 feet 10 3-4 inches, Herrmann, third; 880 yd. relay-New Ulm, third; pole vault-Martinka, third, Rempfer in a tie for fourth.

Nothing happens around the gym classes lately as we have been having first aid.

First of all the gals did artificial respiration. All girls got down on their knees after they had their victims. Some got rough treatment but all in fun of course. Next the pressure points came in which the girls did very well. I do not know if Helen Mansoor was trying to strangle Eileen Esser or not. After Helen was finished with Eileen, Eileen felt quite faint. Monday we started bandaging.

Say, have you people noticed the freshmen fell us lately? Every once in a while they come to school decked out in overalls. Really plenty flashy! We're not saying they're farmer-jacks or anything "but"!

There are some just darling cotton dresses out this spring. With the material so hard to get you'd think that they'd be scarce but if you do, you're wrong cuz just take a look. The taste of the Teen Agers runs along the same line somewhat cuz did you notice that a few were dressed alike. It's a funny feeling to see someone else in the dress that you think is just for you. Oh well! Maybe both of you will never wear them again. You hope.

P. S. The suggestion offered by the honorable Mr. Harman and Mr. [?] Fenske as to an addition to Jack's bright red tie and socks array proved to be most helpful, indeed. Was your statement really necessary, Sirs?
