New Ulm High School, New Ulm, Minn., Tuesday, Oct. 12, 1948

Number 3

Twirlers Will Perform at Half On October 15

Fifteen twirlers will be in the spotlight during the half of the football game against St. James, October 15.

Eight red clad and seven black clad girls will go through a marching routine, two twirling routines and the formation of a football.

Kathy Fiemeyer, head majorette, states that the girls have been working hard with two practices a week. She hopes that everything will be down pat by game time.

The girls participating are head majorette Kathy Fiemeyer; Clara Pivonka, Jean Kuelbs, Agnes Ditt-rich, Pat Hartl, Carol Green, Beverly Kuester, Donna Nelson, Bette Crone, Mary Oppelt, Kay Palmer, Arlene Hamann, Evelyn Lindemann, JoAnn Knutson, and Connie Muesing.

Features Of The Future

When Arthur Godfrey was in Minnesota this summer, he missed the greatest musical talent in the Northwest. Cedric Adams begged him to appear on his "Stairway to Stardom" program; Spike Jones offered him a six weeks' engagement, and the head of the New York symphony tried to hire him at \$5,000 a performance for 18 shows.

Maybe that isn't just what happened and might be a little fictitious, but Egbert Schapekahm, a senior, is probably New Ulm high school's top notch harmonica player.

"Eggy" comes from a musical family. His mother, brother and sister, all play the piano; His dad strums the guitar. Besides playing his harmonica, he plays the French horn in first band.

Egbert taught himself how to play the mouth organ without the aid of books or notes. When in grade school he started to show an interest in music.

Egbert entertains the senior class [boys that is] before gym classes if he has his harmonica along. The crowd usually gathers to the strain of his music when he serenades near the senior lockers.

Twenty-one Boys Enroll In Ag.

Twenty-one boys signed up for agriculture this year; this is the largest enrollment in the history of our school.

During this last summer the F.F.A. boys had many very interesting activities. On Sept. 11, Leon Fritsche, Stanley Schugel, Vernon Kitzberger and Mr. Fier attended the Farm conservation day in Rochester. Here they were given a demonstration of all modern farm conservation practices.

Mantoux Tests To Be Given On October 25

"Ouch" or "Gee I hope mine isn't red and swollen. This is probably what you'll hear when going down the hall on October 25th and 26th for that's when Dr. Jordan is coming to our school to give the Mantoux Test.

The purpose of the test is to see if you have a positive or negative reaction to the tuberculosis germ.

Miss Bruess said that this year they were giving it to students of 7th, 9th and 12th grade.

Don't be a sissy. It's good to know if you have the T. B. Germ.

NUHS Twirlers

Photo by Schulke

The twirlers who will go through a marching and twirling routine during the St. James Game on October 15 are pictured here. Several were missing when the picture was taken.

Class Officers To Be Elected October 15

Annual election of class officers will be held by all classes on Friday, October 15, during assembly period.

Nominating committees for class officers were selected October 4, during homeroom period. The following representatives were chosen from each homeroom. **Seniors:** Mr. Harman—Carol Current, Miss Kayser—DuWayne Hayes, Mr. Olson—Evangeline Mees, Miss Steen—Harold Wieland. **Juniors:** Miss Treadwell — Yvonne Christensen, Mr. Zahn—Beverly Kuester, Miss Olsen — Donna Sandau, Miss Raverty—Robert Schmitt. **Sophomores:** Mr. Maiquez—Mavis Gronholz, Mr. Ness—Warren Heidemann, Miss Wuopio—Delores Scherer.

These groups have met and have prepared a slate of candidates for the elections.

State Home Ec Meet To Be Held At NUHS

The All-State Home Economics Association meeting will be held in New Ulm on November 13. Usually it is held once in the cities during the year and once in a town outside the cities.

Plans will include an afternoon meeting and luncheon. Miss Anne Westling and Miss Audrey Olson of NUHS are in charge of organization.

Daniel Dietz, Ralph Ubl and Kenneth Gleisner attended the National Barrow show on Sept. 13. at the Tri County 4-H & FFA fair held at Mankato, the ag. student won second place of twenty dollars, for their booth. First place went to Mankato. They received \$70.45 for miscellaneous entries.

Camera Club Formed; Schulke, Fixen, Schmit NUHS Members

If you see somebody standing in front of a oncoming train don't be worried; it isn't a suicide, only a member of the New Ulm Camera Club getting a new angle shot on "railroading" which is the subject of the October print contest.

A few of New Ulm's amateur photographers have formed the camera club to better not only their own interest in photography, but to get more people to try this hobby.

Adoption of Program

At the charter meeting the following program was adopted: 1. All persons interested in photography are invited to meetings. 2. Meetings will be held on the second and fourth Tuesdays in the month at 7:30 in room 114 of the high school building. 3. A beginners' class will

News U Have Skipped

A list of positions open for work on the Annual has been posted by Miss Steen, adviser for the annual, on her bulletin board in Miss Kayser's room. Those interested are asked to sign their names.

The result of the second balloting by the seniors for white or purple caps and gowns was 54 for white and 50 for purple. Since the vote was so close, a third vote will be taken; and if there is still no majority, a different color will have to be chosen.

We all know that "Santa Claus" and "father" are synonymous to all seventh grade students. One of our new teachers gasped a bit this morning to find that one of her pupils wrote the word "Stork" after mother's occupation.

The first Graphos staff meeting was attended by 43 students. This was the largest group that has ever turned out for the Graphos.

The journalism class has sent for and received several copies of leading newspapers from all sections of the United States, Canada, and England. These are compared and examined in class.

Roger Fixen, a sophomore is the new assistant photographer for the Graphos. He is also a member of the New Ulm Camera Club.

An average of 130 students are partaking in the hot lunch program in the cafeteria. The cooks report that there has been very good discipline so far. They also say that some of the boys are up to their old tricks of sneaking two desserts.

be formed to explain the fundamentals of photography. 4. A print contest on selected subjects will take place every fourth Tuesday. 5. There will be no dues; a collection will be held if money is to be raised.

Already one print contest has been held with the post office as the subject. Sixteen prints were handed in. First place winner was Jerry Bockus. Tied for second place were Phelps Schulke and Fred Olson. Fred Olson also took third place.

N.U.H.S. Participants

Many members of the club are experienced amateurs but more young people are needed to carry on an active club. Members from N.U. H.S. are Phelps Schulke, Roger Fixen, and Janet Schmidt.

Queen To Be Elected Monday; Pepfest Set For October 22

First Class Rating Given '47 Graphos

First class or a rating of excellent was the honor awarded the 1947-1948 Graphos in competition with papers of other schools of like size in the United States according to word received from the National Scholastic Press Association. This was an improvement over the preceding year, when the Graphos received a second class rating.

Among the comments found on the judges book were, "Very well-written features," "Bright newsy headlines," and "Excellent news stories."

Audre Woebke was the editor-in-chief of 1947-1948 Graphos and Kenneth Herzog, assistant editor.

Class Play Schedule Change Brings Out Pro, Con, Discussion

Usually the senior class play is given in fall and the junior play in spring. However, this year there has been some controversy about whether or not this procedure should be reversed. Here are the arguments of those favoring the change. If the juniors have their class play in fall, they will know exactly how much money they have to spend on the prom. Also, last year some kids were members of the play cast and on the prom committee at the same time. Naturally this didn't work out very well because sometimes the cast and committee had meetings on the same evening.

Negative Stand

These are the arguments against the change: the prom committee should be able to tell about how much the profit from the play will be, and they can plan the prom accordingly. Then too, in spring the seniors are getting ready for graduation, and they do not have time to put on a play.

As the matter stands now, the senior play is scheduled to be given November 19 and 20. If any of you have any ideas concerning reversing the junior and senior class plays, perhaps you can take them to Mr. Halligan or one of the other class play advisers.

Junior High Clubs

Club activities have been scheduled for all junior high students, and each group meets during the assigned period on Fridays.

Kitchen Kids: Miss Anne Westling heads this group of 14 ninth grade boys, but they are undecided as to just exactly what they will be making.

Future Drivers Club: This club is headed by Miss Evelyn Mann and has 14 members. They plan to

Boys' Home Ec Class Handles Beach Feed

Queen for the 1948 homecoming and her eight attendants will be elected on Monday, October 18, in the senior high homerooms.

The festivities will begin with a pepfest, bonfire, and fireworks at the natural amphitheater below Hermann Heights on Friday, October 22, at 7:30 p. m. Following this there will be eats and dancing at the beach. Coronation of the queen will take place on Saturday, October 23, at 7:50 p. m. before the New Ulm-St. Peter game. After the game, all New Ulm high school students and alumni are invited to the dance which begins at 10:00 p. m. The music will be furnished by Blue Gordon's orchestra. Slogan badges will go on sale October 18th.

Something new has been added to our Homecoming pepfest this year. It seems the boy's Home Ec. class are planning, preparing, and serving our lunch at the beach.

According to Miss Anne Westling the boys, 27 in all, are working on it as a class project, but haven't decided on a menu as yet.

The boys have made special trips out to the beach, surveying the scene, in order to decide just how and where will be the best way to serve the homecoming celebrants.

After the pepfest is over, they will be out at their assigned posts—white caps, aprons, ladles and all—prepared to serve all who come.

Does everyone, have life insurance??

Homecoming Posters Top Art Assignment

Everyone is very busy in the Art classes making Homecoming posters. Watch for the results on the bulletin boards around school. Miss Jean Nelson also hopes to exhibit some in the business section of our town, too.

The seventh grade has been working on abstract designs. Others have been sketching out-of-doors scenes.

study the types of cars, the parts of a car, and the rules for operating one, but they will be doing no actual driving.

Modern Dancing: The members of Miss Ellen Mueller's dancing club will plan their own dances and will learn the five fundamentals of ballet.

Gardening: This club has 11 members and Mr. Fier is the head. They will visit parks, farms, and study gardening. This week they plan to visit the mink farm.

Reading Clinic: This is a remedial club for 9th graders who read below grade level and the leaders are Miss Nieboer and Miss Wark.

Boys Charm

Photo by Schulke

"While shepherds watched their she-e-e-p..." These enthusiastic vocalists are members of the tenor section of the chorus conducted by Miss Marie Carlson. They have now begun to rehearse Christmas songs for the annual Christmas concert on December 12. The tenor section, consisting of Jerry Albright, Richard Wagner, Eugene Sandmann, Richard Niemann, James Prokosch, and Dennis Nelson, has proven to be the loudest one both during and between numbers.

Communism and Bluebeard

By Aryln Reinhart

Tonight is the night! Tonight Communism, that gay round blade, is to choose his new bride. What happened to his other brides no one knows, and no one dares ask.

Red had really gone all out for this occasion. The decorations and food was scrumptious.

"You know," said Argentina, eating, a ham sandwich, "I'm isn't such of bad fellow after all."

"Indeed, no," agreed Mrs. America, finishing her second plate of potato salad. "He's so wealthy and so promising."

At this moment Communism arose. Raising his left hand, he suppressed the hub-bub of his guests.

"I have made my choice." He spoke clearly and distinctly. "For my bride I have chosen—America."

After a few moments of stunned hesitation, friends and relatives rushed to congratulate the "lucky" bride. Mrs. America beamed upon her fortunate daughter and affectionately wished her all the happiness in the world.

After the wedding ceremony and after the guests had departed, Communism told his bride he had sad news for her. That on the morrow he would have to take leave of her and go on a long journey. She could have the run of the palace, though, and amuse herself as she saw fit. That is—all except enter the tiny room at the far end of the hall on the top floor. So telling her this, he gave her the keys of his castle.

Upon awakening the next morning, America found her husband already on his way. After a brief inspection of the castle she spent the rest of the morning gleefully playing in Communism's bins of gold.

Tiring of this and filled with no end of curiosity, she eventually found herself on the top floor at the far end of the hall near the tiny room.

After much hesitation and many perturbing thoughts she finally unlocked the door to the forbidden room.

There—there were Communism's other brides! There was her friend Bolivia and Czechoslovakia and...

At this moment, grim Communism stalked up behind her.

"You didn't go. It was a trick!" cried the hysterical America.

"Yes," smiled ugly Communism. "And now that you know, you, too will have to go. There is no chance for escape. You, my dear, shall join my other wives."

"As I See It"

People in this school and in many other school sometimes wonder why they have been losing games all the time. We lose games and we win games; sometimes we get beat by a big score, like at Fairmont. This we should take as good sports and say "We could have won this game, if", and let it go at that. I know it is hard to root for a team that is losing a game, but try not to let them down. Some of the boys maybe do not care, others were trying their best, some were on the bench wishing they could get in there and tear them apart, and in some cases I suppose they could. So let's root for the ones that are trying their best.

The school spirit is only as good as the kids are interested in making it. Some may and may not like football, but the ones that do not, should not criticize the players and the game. They may not think so, but in that way they can and will bring down our school spirit from a high point to a low. Let us try and keep our spirit the way it was at the beginning of the year.

Homecoming Discussion

Homecoming is here soon and there has been plenty of discussion and arguing going on. One argument is about the parade through town. There are many reasons why we should not have one. The main reason is the blocking of traffic and the interfering with business down town. I think if we could arrange an orderly parade with the help of the police department, it would be fun. Whether we do or not, let's make this a good homecoming by rooting for the team.

As all the seniors know, the studies have been hard. We have been complaining to certain teachers. Miss Raverty says we're seniors now and should be able to take a lot more work. I must say it is four times as hard as last year. TO THE TEACHERS, we like those subjects, but OH the studying. THAT'S ALL!

RICHARD SEIFERT

"Comes The Dawn"--- It's Discovery Day

It shouldn't take students long to discover:

1. that teachers can become our friends as well as students.
2. that four years of school is comparatively short considering the years of life that are left.
3. that the subjects are just as important as the grades.
4. that courtesy and politeness show signs of fine character.
5. that it is wiser to work diligently during school than to regret it later.
6. that schoolspirit plays a great part in outside school activities.
7. that a friendly smile can add to anyone's charm.
8. that there is no time like the present to improve grades.
9. that in order to win the game we have to play the game.

Ex-change Notes

Something New;

Students of Sterling High School, Sterling, Kansas, are enjoying a subject new to them this year—Physical Education. They do much the same things as we do in the course, except that they don't have showers or dressing rooms.

Watch that Wheel;

Marshall High School is offering a driving course this year. They will practice after school hours with about two hours of class room work each week. A new Ford has been furnished by R. E. O'Connell for this purpose.

Ain't it the Truth;

If a body sees a body
Flunkin in a quiz,
And a body helps a body
Is it the teachers biz?
The Pepster
Central High School
Crookston, Minnesota

Attention Mill Miller!!!

Also, in Marshall High School, their study hall is run by students led by seniors. "It is an opportunity to develop responsibility in the students."

The "Ag" And "Ar"

Say, Amaryllyis, were you trying to start the day off with a bang in Chemistry class one day last week? Tsk! Tsk! and it was fire prevention week, too.

Some physics students were wondering if Archimedes sang in the bathtub. "Eureka"! He must have been singing "All that Glitters is Not Gold."

By the way, what's this we hear about the little feud going on between the second hour chemistry class and the third hour physics class. Some one had better learn to clean their sinks—or else! Upper classmen, they bark louder than they bite, you know.

Elmer Rolloff has already written his letter to Santa Claus. All he wants for Christmas is a Dodge truck and a Studebaker car.

"As for us, our little brains, aren't very bright. Choose for us dear Santa Claus what you think is right."

In a recent college prep test, Gerry Albright used the word stoical in the following sentence. "I have a His-toical book." That's almost as bad as Woody's sentence with the word analysis. "John is a boy analysis a girl."

Someone once asked us what type of column we were writing. Hmmm! Now there is a good question.

You might consider us as jacks of all trades." We write on any subject matter we may be interested in at the time. Sometimes the ideas are goo, but most of the time they're otherwise. Like the following for instance;

Why doesn't the Graphos have a Poetry Corner? Who knows, maybe the future poet laureate, or poetess laureate [if there is such a thing] of America might have gotten his or her start in "Ye Yon Fine Poetry Shop-pe." We can dream can't we?
Happy birthday Ag,
Ar

We Seniors

By Marianne and Ethel

"Touchdown Kid"

Next we tackled the "Touchdown Kid" [believe it or not] and we found out that he likes to listen to Eddy Howard and his favorite song is Star Dust. After a game he likes nothing better then to sit down to a plate of french fries and ribs. There's only "one" girl who can interest this guy and that's Esther Williams. His ambition is to enter the service, while "just hunting" is his favorite pastime. He was brought into this world on February 7, 1931. His main pet peeve is sixth hour study. By this time you all know we mean Harold "Mushy" Wieland.

"Muxsy"

This girl comes from Trinity and she thinks N.U.H.S. is "All Right." She was born August 14 and her pastime is roller skating. Her favorite movie star is Evon De Carlo while Vaughn Monroe's band takes the lead in bands. Her ambition is to become a nurse. She has no pet peeve, but one thing would make her happy and that is to eat steak and listen to her favorite song, "Down in the Valley!". This girl's name is Irene Marks.

"Just Harold"

Our last unsuspecting male is none other than Harold Loeffelmacher, a newcomer in our midst. When asked what he liked best about our school he replied, [without hesitation] "Mr. Olson's fifth hour accounting class." He first saw light on January 9, 1930 and was brought up on T-Bone steak, his favorite food. His pastime is pleasure. His favorite song is "Coax Me" [and we sure did, to get this information from him]. The band that gets his applause is none other than "Six Fat Dutchmen" [we wonder why?—Maybe his Father has something to do with it, huh?]

Students Warned To Drive Slowly

How many times have high school students heard the words, "Drive slowly and safely"? Parents, teachers, and other adults are constantly reminding students of this important safety principle. It is more than likely that eight Aurora high school students had heard those same words. "But," some may argue, "we're only young once. We like to have fun." Is it fun to run on the shoulder of the road for 115 yards, hurtle through the air 80 feet, land on the roof of your car, bounce another 50 feet and come to rest? Is it fun to have the responsibility of six lives lost because you were careless? Will it be fun for the principal of Aurora High School to face the parents of those six, knowing that it was his son who disobeyed laws and killed them?

To bring it even closer home, four New Ulm young people were fortunate to escape serious injury in a recent accident.

Of course, there will be some students who say, "That can't happen to me." We might remember the Aurora tragedy for a while and then forget it. We must keep in mind the tragedies of the past, so that our names will never be in the headlines as those of the eight Aurora students. Drive slowly and safely!

Sit'n Scream

With Punka and Jean

Always knew the senior class was full of talent, and now we have Egbert and his harmonica. He takes such a "cute" picture, too.

* * *

When the band goes down to Redwood, I'll bet all the girls go home to supper with a handsome boy. Pat did something about it though, didn't she Jerry W.

* * *

I guess the physical efficiencies were to much for Amaryllyis Samuelson or maybe it was some thing she et. Any way, she sure didn't want to stand up during gym.

* * *

Waa!

Richard Niemann—The stoic is what brings the babies in Brooklyn. Doesn't that just make you blink, Miss Kayser?

Can You Imagine?

Joe Harman... "No advance assignments"
Lois Grams... Soft and gentle
"Bootsey" Kraus... Showing his school spirit.
Dodo Scherer... Not flirting

Sunday—Sept. 26—We lost our game last night with Waseca 21-0.

Monday—Sept. 27—Either the senior girls are in too much of a rush or the locker space isn't big enough, because everyone is bumping into every one else.

Tuesday—Sept. 28—So many people were talking about the show "Body and Soul" that we finally broke down and saw it. It really was good.

Wednesday—Sept. 30— Joe Harman had a tough time keeping Carol Current and Violet Clyne awake in Social today. It must have had something to do with the party at the beach last night.

Friday—Oct. 1—School spirit seems to have risen since Bill Bierbaum and Hank Scheid are out leading cheers again.

Saturday—Oct. 2—We intently listened to the Minnesota-Nebraska game all afternoon.

Sunday—Oct. 3—This will probably be one of the really nice Sundays we'll have. Patty Hartl sure is lucky, always having the car when she wants it.

Monday—Oct. 4—Seems everyone is trying to figure out what "apple strudel" is after reading "Sophie Halenczicks' Greenhorns" in senior English.

Tuesday—Oct. 5—The college prep class was discussing the origin of the names of different towns today when Charles Olstad asked Miss Kayser about Walla Walla, Washington and Hell, Pennsylvania. Miss Kayser answered saying: Walla Walla is Indian but Hell, I don't know!!

Wednesday — Oct. 6 — Oh! what is this world coming to? The senior boys have drawn up a petition which states that they won't take out any girls from N.U.H.S. till the night of the pep fest. We wonder if any of the girls will even go with them the way they feel now, unless we're badly mistaken the boys must be pretty "stuck on themselves."

They call it woman's "Suffer-age."

Heart-breakers

Those conceited senior boys have drawn up a petition not to go out with NUHS girls until Homecoming. Just listen to all the feminine hearts breaking.

* * *

There's a certain bunch of junior girls that think some boys are dumb-bells and vice-versa.

* * *

Seems that Bootsey Kraus has been giving the girls a bad time in Consumers Ed.

* * *

The Sleeper

Mr. Ness: [to Zula Keckeisen] What have you been doing in history lately?
Zula: Sleep Ya! sleep, every year the same.

* * *

Carol Current just can't stay awake in class. This year [as Mr. Harman knows] it's social.

New Ulm Loss Streak Runs To Three Straight As Waseca, Fairmont, and Redwood Falls Win Games

Drop Kick Wins For Redwood Falls; Wieland Scores

Redwood Falls fought off a late fourth quarter march by the Eagles at Redwood Falls in a homecoming game last Friday to take a 7-6 win.

Harold Wieland opened the scoring with a 61 yard-sideline run for a touchdown in the middle of the first period. Try for extra point went slightly wide and the game turned into a battle of punts with New Ulm gaining more than the Cardinals.

Eugene Sandmann was hurt in the second half and Redwood got a first. An exchange of punts and recovered fumble on the 31 set the stage for Dave Reque's 60 yard return of Harold Wieland's punt. Wieland brought down Reque from behind. New Ulm held, but on third down Reque plunged over the middle for the score.

Lowell Fox made a drop kick good and New Ulm trailed 7-6.

NU Starts Drive

With seven and a half minutes left New Ulm started a drive from the 43 yard line down to the 13 yard line. Eugene Sandmann, Harold Wieland, and Robie Lamecker carried to the 12 where with one minute left Redwood took over as Robie Lamecker failed to make a first down.

Redwood took over and froze the ball for four plays and New Ulm lost its third game of the season.

In losing, it was the ninth time since 1933 that the New Ulm football teams have lost to the Cardinal gridders. However, the Eagles have still outscored the Red and White in that same period 118-106.

Friday night the Eagles will be looking for their second win with a game that pits the St. James eleven against the Eagles.

STATISTICS

Sandmann	11	40	3.03
Mansoor	9	26	2.88
Tierney	1	-7	-7.00

Fairmont Stops New Ulm 41-0 In Rolling Up 15 Year Scoring Mark

Fairmont gave their alumni a real homecoming as they blasted New Ulm high in a South Central conference game 44-0.

The loss shoved New Ulm into last place in the standings and virtually eliminated the Eagles from a first place chance.

Although the Eagles battled until the final gun as they did at the start, Fairmont's running game couldn't be stopped. Only when the second team took over New Ulm held the Cardinals; but Prafke, a substitute back tossed aeriels for five completions to lead the Fairmont reserves. Potvin's outfit ran the ends with ease.

New Ulm fielded a team that had changes at some positions. Curt Larson was at quarterback, Eugene Sandmann at full, Joel Tierney at a half, and Harold Wieland played the other half until he was injured in the second period. The line stayed the same with the exception of "Swede" Nelson at end.

Fred Nystrom shone brilliantly for the Eagles and his repeated tackles were New Ulm's only feature. Bob Wilken, Don Jaqua, and Bud Olson did the principal ball lugging for the Fairmont first team. All three may be all-conference material.

Eighteen of the 24 rostered players from Fairmont were seniors and the entire starting lineup was composed of the same.

'Bombers' Lose 14 To 13 Battle At St. James

St. James nudged the New Ulm Eagles in a "Bomber" B squad football match at the St. James gridiron 14-13, Monday, October fourth.

Richard Wagner scored the first touchdown for New Ulm in the opening period and James Keckeisen added the extra point on a run. St. James held a 14-7 halftime lead but New Ulm sprung Robbie Lamecker loose for a touchdown in the last period. Try for extra point failed with the New Ulm 14-13. Last night the Eagle reserves battled St. Peter's Bomber club.

Score by quarters:
New Ulm ... 7 0 0 6-13
St. James ... 7 7 0 0-14

Scoring:
New Ulm, Wagner [first period], Keckeisen [point after touchdown], Lamecker [fourth quarter].

Eagles Stopped 21-0 By Surprise Waseca Eleven

Waseca sprung a surprise defeat on New Ulm in the second game of the season with a 20-0 win.

New Ulm was favored to top their South Central rivals, but Lee Kourgh's boys dominated the play against a "down" New Ulm team.

The Waseca line ripped New Ulm's forward wall to shreds and the Blue Jays drove over for a score in the first period. Don Miller scored the first touchdown and Wally Dunn the extra point. After a 7-0 halftime score, Miller crossed over again on an end sweep in the third period. Wally Dunn scored the last TD for Waseca.

Wayne Hayes and Jim Ditrach looked good for New Ulm as did Paul Krause for Waseca at guard and Wally Dunn, hard-driving Waseca back.

Coaches: [Left to Right, Vernon Zahn, Joe Harman, and Morris Ness.

Eagles Battle St. James Friday In Attempt To End Losing Ways

St. Peter Follows In Big Homecoming Game; Two More 'B' Affairs

St. James will be New Ulm's opponent Friday night in a South Central Conference affair.

It will be the last game before the homecoming with St. Peter on Saturday October 23. Three South Central conference games remain for the Eagles. St. James, St. Peter, and Blue Earth are those teams. Also on the schedule is a game with the "Bombers" too have games left to play. Last night they battled St. Peter. Two other games are on tap with Springfield.

New Ulm has won one and lost two up to this writing.

Sports Review

By "Scooper"

Graphos Sports Editor

After New Ulm lost to Fairmont by a overwhelming score of 41-0, one thing stood out about the New Ulm team—they fought until the game was over. To lose 41-0 and have the team quit is humiliating, but to lose by that score and have a team fight all the time is not so bad.

Here's two cases and the way I was affected. In the Waseca game, New Ulm fell for short of expectations and lost 20-0. For the first time in my three years of charting or scoring athletic games I was too disgusted to continue. In three years I tore up the records up only once — that Waseca game. Now I'm sorry.

Now take the Fairmont game. New Ulm high school suffered the worst defeat in my records, which date back to 1933. Yet I continued because the team tried to play ball. Fairmont has the greatest but not the cleanest, football team I've seen play.

On that team there are potential South Central all-conference players. Zinke at end, Plath at tackle, Wilkens at quarterback, Jaqua at half and Olson at fullback.

Records For Coming Games
Since 1933 — Redwood eight wins, New Ulm five in 13 games; New Ulm eight wins, St. Peter seven losses. From 1933 to 1941 New Ulm didn't lose a game to St. James. Interesting fact about Redwood—New Ulm has outscored the series leaders—NU 112, R-99.

Music Musings by I. M. W.

Destination, Redwood Falls! Filled with eager bandmembers the school bus left at 12:30 p. m. on Friday for Redwood where we were guests of the Redwood Falls band. We took part in an afternoon parade, and both bands performed before the game and during the half.

Getting to school promptly at 8:00, in time for orchestra, on Tuesdays and Fridays is quite a problem for most of the members. If a miracle occurs, maybe someday everybody will be there and on time. Up to now, the orchestra has been working mainly on themes from the "Nutcracker Suite" by Tchaikowsky, and "Andante" from the Suprise Symphony by Hadyn.

Orchestra homeroom officers have now been elected. Richard Wagner is president; Ruth Groebner, vice president; Iris Wagner, secretary; and Carolyn Held, student council representative.

Girls' Triple Trio had it's first rehearsal last Tuesday night. Betty Crone, Patty Hartl, and Iris Wagner are the sopranos. Second sopranos are Renee Reim, Beryl Siebenbrunner, and Ginger Tyrrell. The alto section consists of Ruth Groebner, Carolyn Held, and Gerry Slaybaugh. "Mood Indigo" and "Blue Skies" were among the numbers rehearsed.

Miss Carlson plans to have a boys' octet, boys' quartet, and a mixed ensemble in addition to Girls' Glee and Triple Trio.

Quite a few students went to the "Kato" to hear trumpeter Harry James and his band. Ask anyone who went if it wasn't a great big thrill. The boys say there was only one thing missing—Harry's wife, Betty Grable!

Leary and Schrader School Secretaries

You probably have seen Mrs. Schrader walking from the administrative office to the principal's office or surely you have seen our "messenger girl," Miss Grace Leary, in the library. Have you students ever realized the work these two people do?

These are the two efficient secretaries who are employed by New Ulm high school. Mrs. Schrader in Superintendent Herrmann's office, and Miss Leary in Mr. Lynott's.

All of us don't realize that while we are swimming, fishing, or golfing in the summer, Miss Leary and Mrs. Schrader are busily working in this building keeping the office books in balance and getting the files in order for the coming school year.

During the school year, Mrs. Schrader, besides her secretarial duties, makes out the payroll and keeps track of all the bills. Miss Leary takes dictation from Mr. Lynott along with writing out pink and white slips for absentees or students who are tardy. These are just a few of their duties.

They have only two weeks vacation. Miss Leary spent her vacation on a Great Lake cruise and Mrs. Schrader spent hers at a lake.

So you see being a secretary in New Ulm High School isn't as easy as you might think it is.

The Book Worm

Maybe some of you have forgotten the rules and regulations in our Library, so it might not be a bad idea to review a few of these:

[1] Reference books are not to be taken out of the library.

[2] Old magazines may be taken out, but current magazines may only go out overnight. This means that you take them out after 4 o'clock and bring them back by 8:45 the following morning.

[3] All other books may be had for a period of 2 weeks. Don't forget them, because it'll cost you 1 cent for each day overdue. Of course you all know how to take care of the books you borrow.

Everyone knows about dictionaries, encyclopedias, and almanacs, but have you ever taken a gander at some of the other books behind the desk? Many of these are very interesting and can give you a lot of fun and valuable information in your leisure time. One of these is "A Book About a Thousand Things." It answers such questions as "Why don't ducks get wet?"—"Was Cleopatra a blonde or brunette?"—"What is a small beer?"—and "Why is a quarter called "two bits"?" For the answers of these puzzling questions consult this book.

Now for a few of the new books. The books received are especially good and cover a wide variety of

Jean's Fashion Basket

This weather really puts a person on a spot! One day it's cold and the next it's warm. Just try to figure out whether it should be a cotton dress or wool skirt and sweater.

It's surprising how many senior girls and boys still possess their own class rings with the "boys petition" against taking any girls out there'll be even more having their own.

Was anyone lucky enough to get a gander at Richard Seifert's argyle socks? A girl made them for him—his sister—he says!

It pays to wear ruffled blouses on first-aid days, doesn't it senior girls? Especially when it comes to being the guinea pig for first-aid bandages.

Farewell for one week—

Facts on Figures by Aryln Reinhart

Would you be interested in knowing that there is etiquette in math? Here are just a few rules of etiquettes.

1. Don't be angular in your proportions.
2. Don't be obtrusive in your manners.
3. Don't be acute in your criticisms.
4. Look at all things from right angles.
5. Keep your lips at straight angles during study hour.
6. Don't be triangular in your cliques.
7. Let others join your circle.
8. Be square!
9. Use the straight line! the shortest distance between classes.
10. Be the center of the circle from which all good things radiate.
11. Be symmetrical in your judgment; that is, balance the amount of knowledge received from a class with the amount of labor expended.
12. Let each class member be congruent to the other. [In a spirit not a body.
13. Remember a whole is equal to the sum of its parts! You and your class.
14. Let your ideals be not only mental concepts but realities, generating smooth surfaces everywhere.

These 14 points should have affected that elliptical solid place above your cylindrical spine and permeated the polygonal chambers of your cranium.

Departmental Doings

September 21, Tuesday, was the first meeting of the Future Farmers of America this school year. The new officers who were elected are Harlan Sauer, president; Harold Thomas, vice-president; Leon Fritsche, secretary; Vernon Kitzberger, treasurer; Dennis Deopere, reporter, and Kenneth Gleisner, sentinel.

In their meeting, October 12, the new members will be initiated into the Greenhands.

Many of the New Ulm chapter members went to the tri-county fair at Mankato September 21 and 22. N.U.H.S. members came home with \$75.45 in prize money.

Spanish I Sputters

As heard in Spanish I—Having learned pencil is masculine and pen is feminine, Renee Reim put her brains to work and the result was:

—A Spanish pen and a Spanish pencil were married and their child was a ball-point pen.

—Marlene Wallner's favorite Spanish expression—"Ach, no!"

—Beryl Siebenbrunner sneezes and the class says, "gesundheidt."

—The Samba seems to be quite the popular dance these days. one-two-three, one-two-three or should we say, uno-dos-tres.

—Mr. Maiquez certainly is outnumbered by girls, he being the only man among 14 girls.

Enough "Sputter" for a while Adios Amigos.

Speech News

If you hear unusual noises from Room 313 on Monday during homeroom period, you can guess that it is discussion club. At the first meeting of this club, officers were elected, and plans made for this year. The officers are president, Richard Seifert; and secretary, Mary Lee Wilson. The subject of the first discussion will be: "The Platforms of the Four Major Parties". Future topics include: "How Can Student Council Better Represent Student Interests", "How Can Youth be Brought to See its Civic Obligations," "Is the Sales Tax a Good Tax?", and the state topic, "Federal Aid to Education."

Something new has been added to NUHS this year. A dramatics club is being formed to study stage technique, play production, make-up and other aspects of drama.
