### Junior Play Cast Chosen For "Don't Take My Penny"

Don't Take My Penny is the three act comedy that has been chosen for the junior class play. The cast consists of seventeen characters. They are as follows: Sally, L. Heck; Norman Porter, L. Krueger; Penny, J. Herrick; Caleb, R. Kornmann; Mark, M. Pollei; Mavis, E. Sauer; Lydia, F. Fischer; Joanna, S. Oswald; Kerry, N. Iverson; Greg, J. Gasner; Gran, J. Keckeisen; Henri, D. Richter; Claire, B. Jensen; Elsie, R. Hirchert; Lucile, C. Niemann; Red, R. Schaefer; and Harrison Day, O. Broste. Mr. C. Johnson is the director. Marianne Martinka is the assistant director. The play is scheduled to be presented on December 1 and 2.

#### Trip To Mexico Is Dream Come True

"It's a dream come true," said T. P. Pfaender, who is now making the final arrangements for the trip to Mexico. Mr. Pfaender has made some hotel reservations, and most of the travel permits have been received from the Mexican Consul.

The next step is probably the only unpleasant part of the preparations—one smll pox shot and three typhoid shots.

You will most likely hear some newly-learned Spanish expressions and phrases or previous Espanol students refreshing their memories.

The caravan will leave New Ulm at 7 A. M. on Saturday morning, December 23. It will arrive in Acuapulco, the final destination in Mexico, on December 31. After three days of swimming, fishing, parties, and loafing they will start their return to New Ulm, arriving January 7.

October 15, the last day applications for the trip were accepted, found seven cars, and twenty-seven people on the "going" list. They are as follows: Married couples: Mr. and Mrs. D. Anderson; Teachers and other adults: Miss Bernice Binder, Miss LaVonne Lussenhop, Miss Lola Lueck, Miss Charlotte West and Miss Lydia Delger; Messrs.: E. J. Achman, Donald Neubauer, Tom Pfaender, Hugh Walter and Nosbush; Students: Shirley Ann Beadle, Mary Ann Mageau, Doris Woolcock, Dot Campbell Donna Nelson, JoAnn Windland, Barbara Fesenmaier, Mary Fesenmaier, Margaret Fesenmaier, Carol Halvorson, Sharon Oswald, Gladys Anderson, Marianne Martinka, Bill Fenske, and Mike Pollei.

#### New Color Added To Decorating Scheme

Pink, white and blue! A new color has been added to the decorating scheme of N.U.H.S.-a dainty blue.

This new color is on display in Mr. Lynott's office, along with the familiar pink and white.

The white slip is used for the permit slip after a tardiness or absence when the tardiness or absence is excused and the student is allowed to return to class and to make up the work missed.

The pink is for an unexcused absence or tardiness; the student is admitted to class but is not permitted to make up his work; and there is a penalty added, usually making up the time missed.

The blue is merely an admit to class, with no permission to make up work, but with no further penaly attached.

Blue is for the unnecessary absences, such as out of town trips even though the request is made by the parent.

#### SENIOR CLASS RING

Mr. Lynott will give a committee report on high school-college relations at the meeting of the Minnesota Association of Secondary School Principals on Friday, November 4.

The debate squad made its first trip of the year to Trimont on October 30 to hold a practice debate with Trimont and Mankato.

Student Council members, Rolly Olson and LaDonna Heck, will attend the Minnesota State Student Council Convention held in Minneapolis on November 9, 10, 11.

Rolly will, be chairman of the Southwest Division Committee, which will make plans for next year's convention.

Miss A Steen, Lois Neuwirth, and Tad Pirmantgen went to Redwood Falls for a Yearbook Clinic on October 24.

Roger Fixsen won two awards for photographs in the St. Paul Pioneer Press Photo Contest this summer. Congratulations, Roger.

The teachers of N.U.H.S. will attend the Minnesota Education Association meeting in Minneapolis, November 2 and 3. There will be school on these two days.

#### How Good Is Our School?

New Ulm High School, New Ulm Minn., Tuesday, Oct. 31, 1950

During the recent years American Education has been one of the main concerns of the nation. The interest is centered around conditions in American schools. Life magazine recently set aside one issue specifically for presentation of our educational conditions.

The issue also presented a test by which schools could rate themselves according to poor, average and best. New Ulm Public Schools rate among one of the best. Out of a total of sixty-three questions, New Ulm Public Schools system could answer fifty-one "yes". With a possible total of 153 points, New Ulm scored 140.

These questions referred to the administration, faculty, physical equipment, courses, vocational training, testing program, hot lunch programs, and financial situation.

#### Open House To Be Held November 9

To acquaint the parents with the teachers and to allow the parents to become better acquainted with the facilities available in our public schools is the purpose of an informal open house which will be held under the auspices of the New Ulm Public Schools, Teachers Association on Thursday, November 9. Parents of all students are invited to attend the event which will be held in the cafeteria from 7 to 9 P. M. A light lunch will be served.

#### Dorothy Broste To Attend Gustavus Queen Coronation

Dorothy Broste, homecoming queen, has been invited to attend the queen coronation ceremony at Gustavus Adolphus in St. Peter on November 1. The program planned for that evening will consist of a formal dinner with the Gustavus queen candidates, a symphony band concert, the visiting queens' procession, and then the highlight of the evening, the formal selection and presentation of the college's homecoming queen. Queens from several surrounding schools have also been invited to attend.

## Graphos Staff To Sponsor Twirp Dance

Attention gals!! Here's chance!! The journalism class of New Ulm High announces the first first annual TWIRP SEASON! "TWIRP", as defined in "Freckles" column means, The Woman Is Requested to Pay; therefore, all dating rights and privileges are reserved for the girls.

Rules and Regulations:

I. TWIRP SEASON will start on Monday, November 13, and come to a climax with a senior high dance in the small gym at 8:00 on November 17.

II. Dates will be made and financed by girls only.

III. No boy shall be permitted to date a girl during TWIRP SEA-

IV. Girls must open doors and carry books when they accompany any boy to class.

V. Boys!! Think twice before refusing!! VI. All senior high girls are re-

quired to participate in some phase of TWIRP SEASON. VII. Rules for TWIRP SEASON

DANCE. A. Any girl that has a date for

the dance must report to Ceille Kosek or Dody Scherer immediately for further instructions. B. When reporting, girls will re

ceive tags to be given to the boys. C. All should wear school clothes

-no jeans. D. The girls must ask for all

dances E. Charge for the dance will be

50c per couple, and 35c for the lone individuals.

#### Roland Olson Chosen October Rotarian

Roland Olson, our Student Council President, was chosen as Rotarian for the month of October. Rolly participates in various extracurricular activities such as football, intra-mural basketball, golf and discussion. He plans to go on to school and become a veterinarian.

#### Posture Work Progresses; Posture Week Draws Near

The fourth annual posture program will be given November tenth at 3:00 in the auditorium. A junior high prince and princess and a senior high king and queen will be chosen.

Two girls and one boy from each senior high class will be candidates. One girl and one boy from each junior high class will be chosen as candidates for prince and princesses. Posture tests began last week

with the plum line and wall tests which classified our posture.

Foot examinations were given to check for athlete's foot, planters warts, fallen arches, etc. Miss Mueller has given us exercises for both our longitudonal and transversal arches.

Next week we will work on correction of lardosis and pyphosis.

Body mechanics is one of our biggest projects. Mechanics of our body interferes with our everyday life. Picking-up things from the floor, reaching high, and stretching are all part of our body mechanics.

Probably the most important of all are the fundamentals of walking, sitting, and standing. We will spend about two weeks on these fundamentals alone.

The whole posture program will be organized and "originalized" by Miss Mueller.

Government of, by, and for the people

The week of November 5-11 is more than just another week. It is American Education Week...a week in which to think of the benefits derived from the public schools. The free public school is a true symbol of our democratic form of government. The school plays an important part in makeing us good citizens of tomorrow. "The purpose of our schools is to help educate our generation for the task of leading the world toward freedom, justice, and peace in the future. The democratic way of life is built upon faith, freedom, equality, and opportunity." But all these advantages we share can be lost and will be lost if we do not continue to protect them. We can meet the challenge of communism and dictatorships by giving a living proof that we practice what we preach. We can show that our government is of, by, and for the people.

"Someday they'll give a war-and nobody will come."

Who knows? And who doesn't look for that Utopia as seen by an innocent, young child. In our history there have been many wars and all have been well attended-much to all the world's regret. Maybe now with the U.N., and what it stands for, we are on the right track towards a world in which invitations to a potential war will be declined emphatically.

Laugh, and the world laughs with you

From now on be careful how you laugh because you might, although quite unaware of it, disclose your true character. A British professor has classified our laughs as follows:

People whose laugh has an A-A sound are cheerful and kind. An E-E sound means they are egoistic and gloomy. Children and old folks laugh I-I. O-O signifies melancholy and pessimism. And U-U is, without a doubt, the sign of a hypocrite and cheat. Seen in "This Week"

Proposed Amendment Number Two

On November 7 a new amendment to the Minnesota State Constitution will be voted on in the Minnesota General Election. In Article VIII, Section 2, of the Constitution of Minnesota it is stated that the entire income arising from the sale, use, or other disposition of all lands owned by the state shall remain in a perpetual trust fund. This fund is now used for the schools and for education. The proposed amendment number two proposes to change the law so the schools will receive only 75% of the income; the remaining amount will go for forestry improvement and to promote a forestry management and production program. This is a worthy purpose, but the question is-should the state take the much needed money of the schools away from them and use it for another purpose? Let's hope the voters vote wisely.

An interesting and exciting adventure book is "White Witch Doctor", by Louise A. Stinetorf. It is a true story of a woman named, Ellen Burton, that literally teems with danger. She is a missionary in Africa and tells of her strange experiences in the jungles with the native pygmies. A pygmy chief asks Ellen to marry him and become one of his harem. The author writes, "Remember always to shake the snakes and scorpions out of your shoes in the morning, no matter how big of a hurry you're in."

What would you feel like, if you had run away from your home in Indiana to work at your uncle's store in California, got half way to it and then got hit by a car? If you lost your memory, and got on the wrong road in life? That's what happened to Johnny Stevens is, "The Dark Adventure." Betty and Shirl

Next year's Sophomores had their physical examination October 24. The examinations started at 8:30, but Betsy Oswald forgot and was still in Art at 9:30. After she remembered the examination she rushed around like a jet plane in motion.

Herb Schaper gave a little party for some of the football players the other night. I wonder why all the boys at the party are trying to keep the whole party a secret.

In biology David Hagemeister brought a puff ball to school. We hear the older the puff ball gets the more it smells. Well, when David brought it to school, it wasn't too much work, but pity those that carried it out. Dicky Ginkel and Melvin Koenig had the honor of getting rid of it. If you wonder how it smelled, ask them; they'll remember for a long time, I think.

The other evening the fire alarm went off four times in Emerson. The boys' octet are all angels. Aren't they???

Albert "Chief" Neumann must sleep days and have fun at night; at least it seems that way in third hour English.

Jackie Keckeisen and Lolly Jutz must have a nice time in 6th hour history, for they are the only two girls in the class. But they seem to like it a lot.

John Lloyd can't play his trombone because he says he hurt his lip in football. But a few of the kids have another idea on the subject.

Some people don't believe football players and their uniform weigh much. But one football player with his uniform left quite an impression on David Oldsted's bass horn.

Mary Schuck seems to know the most of all the kids in 4th hour history, at least she's always talking. Mr. Ness even said she could have the front chair pretty soon.

#### Halloween Halo?

It's Halloween again. Just another day for some people, but quite the opposite for some others. When you go out Halloweening tonight, don't forget this policy, "Do unto others as you would have them do unto you."

Halloween was handed down from the pagans. The ancient Druids [an early people in Britain] believed that spirits of the dead roamed abroad so they lighted bonfires to drive them away. Folk came to believe that they could foretell the future on that night by performing such rites as jumping over lighted candles.

Halloween frolics and parties should and could furnish a good time for all. Instead of going on your annual rampage this year, why not get up a party and let the other people enjoy themselves unmolested.

To climax the celebration of National Auto Week, the band marched in a parade on Friday, October 27. The Homecoming Queen attendants rode in convertibles.

A "whooping" good time was had by Fri-le-ta members at their first playday.

Since these sports sharpened the appetite, a lunch was served.

Twenty New Ulm High School freshman [greenhands] were initiated into to New Ulm Chapter of the F.F.A. last Tuesday night.

The greenhands are James Albrecht, Roger Bakken, Roger Bode, Gary Current, Edwin Drill, Jerome Filzen, Gordon Gehrke, Lowell Gieseke, Richard Gleisner, Dale Gluth, Charles Hesse, Edward Jutz, Eldor Kamm, Donald Klossner, Melvin Koenig, Clifford Lawrence, Richard Portner, Paul Schultz, Kenneth Stueber, and Ernest Tiedeken.

# Eagles Lose To St. James, Redwood Falls; Take Conference Game From St. Peter Team 13-6

ST. JAMES

Edging through with a one point margin, St. James made Friday the 13 unlucky for the Eagles as they took New Ulm's Homecoming game with a 14-13 score.

St. James got a break to set up their first touchdown when a '30 yard punt rerurn by Eagle Don Rausch was called back because of an off-side penalty. Three first downs and a nine yard pass brought the ball down to the one yard line. The Eagle team held the Saints for three plays, but an end run and a pass from Belcher to Peterson gave the St. James team a seven point edge.

New Ulm started down into scoring territory when Schmid completed a pass to Ray Brey, who fought his way down to the 30 yard line. An intercepted pass prevented an Eagle score.

In the second quarter Coach Harman's team broke loose with an 87 yard march, which ended in a touchdown. A long pass from Schmid to Rausch totaled 52 yards, while Eckstein made a 12 yard gain. Rausch carried the ball over the line for a 6 point score for New Ulm.

Saint's player, Leo Lamb, took the ball through right end and raced ahead of speedy Vern Walden for a 63 yard touchdown. St. James again made a pass play for the extra point, giving them a 14-6 point lead

The Eagles come back in the fourth 'quarter to bring the score to a one point difference. A pass from Schmid to Rausch and runs by Eckstein and Ahrndt made up the touchdown, but the Saints stayed on the winning side.

ST. PETER

New Ulm played its best game of the season as they defeated St. Peter, South Central Conference leaders, by a 13-6 score.

The Eagles played heads-up ball throughout the whole game, as the line came up with their best performance, and the backfield broke loose to win the game.

At the end of the first quarter, the team started a march, keeping up in the second. Ahrndt and Eckstein riled the ends, bringing the ball down to New Ulm's 47 yard line. Then Eckstein powered over six St. Peter men, and was brought down on the two yard line. A penalty nullified the touchdown made on the next play. After an exchange of the ball, the Eagles regained possession on the 34 yard line, then scored as "Junior" Ahrndt, Wally Eckstein and Vern Walden brought the ball down and Connie Schmid pushed over from the one yard line.

In the third quarter, Eckstein intercepted a pass on the 40. On the fourth down Jim Kagermeier passed to Ray Brey, who took the ball down to the 20. Three plays later, Vern Walden went around end to the seven yard line; then Schmid went over for the touchdown. Eckstein plowed through for the extra point, giving Coach Harman's team a 13-point edge.

St. Peter got down to the 16 yard line in the fourth quarter, when a penalty gave them a free trip down to the four yard line. The Eagles tightened up; but on the fourth down, Ken Balman squeezed through for six points; but New Ulm handed St. Peter their first conference defeat.

#### REDWOOD FALLS

New Ulm's Eagles, playing at Redwood Falls, lost a non-conference game to the Redbirds. 32-13.

Scoring at least once in every quarter, Redwood Falls made seven completed passes, gaining most of their yardage in the air. A pass from Chuck Burmeister to Bob Gray resulted in a 48 yard touchdown, giving the Redbirds a 6-0 edge. With another 74 yard aerial gain, the team from Redwood crossed the New Ulm line. They brought the score to a 20-0 lead as Steffel made a sneak cross and Pannkuk kicked for the extra point.

The Eagles came back fighting in the second quarter as tackle Frank Steinbach recovered a Redwood fumble on the 17 yard line. Five plays later, Eckstein broke through for the first New Ulm touchdown.

Redbird Jack Smith intercepted Jim Kagermeier's blocked pass and ran to a 61 yard touchdown, bringing the score to 26-6. An intercepted pass and a run by Burmeister ended the Redwood Falls scoring at 32 points.

In the last half, the Eagles came to life with a 58 yard march sparked by two 21 yard passes from Connie Schmid to Don Rausch and Mike Pollei. Wally Eckstein carried the ball over for a New Ulm touchdown, with Don Rausch making the extra point.

# Football----Stars

Frank Steinbach — This 175 pound tackle came to us from Onamia, where he had played quarterback on a six man team. Frank has been one of the Eagles most outstanding linemen during the year.

Ray Brey—Ray, who has had little experience until this year, worked his way into the starting lineup at left end. He is one of the Eagles' best pass catchers, and also one of the speediest men on the team. Ray is a standout on defense.

Bill Fenske—Bill is the lightest of the Eagles, weighing only 135 pounds, but he makes up for his lack of weight by being one of the better offensive centers. He is a junior this year and is a first year man.

Mike Pollei—Mike is also a first year man, who has played on the first string, changing off with Ray Brey. This 165 pound junior plays offensive mainly.

Dick Wegner—He is the 205 pound senior tackle, who had no experience until this year. He has played some first string, usually filling in for the injured Harry Christian.

Junior Ahrndt—"Juni", another one of New Ulm's first year men, plays second string halfback, filling in at either halfback spot. What Junior lacks in weight, he makes up for his shiftiness. He plays defense mainly.

Ernie Sauer—Ernie, playing on the second string, has been working himself up to the number one center spot. The 208 pound sophomore is also a first year man.

Vernie Walden—Vern played a little on last year's conference champion team. He has been one of the Eagles defensive halfbacks, and is improving offensively at the right halfback position.

#### Fairmont Defeats N. U. in Conference

Fairmont took the New Ulm Eagles in a South Central Conference game by a 19-7 score, in a game played at Fairmont.

The Eagles had control of the ball in the first quarter, as all play was in Fairmont territory. End John Heymann recovered a bad pass from the Cardinal center on the 30 yard line, and the Eagles moved down to the five. New Ulm couldn't score and Fairmont punted to safety.

In the second quarter, the Eagles made the first score of the game, when Schmid interrupted a pass and ran 48 yards for a touchdown. Rausch ran around left end to score the first extra point of the season, as New Ulm led 7-0.

Fairmont invaded New Ulm territory for the first time on a returned punt. Starting a march which ended in a touchdown for the Cardinals. Guard Jim Mallet intercepted a pass and got down to New Ulm's 20 yard line. Then Ronnie Jaqua crossed into pay-dirt with a series of cutback plays off tackle which the Eagles couldn't stop.

Wally Eckstein blocked a Fairmont pass but New Ulm couldn't gain. Fairmont started a 74 yard march to score again and the game ended with the Cardinals on top with a 19-7 margin.

# Lights! Action! Football Field Has New Floodlights

After many negotiations with the city officials the project of building new flood lights was finally undertaken this year. The impetus was provided by George Arndt who became chairman of the park committee.

Arndt personally investigated lights at more than fifty athletic fields. He finally secured the promise of the necessary equipment from suppliers and then obtained autherization from the council and the utilities commission for completion of the installation.

A portion of the funds was allocated by the utilities commission and all schools are charged a rental fee of approximately one hundred dollars per game for repayment of the initial outlay involved. In the normal football season there are about eight home games played on Johnson Field.

The entire project was estimated to cost approximately ten' thousand dollars. The next addition to the field will be proper seating for the spectators.
