NEW ULM, MINNESOTA, FRIDAY, FEBRUARY 20, 1920

NUMBER 10

CARLETON GLEE CLUB TO GIVE CONCERT HERE

Senior Class Secures Noted Glee Club.

COMING SOON.

The Senior Class have voted to arrange for a concert to be given the last of next month by the Carleton College Glee Club. The Carleton singers are on their twenty-third annual Concert tour, and are singing in the principal cities of Eastern and Southern Minnesota. They have signed contracts at Waseca and Mankato, and probably will come to New Ulm from St. Peter.

March 27.

The tentative date of Saturday evening, March 27, has been assigned to New Ulm, although this date may be changed later. The Carleton Club this year consists of twenty-four members chosen from the best singers of the school. The director is Edmund Sereno Ender, who has in previous years had charge of the Glee Club of South Dakota State College. Music lovers throughout the state will remember Mr. Ender's long association with the Elk's Glee Club and the Apollo Club of Minneapolis. That his singers this year will be trained up-to-the-minute, and offer a splendid program, is sure.

Reader on Program.

In addition to musical numbers consisting of choruses by the entire club, solo parts, and duets, the Carleton Club is offering this year, a very interesting addition to their program in the person of Mr. Robert Calderwood, as reader. Mr. Calderwood is Instructor in Public Speaking at Carleton, and has had a Lyceum and Chautauqua experience on the platform which has given him a fine reputation as a reader. It is certain to be a treat to hear his part of the program. All in all, the program as outlined promises to be very entertaining, and the Seniors are to be commended for making the necessary arrangements, and taking the responsibility of the concert.

It is of special interest to note that two former High School students are members of the Glee Club. Arthur Miller and Sherburn Beecher of the class of 1916, both Seniors at Carleton, are singing tenor and bass, respectively, on the club.

As yet the Senior committees have not been appointed, but arrangements are going forward which promise to make the concert one of the principal

SLEEPY EYE LOSES

TEAM WINS FROM GUSTAVUS ADOLPHUS LOSES TO MANKATO QUINT

GIRLS CAPTURE TWO GAMES

SLEEPY EYE LOSES.

On Friday, February the sixth, the New Ulm High School team scored a decisive victory over the strong Sleepy Eye aggregation, and thereby made the largest step in being contenders for district championship honors. The game was played on the opponents' floor and was one of the fastest and roughest games the locals ever took part in. The game was also a skillful one, especially on the part of the locals and their remarkable

THE M. C. C. GAME.

Saturday, February 7th, will never be forgotten by the New Ulm sextette, for on that day they received an awful blow. They were defeated! Defeated by the M. C. C. team, and the defeat was hard to take for it was the first this year. But our girls are game losers and so took the defeat with heads high.

How we lost that game is hard to tell, we do not admit, that they have a stronger and better team than ours,

DEDICATED TO SLEEPY EYE.

To the Tune of DARLING NELLY GRAY.

I.

* There's a thriving little hamlet lying northwest of New Ulm
* Where they're passing many wretched hours away;
* A-stamping and a-storming by the little schoolhouse door,
* Where they LOST in a game on last Friday.

CHORUS:

* Oh you poor Sleepy Eye, there's no use to fuss and cry,
* For you cannot be the winners anymore.
* All in vain you lose your temper, gnash your teeth, and pull your hair,
* Just because we have carried off the score!

II.

* With your yells you tried to scare us, for you seemed to be cock-sure,
* That you'd carry off the championship with glee;
* When you saw that you were sinking, then you grabbed at every straw
* Throwing slurs at the guiltless referee.

CHORUS:

* * * * *

coolness was a main factor in the 17-15 win for the New Ulm team. One Sleepy Eye paper remarks that the game was so fast that the referee was always five minutes behind time, and the result was that an extra five minutes had to be played. This game, had it been won by Sleepy Eye, would have marked them as probable district champions, but as it is, the locals are now on an equal basis, and the only remedy will be to have the two teams battle it out on a neutral floor. Followers of the team who had a chance to witness the fracas not only saw a good article of basket-ball, but also often times realized that mob rule reigned, and that one wasn't too sure of his life in the neighboring city. Besides winning this game the team was defeated by the strong Mankato Commercial quint the night after, but last Friday they scored another hard-earn-

(Continued on page 3.)

because we defeated them on our own floor and by a higher score than they beat us. They do play rough at times, but of course, that is to be expected. Mr. Ward, the M. C. C. coach, refereed the whole game. Why he refused to let Mr. Kirchoff, our coach, referee half the game is what we want to know. We are sure that Mr. Kirchoff could have called as many and more fouls on his girls as he did on ours.

The girls are determined to show Mr. Ward and the whole M. C. C. that the New Ulm High School girls have the better and stronger team and they will do so in a few weeks. The M. C. C. team will play here, with a neutral referee. All you rooters be sure to see that game and help us win.

The girls tried to play their best, though some of them could have played better had they entered the game with the right spirit.

DISTRICT DECLAMATORY CONTEST TONIGHT

Willard and Thelma Represent Lavender and White.

SIX SCHOOLS HERE.

Tonight there will be held in the High School Assembly room a very important contest in the art of Public Speaking. Six schools, Mankato, St. Peter, Gibbon, Sleepy Eye, Redwood Falls and New Ulm will compete in two contests—one in Declamation and one in Oratory to select the representatives of this section to the district contest which will be held in Mankato in a short time.

Good Contest Assured.

The contest this year promises to be an especially warm one, and will be well worth hearing on the part of those interested in the school. New Ulm will be represented by two experienced speakers. Willard Vogel, who was New Ulm's candidate in the District Contest last year will deliver Theodore Roosevelt's oration, *The Strenuous Life*. Thelma Rinke, who two years ago won the District contest, and placed well in the State Contest, will read *The Only Way*, an excerpt from the famous guillotine scene in Charles Dickens' great novel, *The Tale of Two Cities*. Loyal supporters of the Lavender and White are expecting Willard and Thelma to make our neighboring rivals extend themselves to win the honors of the evening.

Judges Chosen.

The Judges selected for the contest are Superintendent Lenander of Winthrop, Superintendent Everson of Hanska, and Superintendent Patterson of Nicollet. The musical organizations of New Ulm High are being called on to render some of their always appreciated numbers, and a splendid program, with tense interest throughout is promised.

The program of speakers is as follows:

Boys' Oratorical Contest.

1. The Meaning of the Declaration" John Olson (St. Peter)
2. "The Strenuous Life" (Roosevelt) Willard Vogel (New Ulm)
3. Gibbon (No boy entered.)
4. Sleepy Eye (No boy entered.)
5. "Capital and Labor: A Fair Deal" William Pagen (Mankato)
6. "Lest We Forget" Charles Burmeister (Redwood Falls)

Girls' Declamatory Contest.

1. "The Mallet's Masterpiece" (Continued on page 4.)

ARE YOU A CRAMMER?

Almost a month has now passed since the second semester started. The second semester is always a very busy time. So much cramming is done on the student's part for the examinations which always come at the end of this term. Spring also appears and seems to tempt us to come away from our studies and have a good time.

By this time a marked change should have occurred on quite a few student's report cards, although this is not the time to start studying with all your might. The starting time ought to be the very first day of school. But it seems impossible to get this fact into some students' heads; they are prone to think that by cramming several weeks before exams they can slip through all right.

The student who starts in studying from the very beginning does not have to cram for exams or worry his head off about them; he is sure to get through unless something unforeseen turns up. One piece of advice to those who are on, or near, the ragged edge—start in studying now before it is too late. Do not let it go until the last minute, when it will be almost utterly impossible for you to be saved. So start in studying at once before the outside world also tempts you for a good time.

The student who crams does not only do it in his studies, but also in other things.

Take for instance, if a student is told by the teacher to have a theme ready by a certain day, he will say: "Oh, there's plenty of time." He will put it off until just the evening before the day it is due. If nothing else prevents him, he will likely write it and that in a slipshod manner. While it would be much easier for him and he would have much better results, if he had been trying to find out something about his subject and had taken notes. It is the same way with a stu-

dent who crams; if he had been studying right along instead of always saying "Plenty of time," it would be much easier and better results would be the outcome.

If you are one of these students who crams, mend your ways and let it not be said about you again.

RUTH JUNI.

On Friday morning, February 13, memorial services were held for Ruth Juni, whose death occurred on February 1. Mrs. Winner played the record **One Sweetly Solemn Thought**, which was followed by a letter read by Mr. Schrammel from the family, thanking the High School, and the Sophomore Class especially, for the floral contributions and sympathy shown during their great sorrow. The student body and faculty then stood with bowed head for a moment to show their respect for their classmate. Another selection, **Crossing the Bar**, by Tennyson, was played and then the resolutions drawn up by the class presidents and the principal, were read. All who knew Ruth Juni always found her pleasant and cheerful, and always ready to do anything that might better the welfare of the class, and her passing away was a great sorrow to all.

The following constitution was drawn up:

Whereas: The Supreme Ruler of the Universe has removed from our High School circle one of our number, our fellow student, Ruth Juni; and

Whereas: We feel with intense keenness the loss from our midst of one who always quietly, but industriously, radiated sunshine among us;

Therefore, Be It Resolved: That we, the faculty and students of New Ulm High School, in body assembled, for the purpose of memorial for the late Ruth Juni, do hereby accept this resolution, whereby we bow to the will of Him, who giveth life and taketh it again, and extend our most sincere sympathy to the bereaved Mr. and Mrs. Herman Juni and family.

Be It Further Resolved; That a copy of these resolutions be sent to the Juni family, and a copy printed in our High School paper, the Graphos.

INTER-CLASS GAMES.

The inter-class games were to be played this week, but as all practices and other meetings were called off on account of the "flu" epidemic, they have been postponed. No schedule had been made, as yet, but as soon as the "flu" has flown, Mr. Schrammel will, no doubt, schedule the games. Everybody is anxious for the games; there seems to be a pretty close contest between the respective teams. The games will be very exciting and interesting.

P. L. S. MEETING.

Last Wednesday night the Proteans had their regular meeting. The meeting was called to order at 7:30, a few members coming in late. Several members were also absent from this meeting. The minutes of the last meeting were read and approved. It was voted that all members absent from the next program without sufficient excuse be automatically dropped from the society. A committee was also appointed to investigate, and report at the next meeting why members were absent from the program.

The program was opened by Raymond Clobes who gave an interesting talk on the **Life of Lincoln**. This was followed by an equally good talk on the **Life of Washington** by Reinhold Theis. The next two members were absent from the program. Carl Fritsche's original essay on **Democracy** surely was good. **The Origin of St. Valentine's Day** by Howard Olson was interesting both in what Howard said, and in the way he gave it.

The society then elected their officers for the next semester. The newly elected officers are as follows:

PresidentHarold Olsen
Vice PresidentCarl Hummel
SecretaryJohn Graff
TreasurerCarl Fritsche
Sergt. at ArmsHenry Esser and
.....Stanley Olson

LUNCHEON SERVED.

An elaborate luncheon was served by the Home Management Class, one day last week shortly after twelve, in the Home Economics Dining Room. The two guests thus royally entertained were Mr. Church and Mr. Kirchoff, the hostess being Gertrude Winklemann. The other guests were Lorene Mueller, Elizabeth Schott, Gertrude Soukup, Miss Hedgecock and Miss Spriestersbach. The careful waitresses who spilled "no" hot coffee on the guests were Alwina Pfaender and Alice Pfeiffer. Every little while a cook would look hungrily into the dining room envying those eating. We hope the guests had enough to eat and suffered no bad effects.

ed victory over the Gustavus Adolphus
second team, winning 22-8.

SLEEPY EYE GAME.

Before a large audience consisting
of followers of both teams the New
Ulm and Sleepy Eye High School
quintets battled 40 minutes to a 15-15
tie. The game started with a rush and
neither team scored within the first
five minutes but soon Ossie got a
ringer for our first counter and soon
Sleepy Eye returned with a free throw,
and the first half resulted 6-4 in our
favor. The first fifteen minutes of the
second half was entirely in our favor
as our fellows showed superior team-
work and the score at this period
of the game was 15-9 in our favor.
The game was fast drawing to a close
and there were only two minutes left
to play, when the opponents opened
with a wonderful rally, and netted
three successful field goals in rapid
succession, which tied the score. Af-
ter fifteen minutes of general discus-
sion the teams agreed to battle off the
tie, and they were at it to determine
the winner. Both teams played much
on the defensive during this period,
and about three minutes elapsed with
neither team scoring. Then Ossie a-
gain came to the rescue by making a
sensational shot from the center of
the floor, and this gave us a two point
lead which we managed to keep suc-
cessfully to the end. The game was
unusually fast and rough.

The line-up was as follows:

New Ulm.	Sleepy Eye
Hamann F.	Hertz, Capt.
Shapiro F.	Hutchings
Esser, Capt. C.	Glassman
Graff, R. G.	Schueller
Graff, J. G.	Lahre
Substitutions: McNall for Schueller.	
Baskets: Esser 5, Hamann 1, Hertz	
2, Glassman 2, Schueller 1, McNall 1.	
Free Throws: Hamann 5, Schueller	
2, Hertz 1.	
Referee	Balzer.

MANKATO COMMERCIAL GAME.

The light after the strenuous Sleepy
Eye game the local quintet and the
strong Mankato Commercial College
aggregation lined up against each oth-
er. Although the locals were out-
classed, they put up a scrappy fight and
managed to hold them down 35-12.
The game was also fast and the bas-
ket shooting ability of the opponents
baffled our warriors, due to the fact
that the college quint made wonder-
ful long shots. It is safe to say that
three-fourths of their points were
from the above source. The locals
played evenly allaround; Ossie, Ha-
mann and Jentz each netted a basket
while Rich and Harry did their part in
team work and the defense. For the
opponents Juhnke and Hanson played
the best games.

GUSTAVUS ADOLPHUS GAME.

Last Friday saw the locals score a
hard-earned win over the second team
of the Gustavus Adolphus college at
St. Peter. It will be remembered that
some time ago the same team scored
an apparently easy victory over the

locals on our home floor, but this time
the tables were turned and the locals
emerged victors 22-8. The game was
far from being slow as both teams
went at top-most speed through-out
the entire performance. Ossie again
netted the first basket and was soon
followed by two sensational long shots
by Rich which gave us a comfortable
margin. The first half ended 11-4 in our
favor. The second half opened with
the opponents going strong, and they
soon netted a basket, but their glory
soon faded as it was the last counter
during the whole game, their remain-
ing points resulting from free throws.
The locals again played evenly all-
around with Ossie being the shining
light in the scoring column. The fact
that opponents only got three baskets
showed that the locals played as good
on the defensive as on the offensive.
Today the team travels to Lamberton
to add another victory to our schedule.
It will be remembered that the team
had easy going for the previous vic-
tory with the same team, but are fig-
uring on encountering a harder battle
than before, as the visitors have been
going strong in their last games. So
everybody hope for another WIN.

The lineup of the Gustavus Adol-
phus game was as follows:

New Ulm.	Gustavus Adolphus
Shapiro F.	Baker
Berg F.	Tanglin
Esser C.	Hegstrom
Graff, R. G.	Holt
Graff, J. G.	Malmquist
Substitutions: Hamann for Esser,	
Clobes for R. Graff, Baker for Malm-	
quist, Nelson for Baker, Anderson for	
Tanglin.	

Baskets: Esser 5, R. Graff 2, J. Graff

The line-up was as follows:

New Ulm.	Position.
"Lil"	Right Forward
"Wiede"	Left Forward
Minnie	Right Guard
"Eeks"	Left Guard
"Hammy"	Running Center
"Ralie"	Jumping Center
Subs: Lola for "Eeks."

THE G. A. C. GAME.

Being defeated by the M. C. C. team
made the girls work doubly hard at
the practice games the following
week, so that they could defeat the G.
A. C. team, Friday, February 13th.

This game was by far the fastest
and most exciting game of the season.
If you do think our girls play rough,
then I wonder what you will think
about the G. A. C. team, when you see
them play. It was their second game
this year, they too had been defeated
by the M. C. C. team. Many of the
girls on the G. A. C. team played on
the St. Peter High School team three
years ago, when they played down
here and believe me they're some play-
ers. The fact that the game ended in
a tie proves how evenly matched the
two teams were. Our girls had the
advantage however, by having better

teamwork. The tie was played off in five minutes, which resulted in a victory for our blue middied lassies. You should have seen the girls play those last five minutes. Work? well I guess they did. The game ended with a score of 12 to 15.

"Lil" and "Wiede" played a wonderful game, and of course we'll never forget the two baskets "Lil" made for us those last five minutes, when we played off that tie.

Lola, Minnie and "Eeks" kept those forwards down and it did take their best playing to do so.

"Hammy" and "Ralie" played their best game.

The line-up was as follows:
 New Ulm. Position.
 "Lil" Right Forward
 "Wiede" Left Forward
 Minnie Right Guard
 Lola Left Guard
 "Hammy" Running Center

FLU.

There is a shady land of which we do not know,
 Where the Evils gather, and the dangerous flu-germs grow,
 Both in town and country can their daring lives abide
 Finding joy and comfort in keeping at your side.

CHORUS:

Keep on the sunny side, keep on the sunny side,
 Where the flu germs can't abide,
 Keep on the sunny side
 Don't give Mr. Flu a ride
 Keep on the sunny side of the road.

Yes, Mr. Flu C. Germ is back again and is visiting, generally speaking, all over the country, and as may be estimated, his presence is not very welcome. So unwelcome, in fact, that the movies have been closed in order to keep himself and his big family from increasing.

Though he frequently visits the schools, it is hoped that his visits will not become too numerous and frequent to necessitate their closing, also.

It is thought that he goes abroad more often in the night-time when all is dark, misty, and murky, so all the nightly activities have been abolished to lessen his desire of "visiting." So no more society meetings or basketball practice till he "quits town," because it is said that Mr. Flu is very sociable and loves to mingle with people.

All those in favor of giving Mr. Flu C. Germ a boost "over the top" rise and sing "Star Spangled Banner."

Now, if he were very polite he would quickly put on his rubbers, take his umbrella and quietly sneak out of the back-door without waiting to say "Good-Bye."

"Seen Al?" "Al who?"
 "Alcohol. Kerosene him, and he hasn't benzine since."
