CARLETON GLEE CLUB CONCERT TOMORROW EVE

Seniors Present Program by Well-
Known Singers.

FATHER AND MOTHER GOING.

Violin Solos—Readings.

You have to take your hats off to the Seniors after all. They have surely done us a good turn this time. How?—you go to the Armory tomorrow night and find out. Only thirty-five cents, too, for High School Students. Going? I certainly am! It will only take the price of a movie and a treat, and the Carleton Glee Club is the best organization of its kind in the state.

Violin! Reader!

Think of it! Twenty-four College fellows singing together. And a violin solo, and a quartette and a sextette—and then that Mr. Calderwood—he surely looks like a splendid reader. They liked him in Mankato last night—and I want to hear him tonight, too. They say Mr. Ender used to direct the Glee Club at South Dakota State College. And now he's at Carleton. I know he's good. Did you read the other day that he was the accompanist of the Apollo Club in Minneapolis? You can tell he'd have a fine Glee Club. He looks mighty capable.

I hope they sing **Blowing Bubbles**. I never will quite forget that song. Some of those fellows look comical, as if there would be some fun in the Concert. I'm going to get Dad and

LOSE TO FARIBAULT HIGH

TEAM MAKES GOOD SHOWING AT
CARLETON.

On Wednesday morning, March 17th, the New Ulm High School basket ball team, champions of the eleventh district were enroute to the state Tournament held at Carleton College, Northfield, Minn. Our team was the first to arrive and after registering they viewed the college. In the evening they were formally entertained at a circus given by the college, which was greatly enjoyed by all. At about ten o'clock the coaches held a conference and drew for places. The result of Coach Church's draw was that we were to play Kasota at thirty the next morning.

KASOTA GAME.

The teams came on the floor at ten-twenty and after a little basket shooting they lined up to fight out the third game of the tournament. The game was one of the fastest and cleanest game of the tournament and of course, the local team romped off with a 23 to 11 victory. The teams started off at a fast pace and Jentz soon connected with a basket and Ossie followed. The locals had nine points before their opponents managed

HARD CONTESTS.

SLEEPY EYE GAME.

On Saturday, March 6, the local High School basket ball team scored another clean, decisive victory over the Sleepy Eye aggregation. The game was played at the Y. M. C. A. Gym at Mankato and the accompanying followers of both teams witnessed a hummer of a game. Sleepy Eye, although defeated, did not complain and took the defeat very philosophically. As usual Sleepy Eye started scoring when Schueller netted a free throw, but Hamann tied the count in the next minute of play, and from then on our team was never passed. The first half ended 11 to 8 in our favor. The second half started with the team in good form, but soon slowed down, and at one time the score was only 17 to 15 in our favor. Then the team took a grand spurt and ended in fine style. The team worked well all-around with Harry and Ossie getting the majority of baskets, while the Graff brothers played a fine defensive game. Mr. Swanson of Comfrey refereed, while Mr. Scherer of Mankato was the umpire.

FACULTY FIVE FLATTENED.

Sophomore Girls Defeat All Comers.

Displaying better all-around form than any of their opponents the Junior Boys again captured the Class Championship for the class of 1921. Their team composed of Langmack, Tauer, the Harris brothers, Herzog, Kretsch and Olsen proved too much for the Sophomore quint in their encounter, and a 24 to 16 victory for the third-year men resulted. Langmack starred for the Juniors while Schleuder and Fritsche put up a good game for the Sophomores.

JUNIORS 29—SENIORS 8.

The Seniors had previously defeated the light and inexperienced Freshmen team by a 44 to 11 score, so a good game was expected when the final Junior-Senior game was held. The Juniors even though weakened by the loss of Herzog were decisive winners. Langmack and Tauer starred on the offensive, while the guarding of the Harris brothers was air tight. Heyman put up a good game for the losers, but was unable to locate the basket with his long shots.

FACULTY LOSES.

The climax of the season came when the Faculty challenged the winning

ATHLETIC NUMBER.

With this issue the Athletic year at New Ulm High probably ends, and the curtain descends until next September. In order to give Athletics a fitting farewell, **The Graphos Staff** has decided to publish this issue as an Athletic Number. It is especially fitting to do this since we can include in this issue an account of the State High School Basketball tournament. We are proud of our team this year, and we have cause to be proud of their record. To them, and to Athletics, which make High School life so interesting, we dedicate this Athletic number of **The Graphos**.

Graphos Staff.

COMMUNICATIONS.

Dear "Mr. Graphos:"

I have not gotten any satisfaction from you this year. Why is this? I will confidently tell you why.

You are too dry with not enough humor. If I were you I would have more jokes even if they did not occur in school. You could also write more "mushy" things, and features which always please the reader.

The staff that publishes you is big enough to put out a better "you." Please do not take this as ridiculing you, but I mean it in a kind way so that it will be of use to you.

Yours truly,

"Mr. Student."

Dear "Mr. Student:"

I wish to inform you that you do not at all understand me. You have let some of your classmates put some silly notions into your head.

The fact that (you say) I am dry which you tried to point out will never convince me of it. You and your fellow-students must keep in mind that you are not the only readers of me. If you were I could never continue. The business men and outsiders are the ones that really count. They do not all know of the happenings in

High School. Maybe they have heard a little about the goings on, but wish to have further particulars.

Also, if I contained jokes that had been taken from other magazines, what would you say? You would be going around poking fun at me. I would rather not be made up of jokes that are not new. There are also plenty of magazines and books in the library and elsewhere containing jokes and "mushy" things.

You said the Graphos Staff was big enough to make a better "me," but you must remember that they are publishing me besides their school-work. Their studies cannot be shirked.

If you are not pleased with my answer, I wish you would take the place of one of the members of the staff for one or two issues, and you would see it the way I do.

Yours truly,

"Mr. Graphos."

to get their first counter. The first half ended 11 to 4. The second half saw Kasota take a spurt, but two successive field goals by Bergie brought us into a nice lead. The team was never endangered very much throughout the game. Ossie led with four field goals while the Graff brothers played their usual fine defensive game. Harry covered the floor in great style and helped the team along greatly. In the last part of the game Hamann went in for Bergie, while Ray relieved Jentz.

The line-up was as follows:

New Ulm	Position
Shapiro	Forward
Berg	Forward
Esser, Capt.	Center
Graff R.	Guard
Graff, J.	Guard

Baskets: Esser 4, Berg 3, Hamann 2, J. Graff 1.

Referee: Anderson of St. Olaf.

FARIBAULT GAME.

The local team met defeat and were put out of the running for higher honors by the strong Faribault quintet in the first contest Thursday evening. The Faribault team was one of the strongest at the tournament and was picked by many dopesters to win the state title, but due to some injuries and some very hard games, they were later defeated in the semi-finals by Red Wing who cleared their way for the title. Thus the team made a good showing, although they lost 21 to 16. The opponents were first to score after about a half minute of play and soon made another basket, but then Ossie got going and evened the score, but towards the end of the first half the locals slackened up a little and the end of the half resulted 15 to 10 in Faribault's favor. The second half was just as fast as the first one and the locals outplayed their opponents during this period. Although the score was always close throughout the locals could not manage to put over a win. Ossie again made a hit with the basket, and Jentz also played a whirlwind game. It was by far the best game the local team played this year. The line-up was as follows:

New Ulm.	Faribault.
Shapiro	F..... Excog
Hamann	F..... Fleck
Esser	C..... Finley
Graff, R.	G..... Bennet
Graff, J.	G..... Leach

Baskets: Esser 3, J. Graff 2, Hamann 1, Shapiro 1, Finley 3, Fleck 2, Excog 1, Bennet 2, Leach 1.

Free Throws: Excog none out of four, Fleck 3 out of 7, Bennet none out of 1, Shapiro 2 out of 8.

Referee: Lynch of St. Cloud.

RED WING STATE CHAMPIONS.

The tournament this year as a whole was a very close and interesting one and much science and skill was always in evidence. Also a great many surprises were made. Red Wing won the right to play Mankato in the finals by defeating Faribault by a score of 24 to 11, which was a complete surprise, while Mankato also sprang another surprise by defeating the strong Virginia quint 23 to 14. The final game was played Friday night before a crowd of 3,000 people. Red Wing showed by far a much better brand of basket ball than Mankato did, and won the State Championship title by a score of 21 to 10, and therefore received the large silver basket ball. South High of Minneapolis was awarded the silver loving cup for best conduct and appearance.

Ossie on Second All-State Team.

Oscar Esser, captain of the New Ulm quint was selected as Center on the Second All-State team. Had his team been able to participate in more games, he would have undoubtedly been given a berth on the regular All-State five. The selections were made by the six "C" men of the Carleton basketball team.

HARD CONTESTS.**

(Continued from page 1.)

MINNEOTA GAME.

On Friday, March 12, the local bas-
keteers won the deciding game for
the championship of the 11th district,
and thereby earned the right to take
part in the state tournament held at
Carleton last week, by defeating the
strong Minneota quint at the Lamber-
ton High School Gymnasium. The lo-
cals, although "dope" had figured
them to win easily, encountered a very
hard and exciting battle, and never
was the score such that a walk-away
could be anticipated. Of the crowd of
500 people who witnessed the game
50 per cent were from Minneota, who,
though loyal to their team, went home
sadly disappointed. As is nearly al-
ways the case our opponents made the
first counter by netting a free throw,
which Harry soon tied. From then on
the local quintet was always in the
lead, although not by a very large
margin. The first half ended 16 to
10 in our favor. During the second
half Minneota played on even terms
with our boys and the outcome of the
game was still very much in doubt till
the final whistle blew. The good
quality of the game was very much
marred by the frequent fouling of
both teams, which slowed up the
team very much. The honors of the
home team were shared very evenly,
and only due to the good team work
was victory possible. Mr. Swanson of
Comfrey again refereed, while Mr.
Ward of the Mankato Commercial Col-
lege umpired, and the decisions of
these two able officials were never
questioned.

**CLASS GAMES REVEAL MATERIAL
FOR 1921.**

Juniors to a game for the school cham-
pionship (first team men barred).
Strengthened by the addition of Pro-
fessor Walter Julius of the Depart-
ment of Physical Defense, and Dr.
Joseph Schueller, head of the Depart-
ment of Longshotology, the Faculty
hoped to carry home the laurels. But
the doughty Juniors said them nay.
The score at the end of the first half
was 14 to 11 in behalf of the Learned

Professors. However, in the second
half their attack weakened and Lang-
mack and Tauer sunk the winning
baskets. The whole faculty team dis-
played marvelous speed—but lacked
endurance to cinch a victory. The
final score was 20 to 17 for the cham-
pion Juniors. Great credit is due to
Referee Graff for his coolness in hand-
ling so crucial a contest. 3,500 inter-
ested spectators viewed the game!
The receipts were 1,200,000 yen! Cur-
tain for basket ball!

**SOPHOMORE GIRLS "CHAMPS."
JUNIORS VS. FRESHIES.**

The first of the inter-class basket
ball games was played last Monday, at
4:30, by the Freshies and the Juniors.
As might be expected, there was a
great difference, both in size and
playing ability, between the two
teams. Everyone knows that the Jun-
ior Girls have held the inter-class
championship for the past two years;
the Freshies had never appeared be-
fore an audience before, as a result
the game proved to me rather more
amusing than exciting. The final
score was 35 to 7 in favor of the Jun-
iors.

The following girls played on the
Freshmen team: Forwards—Lorna
Schleuder and Minnie Gewerth; Guards
—Alyce Merth and Elizabeth Hintz;
Centers—Cecilia Hough and Julia
Hauenstein; Sub—Loreine Leist.

The Junior line-up was as follows:
Forwards—Margaret Bentdahl and
Mildred Eibner; Guards—Aurelia
Schneider and Katherine Koehler;
Centers—Helen Woebke and Mae
Koehler; Sub—Lydia Tomschin.

JUNIORS VS. SOPHOMORES.

Thursday at 4:30 the winners of the
two preceding games met for the final
game for the inter-class championship.
Both had proved their playing ability
—the game promised to be interesting
at least.

The game started with lots of pep—
nor did this diminish during the game.
The girls played harder than at any
other time during the year. At the
end of the first half the victory seemed
to hang on the Junior side of the fence
—just out of the reach of the Soph-
ies. But finally the tide turned and
the Sophomores won by a score of
16 to 12; thereby gaining the title of
inter-class champions of '19 and '20.

Sophomore line-up: Centers—Olivia
Meidl and Ruth Reim; Guards—Bes-
sie Dietz and Joyce Alwin—Forwards
—Florence Schneider and Gertrude
Esser; Sub—Margaret Woebke.

Junior line-up: Forwards—Margaret
Bentdahl and Mildred Eibner; Guards
—Aurelia Schneider and Katherine
Koehler; Centers—Helen Woebke and
Mae Koehler; Sub—Lydia Tomschin.

GONE BUT NOT FORGOTTEN.

"Are carterpillars good to eat?"
asked little Tommy at the dinner-
table.

"No," said his father, "what makes
you ask such a question while we are
eating?"

"You had one on your lettuce, but
it's gone now," replied Tommy.

CHIPS FROM THE JOKE BLOCK.

Mr. Schrammel: "Am I to understand that this boy struck you in the execution of your duty?"

Freshie: "Well, not exactly, 'twas more in the pit o' me stummick."

Miss Frederickson: "Those were the Dark Ages."

Pupil: "Why were they called Dark Ages?"

Miss Frederickson: "Because there were so many knights."

"They tell me you're to be the leading character at the Senior Class Play?"

"I am."

"Yes?"

"Sure. I'm to be usher. Lead 'em to their seats."

The young man sidled into the jeweler's shop with a furtive air. He handed the jeweler a ring with the stammered statement that he wished it marked with some names.

What names do you wish?" inquired the jeweler in a sympathetic tone.

"From Henry to Clara," the young man blushingly whispered.

The jeweler looked from the ring to the young man and said in a fatherly manner: "Take my advice young man, and have it simply engraved 'From Henry.'"

THE CLASS PLAY.

Soft trembly music—(enter our Hero.)

Eddie: "Ye gods! Where are the papers?"

Willum: "What papers?"

Eddie: "The cig papers."

Willum: "Ha! Ha! They're at the blacksmith's."

Eddie: "Coises, the've been forged."

MUCH ASBESTOS.

"Snoring is music to my ears."

"How's that, music?"

"Sheet music."

Graphos Editor: "Good editors are rarely, if ever, good talkers."

Other: "I always thought you were a fine speaker."

"If I were to break into your cellar would the coal chute?"

"No, but the kindling wood."

OUT-BRAGGED.

Soldier from "Over there:" "Yes sir, went over the top three times—and got hit twice."

Soldier from "Over here:" "Hugh, I carried two thousand mules and never got a kick."

Mr. Church amused his students the other day during a chemistry lecture, by relating a story about an old German professor who, in narrating the fact that cyanite of potassium was a very deadly poison, went so far as to say that "one drop of this stuff placed on the tongue of a rabbit would kill the strongest man!"

Little Edward had lived much among his pet kittens. So when he went with his mother to church to see his twin sisters baptized, and saw the water in the font, he turned to his mother and asked: "Mother, which one of the two are you going to keep?"

EXCHANGES

We now have a list of about thirty-five exchanges. The following are some of the latest ones: **The Panhandler, The Weekly Ypsi-Sem, The Comet, The Black and Red, The High School Life, The Goldenrod, The Rouser, The Tattler, and The Brookings School News.**

The Rouser is one of the new ones. It is published six times in the school year. The last number was a patriotic number and contained considerable material about Washington and Lincoln.

The High School Life is a well balanced paper. The athletic and exchange columns are specialties. This is what they say about our paper, "A snappy little paper. More jokes wanted."

The Black and Red. A monthly paper published by the students of The Northwestern College. A big part of your paper consists of advertisements. Material that would be of more benefit to all could be put in the same space. Rather too partisan in politics.

The Comet. Their Seniors are very busy with the annual. The article on School Spirit is very interesting.

The Brookings School News. This is another of our new exchanges. It is a paper that is full of news from beginning to end.

The Weekly Ypsi-Sem. A newsy little paper. More jokes would add pep to the paper.

The Goldenrod. More prominent headlines would make your paper more attractive. Where is your exchange column?

The Tattler. Windom is having some good luck in basket ball. The Seniors have chosen their class play. The name of it is: **All of a Sudden Peggy.**

The Panhandler. Your column entitled "Ouija" is interesting. Keep it up and put a few more jokes in your paper. L. E. H.
