NEW ULM DROPS TIGHT GAME TO S. E.

Eighth Inning Rally Fails to Turn Tide.

SCORE 6-5.

Last Saturday the baseball squad of the New Ulm High School journeyed up to the neighboring village of Sleepy Eye, and there they suffered the first defeat of the season in a hard-fought and exciting ball game. Neither team was confident of winning, and so a real battle was at stake. There was a large bunch of rooters who accompanied the team and nearly the whole

MR. H. C. HESS.

After a service in Public School work extending well over a quarter of a century Superintendent H. C.

RETIRING SUPERINTENDENT.

H. C. HESS.

Hess is this year retiring from active participation in educational work.

During nearly ten years as Superintendent of the New Ulm Public Schools, Mr. Hess has rendered loyal and persevering service bringing the schools of this city up to a high standard of efficiency and influence. The present High School building, erected in 1915 during his incumbency as Superintendent, is one of the best and most carefully planned buildings in this section of the state.

Mr. and Mrs. Hess are leaving New Ulm next summer to take up residence in the Twin Cities. The Graphos Staff voices the sentiment of the Student Body and the community at large in wishing Mr. and Mrs. Hess the "best of success and happiness" wherever they may go and in whatever field of endeavor they may engage.

SENIORS GRADUATE NEXT THURSDAY AT TURNER HALL

LARGEST CLASS IN HISTORY OF SCHOOL TO RECEIVE DIPLOMAS

GOOD BYE TO ALL

All preparations for the graduation of the class of 1920 have been made. The class is to graduate from Turner Hall, on Thursday, May 27 at 8:00 o'clock. This class is the largest class yet graduated from the N. U. H. S. It exceeds last year's class by only one member. The class of 1919 had fifty-four members, counting the post-graduates taking the Normal Training Course. This year's class has fifty-five members including three post-graduates.

Address by Mr. R. E. Denfeld.

Mr. Hess has been fortunate enough to secure Mr. R. E. Denfeld of Duluth to give the graduation address. Mr.

Denfeld has been the superintendent of the Duluth schools for a number of years, and we can justly feel proud in having secured so able a speaker.

Glee Clubs Will Sing.

The two High School Glee Clubs will furnish the entertainment between the speeches. In former years this has always been the case. As the Glee Clubs are progressing very well we can all expect some good musical numbers. The orchestra will also furnish music as in former years. Mrs. Winner has spent a great deal of time in coaching the girls and boys for the occasion and she feels that they are doing very well.

Class Honor Parts.

The two students receiving class honors are Viola Manderfeld and Harold Olsen. Harold Olsen completed High School in three years and it is obvious that he has made a good record, receiving the valedictory honor. Viola Manderfeld received second place and will give the salutatory address. Both students will deliver their addresses at the graduation exercises.

White Dresses to Be Worn.

Unlike former years, the girls are not to don the usual middy suits but instead will be adorned in white frocks. At first there was some comment on the price of white frocks. It was finally decided that a middy suit would reach approximately the same price as a white dress. The girls unanimously drew up a petition asking for the permission of wearing these white dresses and then presented the petition to Mr. Hess. At first he was somewhat dubious as to the wisdom of such a step. But the girls finally persuaded him that the price would be about the same, and Mr. Hess finally gave his consent to this arrangement.

They Really Hate to Go.

All the Seniors feel rather blue at leaving their Alma Mater, the institution, under which they all worked for one common good. But they are all glad that they have boosted old N. U. H. S. as much as they could. Some by Athletics, the all important feature of a well rounded high school life; others by partaking in oratory, declamatory, forensic, and bread-making contests. When they leave school they will leave the memory of a boost
(Continued on page 3.)

SUPERINTENDENT ELECT.

ARNOLD GLOOR.

Mr. Arnold Gloor, the superintendent elect, with whom we all look forward to becoming better acquainted next fall, is at present Superintendent of Schools at Long Prairie, Minnesota. Previous to coming to Long Prairie he was Superintendent for a three year term, each at Minnesota, Sherburn and Mound, all in Minnesota. The latter school is one of the best consolidated schools in the state.

Mr. Gloor is a graduate of Central Wesleyan College and of the University of Minnesota in the class of 1907. He has had fifteen years of educational experience in various capacities.

The Graphos expresses the thought of the school and city in saying that Mr. Gloor and his family will find New Ulm and the community glad to welcome him as a co-worker, and a neighbor, when he comes later in the summer to assume his new duties.

JUNIOR RECEPTION GREAT SUCCESS

Over One Hundred and Fifty Guests Well Entertained.

GOOD FEED.

Saturday night, May 8th, about one hundred and ninety guests were entertained at the Junior-Senior Reception held at the High School Gymnasium. The entertainment consisted of a banquet and a dance.

Beautiful Decorations.

The Gymnasium was beautifully decorated to represent a Japanese Garden. Cherry trees bloomed, and lanterns swung from their branches. The banquet, in the form of a four-course dinner was served by ten Japanese maids and their escorts.

Toasts.

The banquet was followed by a

RETIRING PRINCIPAL.

HENRY E. SCHRAMMEL.

Mr. Henry Schrammel, who for the past three years has been our High School principal, is finishing his last school year with us. Mr. and Mrs. Schrammel are intending to leave some time later in the summer for one of the southwestern states, and their departure will be keenly felt, not only by the High School faculty and students, but by the community as a whole.

During their stay here both Mr. and Mrs. Schrammel have entered whole heartedly into the life of New Ulm, and its school system. Mr. Schrammel has been keenly interested in all High School projects, and has done a great deal to promote athletic, forensic and social activities. Mrs. Schrammel's musical ability has several times been of great service in the school and city musical programs.

To Mr. and Mrs. Schrammel, The Graphos Staff desires to express the sentiment of the student body of New Ulm High. We want them to know that their work here has been highly appreciated, and that we all wish them the best of luck for the future.

CARL HUMMEL.

WE MAKE OUR EXIT.

Dear Student Body:

We wish to thank you for the interest you have taken in helping us make **The Graphos** a success. Not only your support has helped, but the few articles that you have put in the Graphos Box from time to time, have also helped, although this support was not given as often as it might have been.

In our estimation we think **The Graphos** has greatly improved. We have tried to better it in every way possible. It might have been made still better, but that cannot be helped now.

We hope you will stand by the new **Graphos** Staff as loyally as you have done by us. Quite a few of the members of the present staff will leave us. For this reason **The Graphos** may not always be perfect, but this will have

to be overlooked for as the saying goes, "Practice makes perfect."

We thank you again for your loyal support.

EDITORIAL.

If you have ever climbed an object of appreciable height you will have noticed that as you ascended, the horizon seemed to recede. The same is true of our intellectual horizon as we climb upward, step by step in educational spheres. In climbing a physical object without looking down you do not realize the height you have ascended. Likewise in cultural matters, one does not realize that progress has been made, unless you stop occasionally and take a retrospective view of the past.

At the close of the school year is a good time to take a look backwards. The question, then, is if our work as students and teachers has been worthwhile. Has a sufficient amount been accomplished to warrant the effort and financial investment?

In all visible ways the past year has been one of the most successful in the history of our high school. We have won a great many victories in foot ball, basket ball, base ball, and oratory. Even championships have been honorably added to our credit. Our class plays and visible class activities, indeed, reflect nothing but credit.

Are these visible results an index for the greater results which the educational ideal has for its object? This cannot be answered with absolute positiveness, but each may take a backward look in his life and determine for himself if he has made progress.

Success is achieved only by effort. If we have individually applied ourselves to our task, then have we made progress. And so in all future time we will succeed in our undertakings if we apply ourselves with unwavering determination.

H. E. SCHRAMMEL.

NOTES OF THE GAME.

Four New Ulm batters hit to the outfield during the game. Rich and John fled to centerfield, while Blien and Rich drew safe singles; Phil's being a much needed double in the eighth.

Poor base running with nobody down cost New Ulm the tying score in the eighth.

Steinke caught a fine game for Sleepy Eye, holding the runners much closer to the bags than in the previous game.

Several times New Ulm batters were helpless to bring in scores with men on the bases begging for anything like a clean hit.

Fine umpiring by Guy Sherman of Sleepy Eye and "Mully" Herzog of New Ulm was a feature of the battle.

Each team drew four hits. "Doc" whiffed thirteen men and Hertz seven. The Sleepy Eye twirler had better support on the defense, and better scor-

ing power on the part of his team mates for the opportunities offered.

Kretsch made a fine stop or a hard grounder just inside of third in an early inning. His throw to first, however, nearly causing an error. Paulson's good recovery saving an extra base in the play.

With the bases jammed the New Ulm infield twice failed to cut down the runs at the plate on easy infield rollers.

Offerman at short for Sleepy Eye made several clever stops and throws. Walter Hertz also played good ball throughout the contest.

Considerable excitement arose when Sleepy Eye fans and players believed themselves to be the victims of grossly unfair and unsportsmanlike conduct, because the New Ulm batters used what they alleged to be a "willow" bat. Realizing the terrific magnitude of the question the New Ulm coach and team referred the innocent implement in question to Umpire Sherman. He ruled the bat to be a fair implement of warfare, and the game proceeded; though Mr. Heppner evidently still labored under the impression that his team was playing under a tremendous handicap, and against very, very naughty and unfair tactics. It certainly was a big point.

Each team has won one game and the rubber will probably be decided before this is read. May the best team win (Strength to "Doc's" arm.)

TRIANGLE HOLDS LAST MEETING.

The Triangle Club was to have had its last meeting on May tenth, and although a good program was made out, there was no regular meeting due to the small attendance. It was decided not to make out another program but to consider this the last meeting of the school year. We hope that the Triangle Club will be renewed in fine shape next year, and that the program and meetings will be as peppy as in former years.

The Junior High School members are very anxiously planning their subjects for the coming year. They will no doubt make a good showing at basket ball, if nothing else, when they enter dear N. U. H. S.

I stole a kiss the other night,
My conscience hurt, alack!
I think I'll have to go tonight
And put the blamed thing back.

As we have noticed: Dorothy Mayer, of Junior High School, is taking instructions from her big sister, to be Librarian next year.

The Kalamazoo Gazette tells the world that the Normal School band uniforms consist of "a cap and coat at first with the probable addition of pants at a later date." One way to beat the old H. C. L.

(Continued from page 1.)

audience was comprised of local enthusiasts.

After the teams each took their turn at practicing, the umpire called the game. When Sleepy Eye lined up they had their line-up somewhat changed. Our wellknown friend, Erwin Hertz, was seen on the mound ready to twirl a no-run game, while Sox Schueller was seen holding down third. Harry the first man, as usual, got a nice, clean single and by a good effort stole second and third and scored on a passed ball which was all that happened worth noticing in the first inning.

Sleepy Eye Scores.

After Captain "Doc" Hamann had struck out the first two opponents, the visitors decided to get a couple of runs. After a couple of errors and a hit the opponents managed to secure two runs, which put them in the lead 2 to 1 at the end of the first inning. The locals did not manage to do much in the second but the opponents again went on a rampage and scampered around the bases for three more scores, which brought the total 5 to 1 at the end of the second inning.

"Doc" Tightens Up.

After the second inning the locals got down to business and from then on it was a real game. The pitchers were doing great work, being very lenient with their hits, and retiring as many as possible through the strike-out route. However, through all these efforts the visitors secured another run in the sixth and it looked very dreary for our boys. But, however, the lucky eighth soon arrived and the team decided to do a little base-running themselves. After one or two errors, and a walk, and nice hits by Blien and Rich, the locals did manage to put over a four-run rally in the eighth, being just one notch behind the enemy. But, however, hard they might try, luck seemed against them and this was all they secured, and in the last inning they were also deprived of adding another score.

The team took the defeat, easily knowing that they did not put up the better brand of ball, and so Mr. Henry, after the game was over in a conference with Coach Heppner of the Sleepy Eye aggregation decided that we would play off the tie this Thursday. This contest is to be known as the "Rubber Game." However, luck again left us when it was decided by the flipping of a coin that the contest would take place in Sleepy Eye.

Springfield Saturday.

Tomorrow the team will line up against Springfield and are eager to participate in another win. The team as individuals played in fine style but team-work was lacking and also the ability to hit in pinches. Both pitchers were working good, "Doc" getting 14 victims to his famous curves, while Hertz struck out about 7, but allowed only four clean hits which were shared by Blien, Harry and Rich who man-

aged to get two. The score by innings was as follows:

	1	2	3	4	5	6	7	8	9
New Ulm	1	0	0	0	0	0	0	4	0-5
Sleepy Eye	2	3	0	0	1	0	0	x	-6

ter. In their hearts they will remember the "jolly good times" at high school, all the little flaws will be overlooked. The outstanding feature will be the good time and sportsmanship of each member. Every student of the Senior class voices a hearty farewell, and hopes someone just as good will fill his place, only he would like it if N. U. H. S. would miss him "just a little."

series of toasts. Mr. Hess proved to be a very efficient and entertaining toast-master. Margaret Bentsdahl, the Junior President gave a pleasing speech of welcome to which Mildred Meyer the Senior President readily responded. Cyrus Frederickson gave a wise talk on **Athletics**; Thelma Rinke, the school marm, on **Pedagogies**; Harold Olsen gave a toast on **Forensics**; Miss Hedgecock disclosed some interesting facts by her toast—**The Juniors As I See Them**, while Mr. Schrammel responded to a toast on **The Seniors As I See Them**. Dr. Geo. B. Weiser responded to a toast on **What High School Graduates Owe to Society**. All joined in the singing of **America**.

Dancing Enjoyed.

The dance started as soon as the gym had been put to order. Frappe was served at two pretty booths by Japanese girls. Hofmeister's Orchestra had the place of honor in the center of the floor, on a lavender and white platform. It must be admitted that most of the guests wished that twelve o'clock had come a few hours later than it did.

Favorable Comparison.

The Juniors will be gratified to know that their "affair" compares favorably with those of former years. Although the decorations were probably not as elaborate as those of last year, they were "different" from the usual plan, and the Japanese scheme was carried out to great advantage.

Senior: "Mr. Hess was toast master Saturday evening."

Freshman: "Did he toast bread for all people present?"

Teacher: (Senior girl) "use the word 'doesn't' in a sentence."

Johnnie: "I bought a doesn't eggs."

EXCHANGES

This is the last issue of *The Graphos* for this term and we heartily thank each one of the schools for sending their paper to us throughout the term. We have derived much benefit from the papers and from the criticisms offered, and hope that we will see every one of the papers back next year when school begins.

We wish to acknowledge the following which were received this week: **The Otaknam, The Central High News, The North Central News, The Purple and White, The Gleam, The Sauk Squawk, The Breeze, The West High Weekly, The Who's Who** and **The Golden Rod.**

The Otaknam—We have enjoyed this paper very much and hope it will return next year.

The Gleam—This issue of the *Gleam* is a historical number, it contains the history of the Johnson High School. This High School is fortunate in having a print shop in which they can print their paper themselves and in doing so acquire skill in printing.

The Sauk Squawk—This is a snappy little paper. Your literary department is very noticeable.

The West High Weekly—West High has had a good track season. They hold seven out of fifteen records. They also have adopted the overall club plan.

Who's Who—This school is supporting a French orphan. They raise money for her support by working after school.

The North Central News—North Central has two victories to her credit in debate. This is doing very well when you consider that they have only had two debates during the season.

The Central High News—This school has a Ka-Ki club. This is similar to our Overall club except that they wear "Yaller" pants instead of blue ones.

The Breeze—This is what they say about us. "Judging from your paper you take great interest in athletic activities."
