-SCHOOL SPITIT-

If you want to live in the kind of a school
That's the kind of a school you like,
You needn't slip your book in a grip
And start on a long, long hike;
You'll finally find what you left behind;
For there's nothing that's really new;
It's a knock at yourself when you knock your school,
It isn't the school--it's you.
Real schools are not made by lads afraid
To work hard and get ahead;
When everyone works and nobody shirks,
You can raise a school from the dead
And if, while you make your personal gain
Your neighbor can make one too,
Your school will be what you want to see,
It isn't the school--it's you.

-KEEP YOUR CHIN UP-

Keep your chin up! You're just as good as the next
one--and probably better in some ways. Don't try to
make yourself as insignificant as possible--and beware
of going to the other extreme, because that's even
worse. Just hold your own and treat your fellow be-
ings as equals--no more and no less.

Despite the feeble attempts of few self-styled "up-
per crust", there are no actual social classes in Am-
erica because according to the Declaration of Indepen-
dence all men are created equal; therefore, the
pseudo-aristocratic haven't a leg to stand on when it
comes to a showdown.

In a nutshell: strike a "happy medium" between un-
der-estimating and over-estimating your rights and ab-
ilities.

Declamation starts next week. Why not find a selec-
tion that you like in Mr. Sutherland's file and see if
you can't prove yourself a second Demosthenes?

HUTCH LEADS TEN RACE MARSHALL 2ND

With the Little Ten Conference football race rapidly drawing to a close, the final tilts see Hutchinson leading pack, a strong contender for the title.

Close behind, and coming up fast, are Glencoe, in second place, and Marshall in third place. Fairmont is also among the ranks of the undefeated but for the reason that they do not run up enough points in the limited number a conference tilts they play, may not be able to bring home the "bacon."

The only obstacle in the way of Hutchinson is the Glencoe tilt Nov. 11 which will decide who the victor of the two traditionally rival schools will be.

HOME COMING NOV. 11

New Ulm H. S. will definitely have a Homecoming celebration. These words came from Supt. Hanson's office yesterday morning.

The Homecoming football game will be between N.U. H. S. and Sleepy Eye H.S., the final games of the year for both schools.

Definite plans have not yet been decided upon or discussed, but according to Mr. Hanson, the celebration will consist of bonfires, snake dances, a football game and a dance after the game.

WHERE TO GO

Tonite--Glencoe Football game--8 P.M. at Johnson Field.
 Wed. Nov. 2-----Fri-le-ta meeting.
 Fri. Nov. 5,6--H.S. Press Convention.
 Fri. Nov. 5--Fairmont Football game at Fairmont.

STOP HUNTINGTON, MARSH IS H. S. CRY

"Stop Hontington and Marsh; hold Abers and Janke," is the cry of the Harmanites as they are pitted once again with one of the undefeated Little Ten teams, Glencoe H. S. in the sixth game of the season tonight at Johnson Field.

The lavender and white are faced with the task of stopping two of the greatest backs in the Little Ten, excepting perhaps, Smith and Krassean of Hutchinson, Hontington and Marsh of Glencoe.

The N. U. line will have the looming powerhouses of Abers and Janke, two 185 pound tackles to contend with during 60 minutes of hard football.

The crew may be in a fighting mood to play above their heads and remove Glencoe from the ranks of the undefeated.

TAKE GLENCOE!

H.S. TIES ST. JAMES 6-6

A story book finish tied the St. James--N. U. football game last Wednesday at 6-6.

A 20 yard dash by Jameson, St. James fullback, during the last 30 seconds of play tied the ball game.

The Harmanites seemed to be playing better "heads up" ball, but were out-smarted by the St. James eleven.

N. U. blocking and tackling showed improvement and plays seemed to be better coordinated showing mastery of signals.

WOULD YOU LIKE TO TALK
OVER W.C.C.O.?

The Minnesota Public Health Ass. is sponsoring a Christmas Seal High School Radio Contest of 1937, in which every Senior High School in Minnesota is eligible. Each High School is entitled to submit the manuscript of one talk, which must be delivered by its author before a local audience. The talk must be from 700 to 800 words in length.

The subject of the talk is "Tuberculosis---Everybody's Problem."

Authors of the ten manuscripts judged best will be given an opportunity to broadcast their talks over WCCO in competition for the school trophy. Bus or train fare to Minneapolis will be paid. Seven manuscripts will be chosen for broadcast from the Senior High School group.

Each student selected to broadcast will be presented with an engraved gold medal. For the school whose entrant wins first place in the broadcasting will receive a beautiful bronze plaque with special radio design.

Students in N.U.H.S. interested in the project may secure more detailed information from Mr. Sutherland.

MUSIC NOTES

Plans are being made for the Pep Band to help support our team at the Fairmont game tonight. It is composed of fifteen members of the high school band. The regular band went out this morning and entertained the busy housewives on Washington, and State Street.

For those who are interested, the melodious sounding instrument that Anita Grussendorf carries behind the Drum Major are bells.

FROM OUR EXCHANGES

I've got a test to study for,
I've also got a girl,
Between the two my brain is torn,
And I'm in a whirl.
One other thing that's bothering me
Is that I've also got a buddy,
And out with him I know she'll go
If I stay home and study.

HILL-BILLY COSTUME BALL

A record crowd attended the first costume affair of the year, as a climax to the Luverne-Jackson football game.

Peggy Hammond, former New Ulm High student, was queen of the evening and was awarded a prize for one of the most representative hill-billy costume.

of a school publication which is a member of the Minnesota High School Press Association.

Mr. Sutherland states that no member of the staff should miss this convention if he is interested in journalism. Since our school does not offer a course in journalism, this convention will serve as an excellent "short course". The school is undertaking the task of paying the Graphos membership in the association \$2, the individual registration fees of 35 cents and the gasoline bills for transportation. Mr. Sutherland and the Graphos staff will appreciate the help of parents or interested citizens in assisting members of the staff to get to Minneapolis. The Nicollet Hotel has been designated as official headquarters with room rates reduced to one half for staff members. Faculty advisers will be registered at the hotel to assist the visiting news staffs.

"If you are going to Minneapolis on Thursday evening, or early Friday morning and return Saturday night or Sunday and have room in your car for a passenger or two, please advise Betty Nystrom or Mr. Sutherland. Your help will be appreciated.
