Volume 38 New Ulm High School, New Ulm, Minn., Tuesday, October 4, 1955 Number 1

Bonfire, Game, Dance, Highlights of Homecoming

Music, speeches, songs, food, football, dancing, a bonfire, an alumni coffee and a queen! No, we're not having a weeks vacation; that's just the outline for the 1955 homecoming festivities.

This year's activities were launched on Monday, October 3, with a homeroom period dealing with the sale of badges, and a general discussion on homecoming, what it means, and whom it's for.

West Side Park will be the center of activities on Thursday, with the bonfire scheduled to be lit about 7:30. During the burning of the bonfire there will be the usual songs, cheers, skits, speeches; and, as a climax, Principal M. A. Lynott will announce our queen for '55.

Program and Food at Flandreau

Immediately following the bonfire and pepfest there will be a feed prepared by the boys' home ec. class at Flandreau State Park. Buses will furnish transportation to

anyone wearing a homecoming badge. Anyone insisting on driving his own car must be cautioned to take it easy, as one accident could stop further homecoming activities. Also a reminder that all cars entering the park must have a state park sticker.

Friday at 8:00 the Eagles will meet the Redwood Falls Cardinals in the annual football classic. Between halves Superintendent Hermann will crown the queen, and the band and twirlers will present a special program.

The alumni will have an opportunity to meet and visit at a coffee arranged for them in the home economics dining room, right after the game and during the dance.

At approximately 10:00 Don Dean and his orchestra will begin playing for the homecoming dance. Junior high, senior high and alumni are invited. Admission will be 50 cents for those dancing, and 25 cents for spectators in the balcony.

Faculty to Attend MEA

The entire NUHS faculty will attend the annual meeting of the Southwest Division of the Minnesota Education Association, at Mankato on October 24.

The following New Ulm teachers will preside at luncheon meetings of their division: agriculture—Mr. E. Fier; Home Economics—Miss B. Hanson; Social Studies—Mr. J. Harman.

NUHS Enrollment Tops All Records

History was made this year as 613 students were enrolled in New Ulm High School.

The senior high is the largest ever with transfers accounting for a great deal of the increase. They came from Trinity, DMLC, and other Minnesota schools as well as from Texas, Idaho, and Wisconsin.

Here are the statistics for the senior and junior high: the seniors, the only class with more boys than girls, have 46 boys and 55 girls for a total of 101. The juniors have 57 boys and 51 girls for a total of 108. The sophomores total 129 students, with 72 boys and 57 girls; 78 boys and 49 girls make up the freshman class, and the eighth grade has 37 boys and 32 girls. The seventh grade set a record this year with a grand total of 79, 42 boys and 37 girls.

October will be seeing two more new faces on the school grounds, a sophomore and an eighth grader are expected to enroll.

There were 15 transfers into senior high this year, 3 in the senior class, 5 in the junior class and 7 in the sophomore troupe.

AAUW Tea Being Planned

The New Ulm branch of the American Association of University Women is following their custom of years past by planning an Annual Career Tea for all the junior girls from NUHS, DMLC, and Holy Trinity.

The Career Tea is an opportunity for the girls to receive information on opportunities available to them when they graduate.

A definite date and place have not been set. Invitations will be sent out later.

Schools, Services, Jobs, Occupy Alumni's Future

To serve their country is the ambition of seventeen of the 1955 alumni. Sixteen are employed within the city, and three out of town. Several are undecided; others are on the farm; and one married. The greatest number, thirty-six, however, are going on to higher institutions of learning.

In military service are the following: navy, Doyle Miller, Warren Bakken, Roger Gehrke, Thomas Green, Doug Johnson, James Richter, Tom Schneider, Tom Traurig, Leon Ulrich and Walter Ulrich; army: Don Lindemann, Murnice Sell, Brace Hintz, Richard Hayes and Arden Olson; air force: Ken Brueske and Dale Cordes.

A Number Employed in New Ulm
Employed with the city are Mary Gruber, New Ulm Rural Telephone Company; Marlene Shaul, Jenkins; Alice Dittich, Credit Bureau of New Ulm; Ken Stadick, General Trading Co-operation; Bill Marks, Montgomery Ward; Shirley Malmberg, Ochs; Sandra Scheible and Marjorie Drexler, Citizen's State Bank; Shirley Altmann, Thornley-Oswald Printing; Augue Blo-

Miss Fischer, Physical Education Instructor.

Mr. Klee, Assistance Agriculture Instructor.

Mr. Noren, Assistant football coach, general teacher.

Mr. Boda, Jr. High Mathematics Instructor.

del, Red Owl; Pat Johnson, Dacotah Hotel; Charles Leske, Garment Factory; Doris Weilage, New Ulm Paint and Glass; Ray Schnobrich, Woolworth, assistant manager; and Neil Weiland, carpenter work with his father, as is Tom Kahle; and Richard Rieger is employed by the railroad.

Employed by construction companies are Harvey Edwards, James Deopere, Darrell Horstmann and Tom Filzen.

Working out of town are Betty Nelson, Waterman Waterbury Company; Donald Foster, Courtland Jack Sprat

Thirty-Six Attending School

Attending the University of Minnesota are Bob Bodine, Larry Patterson, Elaine High, Richard Schwermann. At Mankato Commercial College are Janet Gatzek, Dianne Blauert, Joan Strate, Judy Borchert, and Jerome Hedine; Betty Sandau, Minneapolis school of Business. At Mankato State Teacher's College: Dick Harris, Janice Neumann, Lenore Drill and Marlene Kornmann. Bill Fritsche, Harvard;

Bob Dempsey, Notre Dame; Nancy Kellert, Hamline; Ken Rockvam and Warren Sonday, Gustavus Adolphus; Myron Ahle and Tom Christensen, St. Cloud Teacher's College; Virginia Frank, Westmar College, Le Mars, Iowa; Richard Heymann, Macalester; Elray Bentdahl, Luther College, Decorah, Iowa; Duane Neubauer, West Point; Helene Fesenmaier, Smith, Northampton, Massachusetts; John Purzer, Carlton; Paul Hagemester, Dunwoody; Sid Herrick, Ellendale Normal, North Dakota; at Albert Lea in Practical Nursing, Sharon Muller. Attending beauty schools: Joan Hessing, Margaret Niehoff, Jacky Martin and Yvonne Anderson.

Several on Farms or Undecided

On the farm: Leo Brandel, Opal Havemeier, John Koch, Edward Osberg, and Gene Rolloff.

Helen Hoffman who is now Mrs. Fred Gratz, is with her husband at an army base in Kansas.

Pat Volinkaty, Jim Gratz, Erv Boelter, Herman Schroeder, Ronald Hulke and Verne Radloff are undecided as to what they want to do.

Bond Issue Voted In; \$330,000 to Build Addition

[Courtesy of Review]

The special bond election at the high school Monday attracted 381 voters, 350 of whom voted in favor of the \$100,000 bond issue and 31 marked an X in the space after "no".

The voters were asked to express their opinion on a short term bond issue of \$100,000 to supplement the \$230,000 on hand in the building fund and investments in School District No. 1.

For sometime the Board of Education and Supt. J. M. Hermann have considered the need of a new building and at a recent meeting plans and specifications for an addition to the present wing of the high school were submitted by Pass & Rockey, Mankato architects and approved.

Because of the foresight of the Board and superintendent \$230,000 is available for the building, but the additional \$100,000 was neces-

sary to complete the structure at a cost of \$330,000.

From the turn out at the polls the Board and superintendent were assured that the public approves of the addition, which is necessary to provide adequate facilities for the enrollment which has increased in the past and will continue in the future.

Grade school enrollment increased 79 percent from 1947 to 1955 and high school enrollment was upped 37 percent in that period.

J. Fischer, R. Boda, K. Noren, K. Kleene Join NUHS Faculty

Miss Joan Fisher, Mr. Robert Boda, Mr. Kenneth Noren, and Mr. Kermit Kleene make up the new faculty members of NUHS.

Miss Fisher, who hails from Albert Lea, has taken over Miss Engerth's gym classes. She attended for two years each, Hamline University and Mankato Teachers College, graduating from the latter.

"A very good school system and I am very happy here," were the comments made by Mr. Robert Boda, the new seventh and eighth grade mathematics teacher. Mr. Boda, who is replacing Mr. Dohl, attended Mankato Teachers College and then taught at St. Clair for a year before he came to NUHS. His home is Le Center, Minnesota.

"A jack of all trades," is Mr. Kenneth Noren, who teaches eighth grade mathematics and science, eleventh grade business arithmetic, and twelfth grade phy. ed. Mr. Noren, who attended St. Cloud Teachers College, taught algebra and phy. ed. at Milaca High School his home town, for a year. He is also an assistant coach in football here.

Mr. Kermit Kleene, who took charge of the Veteran's agriculture classes July 4, has a Master's Degree in agriculture economics from the University of Minnesota. He has taught at Granite Falls and Herman, and last year he took up post graduate work at the University.

Junior Play Cast Announced Friday

Members of the junior class play cast "Time Out for Ginger" were announced Friday after try-outs being held Tuesday night. The play will be presented November 19 and 20 in the high school auditorium, according to dramatics coach, Mr. Armstead.

The cast includes five girls and five boys. They are as follows: Lizzie, the Maid—Karen Volinkaty; Agnes Carol—Penny Purzer; Howard Carol—Don Mathiowetz; Joan, daughter, 18—Jill Wagner; Jeannie, daughter, 16—Mary Schneider; Ginger, daughter, 14—Joan Kretsch; Eddie Davis, an athlete—John Diederhosen; Tommy Green, Ginger's boy friend—Dallas Herrick; Mr. Wilson—Bill McCleary; Ed Hoffman—Lee Beecher.

Detailed information on the stage crew, make-up committee and other groups will be announced later and will appear in the next issue.

Baby Eagle Awakens

Once more sounds of a new baby Eagle are heard coming from Miss Steen's English room.

This baby Eagle, however, is already receiving special attention from the students of NUHS. The "mother" of the Eagle, Miss Steen, hopes to pick approximately 18 staff members from the 40 volunteers sometime this week.

All local photo studios have submitted price lists for the many pictures of seniors and activities to be taken. Allan Gebhard, the staff photographer, has already begun with pictures of some school activities.

Editorial

TIME vs TALENT

As we shake hands with another school year, nine months seem like a life time. Actually they pass before we realize we haven't accomplished that 'B' in history or that 'A' in shop. Or possibly we didn't have time to do that extra-credit theme paper, or work after school hours on a table or lamp.

Every year as we select our courses and extra-curricular activities, we must plan carefully so we can complete our school work before we take time for extra-curriculars. Jane elected Stenography II and secretarial practice, hoping to achieve an 'A' in stenography. She wanted to join GAA but reasoned that she could not handle everything, as she already played in band and was a member of the debating team and active in speech activities. At the end of the year Jane accomplished her 'A' in stenography and still had enough extra activities without GAA.

During the same year James elected physics and Latin II, hoping to do well in both because he wanted to study medicine in college. He already played football and basketball, but he had an excellent bass voice and was asked to join the chorus. Jim joined the chorus and was minus two precious study halls. In the end he didn't achieve what he had hoped for because time had beaten him to the punch.

Jane's and James' experiences in selecting courses confronts everyone at the beginning of each new year. One mistake in planning now could make a big difference in the future, whether one is planning to attend college or to work in a specific field. All of us could ask ourselves, "Will my talents beat my time or will time beat my talents?"

Band

Vernamae Mervin

For the past two and a half weeks the band has been practicing for the Fairmont-New Ulm football game and its trip to the Minnesota-Washington football game which was taken September 24.

A straight march routine was worked out and "Go U Northwestern" was the selective number played. The trip began at 5:00 for most members with a few exceptions. Audrey Wellman was aroused out of bed at 5:00; Karen Johnson was so anxious to get started that she thought she had missed the bus so she was taken to Lafayette by car, arriving before everyone else; and George Peterson woke up at 6:00 so he never got to Minneapolis.

A "Precision March Routine" arranged by Mr. Strang will be used at the next football game. This consists of countermarching and the formation of a propelling square and a telescope.

Chorus

Fred Witt

The choir is looking forward to a very successful year, as announced by Mr. Ackerman, director of vocal music. The choir has 82 members, with a larger male section than usual.

Of the 82 members, 42 are men and 40 women. The sections are as follows: 26 basses, 16 tenors, 20 sopranos, and 20 altos. The sections are arranged for a double choir with first and second voices.

Preparation for the Christmas program has begun for the concert which will be given sometime in December. A short Christmas concert will also be given for the grades. During the year the choir plans a trip to some unknown place. A visiting choir will also be at NUHS sometime during the year, possibly from Gustavus Adolphus.

We Seniors

by Rosalie and Shirleen

Planning to get married to Wayne Alfonso is the future ambition of **LaDonna Baier**, known to most kids as "Donna." "Donna" has light brown hair, brown eyes, and her pet saying is "Bless Your Little Heart." Donna spends most of her time working at the Weneeda Cafe.

"What'll you have?" is the saying of **Dorothy Brown** who worked behind the candy counter this summer and still is at the New Ulm Theater. Dorothy has brown eyes, black hair, and her future ambition is to be a secretary. Some of Dorothy's school activities are band, chorus, and Fri-Le-Ta.

Karen Albrecht's future ambition is to be a nurse. If by chance you get sick, just call on her. Most of Karen's time this summer was taken up by a boy who drives a white Mercury. Brown hair, blue eyes, 5'4" describes Karen. If you hear someone saying "Oh Well" in G.A.A. or Glee Club, you'll know who it is.

When you see a blonde-haired, blue-eyed 5'4" babe who says "Neat! Neat!" at the roller rink, you'll know it's **Elaine Arndt**. Her future ambition is to be a secretary. Her pet peeve is wearing a white apron in the dime store. If Elaine should tell you that your shoe lace is untied, don't bother looking down for it's just another one of her jokes.

Dark lights, flash lights, light lights, and moving pictures were the center of **Vinson Alwin's** attention this summer. Vinson, whose nickname is "Mince", stands 5'3". He has brown eyes, dark brown hair, and is always found with the boys. "Mince's" future ambition is to graduate from high school. His pet saying is "What the hay."

Playtime's End

Lorna Gehrke

Our summertime was occupied with sports life golf and fishing, With lots of lazing in the sun and lots and lots of wishing.

Our skin is all a darker shade — results of water, sand, and sun, And even though our burns were sore it was all unforgettable fun.

But now we've left behind those months of restful ease,

And entered a new school year — no more ourselves to please.

Dance Band

Jerry Lindmeyer

The first rehearsal of the 1955 high school swing band under the direction of Mr. Strang, was held on September 21.

The band has lost a few musicians through graduation, although, judging by its first rehearsal, it will easily be up to par by the first dance.

Three veterans make up the trumpet section: Don Mathiowitz, George Petersen, and Al Gebhard. The sliding section will be missing the services of "Hatchie" Purzner; but Wayne Hughs, a junior, is expected to fill in the gap, helping "Zombie" Lentz. The reed section is entirely new save for Virginia Schlieman, a three-year veteran.

Coming up to help her are Bonnie Current and Judie Gareis, both juniors, and David Young, a sophomore. Missing from the rhythm section are Dale Sauer and Ken Rockvam, two polka specialists. Sauer has been replaced by Pat Boettger, and Rockvam, by Jerry Lindmeyer. Filling out the rhythm section will be Karen Johnson on piano and Andrew Wolf on String Bass.

Purpose of the first rehearsal was to go over some of the new arrangements which include, "Boogin the Blues", "Dark Eyes", and "Flaming Kiss Tango."

It's customary for the writer of this column to write one "cat" joke every edition. Did you hear the one about the "cat" who, upon seeing this gorgeous blond sitting in a booth unchaperoned, walked over and— Heard that huh? Well that's the only cat joke I know. If you've got any suggestions, we'd be glad to have them.

The date of the first school dance is November 12, the Twirp Dance and there will also be four teenage dances. Watch this column for dates and other information.

If you hear someone say, "There you did," you'll know that **Glenn Bolduan** is around. Glenn spent most of his time this summer working at the New Ulm Theater. His future ambition is show business and his pet peeve is Dorothy Brown. Some of the things he likes to do are hunt, fish and sleep. Glenn has blue eyes and blonde hair.

Horse back riding and bowling are the favorite pastimes of **Marlyn Ahlbrecht**. Marlyn is 5'2" tall and has green eyes. Marlyn's future ambition is to be a secretary. With her quiet, and meticulous ways, she should make an ideal one. Marlyn also likes to travel. Some of her school activities are G.A.A. and Fri-Le-Ta.

The feminine half of the **Boettger** twins is **Patsy**. She stands 5 feet 4 inches, has light brown hair and green eyes. Her future ambition is to be a secretary. Patsy's biggest responsibility is the house work at home. She is also in chorus and Fri-le-ta. When you hear some one say "Good morning", you'll know Patsy is near by.

When you see a light green Hudson cruising down the road, turn off to the side for you will know that **Patrick Boettger** is driving. He has dark brown hair, green eyes, and stands 5 feet 10 inches tall. His future ambition is to be a "Mad Scientist". If you should hear the name "Betch", you'll know that Pat and the boys are near by. Pat is in chorus and band.

The future ambition of **Francis Brunner** is to be a wildlife photographer. Francis may not be a tall boy, but his size may help him to sneak up on his wildlife subjects. Although Francis has only a camera as yet, he plans to get more equipment later. Francis is 5 feet, 3 inches tall and has dark brown hair and blue-gray eyes. Francis' pet saying is "Ach, you". He is a farm boy and rides on the bus. He is also a member of the F.F.A.

The

Jaunty

Junior

Carol and Diane

It all begins with our boy Al being bounced out of bed by "the law" [his parents]. He stumbles groggily to the dresser, picks up a hairbrush, and mutters, "Holy smokes, do I need a shave." He staggers to the closet and pulls out a pair of wrinkled pink slacks and a yellow and black shirt that looks like one of the bundles Britain refused.

He staggers down the stairs with that "morning after the night before" feeling, and bangs his noggin against the wall. Somehow he finds the table, and his mother pushes his face into a bowl of cereal to force him to eat. He sputters and grabs a cup of cold coffee, remarking, "This juice tastes like stump water and battery acid, Ma!"

He locates the door and trips out into the foggy autumn morning. This invigorates him, and he leaps into his hot "39" Plym. After about five minutes, he has the motor purring; and after ducking shoes, etc., thrown by the neighbors, he has the heap bouncing toward NUHS. On the way, a smart alex shouts, "Hey, which end do the corn cobs come out of?" Al immediately retorts, "Put an egg in your shoe and beat it!"

Ah, here is prison once more! Al parks his galloping garbage truck, and trots up the school stairs, his eyes [like those of a dead pig] sparkling [?] and his ears [like two doorknobs] standing at attention.

That boy will go far, and the farther the better!

Fad About Fashions

By Bobby and Joan

Wow! Look at those knees! Bermudas and knee socks are the thing this fall for girls AND BOYS. But the boys aren't quite as "hep" about them yet.

Mint green is predicted to be a popular color for the fellows this fall and winter. Periwinkle blue is up-and-coming for the girls.

If you're interested in the popular plaid, black watch, look at Karen Wagner.

Dyed-to-match skirts and sweaters are always neat and will be seen a lot at Homecoming and throughout the winter.

Say, girls, what's happening to those cans? It seems that they are starting to droop a little. A sugar solution or heavy starch makes them stiff again.

You had better start that diet today instead of putting it off until tomorrow if you're planning to get into "skinny pants" this winter.

Dog tags are obviously the most popular accessory this month.

The Weeks in Review

Penny and Jill

After sampling mercuric oxide before chemistry class, Mary Schneider and Judie Gareis decided to ask if it was prisoner. Mary and Judie turned green as Miss Raverty informed them all chemicals could be poisonous if taken internally. Two years of Latin not failing Mary, she muttered, "Peractuni suni!" [I'm done for.] The cry might well have been, "Mortui te salutamus." [We who are about to die salute you.]

"Tempus fugit" was never applied more literally than last week during 5th hour. When the hands of the clock moved from 2:25 to 3:01 in half a minute. "Boy, I'd like to see the time go like that every day!" exclaimed one student.

At exactly 9:20 one a.m. the high school herd came stampeding out of their class rooms and fraced down the hall to their next classes. Traffic came to an abrupt halt as the P.A. system clicked on and the panic stricken principal bellowed, "Go back to your last class." The response was instantaneous. Within minutes all was quiet and whatever order there was before, was restored.

"Hidden Treasure", the September 16 assembly, was one of the finest movies ever shown to the student body. However, the lack of interest and courtesy was overwhelming. It seems we need a course in audience behavior.

Congratulations

Eagle Etchings Martin Steffel

NUHS football team, with the exception of one man, halfback "Wendy" Gordon, is basically the same as last years club.

However, there have been some very noteworthy changes.

First of all, many of the boys who saw little action last year, are regulars this year. Fellows like Virg Koeck, Jim Reinhart, and Don Mathiowitz saw little service last year, but this season have played a great deal.

Paul Krueger, junior defensive specialist, is back in good health after being forced to take a long layoff.

John Hillmer, Jim Scheible and Joel Erickson are others who are getting their baptism under fire.

As yet, the only ones who seemed to have put any effort into football are the players. However, that is not true. Head Coach Joe Harman and his assistants have spent countless hours getting the squad into shape. A large share of credit will certainly be due to them.

This year more than ever, there seems to be a very good attitude on the part of young boys who want to play football. This can be proved by the fact that so many have turned out, thus taxing locker room and equipment facilities to the limit.

I think it is safe to say that with interest as high as it is, NUHS gridiron fortunes could possibly reach a new high in the near future.

So it goes, day in day out, year in year out, players graduate and new boys must strive to fill the ranks.

Wendell Gordon leaps for the ball during a scrimmaging practice with Trinity.

Eagles Downed 26-0 By Blue Jays

First conference game of the year, played at Waseca, September 23, resulted in a 26-0 victory for the Waseca Blue Jays.

The game was decided in the first period when Waseca scored two quick TD's while the Eagles got the pigskin for only one play.

John Klotz averaged 4 yards a carry. He was helped by Wendell Gordon who chipped in 32 yards.

Travel, Work, School Occupied Faculty During Summer

Traveling, working and going to school occupied the faculty members of NUHS the past summer.

Mr. Epp worked for Meyer Construction Company.

Mr. Armstead worked at the Paul Bunyan Playhouse at Bemidji as an apprentice.

Mr. Harman supervised the city recreation all summer.

Mr. Orville Olson was a tennis instructor at a camp in Bemidji.

Mr. T. R. Olson worked at the Citizens State Bank and was a delegate to the NEA Convention in Chicago.

Mr. Strang worked with the band during the summer and took a trip to Duluth.

Mr. Pfaender spent the summer at his St. Louis County 4-H Camp and received a watch as an award for 20 years service to the youth of St. Louis County.

Mr. Koski worked for the North Shore Community Council, coached two baseball teams in the morning and taught swimming in the afternoon.

Mr. Fier worked most of the summer with his agricultural students and took a short fishing trip.

Mr. Marti worked with the New Ulm Brick and Tile Co.

Eight Attend Summer School
Mr. Boda and Mr. Zahn went to summer school at Mankato Teachers College.

Mr. Ness went to summer school at the "U" and took a short Navy cruise.

Mr. Noren attended summer school at St. Cloud.

Miss Schmid received her Masters degree at the "U" of Colorado.

Miss Treadwell went to summer school at Northwestern University in Evanston, Illinois.

Miss Westling went to summer school at the "U" of Minnesota and remainder of the time she spent in New Ulm.

Mr. Achmann received his Masters degree at Colorado A and M.

Trips North, East and West

Miss Steen took a short trip to the National Press Association in Chicago and spent the rest of the time in Walnut Grove.

Mr. Ackermann took a short trip to Ohio.

Mrs. Kettleson spent the summer at her home in Saskatchewan, Canada.

Mrs. Franklin had a variety of activities, such as teaching Bible school, taking a trip along the North Shore Drive and attending an IBM workshop at Mankato.

Miss McLaughlin took a trip to Canada for two months and spent one month in St. Cloud.

Miss Ward took a short trip to Colorado and spent the remainder of the time at her home in St. Paul.

G.A.A. News By Dee Ann Schleuder

At the first meeting of G. A. A. this year, officers were elected. They are President—Karen Johnson, Vice President—Dee Ann Schleuder, Secretary—Rose Ellen Schwerman, Treasurer — Marie Gehrke.

A hike to Hermann Heights and a picnic are planned for the next meeting time.

Activities for the year were discussed and the officers got together and worked out the activity schedule.

Dues and other business was also discussed.

Miss Hanson stayed at her home in Brookings So. Dakota.

Miss Fisher took a trip out East to Buffalo, New York.

Miss Mann took a trip out East and the remainder of the time she was at her home in Owatonna.

Miss Sogn took a few short trips, but spent the main part at Revillo, So. Dak.

Mr. Tyrell took trips to Illinois and Washington, spent a week on a ranch east of Portland, Oregon, and returned by way of Salt Lake City and Denver. He also spent about a week in Northern Minnesota.

Miss Kaiser spent two weeks in western Montana and later in August attended the National Scholastic Press Association Convention in Chicago.

Mr. Heck took a trip to Quebec and later attended a conference at the "U" of Minnesota.

Mr. Lynott took a trip along the North Shore Drive into Port Arthur, Ontario, Ft. William and Kenora in Canada.

Miss Raverty took a trip to La Crosse, Wisconsin, and Glacier Park; she also had company from Texas.

Mr. Herrmann spent his summer in New Ulm, planning for the new classroom addition and taking care of other duties.

Eagles Dump Indians For NUHS's First Win

John Klotz, "Wendy" Gordon and Warren Wieland, Eagle backfield men, lead the Eagles to a 25-0 non-conference victory over the Sleepy Eye Indians at Johnson Field September 9 in NUHS's first football game of the season.

After four plays Sleepy Eye was forced to punt. As a result a beautiful 20 yard run back was made by Klotz. A pass from Tim Tierney to Steve Hauser gained 44 yards for the Indians. The Eagles again received control of the ball and then started for their first touchdown of the season.

From the Eagles 29-yard line, "Wendy" Gordon went around right end for 16 yards. After a pass play failed, Klotz went around right end to gain 22 yards. A few plays later Wieland went over tackle for 8 more yards to make first in 10 on 17. Then Gordon skirted left end and went all the way.

A roughness penalty side-tracked things as the Eagles were 20 yards from the goal. With the ball on the 27, Gordon faded back and fired a pass to Vic Reim who caught it on the 5 yard line and went over. Roger Wiedl kicked the extra point, making it 19-0 with about 2 minutes left in the third quarter.

Early in the last quarter the Indians were forced to punt. After a clipping penalty the Eagles had

the ball on their 35. On three successive end runs the ball was brought to Sleepy Eye's 12. Wieland ran it to the one yard line in two plays and then plunged over the goal making the score 25-0.

At this point in the ball game Sleepy Eye responded by shaking their ace, Bob Ibberson, loose on a 20 yard hand off which moved Sleepy Eye to New Ulm's 27. Ibberson might have gone all the way but pesky Gordon made a spectacular tackle to kill a possible TD. Coach Harman immediately stopped any TD ideas of the Indians by putting our regulars back in.

Glencoe Downed 19-6 For Second Win

High in spirit from one win, the Eagles rushed into another victory of 19 to 6 over Glencoe, which was played at Glencoe, September 17.

New Ulm went ahead 6 to 0 in the first quarter when John Klotz fired a long pass to Vic Reim who raced intopay dirt. The conversion attempt was no good.

Klotz got loose in the second quarter and gave the Eagles a 12 to 0 lead. The kick was wide.

Glencoe stayed in by scoring quickly in the third quarter as quarterback Harlan Damman went for a T D

The Eagles ended any doubts when Klotz went over in the final quarter giving the Eagles an 18 to 6 edge. The point after the touchdown was scored, but in an unusual play.

A bad pass from center started it. Jim Wolf was holding; but when the snap was high, he leaped to bring it down; and then realizing it would be too late for a kick, scampered around left end.

Student Council Members Elected

President John Klotz and vice-president James Wolf will hold priority over the newly-elected senior high student council this year.

The council, elected Friday, September 16, consists of seniors: Sylvia Garske, Jerry Lindmeyer, and Robert Yates from Mr. Harman's, Mr. T. Olson's, and Miss Kayser's home rooms, respectively; juniors: Roberta Beecher, Lorna Gehrke, James Scheible, and Jill Wagner from Miss Hanson's, Miss Raverty's, Miss Treadwell's and Mr. Zahn's home rooms; and sophomores: Doris Barnell, David Edwards, John Hillmer, Betty Rolloff and Sandra Strage from Miss Wuopio's, Mrs. Franklin's, Mr. Ness', Miss Steen's and Mr. Noren's home rooms.

Planning for homecoming is the first thing on the agenda.

Band Plays at 'UM' Half-Time Ceremony

While most New Ulm citizens were still sleeping, 63 members of the band under the leadership of Mr. J. Strang started out on a trip to the Minnesota-Washington football game, on September 24.

After getting Audrey Wellman out of bed, for it seems her alarm didn't go off, the band got under way at 5:30.

They arrived at Memorial Stadium at 8:30 where seats were assigned. A total of 101 bands then practiced for the half-time show. Before the start of the game each band marched around the stadium playing their own selective march.

At half-time the bands assembled on the gridiron in square formation and played two marches and "Hail Minnesota", in dedication to members of the Minnesota legislature present.

At the close of the game the bands remained in the stands and played two selections while the spectators left the stadium.

New Ulm bandmen arrived home at 7:45 with memories of an interesting and eventful day.

Mr. Blackmun, astronomer, will appear on October 21.

Variety of Talents Compose Assemblies

Music, drama, magic, science and humor will be presented on the various assembly programs from the University of Minnesota, eight in all.

The first will be presented by Roger Blackmun, astronomer, on October 21. With demonstration material, Mr. Blackmun, who is on the staff of Adler Planetarium in Chicago, will help to give a better understanding of the heavens.

Rowland Meyers, humorist with words, will appear on November 22. A one-man presentation of "Macbeth", is to be given by Jack Rank on December 16; on January 26, Chan Lou, a Chinese magician; on February 17, Leo Lania, with his story of his experiences in post-war Europe. The Melody Masters, a Negro made quartet will appear March 21; the O'Dells demonstrating rhythmic balance, April 25; and the Punchinello Puppets on May 15.

Fifteen Students Transfer to NUHS

With the start of another school year fifteen new faces, transferred from other schools, appear among the senior high school students.

In the senior class three new students have enrolled. They are Sandra Garten from Eau Claire, Wisconsin; Roger Kretsch from Holy Trinity, and Wendell Gordon from Merville, Iowa.

In the junior class there are five new students: Carol Steinhauer and Richard Schapekahm, SMLC; Gail Johnson, Winona, Minnesota; Vernamae Merwin from Wausau, Wisconsin; and Lorraine Bethke, Madelia, Minnesota.

Seven new faces are seen among the sophomore class, which has the most transfers. They are Nikki Hill, Beaver Dam, Wisconsin; Wallace Lueck, DMLC; Roger Schnurrer, Joseph Filzen, Charlene Martinka, Jean Klotz, and Murial Brinkman from Holy Trinity.

Janni Elected FFA Chapter President

Harvey Janni, a senior, was elected president of the local Future Farmers of America Chapter, in a meeting held on Tuesday, September 20.

Elected to help Janni were James Reinhart, vice president; Fred Bianchi, secretary; Harland Stueber, treasurer; Ronald Renner, sentinel; and Marlowe Ubl, reporter.

John Lindstrum, a practice teacher from the University, gave a talk on farming conditions in Turkey, where he had spent the summer.

Among the many accomplishments of the group this summer, the latest was the winning of 38 blue ribbons at the Tri-County Fair in Mankato on September 20. On October 4 the group plans a trip to St. James for a leadership training program.

Newsy Notes

NEW CUSTODIAN
Herbert A. Lueker is the new member of the custodian staff. He replaces Mr. Gruenhagen as night custodian. During the hospitalization of Mr. Rauschke he is working days. Ernie Sauer is helping out, temporarily.

REPLACEMENTS AT EMERSON
Miss Day has replaced Miss Hensel as principal of Emerson since Miss Hensel had hip surgery this past summer. She plans to return and continue teaching later this fall. Meanwhile Mrs. Harry Brand is substituting for her.

ANNUAL MEA MEETING COMING UP
All teachers will attend the fall meeting of the Brown County Education Association Tuesday evening, October 11, at Sleepy Eye.

Mr. T. R. Olson will speak on the Chicago Conference of the National Educational Association, to which he was a delegate, and Mr. F. Heck will discuss the Eshquagama Work Shop Conference of the MEA.

At the present time the main speaker has not been announced.

New Faces in Home Ec. Department
Two student teachers from the University of Minnesota will be observing and teaching in the Home Economic department for the next four weeks. Miss Bernice Kopel will be in Miss Westlings' department, and Miss Janice Evans, in Miss Hansons.

PATRICIA COMPETES AGAIN
Patsy Glasman, attending the Aquatennial in Minneapolis, July 16, performed with twin batons and won first place. She also received fourth in the single baton contest. Patsy now twirls in the senior division.

DISCUSSION
Mr. Olson who also keeps order in the Discussion Club, said the topic for the Little 10 Discussion will be "What can be done to decrease juvenile delinquency."

Jyneal Erickson, Judie Gareis and Roberta Beecher were elected cheerleaders out of a group of eight senior high school try-outs on September 9. Instructions by the new "Loop," film from different universities will be the method of teaching the cheerleaders ten new cheers.

Activities Zooming In Home Ec. Classes

Etiquette, clothing, home furnishings, fabrics, personality, and sewing machines are some of the subjects studied in Miss Hanson's home ec. classes.

After learning the "Rules of the Game" in their unit on etiquette, the senior boys have started studying how to buy clothes.

A visit to Miss Westling's home was included in the unit on home furnishings studied by the juniors. Visits to other homes in the community are on schedule.

The sophomores are studying fabrics, but the large size of their class has prevented them from going downtown.

Buymanship of clothing is being studied by the eighth graders, while the seventh graders have finished a unit on personality and are starting to work with sewing machines.

DEBATE

Mr. O. Olson, debate coach and speech teacher, said that only Audrey Wellmann and Lee Beecher remain from last years debate team. The other two debaters, Bill Fritsche and Bob Dempsey, graduated last year.

"Resolved: that the Federal Government guarantee higher education to qualified high school graduates to the colleges and universities," is the debate topic for this year, Mr. Olson announced.

At the first meeting, those present were Kathy Herrick, Bertha Larson, Tony Rolloff, Howard Vogel, Charles Morrison, Betty Rolloff, LaVonne Roenstad, and Lee Beecher.

FRI-LE-TA HIGHLIGHTS

The initiation party for all new members of Fri-Le-Ta was held Thursday, September 29. The junior girls were in charge of the program and the senior girls were the guests.

Kathy Dirks is the new president of Fri-Le-Ta and the other officers will be elected at a future meeting.

At our first meeting we discussed the initiation party, the committees for it and also talked about selling Pom Poms for Homecoming again this year.

BAKERS LEAVE NUHS

Ronald and Sheryl Baker moved to Grand Island, Nebraska on September 18. Both took part in band while here. Ronnie was junior high president in his freshman year. Two farewell parties were given for them.

Business Machines Furnish "New Look"

The "new look" in the office practice room has been a topic of conversation among both students and faculty this fall. It has prompted numerous individuals to stop by for a glimpse into this workshop for students enrolled in stenography and office practice.

Fluorescent lighting, sound-proofed ceiling and walls, special wiring for electrically-operated machines, plus a new job of decorating, add up to a very pleasant environment in which to work.

The room has been equipped with a variety of modern business machines which represent the very finest. Two IBM electric typewriters, four Allen typewriters, a Permaflux Scribe dictating and transcribing machine, and a Dictaphone transcriber are already an essential part of the business curriculum. The addition of several semi-automatic calculators and 10-key and full keyboard adding machines will complete the furnishings of the department.

The duplicating machines and two typewriters have been moved to Room 314 to provide a "workshop" for the teachers. Work on these machines will continue to be one of several units that will be covered in the office machines course.

The re-vamping of the course is intended to provide adequate training for NUHS business students to meet the needs of the business world.

WHEN you invite trouble, you can be sure that it will accept.

Graphos Reporters, Typists, Managers Work Behind Scenes

Before this paper rolls off the press there are many students who spend their spare time covering, writing, and typing stories which you read in the Graphos. The editor is Bonnie Current and Richard Kramer is sports editor. Exchange editors are Louise Lippman and Janice Asleson; and advertising managers are Sylvia Garske and David Scharf.

Senior reporters are Barbara Harris, Martin Steffel, Mary Beth Schmiesing, Rosalie Hippert, Jerry Lindmeyer, Shirleen Lindmeyer, Karen Wagner, and Fred Witt.

Junior reporters are Janice Asleson, Janis Walden, Kay Storm, Vernamae Merwin, Carol Osberg, Penny Purzner, Mary Schneider, Maureen Smith, and Jill Wagner; sophomore reporters, Mary Ann Gehrke, Nicki Hill, and Chuck Morrison.

Typists include Bernice Karstens, Marlyn Ahlbrecht, Janet Filzen, Shirley Dittich, Karen Johnson, Ann Gewerth, Mary Jane Schnobrich, Karen Volinkaty and Lavern Stolt.

Allan Gebhard takes care of the photography. Faculty advisor is Miss Kayser.

Wedding Bells

Wedding bells rang on Saturday, June 4, for Mr. Koski, junior high social studies teacher, and Miss Jean Morris. They were married at Oak Knoll, Minnesota. Following the wedding, the couple went on an eight-day honeymoon to Wyoming. Mrs. Koski will join Mr. Koski in New Ulm after October 15.

Art Dept. Acquires New Potters Wheel

The art department reports that they have a new potter's wheel. The wheel will be used for clay work in making of vases, bowls, etc. This wheel is much simpler than the one used last year.

The high school class is using both paint and chalk for pictures of their own designs.

Mr. Marti, art instructor, said the purpose of art isn't to make artists out of the students, but to make the students more aware of art around them.
