Senior Comedy Will Be May 4, 5

by Jere Lindmeyer

"You Can't Take It With You" is the three act comedy which will be presented by the senior class on May 4 and 5, at eight o'clock, under the direction of Mr. Armstead.

Most of the scenes take place in the home of Martin Vanderhof, but his home and the happenings therein are not quite typical of those found in everyday living.

Mrs. Sycamore, Mr. Vanderhof's daughter, can usually be found sitting in a corner writing mystery plays while her daughter practices ballet to the piano accompaniment of her husband. As if that isn't enough, Grandfather has the unique hobby of collecting snakes and keeping them on the buffet; and just for an extra laugh or two, Mr. Sycamore and a boarder use the basement as a laboratory for preparing fireworks.

All in all, life, consists of laughter and gaiety in the home of Martin Vanderhof.

Members of the cast include: Mrs. Sycamore, Kathy Dirks; Mr. Sycamore, Wendel Gordon; their daughter Alice by Karen Johnson; Essie Carmichael, the ballet dancer, Ann Diedenhofen and her husband Fred Witt; Mr. Vanderhof or "Grandpa" is played by Bob Lauer; Mr. De Pinna, the boarder, by Jim Wolf; Rehba, the maid, Dee Ann Schleuder; Donald, Wayne Haber; Tony Kirby, George Petersen; Mr. Kirby, Harvey Janni; Mrs. Kirby, Virginia Schlieman; Mr. Kolenkhof, Richard Marks; Olga Katrina, Carolyn Kottke; Mr. Henderson, Ronald Renner, and the three detectives are played by Herb Franta, Floyd Havemeier, and Roger Radke.

Production Staff Numbers Nineteen

Besides the student directors, Sylvia Garske and Barbara Harris, there are the stage managers, Pat Boettger and Warren Wieland. The stage crew is made up of Roger Wiedl, Pat Kretsch, Paul Kretsch, Virgil Koeck and Norman Sell.

Prompters are Vydell Koeck and Darlene Moll; business manager, Louise Lippmann; and the make-up crew is Patsy Boettger, Shirleen Lindmeyer, Joyce Wieland, Jyneal Erickson, Janet Krohn, Carol Wilson and Barbara Kumm.

Athletic Banquet At Turner Hall

"Senior athletes from New Ulm High, Trinity, and Dr. Martin Luther will be honored at an athletic banquet to be held at Turner Hall, May 26," said Sports Editor, Herb Schaper of the New Ulm Daily Journal.

"The main speaker will be Win Brockmeyer, one of the most successful high school coaches in the country today. His team's have had fabulous winning strings at Wausau, Wisconsin. He is a former University of Minnesota coach and one of the greatest and best athletes ever turned out by Mankato."

Highlighting the program will be the selection of athlete of the year from each of the three schools and then selection of one athlete of the year from the city. Warren Sunday, last year's winner, will make the final presentation to the new one.

Tickets are \$2.00 each and all students are invited. Tickets can be obtained by contacting New Ulm Club members at Backer's Drug, Green Clothiers, Schleuders, Muesing Drugs, or Herb Schaper at the Journal.

These five students were selected as NUHS representatives to Boys' and Girls' County. They are, left to right, Don Mathiowetz, Rosellen Schwermann, Bonnie Current, Roberta Beecher and Lee Beecher.

Five Jrs. Attend Boys-Girls County

More than 40 high school juniors are expected in New Ulm May 1 for Boys and Girls County. The students selected from NUHS are Roberta Beecher, Rosellen Schwermann and Bonita Current. The boys are Don Mathiowetz and Lee Beecher.

This event is being sponsored by the American Legion Posts and Auxiliaries of Brown County. The purpose of this event is to teach young people how our county government operates. The students will witness an annual meeting of the county Commission to see how business is conducted.

Harold (Red) Mueller, co-chairman of the program with Mrs. Harley Schneider, said the event will open at 9:15 a.m. in the court room in New Ulm.

After a lunch break, the students will return to the Court House to see the commissioners in action.

Delegates are expected from Hanska, Comfrey, Sleepy Eye, Springfield and New Ulm. This is the second such event. Last year it was only for boys; 22 attended.

NUHS Students to Choose '57 Prexy

A lucky junior will be elected student president for 1956-57 on May 16 when students will vote in regular voting booths in the auditorium foyer.

The student council members went to home rooms on April 30 and each student received a sheet containing the qualifications and duties of the president. It also told who would be eligible to vote and who is eligible for this office. Nominations were made the same day.

Qualifications for the office include average scholarship or better, evidence of ability to lead students desirably, be an effective speaker, be of good character, and have some interest in student activities.

The duties of the office are varied: to preside over all assemblies and pep meetings; to represent the student body in meeting visiting speakers; to be official spokesman for the students in expressing their wishes on extra class activities; to be chairman at all student council meetings; appoint committees to plan Homcoming activities, assembly programs and pep meetings; to make annual report of work in student council.

All ninth, tenth, and eleventh graders can vote for a candidate.

Fun For All at Junior-Senior Prom

Newsy Notes

Program in Alcohol Education Scheduled

An Alcohol Education program will be presented to the seniors on May 24. John W. Richey, director of education for the United Temperance movement, will bring factual information about alcohol to the group. There will also be an opportunity for questions from the class members.

Elected to Office

Mr. Boda was elected to the position of secretary-treasurer at the annual spring meeting of the Brown County Education Association on April 10.

Conferences Attended by Faculty

Five NUHS faculty members attended conferences the last week end of April. Miss Mann, Mr. Boda and Mr. Noren were at the Mathematics Conference at the "U" on April 27 and 28; Mr. Tyrrell, at the American Industrial Arts Convention in Milwaukee on April 26 and 27.

Change In Plan For Exams Schedule

A new schedule has been planned for final exams, May 25, 28 and 29. Many tests will be decentralized; that is, taken by the regular class section in separate rooms instead of having the entire group meet in the cafeteria, as formerly. There will be some examinations taken in the cafeteria, however, but no extremely large group.

Alumnus

The class of '55 has another honor bestowed upon it. Bob Dempsey, a Notre Dame student, has been offered the position as assistant to an English professor. Bob will hold this position for three years.

Student Teachers Go and Come

The University of Minnesota has continued to send capable student teachers. Helen Ranney, in the clothing department, and Audrey Felkner, in the foods department have proved this; they were here from April 3 to 24. Two others, Esther Mattila and Mary Ellen Peik, will be here from May 7, to June 1. Mr. Elleitson from Gustavus Adolphus has also been teaching eighth grade English and Social Science.

We Like Ike

NUHS seems to favor the Republican party. The results of the election conducted April 16 are as follows: Eisenhower 192, Kefauver 64, Stevenson 39; Harriman and Lausche had 2, and Knowland 1.

Employment Tests to be Given

Sixteen seniors will be taking tests given by Mr. Elam Johnson of the U. S. Employment Service on Thursday morning, May 3, in the cafeteria.

Help Senior find Work

Mr. Elam Johnson of the United States Employment Service Office interviewed on April 23 all senior students interested in going into the labor market. An aptitude test will be given at a later date.

To Delegate Assembly

Miss Schmid was elected at the teachers' convention last fall to represent Brown County at the Delegate Assembly held at the Lowry Hotel in St. Paul, April 26 and 27.

The purpose of the Delegate Assembly is to discuss matters pertaining to teachers and their welfare.

Local Lawyer Speaks to Seniors

Mr. Henry Somsen, a New Ulm lawyer, spoke April 18, to the seniors on marriage and divorce laws. The seniors had taken a poll earlier in the year to decide what topic they would like to have discussed. This talk was a part of the public service planned by the Brown County Bar Association to high schools in the county.

Senior Selected to go to Chicago

Richard Marks spent April 24, 25, and 26 at Great Lakes Naval Training Station near Chicago, with a selected group of representative boys from the area who are entering the Navy after graduation. The purpose of the trip was to acquaint these young men with the base, the opportunities and training.

FFA Places Second

New Ulm dairy judging team came in second in the district contest Saturday, April 20, at Brookings, South Dakota.

Harlan Steuber, Gary Schiller, Richard Ulrich, Gerald Albrecht, and James Fruhwirth formed the team from NUHS.

The top teams will go to the state contest May 7. Fred Bianchi won the vocational agriculture all-around achievement award, March 10, at the Daily Journal Farm and Home Show in the Armory. He was presented with a beautiful trophy by ag instructor Mr. Fier.

Art Student To Take Trip

Twenty-six art students and four interested adults will take a bus trip Saturday, May 19, to Minneapolis to tour places of art interest.

In the morning the group will visit the Institute of Arts. After lunch, which they will eat in Loring Park if weather permits, they will go to Walker Art Gallery for a tour.

The group plans to leave at 7:30 a.m. and should be back in New Ulm at 5:00 o'clock.

Mr. Marti said he hopes this will become an annual affair.

"Parisian Blues" Jr-Sr Prom Theme

"Parisian Blues" is the theme selected by the junior class for their prom May 12. The speakers for the banquet are Lee Beecher, Bill McCleary, Jim Wolf, and Mr. O. Olson. The Collegians from Gustavus will furnish the dance music and leading the Grand March will be Lee Beecher, junior class president and his date.

The following chairmen were selected by the faculty to head committees: Rosellen Schwermann, program committee; Joan Kretsch and Lorna Gehrke, invitation; Delores Alfred and Patricia Glasmann, food; Judie Gareis, Roberta Beecher, Don Mathiowitz, and Marlowe Ubl, gym decoration; James Scheible, clean up committee; and Jill Wagner and Mary Schneider, table decoration. The faculty advisers are Miss Raverty, Mrs. Crosser, Miss Westling, Miss Tredwell, and Mr. Zahn.

Twenty Couples To Help

Twenty couples from the sophomore class will serve as waiters and waitresses; and twelve others will work in the kitchen as aides.

The banquet begins at 6:30. After the dinner and program, the grand march and dancing will take place in the big gym, between 8:30 and 9:00.

Those who do not stay for the dancing may attend either the New Ulm Theater, where the movie will be "Jubal," a western starring Ernest Borgnine; or the Star-lite Drive-in, where the picture will be "Glory", with Margaret O'Brien. Banquet programs will serve as tickets.

Commencement Set For May 31

One hundred and two seniors will take part in Commencement Week plans. Dr. Hale Aarnes, head of the department of psychology at North Dakota Agricultural College, will be the commencement speaker for graduation on May 31 at 8 p.m.

The top ten honor students will lead the seniors on to the stage. The diplomas will be presented by Frank Niemann, board president.

Music will be furnished by the band and chorus. The band will play "Commencement Suite" by Lian for the processional, and "Pomp and Circumstance" by Elgar for the recessional. "Allerseelen" by Richard Strauss will be the main number to be played for the evening.

Rev. Iseli will be the speaker for the Senior Sermon held at the Methodist Church on May 27, at 8 o'clock.

April 29: Snow Vs. Spring Concert

The annual spring concert was held Sunday afternoon, April 29.

Selections played by the band were Bizet's "L'Arlesienne Suite;" "Nutmegger's March" by Osterling; Handel's "Song of Jupiter" featuring Pat Glasmann on solo cornet; "American Red Cross March" by Panella; "Londondery Air," Don Mathiowetz soloist; and Morrissey's "Papaya," Bruce Lentz trombone soloist with band accompaniment.

The combined choir's numbers were "Cherubim Song No. 7" by Bortuiansky; "Break Forth O Beautiful Heavenly Light" by Bach; "Thee God We Praise" by Tkach, Richter's "The Creation," and "The Benediction" by Lutkin.

The girl's glee club sang "Can't Help Loving That Man of Mine" by Gershwin and Duke Ellington's "Mood Indigo." Karen Wagner, soloist, sang "Think On Me."

"A Senior's Thoughts"

by A. Senior

An education is perhaps the most valuable of all our cultural traits. It helps to prepare us for the responsibilities that we will have to face when we are "on our own." Yet, the majority of us do not realize the significance of our irresponsibility, impoliteness, and laziness.

We crawl out of bed each morning and think, "Oh, if only I didn't have to go to school." We pick up our books, which we laid on that same chair the night before and haven't moved, and begin trudging to school. Arriving at school at about 8:30, we take off our coats, plop down on the steps, or we try to catch up on about an hour's homework in fifteen minutes. At 8:43 we race to our classes and sit absolutely bored to death. Some of us might even venture to catch up on some sleep that we missed the night before. This pattern continues for the rest of the day, or perhaps, the rest of the year.

We've carried this behavior pattern with us from grade school. Some kids may be lucky enough to wake up in their sophomore or junior years. They are indeed lucky, for they can mend their ways and try to catch up on the things that they've missed. Others are not so fortunate. One day they wake up and realize they are seniors with graduation only a few months away. They think of applying for jobs. In trying to figure out what their qualifications are, they realize just what they have missed. They try to "cram," but it is almost too late.

The time that we have wasted can never be recovered.

If kids would realize the significance of a good education at an early age, there would probably be more active interest in school and in the benefits of a good education.

Swing Band

The biggest success in some time, for a teenage dance, was sponsored by the Girls Scouts at Turner Hall on April 20. Estimates say that up to 400 persons attended, and I'm sure the proceeds went to a worthy cause. The dance band was in top shape after a long layoff since St. Patrick's day. In addition to the band, Gretchen Wirtz and Dave Ginkel from Trinity displayed their vocal talents.

On May 19 the band will travel to Winthrop for a Prom date. Aside from that, the only dance left is the spring dance which will be held in the third or fourth week end of May. During the spring dance the members of next year's band will make their debut.

Band

"Very nice appearance, nice opening attack in the reeds, and a very lovely sound in the accompaniment." These were the opening comments in a written report by Western Noble, adjudicator at the music festival April 14, on the performance of NUHS band. The numbers judged were "Men of Might March", "The Three Trumpeters", "Meditation from Thais" and "L'Arlesienne Suite".

In closing he said, "A very nice band. I sincerely hope I hear another one as good as this today. You play with taste and sensitivity."

At 8:00 in the evening the massed choir and band composed of groups from Redwood, Springfield, Sleepy Eye, and New Ulm performed for the public. The selections played by the band were "The Nutmegger's March", "Song of Jupiter", "Chorale, and Folk Tune", and "American Red Cross March". David Young was selected by Mr. Noble as New Ulm's instrumentalist of the evening.

Being a secretary is her plan;
Of dancing, too, she's a great fan;
Riding the bus is her pet peeve;
When the buzzer rings, she can't wait to leave—

Darlene Milbrett is her name.
For a good time she's always game.

Some of her activities are choir and G.A.A.;
Darlene Moll seems to be always gay.
Quiet, average height and dark hair —
With her school work she takes great care,
Business college, here she comes!
Where she is, things do hum!

Future ambition is to be
An Air Force boy to fly the sea;
To Sandra's house he always goes—
In a green Ford and that is so;
If by chance you don't know who this is—
Jim Reinhart fits this quiz.

A cousin and pal to Burnell
With this hint, it should ring a bell.
Future ambition is to work at Kraft;
When with Joyce Meyer, you'll always get a laugh;

Without a qualm she drives a car;
But maybe some day she won't get far.

Always fun and always a riot —
You'll never find Ruth Nichols quiet.
Nursing is her future plan;
Perhaps then she'll find her man.
Favorite hobby is to skate
And also to hunt but not for a mate.

Always quiet and very shy —
Standards and aims are always high;
Plans for the future still unmade;
Work and travel may be Joanne Minnick's trade;
Tumbling ability she has got—
And in English she gets the plot.

Shirleen Lindmeyer is this lass
Into nurses' training she hopes she'll pass;
Known for her smile and friendly ways;
Short hair now seems to be her craze;
Dancing often she does do;
But always she prefers the new.

Here's another from Courtland Town,
One who has hair of brown—
Future ambition is Air Force, too.
He can't wait till graduation from N.U.
Ronnie Renner's name is on the file—
He is always friendly and has a smile.

To be an army boy is his plan;
Around the school he is a quiet man;
Average height and dark hair—
He looks handsome and is always fair—
Norman Sell is this fellow's name;
In Secret Service he hopes to gain fame.

The Three C's

Classroom, Corridor, Campus

By Fourteen J's

The first hour eleventh grade English Class was voting on whether to have three tests or one big one on biographies. The students voted and there was a tie. When Pat Schaefer was asked his preference, he replied, "I'll take three short ones".

In the midst of confusion in Consumers, Betty Stolt asked, "Who has the ruler?" Jerry Lindmeyer replied, "Grace Kelly."

Herb Franta has added something new to his hot rod. He has printed on the front door his calling card which reads, "Courtesy Card".

Mr. T. R. Olson, who apparently was impressed by the beautiful sounds emanating from the 12th grade English class room where the students were singing Burn's songs, asked Miss Kayser, "When are you taking your show on the road?"

Mr. Noren explaining comprehensive insurance said, "You are insured against fire, theft, missiles, guided missiles, mis-guided missiles, etc."

And in her bowling rates a high score;
Virginia Schlieman's plans are already made—

In college she hopes to make the grade.

Blue-eyed, blond and 5'3"
She hopes some day to cross the sea.
Tl L.B.I. college she plans to go;
Mary Beth Schmiesing also likes to sew
Her extra activities, G.A.A. and JERRY, L.
Where she does go, she is a belle.

Mary Jane Schnobrich is going to college
We hope she'll gain a lot of knowledge;
Even though she doesn't live too far,
She always likes to drive a car;
Bob, seems to be her favorite pastime—
But, I wouldn't say this is a crime.

With her hair in a pony tail —
Take one guess and you won't fail.
Marlys Miklas' future is
As a telephone operator to be a whiz;
The nicest smile you have ever seen—
She's small and cute and always keen.

A ticket taker at a local theater—
Of talk and fun she's a world-beater;
Favorite pastime of this girl
Is to dance and dance with a whirl.
Future ambition of Burnell Meyer is not set,
But we wish her success in whatever she gets.

He plans to work at his dad's station;
This he'll consider as his occupation.
Fast new-time isn't a chore,
And hunting isn't such a bore;
Roger Radke is this boy;
Driving a car, for him is a joy.

He drives a big "M" the color of tan;
The navy is in his future plan;
And a boy from "Herb's" too
"Fat Man" he is known to you—
He is fun and full of tricks—
This describes Warren Schnobrich.

Shakes! sundaes! cones! and malts, too
At the Dairy Queen are his cue;
Favorite pastime is his horn—
On November 3 he was born.
In his blue Ford he'll always drive—
George Peterson fits this crazy jive.

Marriage her future career will be;
"Skating is my favorite pastime," says she.
With jewelry and pierced ears
In this verse Mary Roiger appears.

Active in all things at school—
During the summer she likes to swim at the pool.

Since now graduation isn't too far away,
She plans to be a gym teacher some day;
Dee Ann Schleuder is her name.
Four years at Mankato T.C. is her aim.

Nolan Tobias was kidding Kathy Wallner about her dimples so she asked him where his were. Just as he pulled up his trouser leg to show her his knee, Mr. T. R. Olson came in and said, "If I want a chorus line Nolan, I'll see you."

Merrill Winter slapped his neck and Mr. Noren stopped talking and asked, "Mosquitoes?"

How forgetful can one get? When Janet Filzen sent for more friendship pictures, she sent the money but forgot to enclose a picture.

The sophomore class is reading Julius Caesar. Quotation from the book, spoken by Casca, This is Greek to me." Quotation by Dick Ulrich concerning Julius Caesar. "This is Greek to me, too."

After seeing the movie "House of Seven Gables," the English class was arguing whether the character's name was Muir or Maule; so Lee Beecher replied, "Muir, Muir on the Maule."

Chorus

Very favorable comments concerning the NUHS chorus were made by Mr. Weston Noble, band and choir instructor at Luther College, Decorah Iowa, who served as judge at the Music Festival. Four schools participated in the event. In the evening the mass choir (250 voices) directed by Mr. Noble sang three numbers: "Jubilai," "Salutation to the Dawn," and "O Spirit Who from Jesus Came."

The girls and boys who got the higher ratings in the afternoon were asked to sing at the evening performance. Karen Wagner was chosen to sing in the evening.

SPORTS AT NUHS

Eagle Etchings

by Marty Steffel

Spring sports are making their entrance into the NUHS extra-curricular program in a rather dramatic way. The three main activities, baseball, track and golf all promise the student body and faculty many hours of pleasure.

As an example, let's examine the baseball team. Five key players—Sam Traurig, Ken Brueske, Gene Rolloff, Warren Sunday and Rich Brey—will have to be replaced. However, Coach Zahn has come up with some fine newcomers. Fellows like Fred Bianchi, Rog Wiedl, Nils Iverson and a host of other experienced boys will again give NUHS a strong ball club, a club which could make a clean sweep of South Central and District 10 honors.

Several "old" faces promise to also come in handy. John Klotz, Dal Herrick and "Jocko" Werner will bolster the pitching staff and Iverson could help. Klotz and Herrick also can fill in well in the outfield between pitching assignments.

Holdover infielders and outfielders are Jim Wolf, Warren Wieland and Plumber Keckeisen.

Now to venture into the cinder sport, Coach Epp will field a very acceptable squad.

Two transfer students, Wendy Gordon and Nolan Tobias are going to be a tremendous help in the hurdle and 440 events.

Other veterans who will form a nucleus of the team are Paul Krueger, Vic Reim, Don Mathiowetz, Jim Reinhart, Norm Sell, Fred Witt and Dick Marks.

The golf team, under the direction of Mr. Boda, lost some key members of last year's club such as Brace Hintz and Rich Hayes; however John Diedenhofen and Les Young may be able to fill much of the gap with the help of some good youngsters, namely Roger Kleinschmidt and Dave Gulden.

After this brief review of the personnel comprising our main spring sports, it should be easy to figure out that a little moral support is certainly in order for the students and faculty.

The boys who are on the varsity teams work hard from right after basketball season to school closing time and in our opinion, it certainly behooves us to get out and root for the boys and give them all the help we can. Good moral support usually stimulates the boys to their highest standards, and many times good support means the difference between victory and defeat.

Next year at the NUHS basketball games, a familiar and inspiring individual will be watching the games from the bleachers instead of the coaches bench. Of course, we are speaking of none other than Coach Morrie Ness who has been head coach since 1949.

Ever since we first watched NUHS games and then later when covering the contests, Coach Ness has been a courteous and helpful person who understood our problems and always had a kind word handy.

Throughout this reporter's experience as a writer and Eagle fan and as a representative of the Daily Journal, we have not met a finer person and coach anywhere.

Other individuals who have come in contact with Coach Ness have also felt the same way as we do. This includes students, faculty members and newspaper men.

We are positive we are speaking for everyone at NUHS when we say THANKS! to Coach Ness for his friendship and for his wonderful work as coach.

The hometeam bench will not quite seem the same without him.

G.A.A. News

By Dee Ann Schleuder

The G.A.A. members are in the midst of a basketball tournament with four capable teams competing. There will be a class tournament if time permits. We have also discussed taking a trip to Mankato or St. Peter to go swimming. Four our last meeting we are planning a banquet which will be held at Eibners.

TWIRLING

The twirlers for next year will be selected May 3. This year's twirlers will march for the last time at the Memorial Day parade.

FRI-LE-TA

The Fri-Le-Ta members went on a picnic April 25 out at Redstone. We played kittenball and really had a good time. We will select next year's president at our last meeting on May 9.

Variety in Assemblies

The last assembly program of the year will be given on May 15, when the Punchinello Puppets will present "Jack and the Beanstalk." The play will be followed by marionette variety numbers which include clowns, acrobats, and trick puppets. These marionettes, as well as the scenery and properties, are all made by hand.

On April 17, C. J. Albrecht, well known explorer, zoologist and animal sculptor, showed a film, "Hudson Bay Adventure". The film was narrated by Mr. Albrecht. It was great adventure brought to life for the students through the magic color camera. The program featured highlights of three renowned expeditions.

On April 25, a program of cycling and juggling was performed by the Coriells. In addition to cycling and juggling, the program included hand balancing, acrobatics and rope spinning. The group consists of three performers, Vernell, Dottie and Earl Coriell.

Troop 11 Girl Scouts Canada Bound, June 3

by Jill Wagner

A trip into Northern Minnesota and Canada will highlight the activities of Senior Girl Scout Troop 11. Transportation will be by car with the troop leaving early Sunday morning, June 3.

The Scouts will drive to Duluth on their first day, camp overnight and sighthsee until noon Monday. At noon, they will start out for Gooseberry Falls and arrive in time to set camp. The next two days will be spent driving and camping at Grand Marais and Pidgeon River. Fort William and Port Arthur, being their destination, they will set up camp for two days. The Canadian Girl Guides will serve as guides when the troop goes sight-seeing.

The route back to New Ulm will be through Virginia, Brainerd, and St. Cloud.

The purpose of the trip is to learn camping skills. The eleven girl's making the trip are seniors—Dee Ann Schleuder, Ann Gewerth, Karen Wagner, Mary Jane Schnobrich, Carolyn Kottke; juniors—Mary Schneider, Rosellen Schewermann, Joan Kretsch, Judie Gareis, Roberta Beecher, and Jill Wagner.

During the year, the troop has been busy raising money by sponsoring a benefit dance and a car wash.

Teachers Leaving

NUHS teaching staff will lose five of its instructors this next year; two will continue teaching elsewhere and three will take up home-making.

Mr. William Koski, eighth grade social teacher, will continue his teaching in Wayzata.

NUHS speech teacher and debate coach, Mr. Orville Olson, will be in Hibbing's speech department.

Miss Fisher, who is to be married in the summer, will be replaced by Miss Ellen Mueller. Miss Mueller was the gym teacher at NUHS from 1947 to 1951. Since then she has been teaching at Holy Angels Academy in Milwaukee.

Mrs. Betty (Hanson) Crosser, who was married Palm Sunday, will live in Brookings, South Dakota, after the end of the term.

Miss Laura Wuopio will be married to Mr. Charles Taminen late in the summer and then make her home in Nashwauk, in northern Minnesota.

The NUHS band will present, according to custom, an outdoor concert, with senior members conducting several numbers.

Such awards as the American Legion, Tante Meyer and Harry Dirks for Citizenship; the Eckstein Music trophy, the Krook Commercial Award and awards for wrestling, science, scholarship agriculture, shop, and the National Honor Society will be given.

Chemistry Catastrophes

Jill and Penny

Time: 10:48 A.M.

Place: Chemistry, Room 211

Scene: Bunsen burners glowing, erlenmeyer flasks bubbling a green color and emitting green vapor. Two people are working under the hood; all is calm. A scream—Miss Raverty shouts, "Over here, quick!" A boy runs over to her and she thrusts his head under a sink. The acid he had spilled on himself quickly eats through his shirt.

All is calm once again.-----

In another corner of the lab a student is industriously blowing glass. He puts his lips to the soft glass and accidentally sucks in. His throat is now glass-lined-----no more colds or sore throats for him! Protective coating keeps out all germs; however, there is one drawback—he must be fed intravenously.

The ultimate goal for all chemistry students is the universal solvent. They have already discovered dehydrated water which comes in powder form—all you do is add water.

The phrase uttered by every chemistry student is one made famous by Charles Martin Hall, "Fellows, I'm going after that."

"Do it up Right!"

The most important day to a girl at this time of year is none other than May 12. Boys, it's still not too late to make some girl happy and insure a good time for yourself that Saturday night—at the prom.

For years to come the fellows with dates will be able to sit back and remember their prom date, the dress she wore, her trouble with too high heels and where to pin the corsage, the banquet and dance—and of course, the party afterwards.

Corsages need not be so expensive that it takes two months of hard-earned cash to pay for them. It is also up to the boy to make any arrangements necessary before the evening arrives.

A prom is not for life but for one glorious night; so why don't all join the fun so everyone will have many memories of his first or last high school prom.

Sophomore Cops Annual Spelling Contest

Bruce Lentz, sophomore, became the NUHS spelling champion when he outspelled eleven other home room winners in an assembly, March 23. Another sophomore, Corrine Diedrick, was runner-up.

Because nine of the twelve contestants were still in the running after the morning assembly, a special assembly was held in the afternoon to choose the winner. Some of the words used were **misogyny, obsequious, opprobrium, officious, and abysmal.**

Contestants included seniors Pat Boettger, Louise Lippman, and James Reinhart; juniors Joel Erickson, Patsy Glasmann, Jim McCrea, and Kathy Wallner; and sophomores Marilyn Heller, Richard Ring, and Sandra Strate.

'56 Graduate to Study in Sweden

Karen Wagner, senior, will leave in the middle of August to study in Sweden for nine months, and to later tour Europe. A group of six is expected to leave at the same time.

During the school year, Karen and her mother will stay in southern Sweden while Karen attends a music school. The following summer they will tour the continent.

They will return to the United States in time for Karen to enter the University of Boston, where she will major in music.

This six weeks proved to be one of the great variety in shop classes.

In the leather department everything from belts, shoulder bags, and car key cases. These are the works of Richard Marks, "Flody," Havemeier, Ken Kraus, and Harold Drexler.

In the metal department, Eugene Bieraugel is working on a punch set for drill bits. Joel Keckeisen and Wayne Hughes are working on foot scrapers. Gordie Hack, the motor-cycle kid, is building a foot rest for his motorcycle. Fred Hacker is making a ballpeen hammer, and David Grussendorf, a screw driver. Francis Brunner and Jerry Johns are making funnels and Jerome Schmidt is building a pulley-puller.

Last but not least is Roger Radke who has constructed a steel piggy bank. It is made out of 1/4 in. steel and will when full, require a hack saw to open it. What they don't think of!

Congratulations

Miss Anne Westling, foods instructor, has been selected as one of the ten outstanding home economics teachers in Minnesota.

About a month ago Miss Westling's name, along with a list of her activities, accomplishments and her background was sent to the High School Day Committee of Minnesota Royal at the University.

Miss Westling will be a guest at the Royal Home Economics luncheon May 5, on the St. Paul Campus, at which an award will be made to one outstanding home economics teacher.

Teachers were chosen for their activities, attitude, appearance, personality and teaching standards.
