NUHS Pep Band Receives Trophy

Winning the trophy as the top band out of ten in the 1956 Minnesota State Fair Parade of Pep Bands was the achievement of the NUHS band under the direction of Mr. J. Strang, following their appearance at the State Fair this fall.

"This was a year of extremely tough competition, and the placings were very- very close. All of the bands did very well, and you have reason to be very proud of your organization" was the comment made by Milo J. Peterson, superintendent of the Education Department of the State Fair, when notifying Mr. Strang.

Plans will be completed soon by the Student Council for a formal presentation of the trophy to the band by a representative from the State Fair during the halves of a football game.

The other high school bands that appeared at the Fair were Hibbing, Eveleth, Cloquet, Proctor, Canby, International Falls, Frazee, Marshall and Alexandria.

Queen Candidates

Which one will be queen? Suspense will continue until the night of the bonfire. Pictured from left to right are queen candidates: bottom, Joan Kretsch, Patsy Glasemann, Janice Walden; top: Patty Carlson, Kay Suzanne Johnson, Mary Lee Olstad and Roberta Beecher.

News in Brief

Freshmen Physicals

Freshman physical will be given uesday October 2 and Thursday October 4.

On Tuesday the eye, ear, nose, and throat specialists, plus the laboratory technicians will examine all freshmen; and on Thursday, October 4 members of the local medical profession will conduct the balance of the medical examination.

After the examination every attempt is made to bring about the correction of the defects of the students that took the test. So far the results have been successful.

Commercial

In the commercial department, students are learning basic information and fundamental skills before beginning their real work.

The seniors are building up their typing and shorthand skill preparatory to using electric typewriters, transcribers, and calculators. They have been given background material about a secretary's responsibilities.

Fascinated by the new abbreviated system of writing, the juniors in beginning shorthand have concentrated only on reading shorthand and will begin writing it soon.

The typing class has learned all of the keyboard and most of its operative parts and are ready to begin a skill-building program.

Assembly

"India Today," a colored film, will be shown by Colonel Arnold M. Maas on Wednesday, October 31, at 2:30 P.M. in the high school auditorium.

Colonel Maas, who has a Ph.D. from the University of Pittsburgh, has spent eight months photographing and traveling thousands of miles in India, to make what Hollywood experts describe as the best Indian film in fifteen years.

Highlights of the film will include scenes from villages where 85 per cent of the people live, and the Taj Mahal.

Enrollment

Breaking all previous records, New Ulm High School, has a total enrollment of 640 students. There are 346 boys and 294 girls.

In the senior class there are 54 boys and 47 girls, total 101; junior class, 65 boys and 55 girls, total, 120; sophomore class, 73 boys and 46 girls, total 119; freshman class, 65 boys and 67 girls, total 132; eighth grade, 40 boys

and 37 girls, total 77; seventh grade, 49 boys and 42 girls, total 91.

The seventh grade has also set a new record with 91 students. There are 52 more boys than girls in both junior and senior high school.

Notes on Fire Drills

The two fire drills conducted last week showed a need for improvement. During the first one, it took 2 minutes, 20 seconds to empty the building; the second, 2 minutes, 39 seconds. The students are reminded that they are to go way down the sidewalk to the edge of the street, and not cluster around the doors of the building.

M.E.A. Convention in St. Paul

The state convention of the Minnesota Education Association will be held in St. Paul on October 25-26. This means a two-day vacation for the students.

Tests for Ninth Graders

The ninth grade reading tests will be given in the cafeteria at 9:30 on October 18 under the supervision of Miss Schmid and Mr. Ness. The Otis was given on October 1.

Graphos Dance Scheduled

The first Graphos dance of the year will be held in the small gym on November 3, with the Swing Band furnishing the music. More details later.

Student Teacher Scheduled

John Solensten from Mankato Teachers College will do his teaching in English and social studies—two classes of each—from October 17 to November 30.

Home Ec. Class Activities Vary

Canning, making jelly, getting along with others, home furnishings, and flower arrangement are subjects studied in senior high home ec. classes.

The senior girls have the first semester in Miss Westling's foods department and have been canning and making jelly.

Taught by Miss Banovetz, new instructor in the sewing department, the senior boys have discussed how to get along with others and will begin learning about the fabrics in men's clothing and how to care for them.

After finishing a unit on home furnishings, the junior girls have begun sewing on their dresses or suits.

Homecoming Candidates Are Chosen

The queen candidates have been chosen, the badges have been ordered, the art class is busy making posters and New Ulm High School is well on its way to "Hang the James Boys," the slogan of this year's homecoming game against St. James on October 12 at 8:00 p.m. at Johnson Field.

The seven candidates for queen are Roberta Beecher, Patricia Carlson, Patsy Glasemann, Joan Kretsch Kay Suzanne Johnson, Mary Lee Olstad, and Janice Walden.

Homecoming week activities include the Thursday night bonfire at 7:30 at Westside Park where the name of the homecoming queen will be divulged. This will be followed by a lunch prepared by the senior boys' home economics class at Flandrau State Park. This lunch, along with the bus transportation out there, is financed by the fifty cent homecoming badge. Those who drive will need a State Park sticker on their cars. After the lunch there will be skits by some of the students.

After the game on Friday night, there will be a dance for N.U.H.S. students and alumni. Admission will be 50¢ per person, with Dean Gulbrauson furnishing the music. There will also be a tea in the Home Economics rooms for the alumni.

New Ulm FFA Cop Honors at Fairs

The New Ulm Chapter of the F. F. A. brought home awards from the State Fair, Brown County Fair, and the Tri County Fair at Mankato this summer.

Twelve members of the F. F. A. went to the State Fair for five days. They came back with ribbons and a Dairy Judging Award. James Fruhwirth, Gary Schiller, and Gerald Albrecht were on this team.

New Ulm, Sleepy Eye, Fairfax and Springfield took part in the largest F. F. A. livestock show ever to be shown at Brown County Fair. The highest honors went to Fred Juni who won a Grand Championship. John Fritsche and Elroy Wellmann also won Grand Champion awards for their boar and barrow.

Three Grand Championships were brought home from the Tri County Fair. Fred Bianchi won two and Gary Zimmermann took home one.

Election of Officers

At the last meeting the election of officers took place. Marlowe Ubl was elected president; Fred Bianchi, vice president; Dwayne Pipping, secretary; Wayne Luepke, treasurer; Gary Schiller, reporter; and Eugene Bieraugel, sentinel. Installation of officers will take place at the next meeting.

To Attend Schools and Conventions

On October 4 all officers of the F. F. A. will attend leadership school at Luverne, Minnesota. On October 11 some members of the F. F. A. are going to Marketing School. The National F. F. A. Convention will be held October 14-18 at Kansas City. Fred Bianchi and Dwayne Pipping have been elected to go.

The sophomores have learned how to arrange flowers and are now starting to sew dresses.

LONG ROAD AHEAD

This fall you seventh graders and many ninth graders entered New Ulm High School and found a place entirely different from any you've ever known. You've spent your first few weeks finding your way around, going up and down the wrong stairs and sampling the food in the lunch rooms. It's all been very exciting, and deep inside you've loved every minute of it.

This is your school now and this is where you will do a great deal of growing and learning. You'll learn what great American patriot said "Give me liberty or give me death" and that the shortest distance between two points is a straight line.

But before school and after school you'll learn too. You'll learn that you become a good leader by becoming a good follower. Winning friends, gaining self-confidence and learning to accept responsibility will be some of your other lessons.

Here you will know the fun and spirit at school functions. You'll know the excitement of making Ninth grade chorus. You will feel a sense of pride when your school is praised in the paper. You'll spend many happy hours puzzling over mysteries that have remained unsolved for centuries.

The rest of the school welcomes you, seventh and ninth graders, as you begin six golden years of growing and learning. Enjoy them as much as you can, for tomorrow they will be gone.

When we strolled up the sidewalk on the first day of school, many of us commented on our beautiful campus. But by the end of the week scraps of paper had accumulated along the sidewalk and soon our campus became a littered grounds. The next time you have a piece of scrap paper in your hand, just take ten short steps and drop it into a container. It saves the janitors' time and our campus will retain its natural beauty.

Band

Vernamae Merwin

While most high school students were basking in the sun, swimming in a pool of cool water, or enjoying a movie in an air conditioned theater, band members were trudging up to school either to face the mosquitoes while practicing march routines outside or the heat while learning concert music inside. But all was of great avail for the band won a trophy at the Minnesota State Fair, August 29, for being the top band out of ten to compete. Selections on the program were "Trombrero," a rhythmical Latin American number; two marches, "America Red Cross" and "Men of Might;" "Londonderry Air," a trumpet solo by Don Mathiowetz; the popular "Kiddie Ballet;" and "Polka Medley."

On July 29, the band traveled to Sleepy Eye's Jubilesta and for the remainder of the summer worked on "Marching Through The Years," a precision march routine used at the Waseca-New Ulm football game September 21.

Again this year the band was chosen to attend Band Day at Memorial Stadium, October 13. During half-time of the Minnesota-Northwestern football game, 6,000 bandmen from Minnesota will perform.

Choir

If you hear melodious sounds coming from the band room sixth period Tuesday and Thursday, you'll know its the senior high choir rehearsing for their Christmas program.

Already? You ask. Yes, it's only September, but a program takes a lot of hard work, co-operation and polishing, and all of that takes time!

Although the details have not yet been disclosed, this year's program will be different from last year's.

Mr. Ackermann has made a special appeal for tenors. Come on, fellows, it's good experience, and a lot of fun!

Who are We?

By Jann and Mary Lee

Carol Steinhauer can be best described as being the life of the party and the head of a famous fan club. Carol's favorite pastime is playing the piano and dancing. Among her pet peeves are ignorant people. After graduation the "U" will be her destination.

* * *

Mike Stolte is one of the larger boys in the senior class. "Stud," as he is known to most of his classmates, is comparatively quiet and names football as his favorite sport. He is quite proud of his blue "Chevy" as well as its usual occupant. Mike is undecided as to the future.

* * *

Karen Volinkaty, "the leader" from Lafayette always ready for something daring, doesn't seem to appreciate the dull way of life. Karen stands a tall 5'9" and is quite proud of it. She spends much of her time dancing to Rock n' Roll music in the S & O Cafe in Lafayette in preparation for Man-kato Teachers College.

Vic Reim, sometimes called "Grizzly Bear" and known as a staunch Democrat, can often be found playing chauffeur to a certain junior girl in his green Ford. A good all-around athlete, Vicky plans to follow in his father's footsteps, and enter law.

* * *

Janis "Woody" Asleson indulges in letter-writing and baby sitting when she is not on the phone. "Number Please," will be her pet expression following graduation. Janis is always smiling except when she goes to the movies; there she has to have an ample supply of hankies.

At class play tryouts Mr. Armstead asked Gene Lindmeyer what activities he had after school.

Gene Lindmeyer replied, "I'm retired."

At class play try-outs Chuck Morrison said he would like to play the part of the father because he was sort of chubby.

Mr. Armstead asked him, "What else do you do besides being chubby?"

* * *

In speech Mr. Wood asked Bruce Lentz what his favorite TV program is. Bruce sat there for a while and then said, "I really don't know."

Mr. Wood then said, "You're about the only one who would know."

Bruce finally said, "We don't have T.V."

In English 10 Miss Steen was discussing how difficult it is to explain some things in words. She asked the class how they would explain a triangle.

Lorelei Merwin replied, "It's a three-sided love affair."

In 6th hour senior English, Miss Kayser asked the class whether they would rather have some of the windows closed, but no flies, or all windows open and flies.

Al Eckstein spoke up—"The flies. It will give us something to do."

Confidential Advice

I have been going steady with No. 43, on the football team for not even two years and recently he has tried to kiss me good-night. Please tell me how to remedy this situation, as I feel we don't know each other well enough yet.

Desperately yours,
G.B.

You certainly don't know No. 43 well enough to let him take advantage of you like that. However, after two years we do advise an occasional kiss to hold his interest.

B. & J.

I am a seventh grader who likes a seventh grade boy very much. I don't think he likes me, so how can I make him take notice of me!

Troubled Seventh Grader

You have a difficult problem to cope with. In your case we advise a few rabbit punches or kicks in the shins which will make him notice you. However, be careful not to make him cry.

B. & J.

Always entertaining others is Don Bodine. "Smoky," has a knack for impersonations, especially "Amos & Andy." His trade marks are his deep bass voice and his brightly-colored clothes. Don is a hard worker, but somehow finds time for the sport which he excels in—tennis.

* * *

Karen Fussner works in the box office at the New Ulm Theatre and seems to enjoy hillbilly music, for some strange reason. She likes roller skating and dancing as pastimes. After graduation Karen plans to be a secretary.

* * *

We consider Jim Scheible to be the best student body president ever. Known for his speed (on the football field) and his dry humor. Jim has a very congenial personality. Attending St. Cloud Teachers College is his ambition after graduation.

* * *

Bill Strate, better known as "Frog," is a good one for pulling off jokes when you least expect them. He seems to enjoy flipping for root beers and playing golf. Bill, a lover of nature, is undecided as to the future.

* * *

Verna Mae Merwin, a transfer from Wisconsin last year, made her friends here quickly, especially with a graduate of '56". Her pet peeve is stuck-up people. Verna Mae plans to attend beauty school in Man-kato.

* * *

"California, Here I Come," is now being sung by Harvey Sheleny as he gets ready to depart from New Ulm. Harvey's pet peeve is girls and 6th hour study. After graduation, college will be his goal.

How True!

Sing a song of sulfide

A beaker full of lime,

Four and twenty test tubes

Breaking all the time.

When the top is lifted,

The fumes begin to reek

Isn't this an awful mess,

To have five times a week.

Tid Bits

by Jill and Penny

The sophomore class has incorporated Friday as Hood Day and all the boys are daring enough to wear their collars up.

* * *

Well, the seniors got away with acting brave during the Mantoux tests. Most of us were quaking in our boots but we girls managed to take them like men — however the boys took them like women.

* * *

At least once a year we have a fire drill. Unfortunately we are never told in advance when the drill will be; consequently the most orderly pandemonium rages through the corridors. The only casualties are those who had heart attacks because of the loud (and I mean loud) buzzer.

* * *

More people have been seen parading through the halls with their arms in slings. However, there is no cause for alarm — most of the cases are just senior first aiders practicing their bandages. Neat jobs — almost fooled you, didn't they?

A few people were startled at the sight of someone wearing sunglasses Monday and thought perhaps there was a celebrity in our midst, but on second look it was only Joel Erickson.

Advice to the Fashion Lorn

The "Ivy League" look has invaded our school as well as every other school. It is not only found on the majorette's Bermudas, but the boys have picked it up for their black pants as well as their bright red ones.

Speaking of Bermudas, you see more of them all the time. This winter there are going to be some awfully cold, knock knees.

The bulky knit sweater has shown evidence of finding its way into our midst and will be even more popular this winter.

Take a look around the halls. Notice the saddle shoes. You will have a hard time trying to find someone who is not wearing one style or another.

A few of the girls are wearing Chignons (pugs) in their hair; and if there weren't so many short hair cuts, I'm sure you'd see more.

Boys shirts are brighter than ever, and a few collars turned up can be expected.

"The Galloping Alternative"

by "Boots"

Monday, as I attempted my exit through the chemistry door, I was met and swept along by a tidal wave of "galloping underclassmen" tearing through the corridors of NUHS under the false illusion they were on an indoor race track. This has long been a source of irritation between faculty and students. I recall last spring when a plan was proposed whereby our teachers would also assume the role of policemen and "police the halls". This plan was readily denounced by the students, and it was laid aside with the announcement situations must improve or something would be done. The warning was not heeded; the galloping continues.

This never aggravated me before, for I had the idea that every school had our problem and was failing to solve it. I suffered a "mild shock" when I discovered this isn't true. Mr. O. A. Olson, who is currently teaching at Hibbing after two previous years at New Ulm, was one day bragging about his pupils. He said, "As far as behavior is concerned, the kids actually act like angels — not only in the classroom, but in the halls and auditorium as well. It would seem unbelievable at New Ulm, but I have yet to see a single student run in the halls. I haven't yet seen a pencil mark on any of my desks; nor have I seen a piece of paper on the floor in either halls or classroom."

To us, this sounds fantastic. But the fact remains—the present condition can not go on as it is. Need more be said? If other schools—much larger than ours—can successfully whip this problem—why can't we? Eventually, this problem will be solved; either by our own full realization of the problem and our voluntary cooperation or, the only other alternative open, by force and policeteachers. The alternative is yours. Which one shall it be?

Courtesy is contagious; let's start an epidemic.

Eagles Downed 27-0 by Blue Jays

The South Central Conference favorites, Waseca, flexed their mighty muscles Friday, September 21 by beating the Eagles 27-0.

Waseca's first string stayed in long enough to make three quick touchdowns in the first quarter. Other than that, the first string was on the bench except for defense.

Waseca's tremendous ground defense limited the Eagles to 4 yards. New Ulm passed 24 times, which is sort of a record for the usually ground-minded Eagles.

During the first few plays, Gery Slattery sped 32 and 59 yards for two fast T. D.'s; a pass to big Bob Johnson produced the third touchdown of the first quarter.

Second Quarter

Mike Traurig, playing his best defensive game so far, made a beautiful tackle to save another touchdown in the second quarter.

In the second half "Ace" Herrick started connecting on his passes, completing 10 of 23. Dally completed 4 for 23 yards in a march to Waseca's 18, where the drive was stopped.

The visiting Bluejays recovered an Eagle fumble on the kickoff on the 27-yard line. A few plays later they were in the end zone, Gerry Slattery again taking the honors.

Late in the last quarter the Eagles got off to a 52-yard march. A pass to Nolan Tobias contributing 30. Shortly thereafter the game ended.

Senior High GAA Choose Captains

Judie Hoffmann

September 17 the Senior High G. A. A. held their first meeting. Some of the activities decided on for the coming year are volleyball, badminton, ping pong, and basketball.

Captains were also chosen; seniors:—Grace Hagemester, Sharon Johnson, and Roberta Beecher; juniors:—Mary Gratz, Sandra Strate, and Jen Klotz; sophomores:—Judie Hoffmann and Karen Darlington.

GUN SAFETY Heed These Rules

With pheasant season and a one day open deer season just around the corner, these 10 rules on gun safety are a reminder for all hunters.

1. Treat every gun with respect due a loaded gun. This is the cardinal rule of gun safety.
2. Carry only empty guns taken down or with the action open, into your automobile or home.
3. Always be sure that the barrel and action are clear of obstructions.
4. Always carry your gun so that you can control the direction of the muzzle, even if you stumble.
5. Be sure of your target before you pull the trigger.
6. Never point a gun at anything you do not want to shoot.
7. Never leave your gun unattended unless you unload it first.
8. Never climb a tree or a fence with a loaded gun.
9. Never shoot at a flat, hard surface, or a surface of water.
10. Do not mix gunpowder and alcohol.

If everyone obeys these simple rules, hunting in general will be less hazardous and also more fun. Let's hope it is not you that spoils it for the group.

Football season is well underway with the Eagles record standing at one even and three losses. Pictured above are the Eagles against Glencoe.

Sleepy Eye Wins Opening Game 12-6

The Eagles lost their first game of the season in a 6 to 12 play off held at Sleepy Eye Friday September 7.

New Ulm scored once along the ground in and had two long touchdown plays called back by two of the combined 16 penalties which marred the game. Another 10 fumbles, 6 by New Ulm, helped make the game a typical season opener.

New Ulm scored early in the second quarter but Sleepy Eye also scored in the same period and in the final quarter made the winning touchdown.

EVERYBODY LOVES ME
Strong boys grab me and hold me tight.
And they take me out on Friday night.
I glide with grace with head held high,
And oft I'm stopped by a real strong guy,
"Possession of me" creates a fight
But I prefer the boys in Purple and White
When I get smeared with mud and rain
A man dries off my dirty grain,
I don't mind kicks o'er the goal posts tail
Because, you see, I'm an "Ole football."

Eagles Dump Glencoe For New Ulm HS's First Win

Dave Silcox

A much improved Eagle team played terrific defense in the first half and then combined a second half display of offensive power to take their traditional rival, Glencoe, 6-0.

The Eagles played air-tight defense in the second half to smother all Glencoe attacks, which had produced 108 yards in the first half.

During the second half the visitors only had 1 yard net gain from the line of scrimmage. Glencoe gained 14 yards but then lost 13 yards giving them 1 yard net gain.

With its offense sputtering in the first half, the Eagles battled to a 0-0 tie.

Second Half

In the second half New Ulm got life on a 24-yard run by halfback Jim Scheible and used almost the whole third quarter setting up the lone touchdown. Glencoe only had

possession of the ball for 4 plays during that quarter.

During the third quarter New Ulm passes started to click. Herrick passed to Reim for 13 and then again for 8 yards. After a few ground plays, Herrick again passed to Reim for 6 points. The point after touchdown was blocked.

After New Ulm kicked off, Glencoe lost 10 yards on their first two plays from scrimmage, including 9 yards on a smash by Eagle captain, Tom Zupfer. Glencoe had to punt twice, but with one minute to go Glencoe intercepted a New Ulm pass to add excitement to the end of the game. With seconds to go, Mike Traurig intercepted a Glencoe pass to give New Ulm time to call a play to kill the clock and end the game.

There's nothing like the first horseback ride to make a person feel better off.

"The team is in a huddle," says the cheerleaders, and so says the whole school. Leading our yells for the coming year are our newly elected cheerleaders, chosen from a group of ten girls. They are left to right, Carol Johnson, Mary Lee Clobes, Kathy Herrick and Roberta Beecher.

Meeting Place Missing; Guidance Room Converted

"Woe be!" sigh the seniors of this year. "What has happened to the noon-hour meeting place and the jamming cramming corner of most of the seniors?" Gone!

The twelfth grade has had to find another spot to meet and loaf since their lockers have been moved and several storage rooms are in their place.

The first floor has been changed in another way, too. Its walls all along the main corridor have been coated with a light gray wainscoting, adding to its appearance.

Changes and Additions in Guidance

Room 207 has been converted into a guidance room, with separate offices for Miss Schmid and Mr. Ness. There is also a reading room where all the catalogs from colleges, technical schools, and armed forces are kept. All students are invited to come in during their free time and look around and read material from different schools. A small record and file room is off the reading room, primarily for the use of the faculty.

Third Floor and New Wing

Going up to third floor we find that Mr. Zahn's and Mr. Harman's classrooms have all new desks, movable for better grouping. Washington and Lincoln schools have been furnished with new seats, also.

To reduce the overhead wiring, underground telephone circuits have been installed.

The new addition to N. U. H. S. was to have been completed August 15, 1956; but because of the delay in the completion of the Terrazo floors, no specific date is now available as to when it will be finished. Temporary arrangements have been made to use the present class rooms more efficiently. In the new addition there are four classrooms; on second floor the art room and a classroom.

Third floor rooms will be unoccupied until they are needed sometime in the future.
