Speaks at Convention

Mr. Fier was one of two principal speakers who shared the platform with Mr. Harry Truman, former President of the United States at the National Convention of the Student Teachers of America, held on October 16 at Kansas City, Missouri.

Mr. Fier spoke on "The Challenge to Future Teachers". It concerned the obstacles and obstructions that they, in the field of teaching, will encounter.

Negative Side Says 'Yes' To Two of Three Debates

Two of three matches were won by La Vonne Roenstad and Gary Kleinsmith for the negative side, while on the affirmative, Alan Runck and Fred Juni lost all three of the matches at the first debate tournament held at Spirit Lake, Iowa on October 26.

The teams will travel to Esterville, Iowa, on November 23, with the same two people on the affirmative side; but on the negative side there will be two freshmen, Myron Frisch and Dave Nicklasson, who will be debating for the first time.

Those out for debate are seniors, La Vonne Roenstad; juniors, Kathy Herrick, Fred Juni, Gary Kleinsmith, Bertha Larson, Alan Runck, and Howard Vogel; sophomores, Sandy Hipert and Ellen Lippmann; freshmen, Myron Frisch, Helen Larson, and Dave Nicklasson.

The topic for debate is Resolved: That Direct United States Economic Aid to Individual Countries Should Be Limited To Technical Assistance And Disaster Relief.

Speech Lab Day Held at Mankato

Speech Lab Day was held November 2, at Mankato State, with demonstration of various types of declam work in the morning and a college play in the afternoon.

Ellen Lippmann, Nancy Newton, Bob Taylor, Christine Oswald, and Helen Larson attended.

It was hoped that the meeting would give them some ideas for the declamation contest which will be rolling around.

U of M Assembly Scheduled

From the far off countries of the Middle East to the dances of the Western Hemisphere, Dance International portrays the art of the dance as it is expressed in the many cultures of the world. Each of the three dancers has had extensive training in the dance forms of many nations which contribute to a colorful program that is both interesting and educational. It will be seen in the NUHS auditorium Wednesday, November 27, at 9:25 as one of the U of M productions.

INTEREST IN MUSIC

Attending a music directors meeting at Sleepy Eye recently were Mr. Strang and Mr. Ackermann. Here the date, place, music and judge for the music festival coming up later on this year were decided upon.

Part of the junior play cast as seen rehearsing for "We Shook the Family Tree." Front row left to right: Howard Vogel, Darlyne Barrett, Karen Darlington. Second: Tony Rolloff, Rodney Wallner, Bonnie Harmening, and Phyllis Larson. Back row: Alan Runck, John Holland, David Silcox, and Valene Wieland.

News In Brief

Student Teachers

Have you been wondering who those three new men are. Student teachers!! They are Mr. Anderson from Wayzata, who has attained a Bachelor of Arts Degree at the University of Minnesota and is now attending Mankato State. Mr. Lange from Ivanhoe, now attending Mankato State; and Mr. Grey from Redwood Falls, now attending Mankato State.

In answer to the question as to how they liked New Ulm, all said that it was okay. One of them said that it would help if there was more to do socially.

Mr. Anderson is teaching algebra, general math and eighth grade geography; Mr. Grey is teaching American history, 12th social and Mr. Lange is teaching world history, high school art and eighth grade art.

Twelve Seniors Take National Merit Tests

Participating in the National Merit Scholarship Program were twelve seniors who took the qualifying test here, October 22.

They are Thomas Diedenhofen, Duane Domeier, Roger Edwards, Marilyn Heller, John Hillmer, Bruce Lentz, Wayne Luepke, Richard Ring, La Vonne Roenstad, Betty Rolloff, Curtis White and Lyle Zupan.

The National Merit Scholarship Program is a nationwide search for high school seniors who have shown ability to benefit from a college education.

The winners are selected on the basis of aptitude for college work, as shown by scores on two nationwide tests, high school achievements, character and qualities of leadership.

Last year Maureen Smith was one of the winners of a four-year scholarship.

Student Teacher in Home Ec.

Margaret Lindstrom from the University of Minnesota will be here November 11 to do her practice teaching in the foods department.

Year Book Wins Honors
For the sixth time the EAGLE, NUHS's year book won first class honors in the 1956-57 competition of the National Scholastic Press Association. Miss Steen is the advisor.

Flu Bug Hit Here, Too
At the "peak of the season," 150 students out of 672, and four instructors were absent on Monday, October 28, because of the flu.

New Dates for Winter Sports
The effective date for opening practice for all winter sports, according to the Minnesota State High School League rules, is November 11. Preliminary meetings for those interested in wrestling and in basketball were held last week.

Of Interest to Students
A basketball film is scheduled for showing in assembly on November 18.

Posture Week Planned

Stand tall, sit straight, look sharp, and you may be chosen to represent NUHS as posture king or queen for 1957.

Posture week is right around the corner once again. It will make its appearance on Monday, November 18 and last through the rest of the school week. The climax will come on Friday, November 22, with a combined assembly program, under the direction of Miss Mueller. At this time the posture royalty will be chosen and crowned. There will be a king and queen to represent the senior high, and a prince and princess to represent the junior high.

Also hi-lighting the program will be various skits which will be presented by several members of the senior high girls' gym classes.

Junior Class Goes Dramatic

"We Shook the Family Tree", the junior class play, will be presented at the high school auditorium November 8 and 9. The cast is made up of six boys and six girls and is directed by Mr. Armstead.

The play, a comedy dramatized by Christopher Sergel, centers around Hildegard and her activities. A debate on "prohibition" and "a date with a boy who has knickers" causes the plot to become complicated for Hildegard and the family.

The cast includes John Holland and Colleen Pugmire as Mr. and Mrs. Dolson; Darlyne Barrett and Howard Vogel as Sally and Jimmy Dolson; and David Silcox and Valene Wieland as Bob and Hildegard Dolson.

Karen Darlington as Ellie May; Bonnie Harmening as Jill; Allan Runck and Phyllis Larson as Mr. and Mrs. Shermer; Tony Rolloff as Freddie Shermer; and Rodney Wellner as Sidney Mason.

Because the success of the junior class play is not entirely dependent upon its cast of actors, 37 people have been working and are responsible for the smoothness of the production.

Jerald Schroeck and Roger Kleinschmidt are assisting Mr. Armstead as they are student directors. Curt Christenson and Wenzel Wiesner act as stage managers.

Prompters are Kay Farsons and Sue Vogelpohl. Property hands are Gary Kleinsmith, chairman, Betty Hostelka, and Jeri Juni. Nils Iversen, Kenneth Cordes, Eugene Tobias, Elroy Ubl, Fredrick Juni, Bob Winslow, Ted Fritsche, and Ronald Dahlthorp are the stage crew. The make-up department consists of Audrey Miller, chairman, Sharon Jesse, Virginia Broste, Nancy Bottenfield, Marlys Gronholz, Judi Hoffman, and Bertha Larson.

The business manager is Alida Tillman. Lorelei Merwin, chairman, Pat Hayes, Charlene Koeck, Sharen Kosek, and Carol Flatau make up the publicity. The usherettes are: Carol Maha, Shirley Steinke, Kathy Madsen, Joan Franke, Myrtle Klossner, Lavonne Alfred, and Sharon Ankeny.

Eagle Staff Announced

Key positions on the staff of the 1958 Eagle, as announced by Miss Steen are Betty Rolloff, editor; Karen Radloff and Sharon Lindemann, associate editors; and Sandra Leske, business manager. Other staff members will be chosen later. All pictures for the year book will be taken by Meyer's Studio.

Betty Rolloff, Sharon Lindemann, Karen Radloff, and Sandra Leske, accompanied Miss Steen to the Annual Year Book Clinic at Glencoe on October 30. Mr. Carl Towley of Hopkins, critic judge for the National Scholastic Press Association, was at hand to give helpful criticism of the '57 yearbooks.

New Ulm Visits Mexico

A group of excited people gathered at the high school cafeteria Sunday, October 27. It was a get-acquainted meeting for the fortunate few who are going on the holiday tour to Mexico over the Christmas vacation.

Those going from NUHS are Mr. Pfaender, Mrs. Charlotte Anderson, Miss Mueller, Carol Kitzrow, Dianne Dalweg, Sandra Strate, Charlene Martinka, Nikki Hill, Marjorie Leider, Bertha Larson, Judi Hoffman, Jerry Schroeck, Tony Rolloff, and Curt Christenson.

The boys' home ec class have completed their aprons in preparation for the foods class. Displaying their handiwork are front row left to right: Wally Lueck, Glen Tanley, Willard Nado, George Ehlers, Roger Breu. Back left to right: Lyle Zupan, Joe Filzen, Harvey Klossner, Waldon Shavlick, Joe Liebl, Alan Janni, Willard Kuester, Dayle Bessmer and Ralph Maidl.

Editorial

"Desire"

Many of the problems that confront us daily as high school students stem from the question of where our loyalties lie. What choice will we make?

The question arises again and again: our friends or our parents; our family or "the gang"; our school or ourselves; the pleasure of the moment or success and happiness of the future.

American Education Week, November 10 to 16, has as its theme, "An Educated People Moves Freedom Forward". We move forward only if we desire to make the right choice; education helps us to make this choice.

All of us surely have this desire, this will to succeed. Without desire, the wars that the United States has been successful in winning could never have been won; without desire, a basketball or football game could never be won; without desire, no student could ever graduate from high school.

When all students take advantage of the educational opportunities offered, we will become an educated people, we will make the right choices, and we will help to "move freedom forward" through out the world.

We Were There

Darlyne, Karen, and Nancy

With the Asiatic flu going around as it is, everyone is wondering just how long it will be before the school will be closed down. Maybe never, huh?

Wonder why some of the sophomore boys came to school the morning after F.F.A. initiation, looking so tired and droopy? Did they really give you that bad a time, boys?

Window cleaners are not the only men whose occupation is hazardous. We recently heard of a high school newspaper editor who dropped eleven stories into a wastebasket.

I wonder how George Ehlers always finds so much time to sleep during fourth hour study halls? No studies?!

Now that the football season is over, it won't be long before wrestling and basketball to begin. But first will come the junior class play, which we predict will be O. K. providing someone doesn't come down with appendicitis or Asiatic flu before then.

Overheard one night at play practice: Valene Wieland was asked to name three ways of saying "good-bye", to which she replied, "Au revoir, auf wiedersehen, and arsenic!"

Twirp Week, by the way, isn't far away either. C'mon, girls, let's really get out and show the guys a good time!

Daffynitions: vacation folder—a trip tease. girle—a device to keep an unfortunate situation from spreading.

Tessie Teen: "Jack makes me tired!"
Mother: "It's your own fault, dear. You should stop running after him!"

Attention, gum-chewers!!!
A gum-chewing girl and a cud-chewing cow, They both look alike but there's a difference, somehow!
Ay, yes! There's a difference, I have it now—
It's the thoughtful look on the face of the cow!

Important fact: If the equator was only one inch shorter, it couldn't reach around the earth.

Mr. Wood: "Allow me, before I close, to repeat the words of the immortal Webster."

Howie Vogel: "Oh, no! Now he's starting on the dictionary!"

If you think these jokes are bad, you ought to see the ones we refuse!

Per Senior alities

A new addition to this lad's vocabulary is the word "scrounge"; and he knows how to spell it. He is well-known for his darning ability and pink slips. His future plan is to play drums for the Foreign Legion National Band. He is getting his practice now by playing for the Sleepy Eye Drum and Bugle Corps. Who else could it be but Tom Diedenhofen.

Swing band, band, G.A.A., editor of the Eagle is, of course, Betty Roloff better known as (C17. H35)3 C3 Hs. Betty will long be remembered as one of the "dumber" members of the graduating class of 1958. Her future plan is to be a medical technologist.

Choir and Glee Club

Once again the NUHS Choir and Glee Club will be presenting their annual Christmas Concert, December 15, in the high school auditorium, under the direction of Mr. Ackermann.

Both groups are working diligently in spite of the "flu" absentees.

You may have heard the announcement for the need of sopranos in the choir. "We're not really that weak, Mr. Ackermann, we're just saving it for that special day." Just ask any soprano how they are doing with "Carol of The Bells." No soloists have been chosen as yet.

Snooping Around NUHS

This Could be Interesting!

Not so long ago Marie Gehrke and Mary Lee Clobes came dashing up to Miss McLaughlin and exclaimed, "Did you know there's a man in your office!"

The Pause That Refreshes—

Passing by the art room several days ago, I noticed Mr. Marti and his student teacher Mr. Lange casually sipping a cup of coffee.

Mystery in the Phy. Ed. Department
Mr. Pfaender has a mystery on his hands. It seems that a number of first aid report cards were found in a waste basket on first floor. The odd part about it was that they had all been turned in to him on Monday.

Verstehen Sie?
Perhaps you have often walked down the hall and have seen the janitors huddled together talking German. Who said we didn't have German at NUHS until this year?

Have You Seen the New Majorette?

While I was walking down the hall the other day, I noticed that we have a new majorette in school. Actually he's a major, and his baton is a broom. He's Mr. Schliemann, one of the janitors.

Action Men!

I hear we are finally going to get some action from the senior boys. The boy's home ec. class has been studying dating and preparation for marriage. Come on, boys, let's show those girls you're on the ball!

Hold That Line!

Please girls, limit your telephone conversations in the phone booth. You'll have plenty of time to talk to your one and only after school. There may be a few people who really have to use that phone.

Another member of our movie set, who loves kicking strange boys out of the New Ulm Theater (only when she's working) is Nancy Naumann. She is active in G.A.A., chorus, glee club, and has recently taken quite an interest in sailing!

The only person who drives constantly on two wheels is Roger Breu. A well-known baseball player, whose favorite opponent is Hanska! A fellow whose smile is wider than his hair is long.

Dave, "the lion-hearted," Young alias Glen Miller of the Swing Band is very musically inclined. He might need an additional recreation room if his party list gets any larger. Dave's advice to his ex-friends has proven unsuccessful. Lots of luck to a future law student.

Tops In Pops

By Lori

Well, kids, it looks like Rock 'n Roll is back in the number one spot after its battle with performers like Harry Belafonte who said, "Let's go Calypso."

In the state-wide top tune survey of October 19, the ratings were as follows:

20. Short Fat Fanny
19. Rainbow
18. Remember You're Mine
17. Mr. Lee
16. Black Slacks
15. Diana
14. Melody D'Amour
13. That'll Be The Day
12. Whole Lot of Shakin' Goin' On
11. Lips of Wine
10. Silhouettes
9. Honeycomb
8. In the Middle of an Island
7. Lotta Lovin'
6. Just Born
5. Chances Are
4. Happy Birthday, Baby
3. Jailhouse Rock
2. Hula Love
1. Wake Up Little Susie

In W.D.G.Y.'s survey, the song in the number one spot is "Jailhouse Rock"; number two is "Wake Up Little Susie"; three "Silhouettes"; four "Melodie D'Amour"; five, "Have I Told You Lately That I Love You"; six, "Hula Love"; seven, "Rebel"; eight, "Sugar Corsage"; nine, "Just Born"; and ten, "Plaything".

"Have I Told You Lately That I Love You" was the song that started a battle between Elvis and Rickey Nelson. As I prefer Elvis' version of this song, I regretfully say that it looks like Nelson's going to beat the champ because he has the advantage of having a terrific flip side, "Be Bop Baby".

I think it's about time Tommy Sands had another hit, or has he seen the beginning of the end of his career? I hope not. He's a refreshing young singer whom I'd like to see a lot more of.

I noticed a lot of New Ulmites at the Armory at Mankato when Gene Vincent was featured there; as a matter-of-fact a couple of times in the evening I glanced down on the dance floor to see large groups of people standing around watching, not Gene, but our own hometown kids making a big hit on the dance floor. I believe these kids were all a credit to NUHS; and apparently the others at the dance enjoyed it. It was an entertaining evening and certainly worth the \$1.10 that it cost my boy friend to get my ticket!

FACE VALUES

- Egotist: One whose I's are close together.
- Blunderer: One with a mouth big enough to hold his foot.
- Spender: One whose face is long when his funds are short.
- Gossip: One whose ears and tongue are strangely connected.

To a recent high school graduate:
"Although with pride your path is strewn, one word to the wise—remember: The senior, lordly, proud in June, is a freshman in September."

The high school senior was boasting about his new girl friends. "She's the most gorgeous creature on earth," he gloated, "Incidentally, she's a twin."

"A twin?" said his buddy, "How do you tell them apart?"

"That's simple — her brother has a mustache."

Meet the NUHS Coaches

J. Schroeder—Wrestling and Assistant Football Coach

Mr. Schroeder came to New Ulm High School one year ago, and from that time has made quite a name for himself. In the short time that he has been here, Mr. Schroeder has shown an outstanding coaching ability. This fall he took charge of the Jr. High football along with Mr. Harman. Mr. Schroeder graduated from Mankato State Teachers College, where he wrestled for four years. He is married and has one child to carry on the Schroeder name. Mr. Schroeder teaches 7th and 8th grade Social Studies.

J. Harman—Assistant Football Coach

Mr. Harman was head coach of New Ulm for many years—Up until 1956, that is. Now he helps in the before school sessions and coaches Junior high when school starts. He has run one of the most successful Jr. High programs in the last 5 years. He arranged so that Jr. High played during the half of two games this year. Mr. Harman has lived in New Ulm for umpteen years and is a very prominent citizen. He teaches Senior Social. Mr. Harman is another teacher that makes his home along teachers' row. During the summer he handles the city recreation program. He has worked on this for many, many years now, too. Mr. Harman is married and can be seen driving a '56 green and white Plymouth or a '48 black Plymouth.

T. R. Olson—Assistant Football Coach

This year, Mr. Olson switched from being the Jr. High coach to coach of the line on the "B" squad and varsity. Mr. Goertzen, Mr. Ness, and Mr. Olson all coach the line. Mr. Olson is married and drives a blue and white '56 Plymouth familiar to everyone. He has one child and resides on teachers' row, the 300 South Jefferson block. In past years, Mr. Olson coached the Jr. High along with Mr. Ervin Achman; but this year, however, he graduated to varsity, while Mr. Schroeder and Mr. Harman took the Jr. High. Mr. Olson is very well-known and well liked among all the football boys, and can always be heard when he bellows "Dannheim, you're leaning again," or "Nice tackle, Hall."

Eagles Rap Saints

The Eagles took their third victory of the year home with them Friday, October 18. The Eagles rallied in the fourth quarter to score two touchdowns and one extra point over St. Peter.

The Eagles got off to a good lead with two quick touchdowns in the first quarter. The first score came after a 52 yard kickoff runback by George Ehlers. Ehlers ran the kick-off to the 37 after a first down, a pass from Wieland to Lloyd clicked for a touchdown. Wieland's kick was good making it 7 to 0. The Eagles scored again in the first period on a 44 yard drive with Wieland going over from the two. The kick was blocked. St. Peter got its touchdown in the second quarter after a march of 67 yards. St. Peter then moved into the lead with 2 quick ones in the third quarter. In the fourth quarter the Eagles drove 54 yards for the score. Wieland passed to Wiesner for the score. Wiesner was hit but spun away and fell into the end zone. The extra point was an incomplete pass.

New Ulm made St. Peter punt and after George Ehlers gained 26 on a reverse, Nooker Wieland tore 45 yards for the touchdown that won the game. Wieland's run came with 40 seconds remaining in the game. Wieland was the offensive standout for New Ulm, he counted for two touchdowns. New Ulm then out-witted St. Peter. New Ulm.....13 0 0 13-26 St. Peter..... 0 6 13 0-19

St. James Beats Eagles

The St. James Jimmies won their sixth straight game on October 11, when they downed the Eagles 25-0. The Eagles put on a good fight but could only get to the 8 yard line.

During the first quarter, the Jimmies broke loose with two fifty yard runs and set the score 13-0 at the end of the quarter.

Completing a 50 yard pass play, the Eagles came back, but fumbled and St. James took over. New Ulm stopped them but were forced to punt. The Jimmies ran the ball for 61 yards and a touchdown, making the score 19-0 at half-time.

New Ulm fumbled twice in the third quarter and the Jimmies took over. They ran the ball 36 yards for the touchdown. Returning the ball to their own 39 yard line on the kick-off, the Eagles started their biggest drive of the game. They marched the ball to the 8 yard line where a pass play was short of a first down.

The fourth quarter was a seesaw with no further scoring. The game ended 25-0.

Redwood Ties Eagles

A quick touchdown in the last two minutes of the game gave Redwood a 14-14 tie with New Ulm on October 4. Besides a bad start, the Eagles looked like they were headed for a homecoming defeat by Redwood when Kessler caught a pass on the two and went over for the touchdown.

The Eagles, looking vastly improved since the last week, played a terrific defensive game, except the last two minutes. New Ulm's first score came in the first quarter on a pass-lateral, with Stan Lloyd going 48. Pat Eckstein then proceeded on two successive runs, to make it 7-7. Redwood scored early in the 1st quarter on an Eagle fumble. A second period score gave the Eagles 14-7 halftime lead. This drive went for 74 yards. Nooker Wieland got 14 on a keeper then Eckstein 12 and 18, to bring the ball to the Redwood 6. Wieland was stopped and Eckstein, twice; then George Ehlers took the ball and drove over from the three. There was no other scoring in the game until late in the fourth quarter, when Kessler caught the tying pass. The Eagles played an extremely good defensive game as they repeatedly stopped the Cardinals on three downs.

Gee Double A

The GAA volley ball round robin has been under way for the past three weeks. The winner of the round robin will be determined by the per cent of games won.

After volley ball is finished, the girls will be playing individual sports such as hand ball, ping pong, and bad minton.

Ice skating will be done if the weather permits. A party is being planned.

Blue Earth Dumps Eagles 20-6

With the loss of fullbacks Pat Eckstein and Jerry Steinkopf, the Eagle offense suffered heavily; consequently, New Ulm lost to Blue Earth 20-6 in their last game of the season, October 24. Gary Schiller, a guard, was moved into the fullback spot as a last minute substitution.

Blue Earth's first big break was early in the first quarter when an Eagle punt went straight up and bounced back 6 yards. Blue Earth scored in three plays and made the extra point.

Because of a New Ulm fumble, Blue Earth once again got the ball and made a touchdown and the extra point. This made the score 14-0 at the end of the first quarter. The second quarter turned out to be a stalemate with neither team making any big drives.

New Ulm finally penetrated Blue Earth territory in the third quarter by Wenzel Wiesner blocking a Bucaneer punt and Gary Schiller recovering on the Blue Earth 31 yard line. After 8 plays a touchdown was made by Darwin Wieland. The extra point was no good.

Late in the third quarter Blue Earth started a drive which ended in the fourth quarter with a touchdown. New Ulm then tried another drive but were stopped. After that no attempts were made, and the game ended with a score of 20-6, Blue Earth victory.

Here are two of the three bulletin boards in Mrs. Franklin's room planned and posted by short-hand students.

Secretarial Courses

One phase of the Secretarial Course this year is the planning and posting of bulletin board materials.

The 24 girls are divided into six groups, and each is assigned a topic periodically around which to develop a bulletin board display. The three themes that are presently on display are: The Secretary on the Job; Qualities of a Good Secretary (in which the personality phase is emphasized); and Personal Appearance.

A chairman has been chosen within each group to be responsible for making the assignments and checking each member's contributions to the project.

The reaction to these projects has been very satisfying. Cooperation, dependability, and originality are but a few of their own character traits that find expression through the bulletin board media. Besides, business practices and procedures are reviewed and emphasized.

Shop

Sanders, lather, saws, and the various other tools are being made of good use this year as the shop boys complete their projects.

A cut finger or torn trousers doesn't stand in the way of the boys in wood shop when they work on their end tables, coffee tables, book cases, gun racks, etc. These are the boys' own projects, and they are doing some of the finest jobs ever, Mr. Achman, their instructor, has commented.

Tables galore! This may be the comment heard by the sophomore boys in metal shop. Each are working on a small T.V. table. Some of the further advanced are working on projects of their own such as ash trays, flower pot holders, etc.

Students are invited to stop in at the two shops November 12 when the projects are to be finished and put on display.

Home Ec.

The hum of sewing machines can be heard from the sewing department, as Miss Loveless's classes work on their clothing construction projects. Skirts, suits, and dresses are just a few of the things being made. The twelfth grade boys are working on a unit about courtship and marriage.

Preparing meals is the topic under study in the seventh, eighth, ninth, and twelfth grade foods classes. The twelfth grade girls are also planning a field trip to Faul's Super Value.

Both sections, sewing and cooking, are planning a Fashion Tea to be given December 10, after school in the Little Theater.

FFA

Wayne Luepke

The New Ulm FFA had the honor of having the first Minnesota FFA delegate at the National Safety Congress. Ronald Brey attended the Congress October 10-25, in Chicago. He had an enjoyable time, as well as attending educational sessions.

Chapter Initiation

Sixteen greenhands and twenty-one chapter farmers were initiated at the meeting on October 22. It had both a candlelight ceremony and a bit of horseplay, and was termed a successful initiation.

Twirp Season Coming Soon

Kathy Konakowitz

Attention all senior high girls! The journalism class of New Ulm High School announces the coming of the Twirp Season, November 11-16. "Twirp" means "the woman is requested to pay". The week will be climaxed by a dance, Saturday, November 16, at 8:00 P. M. in the small gym with the swing band playing. At this time a Twirp King will be crowned.

As an added attraction, entertainment will be provided. Mary Lee Clobes and Nancy Naumann will do a Charleston; Tricia Lindemann and Rita Thill will do a modern rock and roll dance; and featured on the drums will be Tom Diedenhofen.

Boys will wear colored bows indicating the class to which his date belongs. The colors of the bows are: seniors, blue; juniors, green; sophomores, yellow. To get the bows girls are to contact the following: seniors, Mary Lee Clobes, Marie Gehrke, and Nancy Naumann; juniors, Janice Nichols and Darlyne Barrett; sophomores, Janice Buggert, Janice Reinhart, Katherine Konakowitz, and Sandra Hipert.

The rules and regulations for twirp appear elsewhere in the Graphos.

Honor Roll

Wednesday, October 16! For some students that was a day to be dreaded. For others, it ran high with expectancy. You guessed it. On that day students of NUHS received their first report cards of 1957-58 school year.

It is interesting to note that no students made the straight "A" honor roll. However, 15 were reckoned as "A" average students. Seniors are Sandra Leske, Elizabeth Roloff and David Young. There were no juniors. Sophomores were Susan Reim and Ann Vogel.

"B" Seniors: Margo Boesch, Corrine Diedrick, Joseph Filzen, Marilyn Heller, Sharon Lindemann, Richard Ring, Sandra Strate. "B" Juniors: Darlyn Barrett, Ted Fritsche, Kenneth Gardner, Judie Hoffmann, Bartha Larson, Phylliss Larson, Colleen Pugmire, Anthony Roloff, Gerald Schriefer. "B" Sophomores: Avis Borchert, Janice Buggert, Lois Karl. "B" Average, seniors: Roger Edwards, Janet Hedine, John Hillmer, Bruce Lentz, Wayne Luepke, Nancy Naumann, LaVonne Roenstad, Lenore Schnobrich. Juniors: LaVonne Alfred, Joseph Koeck, Lesie Lueck, Audrey Miller, Kay Parsons, Alan Runck, Alida Tillman. Sophomores: Sharon Fiemeyer, Marsha Haber, Jean Hintz, Claire Roloff.
