

NUHS Plans Homecoming

"Make Redwood-Deadwood" is the hope of every NUHS student and alumni as the homecoming festivities for 1957 begin, October 3-4. Bonfire, beach party, game, coronation, dance, and alumni coffee are the major events which will make the two-day affair seem like a vacation and celebration combined.

Festivities got underway when "Make Redwood-Deadwood" was voted as the homecoming slogan and volunteers for various committees signed up during homeroom periods on September 20.

The bonfire and pep fest will begin at approximately 7:30 on Thursday evening, October 3 at the fairgrounds. Yells and songs, stunts, and the naming of the queen will be given.

Immediately following the bonfire, buses will furnish transportation to Flandrau Park, where a lunch will be served by the Boys' Home Economics class. The homecoming badges will serve as tickets for the bus and the lunch. Class skits and other entertainment will be given at the beach party and buses will provide transportation back to school at about 9:45.

Homecoming night, October 4, will begin at 7:00 when the band, twirlers, Homecoming Queen and attendants, cheerleaders, and students will march to Johnson Field.

The game will start at 8:00, and the coronation of the Homecoming Queen will be made by Superintendent J. M. Herrmann, at 7:30.

Following the game, Cletus Frederick and his orchestra will play for the dance in the big gym. Price per person for dancing will be fifty cents, and twenty-five cents for those who only wish to watch.

An Alumni Coffee will also be served in the Home Economic rooms following the game. This is for alumni only, but some of the students will serve.

Gov. Freeman Guest At S.C. Convention

Governor Orville L. Freeman will be guest speaker of the day at the Southwestern Student Council Convention held Tuesday, October 8, at Canby, Minnesota.

New Ulm has been chosen as one of the ten "panel schools. The panel members from these ten schools will discuss various topics concerning the student council. New Ulm's topic will be "How can the student council organize and direct a successful award system?"

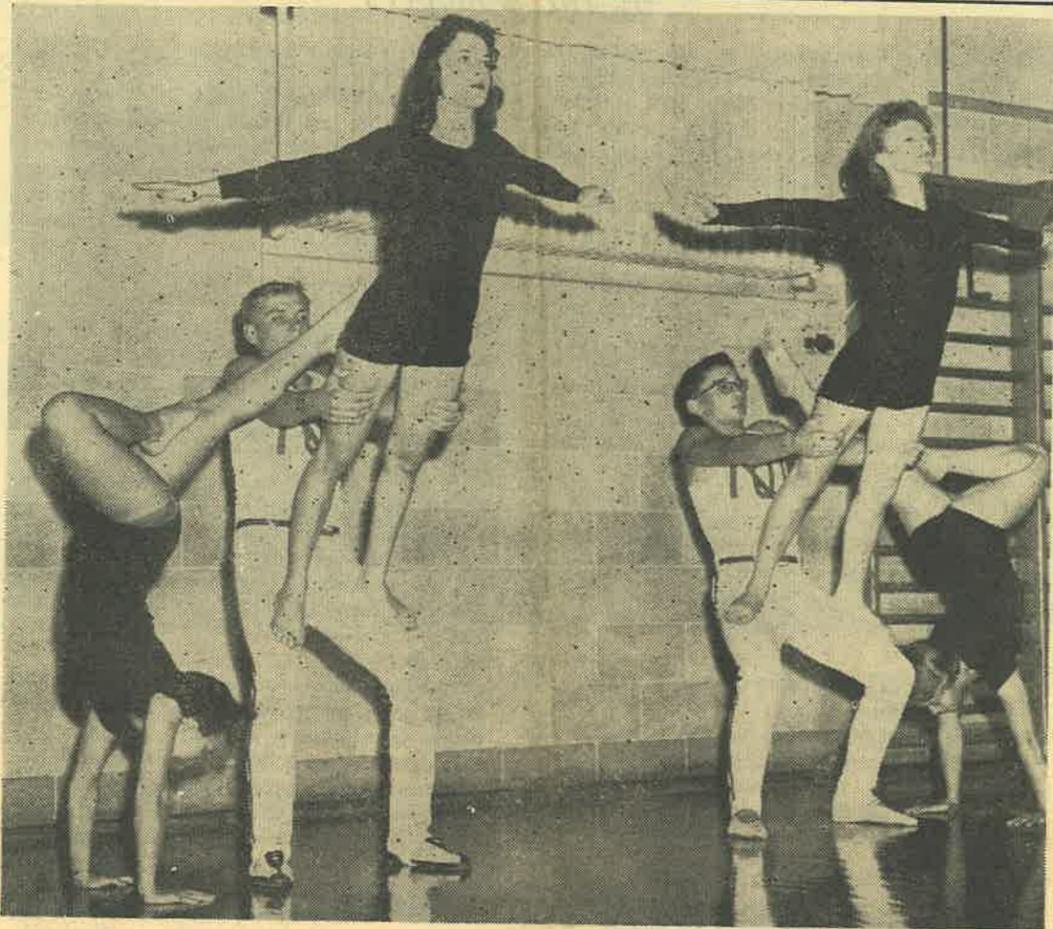

Seven students—three panelists and four delegates, along with Mr. Lynott, will be going. Panelists include Wayne Luepke, LaVonne Roenstad, and Colleen Pugmire. The delegates who will listen in on other panel discussions are Ralph Menk, George Ehlers, Pat Eckstein, and Dave Silcox.

Jose Silva Visits NUHS

Mr. Banjo, Jose Silva, will demonstrate his versatility in playing the banjo in the NUHS auditorium on October 11, at 9:25 a.m.

Perhaps the greatest living exponent of the banjo, Silva has appeared many times with such leading theatrical personalities as Don Ameche, Bobe Hope, Kate Smith, Clyde McCoy and a host of others.

This is the first of seven programs arranged by the University of Minnesota Program Service to be seen here this year.

Students demonstrate the angel spread. They are left to right, Corol Johnson, handstanding, Gary Schiller, holding Nancy Naumann, Dave Frank, holding Muriel Brinkmann, and Mary Lee Clobes, handstanding. (N. U. Journal cut).

KTCA TV Honors Mr. Tom Pfaender

Mr. Tom Pfaender was guest of honor Monday, September 23, on KTCA TV, Channel 2, on the MEA program "The Open Door". Several NUHS students also appeared on the program with him, along with mayor Dr. Theodore Fritsche, and Mr. Alan Schmucker, past president of the Chamber of Commerce.

The half-hour program consisted of several different parts. The first included a film strip on "What is a Teacher?" The second revolved around Mr. Pfaender in what the MEA calls "Portrait of a Teacher". At this time Mary Lee Clobes, Coral Johnson, Muriel Brinkmann, Nancy Naumann, David Frank, and Douglas Bloedel performed an athletic number accompanied by Sharon Lindemann at the piano. Film strips of New Ulm, and of Mr. Pfaender's annual trips to Mexico were also shown.

Five minutes of MEA news concluded the program, the first in a series to be presented every two weeks.

The T.V. appearance was quite an experience for the students for they met such people as Princess Kay of the Milky Way, and later they had dinner with Dr. Mork, president of the MEA, and Mayor Fritsche.

Charlene Martinka and Miss Mueller also accompanied the group to St. Paul.

Teacher Spends Summer in Europe

Though Miss Raverty enjoyed all the places she visited in Europe this past summer, Vienna would be the one place she would like to see again.

Early in June she flew from Minneapolis to Chicago. A helicopter took her to another airport from which she flew to London. In and near London she saw many historical sites, such as Westminster Abbey, the British Museum, the Old Vic Theatre, and the Shakespeare country.

From London she went to Redding, Wales, where the Atomic Heating Installation is located. Ireland came next with its famous Blarney Stone. She attended a program of Irish songs and dances in Killarney. Other stops were Dublin and Cork.

After her return to London, she flew to Paris where she attended an opera as well as touring the city. The Palace at Versailles was another place of interest.

When she reached Switzerland, she stopped off at a mountain village, as well as spending several days in Geneva. She also took a boat trip and was present when the Festival of Roses took place.

Near Nice in southern France was located a perfume factory which she visited.

Time Spent in Italy, Austria and Germany

Monaco, home of Grace Kelly, was the next stop. She saw her palace and yacht but remarked later that she hadn't been invited to the house.

In Rome, the ancient ruins of the Colosseum and Forum came next, not to mention the Basilica of St. Peter. Florence, a city known for art, and Venice, the city of waterways, followed.

The Black Forest, Porcelain factory, Heidelberg, the University town, and a boat trip on the Rhine were highlights of the tour in Germany. A stop at Ulm was also included.

News In Brief

Science Lecture Program Scheduled

NUHS has been selected to participate in the 1957-58 Traveling Science Demonstration Lecture Program, from Oak Ridge Institute of Nuclear Studies, Oak Ridge, Tennessee.

This event has been scheduled for January 20 to 24, 1958. A traveling science teacher will be present to direct the activities.

Brown County Meeting Scheduled

The executive committee of the Brown County Education Association will meet Tuesday or Wednesday to decide program details for the meeting which is to be held in Comfrey, Tuesday, Oct. 8. It will be a dinner meeting and teacher retirement will be discussed. New Ulm teachers will attend.

Number of Twirlers is "Most"

A record was set this year, by having nine "A" twirlers march with the band, as compared with seven last year. There is also a beginner's class which has eight members.

The "A" twirlers are Brenda Schiller, Shirley Steinke, Kathy Popp, Valene Wieland, Betty Hostelka, Sandra Hippert, Janice Reinhart, Ruth Trauttmiller, and Karen Rockvam.

Ninth Grade Physicals To be Conducted

The ninth grade physicals were held in the big and small gym on October 1 and 3. The first part of the physicals was held in the big gym; the second part, the general physicals, in the small gym.

The ninth grade also saw a movie on the heart, "Condition of the Heart" to help explain why they have to take the physicals.

The physicals are the results of the cooperation of the school and local medical association.

Business

The typing classes are learning the key board and proper fingering procedure. At this time the classes have covered the key board and are familiar with the finger technique that is required for the touch method. There are now five typing classes. This is due to the large enrollment of one hundred twenty-five students.

The twenty-two junior shorthand members are getting accustomed to the unique way of writing the alphabet. The first couple of months will be spent drilling on shorthand structure and principles of writing words in brief forms and phrases. The more advanced stenography class has been studying the factors essential for good transcription. This is preparatory to the actual task of transcribing their own shorthand notes.

New Faces

Seventeen new senior high faces, seven boys and ten girls, have been appearing in our classes and halls this year.

The four new seniors are Wallace Lueck, D.M.L.C.; Elizabeth Lemoine, Trinity; Sharon Nickel, Granton, Wisconsin; and Signe Lervaag, Tracy.

There are five juniors: Kenneth Gardner, Fairmont; Jeffrey Radke, Melrose; Kay Parsons, Claremont; Carol Maha, D.M.L.C.; and Duane Steinkopf, Lake Crystal.

The sophomores are Marlys Anderson, Albert Lea; Richard Preisinger, Trinity; Hettye Jean Mau, Miami, Florida; Michael Raftis, Trinity; Darlene Myers, Alexandria; June Skalla, Garden City; Gerald Steinkopf, Lake Crystal; and Janet Warnemunde, Mountain Lake.

NUHS Greet New Faculty Members

Three new teachers are found on the high school faculty this year.

Miss B. Loveless, clothing department, graduated from the University of Minnesota last spring. Her home is at Wells, Minnesota.

Mr. E. W. Anderson, higher algebra and football coach, graduated from South Dakota State, and came here from Barnesville.

Mr. J. Baril, English and German. Mr. Baril is a graduate of Bemidji State College. His home is at Red Lake Falls.

Editorial

"And They Lived Happily Ever After"

The lives of men are in so many ways like books. The leather-bound cover is the exterior of the human body; the pages, the mind and the soul.

Thus, another chapter was added to the "books" of NUHS students last month as they walked once again through the halls to take another step on the ladder of education. Each step taken brings them closer to their goals; each year closes another chapter, bringing them closer to the climax.

Just as a book is what the author makes it, our lives are what individuals chose to make them. No man is a born loser, but even fate needs help sometimes. The variety of lives that the students in NUHS will choose are as varied as the books on the shelves in our library—some exceptionally good, some fair; no matter what kind of book is selected from the shelf, it has its good points, just as there is some good in every human being.

Some good comes out of every deed of man, no matter what this deed may appear to be; some good must come out of every success, every tragedy or disappointment in life. Find it, and every chapter in your book will have a happy ending.

WELCOME!

One of the biggest and most enjoyable events of the school year is coming up this month as the students and alumni celebrate NUHS's annual homecoming.

Though inward appearances of a school may change from year to year, the atmosphere is always the same. The halls that rang with the cheers from athletic events, the applauding after the class plays; the shelves that held the text books; the interior which enclosed you during your build-ups and yes, even your let-downs. These never change, not even through many years, because everyone who returns "home" this Homecoming is always a part of this school, a part of those walls. That's why they can never change.

Welcome, Alumni!

Everybody's Doing It

Colleen Pugmire

Everybody is just about used to the idea of school again. Despite the constant complaints of having to get up at ridiculous hours in the morning and to tramp off to school to spend the day with our smiling teachers, I think everybody is happy to be back, especially the seniors.

Realizing that this is their last year of high school, everybody in the senior class is trying to make the best of this year whether it be in sports, music, studies, or just plain good fun. You've got a big year ahead of you, seniors, so good luck!

Speaking of big years, the juniors are really off to a good start with the class play and all. The juniors are going to be mighty busy this year but never too busy for food, fun, and fads. Though few fads have made their way to NUHS so far this year, the junior boys wasted no time in starting one. Their latest fad—chess! Anyone for knitting?

Everybody in the sophomore class is taking advantage of the heap of privileges they gained this year. Despite the frantic scribbling in the biology workbook, the sophomores can sit back and relax this year because I think most upperclassmen will agree with me when I say that the sophomore year is one of the easiest.

What are the freshmen doing? Well, I think they're still getting acquainted and getting broken in for some rough riding.

In general, what is everybody doing? Homework, and lots of it.

Personalities

by the Snoopers

The Elvis Fresley of the dance floor, Dayle "Cassanova" Bessmer hails from a "little" farm near Essig. His true love—a Packard. Hmm! As an active F.F.A. member, he has gained recognition through the area. When you see him, note the slick crew cut and friendly smile.

* * * *

If you hear "ach, ya" in the corridors, you know Margie Lieder is somewhere near. And if you ever need cheering-up, just ask her to open her locker! She seems to think that study halls are used primarily for cleaning her purse and fixing her glasses.

* * * *

The driver of that red and white Studebaker, Dianne Dalweg, spends most of her time working at Eibners, as you must all know. Her favorite extra-curricular activity is G.A.A., in which she is a senior team captain, but she enjoys Glee Club and Chorus also—one of the few girls planning on a trip to Mexico this Christmas.

* * * *

On a farm somewhere near New Ulm lives Ronny Brey, an ardent admirer of Axel and his Dog on television: though when that program's over, he also finds time to do a few minor things, such as physics! One of the F.F.A.'s most perfect gentlemen, he proves that chivalry isn't completely dead.

* * * *

George Ehlers loves to play pantomime quiz (without spelling out the words). Because of his cheery personality, he was elected as Student Body vice president. Of course, his Steamboat Rock, Iowa, accent is still present in his speech—and, George, we really like it. George has found, lately, that Arthur Murray is right when he says, "Dancing can be fun!"

Three C's ---

Classroom Corridor Campus

"Teamwork" is the new slogan of the fourth hour Consumer Ed. class since Tuesday, September 17. Mr. Anderson put his coaching work into good practice in the projection room where he lined up his students to piece together a film which got out of hand during a movie.

* * * *

In fifth hour shorthand class, Darlene Barrett was reading a sentence from the book. The sentence read, "My boss left me in charge of his factory on the East Coast."

Darlene read it as, "My boss left me in charge of his secretary on the East Coast."

* * * *

In College Prep after several students had been corrected on the consistent use of the word "guy", Tom Diedenhofen's turn came. After a lengthy recitation:

Miss Kayser: "Tom, did you realize that you used the word guy 17 times?"

Tom D.: "Yes, but I couldn't think of the guy's name."

We Love To Hear:

Miss Kayser, "I don't know how this happened, but I forgot to give you a test on Unit I."

* * * *

Mr. Harmann, "Teachers aren't as dumb as they look. They couldn't be."

* * * *

Tom Diedenhofen on going to the optometrist, "I have to go to the obstetrician." Better use the dictionary, Tom.

The more you study, the more you learn. The more you learn, the more you forget. The more you forget, the less you know. So why study?

* * * *

Influence: Good or Bad?

Jim: All of a sudden Melvin's talking with a Southern accent. Where did he get it?

Kim: He's been drinking out of Dixie cups all summer.

* * * *

Good Reason

Teacher: Johnny, why are you late this morning?

Johnny: I'm sorry teacher, but I guess school just started before I got here.

That "little" girl you see at all the senior high parties isn't a seventh grader. It's just Coral Johnson, the cute cheerleader who has more pep than height. She's active in Chorus and G.A.A., but has other interests too, which can't be disclosed at the moment. (Our opinion) Coral's one of the only girls in the senior class who still blushes!

* * * *

Pat Eckstein's favorite pastime is watching television, isn't it Nikki? Being co-captain of the football team, he always manages to get in by curfew time. When wrestling time comes around, Pat will be carrying on the Eckstein traditions by further developing his wrestling ability.

* * * *

Another of our seniors, Sharon Lindemann, is well-known for her piano playing in the Swing Band, Chorus and Clee Club, but we all know her secret ambition is to be Mr. Ackermann's private secretary. She seems to wear all the latest shoe styles—can you guess why?

* * * *

A fellow with a new addition in his family—a hi fi we mean—is Joe Filzen. His course in consumers education seems to be helping him in his work at the New Ulm Theater, selling popcorn, peanuts, and candy to the consumers. A very neat person who always seems to have a "hi" for everyone.

* * * *

The "fish" of the senior class, Lenore, "Tootie" Schnobrich had a solo part in the water ballet this summer. Her pet peeve—the way she constantly taps? people on the shoulders when she talks and laughs with them. "Tootie's" presence is felt in the senior marching band where she plays snare drums. She's beginning her career as a secretary early by working in Dr. Hirtz's office part-time.

Band

Nancy Bottenfield

"Left! Right! Too Sloppy! Counter-march! Do it over!" These are typical comments of Mr. Strang as he drills the band in new routines and maneuvers.

This year the band members are memorizing most of the music for games and are learning some new military maneuvers to go with the half-time routines at games.

Officers were also elected for the coming year. Betty Rolloff, custodian, and John Holland, librarian, hold the same positions as last year. The new officers are Dave Young, student director; Mike Carrier, band manager; Lenore Schnobrich, secretary; Nancy Bottenfield, reporter; Sylvia Schwermann, assistant custodian.

There may also be a band council organized later. Members will be the officers and section leaders. They'll decide most of the business and such.

September 28 was school band day at the University and the band and twirlers again took part.

Chorus

Christmas songs in September? It may sound odd, but that's right. The vocal groups of NUHS, under the direction of Mr. Ackermann, have started to prepare themselves for the annual Christmas Concert. Exactly which songs will be sung are not yet known.

The Senior High Choir is composed of sixty-five members this year and is expected to do exceptionally well. At a recent election, Dave Young was elected president and Coral Johnson, secretary. A student director will be announced in the future and vocalists will also be selected.

The Girls' Glee Club, consisting of forty senior high girls, is also preparing itself for the Christmas Concert.

Ninth Grade Choir, which prepares ninth grade students for Senior High Choir, has forty-two members and officers will be elected soon.

And now for some thoughts to remember:

Early to bed and early to rise, keep the dark circles from under your eyes.

He who receives a benefit should never forget it; he who bestows it should never remember.

We Were There

by Nancy Bottenfield, Karen Darlington and Darlyne Barrett

Now that school has finally started, we've been hearing so many lectures. The topics have ranged, so far, from "keeping your mouth shut in study hall" to "being caught cheating." Something tells me this will be an interesting year.

There are so many new desks and books too. It can be so darn tempting. If it wasn't for the stack of sandpaper and fines, I think it would be a real mess!

* * * *

It looks as if Mr. Boda and Mr. Wood have been taking correspondence courses lately. They always leave messages on each others' blackboards. I haven't seen Mr. Boda's board yet, but Mr. Wood has had some dillies.

One of the latest fads seems to be to quit school one day, come down with Asiatic (?) flu for a few days and return to school again. Doesn't seem to be much future in it, but it must work!

* * * *

Who was the junior girl who looked sad on Tuesday, tired Wednesday, happy Thursday, and will look dog tired Sunday morning? Those working boys have it good!

Ruthie Chambard to Sharon Jessie: "Of course, I wouldn't say anything about her, unless I could say something good. And, oh boy, is this good!"

* * * *

Betty Hostelka: "Why did you leave your last position?"

Ronny Asper: "Illness. The boss got sick of me."

* * * *

Judy Hoffmann, applying for her first job, answered the interviewer, "Certainly, I can take shorthand — only that way usually takes me a little longer."

* * * *

Mr. Blackstad: "It's impossible to teach a boy business arithmetic if there's a girl in the class."

"Oh, come now," objected Mr. Wood, "surely there might be an exception to that."

"There might be," said Mr. Blackstad, "but he wouldn't be worth teaching."

Welcome back, Kathie Herrick. We've all missed seeing you in our classes.

Eagles Open Season With a 6-0 Victory

New Ulm successfully opened their 1957 campaign with a 6-0 win over arch rival Sleepy Eye, on September 6.

The opening of the grid season also marked the winning debut of the Eagles' new coach, E. William Anderson.

The Eagles' lone touchdown came in the second quarter on an 87-yard march on 19 ground plays. Pat Eckstein ran the same play twice in a row to score. He hit off right tackle and scored, but a penalty brought it back to the seven; he then ran the same play and scored.

The usual opening game jitters plagued both teams as New Ulm made seven fumbles and Sleepy Eye three.

The Eagles had three other scoring chances which were broken up by fumbles. The Eagles were inside the Sleepy Eye 15 yard line five times, but scored only once. Late in the third quarter Stan Lloyd ran 45 yards to the 15, but was caught from behind.

The New Ulm win tied up the series through the years at 14 a piece.

Meet the Coaches of NUHS

Bill Anderson, Head Coach

To head football coach, Bill Anderson, only one word has any meaning — "Conditioning". This year's football team of NUHS is in the best condition any New Ulm team has been in.

Mr. Anderson has been married for 13 years and has three young Andersons: Sue 10, Jim 7, and John 2. Last year he was head coach at Barnesville, Minnesota, where he had a string of 13 victories in a row. Mr. Anderson moved here in early August, and he immediately went to work on getting equipment ready.

Mr. Anderson has been coaching or involved in athletics for twenty some years, and has always been strict on training rules. This year's rules consists of: 1. Be at home at 9:30 school nights, 12:00 Friday and Saturday. 2. No dates on school nights. 3. No smoking. 4. No drinking.

Mr. Anderson has been quoted as saying "You cannot be a good athlete without training".

The coach is well-liked by all the players, even though they grumble and moan during wind sprints. He is also popular with the kids he has in his mathematics classes. He teaches senior high math, plane geometry, advanced algebra, and trig. and solid geometry.

Gee Double A

Marie Gehrke

At the first G.A.A. meeting of the year eight captains were chosen for volley ball. The seniors selected are Dianne Albrecht, Jean Harmenting, and Diane Daleug. The juniors are Valene Wieland, Audrey Miller, and Pat Hayes. The sophomores are Paulette Vorwerk and Ann Vogel.

A round robin of volleyball will be played for the coming eight weeks.

On September 16, the G.A.A. girls went on their annual hike to Flaudrau Park.

An initiation for the sophomores is being planned by the seniors.

V. Goertzen, Assistant Coach

This is Mr. Goertzen's second year at NUHS and he has already won the admiration of many a NUHS athlete. He is head basketball coach and assistant football coach.

Mr. Goertzen attended Mankato State Teachers College. While at college, he was a starter on the football and basketball team as a freshman. In football he played end and in basketball, guard.

He is married and has one child. Before he moved to New Ulm, he was a coach at Buffalo Center, Iowa. He teaches tenth grade world history, but is qualified to teach other social studies, also.

To many athletes, especially in football, he is known as the "Task Master", and his favorite expression is "What's that, Doctor???"

Morris Ness, Assistant Coach

Mr. Ness has been at New Ulm High School ten years. Up until two years ago Mr. Ness was head basketball coach as well as tenth grade world history teacher. He is now in the guidance department and also teaches senior high boys physical education. In the summer he instructs in drivers' training. He is also a Lieutenant Commander in the Naval Reserve.

He is married and has one child. To the football players he is known as "Eagle Eye" because he stands and stares them down during calisthenics.

Glencoe Tops NU In Second Game NU Gridders Smash Waseca

Howie Vogel

Despite an 80-yard run by Dave Silcox for a touchdown, New Ulm lost to Glencoe 13 to 12, on September 14.

The Eagles capitalized on a Glencoe fumble on the Glencoe 8-yard line. From the 8-yard line, Pat Eckstein took the ball for two successive plays and the touchdown. Eckstein's extra-point kick struck the crossbar and bounced back.

Glencoe then moved the ball to the New Ulm 10-yard line where they were stopped and New Ulm took over. The Eagles drew two penalties to move the ball back to their own one-yard line. Darwin Wieland took the ball to the six-yard line on a quarter-back sneak. A bad pass from center gave the ball to Glencoe on the New Ulm 5-yard line. Glencoe went on to score. The extra-point try was no good and the score was 6 to 6. Glencoe kicked off to New Ulm and the Eagles returned the kick to their own 28-yard line. Glencoe intercepted a pass and scored. The play for the extra-point was good and the half ended with the score 13 to 6 in favor of Glencoe.

Third Quarter Has Moments

In the third quarter Glencoe was forced to punt. The kick went to Dave Silcox who with aid of strong blocking ran 80-yards for a touchdown. Two key blocks were made by "Wenz" Wiesner and Gary Schiller. The extra-point kick was no good. That made the score 13 to 12 in favor of Glencoe.

New Ulm was hit hard by penalties from then on. A pass from Darwin Wieland to "Wenz" Wiesner which would have been a touchdown was called back because of an illegal procedure. The game ended without further scoring.

Break Three-Year Winning Streak

Scoring four times, three of which were the long-way, New Ulm downed Waseca 26-6, in the conference opener for both, on September 20. The Eagle victory ended a three-year losing streak to Waseca. It's the Eagles' second triumph in three games.

"Nooker" Wieland scored twice on two quarterback sneaks, Dave Silcox one, and Dean Schroer intercepted a fumble and raced 30 yards for the T. D. Waseca made it tough on the Eagles as New Ulm led only 12-6 at the half. New Ulm wrapped it up with two touchdowns in the third period.

In the first period New Ulm got off to a fast start with Wieland passing to Silcox for a 50-yard touchdown. Early in the second quarter Wieland went 51 yards on a quarterback sneak. New Ulm then led 12-6 as the pass for the conversion was incomplete.

In the third quarter the Eagles recovered a fumble on the Waseca 18. Wieland then scored on two successive plays. After an exchange, a Waseca fumble on the 30 popped into the hands of tackle Dean Schroer. He raced 30 yards for the final touchdown.

Pat Eckstein ran both extra points.

Teachers' Vacations

As old friends and new friends get together again after the summer vacation, everyone seems to have something exciting to tell of the experiences of the past three months.

The faculty members, too, have done some interesting things.

Those of us who have been around this summer saw Mr. Ness as he instructed students in driver's training. Mr. Marti was often seen supervising the New Ulm Municipal Swimming Pool. Mr. Harman supervised activities of the New Ulm playgrounds. Others who spent their summer here were Mr. Schroeder and Mrs. Schroeder. Mr. Pfaender directed the St. Louis County 4-H Camp at Lake

Eshquagama. Mr. Tyrrell spent part of his summer at the Valley Forge Scout Camp and took a trip to Chicago.

School and Travel for Some

Miss Steen attended the University of Minnesota; Mr. Ackermann went to school in Minneapolis. Mr. Blackstad attended Colorado State College at Greeley, Colorado, and Miss Wark went to the University of Minnesota.

Miss Kayser attended a workshop for several days at the University of Minnesota and then took a trip to Rochester, New York. Miss Kittleson traveled through eastern Canada while Miss Westling took a trip to the Canadian Rockies and later attended the University of Minnesota Home Economic Conference.

Miss Treadwell, together with Miss Steen, went up north for a visit with Mrs. Taminen, the former Miss Wuopio. Miss Treadwell was also the honored representative of Brown County at the Secondary Teachers meeting at the State Fair.

Miss Mueller spent most of her time in Arlington, but twice she went to Milwaukee. Miss Mann took in a refresher course at Mankato State, as did Mrs. Franklin; later, each took trips to the West. Miss Sogn spent the summer at her home in Revillo, South Dakota. Miss McLaughlin attended summer school at the university and then spent some time with relatives in St. Cloud and Saskatchewan, Canada. Miss Schmid took a trip up to the North Shore Drive. Mr. Heck went to New York and otherwise did some fishing.

Those who worked in town were Mr. Zahn, Mr. Boda, and Mr. Goertzen at Kraft. Mr. Olson, at the Citizen's State Bank; and Mr. Epp for the Walter Meyer Home Construction Company. Mr. Wood worked for the United States Customs Service at Lake Pokegama.

Mr. Fier was busy in the agriculture department; Mr. Achmann did some jobs for the school, and Mr. Strang carried on activities in the NUHS music department.

Mr. and Mrs. Lynott took a trip to Canada and he spent the rest of the time preparing for this school term. Mr. Herrmann attended the University of Colorado and then worked at school.
