'Curious Savage' Cast Is Chosen

"The Curious Savage," a comedy in three acts, has been chosen as this year's senior class play to be presented April 18 and 19, under the direction of Mr. Dwayne Armstead. Tryouts for the eleven cast members were held March 6.

The cast, which includes six girls and five boys, is as follows: Betty Roloff as Mrs. Savage; LaVonne Roenstad as Mrs. Paddy; Mary Lee Clobes as Florence; Doris Barnell as Wilhelmina; Sharon Corcoran as Fairy May; Signe Lervaag as Lille Belle; Gary Schiller as Hannibal; David Young as Jeffrey; Mike Carrier as Samuel; Wayne Luepke as Dr. Emmett; and Bruce Lentz as Titus.

This delightful comedy is centered around Mrs. Savage who has been placed in a home called "The Cloisters". The home is on the order of a rest home, or if you prefer, a mental institution. Her children have placed her there because they think her mind has been affected. Actually, however, it is the children who belong in the home and not Mrs. Savage. While there, she encounters many interesting and humorous experiences.

If you are looking for a laugh and an evening of entertainment, be sure to see "The Curious Savage". High School I.D. cards will admit students at the student performance on April 18.

Production Staff Also Named

Without the aid of an able-bodied production staff, no play can be a success, so the production staff for the senior class play, "The Curious Savage", was recently selected by Mr. Armstead, after students were asked to sign up for the various positions.

Lending a hand as student director will be Lenore Schnobrich. Richard Ulrich and John Hillmer will be stage managers, while Ronald Brey as business manager will take care of the business end.

Carol Kitzrow and Karen Radloff will take their places as prompters, and Pat Borchert and Kay Reinhart will be property heads.

Five fellows, including John Fritsche, Richard Ring, Bill Stolte, Stan Lloyd, Dean Schroeder, and Curtis White, will make up the stage crew.

Publicity will be taken care of by Coral Johnson, chairman; Ralph Menk, Louise Jutz, and Marilyn Splinter.

Applying make-up will be Marjorie Lieder, chairman; Corrine Diedrick, Janet Hedine, Marilyn Heller, Sandra Fluegge, and Carole Riess.

Usherettes for the play will be Nancy Naumann, chairman; Carole Ulrich, Zona Larson, Jean Harmening, and Margo Boesch.

Owatonna Choir At NUHS March 25

Owatonna choir members, under the direction of Adrienne Johnson, will present an assembly program here on March 25.

The seventy-two voice choir is going on a two-day tour to Springfield, Worthington, Mountain Lake, and New Ulm.

Among the numbers they will present are "Hail Gladening Light," and "Nightingale" by Tchaikowsky; "Lost" from a poem by Carl Sandburg; and "The Night Will Never Stay" by McKay.

Some of NUHS faculty members have heard the Owatonna Choir during the past year and have thought them very fine.

During the week the group holds five practice rehearsals.

Owatonna's music department also has a number of small groups.

Audrey Miller and David Young Chosen to Represent New Ulm

Audrey Miller was chosen by the faculty as New Ulm's representative to Girls State. First alternate is Colleen Pugmire, and second alternate, Darlene Barrett.

Darlene has also been selected as Cambria's representative and, therefore, will accompany Audrey.

Girls State is sponsored each year by the American Legion Auxiliary. It is to be held on the St. Paul campus of the University, from June 19 through 26.

There will be lectures and organized recreation for the girls who will attend from all over the state.

Two NUHS Teachers To Attend Convention

Miss Raverty and Miss Sogn will attend the National Science Convention in Denver, Colorado, March 25 to 29.

Throughout the week there will be banquets and meetings, all accompanied by lectures. There will also be conducted tours of some of the nearby industries. Miss Raverty expressed special interest in the Rubber Company which she hopes to tour.

The purpose of the convention is to discuss science teaching methods and the problems confronting the science teachers of the United States.

They will travel by plane from Minneapolis to Denver, and return.

Cheerleading Tryouts To Be Held This Spring

In order to have better trained cheerleaders for next year, the senior high cheerleading tryouts will be held this spring instead of next fall.

Formerly, the tryouts were held the day of the first football game the first week of school. This gave the contestants only three days to practice. Also the uniforms usually had to be altered to fit the newly-elected.

This change will eliminate last-minute confusion and will give the cheerleaders a chance to prepare for the coming cheering season.

Who Will Be New Ulm's Outstanding Athlete?

To select New Ulm's outstanding athlete of the year, this year's Athletic Appreciation Banquet will be held March 29, at 6:30 p.m. in Turner Hall.

Coaches and lettermen from the high schools in New Ulm will be guests at the banquet sponsored by the New Ulm Club. The public is also invited to attend. Thirty-six senior high lettermen from NUHS will be among the guests at the banquet.

The annual banquet is designed to further interest in athletics and to give recognition to those boys in the three New Ulm high schools, DMLC, NUHS, Holy Trinity, for the time and effort they have put into their athletic activities.

Each school will select one of its outstanding athletes attending to represent their particular school. One of these will then be chosen as the athlete of the year.

Bobby Cox, '58 senior quarterback on the University of Minnesota football team, and George Kline, '58 senior forward on the University of Minnesota basketball team, will be the guest speakers for the evening.

Warren Sunday and John Klotz, '55 and '56 NUHS graduates, were awarded the city title as athlete of the year during their senior year in school.

Fellows, it's not too soon to ask "her" to the Prom.

David Young was selected by the faculty to represent New Ulm at the Young Men's Conference in St. Paul on April 27-29. First alternate was John Hillmer; second alternate, Dave Edwards; third, Wayne Luepke.

Wayne Luepke is planning to attend because the others have other events scheduled on those dates.

The Young Men's Conference is sponsored by the Rotary Club.

The program will consist of tours of St. Paul industrial plants, vocational interviews with business and professional men in the fields the boys choose, tour of the State Capitol, a social event, challenging speakers, and opportunities to discuss problems of mutual interest.

Speech

LaVonne Roenstad

Sixteen local high school students competed March 13 for the right to represent New Ulm in the District 10 Declamatory Contest at Fairfax on March 25. The local eliminations, judged by Mr. Armstead, narrowed the field down to two entries in each division. The winners of each district division will then advance to the Region 3 contest; and then, if their vocal chords and Mr. Wood remain intact, to the state contest.

There are eight divisions: memorized oratory, original oratory, serious reading, humorous reading, extemporaneous speaking, manuscript reading, pantomime and discussion. Entered in memorized oratory are Helen Larson and Sandra Hippert. The lone wolf in original oratory is Boots Roenstad.

Flooding the serious division are Nancy Newton, Ellen Lippmann, Leslie Lueck, Mike (Fats) Carrier, Dave Young and Bertha Larson. Christine Oswald is registered in humorous reading, while the two windy debaters, Howie Vogel and Gary Kleinsmith, will blow up a storm in extemporaneous speaking.

Kathy Keckeisen and Karen Seifert are entered in manuscript reading. Rounding out the field are Bob Taylor and "50 mice, 50 rats, 50 dirty Democrats" Nicklasson.

Council Chooses '58-'59 Assemblies

To select University of Minnesota Assembly Programs for the 1958-'59 school year, members of student council met on Monday, February 3. Summaries, together with individual brochures for ten programs, were read, discussed, and rated in the order of those best liked by the council members.

Different types of shows picked were judo experts, calypso musicians, a lecturer on Project Vanguard, a cartoonist, a wild game hunter; the U of M Repertory Players with three plays; a magician; a Dutch musical including folk dancing; reptiles; and a lecturer on Ethiopia. About seven of the above rated ten will be booked to be seen at NUHS. Frederic Sjobiarn, a pianist and humorist, is also scheduled to make an appearance next year.

More recently another speaker has been secured. The Champion Spark Plug Co. is sponsoring a raced river who will talk on safe driving habits. This assembly will be held October 30, 1958, at 8:45.

Dental Assembly

The different aspects of dental care will be discussed by Dr. William Jordan at an assembly in the Auditorium, March 27.

One-Act Play Contest Being Held Today

Play casts from seven schools are in New Ulm today for the district one-act play contest held in the Little Theater.

"Antic Spring" was given in the auditorium for an assembly Monday, March 10.

"Practice teachers again!" Three cadet teachers have been scheduled to take over classes within the next few weeks.

Two Mankato State students, Miss Sharon Garberich and Miss Joan Garvin, will begin their six-weeks' session of practice teaching on March 24. Miss Garberich will teach history and physical education and Miss Garvin will teach biology and physical education.

Mr. Ardyn Sponberg, a student from Gustavus Adolphus, will come on April 7 for a four-week session. He will take over several biology, history and physical education classes.

Groups Prepare for Music Fest

Editorial

Wealth today is measured by many different elements—money, social position, political influence, or whatever an individual values in his life. Perhaps the most important thing is the thing that so many people today take advantage of—friendship.

Friendship is something that can't be bought, but it must be earned.

A true friend is a person you can rely on to share your good moments, as well as your bad ones. A true friend is faithful, not two-faced.

If you have one true friend, you're lucky, two friends and your luck is doubled. However, be careful in selecting your friends.

When selecting a friend, consider these traits; is he *friendly, reliable, interesting, energetic, neighborly, decent, sympathetic, happy, industrious*, and will he be a real pal?

Put the first letter of each of these words together, and you will have a lasting partnership if you, too, meet these qualifications.

Sophomore News

Mike: "Miss Steen, would you punish a boy for something he didn't do?"

Miss Steen: "Why, no, Mike."

Mike: "Well, I didn't do my homework."

Mr. Lynott to a tardy student: "Why are you late?"

Donnie: "Well, a sign down the street said—"

Mr. Lynott (interrupting): "Now what can a sign possibly have to do with it?"

Donnie: "The sign said, 'School Ahead—Go Slow.'"

Teacher: "What did Custer say at his last stand?"

Kathy: "Where the heck did all those Indians come from?"

Mr. Goertzen: "Tell me the truth now, who really did your homework?"

Kenny: "My father."

Mr. Goertzen: "All alone?"

Kenny: "No, I helped him with it."

A Student's 10 Commandments

1. Thou shalt not cut class—take the whole day off.
2. Thou shalt not copy someone else's homework—have them do it for you.
3. Thou shalt not run down the stairs—sliding down the banister is more fun.
4. Thou shalt not look at anyone's test paper—have them pass it over.
5. Thou shalt not borrow thy neighbor's pencil—take it.
6. Thou shalt not chew a stick of gum in class—chew the whole pack.
7. Thou shalt not shove others in the hall—knock them down.
8. Thou shalt not throw erasers in class—books are much heavier.
9. Thou shalt not eat in school—except in study halls and classrooms.
10. Thou shalt not whisper in class—shouting gets more results.

The Wayzatan . . .

It Happens Every Spring—

It never fails, every year about this time, Miss Kayser begins a search of her room to find her glasses. It seems that students find great glee in hiding them. Last year she found them filed under "G" in the filing cabinet. Last week, she found them in her book shelf, only it wasn't until Monday that she learned that she had not left them there—herself.

One Irishman on our faculty knows the ways of Old Erin—Begorra! On St. Patrick's Day, Mike Carrier greeted one teacher (Irish, at that,) with "The top o' the mornin' to you". —But it wasn't until he met Miss McLaughlin with the same greeting that he got the proper response—"And the rest o' the day to yourself."

Per Senior alities

by the Snoopers

A well-known boy in our class; he was number 24 on the basketball team. He is also known as the "Arthur Murray" of the senior class because of his "interest?" in dancing. The person we're describing is, of course, **William (Gopher) Green**. Seriously, Gopher is a friendly and popular personality of the senior class.

If you hear someone walking around the school murmuring strange words, don't be alarmed. It's only Miss Willie, excuse us, **Doris Barnell**, memorizing her lines for the senior class play. Besides dramatics, Doris also likes to sing. After graduation, she plans to go to Fairmont to work.

One of Miss Steen's "pasters" (of pictures), **Karen Racloff**, is very busy in her job as one of the editors of the Eagle. Karen also lists among her activities G.A.A. in which she is an expert bowler. Despite her busy schedule, she still finds time to get on the "honor roll". Karen's future plans seem to be headed toward the nursing field.

Hailing from Lafayette is the mighty **Tom Lund**, better known as "Bulla". Tom is another one of the members of The Bachelors' Protective Association. He can usually be found at home studying his physics and trig, or can he?

Supporting a shiny rock on her left hand is **Elaine Ubl**. Elaine's main interests right now seem to be Porky, Porky, and Porky. She plans to be married next summer. Roller skating seems to be a favorite sport of hers.

Going steady with a Packard is **Arlene Maidl**. Arlene's pleasant personality makes her well-liked by all, especially Dayle. She can be found after school and Saturdays working at Jenkins. I'm sure everyone will agree she made a cute "Daisy Mae" at the Woodchoppers Ball.

College Prep holds a great attraction for **Marilyn Heller**, who always manages to remember so much. "Suzy" is going to work at Rochester if things work out well.

A girl with quite an interest in Sleepy Eye is **Carole Riess**. She is a very speedy student in shorthand and typing. Carole plans to go to California after graduation. Have fun!!

A NORMAL CHILD

Johnny Jones has lost a leg,
 Fanny's deaf and dumb;
 Marie has epileptic fits;
 Ron's eyes are on the bum;
 Sadie stutters when she talks,
 Mabel has TB.
 Morris is a splendid case of imbecility,
 Billy Brown's a truant,
 And Harold is a thief;
 Teddy's parents give him dope,
 And so he came to grief;
 Gwendolyn's a millionaire,
 Gerald is a fool.
 So every one of these children
 Goes to a special school,
 They've specially nice teachers,
 And special things to wear,
 And special time to play in,
 And special kind of air;
 They've special lunches right for them,
 While I—it makes me wild,
 I haven't any specialties,
 I'm just

a normal child.
 Milacachi.

Teacher: "A fool can ask more questions than a wise man can answer."
 Student: "No wonder so many of us flunk our exams."

A sensible girl isn't as sensible as she looks, because a sensible girl has more sense than to go around looking sensible.

Student: (From the back of the room during an exam) "Are you sure that third question is in the book?"
 Teacher: "Certainly".
 Student: "Well, I can't find it."

A bachelor is a happy guy,
 He has a lot of fun.
 He sizes all the cuties up,
 But never Mrs. one.

We Were There

With so much warm weather lately, it seems that a lot of the kids (teachers, too!) have gotten a slight case of Spring Fever already and would rather be in the great out-of-doors instead of classes. Well, it won't be very much longer before Easter vacation will begin.

A certain high-school girl named Rosie had a touch of conscience, and asked her pastor if she could still go to heaven though a sweetheart had kissed her good-night. "If you can't, honey," said he, gently, "there's sure going to be a lot of empty space up there!"

Maybe there's a moral in this. Trees which are most generous with their sweetness in the spring, such as sugar maples, are the most beautiful when autumn overtakes them.

That long-awaited day finally came when the juniors got to pick out their class rings. Now they can hardly wait until next September to get them.

"I got 35 in algebra and 40 in English but I sure knocked 'em cold in history.
 "What did you get?"
 "Zero."

The Wednesday morning Lenten services seem to be a great success, thanks to those students who take part in the programs and also those who attend the services.

The judge was listening to testimony in a case and ventured to inject the remark, "Do you claim that this man hit you with malice aforethought?"

The complainant eyed him suspiciously for a moment and then replied, "You can't mix me up as easy as that, Judge. I said he hit me with a Ford, and I stick to it!"

An elderly lady, visiting the city for the first time, saw on the front of a high building a glaring sign, which read: "The Smith Manufacturing Co." "Am I ever surprised!" she remarked. "I've heard of the Smiths all my life, but I never knew this was where they made 'em."

Even though we didn't get as far in the basketball tournament as all hoped, we all think you boys and our coach, Mr. Goertzen, did a fine job.

There are a lot of "top 40" songs that could refer to things or people in our own school.

- "Don't" give tests
- "Dinner with Drac" cafeteria line
- "Tequilla" Fred Juni
- "Stroll" (through the halls) Kathy and Jerry

"Who's Sorry Now" Marlys
 "Are You Sincere?" Karen

When "traffic tickets" are handed out in choir, Mr. Ackermann, I think one is deserved by a certain senior boy who slightly nudged Stan and sent him falling to the floor. We all have our tumbles, Stan, but from where I was sitting, it looked as though you were helped. Know anything about this, Bruce?

We certainly hope that a certain group of junior girls and senior boys are getting along better now, since the girls showed the boys how really grown up and sophisticated they could be.

"Women think about love more than men; that's because men think more about women."

Have any of you girls tried the latest "gunny-sack" dresses? I know a lot of you won't, because the opposite sex says no! Boys just don't understand fashions. If Judy wants to wear a gunny-sack, Jerry, then let her wear one.

If you do your shopping at Paul's Super Valu, you'll see **Kenneth Pfarr** ambitiously at work carrying groceries. He enjoys school but somehow he's decided that it's going to be awfully nice after the next 12 weeks. Good luck, Kenny!

Another one of our senior girls who got a diamond for Christmas is **Jean Harmening**. She is very active in G.A.A. and she is a member of the "second soprano section" in Glee Club. Jean's future plans are to get married some time this summer.

Hailing from a farm near Courtland is **Wayne Luepke**. He is the secretary of the F.F.A. and he does an outstanding job in farm work. Wayne seems to have a craving for playing the part of the doctor in class plays!

This girl is well-known for driving around in her little black and white "Holstein". **Diane Albrecht** hails from rural Klossner but has much interest in rural New Ulm. Diane is one of the few who never missed a game.

FFA Sweetheart and homecoming queen attendant is none other than **Brenda Schiller**. Brenda's after school evenings are usually spent in either trying to learn a fish flop or trying to teach our future majorettes how to twirl. But her weekends are all reserved for a certain "Block".

Joleen "Jo Jo" Gag is well-known for her friendly ways. We are certain Jo will go far in her future career in wrestling. Her hobby is collecting rabbits of all sorts; one of her latest is a cute little one with a broken leg.

Snooping Around NUHS with Nancy

"A Head for Lines"

While reading over newspapers to find interesting headlines for journalism, Ralph Menk came across a picture of several bathing beauties and made the remark, "I don't know about the heads, but they sure have nice lines."

"This Is Real Cheesy"

During a recent chorus rehearsal, Mr. Ackerman remarked that the chorus members reminded him of cheese because they seemed to get better with age. Several minutes later while Dave Edwards was singing a solo, Mike Carrier popped up with the trite remark, "Man, that's Limburger."

A Professional Name

The Senior Girl Scouts of our school held a tea Thursday, March 6, for all the women teachers and the wives of the men teachers. When Miss Raverty received her invitation her name was typed neatly on the envelope as "Miss Chlorine Gravity."

An Even Trade

Mr. Zahn jokingly made an announcement several weeks ago that if anyone wanted to get an A in his class, he must get hold of a picture of his personal friend, Carl Rolvaag, who is the Lt. Governor of Minnesota. Eugene Tobias decided he would like to get an A, so he sent for a picture which he plans to present to Mr. Zahn and then demand an A.

Spring Fever Comes Early at NUHS

One day during one of the sophomore girls' gym classes, Miss Mueller was calling roll and the girls were answering either "here" or "yes". When she came to Sharon Foster's name, Sharon looked at her, smiled sweetly, and said "Hi". Upon realizing what she had said, Sharon turned a beautiful shade of red and covered her face. I guess spring fever has already hit some of our students.

English of Seniors

Members of the senior class have been writing themes in the form of a diary for English. While checking over the papers, Miss Kayser came across a sentence which went like this: "I came home horse from the game."

Another one read: "I woke up with a sorry leg muscle."

Cafeteria Blues

One noon Mr. Wood walked into the cafeteria, took one look at the sauerkraut they were serving that noon, and said, "If they serve this in the hereafter, I don't want to go there."

It's Tournament Time

Twenty-five NUHS students have signed up in the principal's office for state tournament tickets; however, the office has received word that it is very possible that they won't receive as many tickets as they ordered. Just what will be done about distributing the tickets is not yet known.

Spring Is Coming So Is Prom

W. Wiesner is fouled by Sleepy Eye's R. Schroeder in New Ulm's 2nd Tournament game. Sleepy Eye won 55-54.

New Ulm Takes 2nd In District Wrestling Meet

With Rodney Nelson, Leroy Hall, and Pat Eckstein leading the way, the Eagle Grapplers placed second in the district wrestling meet held here February 15. Nelson, Hall, and Eckstein each placed 1st in their individual weight classes, and represented New Ulm at the regional held at Redwood a week later. Eckstein also took first at the regional to go to the state. New Ulm also had wrestlers who placed second and third in the district. These are the wrestlers who won the district.

Eagles Rout Gaylord 72-41

The third seeded Eagles moved to quarter-final play of District 10 cage action by walloping Gaylord 72-41 at Sleepy Eye, February 24.

Led at Half

The Eagles ended a 4-game losing streak and upped their season mark to 9 wins and 8 losses. The Eagle regulars saw very little action, as they built up a 44-17 half-time lead and let the reserves take over.

At the start it didn't look like a runaway as the Gaybees shot to a 5-1 lead with 2 minutes gone. Then the Eagle scoring machine started click-

ing and stuffed in 14 straight points for a 13-5 lead. The Gaybees were fairly shaken up by this time and committed a score of floor mistakes. Hillmer Shoots 100 Percent

The Eagles kept right on rolling with 24 points in the second quarter. John Hillmer led the attack with 7 for 7, a perfect night. The Eagles had 5 players in double figures, including Hillmer 16, Green 12, Wiesner 11, Cordes and Silcox each had 10. Hillmer was high point man even though he played only half the game. New Ulm shot 46 percent for the game.

Sleepy Eye Five Edges Eagles

After defeating Gaylord in its first District 10 game, New Ulm fell to sixth seeded Sleepy Eye, at Redwood March 4.

The game got off to a slow start with the score tied at 10-all after the first quarter. Sleepy Eye then took command of the game and led 24 to 19 at the half. New Ulm came back in the third quarter but Sleepy Eye still led by a margin of 8 points. New Ulm sprang to life in the fourth quarter with its biggest rally of the game. Free throws made in the last several seconds clinched the victory for Sleepy Eye 55 to 52. Dave Silcox made a last second long shot to make the score 55 to 54.

Meet The Coaches

Henry Epp

Henry D. Epp has been track coach at NUHS for the last four years. He has also been teaching mechanical drawing here for six years. During World War II he served as a pilot and signalman on an aircraft carrier. During his high school days at Mountain Lake, Mr. Epp played basketball and was center on one of their state championship teams. He attended Mankato State where he made Little All-American in basketball. He also was on the track team there.

Vernon Zahn

Vernon Zahn has been at NUHS for 8 years. He has been baseball coach for eight years as well as "B" team basketball coach. While he was in the Army during World War II, Mr. Zahn was stationed in the U.S. In 1951 he was recalled into service and was stationed in Germany with his wife and two of his children. While he has been at NUHS, he has produced some pretty good baseball teams. In addition to coaching our baseball teams, he also plays softball in the summer and used to coach the New Ulm Millers.

Redwood Bumps Eagles 66-57

Redwood Falls, living up to its second ranking for the District 10 tournament, topped the third seeded New Ulm Eagles 66 to 57 Friday, February 14. The Cards weren't hitting well from the field but turned Eagle fouls into many a point. The Cards cashed in on 22 of 32 free throw attempts.

The Eagles had the lead early in the 1st quarter, lost it, and regained it before the quarter was over, only to lose it with 2½ minutes left in the half.

The Eagles' "never say die" spirit proved itself again as the Eagles came storming back to close the gap to 4 points before Redwood realized what was going on. Seniors Darwin Wieland and Bill Stolte kept the Eagles in the game with steady and accurate shooting from the corners.

Guidance

Of interest to all college-bound high school juniors is the National Merit Scholarship Qualification Test. This examination is scheduled for Tuesday, April 29, from 9:00 to 12:00.

The purpose of this test is to give all above average students or juniors an opportunity to understand their present academic strength as well as their weaknesses. It will help them decide which college they want to attend and courses for their senior year. The amount of the scholarship awarded will be based on financial need.

All juniors who are interested in this scholarship test must sign in the Guidance Office. The charge for the test is \$1.00 payable on Tuesday, April 29.

Test Scheduled For Math Students Here on March 27

All senior high math classes plus a few ninth graders will take a math test, sponsored by the Minnesota section of the National Mathematics of America Association, here, March 27.

The test consists of multiple choice questions on plane geometry, intermediate algebra, elementary algebra, and questions of a different and more challenging nature.

The top ranking students in the nation will receive awards, including a bronze cup and pins. At the present time, there are 262 schools signed for the test. This includes 7,500 students.

Commercial

In the commercial department, students are working on becoming skilled in the various courses of typing, shorthand and accounting.

At the present time Mr. Olson's accounting group is working with depreciation of different types of equipment. They are putting to use what they learned by practice in work-books.

The typing class is doing "on-the-job" projects along with drill in speed tests. Typists who have during the past or at present typed 40 words per minute or better are as follows:

Dave Gulden, Marsha Haber, Joseph Filzen, Karen Radloff, Sharon Fiemeyer, Darlene Myers, Colleen Pugmire, Avis Borchert, Janice Buggert, Susan Reim, Pamela Riederer, Sylvia Schwermann, Ann Vogel, and Re Jean Fluegge.

The Stenography I class is dealing with increases in speed in dictation of shorthand material. Top dictation speed with regular material at this time is 80-85 words per minute.

The Shorthand II class is attempting to develop typing skill in work with office machines. They are also working on production and speed aspects concerning transcription of shorthand material.

Spring Style Show To Be Held April 17

"How do you make a French seam?" "Is this zipper in right?" These are only some of the questions being asked of Miss Loveless as the students are preparing their garments for the spring style show to be held April 17, after school, in the Little Theater.

The theme, "Fifty Years of Fashion," is in accordance with Minnesota's Centennial year. A committee of students will collect a few garments from 50 years ago. These along with modern costumes made by the girls, will be modeled by students from the Home Economics classes.

Members of the committee organizing the style show are Sandy Cordes, Sharon Corcoran, Elaine Ubl, Sandy Fritsche, Charlotte Wacker, Susan Bethke, Jerilyn Donahue, and Mary Hillmer. Paulette Melzer is general chairman and Grace Rolloff is Secretary.

Basic plans have been made and members for the different committees have been chosen. Members of the program committee are Paulette Melzer and Grace Rolloff; invitation committee—Elaine Ubl and Grace Rolloff; information committee—Jerilyn Donahue; tradition committee—Paulette Melzer and Sandy Cordes; stage properties—Sandy Fritsche and Charlotte Wacker; costume committee—Charlotte Wacker, Paulette Melzer, and Susan Bethke; script committee—Paulette Melzer and Sandy Cordes; advertisements committee—Elaine Ubl. The narrator is Colleen Pugmire and the music will be played by Sue Vogel-pohl.

The foods department will prepare and serve the refreshments.

Mechanical Drawing International Language

Sandy Hippert

Mechanical drawing is an international language, according to Mr. Epp. To be exact, it is the oldest form of communication. The purpose of this course is very evident, for drafting is the language of industry, and without it many countries would not be able to understand each other in that field.

All boys attending NUHS, at some time or other, have some phase of drafting; the concentration comes in grades 9 and 10.

Some experts believe the young people of today should learn drafting as a part of their general education. For a future vocation, the ability to read drawings is of great value in many present-day activities.

If we are to understand and take part in the mechanical age in which we live, we must be able to visualize new processes, buildings, mechanical devices, and other things. A thorough training in the sketching of a variety of objects will do much to provide the basic skills and knowledge so essential in a person's preparation for life.

HOME EC

If you were to visit the sections of Home Economics department, you would find everything from needles to pots and pans.

In clothing, everyone is busily making their various garments for the style show. They are making the following: Twelfth grade—formals, coats, suits and dresses; ninth grade—summer cotton dresses; eighth grade—blouses, sports wear, and night wear; seventh grade—skirts and simple blouses.

The preparation of meals is being studied by the various cooking classes. They are preparing the following: Senior boys—meats; juniors and sophomores—dinner and meats; eighth grade—luncheons and suppers; seventh grade—breakfasts.

The eighth grade cooking class is also planning a St. Patrick's Day party.

Armstead To Teach In Saudi Arabia

Saudi Arabia will be "Home Sweet Home" to Mr. Armstead, ninth grade English teacher, for the next two years. There, in the city of Dhahran, he will teach one class of social studies and one of English. He will be employed by the American-Arabian Oil Company which maintains four schools, two American and two Arab. Mr. Armstead's pupils will range in age from thirteen to eighteen.

"I've always been interested in foreign teaching. Foreign students are not always given the privilege of going to school. Therefore they appreciate the opportunities given them," stated Mr. Armstead when asked for his reason for obtaining this position in a foreign country.

June 10, he will be flown to Saudi Arabia in a company plane. He also mentioned that he will live in an apartment provided by his employer.

Mr. Armstead explained that after one year of teaching, he will have two weeks of paid vacation; and after two years of teaching, he will be allowed five weeks of paid vacation and will be flown anywhere in the world he wishes.

Mr. Armstead has been at NUHS for four years. During this time he has coached both the junior and senior class plays.
