Volume 40

New Ulm High School, New Ulm, Minn., Tuesday, February 24, 1959

Number 5

Two Assemblies On Schedule

A judo lecture and demonstration will be given at an assembly at N.U.H.S., February 26 at 12:38.

Irv Morgan, lecturer and demonstrator, has been instructor for the Navy, schools, colleges, and police departments all over the country.

He will present counters, throws, trips, hold downs, and disarming of the armed. This provides an instructive and entertaining program as well as a lesson in self defense.

By using members of the audience for the purpose of demonstration, humor and instruction are added to the program. His subjects are also taught how to defend themselves against a potential "enemy."

Calypso Review

The art and entertainment of Calypso by five natives of the West Indies will be brought to NUHS on March 13 at 8:45 A.M. This program brings to the stage the true flavor of this part of the world.

The dances that are included on this program are native folk dances performed for generations by the natives of the British and French West Indies. Each dance is designed to tell a story or celebrate an event. The songs and dances will be accompanied by native rhythm instruments, steel drums, steel triangles, sticks, and the guitar.

Each member of the company has been carefully selected for the purpose of the presentation of this program.

Final Preparations Made in Speech Dept.

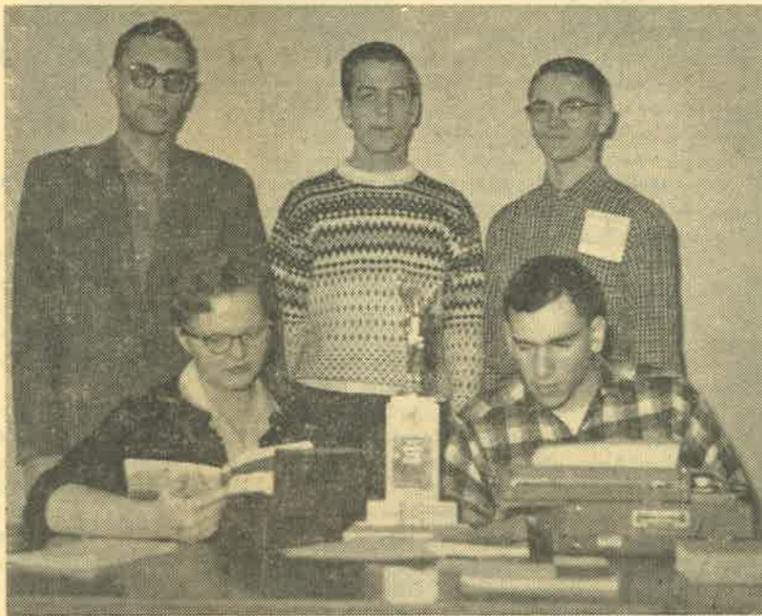

Original oratory, memorized oratory, discussion, pantomime, extemporaneous speaking, and serious, humorous, and manuscript interpretive readings are the nine divisions for the local speech contest which will be held on March 5.

Mr. Jenson is the coach of serious, humorous, and manuscript interpretive readings; and Mr. Wood of the others. The local judge will be Mr. Baril.

Myron Frisch, Ann Vogel, Bud Knopke are participating in original oratory; Ellen Lippman and Leslie Lueck, memorized oratory; Karen Seifert, Lois Karl, Pete Smith, Mike Good, Helen Larson, Joanne Erickson, Bertha Larson, discussion; Sandra Nehla, Dave Nicklasson, Alan Runck, Jerry Lueck, Allan Alwin, and Mary Flautz, pantomime; Sandy Hippert, Joanne Brakke, Carol Strate, Gloria Fesermaier, Margaret Palmer, Sylvia Schwermann, and Nancy Newton, serious reading; Sandra Fritsche, Connie Stone, Lynn Schneider, and Mary Kay Schmid, manuscript reading; Grace Rolloff and Christine Oswald, humorous reading.

Howard Vogel and Gary Kleinsmith are in extemporaneous speaking. They both competed in the same division last year when Howie went to the regional; and Gary, to the state.

The best two out of each division will go to the District 10 Speech at Belview, March 17.

Members of the district debate champions are pictured with their coach. Seated: Bertha Larson and Myron Frisch; standing, Mr. Wood, Howard Vogel and Gary Kleinsmith.

New Ulm High to Present Spring Band Concert

Don Jacoby, member of the KSTP-TV staff, will be the featured trumpeter at the Spring Band Concert to be held April 10, afternoon. Mr. Jacoby will be brought here by the NUHS Music Department and Brown's Music Store.

"Napoli," "Ode for Trumpet," and "Londonderry Air" are the solos to be played by Mr. Jacoby. The senior high band will accompany him. Other numbers to be played by the band are "Jolly Robbers," "Holiday for Trombones," "Froud Heritage" and the "Liberty Bell March."

The junior-high band will also play at this concert. "Herald Trumpets," "Air for Band," "Colonel Bogie March" and "Fanfare in Rhondo" are the selections they will play.

Because of limited time, the grade-school band will not play at this concert but will give a demonstration later in April.

Guidance News

Graduates of N.U.H.S. were supposed to come to interview prospective students for the University of Minnesota, but this meeting has been cancelled because the Spring Vacation at the University and Easter vacation at NUHS occur at the same time.

Students planning to attend the University of Minnesota may send in their applications any time during the school year. This is a recent change in the policy of the University. Formerly students sent in their applications in June through the principal's office. Students may pick up their applications from the Guidance Department.

At the Parents FFA Banquet winners of awards are shown: Melvin Stadick, corn producing; Fred Juni, hog producing; Ronald Dahlthrop, sheep; and Dave Besemer, dairy.

Debate Team Goes To State

Following in his father's footsteps, Howard Vogel was a member of the NUHS debate team that competed in the State Debate Tournament at Macalester College on February 14. Howard was also high-point man for the team.

Placing thirteenth among twenty teams, New Ulm had two wins and four losses. Howard Vogel and Gary Kleinsmith made up the affirmative team, with Bertha Larson and Myron Frisch making up the negative.

The affirmative lost to South St. Paul and Duluth Denfield, and won over Fertile. The negative lost to Worthington, and Minneapolis Southwest, and won over Elbow Lake.

Rolloff and Knopke Selected as New Ulm's Exchange Students

Sailing for Europe on March 23 are two NUHS boys—Tony Rolloff, senior; and Bill Knopke, junior. They will live with selected German families in Ulm, Germany, and attend school, beginning after Easter. They were selected by a local committee.

About March 15 the two boys will leave by bus for New York, where they will board a ship for Rotterdam. From there they will take the train to Ulm. At present their plans are to remain there until sometime in August.

Transportation expenses are to be paid by the boys' own families, while their expenses in Germany will be paid by the city of Ulm.

Their trip is part of the exchange program between New Ulm, Minnesota, and Ulm, Germany. Peter Muehlen and Wolfgang Mueller from Ulm are now attending NUHS.

Seniors Invest Cash in Sugar Company

"When it reaches 8 dollars we'll sell!"

This is the hope expressed by the members of the senior class who have invested in stocks, as a phase of social studies.

With \$262, the highest amount ever collected from members of a class, Mr. Harman and a group of seniors chose Utah-Idaho Sugar the company in which to invest.

Through Merrill, Lynch, Pierce, Fenner, and Smith, stockbrokers, 36 shares of stock were purchased at the price of 7 dollars per share. Everyone is now watching the market; and later the stocks will be sold, and the profits (if any) divided according to the original investment.

Virginia Broste, senior, is shown with the trophy which indicates she was chosen FFA Sweetheart for 1958-59.

NEWS IN BRIEF

Two Math Tests Scheduled

A math contest is being held for the higher Algebra and solid geometry classes on March 5. The purpose of the test is to stimulate an interest in mathematics.

Another math test that is scheduled is the IT math test. This is for students planning on enrolling in the Institute of Technology at the University of Minnesota. The test is on March 17 in Room 219W.

Lenten Service Attendance Noted

Attendance totaled 140 at the second Lenten service conducted by the various youth groups at Friedens Evangelical and Reform Church. The meetings are held on Wednesday mornings from 8:45 to 9:15, with breakfast being served at 8:15.

Girl Transfers from St. James

The sophomore class has a new addition. She is Joan Peterson from St. James. Right now she is staying with her brother-in-law on a farm near New Ulm.

Joan goes out for sports and has already joined GAA.

Her interests center around sports also she enjoys basketball and football games.

Movie Scheduled

Alaskan life today will be portrayed in a film called "Alaska Today" to be given on Friday, March 6, in the auditorium.

Mr. Jenson Selects Senior Class Play

"Thunder on Sycamore Street" by Reginald Rose has been selected as the senior class play according to Mr. Jenson, the director.

Reginald Rose is also the author of "Twelve Angry Men" which won first place in Studio One. "Dino" is another play he has written.

There are 18 speaking parts plus a few extras.

Tryouts will be March 9 and the play will be on April 17 and 18.

An unusual feature will be different settings for each act.

One Act Play to be in Assembly

"The Enemy", the entry of NUHS in the District 10 at Sleepy Eye in the one act play contest, will be presented to the student body in the auditorium on March 9.

The members of the cast are as follows: Pauli, Karen Darlington; Mizzie, Valene Wieland; Professor, David Silcox; Baruska, Christine Oswald; Behrend, Jim Freisinger.

On March 16, the play will go to the district at Sleepy Eye. Mr. Baril is the director.

Girls' Tumbling Team Appears

Entertaining at the tournament game Saturday, February 28, will be the Girl's Tumbling Team. The team consists of eight girls—Carol Strate, Paulette Melzer, Ruth Troutmiller, Grace Rolloff, Sharon Brunson, Karen Schiller, Marne Gislason, and Jeanie Stone. They will perform during the half-time, with accompaniment.

EDITORIAL

Something For Nothing?

Advertisements sometimes use two statements to attract the buyer's eye; one is, "Free! It costs you nothing." The other says in effect: "These lessons are so easy anyone can master them in a few hours." These statements are not false, as a general rule, but are the products advertised very valuable? Generally we get what we pay for.

People who study human nature sometimes say there's a desire in most of us or at least a small hope, that we will be able to get something for nothing. The sooner we give up this deceiving idea, the better. The things that are worth having and which we prize the most are the ones which we have worked hard to get.

Often the price is very high and it may require more than a monetary contribution. The price may be our lives, or at least a portion of them. Clergymen, teachers, doctors, musicians, to name a few, must study years and spend many hours of practice before they become proficient. The athlete, too, must train and follow definite rules to stay in the game. The successful student, too, must pay a price—work. He cannot select only the easy subjects.

To quote from the T.V. show, "The Price is Right"—or most generally is, however, it pays to be very discerning about what is offered, before we buy.

From New Ulm to Ulm

William (Bill) Knopke and Anthony (Tony) Rolloff have been selected as New Ulm exchange students to Ulm, Germany.

New Ulm High School is very proud that two of its students have been chosen, and Bill and Tony are thrilled at the prospect of attending school in a foreign country.

The boys will leave next month for a four-month or maybe longer stay in schools in Ulm, Germany.

We think this is a wonderful opportunity. We are sure, that if others had the opportunity, they would be very happy to take advantage of it. Maybe in the future through the help of some other organizations there will be many more exchange students.

So for the present we will say "Auf Wiedersehen" Tony and Bill.

Frog Race!

Having left the Winter Concert behind, both groups are now practicing for the coming Spring Concert, which will again be in our auditorium on April 26.

In contrast to previous years, this year much of the music sung will be on the lighter side. Some of the selections include: "The Happy Wanderer," "When the Saints Go Marching In," "Lord of Hosts," "Anywhere I Wander," "He Watching Over Israel," and "Somewhere Over The Rainbow."

The choir was used as a "guinea pig" for a music clinic, which was held in the little theater for area music teachers. The students have now learned to sit on the edge of their seats, keep quiet, and remain attentive at all times!

Some of the students are beginning to prepare themselves for the Music Elimination Contest and the Music Festival. This year, the Festival will be at Redwood Falls, while the contest is here at NUHS.

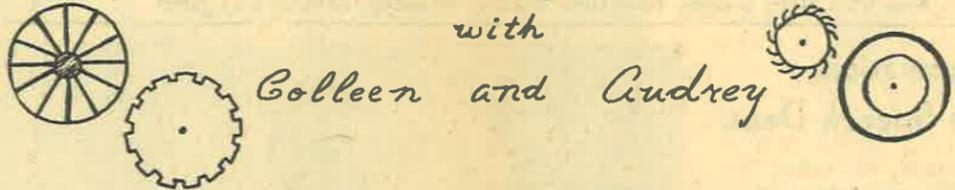

Choir and Glee Club

A jump of twenty-three inches and the participant is only 1 3/4 inches long!

The fourth hour biology class watched a combination race and jump several weeks ago. The two participants, frogs, are owned by Roger Borchert and coached by Mike Olson and David Benson, who prodded the frogs on with the help of a stick.

The frog, trained by David Benson, jumped twenty-three inches and this was compared to the distance a man jumps. Deduction:—The distance the frog jumped is comparable to a broad jump of 78 feet made by a man six feet tall. The class was dissecting frogs at the time of the race.

A SPIN OF THE WHEELS

with Colleen and Audrey

Howard Stolt, a bus student from Cambria, is a rather quiet individual, who enjoys sports such as baseball and basketball, and occasionally likes to hunt or go fishing. Upon graduation from high school this spring, "Mopes" will work on the farm.

Ardys Splinter, better known to most of us as "Shorty", is not very talkative but has lots of pep. In her spare time she likes to go horseback riding or enjoys drawing. After high school Ardys plans to either attend college or enroll in a beauty school.

Elroy Ubl, a jazz fan who is known as "Butch" to some people, is always ready for a good time or a good joke. He's usually driving his new 49 Mercury and for some reason his pet peeve is city policemen. Some of his other interests are bowling and dancing and watching the girls bowling in GAA. Next year Elroy will probably be studying at the U. of M.

Pat Hayes, a senior who always has a smile for everyone, has a good sense of humor and is always ready for a laugh. Her hobby is painting and she is usually supporting the team at our basketball games. Pat is also in GAA. After graduation she would like to go to Mankato State, but her plans are not definite as yet.

Rodney Nelson, a member of the wrestling squad, has won individual championships in this sport. Aside from wrestling, driving his car and working on the farm, we haven't found out what he does with his spare time, but it must be pretty well occupied. Rodney's future plans as yet are indefinite.

Eugene (Toby) Tobias is the official baby food stacker at a local grocery store, namely the Red Owl. It seems that this is the cause of his ruining a lot of pants. A good deal of Toby's spare time was spent at the drive-in last summer. His good sense of humor makes him well liked. After graduation, perhaps he will go into the grocery business.

Dave Silcox, our student-body vice-president, is active in football, basketball, and baseball. Although his main interest is sports, he manages to find a little spare time for a certain gal. He can be found most any night at 116 North Franklin—until 9:29 that is! Dave, whom we all know as being a good dancer, hopes to be attending St. Olaf College next fall.

Blond Kathy Madsen is one of the most athletically inclined girls in the senior class. Sports is her biggest interest, naturally. She enjoys roller skating the most. Kathy, who works part-time at the Palace Lunch, is undecided about her future plans at present.

Darlyne Barrett is Cambria's contribution to our class. However, she seems to be more interested in Mankato than Cambria. Darlyne, who was one of our Homecoming attendants, is active in choir, glee club, girls' trio, and Student Council. Darlyne's part-time job at the Cat'n the Fiddle makes her Saturday nights awfully long. As of yet, her plans for the future are indefinite.

A PECK OF HECK

Mr. Anderson: What is a reciprocal?
Claire: It's a number turned upside down.
Jerry Tobias: Oh, in other words the reciprocal of 9 is 6.

On February 3, the juniors took A.C.E. tests in the cafeteria. After the tests a group took a tour of Holy Trinity.

Last week after third hour study hall Mr. Harman locked the door. A few minutes later, we heard someone pounding on the door; Jerry Skalla had been locked in the library. Jim Preisenger came to the rescue by calling Mr. Herrmann to open the door.

While discussing an algebra problem, Ellen said she got the same answer as Jerry. Ellen also added that she had worked together with Jerry at his house. Mr. Anderson's reply was, "Then you weren't working."

Wolfgang Mueller, who is one of our exchange students, makes his home with the Ted Fritsche family. His interests are chemistry and history. Not only does Wolf collect records, but he also collects trinkets from nameless persons which he hangs on the wall. Wolf, who says his hobby is women, will go back to Germany after graduation to finish school there.

Dave Bessmer can be seen most often riding around in his bright, blue, '57 Ford. He manages to find time, however, for F.F.A. work in which he recently won an award. Another interest of his is riding horses which he enjoys a lot. Next year at this time, Dave will most likely be farming.

Snooping Around NUHS

"The best laid schemes of mice and men, often go awry"—Robert Burns. For practical application see Jerry Schroeck.

Photography can be a dangerous business! An explosion occurred in Dennis Thompson's pocket one day. How did it happen? Apparently three flashbulbs, keys, and a battery are the wrong items to have together.

A certain junior girl has a new use for the Graphos—to paper her room.

While discussing superstitions in first hour English class, someone said that you are supposed to plant potatoes on Good Friday.

Miss Kayser asked, "I wonder what kind of potatoes we would have this year if they were planted on Good Friday?"

"Early potatoes," remarked Eugene Tobias.

Belated happy wedding anniversary, Mr. Zahn!

This conversation took place in sixth hour English.

Miss Kayser: "Well, you aren't too bad most of the time, Rodney."

Rodney Wallner: "I guess I'll just have to try a little harder then."

Going AWOL apparently does not pay! Just ask the 18 juniors and seniors who have to make up a total of 96 hours (5,760 minutes)—the equivalent of 4 days—after school.

Apparently confusion reigns—one senior tries to dissect an angle, while the other tries to bisect a frog.

The NUHS library is "big business" both in money and in "customers." Here are statistics to prove it:

- Number of books, 13,000 plus.
- Value, \$30,000 plus.
- Number of sets of encyclopedia's, 5.
- Other references, 16 shelves.
- Magazines subscribed to, 100.
- New books added since September, 475.
- Number of books checked out last year, 21,279.
- Number of books checked out—January, 1959, 3,496.

Paging Betty Crocker! Is detergent really necessary in white sauce? It seems that one day in sixth hour home economics, the boys were making white sauce. Dave Dethmers and Dave Gulden tasted theirs and told Miss Jackman, student teacher, that "it wasn't fit to eat." Miss Jackman tried it and found that detergent had apparently been added!

One senior wrote in a theme that if he had but a short time left to see, among other things, he would like to see the leaning tower of Pizza!

Welcome to three new students to NUHS! Mary Ann Salisbury, a freshman, and her sister, Karen, a junior, from Nicollet; and Lois Nienow, a freshman, from Mapleton.

Too late for sports, but in time for congratulations—to Lyle Hames and Duane Steinkopf, who are to represent NUHS at the state wrestling meet on February 27 and 28.

TAKE IT OR LEAVE IT

The other day someone asked when senior skip day was. That's a good question. As one of the "detentioners" said, "We had our skip day last week!"

I think after this, that Kay Parsons will believe kids when they admit hiding the extra case of pop. (Of course, you can't always believe everything you hear.)

Definition—
Knapsack: a small sleeping bag.
Want to get so mixed up that you won't know if you're coming or going? The College Prep class is reading "Tale of Two Cities," and that's the way most of us feel.

What are you giving up for Lent—candy, movies, boys? Here's a good one—Mr. Ackermann and Mr. Wood are giving up chocolate-covered watermelon seeds. Try to match that one!

One Friday the 13th has gone by (thank goodness!) with only two more to go this year—one in March and another in November.

There has been great concern lately about the rapidly failing health of the Physics class students.

Tired students, completely exhausted from trying to keep up with the terrific pace set by Miss Raverty, are forced to miss school so they can study more Physics.

When asked to comment, Miss Raverty merely sniffed, "We have to, or we'll never get to electricity in time."

It will be interesting to see how much this handful of heroic students can take.

Mr. Ness is trying to get Wentz Wiesner to take the bounce out of his waltz. Wentz's only reply was that if he took the bounce out of his waltz, the bounce would also leave his basketball and that wouldn't be so good.

A special request to Mr. Olson: "Keep your eyes on Lynn Schneider and Connie Stone in 5th hour study hall—Wordy Women!"

In Social class while discussing "How people became famous"; we then started talking about Elvis Presley, and Mr. Harman said, "What's Elvis Presley got that I haven't got and wouldn't want."

Advice from the Seniors to the Juniors

When deciding upon a class ring, don't think it's such an earth-shaking event; after all, a ring is a ring. It's the meaning behind it that counts. Don't let disagreements spoil friendships.

When planning the prom—Dig In—and don't underestimate the group. Everyone is capable. The secret is—get started early and keep at it. You'll find it's fun.

A message from the nurses' office. "Don't blame anyone if you came to school with a headache because of loss of sleep"—and—"Don't ask the nurse for an aspirin."

Also—"Aspirin is not a cure-all—even for an upset stomach."

Overheard in the nurse's office:—Charles Fleck, who came in with the most beautiful case of German measles seen this year: "Will I live?"

Registration for next year's classes are now underway. Students should do a little thinking about what they plan to do in the future and what subjects they would like to take. It helps!

Mr. Herrmann left yesterday, February 23, at 6 o'clock on a navy plane for Pensacola, Florida. There are 12 school superintendents from the state and about ten Minneapolis business men in the party. On arriving at Pensacola they will be taken out into the Gulf of Mexico aboard a navy carrier. Seeing a jet take off from the carrier will be one of the maneuvers they will witness. The trip is a three-day one. The party will return to Minneapolis Wednesday night.

The Sports Chatter-Box

As intramurder drives into its final week, we find that Kleinsmiths Killers have wrapped up the championship. Because of this, many teams are trying to see who can play the wildest game.

In the game between Hartman's Hoopers and Rolloff's Rogues, a new brand of basketball was invented. It was actually dangerous to have the ball in your hands. It even went so far that once when "Hook" Hartman had the ball, Tony Rolloff tackled—yes, tackled him. Rolloff was penalized five yards and Hartman was given a free shot. By the time the first half had ended, Rolloff was trailing by a score of 20-1. Because of the score, Rolloff's Rogues decided to pull all the stops.

Let me tell you, the Rogues were determined to win. Everytime there was a loose ball, everyone dove for it. Suddenly there was a scream from the auditorium seats. Everyone froze in their tracks and gazed with amazement at a snowball fight that had broken out among 3 SENIOR GIRLS!!

After the offenders were removed by Mr. Anderson, play resumed. With 2 minutes remaining in the third quarter everything seemed to be normal.

Wolfgang Muller was dribbling down the floor when an unidentified spectator yelled, "SECOND DOWN 10 TO GO." Wolf thought there were 2 seconds left and he let loose with a half court shot that dusted the ceiling on the way to the basket. Unfortunately, Wolf missed.

Rolloff's Rogues tried their famous "flying wedge," but this could not crack the Hooker's defense. Tony decided that if the Rogue's couldn't go through the Hookers, they would have to go over them. Rodney Wallner climbed on Wolf's shoulders and stood under the basket. Tony threw the ball over Hartman's defense and Wallner attempted to dump the ball. Referee Anderson blew his whistle, jumped up and down, screamed and yelled. Mr. Anderson called a penalty against Wallner for using elevator shoes.

Before the game ended a total of 7 technical fouls had been called. After the game was over, the spectators found themselves suffering from a severe case of laryngitis.

After witnessing many of the injuries that took place in intramurder, I have come to the conclusion that the following hit by Horace would serve as a good motto for intramurder. "Sports begets tumultuous strife and wrath, and wrath begets fierce quarrels and war to the death."

Matmen Third In Conference Meet

The New Ulm Eagles took third place in the South Central Conference Wrestling at St. James, February 7. All nine of the Eagle entrants placed.

Terry Wellner and Rodney Nelson son individual championships. Four other Eagles were runners up.

St. James won the tournament, scoring 91 points. The defending state champs, Blue Earth, took second with 77; the Eagles third, with 72, St. Peter, 53; and Waseca, 33. It was the Eagles' best showing in the tournament in some years.

NU Falls 64-55 To Springfield

The Springfield Tigers, whose luck seems to be running in streaks this year, started a streak in the right direction January 30 by defeating the New Ulm Eagles 64-55 on their home court.

Although outshot from the floor, the Tigers scored 26 free throws in the game.

John Holland was high for the Eagles with 14, while Dave Gisvold hit 26 and Isaksen 20 for Springfield.

DISTRICT 10 TOURNEY

At this time of the basketball season everyone seems to be predicting who will win the games in the district, region and state tourneys. Because of this, I have decided to do a little prognosticating of my own. New Ulm should be a fairly strong favorite in its first round game with Gibbon. Sanborn, Belview, Morgan, Redwood, Fairfax, Winthrop, and Walnut should also win their first round games. This would mean that New Ulm would meet Sanborn in the quarter-finals. In my opinion Sanborn is a highly over-rated team; and if New Ulm puts in a good performance, it should be able to down Sanborn. My choice in the Belview-Morgan contest is Belview although Morgan could be a surprise. Strong Redwood should take Winthrop, and Springfield should beat Fairfax, although I pick Walnut over Springfield in the quarter-finals. These predictions leave New Ulm, Belview, Redwood and Walnut still in the melee. Before I completely go off the road, I think I shall reserve the rest of my predictions for a later date.

—Odds and Ends—

A basketball was seen running down the floor dribbling, Tom Karl.

All Runc' cracked his teeth on the basket while shooting a lay-up.

There is a rumor that the intramurder players are taking up a collection to buy a copy of the book **Basket Ball Rules and How to Officiate** for Mr. Anderson.

Bill Knopke and John Farrell have been running around school trying to find a place to practice golf. If this enthusiasm keeps up, NUHS should be well represented in golf this season.

INTRAMURAL HALL OF SHAME

High Individual Score—38 points in one game by Glenn Flagge.

High Team score—67 points by Kleinsmith Killers.

Most Original Play—Rolloff's Rogues—"Flying Wedge" and "Elevator Play".

Golden Goof—Tony Rolloff and Bob Sandon—scored 2 points for the opposite team.

Biggest Disappointment—The Referees.

Don't miss next month's Graphos when I will give all the highlights of the Basketball, Gymnastics, and Wrestling seasons as well as previews for the Golf, Tennis, Baseball and Track seasons. Until then so long.

Milton J. Forbisher

Wrestlers Win Seventh Over Lake Crystal 25-19

Its winning streak was kept alive at New Ulm Public High as the wrestling team tipped Lake Crystal 25-19 here during an assembly program, on January 29.

The victory was New Ulm's seventh straight dual-match victory, but Lake Crystal's 19 points was the most ever scored against the Eagles. The Eagles haven't lost since their opening defeat to Waseca 30-11 November 20.

The Eagle "B" team recorded a 24-14 win.

95: Calemán (LC) pinned Bray (NU) 1:58.

103: Shaylik (NU) decided Pfeffer (LC) 5-0.

112: Jordon (LC) decided Peterson (NU) 7-2.

120: Sperl (NU) decided Davis (LC) 6-4.

127: Ulrich (LC) decided Schroeck (NU) 2-0.

133: J. Steinkopf (NU) decided Roberts (LC) 7-0.

138: Wellner (NU) decided Thorstad (LC) 6-0.

145: Hames (NU) decided Ulrich (LC) 7-0.

154: Nelson (NU) won on forfeit.

165: Banta (LC) decided Storm (NU) 8-6.

175: Van Brunt (LC) pinned D. Steinkopf (NU) 5:50.

Hvy: Hall (NU) won on forfeit.

Bud Knopke is shown with the trophy he won at the Mankato State Invitational Gym meet as individual champion.

Hutch Beats NU

A seven match winning streak for the New Ulm Eagles came to an end February 3 at Hutchinson. The Eagles were trailing against Hutch; but decisions by Lyle Hames, who wrestled 165, and Duane Steinkopf in 175 made a victory still possible. Eagle heavyweight Lee Hall, however, had a rough assignment ahead. His opponent weighed 280 pounds and stood 6' 4". Lee tied this giant 3-3 as the final match ended.

Hutchinson 21; New Ulm 20

95: Grieve (H) decided Bray (NU) 4-3.

103: Shaylik (NU) decided Pulen (H) 4-2.

112: Risch (H) pinned Sperl (NU) 3:55.

120: Zehnder (NU) decided Barnes (H) 7-6.

127: Tomaschek (H) decided Asper (NU) 5-1.

133: Gruupp (H) decided Schroeck (NU) 2-1.

138: Steinkopf (NU) decided Juul (H) 1-0.

145: Wellner (NU) decided Burish (H) 5-2.

154: Karg (H) pinned Nelson (NU) 4:33.

165: Hames (NU) decided Henke (H) 2-1.

175: Steinkopf (NU) decided Latner (H) 4-11

Hvy: Hall tied Jorgenson (H) 3-3.

Redwood Grapplers Top NU

The Eagle Wrestling team lost their second dual meet here February 5 to Redwood Falls, 24-18. The New Ulm grabblers outscored Redwood in actual events 18-14, but lost on two forfeits in the 112 and 154 lb. classes.

Terry Wellner had the major Eagle achievement. He decided Bernie Kretsch in the 138 lb. class. Kretsch had been named for the biggest achievement in wrestling in the area last year.

In the 95 lb. class Bob Bray won from Howard Leopold which was another surprise victory.

Other Eagles who improved their records were Jerry Steinkopf (14-3) and Lyle Hames (12-2-1).

Redwood Falls; 24 New Ulm; 18

95 Bray (NU) decided Howard Leopold (RF) 5-1.

103: King (RF) decided Shaylik (NU) 1-0.

112: Leopold (RF) won forfeit.

120: J. Kretsch (RF) decided Zehnder (NU) 6-2.

127: Bailey (RF) decided J. Schroeck (NU) 7-2.

133: J. Steinkopf (NU) decided Giland (RF) 4-0.

138: Wellner (NU) decided B. Kretsch (RF) 5-4.

145: Hames (NU) decided Souper (RF) 4-0.

154: Kuelbs (RF) won forfeit.

165: Zueg (RF) pinned Nelson (NU) 5:40.

175: D. Steinkopf (NU) decided Jacobus (RF) 3-1.

Hvy: Hall (NU) decided Wobnoutka (RF) 3-2.

Knopke Top Individual

New Ulm won the team trophy and Carl Knopke won the individual championship in the Class D division of the Mankato State College Invitational Gymnastics meet Saturday.

Knopke took first on the parallel bars, second in tumbling, tied for third on the horizontal bar, and took a third on the horse for 18½ points. Carl's brother, Robert, scored seven points for a second on the horizontal bar and fifth in tumbling.

The Eagles scored 25½ points to win the meet, while Fairmont was second in Class D competition.

Cagers Fall To Redwood

The New Ulm Eagles bowed to Redwood Falls for the second time this season Friday at Redwood, February 13. As the final gun sounded it was Redwood Falls 53, New Ulm 42.

Redwood had an 18-point margin on the Eagles late in the third period by New Ulm's late rally whittled that to six points at 48-42 with the clock running.

With Jim Cairns and Larry Caruth each hitting three buckets, Redwood moved into a 17-10 first quarter lead. Wenzel Wiesner scored all of his 10 points in the first half to pull the Eagles within three at 23-20. Redwood then hit seven straight points to build up a 32-21 halftime lead.

Redwood had but 1 field goal in the final period but made eight of ten free throws.

Neither team hit their offensive mark of the previous encounter won by Redwood 75-69. Redwood shot only 31 percent, while the Eagles shot 29 percent.

Eagles Beat St. Peter

The New Ulm Eagles' basketball team hustled to a 65-56 win over St. Peter here February 3.

The win was sweet in more than one way. First, it snapped a four-game losing streak. Second, it revenged an earlier season loss to St. Peter; and third, it was the first win in the last four conference games.

New Ulm had an easy time after taking their first lead at 4 to 3. The only serious threat after that was when the Saints pulled within three at 34-31, but a free throw by John Holland and a basket by Doug Wiesner pulled the Eagles away for good.

This was the first game in which the Eagles squad was consistent from the free throw line. They hit on twenty-one of thirty-five to pave the way to victory.

Dave Silcox connected for 21 points to lead the Eagles in scoring. Wenz Wiesner again took rebound honors with 11.

G. A. A.

Hi, everyone! Here I am again to bring you the report on G.A.A. activities. We are still engrossed in our bowling tournaments. Everyone has made wonderful progress. Up-to-date, the highest averages are as follows: individual bowler, Audrey Miller, with an average of 138; Darlene Hintz, with a 124, has the highest average thus far in the sophomore class; Rita Thill, with a 125, in the junior class; Audrey Miller, with a 138, in the senior class and the highest team average is that of Rita Thill's team with a 110. As you can see there has been much progress since the first couple of weeks. Of course you are still able to find a few gutter balls here and there, and someone dropping the ball behind her.

The next activity that we will find ourselves in is basketball, which most everyone looks forward to.

St. James Clobbers NU

The New Ulm Eagles received a plastering from St. James 72-44 in a South Central Conference game, January 27.

Coach Goertzen threw out both a challenge and a threat to his team after the defeat. He said, "I can accept the blame for all our loses we've had so far because maybe I haven't had the best 5 in there. There's going to be a change right now." He also stated that the Eagles will 2-1 platoon the Springfield game. The starters were pulled out halfway in the 2nd quarter and never got back in. Three sophomores, a junior, and 2 seniors comprised the unit which finished the game. Karl Preuss, one of the sophomores, took scoring honors with 9 points and also led in rebounding with 12.

Actually the Eagles were still in the game in the 1st quarter, trailing only 19-11. Then the Saints threw in a full court press and bolstered their lead to 22 points, 49-27 at half time. The Eagle second team almost held their own but were out scored 22-11 in the 2nd half.

St. James took the "B" game 32-26 with Dwayne Monson taking high scoring honors with 7 for New Ulm.

Redwood Tips NU

After trailing late in the fourth quarter, Redwood Falls came back to defeat a good Eagle showing 75-69, on February 13.

Free throws played a big part in the visitors' victory. Redwood sank 23 of 27 at the gift line while New Ulm made only 11 of 22. New Ulm outdid the Redbirds from the floor by scoring 29 field goals, to 26 for Redwood. Another big factor in Redwood's victory was Paul Ramseth's 23 points, high for the game.

Redwood jumped to a ten-point lead by the end of the first quarter. New Ulm sank 8 in a row to narrow the gap, but Redwood bounced back and led 32-26 at the half.

In the third quarter the Cardinals fattened their lead to 14 points. Near the end of the third quarter the Eagles started pressing, and with only 1:50 minutes to play led by three points. Redwood sank two in a row and added a few free throws to go into the lead. New Ulm was still fighting but Redwood stalled out the clock.

Eagles Beat Waseca 76-70

The New Ulm Eagles moved into third place in the South Central Conference with a 76-70 win over Waseca, February 6. Their good shooting and rebounding paid off in this win, which evened the standings at 4-4 in the conference.

The experience of veterans was mingled with enthusiasm of sophomores to account for the win. Seniors Ken Cordes with 20 and Wenz Wiesner with 16 topped the Eagle scoring, but the sophomores had a major hand in the win. Karl Preuss came off the bench in the second quarter to play the remaining 3 quarters at center. He added 13 points 7 on free throws—and grabbed 9 rebounds. Another sophomore, Doug Wiesner, had 12 points and Mike Young added 7. Young hit on 3 straight set shots from out to add to the Eagle score.

Eagle coach Goertzen was pleased with his teams offensive showing but felt that the defense had a way to go in the line of improvement. The Eagle victory was sweet in another manner as it came over a rival Coach Manny Beckman, a team mate of Mrl Goertzen's at Mankato State.

The Eagles shot a hot 44% from the floor compared with 39% for Waseca. The edge in field goals was needed as the Eagles faltered at the free throw line.

Business Classes Report Progress

The beginning Shorthand class has completed their basic textbook which covers all the theory principles of the Gregg system. Two of the requirements of the course are to write the 180 brief forms without error and to pass theory tests with 90 percent accuracy or better. So far 18 of them have the brief forms out of the way, and Avis Borchert, Sharon Fiemeyer, Judy Donahue, Darlene Myers, Janice Reinhart, and Carla Stelljes have scores ranging from 90 to 99 per cent on one or more 100-word theory tests. The rest of the year will be spent in taking dictation and aiming to transcribe the material with 95 percent or higher accuracy. The speed of 60 words a minute is the initial rate of dictation.

After spending six weeks on filing, the senior girls in Stenography feel that they should be quite capable of fitting into the filing routine in a business office after a brief orientation period. The four methods of filing—alphabetic, numeric, geographic, and subject—have been covered in considerable detail. Via the rotation method, they are now becoming acquainted with and acquiring some skill with the electric typewriters, calculating machines, duplicators, and transcribing machines. They have been divided into two groups for shorthand speed development.

Miss Jocelyn Neufeld, student teacher from Gustavus Adolphus College, is presently getting teaching experience in these classes.

Production effort is being stressed in the typing classes. A rather realistic situation is in progress for the students are assuming they are new employees in a business and are assigned to the typing pool where the Typing Pool Supervisor assigns them jobs for the various departments of their firm. In some classes a monetary value has been placed on their jobs to assist them in learning just how valuable they may be in an office, as well as measuring their earning capacity.

Some nice speed records are being attained. So far Sandra Fritsche tops them all with a record of a net speed of 54 words a minute in a five-minute timing.

Co-winners of crop show awards are John Brandel and Vernon Sievert. Each earned 42 out of a possible 44 points.

Music Contest To Be Staged

The local music elimination contest will be held on Monday evening, March 9, at 7:30, in the auditorium. Earl Erickson of St. Peter will be the judge of the various solos and small groups.

This contest will permit as many as possible to play in competition and will give those with the highest scores a chance to play for the Music Festival at Redwood Falls.

Several individual solos and a girls' quartet will compete in the vocal division. In the instrumental division there will be 11 solos, a brass quartet, 2 flute trios, a clarinet quartet, an alto sax duet and a woodwind quintet.

The Music Festival will be held on two days this year, April 9 and 10. On Friday night will be the competition for the small groups, and Saturday will follow the usual program. The individuals and groups receiving high ratings will then be eligible to go on to the District 10 Music Contest.

Phyllis Larson One Of Top Ten In Minn

The results of the Betty Crocker Homemaker of Tomorrow Test have indicated that Phyllis Larson is one of the top ten in the state of Minnesota.

The sophomores and juniors are working on meat preparation and meal planning. The senior boys are working with lunches and suppers as are the eighth graders. Seventh graders are concentrating on breakfast.

In the clothing department, Miss Stoppleman's seniors are sewing dresses: the freshmen are working with colors and designing of dresses. The eighth grade class is making stuffed animals; the seventh graders are getting acquainted with machines, after which they will make aprons and skirts.

NUHS Student's Article To Be Published

Michael Good, a freshman, will have an article he wrote, published in a national magazine, *Boys' Life*, in the May issue. The story will appear in the "Duffel Bag" section.

Michael sent a manuscript entitled "Want a Start on a Fascinating Hobby?"—Try Making Photograms, as an entry in a contest. A photogram is a reproduction of any object set on black photographic paper. After it has been processed, the black paper becomes white; and the space left by the object is black.

Art Students Given Choice

Students in the art department have been given their choice of what they want to do for the next several weeks.

The majority of the students are working on sculptures, pottery, or painting. Sponge painting in which a sponge is used instead of a brush is the most popular. Mr. Marti said that when students use a brush, they think they have to get in every little detail: there isn't that necessity, when using a sponge. Examples of this work can be seen in the library show case.

A sculpture, made by the students, of a horse's head is on display in the art room.

Junior Prom Plans In Committee

Who is going to play for the prom? What is the theme? Who are going to be on the committees?

All of these questions have already been answered. The music will be provided by Jay Vincent and his orchestra. The theme . . . well, that's a secret. The committees, advisers, and chairmen are as follows: Invitations Committee-Faculty Adviser, Miss Raverty; Ann Vogel, Chairman; Marsha Haber, Co-Chairman. Program committee-Faculty Adviser, Miss Raverty, Kathy Keck-eisen, Co-Chairman.

Food Committee-Faculty Advisor, Miss Westling; Kathy Clobes, chairman; Karen Bockus, Co-Chairman. Table decoration committee-Faculty Adviser, Miss Stopplemann; Avis Borchert, Chairman; Sharon Foster, Co-Chairman. Decoration committee-Faculty Advisers, Miss Treadwell, Miss Stopplemann, and Mr. Zahn; Lois Karl and James Freisinger, Chairman; Claire Rolloff and Bill Knopke, Co-Chairmen. Clean Up committee-Faculty Adviser; Mr. Zahn; Jim Rolloff, Chairman; Larrys Hulke, Co-Chairman.
