Mr. Pfaender Rests; To Resume Post In Future

By Ellen Lippmann

As most of you know, Mr. Tom Pfaender, our Athletic Director, Noon Hour Supervisor, Health and Physical Education Instructor, Gymnastics Coach, First Aid Director, St. Louis County 4-H Camp Director, Organizer of the Holiday Tour to Mexico, and Man of All Work, had a slight stroke while on his tour to Mexico.

Having left a local hospital on Tuesday, Jan. 19, he hopes to return to school in about a month. Mr. Pfaender has been a "Go-Go-Go" man; but as someone has aptly expressed it in the teachers' weekly bulletin, he has been a Go "Giver" rather than a Go "Getter". Everyone hopes that the rest will restore him to his usual cheerful self.

Taking over Mr. Pfaender's duties until he returns is Mr. Richard Anderson, a graduate of St. Cloud State College.

340 Enrolled in Night School

A total of 340 adults have enrolled in night school this year at NUHS. Of these, 75 to 100 are in agriculture.

Among the new courses in the curriculum is apprentice training, provided for carpenters who would like to become journeymen carpenters; this is required by the State Department of Vocational Training. Cooking and foods, flower making, and survival training are the other new courses offered.

Those which are offered from year to year are agriculture, bookkeeping, ceramics and drawing, citizenship, contract bridge, first aid, golf, photography, sewing, slimnastics, typing, and wood refinishing.

Mr. Olson has commented that he felt that an even higher enrollment would have been possible if the weather had not been bad on registration night.

Prom Plans Underway

Plans for the Prom this spring, which will take place April 30, have been started by a junior committee which will undertake the many problems facing the undertaking.

They met today to name the committees, such as the band, theme, cost and so on.

The members of the committee are as follows: Paulette Melzer, Judy Lervaag, Chris Oswald, Carol Strate, Lynn Schneider, Theo Schneider, Kathy Korlund, Chuck Wieland, Mike Young, Myron Frisch, Karl Preuss, Gerry Dannheim, Clarence Falk, Mike Shay, Steve Aufderheide, Doug Bloedel, and Steve Marquardt.

Selections Picked For Spring Concert

The music is being picked out for the forthcoming Spring Concert. A few of the selections already chosen for the choir are "The Lord's Prayer," "You'll Never Walk Alone," "Glorification," and "Praise to the Lord."

Selections thus far for Glee Club are "Now Thank We All Our God" and "Let All Things Now Living."

Mr. Ackerman was gone for a week because of illness and the choir and glee club were taken over by a substitute. A sizable decrease was noticed in the choir attendance during that week as a few of you well know!!

(Somebody is a tattle-tale.)
The upcoming Musical Festival, held every spring, is scheduled for the end of March and is to be held at NUHS.

Her examination paper will be submitted for competition with other high school winners to name the state Betty Crocker Homemaker of Tomorrow.

NEWS IN BRIEF

Juniors To Take Tests

M.S.A.T. and Minnesota Cooperative English, a college interest test, are two tests which the juniors will be given on Feb. 2. M.S.A.T. will be given in the morning, and the Minnesota Cooperative English in the afternoon. After these exams are completed, the juniors will be excused for the rest of the day.

Another test the juniors can look forward to is the National Merit Scholarship test, which will be given March 8. Only those juniors that have signed up are eligible for this test.

Test Re-scheduled

On Nov. 7, college-going seniors were asked to take a new interest college exam which is called A.C.T. (American College Testing Program). Since all seniors interested in college did not take the test at this time, another date has been set to take care of the stragglers. The test will be given again Feb. 27, and the registration deadline is Feb. 5.

College Reps Talk to Senior

Mr. Bruce Moe from St. Olaf college at Northfield spoke on Jan. 8 to the seniors that were interested in attending college. Mr. Peter Smith, from Gustavus Adolphus in St. Peter spoke on Jan. 11.

In the future NUHS graduates who are in their freshman year at the University of Minnesota will come to speak to prospective students. Mankato State College students will also speak to interested seniors.

The seven candidates for the title of FFA Sweetheart pose in the art room. From left to right, seated, are Ellen Lippmann, Carol Domeier, Janice Reinhart, Sharon Beck and Elaine Boesch. Standing, Sylvia Schwermann and Marsha Haber.

Local Speech Contest To Be Held In March

To choose representatives to the district speech festival, March 29 at Wabasso, is the purpose of the local declamation contest to be held early in March.

Those competing for places on the district squad are Mike Good, Ann Vogel, and Bud Knopke, original oratory; Randall Kroening, memorized oratory; Norma Wieland, John Aaker, Sandy Mathiowetz, Bill Macklin, and Jane Vogelpohl, humorous interpretive; Ellen Lippmann, Joanne Brakke, Gloria Fesenmaier, and Jennie Feuerhelm, serious interpretive; Marni Gislason and Mary Kay Schmid, manuscript reading.

Winners in the district contest will go to the regional on April 7 at Montevideo.

The 1960 discussion topic is "How can stable economic growth in Minnesota be assured?" Anyone interested in discussion may contact Mr. Oien. In connection with discussion, the Little 10 People's Platform was held Jan. 20 at Redwood Falls.

Schedule Eagle Picture-Taking

Three days have been set aside this month for taking pictures for the Eagle. On Jan. 6, class pictures were taken. These pictures are now at the photo-engravers, Schutte-Barnett, Inc., Mankato. On Jan. 26, Junior High Band, Eaglet staff, and basketball squad were taken. On Jan. 29, the choir, band, and Junior High G.A.A. are scheduled. Mr. Marti is taking faculty, classrooms and the small organizations pictures.

Former School Nurse Returns

Miss Kittleson, who had been our school nurse for several years, is back with NUHS taking over the position that Mrs. Schlong has held temporarily.

Miss Kittleson attended summer school at the university, where she finished her training in public health nursing. She also took a course in anaesthesia at the Methodist Hospital. Her duties began Jan. 4.

Swing Band Assembly Set

The NUHS Swing Band will be featured in an assembly on Feb. 19. The program will include numbers by the band and several vocal numbers.

One-Act Play Selection Made

"The Marriage Proposal," a one-act play, will be presented at the district tournament at Morgan Mar. 21 under the direction of Mr. Lindboe.

The cast will consist of three members, two girls and a boy. Tryouts for the parts will be held within the next two weeks.

Debate Season Ends Soon

The debate squad has two tournaments left. On Jan. 29-30, the squad will go to St. Olaf and on Feb. 4 they will attend the regional tournament at Granite Falls.

Five Attend Little 10 Discussion

Representing NUHS at the Little 10 Discussion on Jan. 20 were Mr. Solberg, Mr. Oien, Lois Karl, Dave Nicklasson, and Mike Shay. The 1960 discussion topic is "How Can Stable Economic Growth in Minnesota Be Assured?"

Vacation Coming—A Short One

Feb. 19 will start a long weekend vacation for NUHS students and faculty, for there will be no school Monday, Feb. 22. This is the usual mid-winter recess.

Plans Begin for Senior Play

Although seniors may not realize that it is almost time for the senior class play, Mr. Jenson is now selecting a play and would like to have rehearsals begin by the end of February.

All seniors who would be interested in having anything to do with the performance are asked to contact Mr. Jenson some time next month.

New Year . . .

New Brightness in Halls

While NUHS students and faculty were enjoying the Christmas holidays, the custodians were cleaning the halls and classrooms. Also during the holidays the second and third floor halls in the old building were brightened up with new paint.

Date Scheduled For Annual FFA Banquet

The annual FFA banquet will be held in the cafeteria on Thursday, Jan. 28. Entertainment will be provided for the New Ulm FFA boys and their parents, and faculty.

The toastmaster of this occasion is Frederick Juni, district FFA president, and the speaker will be George Boye from Michigan City, Ind.

Entertainment will consist of music by the high school quartet and pantomiming by Allen Alwin and Jerry Lueck. Also, at this time will be an annual crop show in which the boys bring in crops that they have raised and received prizes. This year \$400 in prizes is being given away.

There will also be a Chapter Sweetheart elected. The qualifying candidates for this are Sylvia Schwermann, Carol Domeier, Janice Reinhart, Marsha Haber, Sharon Beck, Ellen Lippmann, and Elaine Boesch; all are farm girls. The winner will receive an FFA jacket.

Awards being given to FFA students this period are a chapter award being given by the Kraft people as an efficiency reward, and the livestock awards for the year in which boys will receive trophies.

Miss Westling is in charge of the preparation of the banquet.

Pianist To Be Featured With Mankato Band

Percy Grainger, famous composer, conductor and pianist, will be coming to NUHS with the Mankato State Concert Band on Jan. 28, under the direction of Dr. Herbert E. Owen.

The selections the band will play will be taken from the following:

"Pieces of Eight," by Jenkins and Neff; "When Jesus Wept" and "Chester," by William Schuman; "Murillo," by A. Terschak; "Irish Tune From County Derry," "Lincolnshire Posy," "Children's March," "Over the Hills and Far Away," all by Percy Grainger; "Piano Concerto in A Minor," by Edward Grieg; "Uncle Walt's Waltz," by Don Gillis; and "Italian Festival," by Glenn Oscar.

Mr. Grainger will appear in two numbers with the band.

Student Teachers Arrive At NUHS

Three student teachers have come to NUHS for the purpose of practice teaching.

Miss Phyllis Bernard, who is attending the University of Minnesota, is majoring in Home Ec Education, and will be at NUHS until Feb. 12. A native of Elk River, Minn., her interests are in sewing and skiing, which she has just recently taken up. Miss Bernard has done some modeling in the Twin Cities but she teaches modeling more than actually doing modeling.

Two from Mankato State

Mr. Ronald Swift, who comes from Waterville, Minn., is attending Mankato State College. He is majoring in physical education and will remain at NUHS until February 19. Mr. Swift is also teaching an advanced algebra class for Mr. E. W. Anderson. His interests include baseball, swimming, and golf.

Miss Rose Turner, who is attending Mankato State College, will practice teach in New Ulm until Feb. 19. A native of Blue Earth, her interests include dancing and crocheting. Miss Turner is teaching business education and assisting in the library.

That they have not been here long enough to form a definite opinion of NUHS was the comment made by the student teachers. But they thought that so far the students were helpful and friendly.

EDITORIAL

Having seven hours of school each day is an idea that is being much talked about among the students. For those interested in taking more subjects, it is an ideal set-up. In our present system, a student who is a member of the band or chorus is not allowed to take an extra subject. For many students this is very discouraging. A seven hour day might also provide an extra study period. It may enable more people to participate in extra-curricular activities which could be scheduled during the school day. Of course, having a seven hour a day schedule would present such problems as (1) What to do with those who don't wish to take an extra subject; (2) What new subjects are to be offered? (3) Who is to teach them? (4) What will the plan do to the school bus schedule?

This plan has been adopted in many schools in recent years. Perhaps, if a satisfactory solution is found to each of the problems, NUHS will have its seven-hour day, with all its advantages.

If's 'N And's

By Gloria Fesenmaier

Today is one of those days when good ideas are rather hard to come by unless you really think hard. Oh, oh! There goes a thought. I guess I'd better catch it before it leaves my mind.

My thought:

Last year when we had the calypso artists at school, everyone really seemed to enjoy them. I guess it was Mr. Lynott who seemed to enjoy them the most, because after school the other day, John Bottenfield had his set of bongos and went drumming down the halls. As he passed the door marked Principal's Office, he wasn't even awarded one of those little pink slips used in designating detention. I guess miracles never cease. Maybe some day we'll have a repeat performance of calypso music since I understand quite a few have bongos now.

Ellen Raftis has some good thoughts once in a while and makes use of them in Latin class. Trying to figure out what the word "that" was in the phrase "that matter", Ellen came up with "pronominal adjective". It really seemed and sounded to fit in until Mr. Voves helped remind us that there wasn't such a thing.

Nowadays, it seems many students can't wait to get out of school and talk about leaving constantly. There are some creatures, though, who just about have to be forced to leave, the "silver fish". I'm sure most of us noticed the exterminator here not so long ago, with his squirt gun trying to get rid of them. It seems Joanne Erickson has either joined that class of insects or has an unknown enemy that would like to get rid of her. While the man was spraying the solution, some of it accidentally hit Joanne.

She couldn't have been exterminated very well, though, because I still see her walking around the halls.

Senior Write-Ups

by Judy and Hetty Jean

Tricia Lindemann is known as one of the peppiest girls in our Senior Class. Everywhere Tricia goes, "fun" goes with her. People who are real close to her call her "Tess," and her other friends know her as "Trich." She loves to dance and is very good at sewing. She hasn't one pet peeve at the present but she is on the look, everyone. Her future plans are pretty well definite, for she plans to go to beauty school in Mankato.

Vernon Sievert is another member of the FFA and he really likes to farm. Ha! Ha! He doesn't like to be called Vernon, so everyone calls him Fete. One of his pet peeves happens to be teachers, and to hear him tell it, he has a very good reason. I wonder what it is? Pete is going to retire after graduation. Best of luck, Pete.

The little blonde with the cute smile is none other than Sharon Foster. Sharon always has her eyes open, so watch out for her when she comes around. Her favorite subjects are Office machines and Shorthand, but they aren't included in her future plans. She is going to beauty school in Mankato.

Dean Lindquist, better known as "simple Dean", is really an all-around guy in the senior class. He knows that when we call him simple Dean, we're kidding, but if he doesn't stop calling a certain girl a witch she's going to cast a spell on him and we wouldn't want that. Dean gave up his car 'cause now his interest is on a certain girl, U-m-m-m. I wonder who? His future plans are indefinite.

Richard Kral is known as Doc to everyone that knows him, and I'm sure you've seen him driving his '21 Ford, better known as "the bomb," around school. According to Doc, his car takes up all his spare time and all his extra money, so he hasn't time to find any pet peeves or time for girls. His future is sort of cloudy at the present, but he does want to start working right after graduation unless he goes on to school.

Everyone has seen Carol Albrecht slaving away at the piano whenever the choir puts on a performance. That is Carol's number one job, and she really enjoys it. If you're wondering why Carol's been sneaking around the seniors with a little pink book and collecting money, well, it's not because she's a bookie, it's just that she's selling name cards for the graduates. Her interests are like the average girl's—tennis, swimming and boys; but now her interest is strictly her future plans, which include going to Gustavus.

Our Flag

By Joanne Brakke

On February 22, we are reminded of George Washington's birthday. We think of him as our first president, and as a great soldier and statesman. However, do we remember, for instance, that the design of our flag was drawn by him? Do we remember the origin of our flag?

During the Revolutionary War, a committee was appointed to decide upon a national flag. They decided upon red, white, and blue for the colors. Red is the symbol of courage; white, the symbol of truth and peace; blue, the symbol of loyalty and justice. There were thirteen stripes, the original number of states and thirteen stars in the blue ground, one star for each state. The stars were set in a circle to show that they were without end.

The first American flag was made by Betsy Ross of Philadelphia. It was finished June 14, 1777, and adopted by Congress the same day.

After the war, new states were admitted into the Union, and for each state a new star and a new stripe were added. It was found, however, that this plan would make the flag grow too large. Congress then decided that the flag should have thirteen stripes for the thirteen original states, and that a new star should be added for each new state.

"Quite, Quite, Quite" are the words so often spoken by Sylvia Schwermann every Monday night at Swing Band practice. She is leader for this year. People who are always complaining are her pet peeves. Sylvia has no favorite subject, but she thinks Social is the most bearable. Upon graduation, Sylvia plans to go on to a Nursing school.

A girl that always has a pretty smile ready for everyone is Sharon Beck. Sharon lives on a farm near Lafayette. Buttons, her dog, is her main hobby, while people who brag are Sharon's pet peeves. Sharon has a knack for doing the problems in a certain class the wrong way. Right, Sharon? Her favorite subject is Office Machines, and she plans on getting a secretarial job after graduation.

The biggest hobby Robert "Trigger" Besemer has is driving around in his '56 red and black Ford, which is his pride and joy. At the present time, Bob is working at home on the farm. Although Bob enjoys all his subjects equally well, Ag. seems to take the lead. Bob has a terrible time keeping certain people from untying his shoelaces in Social class. After graduation, he plans to join the service.

You may have seen George "Jet" Long scooting around on his motorcycle some time this year. George seems to have made the front page some time ago with his cycle. After graduation, George plans on joining the Navy. A certain junior girl and airplane flying take up most of George's free time. He already has his student license for flying.

James Grundmeyer transferred to NUHS from Sleepy Eye High School this year. Together with his friendly personality and winning smile, Jim has made quite a few friends. You can usually see him riding around in his '51 brown Chevy. Jim's pet peeve is "Little People". I wonder whom he is referring to!!! All of us at NUHS wish to extend a great big "Welcome" to you, Jim.

Carlyle Stadick, better known as Toodles, is one of the better square dancers of the senior class. Toodles' pet peeve is people in bad moods. I wonder who that could be??? Advanced Algebra with Mr. Anderson seems to be the favorite subject of his. Eating barbecued ribs and bowling make up Toodles' favorite pastime. After graduation he plans to join Uncle Sam.

Roger Grossmann, better known as "Cod," is a very quiet person who seems to always be tired. It's those late nights, Cod! He tells me that his pet peeve is girls, but he won't give a reason. How can girls be a pet peeve?? He is going into the Marines after graduation and then no more late nights.

Snooping Around NUHS

Words that could have two meanings—from English papers:

decentsea . . . for "decency"

Paul Revere, who shouted "Two arms! Two arms!"

"Merle" asked Mr. Harman, "When you drive around the corner on two wheels, are you conserving wisely on the tires?"

"Yes," George Long piped up. "He's only using two wheels."

A record — ?
Mr. Anderson absent for first time in 10 years because of illness.

George Long—in first hour English —
Synonyms . . . antonyms . . . homonyms . . .
What about M and M's?

How clear can directions be? Miss Kayser, to 5th hour:

"Please look up the meanings of the definitions of the listed words."

During Miss Steen's 3rd hour English class it was cold in the room. "Why doesn't someone bring that recording by Dean Martin?" she asked. The class was curious as to what she meant and began asking questions. She then very casually said, "No, it's none of those but—Baby It's Cold Outside."

Certain senior boys should be congratulated for helping to correct the bad conduct in the halls—among some junior high boys.

Newsy Notes

By Sandra Kagermeier

Poetry was being studied in Speech. When Roger Zobel's turn came, he shuffled to the front of the room, leaned his elbow on the stand, crossed his leg, and solemnly mumbled something which was supposed to be a poem. Everyone was silent until he finished, and then came a reverent-sounding "Amen" from the back of the room.

On the day the junior class pictures were taken, a group of boys annoyed everyone by singing songs they had made up. All of a sudden a group of girls sang out—

"They are the junior boys; they play with tinker toys! Need we say more?"

When explaining something to Dave Nicklasson, Mr. Anderson said, "Wait 'til we hit the hard problems. This is as simple as I can get." After the class finished laughing, Mr. Anderson finally realized what he had said.

In history the juniors interrupted their discussion of World War I to talk about the band concert. Mr. Zahn curiously asked why they had to leave the heavier selections out of their program. Doug Bloedel had the answer: "Maybe they couldn't lift them!"

After Mavis Larson's speech on the values of studying, Mike Olson proceeded to inform us all that is New Ulm got to the state tournament he was sure we'd all be there—except Mavis—she'd be home studying.

Since half the year is over, speech and English, sewing and cooking will be changed around. Since the 3rd hour speech class claims to know all about English, they should all be getting A's in there.

Who were the junior girls that had to be quieted on the bus ride home from Hutchinson? One freshman asked me who the "crazy" one playing imaginary drums was. It turned out to be Mavis Larson. Naturally! We all got a sample of some impromptu compositions when they made up songs and sang them. What songs!

Manners

By Karen Stevens

Did you ever think of how important manners are? It seems as if we don't think about them very often, if at all.

Manners may not seem like much to worry about, but when people judge a whole school or your family by the way you yourself act, then maybe it's time to start worrying.

We should be on our best behavior at all times, whether we're at a game, in the classroom or even walking down the street.

Remember, manners are an important part of our everyday living. People are going to judge us and our school by the way we act. So let's show everyone that teen-agers have manners, too.

It seems that Mr. Olson is always telling someone to "be quiet" in his 5th hour study hall. But we are wondering, Mr. Olson, if it's polite to tell Miss McLaughlin to "be quiet" when she is giving instructions to her assistant librarian!

Here is a hint more teachers should take. Mr. Harman hands out candy bars to the boys who help him carry books down to the book room.

Words that change our lives:
"We will now have a small quiz."
"I do."
"This is Mr. Lynott speaking. Is Johnny ill today?"
"Vacation!"
"Are you busy tonight?"
"Pickles and ice cream."
"Book reports are due."
"May I have your attention, please."
"You're fired!"

Come to think of it —
The amount of sleep I require, somehow or other, has more importance the morning after than it did the night before.—Jim Preisinger

The Journalism class is wondering who Dickie Lueck is falling for. When the bell rang he got up to leave, went around a desk and fell to the floor.

Slow down and give—everyone a chance in the halls.

SPORTS CRIER

In a few days the pairings for District 10 will be drawn up at Fairfax. Exact date is Feb. 12, when Mr. Goertzen, our basketball coach, and Mr. Lynott, principal, will represent New Ulm there.

Mr. Lynott will make sure no games will conflict with an activity here at NUHS since New Ulm is one of three sites for the district games. Other district games are played at Redwood Falls and Sleepy Eye.

From season results so far, the front runners seem to be Walnut Grove, Redwood Falls, Gibbon, Morgan—who lost its first game a week ago—Sanborn, and New Ulm, plus a few schools who have been off and on during the past weeks.

Here's hoping New Ulm gets a break in the district pairings.

The wrestlers have been using new mats lately. Is this the reason for your late success, Grapplers?

Gary Storm, who is undefeated thus far, was glad to hear that the heavyweight from Hutchinson has moved. This wrestler was the Region III representative in the heavyweight division.

Because of Mr. Pfaender's illness, the annual New Ulm Invitational meet here, which included about 15 schools, has been cancelled.

Cagers Stop Hutch 72-53

The Eagles played an aggressive floor game and started to hit well and so rambled on to their seventh win in eight games at Hutchinson Jan. 15 with a 72-53 verdict.

The Tigers had worked their way into a 14-11 first period lead and still commanded the contest until Mike Olson hit a fielder for a 19-17 New Ulm lead which was never relinquished.

This was also the first game in which every Eagle saw action. Doug Wiesner pumped in 21 points and hustled 11 rebounds off the backboards to lead the Eagles in both those departments. Karl Preuss led two other New Ulm cagers in double figures with 16. Mike Young and Mike Olson scored 13 and 12 respectively as four Eagles hit double figures.

Wrestlers Split with Fairfax, Win 29-10 and Lose 27-17

Surprising everyone the New Ulm wrestlers Dec. 15 came up with a 29-10 victory over Fairfax in the auditorium. New Ulm dominated the meet, with Fairfax gaining a tie in the 95 bracket and a pin and decision in the 154 and 165, respectively. These were the only weight classes in which Fairfax scored.

The Eagles won nine decisions plus a tie for their points. This was the first win after a tie and loss in the previous meets.

Earlier New Ulm had won by a 29-10 verdict, with Fairfax in a bad physical condition. This time the Eagles were in the same predicament and were beaten.

Those Eagle wrestlers winning were "Red" Wilson, Gene Shavlik, Jerry Steinkopf, Terry Wellner, and Gary Storm. Wellner stretched his unbeaten list to four, while Storm pinned his man for his sixth straight win.

This meet left New Ulm with a 1-2-1 season record.

New School Record As NU Wins 88-69

A new school scoring record was set as New Ulm blasted St. James there Dec. 11, 88-69. The win opened their South Central conference debut and was their third straight victory.

The points scored surpassed the previous high of 82 set in 1950-51 and tied in 1953-54 against the Springfield and Echo teams.

Mike Young and Karl Preuss led the Eagle scoring attack with 24 points each. Doug Wiesner grabbed off 25 rebounds for what is believed to also be a new record for a New Ulm cager. Besides tying for high New Ulm scoring honors, Preuss was second in rebounds with 18. Mike Olson hit for 21 points and 12 rebounds while Wiesner also added 15 points.

Matmen Win 25-19 For Second Straight

The New Ulm High School wrestlers finally claimed a victory over Madelia in a dual meet here Tuesday night. With two matches to go, the Blackhaws were leading, 19-17. But a decision by Arlo Kilmer and a pin by Gary Storm gave New Ulm the final victory.

The New Ulm B squad was defeated, 39-10, in the preliminaries, with only Dick Kral and Clarence Falk winning on pins. Jerry Steinkopf was elected team captain of the A squad by his teammates before the meet.

This makes it two in a row for the Eagle wrestlers after defeating Lamberton last week, but losing to Fairfax two weeks ago. The next meet is here with Hutchinson Jan. 26.

Eagles Outfight Cards To Earn 57-42 Victory

The New Ulm Eagles held down first place in the South Central Conference after their fourth straight victory of the season, when they defeated Fairmont, 57-42, Dec. 18.

It established the longest early-season winning streak in 14 years. The 1945-46 team won their first 7 before losing to Hutchinson and then finished with another 7 win streak.

The Eagles were smaller but tougher on the boards. Doug Wiesner had 21 rebounds and lead the scoring with 18 points. Mike Young chipped in 17, mostly on long set shots from around the free throw circle, and Karl Preuss dropped in 10.

The Cardinals led only twice, 10-9 and 12-11, before the Eagles put on a second quarter spurt to take a 25-16 lead at the half. Mike Young came up with 10 of his 17 points in the third period to push the Eagles out in front by about 14 throughout the third quarter and most of the fourth. From then on victory became evident and the Eagles ran the clock out.

It's Up To You

You are the fellow who has to decide
Whether you'll do it or toss it aside.
You are the fellow who makes up your mind
Whether you'll lead or will linger behind,
Whether you'll try for the goal that's afar
Or just be contented to stay where you are.
Take or leave it, here's something to do!
Just think it over—it's all up to you.
Whatever it is you are wanting to be,
Remember to fashion the choice you are free;
Kindly or selfish, or gentle or strong,
Keeping the right way or taking the wrong
Careless of honor or guarding your pride,
All these are questions which you must decide.
Your the selection, whichever you do;
The thing men call character is all up to you.

Much Work Involved In School Paper

To have a successful school paper, there are several types of work to be done. Not only is there writing and make-up work, but also exchange editing and business managing.

Keeping a list of addresses and sending out the Graphos are the duties of the exchange editors. At the beginning of the year new addresses must be collected and recorded, and throughout the year they are kept up-to-date. Included on the mailing list are the school board, the Little Ten schools and principals, former teachers, a few alumni, including those in the armed forces, and other school papers.

After each publication, it is the duty of the exchange editors to mail out the Graphos as quickly as possible; this work includes the addressing and stamping of approximately 75 envelopes and then folding and placing a copy of the Graphos inside. This year's exchange editors are Norma Wieland and Ellen Lippmann.

Financial Aid a Necessity

Although the Graphos does receive a percentage of money from the sale of activity tickets, it is necessary to have additional financial help. To get this is the duty of the business managers. Early in September, the business managers go to all the business establishments in town and sell advertisements to be printed in the Graphos. The advertisements can be of three sizes and can be printed for as many issues as the advertiser desires. After each publication, the Graphos is delivered to its advertiser by the business managers. The present managers are Nancy Newton and Rochelle Pieser.

Since these staff members are seniors, their jobs will have to be filled next year; so if there is anyone who isn't interested in writing but who would like to be on the Graphos staff, keep these positions in mind.

Rolloffs Unbeaten In Intramural Basketball League

After three weeks of play, the intramural leader is Jim Rolloff's team. They are the last of the unbeaten in the six-team league.

Last Thursday's games found Rolloff's team belting Tom Karl's squad, 50-16, for their third straight. Carlyle Stadick's cagers knocked Bruce Keske for a 36-6 licking and handed Keske's team their first loss. And in the battle between twice-beaten teams, John Farrell's squad won their first contest, 44-33, by beating Bill Fritz and Co.

In the earlier games, Rolloff beat Stadick, 27-24, and also stopped Farrell, 26-20. Stadick beat Fritz in his other game, 41-12, while Farrell lost to Karl, 18-13. Keske's had won their first two games by beating Fritz, 53-20, and stopping Karl, 27-17.

The leading scorer is Doug Kramer with 52 points in three games after hitting 37 in his last outing for Rolloff's team. Second is Carlyle Stadick with 48 total points, followed by his brother, Charles, who has 36, although Chuck was held scoreless in his last game.

Eagles Whip Blue Earth, Get Revenge

Avenging their only loss of the year, the Eagles stopped Blue Earth, 62-56, here Jan. 22. This gave New Ulm a 5-1 league record and 8-1 season mark.

The game saw New Ulm hold comfortable leads through the contest, with a 14-point bulge the biggest. The Bucs hit several quick buckets in the closing seconds to pull them close enough for a close game impression. But this was not the case since New Ulm had command of the game and never trailed.

Doug Wiesner led the Eagles with 17 points and 18 rebounds, with Mike Olson getting 15 points and 10 rebounds.

LeSueur Tops Matmen 26-25

Le Sueur handed the New Ulm matmen their first loss of the season at Le Sueur Dec. 9 with a narrow 26-25 win. This was the second straight meet in which the lower weights failed to give a decent showing.

Gene Shavlik tied his opponent in the 127 class, which gave New Ulm its first points and left them trailing, 18-2. After a Le Sueur decision, Jerry Steinkopf and Terry Wellner scored pins before New Ulm lost on another pin in the 154 class, for a 26-12 Le Sueur advantage.

But Henry Domeier decisioned his man, and Arlo Kilmer and Gary Storm won by pins to leave the Eagles one point shy of a tie.

G.A.A.

Bowling is again underway by the senior high girls at Schroeder's Bowlomat. High bowlers so far are senior Norma Wieland, with a 138 average; junior Connie Stone, with a 124 average; and sophomore Karen Rockvam, with a 144 average.

The team with the highest average is Carol Strate's team, with a 108.

Nothing exciting has happened worth mentioning, yet!! (Except for maybe a few spills here and there— isn't that right, Karen?)

Balanced Attack Defeats Saints

After belting St. Peter, 56-45, Jan. 5, the New Ulm Eagles placed themselves as the front runners in the South Central.

The win got the Eagles back on the winning road after being sidetracked by Blue Earth. St. Peter found themselves unable to get shots off due to mechanical errors plus blocked shots. When they finally realized what had happened, they were trailing, 9-0.

New Ulm opened up several ten-point leads in the first half, but saw them dwindle as St. Peter pulled within three at 30-27. The Eagles then hit three buckets for another ten-point lead, which settled the outcome.

A well-balanced attack found Mike Young scoring 15, with Karl Preuss and Mike Olson adding 12 each.

Eagles Lose First Cage Game, 58-55

Outscoring the Eagles, 21-9, in the third quarter, Blue Earth handed New Ulm its first loss of the season, 58-55, at Blue Earth Dec. 22.

The loss dropped the Eagles into second place with a 2-1 record.

Blue Earth had taken an early lead, which held up until Mike Olson hit a free throw for a 27-26 lead. New Ulm opened this lead to five points, 35-30, early in the second half, but the Bucs rallied for 11 straight points and took an advantage of 41-35 before the Eagles scored again.

From here Blue Earth used a stall at times to control the ball and scored easy lay-ups as New Ulm double-teamed the man with the ball.

Doug Wiesner finished with 20 points for the Eagles with Mike Olson and Mike Young each getting 13.

Here Are Words Of 'Hail, N.U.'

Recently there has been some discussion about the wording of the NUHS school song. Students may find the lyrics of the following song to be quite interesting, as it was the school song in 1939 and previous years.

HAIL! NEW ULM!

(Tune: "On! Wisconsin!")

HAIL, to New Ulm!
 Hail, to New Ulm!
 You're the team for me.
 You've the 'rep' and you've the pep,
 And that spells Victory.
 Hail, to New Ulm!
 Hail, to New Ulm!
 SHOUT our battle cry —
 Until that whistle blows
 For New Ulm High.

Preuss Scores 25 In Victory over Waseca Bluejays

The New Ulm Eagles whipped Waseca, 65-61, to hold the South Central conference top spot. This win was the fourth with only one defeat.

Although the final score was considerably close, that was not the picture throughout the game. The scores were often far apart, finding the Eagles ahead by as much as 15 points.

Karl Preuss played a very fine game all night. He shot well throughout the game, as well as playing a rugged game under the boards. He finished with 25, high for the Eagles.

Although trailing throughout the game, Waseca staged a comeback led by Marlin Kreutz. This drive came within four points, as the game ended 65-61.

Mike Olson and Mike Young each had 12 for New Ulm, while Doug Wiesner finished with 10.

Kreutz of Waseca led all scores with 27.
