

NEWS IN BRIEF

Trip Set For Cheerleaders

NUHS Senior High cheerleaders Julie Pugmire, Dorothy Young, Diana Nord, and Linda Clobes will attend the Region Three Cheerleading Clinic at Granite Falls October 17. Miss Mueller, girls' physical education director, will also attend.

The purpose of this clinic is to perfect cheerleading technique, and to present new ideas for pep rallies.

Practice Teachers Begin Today

Two students from Mankato State will be doing cadet teaching at NUHS from October 9 to November 17.

Mr. Phillip Markert will have a class of English 9 under Mr. Jensen, and several history classes under Mr. Zahn and Mr. Howell, while Mr. Roger Goettsch will be teaching art with Mr. Marti and shop with Mr. Epp.

Officers Elected For F.F.A.

The F.F.A. selected their officers for this year. They are Gary Kohn, president; Craig Opel, vice president; Roger Schultz, treasurer; Greg Bieraugel, secretary, Lonny Luepke, sentinel; and Ken Fluegge, reporter.

First Outside Assembly Friday

On October 13, at 2:38 p.m., students of NUHS will have a chance to take a movie trip to Hawaii. Lloyd and Gerta Seilset, who have lived in Hawaii, will show you the island's most colorful, interesting and romantic places.

This full-colored film presents a view of life in the islands and serves as a depiction of life in our 50th state.

Annual Open House To Be Held Nov. 7

Annual open house, which will be Tuesday evening, November 7, 1961, during American Education Week, will give parents an opportunity to meet and to visit the faculty. The elementary teachers will be in the Little Theater, and the high school teachers in the cafeteria.

Tours of the high school building will be conducted for all parents. A tea, with Miss Westling in charge, will be served to all parents and teachers.

There are individual committees, with a general committee composed of Mr. Arnet, chairman; Miss Meeg-Anderson, Miss Becken, Mrs. Schuller, Mr. Oien, and Mr. Lynott.

The hours are 7:30 to 9:30.

M.E.A. Meets End Of Month

No school will be in session October 19 and 20 because of the Minnesota Education Association Convention which will be held at Mankato. Teachers from the Southwest Division will attend this regional meet. Miss McLaughlin is program chairman for the librarians' section.

Because all the teachers from NUHS are attending, they have started buying luncheon tickets and are making other arrangements.

Student Council Meeting Set for Oct. 17

To consider the problems that Student Councils have will be one of the topics under discussion at the Northwest Annual Student Council Meeting at St. Peter High School on October 17.

This meeting will be from 9:00 A.M. until 8:00 P.M. Representatives are Robert Knopke, Zana Lundeen, Diana Walth, Lee Sather, and Mr. Olson.

Other business will include meeting and hearing foreign exchange students, panel discussions, and a banquet.

Class Officers

Positions as class officers were divided equally among boys and girls as a result of class elections held last Friday. Eleven girls and eleven boys were elected to office.

In senior high, **seniors**:—president, Calvin Korth; vice president, Carl Knopke; secretary, Beverly Brey; treasurer, Dave Weisner. **Juniors**:—president, Randall Kroening; vice president, Jane Vogel-pohl; secretary, Dianne Walth; and treasurer, Glen Peterson. **Sophomores**:—president, Linda Holland; vice president, Patsy Korth secretary, Kay Aufderheide; and treasurer, Glen Peterson.

In the junior high—**freshmen**—president, Brian Schmucker; vice president, Roger Schmid; and secretary-treasurer, Jerilyn Hagberg.

Eighth grade—president, Steve Krommer; vice president, Warren Bohlman; and secretary-treasurer, Pamela Weise. **Seventh grade**—president, Vickie Pugmire; vice president, Allan Schiller; secretary, Kathy Fritsche; and treasurer, Sue Holland.

Ten Members Included In Junior Class Play

"The Diary of Anne Frank" selected as the junior class play and to be presented Friday and Saturday nights, November 3 and 4, is the story of a brave and fearless young Jewish girl, Anne Frank, during the Second World War in Holland.

The cast of this Pulitzer Prize winning play includes: Pat Knutson (Anne Frank); Jane Vogel-pohl (Mrs. Frank); Steve Sweeney (Mr. Frank); Cheryl Windhorn (Margat Frank); Gladys Neiman (Mrs. Van Daan); Dan Lloyd (Mr. Van Daan); Randy Kroening (Peter Van Daan); Bill Macklin (Mr. Dussel); La Donna Peterson (Miep); and Steve Silcox (Mr. Krahler).

Assisting the play director, Miss Meeg-Anderson, will be student directors, Pennell Somsen and John Beecher.

Trophy Case Dedicated As Goertzen Memorial

"I would like at this time to present these keys to the Goertzen Memorial Trophy Case to you, the students and faculty of NUHS, through your student representative, Lee Sather," were the words of Marni Gislason at a special assembly. The money for the trophy case, to be used for basketball trophies, was the fund donated by both faculty and students, after the death of Mr. Goertzen last November. The case will be placed in the foyer of the auditorium.

Mr. Goertzen's Qualities

Continuing, Marni said, "These we remember about Mr. Goertzen—his dedication to creating fine individuals through his excellent instructions in the classroom, his superior leadership in the fields of sports, and his interest and concern for every person he knew. It would be impossible to represent our sentiment toward this man in anything material. Rather we would hope that this memorial will serve to remind us of the goals Mr. Goertzen held for youth, and to spur us to strive to cultivate the fine qualities he possessed."

A committee composed of Miss Kayser, Mr. Fjelstad, Mr. Blackstad, Mr. Zahn, Christine Oswald, Marni Gislason and Myron Frisch met a number of times last spring to decide upon the memorial.

One of these girls will be our 1961 Homecoming queen, the others will be her attendants. Left to right, front row, Donna Walth, Karen Johnson and Karen Stevens; back row, Barbara Christianson, Beverly Brey, Jana Nutting and Mary Ellen Raftis.

Michael Good Qualifies For Merit Scholarship

Mike Good, a senior, is one of 10,000 semifinalists throughout the nation for a Merit Scholarship.

Mike could be a Second Merit holder from New Ulm. Former Merit Winner from New Ulm was Maureen Smith, who is now at the University of Illinois on an English scholarship, after graduating from Mankato State.

Next Mike must take a 3-hour Scholastic Aptitude test of the College Entrance Examination Board on December 2.

About April 26 the finalists will learn whether or not they are a Merit Scholar.

Eagle Editors Named

Announcement has been made that Diane Arndt, Karen Johnson and Ronda Loose have been selected to serve as the editorial board of the 1962 Eagle, the NUHS yearbook. These girls will work with Mr. Marti, adviser, in planning the theme and other details.

Other members of the staff will be chosen in the near future.

Coronation of Queen Heads Festivities

"Put Hutch In Dutch" will be the cry heard during the game between the NUHS Eagles and Hutchinson which together with the coronation of the queen, will highlight this year's homecoming on Friday, October 13.

On October 2, the senior girls were introduced to the student body. After this introduction, all senior high students went to their home-rooms to choose the candidates for homecoming queen. The candidates selected are Beverly Brey, Barbara Christensen, Karen Johnson, Jana Nutting, Mary Ellen Raftis, Karen Stevens, and Donna Walth.

Two Nights Of Festivities

At 7:30 Thursday night the festivities will begin with a pep fest in the auditorium. There will be cheers, music by the Pep Band, skits, and the announcement of the queen. Following this will be the feed, for all students who have purchased homecoming pins.

Friday night, shakeroos will be given, from the shop windows, to those who have purchased homecoming pins. Then the parade through town at 6:30 will start off homecoming night, Friday. The parade will consist of the queen and her attendants riding in convertibles, the senior float, the band, cheerleaders, and the student body. The coronation of the 1961 Homecoming Queen will take place at 7:20 with Mr. Fjelstad, superintendent of schools, crowning the queen. Also attending to congratulate the new queen and to hand over her scepter will be last year's queen, Kathy Korslund.

Dance Follows Game

At 7:30 the kickoff will begin this year's homecoming game against Hutchinson. The football game will be followed by the annual Homecoming Dance at 9:15, in the auditorium with Guy De Leo Orchestra playing. The junior high may attend the dance until 11:30. Admission for the dance is 50c; people may watch from the balcony only for 25c.

During the dance there will be coffee served for the alumni in the Home Economics room, where they may meet faculty and others.

NUHS Welcome Four New Teachers

The new German teacher, Mr. Otto Werner, a graduate of Mankato State, spent part of last year here as a practice teacher. This summer, Mr. Werner studied German, his main interest. When asked for his opinion of NUHS, he said, "NUHS is the very best, especially the juniors."

Mr. William Greenslit, a graduate of St. Olaf College, is teaching tenth and eleventh grade American history. This summer Mr. Greenslit worked for the Federal Government. Any kind of sport and listening to records are his hobbies.

Miss Joyce Larson, junior high English teacher, is a graduate of Mankato State. Miss Larson spent her summer touring Europe. When asked for her opinion of NUHS, she said that she liked it very much.

Mr. Robert Knutson, orientation teacher, graduated from Luther Decorah College in Iowa where he majored in social studies and phy. ed. This summer he worked with Heymann Construction Company on the new elementary school. He lists hunting and athletics as his main interests.

Welcome Alumni

EDITORIAL

Superintendent's Greetings

Another school year has dawned and with it 904 students have reported to New Ulm High School. Some are returning for another year and many others are joining our student body for the first time. I want to welcome you and wish you well as you pursue an education in our midst.

We live in an age of crisis. Growing up seems to present insurmountable problems; however the many who have preceded you have managed to survive. Have courage, you too will make it. In addition to your many problems of an immediate nature, you must learn to live with and face the problems of your future. You students and the millions like you have a tremendous responsibility to yourselves, your parents, your nation, and to the millions throughout the world, who will look to the United States for leadership in these troubled times. You will become the leaders of tomorrow and however you may try to forget this, you cannot abdicate the responsibilities that will be yours.

School is important and the record you make here will be important to you. The faculty is excellent and has pledged itself to do its very best in your interest. You must respond by being attentive, industrious, punctual, and courteous. These are the traits which are important on any job. Right now your job is being in school in order to prepare yourself for your job of the future.

I want to compliment you on your attitude thus far and encourage you to keep up the good work that has begun. Best wishes as you apply yourself to the tasks which lie before you this year.

Sophomore Column

by Jo, Jeannete and Gretch

On September 6, 1961, one-hundred fifty-five sophomores gleefully dropped from the "shelf" to the "underworld." From now on we'll be able to turn a deaf ear to Mr. Lynott's "Good night, junior high," and that inevitable M-I-C-K-E-Y M-O-U-S-E!

Latin II is really a blast with Butch Burnett and company putting their daily wise remarks on the blackboard. Heavens, what scheming little minds they have! We do believe that Latin has gotten the best of poor Ben Peiser; he goes around mumbling "Sur, sibi, sese." By the way, did you know that Mr. Voves wears a toupee? Really, if he HAS to wear one, don't you think he could at least afford one that hasn't been used?!

Honestly, Mr. Anderson is really a smart one! In plane geometry he announced that a hoozafrat is a skitzofrane. Honest injun. Go ask him.

John Albrecht must have decided to get a Toni to curb those fly-away ends and that "standing on end" look.

How can anyone help but notice what a lovely voice Mr. Cliff Anderson is developing? He just loves to show it off during study hall. Funny thing though, he doesn't seem to like parades very much.

And now, some sound, friendly, helpful advice to sophomores. If you leave for school between 7:00 and 7:30 A.M., you are going to join the rush that is trying to beat the rush. If you leave between 7:30 and 8:00, you are going to join the rush itself. If you leave for school after 8:00, you are going to join the rush that waited to miss the rush; SO DON'T LEAVE!!

Senior Sketches

Obviously enthusiastic about sports and dogs is Barbara Kosek, who puts a lot of time and energy into G.A.A. Her dachshund really gets good care; it has a sweater of its own. Barb is one of the few seniors who is seen and not heard. Her goal after graduation is the Minnesota School of Business.

Dancing, reading, and bowling are Joyce Fehlman's favorite hobbies. Her school activities include G.A.A. and Glee Club. Upon graduation Joyce will attend DMLC. Joyce doesn't care for people who brag.

Dale Mandelkow is one of two boys who make the drum section what it is. His uncalled for remarks add spice to the whole band. Hunting, fishing, and running around with the boys (who are chasing girls) are Dale's main enjoyments. He also participates in baseball and intramural basketball at NUHS. Dale thinks that if girls don't want to go out with a boy, they should say so, rather than beat around the bush. The Navy is in Dale's future plans.

Tall and stately Joanne Erickson is one of the best-dressed senior girls; most of her clothes she has made herself. This summer her apple pie won a blue ribbon at the State Fair. Other accomplishments include being a member of the choir, Bel Canto, and band. Anklets worn with high heels seem to irk Joanne. Her favorite means of transportation is the family truck, although she still isn't too skilled at driving it.

By now Gloria Fesenmaier ought to be quite an expert on men's fashions, because much of her after-school time is spent in a men's clothing store. Blonde and vivacious—it seems she never runs out of things to say—Gloria is always willing to help both teachers and students. A Graphos editor, Gloria also finds time for dancing, bowling, and knitting. College is in the future, but Gloria isn't sure which one.

Roger Schultz's convertible is 'living proof' of one of Rog's favorite activities—washing his car. The rest of his time is taken up by bowling and working at the Daçotah Hotel. Cock-offs irritate Rog very much. In the future he would like to go to college.

Mankato State is the goal of Karen Rockvam, better known as "Tiny" to most. Since she has been band majorette for three years, she is often heard blowing her attention whistle to disrupted band members. She also teaches twirling lessons for the city recreation program, is active in G.A.A., and enjoys choir. People who read over her shoulder is her pet peeve. For recreation she enjoys swimming, bowling, dancing, and rapping hair on the buses to football games. Her greatest 'interest' is 125 miles from New Ulm.

Living in a state of apathy is husky Paul Huhn. Paul is the silent type, reading or dreaming more than talking, even though his dark-rimmed glasses make him look like the intellectual type. He has taken flying lessons, but still needs to take them—on his mandolin. His pet peeve is 'little kids who cock off.' Paul is undecided on his future plans.

Snooping Around NUHS

The Minneapolis Star and Tribune thinks Cletus Janni should be Jonni Cletus. Doesn't sound so bad!

We hear Jane Vogelpohl is seriously considering playing center on the football team.

The two Anderson's, Clifton and E. W., Mr. Greenslit, and Mr. Voves always find time to teeter-totter and slide after football practice at West Side. Clifton Anderson went down sideways. Could it be he couldn't make it frontwards???

In social Mr. Harman stated that teachers aren't as dumb as they look. He also added, "Of course, they couldn't be!"

Dave Weisner was complaining to Mr. Voves about all the new regulations on boy-girl behavior. He felt clamped. Mr. Voves replied, "Sure you can talk to a girl, but only through a filter!!!"

On the first day of school a bewildered seventh grader ran through the halls yelling, "Where did they put the English, I wonder?!"

"Senator" Ruth Davis, won her title at Girls' State this past summer. On weekends Ruth can be found working at the Cat n' Fiddle. She is best described as the talkative type—always knowing news. Ruth is active in G.A.A. and choir. College plans are in the future.

Dave Wiesner has a wide range of interests. During the summer he helped the deviators put our school in good condition. Dave is known for his outstanding work on the basketball court and track field. Even though he may look serious, he is always ready for fun.

One of the "crew" down at the New Ulm Theater is "Esquire" LeRoy Klotz. His recent interest is giving out personalized, (fake?) pens. Most of us easily recognize his flashy, dotted car. LeRoy likes to hunt, fish, and work on his custom car—on it during the day and in it at night. LeRoy dislikes people who drive polka-dotted cars.

The town of Klossner is Ronny Helget's pet peeve. He also dislikes kids who don't keep their cars clean. Ronny loves to water ski and enjoys all sports. One of his greatest interests is baking and cooking. He plans on becoming a mechanical draftsman after graduation.

Because Sandy Mathiowetz has a space between her teeth she plans to do extensive travelling in the future. Sandy has always been one of the active members in our class, especially in G.A.A., choir, Bel Canto, and band. She is also our class secretary. She keeps rather late hours not due to her work at the New Ulm Theater, but her after work activities. She had planned on attending the University of Hawaii, but she'll probably end up closer to home.

One of the real fighters on all our sports teams is Doug Oman. His favorite two are basketball and baseball. Other outdoor activities, such as hunting and fishing are also popular with Doug. College is in the future, but his plans are indefinite. Doug dislikes unnecessary displays of emotion, but hurried to add that this does not refer to anyone in particular.

Band News

During the summer the NUHS band marched in various parades but the most recent one was at the Fairmont King Korn Days on September 23.

Mr. Strang and the band members left the school by bus at noon. It rained all the way over to Fairmont.

At 2:00 P.M. the band lined up for the parade. After the parade they went to the grade school for some refreshments, and then to the high school for social activities.

When the rain stopped, both bands, New Ulm and Fairmont, went to the football field and rehearsed for the evening half-time performance.

Mr. Strang and the band members ate supper in the cafeteria at 6:00 P.M.

Both bands went to the football field at 7:00 P.M. and at 9:00 P.M. they presented the half-time performance. Mr. Strang stated that the presentation was very successful.

They arrived back in New Ulm around 10:15 P.M.

As a result of this presentation the NUHS band got ideas from Fairmont's band, which will be of further use.

According to Mr. Strang, the marching band is presently concentrating on military fundamentals for the half-time performances at our football games.

Choir of NUHS

According to Mrs. Wiechert, the NUHS choir is larger than it was last year, with 81 members.

Tryouts for Bel Canto are starting this week. There are 12 old members and 12 new members will be chosen.

Rehearsals for Boys' Chorus are Tuesday evenings and Friday sixth hour.

Freshmen Choir tryouts are now taking place. There will be about 103 members.

The Girls' Glee Club now consists of 61 members.

All these groups should help make this a good year for music.

Genie's Gem

When Mary Ellen Scheible failed to respond to one of Miss Raverty's questions, Miss Raverty asked her if she was deaf. Mary Ellen's reply was, "Huh?"

As Mr. Voves walked into 4th hour Latin II, he was brought up short by this message on the blackboard:

deppart m'I ,pleH
 draobkcalB ehT dniheB
 After gazing at it for a few moments, he remarked, "You got yourself in, now get yourself out!"

Say, Lee Sather, what's this about there being FOUR causes of shock?

It seems that there is a story going around about a talking plow who commented to the tractor pulling it, "Come closer John Deere."

If Kathy Cordes opens a beauty shop any day now, don't be surprised. She's become an expert at rapping hair since the bus trip home from the Blue Earth game.

For homecoming the German class wanted to do a Werner production entitled "Sing Along With Otto," but for some strange reason, Mr. Werner promptly vetoed the idea.

Before the senior girls made their debut last Monday, a remark was heard backstage to this effect, "Why don't they just crown me now and save all this fuss."

A Letter From Junior

This column is dedicated to Miss Kayser, who gave me so many helpful suggestions—Nevertheless, I thought it should be printed.

Sept. 5

Dear Aunt Pearl and Uncle Punchy:

I'm really depressed. Not just sputnik-depressed or Mantle-depressed, I mean really really depressed. Tomorrow literally millions of innocent children and I will be forced to face the scourge of modern youth. We shall be compelled to rise in the middle of the night, eat a runny egg and march off to training camp where mean lion tamers cram knowledge into people by osmosis—that's the flow from greater concentration to lesser concentration, which in most cases is no concentration at all.

the thot pickens.....

Sept. 6

I made it! You know, school isn't so bad after all. Our classes are only ten minutes long and the teachers here only know three phrases, "You only get out of school what you put into it", "If you want to chew gum, chew it in Somebody Else's class", (I have yet to meet Somebody Else), and "the teacher dismisses you, not the bell." Boy, if that's all they're gonna say all year, I'm really gonna like it here!

Sept. 7 (disillusionment)

Sept. 18

Today was annual "Open-your-ears-and-shut-your-mouth" day for me....the day I pick up little bits of humor around the leper colony. Donald Schriefer opened his speech on personal experience with, "Have you ever suffered the embarrassment of not knowing what to do when someone is watching you? Have you? Well I haven't." And, just hitting the high points of the afternoon, Janie Vogelpohl, speaking in all seriousness, mind you, left us with this classic, "It's about time we quit thinking about other people and start thinking about ourselves!"

Sept. 26

The fire drill today proved that vanity is not necessarily confined to the female. Steve Koeckeritz and Bob Kerr would have been stranded in the locker room and sacrificed in a holocaust had there been a real fire....and all for a few clothes!

October 3

I really like our principal, Mr. Lynott. He's such good times. Today we saw the senior girls in assembly, but they weren't the real stars. It was the way Mr. Lynott announced those kids that doubled me up. After a while I just closed my eyes and listened. No kidding, I was just praying every minute that no one would shout "bingo."

love
 junior

Note to readers: We will soon be offering volumes of this column bound in old Moroccan leather, so if your old Moroccan grandfather is missing.....

Eagle "B" Team Has 1-1 Football Record

by Randy Kroening

So far this fall, the only bright spot in New Ulm High School's effort was the "B" squad's 26-20 victory over Madelia here Monday night, October 2. Previous to that though, the Eagles fell before St. Peter, 30-0.

The "B" team, made up mostly of sophomores and freshmen along with a few juniors, is coached by Mr. William Greenslit and Mr. Morris Ness.

The "B" squad, inexperienced and rather unorganized, floundered as a superior St. Peter team romped over them 30-0, in the "B" team's opener.

But with a game under their belt, the junior Eagles turned around and gave the same treatment to Madelia a week later, coming from behind in a tense game to win 26-20. Offensively, New Ulm scored a total of four times, and the Eagle line crashed through on one play to get the Madelia ball carrier for a safety. Defensively, the Eagles intercepted three passes but had some trouble stopping the opposition around the ends.

The "B" team's next foe is Sleepy Eye here on Monday afternoon, October 9. After Sleepy Eye come games with St. James there and Redwood Falls here on the following Mondays.

Fairmont Sweeps By NU Eagles

Fairmont scored a total of six times to sweep by the New Ulm Eagles in the third annual King Korn Bowl game, 38-6, at Fairmont Saturday, September 23. Even the presence of the New Ulm High School Marching Band at Fairmont didn't help the Eagle cause much, as New Ulm was set back early and was never able to recover for the rest of the game.

On the fourth play from scrimmage, the Cardinals recovered a New Ulm fumble on the Eagles' 48 yard line. Fairmont then started a touchdown drive which ended when Cardinal quarterback, Phil Moye, went into the end zone and Carl Hinrichs kicked the extra point to give Fairmont a lead of 7-0. A little later Gary Wollschlager scored as Fairmont led 13-0 at the end of the first quarter.

The Eagles tried to come from behind as New Ulm quarterback Al Schmucker got loose and ran 86 yards into the end zone for the Eagles' only touchdown.

But this apparently did not upset Fairmont as 10 plays later, Wollschlager again scored for a 19-6, halftime lead.

In the third quarter Wollschlager scampered 27 yards for another touchdown. Fairmont scored twice more in the fourth quarter as Tom Hilgemeier and Doug Krinke both scored as the final score was 38-6.

Fairmont had a net gain of 270 yards while New Ulm had 138. The Eagles fumbled three times.

Fairmont	13	6	6	13-38
New Ulm	0	6	0	0-6

Eagles Drop Season Opener 13-7 to SE

The New Ulm Eagles dropped their season opener to an aggressive Sleepy Eye team, 13-7, here Saturday, September 9. New Ulm's inexperience showed as the Indians took to the air to beat the Eagles for the first time in four years.

With only 4 minutes remaining in the first half, the two teams had battled to a scoreless tie. Then Sleepy Eye's halfback Brian Gregg unleashed a pass to quarterback Ron Anderson for a 31-yard gain. With the ball deep in Eagle territory, Anderson went over the goal line on the next play. His kick for the extra point was good to give the Indians a 7-0 halftime lead.

With the pressure on the Eagles, Sleepy Eye started a 59-yard touchdown drive in the third quarter. This time Anderson passed for 18 yards to end Dean Moll, putting New Ulm with its back up against the wall for a second time. Two plays later Anderson bucked over the goal line on a quarterbacksneak. The extra point attempt failed, bulging the Indians' lead to 13-0.

New Ulm came fighting back in the fourth quarter with a 70-yard touchdown drive. The Eagles took to the outside with halfback Marty Vorwerk gaining 21 yards. Quarterback Al Schmucker ran 14 yards around right end for the touchdown. Schmucker kicked the extra point which left New Ulm trailing 13-7. The Eagles got the ball again in the last few minutes of the game but could not score the needed touchdown.

The Eagles got 5 first downs, all of them by rushing. New Ulm gained 120 net yards in the game. Its three passing attempts failed.

The Sleepy Eye Indians got 7 first downs, 2 of them by passing.

New Ulm Remains Winless

The New Ulm Eagles are still looking for their first win this season after dropping their fifth in a row to a persistent St. Peter team, 19-6, here Friday night, October 6.

New Ulm now has a South Central conference record of 0-4 and a season record of 0-5. Depending on the outcome of the game between conference co-leader Fairmont and defending SCC champions Waseca, who shared the conference cellar along with St. Peter and New Ulm before last Friday night, New Ulm could be occupying last place all by itself. St. Peter now has a 1-3 conference record and a season record of 2-3.

The Eagles got possession of the ball early in the game and scored first, something they haven't done all season long. But this didn't upset the Saints at all as they punched through the line again and again to score three times before the game was over to win 19-6.

As the game started, the Eagles, with a strong southeast wind blowing at their backs, kicked off to St. Peter, who brought the ball back up to their own 19 yard line. But on the third play from scrimmage they fumbled, and New Ulm recovered the ball on about the Saints 31.

They then started a short touchdown drive which ended with Eagle quarterback Al Schmucker rolling out to his left and connecting on a pass to his left halfback Marty Vorwerk in the end zone for a touchdown. Schmucker's second kick for the extra point was blocked by Saint guard Tom Moore.

The Indians gained 76 net yards on the ground and 111 in the air, completing 6 of 13 passes while New Ulm intercepted one.

Sleepy Eye	0	7	6	0-13
New Ulm	0	0	0	7-7

St. James Edge New Ulm

The New Ulm Eagles, opening their South Central conference campaign for 1961 here Friday, September 15, fell before St. James, 6-0.

The only touchdown of the game came in the first quarter when New Ulm fumbled on the first play from scrimmage on its own 33. St. James recovered and started a touchdown drive which ended with Brian Dutzlaff going over the goal line from the four yard line. St. James tried to connect on a pass for the extra point but failed.

For the rest of the game it became a defensive battle. Midway in the second quarter the Eagles started a drive that showed some promise, but it ended in frustration as a penalty nullified a pass to the Saints' 20 yard line.

The Eagles, trailing 6-0 at halftime, tightened up their defense in the second half as the Saints never penetrated into New Ulm territory. New Ulm started another drive in

the third quarter from its own 18 yard line, but it flopped as the Eagles reached the Saints 35. With 2 minutes left in the game, the Eagles began a drive from their own 35. Quarterback Al Schmucker passed to halfbacks Marty Vorwerk and Dan Loose, gaining 11 and 20 yards respectively. But with the ball on the Saints' 27, time ran out for the ill-fated New Ulm team, and the game ended with St. James winning 6-0.

Statistically, New Ulm edged St. James as the Saints gained only 3 first downs, while New Ulm had 7, 6 by rushing and 1 by passing. St. James completed only 2 of 8 passes for 25 with New Ulm intercepting. Quarterback Schmucker of New Ulm made 3 of 6 for 41 yards. St. James' net yardage gain was 94 yards while New Ulm had a total scrimmage gain of 141 yards.

St. James	6	0	0	0-6
New Ulm	0	0	0	0-0

Singing Sounds

by Butch Burnett

From the locker room and the showers recently have come the sounds of singing. Such songs as "Does Your Chewing Gum Lose Its Flavor on the Bedpost Overnight" and "Who Put the Bomp in the Bomp-de-bomp-bomp" have been led by the booming voice of dummy squad captain, Jim Babel. Could it be that he is out for Mrs. Wiechert's job?

When we asked Coach E. W. Anderson what is the reason for the current Eagle losing streak, his reply was "No Comment" and we shall adopt his policy.

WARNING: All footballers: Do not under any circumstances allow Duane Sperl to wrap your ankles when he is in the kind of mood he got his nickname, "Dippy," from. Ask Rog Ring what happens.

Memo—Remind our secretary to remind the "B" squad to show as much pep and ability against Sleepy Eye as they did against Madelia.

Throughout the year when we refer to the writer of this column the word "we" will be used. This is a safety measure to make the angry readers think there are too many of us to lick.

Gridders Lose To Blue Earth

The New Ulm Eagles, still looking for their first win of the season, dropped their fourth in a row to the Blue Earth Buccaneers at Blue Earth Friday night, September 29. It was Blue Earth's homecoming, and the Bucs scored three times to beat New Ulm, 19-0.

New Ulm exploded early in the first quarter when center Doug Oman intercepted a pass and scampered 27 yards before being brought down on the Bucs 5 yard line. But the Blue Earth defense tightened up, and the Eagles failed to score, losing the ball on downs.

Blue Earth's Jim Olson ran 29 yards to score a touchdown in the second quarter. He also scored the extra point. With a halftime lead of 7-0, Blue Earth scored two more touchdowns in the fourth quarter as Dave Scarcy and Larry Parks each crossed the goal line to hand Blue Earth a 19-0 win.

The Eagles' loss left them with a 0-3 conference record. They have four games left to play. Thus far this year, New Ulm has scored only twice.

The quick scoring didn't bother St. Peter though, as they immediately started their own drive which took them to the Eagle 15 yard line before they lost the ball on downs. The first quarter then ended with the Eagles leading 6-0.

St. Peter on the Move
New Ulm couldn't move the ball out of the hole and were forced to punt into the strong wind. The ball was returned to the Eagle 16 by the Saints. St. Peter moved to the 6 where it was first down and goal to go. On the next play Duane Sperl crashed through to hand the Saints a four yard loss. But the Saints moved the ball to the one yard line on the next play. With their backs to the wall, the Eagles couldn't stop St. Peter, who punched through the left side of the line for a touchdown. The kick was wide which left the score knotted at 6-6.

Before the half was over, the Saints scored again when halfback Stuart Seibert broke through the right side of the line and ran for a touchdown. The kick was no good as St. Peter took the lead by halftime, 12-6.

As the third quarter got under way, St. Peter kicked off to New Ulm, who started a short drive which ended when Vorwerk fumbled and Jim Yost of the Saints recovered. The third quarter was highlighted when Eagle center Doug Oman was about to punt, saw he couldn't get his kick off in time, and ran around right end for the first down.

The Saints scored again early in the fourth quarter as Seibert broke through and ran for another touchdown. This time the try for the extra point was good, and St. Peter led 19-6 which proved to be the final score. New Ulm had the ball a number of times late in the game but failed to score.

New Ulm has three games left to play this season. The Eagles play their homecoming game next Friday, October 13, against Hutchinson with a conference record of 2-1 and a season record of 3-1. The remaining two games are played at Waseca and Glencoe on the following Fridays.

Sophomore GAA Girls Initiated

Some 100 girls started GAA with the annual hikes out to Flandrau Park. The senior high members went out September 11 after school. After a small lunch, the sophomores were initiated into the organization. The juniors made each sophomore eat a fourth of a raw onion; the seniors fixed up a bag of mashed tomatoes, ketchup, and pickles, for each initiate to dunk her face into.

The junior high hike was held September 14 with 80 attending.

Volley ball sets the pace for this year's activities. Captains are seniors, Gloria Epp and Mary Hillmer; juniors, Linda Ring, Marni Gislason, and Joni Brey; and sophomores Kay Auferheide, Sharon Hogfoss, and Karen Ulrich.

Results of Mantoux Test Approved

"We had excellent results," stated Miss Anne Kittleson, school nurse, after the Mantoux test that was taken September 19—ninety-five and five tenths per cent of the eligible freshmen and seventy-five per cent of the eligible seniors.

About a week before the tests taken, a film "TB—Why Does It Strike?" was shown to the freshmen and seniors.

Alumni Begin Careers

NUHS 1961 graduates have split up and gone on their separate ways to begin their careers and plans for their futures.

Attending colleges and universities are as follows: **Mankato State**—Lynn Schneider, Marlowe Grau, Darlene Hintz, Marlene Hintz, Steve Marquardt, Gary Storm, Alan Studtman, Clarence Falk, Dave Nicklasson, Charles Wieland and Gene Shavlik; **University of Minnesota**—Connie Stone, Larry Ballard, Steve Auferheide, Gerald Dannheim, Patricia Peterson, Wayne Peters, Steve Marks, Mavis Larson, Grace Roloff, Myron Frisch, Mike Young, and Chris Oswald; **Brigham Young University** in Utah—Carlton Morrison; **DMLC**—Charlotte Wacker; **Hamline**—Karl Preuss; **Rockford College** in Rockford, Ill.—Jennifer Feuerhelm; **Gustavus Adolphus** Mike Shay; **Fullerton Junior College** in Fullerton, California—Doug Bloedel; **Westmar College** in Le Mars, Iowa—Beverly Moll.

Some to Attend Professional and Vocational Schools

Going into nursing are Margaret Palmer, St. Mary's Hospital in Minneapolis and Ruth Plagge, Charles J. Miller Hospital in Minneapolis.

The following are going to beauty school: Gail Davis, Mary Ann Diedrick, Pat Thomas, Janet Gieseke, and Ann Brown, **Johnson's Beauty School** in Mankato; Karen Schiller, **Upper Midwest Beauty School** in Minneapolis; and Jean Gronau at **De Lyle Beauty School** in Fairmont.

Others include: James Plaisance, at Mankato Vocational Automotive Mechanics; Sandy Cordes and San-

dra Kagermeier, Mankato Business School; Sandra Fritsche at Minneapolis School of Business, and Sandra Malmberg, business school in Minneapolis.

Many Enter Armed Forces

The armed forces claim many. **Navy:** Roger Drill, James Isenberg, Donald Feldsien, John Volinkaty, Bruce Frahm, and Ronnie Bolduan. Gordon Woratschka will enter the Navy in October and Thomas Sehr, who is now painting for his dad, will go into the Navy in November. **National Guard:** Leroy Schapekahn, Lyle Lindquist, Gerald Dalluge, Al Alwin, and Neil Edwards. Dave Gehrike and Darwin Gieseke will enter in January; **Air Force:** David J. Reinhart; **Army:** Michael Dalluge. Also, Charles Stadick, now working at National Tea in Sleepy Eye, and Doug Weisner, working at Stoltenburg Motor Co., will enter the army December 29.

Many Employed in Different Fields

Those working in New Ulm include Judy Carstensen and Judy Brey at the State Bond and Mortgage Co.; Mary Fluegge, Eichens; Joyce Rewitzer, Kraft; Betty Roloff, Sportsman Grill; Roy Jenson, Concordia Bowling Lanes; Mary Brandel, New Ulm Laundry; and Bob Bray, Red Owl; Walter Filzen, a plasterer; Joanne Ahle, Pinks; Leo Alfreds, Madsens; Janet Maidl, Dr. Akres' office; Jerry Lueck, Herbergers; Carol Dolly, Palace Lunch; Barbara Dittrich and Sandy Nehls, New Ulm Telephone Co.; David Reinhart, Gareis Brothers Construction Co.; Dennis Sperl, working at Kraus Brothers and planning to go to the U of M in January.

A Number Working Elsewhere

Seventeen are employed out-of-town. Carol Holle, Green Dime Store, Mankato; Carol Huhn, after taking a course at IBM is now employed in Minneapolis; Linda Jutz, working in the Cities; Sandy Frahm plans to work for the government in Minneapolis; Karen Byer, Doug Miklas, and Bill Barrett work at the Tony Downs Co., in Madelia; Donna Asleson, at the US Register Co. in Minneapolis; Charles Steinkopf, furniture store in the cities; Charlotte Gillick, working in Minneapolis; Max Carlson, working at home in Lafayette; Richard Ubel at Madelia; Melvin Gulden, farming in North Dakota; Gary Gieseke at Wiess Garage in Klossner; Marian Rewitzer, housework in Minneapolis; Gerald Wieland, turkey factory in Hanska; Darlene Boelter plans to work at Minnesota Mining at Hutchinson and Carol Lambrecht, medical secretary in Rochester.

Marriage, Farming for Others

Those married include Bonnie Schlumpberger, now Mrs. Jerry Uhl; Avonna Altman, Mrs. Donald Domeier; Marsha Grothem, Mrs. Brian Lawrence; Paulette Melzer, Mrs. Gary Storm. Theo Schneider and Leo Alfreds plan marriage soon. Working on farms are Dennis Stadick, Bill Wilfahrt, Luvern Nelson, Alan Osberg, Roger Hulke, and Harold Holmgren.

Karen Seifert is our German exchange student in Neu Ulm, Germany, and Sharon Hulke is at home.

Richard Drexler is undecided.

Toni Wicherski, Judy Lervaag, and Dianne Zwach are at home, while Glen Stolt, Janice Machau, and Helen Andrezuk could not be contacted.

NUHS Represented At Tri-County Fair

Forty boys represented NUHS at the Tri-county fair at Mankato.

Grand Champion in the potato exhibit was James Lendt, a senior, who also won two blue ribbons in early and late corn samples. Steve Lambrecht, a junior, won two blue ribbons in corn, while Dennis Wellmann, a junior, won a blue ribbon in corn and one in potatoes.

Blue ribbons in corn were also won by the following boys: John Rewitzer, Carl Roloff, Larry Luepke, John Botton, Steven Fenske, Greg Bieraugel, Jay Johnson, Mike Griebel, Tom Haala, Eldon Hartwigsen, Ivan Roloff, and Ben Stadick.

Blue ribbons went to the brother combinations of David and Cletus Janni and John and Robert Albrecht in potatoes.

Freshmen To Get Physical Exams

"Calling all freshmen. Physical time once again!" The physical examinations will take place in the Little Theater. On October 23, eye, ear, nose, and throat examinations will be conducted, and the general physicals, October 27. All doctors from New Ulm will take part in conducting the examinations.

The physical education department is helping by taking the height and weight of each student and by recording the history of each student's illnesses thereby aiding in a more speedy and efficient physical examination.

Don Freeland

Race Car Driver To Present Program

"To inform students of the auto safety problem," the Champion Plug Company will present "The Champion Highway Safety Program" on October 18, at 8:45 a.m. in the auditorium.

Don Freeland, one of a team of seven Indianapolis race drivers will be the speaker. His subject will be "Highway Safety Is No Accident."

The program will be presented in three parts. Mr. Freeland will first show a color movie made at the Indianapolis Speedway. He then will relate some of his experiences on the race track and also some he has had on the highways. After this, students will have the opportunity to ask questions.

Girls Outnumber Boys

It must be a girls' world, although the boys seem to be catching up, since as of October 3 there were 436 boys and 468 girls enrolled in NUHS for a grand total of 904, the largest in history.

The seniors have the smallest group: 54 boys and 69 girls, for a total of 123; juniors, 79 boys and 79 girls, for a total of 158; sophomores—74 boys and 81 girls, a total of 155; freshmen—105 boys and 105 girls, making 210; eighth grade—61 boys and 72 girls, for a total of 133; and seventh grade—63 boys and 62 girls, for a total of 125.

Faculty Members Spend Summer Various Ways

To many faculty members summer vacations meant trips to places all over the United States and Europe, but to fourteen teachers it meant only more school.

Those attending summer school were Mr. Achmann, Mrs. Schroer, and Miss Kittleson at Mankato State; Mr. Howell, Miss McLaughlin, Mrs. Dethmers, Mr. Jenson, Miss Kayser, Mr. Arnet, and Miss Stoppelmann at the University of Minnesota; Mr. E. W. Anderson at the University of Vermont; Mr. Heille at the University of Wisconsin; Miss Meeg Anderson at Theater L'Homme d'Dieu at Alexandria; Miss Steen at the American University in Washington, D.C., and Mr. Oien at the University of Colorado.

Varied Jobs Occupied Some

For a part of the summer, Mr. Heille helped Mr. Ness with driver training and Mr. Novak worked for the Green Giant Company. Camp director at St. Louis County 4-H Camp was Mr. Pfaender. Mr. Voyes worked for Supersweet, and Mr. Zahn, as hail adjuster for the upper Midwest. Our city recreation department was again supervised by Mr. Harman. Mr. Hopfenspirger, Mr. Knutson and Mr. Senske worked for Heymann Construction, while the latter two also played ball with the New Ulm Brewers.

Mr. Blackstad spent his summer at Camp Ripley and Fort Benning, Georgia, taking officer training for the National Guard.

The annual trip to Hanska with his family for an ice cream cone was

Mr. Oien Chooses Debate Schedule

"Resolved: That the Federal Government Should Provide Additional Aid for Public School Facilities" is the question that twelve NUHS students will be debating this year. On the affirmative side there are three teams: Bud Knopke and Tat Knopke, Pennell Somsen and Ginger Knopke, and Dick Kanstrup and Bill Chambard. On the negative side there are also three teams: Mike Good and Randy Kroening, Ben Pieser and Candy Stone, and Greg Heille and Eric Forsberg.

The first debate tournament will be October 23 in Estherville, Iowa. Bud, Tat, Mike and Randy will be going to this tournament. Then on November 4 the rest of the debaters will be going to Hutchinson for another tournament.

Bud, Tat, Mike and Randy will be going to the Hamline University tournament, November 18, and the rest of the Debaters will be going to a Blue Earth tournament, December 2.

That is the debate schedule for the rest of this year and we wish them "good luck" at all of them.

New Devices Used In German Class

"Listen and repeat," familiar words in German class are not those of Mr. Werner the instructor, but words from tape recordings, utilizing an entirely new method of teaching languages by dialogue.

Instead of learning just words, the new trend is to learn dialogues which may take place in particular situations. Material for this method has just been released. Tape recordings have the dialogues and drills which acquaint the student with various forms, tenses, and uses of words.

The Audio Active Laboratory is available for individual use in the classroom; it permits the student to record and play back his voice and make necessary corrections. For home study, phonograph records will soon be available. Text books are loose leaf forms, each unit a separate booklet corresponding to the tape recordings.

Faculty Members Spend Summer Various Ways

one of the highlights of Mr. Epp's summer, along with being at Camp Ripley and working for Meyer Construction. Mr. Fier stayed home and helped his FFA boys with their summer projects.

Miss Schmid and Mr. Ness worked at school along with Mr. Lynott, Mr. Fjelsted, Mr. Olson, Mrs. Simmet, Mrs. Schrader, Mr. Strang, Mr. Iverson, Mr. Marti, Mr. Heck, and the janitors.

European, Shorter Trips Taken

Miss Mueller spent her vacation in Milwaukee, Wisconsin. Short trips to the cities, Duluth, Nashwauk and Revillo, South Dakota, were taken by Miss Sogn. Miss Raverty and Miss Westling visited Mrs. (Wuopio) Taminin, a former math teacher at NUHS, at Nashwauk. Miss Helms made somewhat longer trips to Oregon, California, and the North Shore, while Miss Larson spent two months in Europe.

Visiting Lake Okoboji, giving vocal lessons, and playing golf describes Mrs. Wiechert's summer activities. Mr. Cliff Anderson was swimming instructor at a camp in Park Rapids after his marriage in June.

Mrs. Franklin taught summer typing and worked at the State Bond and Mortgage Company. Measuring land for the A.S.C. office kept Mr. Greenslit busy. Miss Skeie worked in the cities.

We regret to say that Mr. Tyrrell spent two weeks in the hospital.

Increase in School Population Provides Changes, Additions

Expansion is the key word around NUHS these days. Causing this is the uprising in school population and the effects are obvious: more crowded hallways, longer lunch-line, bigger classes and more teachers. New lockers, a new vinyl floor in Home Ec, a ninth grade study hall in the cafeteria and the fluorescent lights put into the band room are other signs of change.

To make possible the use of more movies in classwork, a mobile projector has been purchased. It is used only on the second floor and is kept in the new wing storeroom or in classrooms. Classes on the other floors still use the projection room. Mirroring the picture on the back of the screen is the scientific principle of the machine. The screen resembles that of a large TV screen.

Additions to Commercial Dept.

Six new electric typewriters have been purchased for commercial department, bringing the total to seventeen. They are used by the stenography, office machines, and notehand classes. The straight typing classes will continue to use the conventional machines.

A new course, notehand, has just been added to our curriculum this year, and is still in the experimen-

tal stage. Fifteen seniors are the guinea pigs—seven boys and eight girls. Last year this method was introduced into U.S. schools for the first time. The purpose of the class, according to Mrs. Franklin, instructor, is to enable students to make more useful notes. Designed for the college bound, it will teach them proper forms for manuscripts, typing, and themes.

The library has added **Great Books of the Western World**—54 volumes including drama, science, and the classics.

Class Assignments Changed

This year there is no world history class, because of the state regulation which requires world history to be taught to juniors, and American history to sophomores. Because the juniors have already had world history, they are having American this year, but next year NUHS will have the schedule required by the state.

The two guidance counselors, Mr. Ness and Miss Schmid, now operate on a full-time basis, with no teaching assignments. Mr. Knutson has been added to the faculty to teach orientation classes, formerly taught by Miss Schmid.

Milk machines have been installed in the cafeteria and are operated by Carol Schmidt, Anabelle Rewitzer, Myra Paulson, and Pat Knutson. This new method of serving milk is easier because the cups are disposed of. Nine cans containing five gallons of milk are used each noon.
