

Musical, Li'l Abner, Nears Completion

Li'l Abner is a striking musical that has many fine compliments behind it when it comes to the Broadway production, and we are sure the presentation that NUHS will give will also be a great success when it comes to a climax April 22, 23, and 24.

It is a political satire on American life. Al Capp, the cartoonist and originator of Li'l Abner, takes pokes at our society, using the tongue and cheek method. He shows, how, in many instances, the American woman governs the life of the American man, or any man for that matter.

This musical will be larger than the one presented two years ago and the cast is about 83 strong. The swing band will provide the music throughout the evening, playing the production numbers as well as the act music. Dances planned by the choreography department will also be presented.

A number of firsts have been brought to our school for class play history through Li'l Abner, one being the all-school matinee to be given Wednesday afternoon, April 21, for both junior and senior high. Therefore, all three evenings are open to the public. It should be understood that ALL tickets are for

Miss Schmid to Attend National Convention

Miss Schmid will represent Minnesota at the American Personnel and Guidance Association in Minneapolis on April 11 through 15. There will be six to eight thousand counselors from all over the United States.

Miss Schmid will attend because she is secretary of the Minnesota Counselors Association and a member of the Delegate Assembly of American School Counselors Association.

In April Mr. Blackstad will fly to the Air Force Academy in Colorado Springs, Colorado, where he will be a guest of the Air Force and tour the Academy.

Judy Gruber To Go To April Conference

Judy Gruber, senior, has been selected by the Citizens State Bank to attend the Economic Conference from April 21 to 23 in Minneapolis.

Each year the local bank selects a New Ulm boy or girl to go to the conference.

Prom First: Banquet To Be At Tropicana

A new flair will be added to the annual prom, May 1. Replacing a banquet in the school cafeteria will be a buffet supper at the Tropicana.

The junior class felt it would be impossible to hold a banquet at the school because of the large number of guests. As it is, the guests will eat in two shifts since the Tropicana can accommodate only 200 at a time. Plans are being made for a car pool to provide transportation for those who have need of it. The program committee may furnish entertainment for those who have eaten or are waiting to eat.

Henry Charles and his orchestra

reserved seats. If someone cannot purchase tickets before the time of performance, they can buy them at the door. A number of seats will be left open especially for this purpose.

The audience is not to expect some great serious lesson to come from the play, but they should realize that there are points brought up that are worth thinking about. The play is based upon the attitudes of people toward government, toward one another, and national, local, and personal problems. Al Capp slyly sneaks in these items along with the humor.

Because of poor weather conditions, rehearsals have gone along at a snail's pace, but all is expected to turn out well.

The Broadway hit musical was supported by a cast of many famous performers. It received such comments as "bountiful, lively, tuneful," "a satisfactory mixture of hill-billy nonsense and sharp critical humor," "wittiest political satire."

Through the efforts of many fine people, hard working cast and crew members the only thing in site for our Li'l Abner is success.

Instrumental, Vocal Soloist Chosen At Local Contest

Out of the 42 entries in the Local Music Contest (30 instrumentals and 12 vocals) held at NUHS March 30, at 7:00 P.M., the following were selected to go to the contest.

Instrumental solos: Anne Novak, flute; Sue Anderson, Roberta Opel and Jack Aaker, clarinet; Mark Sather, trombone; Sue Holland, French Horn; Roger Schmid, baritone; Donald Amundson, bass; Eileen Karl, alto sax; and Carolyn Scheffler, oboe solo; Parsons, Eyrich, Christiansen, flute trio; Novak, Plagge, Newton, flute trio; Sather, Anderson, Bowen, Christensen, trombone quartet; Opel, Gehrke, Wellmann, Hauser, clarinet quartet; Aaker, Anderson, Dethmers, Meyer, clarinet quartet.

Alternates were Barbara Gehrke and Roger Schmid.

All of the 12 vocal performers can go on to the district; they include Myrene Jones, soprano; Sharon Albrecht, Kathy Fritsche, Sharon Moll, Mezzo-soprano; Karen Gleisner, Pauline Precht, contralto; Sally Vogel, Betty Christiansen, alto; Jack Aaker, tenor; John Schroeder and Henry Frisch, bass solo; and Mark Sather, baritone solo.

will provide the music for the dance. The orchestra, originally from Austin, is the home band at the Prom Center in the Twin Cities.

Committees have been chosen and meetings are being held. Decoration of the gymnasium, based on the theme "Carousel," will start soon. Members of the food committee have been asked to work on other committees, since there will be no banquet.

The faculty advisors helping the juniors are Mr. Borchert, Mr. Werner, and Mr. Senske, decorations; Mrs. Ackerson, and Mrs. Franklin, table decorations; Mr. Greenslit, program; and Miss Raverty, invitations.

Winners of the sub-district declam contest at Winthrop: front row, Helen Rodenberg, Pamela Stone and Carol Hogfoss; back row, Jan Hagg, Sue Anderson, Janeen Onstine and Dennis Kral.

New Ulm High School, New Ulm, Minn., Tuesday, April 6, 1965

Number 6

Supt. Fjelstad Returns From German Tour

Mr. L. Fjelstad, superintendent, spent from March 9 to March 28 in Germany visiting schools, meeting educators, and discussing actual problems.

Mr. Fjelstad left New York City March 8 by plane and arrived in Munich the next day at 9 a.m., after an eight-hour flight. He traveled with thirty-five other school superintendents who represented twenty different states and visited Munich, Berlin, Weisbaden, Frankfurt, Heidelberg, Mainz, and Ulm.

While in Ulm he visited with Ute Joohs and Claudia Konrad, former exchange students who have attended NUHS. Claudia is going to college in Heidelberg. Ute is working in Ulm as an interpreter and is planning on marrying soon. Mr. Fjelstad enjoyed his visit in Ulm especially because it is a town a lot like New Ulm and has been associated with New Ulm.

Unforgettable experiences were going from West Berlin to East Berlin, his trip by boat from Cologne to Frankfurt on the Rhine River, and viewing many castles, some of which were in ruins. One of the castles had literally hundreds of antler horns in it. He couldn't imagine where so many could possibly have been obtained.

After touring several types of schools—elementary, industrial, and high school—he noticed the students dress similarly to our students. He found that all around, people dress as we do, so it was hard to distinguish between natives and foreigners.

He understands New Ulm had a little snow. There was no snow in Germany. In fact, trees were budding and Spring was in the air!

Mr. Fjelstad enjoyed his trip but he's glad to be back in Minnesota, and at good old NUHS—even though he can never find a parking place in the school lot.

New Ratings System To Be Used In Contest

The annual music contest-festival for area 2 of District 10 will be held in Springfield on April 9 and 10. Dr. Clyde Johnson of the U of M at Morris will judge the instrumental division, and Mr. O. B. Dahle of Minneapolis Southwest High School will rate the vocal division.

Under a new system, no "A," "B," or "C," ratings will be given, but superior performances will be indicated by a star. Solos and ensembles receiving stars on Friday will advance to the state-regional contest.

NUHS will be represented on Saturday by the band, choir, Bel Canto, and Boys' Chorus. "Prelude and Fugue" by Bach, "Marriage of Figaro" by Mozart, "Overture for Winds" by Charles Carter, and a concert march, "My Hero" from Oscar Straus' "Chocolate Soldier" will be the band's contest

NUHS Bands Present Annual Spring Concert

There may still be snow on the ground, but the calendar says it is spring so the New Ulm High School Bands presented their concert April 4 at 8 p.m.

The Junior High Band under the direction of Mr. Iverson played seven selections. Included were "Battle Brigade March"; "Variation Overture"; "Three Swingers," saxophone solo featuring Steve Akre, Scott Hansen and Bruce Lambrecht; "Tango for Band"; "Shamrock Concert March"; "Navy Hymn"; and "The Longest Day" (theme from the movie).

The Senior High Band, with Mr. Strang directing, also played seven selections: "Orange Bowl March," Prelude and Fugue in G Minor, "Die Meistersinger" (excerpts from the opera), "Overture for Winds," "My Hero," (military concert march), "Hello, Dolly" (highlights from the musical), and "Hootenanny" (folk festival for band).

Many of the numbers will be entered in the district contest to be held at Springfield, April 10.

numbers. Select choir will perform "Sanctus" by Bach, "Alleluia" by Randall Thompson, and "Set Down, Servant" a Negro spiritual. Bel Canto selections will be Mahler's "Bel Chorus," Debussy's "Whither Gentle Soul?" and "Elijah Rock," a spiritual. "Cool Water" by Bob Nolan, "Praise Ye the Lord" by Camille Saint-Saens, and "Stout-hearted Men" by Sigmund Romberg will be sung by the Boy's Chorus.

After performing for a rating and constructive criticism in the morning, NUHS students will join those from Springfield, Redwood Falls, and Sleepy Eye for lunch in the school cafeteria. During the afternoon Dr. Johnson and Mr. Dahle will conduct rehearsals of the massed band and choir in preparation for the evening performance.

The band of approximately 315 pieces, and the choir of about 250 voices will present a public concert in the Springfield High School gymnasium at 8:00 p.m. on April 10, at which time selected solos and ensembles from each school will also perform.

Gold Medal Winner, Brian Schmucker, Performs On TV

Brian Schmucker, one of ten boys representing NUHS at the state high school gymnastics meet March 14, tied for first place on the trampoline with Fairmont's Mike Zenk. Both boys received gold medals.

Also participating were George Wolf, Jerry Roiger, Roger Schmid, Bob Bieraugel, and George Marti in Class A; and David Sinclair, Brad Vogelpohl, Tom Bieraugel, and Cliff Fenske in Class B.

Brian performed between halves of the televised Luverne-Faribault game March 26, along with the other state winners.

Outlook NUHS

The WAG

We Are the Greatest

by Lynn and Jeanne

Once upon a time in a place called Eu Nulm, there was a big school, Eu Nulm High School. In this high school was a very important class, the class of '65.

Why was it important you ask? You didn't ask? I'll tell you anyway. It was important because it was the oldest class attending that year, and it was wise. In fact, having only eight weeks of school left before graduation, it knew **everything** about **everything**.

It had many people in it that did very important things:

Greg Heille made proclamations. (Like: It's a National Pencil Week. Get the lead out!)

Mike Griebel owned a Mustang.

Lauri Schroeck had her ears pierced.

Dennis Kral lost 26 pounds.

Joel Erickson stayed awake two days in a row in social.

Rog Besmer slept two days in a row in social.

Gary Paulson became a hero overnight.

Louise Brinkman took her diphtheria shot.

Joe Ubl though growing, continued to look like a "gopher."

Sandy Pfeiffer knew an answer in German.

Jane Gaut didn't know an answer in German.

Mary Eyrich was passing Chemistry for the second year in a row.

Leon Berdan, Ben Stadick, and Al Lambrecht all bought '61 white chevies.

Faith Reinhart got a new super-speed, stream-lined wheel chair so she could wipe out junior high students.

Last but not least, Leon Berdan had drag races with Mr. Werner, Leon on foot and Mr. Werner in his car. Leon always won.

Eventually the class of '65 graduated and went into the world to do very important things, and Eu Nulm High School lived happily ever after.

Once upon a time there was a little girl. She was lonely and without a date for Prom. Poor little girl! So one day this lonely little girl went to see cupid. That solved her problem, cupid got her a date with a handsome prince. A miracle—no! NUHS' cupid is the one and only Mr. Senske. Are you lonely? Do you need a date for Prom? Go see Mr. Senske; he has plenty of arrows left.

Junior Chatter

Dear Daddy,

Time again for my monthly report about things at NUHS.

—Terry Wieland has been pestering me for the last week to tell you that her team has gone undefeated in basketball; only two games were played.

—Terry also broke a Pyrex test tube in chemistry, and they don't break.

—Terry is walking around school with her right hand bandaged! She claims a werewolf bit her.

—Here is a flash from Ruth Webster, "In GAA I jerked on my gym suit and it ripped to the elastic. Miss Piehl grabbed me while doing a single leg cut off and the back fell out. On the rings I did a bird's nest and all my snaps popped and I ripped the bottom middle out. It was my sister's gym suit."

—FLASH! Linda Johnson cleaned out her purse.

—Greg Heille taught Mr. Voves' seventh hour Latin I class on Friday, March 26. His only remark was, "There were three smart ones, a stupid one, and one who liked to argue."

—Mr. Borchert, is the Accounting Class Password fun?

—Note to Roy Weber: If you're really that tired, there is a bed in the nurse's office.

—Daddy, have you seen two bus wheels? Bus No. 7 lost them last Monday p.m. out in the country.

Love,
Us

James Liebl, one of Mr. Fier's boys, is a potential farmer in our future. He is another of the quieter members of the senior class, but is known to have a real sense of humor. He has been an active member of FFA since 9th grade and will probably make a great farmer.

* * *

Dale (Crusher) Lietzau is one of the best wrestlers NUHS has. It's too bad they have to lose him. Dale was a transfer from Hutch but he got "in" fast. Probably 'cuz he's a swell guy and a lot of fun to be with. We want to wish Dale good grades and lots of FUN next year at Mankato State!

* * *

Joyce (Joycie) Lindmeyer is the gal with the (as she puts it) "uncertain" future. She has a lot of "possibles" but says she won't be sure until the day after graduation. Until then she has only one other thing on her mind, but sorry, we're not allowed to tell.

* * *

Linda (Juliet) Luepke - is the envy of every senior girl for obvious reasons—her diamond! Linda is the soft-spoken girl with the "sugar sweet" personality. For being petite in every way, Linda has the biggest heart that ever was and has the capacity for being a friend to everyone. May luck and happiness be yours always!

* * *

Sandra (Sandpile) Lundholm. We are very thankful that Mrs. Lundholm provided us with Sandy's pet peeve—being called Sandpile (another of Mother's goodies) but she really prefers being called Sandy. It's rumored that she is known to her more intimate friends as "The Emerson Instigator" since she starts most of the laugh riots over there. This is easy to visualize since Sandy's sense of humor and terrific personality have been with most of us for years. Good luck to a future homemaker!

* * *

Diane Marier—is the fun-loving girl with happy-go-lucky ways. Her favorite pastime is riding in a sporty red car with a real "neat" guy. Her greatest weakness is visiting a "grease-monkey" on South Minnesota Street. What a life! Luck always to a sweet senior girl. (P.S. Notice we didn't mention anything about your red hair, Diane!)

* * *

Jane (Janie) Marquardt is one person we're sure everyone knows. As cheerleader, she could hardly be unknown, even though quiet at times. In fact Jane is quiet usually except for two things, at games, and when arguing with Mr. C. Anderson about one of his nasty little First Aid quizzes, but then, who doesn't? We are confident that Jane will some day learn how to give mouth-to-mouth to the dummy (the First Aid one) and she'll qualify as a good First Aider after all. Good Luck Jane, you'll need it!

Report On German II

by Pauline Precht

Some of the students in 3rd hour German II were complaining about the drab green booths (more commonly known as stalls) and asked if they could hang pictures in them. Of course, Die Grosse Katzy (cat), Mr. Werner, said "no"; and when asked why he said, "Because of the ridiculous things they hand in the booths."

He said that Steve Reinhart would hang a big picture of a mug in his booth—John Schnöbrich would hang some skis in his (of course, John suggested other things)—Bill Radke would hang a Honda in his—and Greg Heille would hang up a picture of Greg Heille.

Then he admitted that on the console he would hang a life-sized picture of Himself—so we all changed our minds and dropped the subject.

Bruce Melzer—All Bruce needs is a swinging guitar and a pretty girl for his setting of fun. A ready smile but a sincere attitude are characteristics of Bruce. College seems to be his goal now. (We suspect there'll be plenty of hootenannys and fun wherever he goes.)

* * *

Kathleen (Sylvester) Meyer—a Courtland girl with a love for Gibbon. Kathy's been a real asset to our class with her outstanding personality and friendly smile. How can she help but have happiness? (As far as her nickname is concerned, ask Tweety about that! Right, Kath!)

* * *

Sharon (Sharri) Moll—a wonderful girl with a heart of gold is Sharri. She's a regular "pep pill" when it comes to every-day aches and pains and a comic when there's someone to cheer-up. People like Sharri are few and far between. Good luck to a "rich" gal!

* * *

James (Jim) Nado is the guy with a million nicknames and just as many friends! In grade school he belonged to the "Payne Street Gang", but it has broken up now since the leader moved away three years ago. Poor Jim had to hobble around on crutches a while ago, but made one of the speediest recoveries ever heard of, probably because he heard that the Phy Ed. classes were starting social dancing, and Jim is a real social dancer. Good Luck, Cha Cha!

* * *

Elizabeth (Liz) Newman—is a real BRAIN in 3rd hour German II (compared to the rest of us) Liz came to NUHS in her sophomore year and has won the friendship of many since. A true-blue friend and more fun than a "picnic" best suits Liz. (May your dreams come true!)

* * *

Galen Nilson is one of Mr. Epp's recruits for this year. We have no way of telling yet how big a track star he will be this year, but we do know that with his determination Galen will really "give it the old College Try". Right Galen?

* * *

Marla Olson—a quiet but interesting person to know is Marla. She has hidden qualities that make her well-liked throughout the school. Whatever her future may be, may she find only success and happiness.

* * *

Janeen (Nee-Nee) Onstine is probably the best actress in the school. This is very evident since she has been the star of many one-acts and in the regular plays. Her terrific acting ability showed up also in Modern Dance in Phy Ed. She got one of the few and far between "A's" that are given only to really superior dancers. Good Luck to a Future student of the "U" who, we know, doesn't need it.

* * *

Sheila Ostermann is a transfer student from Gaylord who has always been very popular. She is envied by a lot of the senior girls for her cute clothes—she seems to specialize in shoes, though. She is a terrific seamstress and is also a good cook, so we feel there is a bright homemaking future for Sheila.

* * *

Penny Parsons is the gal with the run-away jeep. If you ever hear a monstrous growl out in the street, you'll know she forgot to take it out of neutral. Pen is also known for her musical ability. She is another of our "sharp" sopranos in choir and Bel Canto and is accompanist for both and also for solos.

* * *

Gary (Bugs) Paulson is the newest hero in NUHS since his historical play in the Gibbon basketball game. Gary is also famous for football and is going out for track this spring. You can see Gary plodding down 10th South hill almost any afternoon after school. There is a rumor that Gary writes hilarious remarks on the backs of his pictures, but as yet we have no proof.

Cecil Reports

Accompanists running between the Little Theater and the bandroom, soloists working in every corner of the bandroom, and ensembles meeting whenever all members were free, were all signs during the past few weeks that contest time is here again. With local eliminations completed, the number of students is smaller, but the work they put in is even greater.

A somewhat unusual entry in the local contest was a drum duet by Susan Fuerhelm and Linda Hoffmann. Sophomores had the biggest representation in the local event, with 23 participants. Seniors followed with 15, and juniors entered 9.

Band rehearsals are being devoted to contest preparations, too. Al Lambrecht might win an award all by himself for the little dance step he does in keeping time during "Hootenanny."

Snooping Around NUHS

Helen Rodenberg has a solution for waking up in the morning—she jumps out into the snow and rolls around. . .well, it was just a thought!

* * *

Marlene Mack was surprised to find the Madelia boys dressing in the girl's locker room as she rushed down the steps to get her gym suit—she made a quick retreat!

* * *

Mr. Lynott doesn't like the music of our combos! Ruth Webster suggests a deaf chaperone.

* * *

Did anybody see Kenny Schaefer riding the little horsie in front of Clem's? Bet he had fun! Giddyap!

* * *

Barb Mogen has a new ring!! They call it the "desk drawer of Arnet's biology room." Who's the lucky guy?

* * *

Linda Johnson has a great memory! It's so great that she forgot her shoes and spent the day alternating between her boots and going barefoot!

Spring Training Begins For Baseball On March 29

by Bobbi Lieberman

"Spring Training" began March 29 for the Eagle baseballers, but it is debatable that the weatherman will cooperate with plans for an April 10 opener.

Although it is too early to make any predictions as to how the Eagles will do this season, Coach Jim Senske foresees a stable infield with All-State second baseman Tim Silcox and third baseman Bruce Burdorf back. The other returning regulars are Neil Gulden in left field and Scott Harmening in right. Roger Zahn, junior southpaw and understudy to Gary Cunningham last year, will probably see extensive action on the mound. Mr. Senske hopes to mold at least one more rookie into a starting pitcher.

Catching is an open question with the loss of Rich Breu leaving a big gap. Boys from all senior high classes are working out behind the plate.

Mr. Senske contends that the '64 State Consolation Champs can be a threat to the District 10 title with some battery reinforcement and if players can be found to plug the other holes left open by last year's seniors.

Did You Know!!!

Did You Know That!

—: Secret Agent 006 is Dennis Kral?

—: Niagara Falls doesn't fall down, it falls up. It's just an optical illusion.

—: Not only is the authorship of Shakespeare's work being questioned, but some people claim that Mark Twain didn't write Mark Twain. Somebody even went as far as to question the authorship of Mr. Werner's jokes.

—: While the odds are against an explosion in a print shop producing a work of Shakespeare, there's a good chance that this column is set up that very manner each edition.

James Schiller To Attend Boys State

James Schiller will represent NUHS at the 17th annual Boys State. His trip will be sponsored by the Ben J. Seifert Post No. 132, of the American Legion. Donald Nelson is the alternate.

To qualify as a candidate, the junior must be in the upper third of his class and show qualities of leadership and good citizenship. From those qualifying the faculty nominated five boys whom they then ranked to decide the final representative.

Loren Jones will be the representative of the Cambria American Legion.

With Spring? Comes Track

Believe it or not—track practice started last week. With promises of spring on the way, Mr. Epp decided that a team starting to work on the events in good condition is better than starting fresh. Mr. Epp also promised that if the temperature ever reached 50 degrees the team would go outside, snow or no snow.

The team is composed of 40 to 50 boys with many veterans and Mr. Epp, Mr. Greenslit and Mr. Voves as the coaches. The first meet is scheduled this Friday in the Mankato State College field house.

New Ulm's FFA Chapter Wins 25 Awards At County Crop Show

The New Ulm FFA Chapter won 25 of the top awards in the Brown County Crop Show.

Those having the champion exhibits were Delmar Ranweiler, champion potato exhibit; Steve Woratschka, champion silage; Allan Lambrecht, champion wheat; David Schrimpf, champion rye; and Robert Pengilly, champion soybean.

There was also a forage contest at the Brown County Crop Show this year. The contest was won by James Brandel, Paul Brandel, and Pat Duetsch.

Our crop-judging team will go to the state as they won fifth place in the Regional Crops judging contest. The participants were Dennis Kral, Paul Brandel, Mike Griebel, Jeff

28 Tickets Sold To NUHS For State Tournament

A total of 28 tickets were sold to NUHS students for the 1965 State High School Basketball Tournament. Although 23 and 20 tickets were ordered for the fourth and fifth sessions, respectively, the school received only 15 and 13.

Still Seeking Revenge, NU Eagles Lose Again

Seeking revenge on a seemingly endless string of losses to the Springfield Tigers, the Eagles bowed to their nemesis in the District 10 Semi-finals at Gustavus, March 11, by a score of 60-56.

A 2-on-1 Eagle defense held guard Ricky Davison scoreless in the second half, but his teammates were left open for several long shots and cripple baskets. High for Springfield was Bob Matzke with 26 points.

The Eagles threatened repeatedly in the second half but were unable to sustain a rally, with floor mistakes and missed scoring opportunities stopping their comebacks cold. Sonny Romberg had a fine effort, scoring 20 points and shooting 100% from the field.

By Greg Roiger

Height and weight seem to be a very important factor to teenagers in both social and athletic life. It seems very important and so I, with the help of Mr. C. Anderson, have computed the average heights and weights for 4 classes, (figures were unobtainable for ninth grade of boys).

It seems as if most of the growth is within a two-year period, between the eighth and tenth grades.

The figures:

12	5' 10 1d4"	155
11	5' 9 1d4"	149
10	5' 9 1d2"	135
8	5' 3 1d2"	112
7	4' 11"	107

Looking over the columns of figures, I saw many frames that seemed as if they would fit perfectly into a football or basketball uniform. Yet, this year's starting football team averaged only about 160-5 pounds heavier than the senior class! The starting basketball averaged about 6' 1d4" which is 2 inches taller than average for seniors.

Congratulations are due for the basketball team. Taking third in the district doesn't seem like much but many teams go years without ever making it to Gusty. We still outplayed the coaches who seeded us only fifth this year.

Congratulations also to Tom Noyes for making it to the state wrestling tournament and to Brian Schmucker for taking first in the State Gymnastics meet.

Tom Noyes, New Ulm's only entrant in the state wrestling meet, found it rough going at the big tournament. He was eliminated the first round by Paul Moe of Crookston. He also lost out on a chance at wrestle-backs when Moe lost out his on next round.

This year's New Ulm wrestling didn't fare too well, winning only one dull meet, but much valuable experience was earned by many underclassmen and things look a little better for next year. In gymnastics, New Ulm led the way, in most meets, losing very few.

Minnetonka Has Nine NU Fans

Minnetonka, state basketball champions, has nine fans who won M&Ms from Mr. E. W. Anderson in his "pick the prep champ" contest. Quentin Onstine won first prize of two lollipops and a bag of M&Ms for his prediction of Minnetonka over Faribault 68-60. Linda Johnson was the second place winner of 1 lollipop and M&Ms, predicting a 76-68 victory of Tonka over Faribault. The actual score was 71-60.

Other winners were Todd Schnobrich, Connie Johns, Greg Benson, Sharon Albrecht, Dave Roiger, Sally Vogel, and Terry Wieland; each received M&Ms.

Bob Bieraugel won the booby prize of 1 lollipop for his incorrect prediction of every game. Students who predicted consolation and third place winners also received lollipops.

State Bond Offers Seniors Second Annual Scholarship

Seniors—please note!

For the second time, the State Bond and Mortgage Company will present a \$200 scholarship to a graduate of NUHS, to be used for further education at the school of his choice, without regard to type of school or field of study.

The recipient must be in the upper half of his class in scholarship; during his high school career, he shall have proved himself worthy and deserving of the scholarship; and he shall attend a recognized col-

Henry Frisch Rotary Club's Representative

Henry Frisch has been selected to represent New Ulm's Rotary Club at the 19th Annual Young Men's Conference sponsored by the Rotary Club of St. Paul. Its purpose is to assist selected high school seniors in choosing their vocations and in planning the course of their future education. The conference will be held April 25, 26, and 27.

The program will include a vocational interview with an expert in a field of Henry's choice, conducted tours through St. Paul industrial plants, and a visit to the State Capitol and other government buildings. The conference opens officially with Sunday Smorgasbord at twelve noon. A dinner engagement with vocational counselors has been scheduled for Monday evening.

The conference will close after a regular Tuesday Rotary meeting at 1:30 p.m. During his stay in St. Paul, Henry will be a guest at the home of a member of the club.

Mr. Arnet Back After Surgery

"I don't know, I may just leave it this way!" Mr. Arnet gave us this comment on his hair—or lack of it. He has recently returned to teaching after spending almost a month in the Mayo Clinic at Rochester and two months recuperating at his home. The hair on his forehead came off as a result of 28 cobalt treatments he received after the removal of a tumor from the left side of his brain last December.

During his time away, both in the hospital and at his home, Mr. Arnet received some two hundred cards and letters from the students of NUHS.

Mr. Arnet plans to continue teaching although, as a result of his operation, he says that he still has trouble with articulation and word control. The tumor was in a part of the brain that dealt with these functions.

Mr. Hendrickson, who took over Mr. Arnet's classes during his absence, is now teaching 7 and 8 grade social, a position previously held by Mr. Blasing and Mrs. Kleene.

lege, university or trade school, as determined by the guidance department of NUHS.

Selection of the recipient will be made by a committee consisting of one administrator, one counselor, and four teachers, appointed by the superintendent.

The payment of the scholarship will be made to the recipient upon completion of his registration at an approved school. The scholarship shall be forfeited to an alternate if the one selected accepts another scholarship.

Application blanks may be obtained from Miss Kayser and they must be returned to her by May 1. Jeanette Lang was the recipient of the scholarship last year.

Children Model Senior Creations

Decked with huge stuffed animals and lots of smart spring fashions, the home economics sewing room was a delight for anyone observing the style show "Tots and Togs" held March 24. Lois Hesse, a member of the class was the commentator.

The surroundings fascinated little Carrie Filzen so much that she reached for each toy as she was modeling her garment.

The project of the senior girls' sewing class was to make garments for toddlers. The children themselves, brought by their mothers, were the models.

Miss Westling's foods classes provided coffee and bars.

Eagle Editors For 1966 To Be Chosen At Meeting

Laying plans for the 1966 Eagle, including the selection of one editor-in-chief and four sub-editors, will be the purpose of a meeting held for all interested juniors, April 13, after school in Room 214.

Although Miss Reinert has a list of suggested persons for the editorship, any junior interested in editorship positions should pick up an application from the office.

Many of these persons will be contacted for personal interviews by Miss Reinert and the 1965 editors.

School Shorts

Concert Snowed Out

One of the major casualties of the March blizzard (or blizzards) is the spring vocal concert.

Originally scheduled for March 21, it was first postponed and then cancelled. Four days of no school and about as many more bus-less days completely disrupted any plans for practice.

Registration Almost Complete

Registration for next year is almost completed. Miss Schmid and Mr. Blackstad have already registered about 235 students.

There are 40 juniors and 70 sophomores left to do before the counselors begin on the freshmen and eighth graders. They plan to be finished by May 1.

Yearbook Clinic

Little 10 Yearbook and Newspaper Clinic is to be held April 26, at Fairmont, from 1:00 to 4:30 p.m.

From NUHS will go four members of next year's Eagle staff and three from next year's Graphos staff; as well as advisers Miss Reinert, Miss Kayser, and Mr. Marti.

Shrine Circus Coming

Come one, Come all, come to the Shrine Circus. That's right, the Shrine Circus, sponsored by the Masonic Lodge, will soon be entertaining in New Ulm.

Performances by the Zurah Merymakers, a Minneapolis fun group, will start at 8:00 in the NUHS auditorium on April 9. There will be no admission charge; however, admittance will be by ticket only. Tickets are available for the asking from the local Shriners and business places in New Ulm.

Monkey Assembly

"Chimps on Parade" is the assembly to be held at NUHS on April 7 at 2:50 p.m. The program is "an exhilarating and rewarding visit with three of the greatest comedians of the animal world."

Or Your Money Back

These are the "models" who appeared in the style show, "Tots and Togs."

Home Ec. Classes Progress

Miss Westling's Home Economics classes are all in a different phase of food preparation this six weeks.

The seventh graders are learning how to bake tasty muffins, while the eighth graders are preparing salads. The tenth graders are on a unit in meat cookery. They are learning how to oven-roast tough and tender roasts, and then planning a meal around the meats.

The eleventh graders are starting a unit to help make them efficiency conscious. One half of the group prepares the meal, while the other half observes them and takes notes on their movements.

According to Miss Stoppelman,

5 Student Teachers Arrive At NUHS

Arriving April 5 for nine weeks of student teaching were five students from Mankato State.

Nancy Hanson will be in Home Economics with Miss Westling and Miss Stoppelman; Herbert Geiger, Business Education with Mrs. Franklin, Mr. Bruels and Mr. Madson. Douglas Kodet, Instrumental Music and Art with Mr. Strang, Mr. Iversen and Mr. Marti; Richard Irish, Physical Education and Geography with Mr. Zahn, Mr. C. Anderson and Mr. Wurm; and Sheila Fix, Vocal music with Mrs. Wiechert and Mrs. Myf Schmish.

Eagle Editors Have Deadline Difficulties

Meeting the last deadline by the editors of the Eagle on March 22 was hampered by sparse attendance resulting from the snow storm. The editors had a difficult time getting the pictures and copy for the last 22 pages.

Miss Reinert reports, "An excellent job was done by the editors Sue Anderson, Sylvia Dethmers, Jean Eyrych, and Henry Frisch in planning and readying the 1965 Eagle."

"We anticipate an approximate delivery late in May or early in June. Details concerning distribution upon presentation of receipts will be announced at a later date."

her classes are "really in the whirl of things" as they begin to work on new clothes for the coming spring.

The seventh grade is busy with cotton skirts while the eighth grade are making shifts. The ninth graders are sewing on dresses with sleeves. Their goal is to learn to put in a sleeve neatly and properly.

The seniors' chief interest is their prom dresses.

All these fashions will be shown in the coming style show May 12.

Twirling Tryouts To Be Held Soon

Twirling tryouts will be held this year on Wednesday, May 5, at 4:00 in the small gym. The majorettes will be chosen from the girls trying out by Mr. Strang and the senior majorettes after an exhibition of marching and twirling by each girl.

This year's majorettes, consisting of Kathy Ballard as drum major-ette and Linda Brown, Paulette Boock, Connie Johns, Linda Huhn, and Jackie Lowinske as twirlers, have worked harder than ever before in order to provide enjoyable entertainment during football and basketball games. At the halves of the baseball games, the highlight routines performed with new flashlight batons. The twirlers spent each seventh hour practicing during the football and basketball seasons in order to insure different and varied routines.
