No. 1

## WEATHER REPORT

The sun is brighter, the grass is greener, the wind is crisper, and the nights are longer especially now that we're in school.

Mr. Paulson shows Mrs. Acker how to run new machine.

## Administration Has New Assistant

Mr. Paulson is the new NUHS administration assistant in charge of the business office in room 109.

He will take care of the pupil accounting, financial accounting, all federal programs, and the purchase of equipment.

After finishing from Mankato State, Mr. Paulson did his graduate work at the University of Minnesota in school administration. He also worked in Blue Earth for ten years.

In his spare moments, Mr. Paulson enjoys reading, fishing, and wood working. He also likes to listen to jazz, semi-classical, and Broadway music.

The NUHS business office has two new secretaries working under Mr. Paulson.

Mrs. Catherine Acker is in charge of pupil accounting. She keeps and accurate account of all the students in the public, parochial, and rural schools in this district under the age of twenty-one. By keeping this record, she then knows that all the students who are supposed to be enrolled in school are in school.

The other secretary is Miss Konakowitz. Her job is book-keeping. She also makes out the payroll and pays the bills. This has been her job for seven years.

## Coach Attends Clinic

Coach Cliff Anderson attended the Medical Aspects of Sports Institute August 18 and 19 at the Hotel Nicollet in Minneapolis.

The clinic was organized by the Minnesota Medical Association, the Minnesota Department of Health, the Minnesota State High School League, and the Department of Continuation Education of the University of Minnesota.

Over one hundred fifty coaches, trainers, and doctors attended the institute to study the medical, physical, and psychological aspects concerning athletic training.

Mr. Anderson said the clinic was very worthwhile and beneficial.

## School Has "Sign-In"

The first NUHS "yearbook sign-in" was held September 1 in the school gymnasium with the Depressions playing.

The yearbooks were given out later this year to provide better coverage of prom and the spring sports.

If you were not able to attend the dance, contact Mrs. Green to get your yearbook.

## On-The-Job, On-The-Way

Fifteen high school girls will participate in the "on-the-job" program organized by the commercial department. They will spend their mornings in class and their afternoons in the offices of various New Ulm businesses.

The girls are Lavonne Turbes, Leanne Tostenrud, Joanne Schnobrich, Deanna Schmitz, Leah Schaeffler, Susan Prael, Deborah Nelson, Bonnie Borchert, Rhonda Altermatt, Pauline Burk, Peggy Zobel, Carol Lietzau, Joyce Hoffmann, Mary Jane Guggisberg, and Kathleen Gleseke.

## Miss Schmid Attends Clinic

Miss Schmid attended the "Counseling for Industrial Trades and Technical Occupations Clinic" held at the William Hood Dunwoody Industrial Institute on August 21-25.

In the morning she studied industrial trends, labor unions, new job qualifications, apprenticeships, and higher pay. Her afternoons consisted of visits to various plants where she studied people at work.

Miss Schmid said the purpose of the institute was to better understand trades in order to help the non-college bound students.

## School Beckons 30 New Students

So far thirty new faces will be seen around NUHS this year.

New sophomores are Michael Peter, Gregory Reinhart, Marilyn Scheitel, James Scheman, Lynn Schnobrich, Steven Schnobrich, Elisa Smith, David Stout, Richard Tietz, Patricia Tribble, James Torgerson, Mark Winter, Glenn Rasmussen, Bill Stall, and Bruce Volz.

Juniors will be Jlene Johnson, Linda Kraus, Richard Ostrom, Karen Schugel, Mark Smasal, and Norma Brel.

The nine senior boys are Larry Abraham, Robert Bezdichek, Michael Groebner, Keith Rolloff, Rodney Scheitel, Gary Scheman, Martin Torgerson, Larry Tribble, and Dwight Stoll.

**ATTENTION!** Students, homecoming is just around the corner. Yes! October 6 is homecoming, and we will play the Hutchinson Tigers.

Be thinking about a slogan, queen candidates, and float themes. Also be thinking about who you want for your home room representative.

## FFA Wins At Fair

The New Ulm FFA chapter was well represented this year at the Minnesota State Fair by winning several championships.

The champion corn exhibit was won by Jerry Carlson. The state champion dairy judging team was LaRay Kral, Steve Melzer, and Mike Zieg.

The general livestock judging team was Bruce Luepke, Allan Zwach, and Dan Gieseke.

The FFA livestock arrived at the fair Friday. Showing dairy cattle were John Schroeder, Mike Zieg, Eugene Sellner, LaRay Kral, and John Rolloff. Exhibiting hog were Allan Zwach with Polands, Bruce Luepke with Duroc, Eugene Wellman with Yorkshire, Tom Stueber with Chester Whites, and Jerry Carlson with market hogs.

## Office Has New Secretary

You should all have seen a new face in the office by now. But in case you didn't, the new secretary is Miss Mohwinkel, a graduate of Truman High School and the Southwest Minnesota Vocational School of Jackson.

She will be doing general secretarial work in the office for Mr. Olson. In her spare time she likes to sew.

When asked how she liked the School, she replied, "I like it here real well."

## Seniors Have Smallest Class

A total of 628 students will attend NUHS this fall.

The juniors and sophomores are tied for first place with a total of 213 students. The juniors have 105 boys and 108 girls; the sophomores have 113 boys and 100 girls.

The seniors trail by 11 with a total of 202 consisting of 110 boys and 92 girls.

## New School Year Brings New Teachers

Mr. John Long of Lambertton will teach Gregg Shorthand, ABC Stenograph, and one course in business machines this year at NUHS.

He is a graduate of the University of Minnesota, Augsburg, and Mankato State. He also plans on attending Mankato night school during the year.

His one dislike about the school is the lack of windows, but otherwise he thinks the school is real nice.

In his spare time, he enjoys taking pictures of his children.

Donald E. Olson will be teaching typing, and bookkeeping this year at NUHS. He also will be the assistant basketball coach.

In his spare time, he enjoys sports and coin collecting.

The new chemistry teacher is Mr. Wesley R. Podolske, a graduate of Mankato State.

Being the outdoor type, Mr. Podolske also likes to hunt and fish.

Working in business education is Mr. Dallmann, a graduate of Mankato State.

He also enjoys outdoor sports such as hunting, fishing, and trapping.

Miss Hasselmeyer, who taught at Junior High last year, will be teaching Spanish I fifth and sixth hour this year. She is a graduate of Mankato State.

Social Studies and American History will be taught by Mr. Larson, a graduate of the Duluth Campus of the University of Minnesota. He is also interested in fishing and government.

Mr. Liedman will be teaching Social Studies and World History. He is a graduate of Hamlin and the University of Minnesota and is interested in golf.

Mr. Olson greets the new teachers. They are (left to right) Mr. Long, Mr. Olson, Mr. Dallmann, Mr. Larson, Mr. Podolske, and Mr. Liedman.

## Back Again

Well, summer is over, and it's back to the drudgery of school, like going to football games, stacking lockers, going to basketball games, attending the winter whirl, decorating for homecoming, going to track meets, yelling at pep fests, going to baseball games, AND studying. Boy, is school ever a lot of work! It's a lot of fun too!

## Appreciation

Didn't the school look different this morning when we first walked in. The floors, walls, and lockers looked so shiny compared to when we left in June.

Remember the floors scuffed up with black marks and the pen and pencil marks on the lockers.

To whom do we owe our credit? Why to the custodians who worked hard all summer long scrubbing, waxing, polishing, and buffing the floors just for us to come back again this year and mess it up.

Keep up the good work! We appreciate it, even if we don't always show it.

## School Spirit

I know that every year you get the old story about school spirit. Well, here it goes again.

I really and truly feel that NUHS is lacking school spirit; one of the most important things about a school. Last year we didn't have very good turnouts at our games considering the amount of students that we have.

I sure hope this year is better. Fight, Eagles, fight!

## Teachers Take Trip To Europe

Miss Kayser and Miss McLaughlin spent their summer in Europe. They visited the countries of England, France, Germany, Switzerland, Austria, Italy, Czechoslovakia, Lichtenstein, Denmark, and Sweden.

The highlight of their trip was visiting Czechoslovakia, where they met Miss Kayser's relatives and saw the house where Miss Kayser's mother was born.

They also traveled in Germany and spent a day with Ute Joohs, a former New Ulm exchange student. In Munich, they talked with two other exchange students, Susan Zollar and Claudia Conrad Mueller.

In England they saw the London Royal Ballet, the stage play, Oliver, Canterbury Cathedral, and Stonehenge.

In Italy they saw the opera, Aida, the Baths of Caracalla, and Naples. They returned home August 20.

Graphos Editors pose on top of the Graphos press car.

Mr. Olson, our principal, welcomes all the students of NUHS with a big smile and open arms.

## A Nash Of Poetry

The Fly  
The Lord in His Wisdom made the fly  
And then forgot to tell us why.

Celery  
Celery, raw  
Develops the jaw,  
But celery stewed,  
Is more quietly chewed.

The Jelly fish  
Who wants my Jellyfish  
I'm not sellyfish.

The Termite  
Some premarl termite Knobed on Wood  
And tasted it, and found it good,  
And that is why your cousin May  
Fell through the parlor floor today.

The Octopus  
Tell me, O Octopus, I begs  
Is those arms, or is they legs?  
I marvel at thee, Octopus;  
If I were thou I'd call me us.

September is a curious month,  
It has no sence at all, yet,  
It's not precisely summer,  
But its not exactly fall, yet.  
A curious month September is,  
Its weather is its highlight;  
You roll your shirtsleeves up at noon  
And don your furs at Twilight.  
September is a curious month  
It made the nations brothers  
By awarding one Davis cup  
And enraging all the others.  
A curious month September is.  
Its sports will not stay put now  
Among its ball games half are base-

And half of them are foot-now  
A curious month September is.  
With winter drawing sooner,  
The ladies buy new thingamajigs  
Not Decemberer, but Juner.  
A curious month September is.  
Regret is what it ends with,  
And yet, relief is partly what  
We part from summer friends with  
A curious month September is.  
Which I wouldn't part with a day from,  
It makes you glad to get back to where  
You were glad to get away from.

## SCHOOL SHORTS

Did you know that we get out of school five minutes earlier this year? Last year it was 3:27; this year it's 3:22. Sounds Good!

I.D. tickets will all be \$5.00 this year regardless of how many older brothers and sisters you've got.

Have you ever been in NUHS the week before school started? Your're lucky!

Aldolf regrets to tell us that he hasn't finished his song yet, but hopes to do so in the near future. Beatles, beware!

## Heap Of The Month

Zoom! It's a batmobile! No, it's the Graphos press car! No, it's a "Gibby" special whose top won't go up (especially if it's raining). At least it hasn't run into any buildings yet. YET!!!

Be sure to stop by the office and nominate your favorite heap for the next issue. Just drop a name in the box.

Take a look at Mr. Trapp's old Advanced Algebra room. Poor Peanuts!

Did you know that the school elevators are lined so the custodians won't bruise themselves?

A new school dress code has been adopted by the NUHS administration.

The general rule for students is to wear clothing that is both reasonable and in good taste. Anything outlandish, freakish, or iconoclastic will be outlawed, said Mr. Olson.

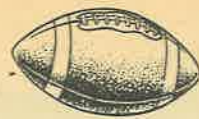

There will be no coulottes, sweat shirts, T-shirts, jumpsuits, pant dresses, shirt tails worn outside, or hobnail boots.

If anyone has questions about the new school dress code, they can inquire at the office.

## Into Action

Tri Captains (left to right) John Sievert, Doug Spelbrink and Scott Hansen.

### Tri Captains Guide Team

Three senior boys, Scott Hansen, John Sievert, and Doug Spelbrink, will be guiding the '67 football season with their capable talent. Two of the boys Doug and John are defense linebackers, while Scott plays end.

Doug Spelbrink will be playing defensive linebacker and offensive halfback. Doug has had a lot of experience, playing varsity last year and a bit in his sophomore year. Weighing 176, Doug is known for his running ability.

At end, both defense and offense, is Scott Hansen. Weighing 172 Scott has played end on varsity since his sophomore year. He is well known for catching passes.

John, Sievert, weighing 151, will be defensive linebacker and offensive guard. John too, has had quite a bit of experience in varsity. He played last year and in his sophomore year. His guarding ability is what he is known for.

With the help of the captains, coaches, and the rest of the team we are likely to have a profitable football season.

Coach assists Griders with football techniques.

### Twirlers Practice For Performances

Every Thursday since school ended the twirlers for this year have been working on their routine and practicing their twirling.

Their new outfits were here for the Polka Day Parade - Julie Konakowitz, head major-ette, wears a white fringe with sequins on a purple background. The other twirlers, Jane Rosner, Sue Rodenberg, Nancy

Brown, Jean Kramer, Monica Clyne, Joyce Boelter, and Mary Schwartz will be wearing purple fringe on a white background.

The twirlers will be performing at football games here so they have been busy working on a new flag routine. During their performances at football games they will wear their velvet outfits with the white fur trim.

### Thirty Men Go Out For Football

The men out for football are Doug Spelbrink, Scott Hansen, John Sievert, Tom Backer, Ted Marti, Mark Dyre, Bob Burns, Tom Bieraugel, Ron Alm, Dan Volz, Eric Wieland, Lynn Brey, Tom Reitter, Steve Harmening, Steve Akre, Mark Zeise, Frank Whitcomb, Scott Backer, Bob Kaiser, Bill Scheible, Bruce Alm, Darrel Untiedt, Mike Schmitz, Steve Burdick, Bob Schultz, Dale Aufderheide, Dennis Raitz, Steve Woratschka, Steve Martinka, and Gary Untiedt.

For the past two weeks a mass of young men have been congregating on the practice field - outside school at 8 p.m. sharp.

These men will be making up the '67 football team. Coaches supervising this year are Mr. Varpness, Mr. Traurig, Mr. Davis, Mr. Werdahl, and Mr. Sydow.

The first football game will be here Sept. 9 with Sleepy Eye at 7:30.

### Cheerleaders Work Towards Perfection

The new A squad cheerleaders, Andy Schmid, Debbie Steenberg, Rhonda Boesch, Marsha Steenberg, Denise Dallmann, and Joyce Kraus have been kept busy practicing this summer. At the beginning of the summer they practiced for two weeks and now for the past three weeks they have practiced every day.

They have learned a total of

thirty cheers including a new one, called the 'zipper' cheer and four songs.

The squad will be wearing the same outfit as last year for football; which were purple stove-pipe slacks and warm-up jackets.

The four new B-squad cheerleaders are Kathy Blackstad, Nancy Asleson, Jan Lowinske, and Debbie KraL.

## Shop Has Television

Guess what! There's a closed circuit television in the new shop room.

The television was set-up by Mr. Blackstad and Mr. Stuckey who are making slides and tapes to be used at a meeting of the State Board of Education. The new shop room will be featured at the meeting to show improved techniques of teaching.

Several shop boys also won awards at the Minnesota State Fair. They are Tom Mohr, Ray Selfert, and Allan Zwach.

Mr. Blackstad adjusts closed circuit TV set in shop room.

## NUHS Band Has Busy Schedule

The NUHS band was not idle this summer. Besides their weekly rehearsals on Monday, the band marched in the Polka Day parade, the Nicollet Friendship Days parade, and the Lafayette Fun Fair parade.

The Junior High band also marched in the New Ulm Kiddy Day parade.

Mr. Iverson and Mr. Strang were also busy giving music lessons for nine weeks to about two hundred students.

## Graduate Goes to Europe

Anne Novak, daughter of Mr. and Mrs. Richard Novak, has returned from a two-month tour of Europe with her uncle and aunt, Mr. and Mrs. H.E. Vanderboom of Minneapolis. They traveled by ship to Greece, where they spent two weeks then went to Italy for five days in Rome and also visits to Florence and Venice. After a day at Innsbruck, they traveled to Switzerland for a few days' visit at Lucerne. From there they went to Brussels, Belgium, traveling through France on the way. Amsterdam, Holland was their last stop before making the five-day trip home on the Queen Elizabeth. Their traveling was done by car with a driver from Sweden. Anne, a 1967 New Ulm High School graduate, will enter the University of Minnesota next month.

Mr. Kleinfehn and Mrs. Schroeffer take time off to pose for picture.

## New Custodians Take Over

Two new custodians have been added to the halls of NUHS this year.

They are Mr. Kleinfehn, who says he's going to clean up after the girls, and Mr. Schroeffer, who's the chief floor scrubber. Good luck!
