

N. U. TRIUMPHANT IN LAST TWO GAMES

PARENTS INVITED TO NIGHT SCHOOL, NOV. 19

On Wednesday evening, Nov. 19, 1924, we will have our annual evening session of school, at which time the parents and citizens of New Ulm are cordially invited to inspect our school. The 4th, 5th, 6th, 7th, and 8th period classes will be held Wednesday morning. There will be no school Wednesday afternoon, and the 1st, 2nd, and 3d period classes will be held in the evening, the first one to begin at 7:30 and each of them to be thirty minutes long. At 9 o'clock a general assembly will be called. At this time music will be furnished by the H. S. Glee Clubs and an address will be delivered by some outside speaker. After the program refreshments will be served in the Home Economics department. Public Speaking Slogan posters will be posted in the hall on the first floor and on the Assembly bulletin board. The members of the Public Speaking class are preparing speeches on some phase of education. Some of these speeches, will, perhaps, be given in the Assembly.

American education week is the one time of the year when the entire nation is called upon to dedicate itself anew to the great task of universal education for democracy, to see and know the schools, to consider in a public way the large problems of education, and to join in the appreciation of its achievements. It is to aid in accomplishing this end that on Nov. 19, evening classes will be held for the benefit of the citizens of New Ulm. A basic program for the week has been prepared. Monday, Nov. 17, has been designated as Constitution Day; Tuesday, Nov. 18, as Patriotism Day; Wednesday, Nov. 19, as School and Teacher Day; Thursday, Nov. 20, as Illiteracy Day; Friday, Nov. 21, as Physical Education Day; Saturday, Nov. 22, as Community Day; and Sunday, Nov. 23, as God and Country Day.

However, merely because this week has been set aside as education week does not mean that this is the only time of the year that people should be thinking of education, and of visiting the schools and institutions of education. Because one certain day of the week is given a name, such as Tuesday has been designated as Patriotism Day, does not mean that we should show our patriotism just on that one day, but it reminds us of the fact that it is our duty to be patriotic and we should be thus every day of the year.

The general slogans of the week are:

N. U. Overwhelms Springfield 34-0 Defeats Hutchinson 19-6

A week ago last Saturday the thundering local eleven journeyed to Springfield and snowed the opponents under with five touchdowns and four successful tries for goal points. New Ulm made constant gains around end and made touchdowns by end runs. Schaefer made a wonderful and sensational run after intercepting a forward pass on their own thirty-five yard line.

The kickoff was at 2:40 p. m., New Ulm to Springfield. Springfield returned the ball to the 31-yard line and gained four yards on line plunges. Springfield took time out and then hurled the ball for a complete pass and net gain of 16 yards. After a slight gain on a plunge and no gain against our improving line, they punted, Toot received, and was "nailed". Schaefer, our champion passer and punter, then slipped around the rivals' left end for a run of 95 yards, but was called back 30 yards for being out of bounds. New Ulm was held for no gain and we were penalized five yards for offside. After an 18-yard run around end by Captain Joe, we were again penalized 5 yards. "Toot" then added 4 yards circling left end. New Ulm netted 1 yard on plunge. New Ulm used a fake place kick formation and Keckeisen gained 18 yards. New Ulm soon surrendered the ball but Springfield punted. It was New Ulm's ball on 31 yard line. Keckeisen took 5 yards around end. "Toot" drove through the line for four yards and Joe smashed tackle for three yards. "Toot" made three yards rounding the end and Joe followed with a bang to the line resulting in a five-yard gain. "Toot" plunged three yards, Schaefer smashed a yard and Keckeisen completed two yards around end. New Ulm was penalized fifteen yards for holding, but Keckeisen sallied back with a twenty-yard net gain around the end. "Toot" plunged a yard and took off five yards around Springfield left end. New Ulm failed to gain around right end. It became Springfield's ball, they punted again and it was New Ulm's ball on thirty-three yard line. Joe made no gain on plunge, Arbes took the pigskin around right end for a five-yard gain and Schaefer gained nine yards around opposite side. Joe smashed center for four yards and Arbes took one yard out of the line. Schaefer took ten yards around right end and followed with two yards on a plunge.

(Continued on page 4.)

In the victorious closing game of the N. U. football season the eleven outplayed Hutchinson 19-6. Hutchinson secured its only tally in the very first part of the game, after which New Ulm outplayed the rivals. Schaefer passed twice to Arbes and once to Niemann for touchdowns and his boot sent the ball between the standards for the extra point. The day was cold and dark, sleet and snow covered the ground.

New Ulm has won three games, against St. James, Springfield, Hutchinson and tied one with St. Peter in which they outplayed the opponents. We lost four games; they were lost to Glencoe, Redwood Falls, Sleepy Eye and Buffalo Lake. The speedy New Ulm athletes are going to put pep, ginger and vim into the basket ball season now. A real team is expected.

First Period.

On the first down a Hutchinson back ran 60 yards for a touchdown. Hutchinson failed to make goal. The score was 6-0 and New Ulm supporters were dismal. Chambard later got a punt and returned the ball several yards. Schaefer passed over the goal to Arbes after some snappy gains. The score was 6-6. New Ulm failed to kick goal.

Second Period.

Keckeisen made a big run around end. New Ulm came near the goal line and then Hutchinson intercepted Schaefer's pass for a good return. Hutchinson netted 20 yards around end and marched steadily up the field. They tried for a field goal and failed. It became New Ulm's ball on the 20-yard line. New Ulm soon punted. Hutchinson punted and Chambard made a fine return.

The half ended 6-6.

Second Half—Third Period.

Al Niemann caught one of Schaefer's excellent passes of 30 yards and went over the line for a score. New Ulm kicked goal, score 13-6. Hutchinson received and began another march down the field toward our goal line on line plunges. They were halted and forced to punt. After several gains around end and through tackle. Arbes caught a well directed pass from Schaefer and scored a touchdown. Score 19-6.

Final Period.

New Ulm got the ball on Hutchinson punt and Capt. Keckeisen went through for a long gain on line smash. Capt. Joe again took the pigskin and

ENTIRE BASKET BALL TERRITORY REORGANIZED

In years gone by we have been successful in taking part in the state basket ball finals and semi-finals. This year we will have four of our five letter men back and there is no doubt that we will be able to produce a "winning five."

The method of eliminating the teams, in order to determine the champion high team in the state, has been radically changed this year. Heretofore sub-district, district and state tournaments have been held to decide this point. This year the state has been divided into eight regions, each region having four districts. We are in region six, and district number twenty-three. The schools in our district are Arlington, Fairfax, Gaylord, Morton, New Ulm, Nicollet, Sleepy Eye, and Winthrop. All these schools will take part in the District Tournament which will be held at New Ulm in March. The winner of this tournament will take part in the regional tournament at St. Peter. The winners of the tournament at St. Peter will go down to the State Tournament at Minneapolis. The winner there will be declared state champion. The most formidable teams in our region besides New Ulm are Marshall, Redwood, Tracy, Tyler, and St. Peter. Here's hoping that we will survive all eliminations and take part in the tournament at Minneapolis.

twisted through for 10 yards. However, Hutchinson got the ball and made a 15-yard pass, followed by a pass and then the opponents intercepted a pass. (Beecher, Schmid, Oswald and Berg substituted). Hutchinson began another triumphal march to our line and when it seemed inevitable that they should go through on one of their crashing, blinding line smashes the whistle blew. The game ended 19-6.

New Ulm Ends Season Well.

In the last four games of the season we won decisively from St. James, Springfield and Hutchinson, and put up a good battle against Sleepy Eye. Several of this year's veterans will not return next year, yet there will be practically a full team with at least a year's experience.

IT PAYS TO GRADUATE.

With the advent of Educational week, Nov. 17 to Nov. 26, we awake to a keener realization of the need of education in our locality and throughout our country in general. Education is the foundation of success and preparation is the keynote of success. The grammar school pupil stands a meager chance in becoming successful. Statistics show that at the age of twenty-five the grammar school graduate earns approximately thirteen dollars, while the high school graduate earns thirty-one. Think of the difference a few years of preparation make— changes the entire aspect of your future life and places you on a par with the influential element in your home town. Make sacrifices if necessary, forego pleasures if finances are short, work your way through school if the money problem presses, and surmount any apparent handicaps, but, continue your school work. You wish New Ulm to be one of the most prosperous and influential districts in the state and this can only be attained by YOU. Education means money, and money means prosperity and influence, and so you see hard work may bring these valuable trophies—prosperity and influence—to your home town.

Another great menace to our country is illiteracy. There are in this country to-day 8,500,000 illiterates and it is your duty as a citizen of the United States to further your education by attending high school and thus enabling yourself to aid in banishing illiteracy. It is your duty to become educated for it fits you for service and develops your character.

When you consider that only fifteen out of every hundred pupils who

CLASS NOTES

FRESHMAN NEWS.

Lowell Rieke had the misfortune to hurt his knee last week. He fell off a moving car. The injury proved to be nothing serious, so Lowell is back in school again and is playing football with even more enthusiasm.

Several Freshmen students saw Minnesota defeated at the Michigan-Minnesota football game last Saturday. They say they wished they had stayed here to see our football team play Springfield.

Judging by appearances, it seems that the students were very busy this Halloween.

—The Teacher as a Nation Builder—
SOPHOMORE SAYINGS.

Several members of the geometry classes have been seen to disappear into Miss Fritsche's room at 3:30. Upon investigation we find Miss Fritsche has started a flunk class.

Minnie Radtke cut her eye with a tennis racket which was swung by a girl at play practice. Poor Min! We sympathize with her.

Many sophomores are seen wandering around hugging their ancient histories under their arms. We wonder why?

We wish to congratulate Walter Vercoe on being one of the chosen few for the debating team.

Evelyn Schneider and Myra Gag were absent Monday because they attended a wedding.

—America First—
JUNIOR JOTTINGS.

Juniors absent the last two weeks were: Elsie Miller, Warren Johnson, Helen Ganske, Agnes Schueller, Leona Gebhardt, and Anna Zeise.

The Juniors had a class meeting one day last week. They tried to find how many Juniors were going to Springfield.

Mr. Hegstrom does not approve of chewing gum; so Juniors beware if you do not want to outline the Modern History book.

The Junior dance will be given November 14. A good time is predicted; so everybody come.

—America First—
SENIOR GLEANINGS.

The English classes are studying Macbeth now. They will soon be used to reading about murders.

Gladys Wagner, Della Inhofer, and Vida Juni hiked to Sleepy Eye during the vacation. Gladys says they enjoyed their "short" walk.

Alice, Catherine, Jocelyn, Charlotte, and Hertha were some of the Senior girls who attended the Springfield football game. According to the reports they enjoyed it very much.

Mr. Hegstrom tested the ability of his American History Classes as fortune tellers by having them predict the vote of the states. Come in and see how nearly correct the predictions are.

enter public schools graduate from high school and only three of these ever finish college you can easily understand why a special week is set aside to promote education.

Do not fail to grasp the opportunities which are afforded you—do not step into the world with a burden on your shoulders, your lack of education, but rather shatter the shackles which seem to enfold you and prepare yourself to enter life's race without the hindrances and the opposition that ignorance in any form is likely to give.

HONOR ROLL FOR FIRST SIX WEEKS.

The honor roll for the first six weeks is surprising as well as disappointing. There are a number of students who have made the effort to work diligently every day since school started. Now they have obtained their reward; they are on the honor roll. They are all eligible having a grade of A in three subjects and B in all others, no matter how many subjects they are taking.

Our last year's Freshmen, namely the peppy Sophomores of this year have the greatest number of honor students. They have as many honor students as the other three classes put together. Well done Sophomores! Keep up the good work.

The Freshmen also are vigorously paddling toward success. They have three members on the honor-roll. The following are the honor roll students and their standings.

Seniors—Alice Meile, 4 A's, B; Verval Mueller, 4 A's; Hilda Steinmetz, 4 A's, B.

Juniors—Fred Lippman, 3 A's, 2 B's. Sophomores—Ruth Dirks, 3 A's B; Sylvia Eyrich, 3 A's, B; Helen Hage, 4 A's, B; Lydia Pufahl, 3 A's, 2 B's; Hertha Marks, 3 A's, 2 B's; Roger Schmid, 4 A's, B; Lorraine Spaeth, 4 A's, B.

Freshmen—Olive Harbo, 3 A's, B; Valeria Lamecker, 4 A's, B; Jack Schoch, 3 A's, B.

LOCALS.

An important JUNIOR class meeting was held last week.

Verval Mueller was absent from school, last Thursday.

Our three-day vacation last week was heartily welcomed and appreciated by all!

The "Hunchback of Notre Dame," certainly added to the gruesomeness of Hallowe'en.

The Candy Sale, sponsored by the Home Ec. girls, was a huge success! Everything was sold within five minutes and no cases of indigestion were reported.

Home Ec. girls are getting actual experience at re-finishing and beautifying interiors. Probably you have already noticed the peculiar odor on the first floor.

The High School appreciates very much the kindness of Miss Koch, Miss Hensel, Mr. A. Schulke, Mr. Wm. Raushke, Melvin Esser, and Milton Chambard, in donating their cars carrying our boys to the Springfield game. It saved the Athletic Association a large expense. The High School student body wishes to extend its thanks to all the townspeople who have thus shown deep interest in the public high school this year and so willingly helped the Athletic Association through tag day donations.

FIRST DEBATE OF SEASON DEC. 11.

The local debating team will meet the Mankato High School team on Thursday, Dec. 11, at New Ulm. The question for debate is: "Resolved, That the United States Should Accept the Covenant of the League of Nations as It Existed July 1, 1924." New Ulm will uphold the affirmative. Mankato High School is the largest high school in this district and has always taken an active part in declamatory and debate work, so we can be prepared to receive some live opposition. Three of the six members on the squad, which is composed of Hilda Steinmetz, Alice Meile, Hazel Erickson, Roland Hohn, Henry Somsen, and Walter Vercoe, will meet the Mankato team. The team and Mr. Stewart are now hard at work and will attempt to duplicate last year's record by winning the district championship.

NEW ULM-SPRINGFIELD GAME.
(Continued from page 1.)

Second Period.

With ball resting on the opponents' two-yard line, Captain Keckeisen went through the line for a touchdown and Schaefer's ready boot sent the ball through the goal posts, making the sum 7-0. We kicked off and Springfield returned the ball to the thirty-yard line and made a five-yard pass, three yards on end run, three yards on a smash, four yards and one yard on smashes and lost two yards, but made the downs twice. They plunged two yards, lost one yard and their next pass was incomplete. They lost three yards and the leather was turned over to our eleven. New Ulm sent the ball around end sixteen yards. Joe then put in his might and energy for a gain through the line—20 yards, and then made but 1 yard. New Ulm took its first loss—eight yards (Chambard was sent into the backfield from end position, Esser went over to end from tackle, Broecker went in as tackle and "Toot" was taken out). Chambard began with a fifteen yard gain around end. The ball was afterwards given up to the enemies on their sixteen yard line. They made gains on plunges of five and seven yards and lost a yard. They passed five yards and made smashes of five and two yards. They plunged two yards and our line held them for no gain. On Springfield punt Chambard returned the ball to the thirty-seven yard line. Joe made nine yards around end. Schaefer gained yard around end. Arbes carried the pigskin off to the side for a net yardage of twenty yards. We lost a yard, Joe made two two-yard plunges and a pass was incomplete. The half ended 7-0 in our favor.

Second Half—Third Period.

Springfield kicked off, Arbes returned the ball to the thirty-yard line. Schaefer skirted left end for seventy-five yards for a touchdown on a sensational sprint. Schaefer kicked goal successfully and the score leaped, 14-0. New Ulm kicked off and Springfield returned twenty-five yards. After no gain on play and a plunge of one yard, Schaefer intercepted a pass and sprinted thirty-five yards for another six points. He also made good a goal kick and the score stood twenty-one to nothing. We kicked off, it was their ball on the twenty-five yard line. They made no gain the first down and one yard the next. They then lost two yards and had to punt on the fourth down. Mickey returned the ball to thirty-five yard line, Arbes took the ball to thirty yard line. Arbes took ball to six yard gain around end. They held us for no gain and came back, throwing us for a two-yard loss. Joe went through line for four yards, and Arbes skirmished for fifteen yards around end. We then lost a yard and Joe made six yards on two plunges. Zank Schaefer, brilliant half, went around its end twenty yards. We were penalized fifteen yards for holding, lost a yard and were held for no gain but Schaefer took the ball up a ways on a twenty-eight yard run. New Ulm lost the ball and the enemy backs plunged to yard, but we set them back three yards the second down. They punted and Mickey returned the ball to the thirty-five yard line. Schaefer went around end fifteen yards and Joe plunged a yard. Score 4-0.

Final Period.

Mickey fumbles, Springfield's ball—no gain, first down. They made four yards around end and first yard on a play involving a fake punt. They then punted to the forty-yard line, Schaefer smashed the line for two yards. Our pass was incomplete and we punted. Springfield had the ball on the twenty-yard line. They plunged a yard and netted eight yards circling the side, they plunged four yards and next were held for no gain. Arbes then put the pep back in the game when he intercepted a pass and dashed forty yards for a touchdown, the goal kick was successful and the score was 28-0. We kicked off and they returned the ball to the thirty-yard line, plunged two yards, passed six yards and smashed one line for completing the downs. A pass was incomplete, a pass was completed for five yards and they made no gain. They punted to the fifty-yard line. New Ulm's ball—they held us for no gain. Joe plunged six yards and Schaefer five. We lost five yards and Zank took twelve yards around end and followed with a five-yard slice through the line. Captain Joe went around end thirty-five yards to put the ball down on the better side of the line and boosted the score, 34-0. The goal try failed. We kicked off to the sixteen yard line where we nailed the receiver. They passed five yards and followed with incomplete passes and then punted. New Ulm's ball, Joe plunged two yards as did Schaefer. The game ended 34-0.

Schaefer Individual Star.

Schaefer stood out as a shifty back who used his head. He made 213 yards in five runs. Arbes was spectacular in running interference for Schaefer. Captain Joe Keckeisen was a bulwark of strength and gained a good part of our yardage. Chambard ran down the punts in fine shape. The New Ulm machine by brilliant runs and steady gains with a steadfast line and speedy, brainy backs thoroughly outplayed the slower and duller Springfield eleven.

In the first half we made 268 yards to the rival's 65 and in the second half we made 288 yards to their 46. Total yardage—New Ulm, 556; Springfield, 111. New Ulm made five yards to Springfield's one. Schaefer put over two touchdowns, Keckeisen two and Arbes one.
