ST. JAMES VANQUISHED BY NEW ULM—32-6. LOSES TO S. E.—13-0

ST. JAMES TEAM FAILED TO COMMAND SUCCESS

The St. James football aggregation invaded the local gridiron Friday afternoon and failed to carry home the laurels. The St. James boys were a likely looking team, but didn't have the drive to set New Ulm back.

New Men in Team.

Milton Chambard was in the backfield as left half and safety, in place of Gaag. Scheid and Gaag are no longer attending school. Lowell Rieke was left guard in Broecker's place. Lowell sure did well and played nearly all the game.

New Ulm Supplies Action.

The spectators saw New Ulm as a different team soon after the kickoff. New Ulm made 20 yards on a pass, but had to punt. New Ulm again got the ball and made the downs repeatedly on smashes and end runs. The team made gain after gain and finally Schaefer punted around end 13 yards for a touchdown. New Ulm failed the goal kick. New Ulm kicked off and received the ball when St. James failed to make the downs. The quarter, after several incomplete passes, ended 6 to 0, in New Ulm's favor.

In the second period the first real action occurred when Schaefer took the ball and clipped off 25 yards around the rival's end. Capt. Joe then brought the attention of the crowd by running 45 yards, evading a number of men including the safety and put the ball down on the better side of the line. The pass for goal failed, but the score was advanced, 12 to 0. Schaefer again made a touchdown skirting the end with a 30 yard margin. This time the goal point was achieved, bringing the score up to 19 to 0 with our first victory in sight.

Second Half.

Charles Niemann recovered a New Ulm punt in the first step towards getting our next touchdown. That touchdown was secured by a 25 yard pass to "Butts" Arbes over the goal. Score 25 to 0. A 35-yard pass was completed to "Butts" after St. James kicked off. Then, unluckily, on a St. James punt, a St. James man got the ball right next our goal line and they succeeded in putting a touchdown over. They failed the try for goal and the score was 25 to 6. Keckeisen furnished a sensational 40-yard gain. The quarter ended 25 to 6.

Final Period.

Loeffelmacher of New Ulm got the ball on a St. James fumble, and New Ulm put in some terrific smashes; but our boys were "stonewalled" a yard from the goal. St. James punted and it became our ball on their 15-yard line. Keckeisen took the ball to the 10-yard line and Schaefer plowed through for another touchdown. Score 31 to 6. St. James then intercepted a pass and the man, with a clear field started for the goal.

LAVENDER AND WHITES MAKE TAG DAY BOOM

The athletic management is very well pleased with the results of the annual Tag Day in high school and in town. The girls did a lot to help the association and the managers are grateful. Leave it to the girls, they can do it.

In High School the "white" team, captained by Marie Volz and including Amanda Krahmer, Esther Poehler and Leona Werdan won first honors by selling \$12.13 worth of tags. They received the prize for the High School and Ione Schroeder with \$3.75 received the individual prize while Esther Poehler was a close second with \$3.70. Della Pfeiffer's team, Marguerite Pfaender, Ione Schroeder and Nona Dorn collected \$11.63. The total was \$23.76, a sum greater than that collected last year.

This year the two teams down town collected the magnificent sum of \$179.83, making a grand total of \$203.59 as a result of the drive. The Lavenders working down town were Catherine Poynter, Louise Esser, Edna Pollei, Minnie Radtke, Cornelia Meidl, Florence Hartl, Evelyn Schneider, Oradell Wagner, Charlotte Bockus, Lena Fixsen, Jocelyn Zschunke and Winnifred Schweppe, the captain. Verval Mueller, Verna Miller, Alice Meile, Margaret Schmid, Marion Reineke, Eleanor Neemann, Hilda Steinmetz (capt.), Alpha Backer, Adeline Ritschel, Margaret Eichten, Myra Gaag, Agnes Kohls, Gladys Wagner, Della Inhofer, Hertha Marks and Ruth Dirks made up the white team, which was victorious with over \$120 to their credit. The Lavenders collected over \$57, but they had four less workers. However, the whites had a greater average anyway. The Lavenders averaged \$9.62 and the whites \$15.01.

Verval and Verna won the individual prizes; they worked all day and collected \$32.48. Marion and Eleanor collected \$29.10 and Alice and Margaret were third with \$22.46. Cora and Florence, Winnifred and Lena, and Adeline and Margaret hovered about the \$16 mark. Every one of the others worked hard and well for the cause.

Those who were particularly generous were Mr. F. W. Johnson and Mr. Bond who paid \$10 and \$5 respectively for their tags. The following paid \$1: Mr. Teynor, Mrs. Bockus, Mrs. Forster, Mrs. Herman Mueller, Miss Viola Mueller, Mr. Pullman, Mr. Beecher and Dr. Hammermeister.

Lester Schroeder is the brightest boy in Normal Training, but the fact remains that he is the only boy enrolled.

Amanda Krahmer and Ruth Marti, were week-end guests of Evelyn Juedes, one of our former students, now residing at Mayer. She sends a "hearty hello," to her many friends.

NEW ULM RANKS FIRST IN ENGLISH CONTEST, 82%

Mr. Gloor recently received a letter from Miss Rewey Bell Inglis stating that the New Ulm High School ranked higher than any other school actually competing in the contest. The reports show that the only schools ranking above 80 were the Minneapolis schools. They went into the contest merely to compare their standing and therefore they are not competitors.

New Ulm has a median of 82% and the school ranking next has three points less, namely 79%. All the reports from the Minnesota schools must be in before November first in order to be eligible for the prize. There is a possibility that another cup will be offered to the school making the greatest improvement between their first tests and their final tests.

Out of the thirty-four schools, thirteen were above 70, eighteen between 60 and 70, and two below 60. This contest is very interesting for it allows us to check up and compare our standing with that of other Minnesota schools.

Miss Inglis, who was once connected with our school, is glad to see our excellent standing.

ORCHESTRA RECEIVES PRAISE.

The High School Orchestra did fine work last Thursday evening at the Beecher banquet. Mr. Dirks received praise from many of the guests, while Mr. Streissguth, the toastmaster, publicly expressed his sincere thanks to the players for entertaining them with their excellent music.

To Mr. Fred Johnson we wish to extend our thanks for his liberal donation to the orchestra. The orchestra also received a check out of the banquet fund, which it shall use to purchase new music. It is the orchestra's earnest desire to win honors for the school this year.

SOPHOMORE MASQUERADE.

The Sophomores held their annual masquerade dance October the eighteenth from eight to ten-thirty o'clock.

The first event on the program was the Grand March. There were many costumes and the teachers who were the judges, chose the following for prizes: Best Boys' costumes, Minnie Radtke and Edna Pollei. Best Girls' costumes, Jocelyn Zschunke and Charlotte Bockus. Funniest costumes, Roland Hohn and Ferdinand Fritsche.

After the prizes, which consisted of boxes of chocolates, were awarded, everybody unmasked and the dance continued until ten-thirty.

QUIRINUS LEONARD.

Don't blame the girls for putting on extra weight this last week; they're feeding on the prize candy obtained from Tag day.

TEAM GAVE GREAT OPPOSITION SLEEPY EYE GAME

With the annual coming of Sleepy Eye to our gridiron, New Ulm again experienced defeat. The boys, however, put up a good battle and expect to do justice in the Springfield game Saturday. The Sleepy Eye machine, headed by Wilhite, who defeated our team is worthy of coping with anyone in this part of the state. Passes, combined with gains through our line, put over the winning touchdowns.

In the first period New Ulm kicked to Sleepy Eye and they started by making the downs and later had to punt. The punt was blocked and New Ulm recovered it. New Ulm made the downs but later with the fourth down and an incomplete pass the ball was surrendered to Sleepy Eye on their 20-yard line. Sleepy Eye made the downs once but had to punt against the strong wind and the ball went only 15 yards (New Ulm ball). Short pass to Chambard, a 5-yard end run by Keckeisen and a gain when Schaefer fumbled but recovered the ball, made New Ulm downs. Schaefer's two-yard around end and a 5-yard pass to Chambard were futile when Sleepy Eye was given the ball.

Second Quarter.

Sleepy Eye began with 5 and 10-yard end runs and was penalized 15 yards. However they made the downs. Sleepy Eye again went through for the downs on smashes. Schaefer then recovered a Sleepy Eye fumble and a 20-yard pass was sent to Arbes, but New Ulm punted and Sleepy Eye continually opened holes in the line (Waterston out, Schoch in). After two incomplete passes the ball was ours. (Tomschin in). Keckeisen ripped 5 yards off the end and Niemann got a pass for a big gain. Keckeisen plunged and the half was over.

Tomschin returns Sleepy Eye kick-off. Schaefer and Keckeisen gain for New Ulm downs and Schaefer and Keckeisen repeat the process. New Ulm penalized 5 yards and punt 30 yards. Sleepy Eye made gains in rapid succession, followed by a pass of 20 yards and a run of 20 yards to the goal line. The Sleepy Eye boot put over a drop kick and the score loomed up 7-0.

When Sleepy Eye again had the ball near our goal they made a touchdown on a pass which was called back on account of the passes not being 5 yards behind the line of scrimmage. Two passes were incomplete and it was New Ulm's ball. New Ulm punted 30 yards against wind. A Sleepy Eye man went around end for 25 yards, but Chambard pounced on him. Sleepy Eye made a big smash and Chambard broke up a pass. It was New Ulm's ball and Capt. Keckeisen furnished the excitement with 25-yard run around end. Schaefer drove through the line for 3 yards and

FOOTBALL.

What sport is there that arouses the indifferent spectator to a quickening of the pulses? What sport is there that is more exciting, more thrilling, more spectacular than our national game—FOOTBALL?

Today, thousands of schools, small and large, are enjoying this great game. Football is attracting larger crowds than ever before. There seems to be something spectacular in this red-blooded he-man sport.

Football is a clean, hard, and brainy game. It helps to build up the character of those taking part and develops them physically. As for brains and clear thinking, a noted authority on Football says, "A football player must think quicker than a debator."

Our school has always had a first class basket ball team. Indeed our teams have won unnumbered victories against the best that high schools of the state could produce. But football has been different. We have produced an eleven every year since football was established in our school. At the same time we must admit that few have been "winning elevens." What seems to be the reason for this? Why is it that a town the size of Sleepy Eye has been beating us year after year? Our team always fought hard in these games but lost, because — lack of opposition in practice. What schools have the best teams around here? Sleepy Eye, Redwood, and Windom have probably the best in southern Minnesota; because they have from thirty to sixty men out for practice every night. We can also have a winning team if more men

come out to take part in this wonderful branch of athletics. The men before you made a record in basket ball. The result has been a winning five every year. Here is your chance to make a record in football, and those that follow you cannot help but produce winning elevens in years to come. But there is only one way to accomplish this result—TURN OUT FOR FOOTBALL.

FRESHMAN NOTES.

Jack Schoch hurt his neck in a scrimmage with the Catholic High.

Henry Schied, a regular on the football team, left school. The football squad and his class miss him. He was playing right end at the time he left.

Lowell Rieke hurt his hand the other night in football practice. None of the injured were seriously hurt however for they both have reported for practice again.

SOPHOMORE NOTES.

Alice Ganske was absent from school Tuesday.

Minnie Radtke has dropped Ancient History. Ask her for the reason.

Loretta Frenzel visited the Sophomore English class, period IV. one day last week.

Let's see every Sophomore at the football game!! Show your classmates that you have pep!

The Sophomores were hosts to the new Freshmen members of the Dramatic club. Everybody said the program was a success.

JUNIOR NOTES.

Hazel Heim spent the week-end at her home in Courtland.

Harlow Hummel was absent from school one day last week.

Hildegard Amann was absent a few days, on account of sickness.

We Juniors are proud to think that the first reports of the State Breadbaking Contest were incorrect, and that Lola Runk received fourth place instead of sixth.

About four of the Junior girls have been going out to Pfaender's after school lately to play tennis. They want to learn to play well, so that they can play with Miss Reager, who's very handy with the racket.

The Juniors had a class meeting last Wednesday at 3:30 where they elected a new secretary and treasurer because Henry Somsen had resigned from that position. They elected Margaret Eichten and then decided to have the Junior Dance Friday, November 14.

SENIOR NOTES.

Have you seen the Home Economics II. girls with the new dresses they made? Gee! They feel proud to display their own sewing.

Eight Senior girls sold tags in school Friday for the benefit of the athletic association. Ione Schroeder sold the most, \$4.00 and received the individual prize.

On October thirteenth, the Seniors had a meeting in which the class ring was chosen. The rings will be here in a few weeks and that will be the time when they display their attractive "jewels."

Did you hear about Joe's great strength? He pulled apart the famous Magneburg hemispheres, miniature ones, and it took sixteen horses to pull apart the real ones Magneburg experimented with.

LOCAL NOTES.

Hilda Steinmetz was absent one day last week.

Marion, in Home Economics: "I just love skinny things!"

"Tag day was a huge success!" Both in school and down town.

Miss Ludwig was home over the week-end; another ten-spot shot.

The Sophomore masquerade was well attended and enjoyed by all.

The State Supervisor visited the Home Ec. departments last Monday.

Senior class rings are now being ordered, after two disagreeable meetings.

All the clubs except the P. L. S. will be reorganized this coming month.

Miss Lohren was unable to attend school one afternoon last week, due to illness.

Membership will be limited to two clubs, excluding Orchestra and the Glee clubs.

Mr. Stewart felt pretty big, when all the girls came around last Monday, offering him candy.

We must hand it to the assembly program committee, they surely know how to prepare peppy programs.

"Zang" wasn't feeling well Monday forenoon, so he was gently dismissed the fourth period. We wonder why?

Who's kicking about our football team? If a few more students would turn out for the games, there would be less noise.

Hilda Steinmetz better consider the profession of a lawyer; she delivered a rather good plea, for those innocent Freshman.

Miss Gertrude Esser is taking an inventory of all the stock in the building. She even counts the number of pieces of crayon.

We are still wondering what made so many teachers crabby Friday morning? Probably the banquet didn't agree with them.

Marion R. had a good reason for being absent Thursday forenoon. We all noticed her beautiful marcel, when she again attended school in the afternoon.

Have you ever experienced the thrill of planning a home, plus an imaginary family? If not, then take a course in Home Equipment, tutored by Miss Ludwig.

DEBATING SQUAD OF SIX CHOSEN.

Now that all the exciting inter-class debates are over, the final debating squad, consisting of Hilda Steinmetz, Alice Meile, Hazel Erickson, Roland Hohn, Henry Somsen and Walter Vercoe, has been chosen.

Hilda Steinmetz, one of our honor students, was a member of last year's debating team, which won the district championship and defeated Minneapolis North High. She was also a member of last year's class championship team, and during her Freshman and Sophomore years she took part in the Siegel Declamatory contest. She is a speaker of ability, a seasoned debater, and the main stay of this year's team.

Alice Meile, who is also an honor student, was a member of last year's second debating team, in which she secured a great deal of valuable experience. She was a participant in last year's inter-class debates and was a member of the class championship team this year. She is a hard worker and a forceful speaker.

Hazel Erickson, a member of this year's class championship team, has had experience along this line in the form of Declamatory work for the last two years at Hanska, of which she was, in 1923, a representative at the sub-district contest, which was held in New Ulm. Hazel is a hard worker and has a pleasing and direct method of delivering her speeches.

Roland Hohn, who was a member of the second debating teams of 1922 and 1923, was a member of this year's, as well as last year's class championship team. Besides having had two years experience in oratory, he has been prominent in dramatic work. He is interested in debate and he is resourceful and convincing.

Henry Somsen, who is an honor student, was a member of this year's Junior debating team. During the Junior-Senior contest he showed exceptional debating ability.

Walter Vercoe, another one of our honor students, was a member of the Freshman debating team last year and of the Sophomore debating team this year. Last year he also participated in oratorical work. Walter shows promise of becoming a very effective debater.

Three members will, in the near future, be chosen from this list to make up the first team. The remaining three will constitute the second team. Throughout the year debates will be held between the first and second teams. The first real debate of the season will be held about the middle of December with either Springfield or Mankato.

Courtesy unites strangers—banishes fear.

COURTESY CAMPAIGN.

Watch your step pupils, for there are some eagle-eyed teachers forever watching our manners. They are the judges of the courtesy contest, and we don't know which of them are judges. At the assembly Mr. Stewart called a week ago Monday, he announced the most courteous girl—Alice Meile, and the most courteous boy—James Green, as winners. But here's your chance, the courtesy campaign is still on, see if you can't be a winner! You have seen many posters, posted in the halls and on the bulletin boards, reminding you of "Your manners which reflect your home training." Don't forget them,

make your school proud of you! This campaign has been put on as a means of restoring the old courtesy, but it is not intended that you forget your manners just as soon as the campaign is closed.

Courtesy can be acquired—It pays.

"AS WE SEE OTHERS."

"The Purple Parrot"—A very neat and well arranged paper.

"Anokali"—Very good humor, but have you no Exchange Department?

"High School Sabethan"—We wish you much success in your etiquette issues, but won't a few more jokes improve your paper?

"High Notes"—Good write-ups; here's hoping your tennis court will be the best.

"Star of the North"—We think that shorter topics, and headlines would make your paper a little more interesting. We wish the Seniors much success in their play.

"The Echo"—Your subject matter is very good, but looks too solid. Try to bring in little snappy ideas and more humor.

"The Tech"—Your paper is good. We wish Miss Arquette the best of luck with her plan for the "soccer tournament."

Courtesy is often found in a smile.

ONE OF OUR FRIDAY ASSEMBLIES.

Friday, Oct. 17, we had one of the best assemblies this year.

First Mrs. Gallison spoke on the needy in Germany, and what we could do to help them. This lady has done a great deal of traveling and knows the conditions of Germany as they exist. She has been and is still attached to Radloff college in Boston.

Then the fun began. The Freshman class was tried for not having any pep. The case was opened by Henry Somsen, attorney for the offense. He brought forth convincing evidence. (The Freshmen class was represented by its officers.) Hilda Steinmetz, the attorney for the defense gave her plea for the poor Freshmen. Then the jury composed of teachers, with Mr. Gloor as spokesman, marched around behind the screen and upon entering again, Mr. Gloor said the verdict of the jury was, "guilty." Then Joe Keckeisen, the judge, sentenced the Freshmen to four years of Latin and ordered the president to be led off to jail.

After the trial a member from each class was called upon to lead his class in cheers. This went very well. Then the entire school cheered, and how the halls resounded! It looks as if we have some real cheer leaders.

After this Mr. Hegstrom gave a little talk about the St. James game and then we passed to our first period classes feeling quite exuberant and in the best of spirits.

Roman is a half-back of wonderful skill,

When he hits the line, there is always a spill.

When he enters a game he is out for blood,

And he doesn't give a rip whether the field is dust or mud.

He tackles his men so terribly hard, That he throws them back at least a yard;

And when he throws a mighty pass, It thrills to the heart a certain lass.

THE DRAMATIC CLUB.

The Dramatic Club had its first gathering, Thursday, October 16. Only Freshmen and Sophomores can be members of this club. First, they elected officers: Lorraine Spaeth, president; Myra Gag, vice president; Valeria Lamecker, secretary-treasurer, and Leo Barnell, Harold Marks and Henry Herrian, sergeants-at-arms. Myra Gag was elected as the coach for the first play, which will be given in November.

Then everybody went down to the gym where games were played, fortunes were told and a style show put on. After refreshments were served everyone went home feeling that the evening had been very enjoyably spent.

NORMAL NEWS.

Oh suns and skies and clouds of June
Count all your boasts together,
Ye cannot rival for one hour
October's bright blue weather.
The above lines kept singing in our hearts as we, the Normal Training class started out for rural schools on different mornings during the month. Among the schools visited were Districts 67, 54, 75, 4, 5 and 20. We enjoyed every minute of our drive and visit. The teachers visited gave us a hearty welcome and demonstrated that they could do some real teaching.

After a month of practical work in the school room, we feel that teaching is a real profession. It calls for almost as much planning as building a new house. It would be a great help to the teacher if those taught were always ready and willing to absorb that which is offered.

Second Squirrel (spying fur coat): "I dunno. But she is wearing my Uncle Jake, I see."

ST. JAMES LOSES TO NEW ULM.

(Continued from page 1.)

Their hopes were blighted however, when Schaefer overtook him and brought him down. Schaefer intercepted a pass and the game was over. Arbes then successfully kicked for a goal point which had been postponed until the end of the game on account of darkness. The game ended with the final score 32-6 in favor of the Lavender and White.

N. U. TEAM GAVE STRONG OPPOSITION TO SLEEPY EYE.

(Continued from page 1.)

Sleepy Eye intercepted a New Ulm pass, followed by a 10-yard clip around our end. Sleepy Eye went through 5 yards and after time out they completed a fine 25-yard pass for another touchdown. Keckeisen blocked the goal kick and the score was 13-0. Arbes received for New Ulm. (Quarter).

Final Period.

New Ulm punts. Chambard gets pass. Schaefer makes 8 yards net gain. Arbes gains 25 yards on a pass and Schaefer plunges through the line. New Ulm penalized 5 yards for offside. Schaefer punted 45 yards after incomplete pass. (Schoch out, Waterston in). New Ulm ball on Sleepy Eye fumble. Keckeisen got a pass, made a smash and caught another pass. Sleepy Eye got the ball and the game ended.
