

N. U. SCORES TWO VICTORIES IN CONTESTS WITH MANKATO

BEE HIVE AND EAGLE MILL OFFER PRIZES

Through the kind influence of Mr. Martin L. F. Eyrich local editor of the Brown County Journal, we are able to have two new contests in our school, namely the Baking Contest and the Garment Making Contest. Mr. Eyrich interested Mr. H. L. Beecher, general manager of the Eagle Roller Mill Co., and Messrs. J. A. Ochs & Son, owners of the Bee Hive, to give a donation and thereby make it possible to have these contests.

These activities will be of great interest to the public because contests of this kind have not been held in the local high school for some time. The girls, who are taking the Home Economics course, will participate and endeavor to capture first prize.

The Eagle Roller Mill donated a sum of \$25.00 for the Baking Contest: First prize, \$10.00; second prize, \$7.00; third prize, \$4.00; and four prizes of \$1.00 each.

Students enrolled in the Home Economics course will be eligible, provided they are members of the Home Economics club.

The basis for awarding of prizes will be:

1. Perfect loaf of bread... 10 points.
2. Perfect report..... 15 points.
3. Perfect story of achievement.... 15 points.

The student receiving the first prize will not be eligible for future contests, but will be eligible to membership in the bread baking team in subsequent years.

The student receiving the first three prizes will constitute the bread baking team and will represent the high school in the county contest. Minor regulations for the contest will be made by the Superintendent of Schools and the Home Economics teachers as occasion requires.

The Bee Hive donated \$15.00 for the purpose of the Garment Making contest: First prize, \$6.00; second prize, \$3.00; third prize, \$2.00; and four prizes of \$1.00 each.

The rules and regulations for this contest are the same as in the Baking Contest except that the garments may be made either at home or at school, but must be the contestant's own work.

The basis for awarding of prizes in this contest will be:

1. Perfect garment..... 10 points.
2. Perfect report..... 15 points.
3. Perfect story of achievement.... 15 points.

First prize winners are barred from future Garment Making contests.

NEW ULM WINS UNANIMOUS DECISION OF 3-0.

On Thursday evening, December 11, 1924, Mankato and New Ulm engaged in a debate which was held in the New Ulm high school auditorium. The question for the debate was as follows: "Resolved that the U. S. shall accept the covenant of the League of Nations as it existed July 1, 1924." The New Ulm team which consisted of Roland Hohn, Alice Meile and Hilda Steinmetz, upheld the affirmative side of this great issue while the Mankato team, composed of Karl Gunstrom, Clifford Nelson, and Raymond Footh were supporters of the negative side. The decision of the judges was 3 to 0 in favor of New Ulm.

Roland Hohn, Alice Meile and Hilda Steinmetz, supporters of the affirmative side, brought out their arguments in a skillful, pleasing and forceful manner. Their team work, as well as delivery and organization, was very good. The negative team, namely, Karl Gunstrom, Clifford Nelson and Raymond Footh presented their arguments in a clear and forceful manner, but lacked the team work and delivery which was displayed by the affirmative team.

The judges for the debate were, as follows: Supt. S. C. Huffman of Waseca, Mr. Anderson and Supt. P. M. Paquette, both of Winthrop.

The New Ulm team displayed exceptional ability in their first debate. The prospects for winning district championship are very bright. The next district debate will be held between New Ulm and Wells at Wells, Friday, January 16th. New Ulm will again uphold the affirmative side.

"EVEN UP" WITH MANKATO.

Coach Hegstrom's basketball team avenged the trimming of 29-23 we received at Mankato's hands on our own floor. The quint starred on Mankato's floor, flogging the opponents, 21-16, retaining a good record. New Ulm players were Schaefer, Arbes, Esser, Tomschin and Keckeisen. Both subs, in turn, were sent in for Keckeisen. Schoch and Waterston went in as subs. New Ulm now has an average one game better than 500.

ANNUAL GAME HERE WITH SLEEPY EYE.

Sleepy Eye turned our tide in football, but we expect to return compliments in basket ball. They are coming this Friday. Two games are expected. Don't miss this wonderful game!

NEW CUPS DONATED FOR TROPHY CABINET

The American Legion at its meeting Tuesday January 6 unanimously decided to organize and carry out a program for the good of the schools. They discussed several projects and have taken steps toward donating two cups to the High School. One cup is for the boy who is considered to have done most for his school, and the other for the girl who has done most. The girl and the boy with the highest rank will have their names engraved on the cup and the cup will be kept in the trophy cabinet. This contest is open to the whole school. Not only scholarship but also extra curricular work such as debate, oratory, athletics, annual, and Graphos work, and club work count toward winning the right to have one's name engraved on one of these cups. This will be the first year that the cup will be awarded and should give the pupils an incentive to work for high marks and try out for athletics and declamatory. The American Legion deserves much appreciation from the school for furnishing an incentive to do better work. We wish to thank the American Legion and especially Mr. Sherburn Beecher who is commander of the local post for giving us this advantage in helping to raise our scholarship. The cup will be awarded at the Commencement Exercises of the Class of 1925.

JUNIOR CARNIVAL.

January 23 and 24, the Juniors are going to put on their wonderful carnival that you have been hearing so much about. First there is going to be a vaudeville program in the assembly. There will be dancing, singing, and a short play. The halls will be lined with booths of every kind, such as novelty booth, eats booth, and shooting galleries. There is also going to be a candy stand where you can get some of the most delicious home-made candy you have ever eaten. There are also going to be several clowns who will keep you laughing until your sides split in order to keep up the gayety of the affair. What's most important however is that there is going to be a real fortune teller whom all of you will want to visit.

NICOLLET GAME.

The Nicollet five journeyed over and New Ulm raised the batting average from .000 to .333 1-3 by trimming Nicollet. The Nicollet bunch gave us a run, but the New Ulm quintet, steadily getting into shape, showed up much better. Score 30-10.

N. U. VS. CENTRAL HIGH IN PRACTICE DEBATE

Several weeks ago Minneapolis Central High School challenged the New Ulm High School to meet them in a practice debate, and due to the fact that the challenge being accepted, the debate took place on Wednesday evening, January 7, 1925, in the New Ulm High School auditorium. Central High School of Minneapolis is the largest high school in the northwest and its debating teams have engaged in several debates with the best teams in Minnesota, North and South Dakota. We are very proud of the fact that the debating team of New Ulm is considered one of the best in these states and we hope that in the future it will continue to be considered as such.

The question for the debate was: "Resolved, that the U. S. should accept the covenant of the League of Nations as it existed July 1, 1924." The New Ulm team, consisting of Roland Hohn, Alice Meile, and Hilda Steinmetz, upheld the affirmative of the issue, while the Central High team, which was composed of Dorothy Newton, Frances Lundquist, and Harriet Johnson upheld the negative side, which proved to be the side for which Prof. Morris, the sole judge, cast his vote. Roland, Alice, and Hilda, the affirmative speakers, all brought out their arguments in a clear, animated, forceful, and pleasing manner. The negative team namely, Dorothy Newton, Frances Lundquist, and Harriet Johnson were also very skillful in presenting their arguments and they all spoke in a clear persuasive, pleasing and forceful manner. Following the constructive arguments came the rebuttal in which both sides had fairly evenly balanced arguments.

Prof. A. B. Morris of Mankato Teacher's College, acted as sole judge of the debate. After rendering his decision he explained to the audience the reason for his choice and pointed out the merits of both sides. In his opening statement, Mr. Morris who has probably judged more debates than any man in this part of Minnesota, stated that this was the best debate which he had judged for a long time. Speaking of the rebuttal he said the arguments were very well balanced, especially those regarding the failure of the League and that of the League being a superstate. He said it would have been well for the affirmative to answer more of the questions of the negative especially those regarding the six votes of Great Britain and the League being undemocratic. His decision was in favor of the negative.

The large crowd which was present at this very interesting debate was favored with well rendered selections from the H. S. Orchestra.

LITERARY NOTES.

Remember students, that not only the grand old Seniors' pictures, history, etc., are going into the Annual—the Juniors, too, are having separate pictures put in. A double or triple, rather, (threat) offer. Buy an Annual now, if not before!

To the "directors of the dance" who allow the 10:30 limit—why not 11, if not 11:30; (12 sounds so late)—WHY NOT 11:30. Think—think—think—aren't the students under better supervision at school than they are elsewhere during that extra hour? Don't think, dear reader, that the students go home before 12 (cold or not). 99 44-100 of the students loaf around until twelve, dance or no late dance. Let's have 11:30 limit and protect the home.

We've only one thing to say 99 44-100 stupor is present in high school, all around or else, what we hate to say, pep and spirit have degenerated and gone under. Alumni see blue when they see our "athletic" crowds. Are you deaf, dumb, senseless, unconscious? WAKE UP!

—Sleepy Eye Better Waken—

CO. A. BATTLE.

Again the average lowered as the Lavender and White bowed to the supposedly "sure shot" Co. A. team. Co. A. has a fast bunch for the practice they get. Pete Herrian, Bob Fenske, Bert Fenske, Bob Herzog, John Guentner, and Bems Amann composed the Co. A. aggregation. "Dixie" Dirks amazed his former fellow students by his stellar playing. New Ulm led 14-8 at the half but went under a rather tripping game.

CLASS NOTES

FRESHMAN NOTES.

The Freshman girls played the Sophomore girls in a peppy basket ball game Wednesday, January 7 at 3:45. They lost, but they played very well for this being their first year. The score was 15-14.

Joseph Vogel was absent for several days after vacation. Upon being asked as to the cause of his illness, he said he had an abscess due to a sore received in basket ball, but we wonder.

According to all reports, Santa must have been very generous this year. His generosity probably proves his not being near New Ulm on Hal-owe'en night.

The students must have enjoyed the Holiday season, for it seems that almost everyone has gained at least ten pounds avoirdupois.

—Come to Carnival—

SOPHOMORE NOTES.

The Sophomores of the New Ulm High School received a letter from the same class of the McKinley High School of Marshfield, Wisconsin. The letter described the city and the school in a very interesting manner and it is to be answered through the co-operative effort of the class in the near future.

The familiar—"Friends, Romans, countrymen," is being heard among the members of the sophomore class. The upper classmen will probably recognize it as Mark Antony's "Funeral Oration."

The Ancient History classes are starting the New Year right. They have just received some booklets which mean more study.

Loretta Hoffman spent the Holiday season at her home in Nicollet.

—Knock Knead Down! at Carnival—

JUNIOR NOTES.

The Junior Carnival will have more pep and snap than any other show in southern Minnesota. Not a thing that entertains will be left out; everything is there from a swimming match to a minstrel show. Don't forget January 23 and 24, 1925.

By the looks of things the Junior Class has two new members. "Johnny" and "Pat" decided to come back to our High.

The Juniors beat the Seniors in the inter-class game which was played Friday before Christmas.

Leona Gebhardt has been absent several days. We all hope she gets well soon.

—See Sleepy Eye Slip—

SENIOR NOTES.

The twenty girls of the Home Economics II Class, accompanied by Miss Ludwig, visited Buenger's Furniture store Tuesday. They were given valuable information regarding design and good taste in rugs and furniture.

Another Minimum Essentials Test will soon be given by the state and Mrs. Stewart's classes have had a great deal of preparation for it. Let's see if New Ulm can't be the highest in the state.

A Junior and Senior class meeting was held in the assembly for the purpose of getting the line of activities students have taken part in during their high school career.

Nona Dorn, Hazel Erickson, Fran-

ces Schieffert, and Lillian Skau are some of the Seniors who spent their vacations out of town.

CAMP FIRE DOINGS.

Tuesday evening, Dec. 16, a ceremonial meeting was held at the home of Mrs. A. W. Bingham. At this meeting Alice Meile was initiated as fire maker. After the initiation, the four fire makers, Verna Marie Miller, Vesta Muhs, Verval Mueller and Alice Meile, received their fire maker's bracelets, which their guardian placed upon their arms. That evening Florence and Helen Krook attended the meeting for they are going to join later. Camp Fire songs were then sung and the meeting adjourned.

The following Saturday Mrs. Bingham entertained the Camp Fire girls at her home. The gay event began at nine o'clock in the morning and lasted until five in the afternoon. When the girls arrived, they were somewhat puzzled at the sign which they saw on the door. "Give the watchword, Fortissimo!" The morning was spent in decorating local honor beads and later helping Mrs. Bingham with the dinner. After dinner some of the girls sewed and others read, but the sudden disappearance of half of a lemon pie still remains a mystery to some of the girls and Mrs. Bingham. Later in the afternoon Mrs. Bingham told them to go upstairs and dress up in the old clothes she had put out. This style show was very interesting. There was a Mexican, a bride, a fortune teller, and many other unusual characters. The remainder of the afternoon was spent in singing.

CRAFT MEETING.

Tuesday, December 30, 1924, the Camp Fire girls held a business meeting at the home of Mrs. A. W. Bingham at which they decided to hold a candy sale in order to raise some money. It was left undecided as to where and when the sale would be held. The rest of the afternoon was spent in decorating local honor beads, with sealing wax and by painting them. They were decorated with Camp Fire symbols. The candle sticks, which are used at ceremonial meetings were also decorated.

SOPHOMORES DEFEAT FRESHMEN IN A CLOSE GAME.

Wednesday evening after school, the Sophomore and Freshmen girls showed their ability at playing basket ball. The teams were about evenly matched and every girl played her best. The Sophomore star forward, Lorraine Spaeth, made the first field goal, followed by four baskets. Dorothy Engelbert added three to the Sophomore score. Tecla Reinhart, who starred for the Freshmen, made eight points for her side. The first half ended with a score of 11-8 in favor of the Sophomores.

Two Freshmen and one Sophomore were fouled during the third quarter and both sides failed to make the free throw. Neither side made a field goal during this quarter.

In the fourth quarter, both sides started out with much pep and enthusiasm. Lorraine made four points for her side and Tecla made three baskets adding six more points to the Freshmen score. Although the Freshmen were in the lead during the last quarter Lorraine's timely basket ended the game with the score of 15-14, in favor of the Sophomores.

The Freshmen are to be complimented on their good playing considering how few practices they have had.

JUNIORS DEFEAT SENIORS.

Friday evening before the Xmas vacation, the Junior and Senior girls clashed in a peppy basket ball game. The teams were about evenly matched and everyone showed his playing ability. Gladys Wagner starred for the Seniors, while the Junior stars were "Polly," "Slats" Amann, and Verna Marie Miller.

During the first half Nona Dorn made two points for the Seniors and Gladys one, while "Polly" made five for the Juniors and Eleanor two.

In the second half the Seniors put up a hard fight and Gladys netted four points for her team. "Polly" and Eleanor each made two points during the last half. The final score was 11-7 in favor of the Juniors. A great deal of enthusiasm was shown at the inter-class basket ball games and we hope to see more of them in the near future.

The lineup of the Junior-Senior game was as follows:

COLLEGE MEETING.

Coach Hegstrom's quintet launched the high school basket ball season with the Dr. Martin Luther College game 14-9. The boys played hard but lost to the College boys who were in better condition and practice. New Ulm was outplayed the first half, but got down to business in the second half. Arbes and Niemann were a decided loss to the team (ineligible). The team consisted of Tomschin, Keckeisen,

Waterston, Esser and Schaefer, captain. The College had the ball most of the time, but missed many trials. New Ulm succeeded in putting in many of their shots. Schaefer made three goals.

ALUMNI NOTES.

Carl Frank, Armin Gareis, Louis Schugel and Sylvester Wellman returned to their homes from South Dakota State college to spend their vacations.

Erna Grussendorf, the valedictorian of last year's class, is keeping up her good work at college. She is on the Freshman honor roll at Hamline.

Bernard Esser of last year's class made the President's guard at the University of Wisconsin. This consists of a company of picked men.

Elizabeth Hintz is pledged to the Alpha Gamma Delta sorority. Helen Meile of the class of '22 is an active member of this sorority.

Amy Mather of the class of '23 is pledged to the Delta Gamma sorority at the University of Minnesota.

Louis Schugel, last year's football captain, made his Freshman letters at South Dakota State college.

Wesley Gebhard, besides attending Hamline, is conducting services in a church at Stanton, Minnesota.

The Alumni Girls' basket ball team was victorious over our high school team by a score of 28 to 10.

Verna Dahl, Hildegard Hein and Irene Ochs, were at home to spend their Christmas vacations.

John Graff and Herbert Franta returned home from St. Thomas for their vacations.

D. O. T.

The members answered the roll call by giving a quotation from Tennyson. A short business meeting was held and the program opened with an interesting report given by Winnifred Schewpe. A delightful pantomime, "The Fickle Professor," was presented, Hilda Steinmetz was the reader. Charlotte Bockus was the fickle professor, Marion Reineke was Judy, a Junior, and Jocelyn Zschunke was Maybelle Sweet. Several of Tennyson's most important works were read, among them "Crossing the Bar." The members then sang the D. O. T. song and several Christmas carols. The critic's report was given by Miss Fritche and the meeting adjourned.

GIRLS' ALUMNI GAME.

Last Friday evening the Alumni met the High School in a favored basket ball game and showed their ability in playing. The team, composed of the cream of the Alumni, basket ball material of the past few years proved to be too snappy for the present high school team. The high school put up a good fight and resisted the onslaught of such former stars as Hildegard Hein, Lorna Schleuder, Lucy Emmerich, Florence Schneider, and others as best they could however.

At the very beginning, the Alumni showed that they had not yet forgotten the art of good passing, fast playing, and accurate basket shooting. The Alumni had a total of twelve points at the end of the first half. The credit for these points goes to "Hil" Hein, our last year's star forward. "Polly" made six points for the high school.

In the second half, the high school staged a stronger come-back, but still the Alumni were increasing their score. Lorna Schleuder was substituted for "Flossy" Murphy as forward, and netted fourteen points. "Hil" Hein also made two more points for the Alumni. The high school forwards did even for honors in the second half, each making two points. The final score was 28-10 in favor of the Alumni.

The line-up was as follows:
High School. Alumni.

PUBLIC SPEAKING CLUB.

Promptly at 7:15 the Public Speaking Club was called to order by the president. Roll call was taken after which the minutes of the last meeting were read by the secretary, Edna Pollei, and were approved. A short discussion was held as to whether the night of the meeting should be changed because several members are unable to attend on Tuesday nights, but no definite action was taken. A refreshment committee, consisting of Esther Poehler, Hazel Erickson and Edith Kjolsted, was appointed by the president. The program opened by an interesting current event given by Helen Hintz. Helen is one of the good speakers and it is very pleasant to listen to her. A talk was given by Clarence Hamann on "Bootlegging as a Business." It seems queer that after all these years which Clarence has lived in New Ulm that he does not recognize sauerkraut at first glance. A debate was held between Alice Altman and Roland Hohn, "Resolved that Bachelors Should be Taxed to Support Old Maids." Alice upholding the affirmative and Roland the negative. Mr. Gloor, Mr. Stewart, and Hilda Steinmetz acted as judges, whose decision was two to one in favor of the negative. An open discussion was held after the debate and various members gave their opinions on the subject. The meeting adjourned at 8:15.

NEW ULM AND MANKATO CLASH IN CLOSE CONTEST.

The most recent game was the Mankato game. Willard Held formerly of New Ulm, headed the Mankato team. Mankato was decidedly outplayed in most of the first half. New Ulm secured a lead in the first quarter and had possession of the ball most of the time. Mankato's shooting went high and wild. Schaefer got under the basket and the ball was in, more than once. Arbes, Schaefer, Esser, Tomschin, Waterston started the fracas. In the second half and third quarter the teams played nearly evenly but in the end of the fourth quarter Mankato put forth a great effort and put in a number of baskets cinching victory. New Ulm scored, but it was too late. Score 29-23. The team showed up very well.

SUPPORT THE TEAM.

The basket ball season has opened and this year we can put a first-class team on the floor with the help of the students. There are different ways in which you can help:

1. All boys that have had any experience should try out for the team. This point has been very well done.
2. Co-operation between players, coach and students. This is fairly well done.
3. The support of the team by the students. This has decidedly not been done.

At our basket ball games only a few high school students were present. Can't our high school students have enough pep to come to the games and help our team win them? Of course they could if they only would. There isn't any reason that could prevent them from coming. So let's all try and be out to the next basket ball game and help our boys win.

GAYLORD FRACAS.

New Ulm again suffered defeat in a rough and tumble game, at Gaylord. The score stood 30-15. The team determined to beat them on the home floor.

LOCALS.

During the Friday assembly before Xmas, Santa Claus appeared upon the stage with his wife, and distributed various gifts among the teachers and other employes of the school. Some of the gifts were funny, while others were very practical.

Fred Marks, sent into the Co. A game, astounded the spectators by his celerity and accuracy. Fred promises to be a great help to the team.

Miss Ferguson spent about one-half of her time riding on the train. Why didn't she take the Seniors' advice and use her aeroplane?

The costume pageant, given by the Senior-Sophomore Sewing class, under the supervision of Miss Ludwig, was a huge success.
