

## CHEER LEADERS ELECTED

Cleo and Carol Marti and Eddie Eggers have won the rather coveted position as cheer leaders as a result of the assembly election held Tuesday to replace Anita Grussendorf, Lorraine Pechtel, and Evelyn Arndt.

Many people received the wrong impression of the cheer leaders, because of the one-sidedness and exaggeration of an article which appeared in a local paper. It is to be remembered that these cheer leaders volunteered their services, and when they thought the school wasn't with them showed good sportsmanship by resigning so that others could take their place. Minorities in a student body often-times make the most noise but do not reflect the true beliefs of the larger group.

The main purpose of the meeting was to elect officers. The following were elected as officers for the year: President; Martha Esser, Vice President; Phyllis Shake, Secretary; Marion Oswald; Treasurer; Marjorie Haerberle, Official reporter; Gareth Hiebert.

Plans for a proposed Hallowe'en party for all those who are showing active interest in speech this year were made.

During the meeting, the members discussed the movement to sponsor assembly programs, consisting of debates and declamations with the schools of such towns as Nicollet and Hanska.

Coeducational possibilities of the game will also be demonstrated by the group.

### LITTLE TEN GAMES ON TONIGHT

Marshall vs. Luverne at Luverne. Tracy vs. Slayton at Tracy. Redwood Falls vs. Glencoe at Redwood. Springfield vs. Fairmont at Fairmont. Hutchinson vs. Sleepy Eye at Sleepy Eye. St. James vs. Worthington. Three inter-conference and three non-conference games are on schedule for tonight.

New Ulm, alone, remains without a game.

We pick Marshall, Hutchinson, Fairmont, Redwood Falls, Tracy and St. James as winners.

The N.U.H.S. football season is half over.

The summing up of the wins and losses thus far finds the Harmanites on the short end of a 3 and 1 count.

During the past week, Coach Harman has been drilling the squad on some of the things they missed the earlier part of the year.

In addition, the first-string backfield found Ochs, Gerber, Thiede and Pollei, all Juniors, carrying out the assignments.

The squad got a two-day rest on Wednesday and Thursday, with a scrimmage against College yesterday.

The remainder of the schedule finds St. James here next Friday. Glencoe here; Fairmont there; and Sleepy Eye winds up the schedule on November 11.

### SUMMARY OF MARSHALL

Marshall defeated New Ulm 32-0. Three touchdowns came on double reverse between either end and tackle; one came on a blocked punt; and one on a spot pass.

New Ulm was penalized a total of 96 yards, 60 of which were for backfield men in motion!

New Ulm passing gained but fumbles lost. The squad was unable to click.

membership and copies of programs for each one who has sent in her name and reservation.

The business meeting shall be conducted by the voting delegates only. Each school in the district having over 100 enrollment shall have two voting delegates besides the adviser. The larger schools shall be entitled to one additional voting delegate for each additional fifty girls enrolled. Dorothy Wagner and Betty Trettien will represent the delegates from New Ulm.

The Mankato girls are hoping that there will be a good turn out and that this will be a long remembered day.

Miss Koch will conduct a round table discussion on personality and Letha Stoltenburg will play a solo, accompanied by her mother at the piano.

## MUSIC NOTES

"Members who are not in their seats by two minutes to eight are beginning to realize that the music department can do without them," says Mr. Kitzburger. Remember, the music department is like any other class and you must be on time, because we want a larger and better organization this year and everything depends on you.

These new instruments are received this week: three new drums, a pair of cymbals, and a new set of bells that are to be used in the orchestra and band.

It seems that the Rudiments of Music class, for juniors and seniors, is finding out that playing an instrument alone is not what makes a musician.

Beginning with this issue, the "Hi Hi" will be issued every Friday. Hence, it will contain live news. With the cooperation of a fine staff, it is hoped such a publication will be successful. It has been decided that since most of the staff members are experienced from last year, the plan of having rotating editors will be effected. ---Ada Hi Hi, Ada, Minn.

## CLASS PLAY A REAL MYSTERY

The junior class play, The Sixth Key, which is to be given in about five weeks, was written by Robert St. Clair. He wrote Tiger House, the thriller presented by the senior class of a few years back. The Sixth Key is considered even better than Tiger House. If you enjoy a mystery that sends shivers up and down your back you certainly will enjoy this play. Humor is added by the old Irish cook, Hattie and the eccentric maid, Minnie. Marcella, the lovely heroine is hypnotized by the villain, Mark Hodge. The moving picture people come to claim the estate of Mark Hodge who is supposed to be dead. Those of you that enjoy a good plot will find it in The Sixth Key.
