DRUM CORPS. PLANS CARD PARTY THUR.

The drum corps is planning to sponsor a card party on Thursday, October 14th, in the high school gymnasium at 8: P.M.

Committees have been appointed by Mr. Dirks, the adviser, to get the business men to donate prizes; to plan the lunch; and to get card tables, cards, talleys and pencils. The girls are out selling their tickets this week, and expect to make a big success of it.

The money taken in by the party will be used to pay for the new drums and bugles that were bought this year.

FRI-LE-TA MEMBERS INITIATED

The second meeting of the Fri-Le-Ta girls' club was held Wednesday, October 6, when Freshmen were initiated and became members of the club. Katherine Higgs brought the members into the club. Anita Grussendorf, Kathleen O'Malley, and Evelyn Arndt explained the meaning of Fri-Le-Ta. Miss Fischer talked to the girls about the convention at Mankato that the girls will attend October 16th. The Freshmen presented this program: Virginia Meerfield a piano solo; Elaine Schapekahn, a violin solo; and singing by a group of Freshmen girls.

STAFF TO GO TO CONV.

Friday and Saturday, November 4 and 5, has been selected for the State Press Convention at the University of Minnesota. Plans are being made to make it possible for a part of the staff to attend. The purpose of this convention is to educate journalists as to the improved methods of newspaper publication.

Last year a similar convention was held at Mankato at which the entire staff attended. In order for a staff member to attend this year's convention, he must contribute some piece of journalism which will be judged by several staff judges and the Graphos advisor, Mr. Sutherland. This feature, sports, news or editorial articles must be suitable to be entered in one of the many contests at the convention. By using this method only the best writers of the Graphos will be chosen to attend this press convention.

Many changes have been made this year in the school paper which have greatly improved the paper. At present there are only thirteen members on the staff as compared with

Mr. Hanson spoke Tuesday morning in the assembly from eight forty-five until nine. The subject of his speech was centered on studying, both in classes and night school. Supervised study is to be held again this year in the library on Monday through Thursday nights from 7 to 9 o'clock. Mr. Hanson reminded the students that night school is not only for those who are behind in their classes, but for anyone who wishes to take advantage of the opportunity.

He asked that assembly be cleared shortly after four o'clock, and should not be used for studying. The library is kept open until five o'clock for those who have work to do.

The clearing of the assembly at 4 o'clock makes it possible for those activities held in the assembly at that time to get started sooner without waiting for the stragglers.

P.T.A.

Next Monday evening at eight o'clock the P.T.A. will have a "get-acquainted party" in the assembly.

The officers of the association for this year are as follows: Mr. Albert Eggers, president, Mrs. Walter Muesing, vice president; Mrs. J.C. Engel, secretary; and Mr. Adolph Sandmann, treasurer. The chairmen of the various committees are as follows: Mr. R. J. Sutherland, entertainment; Miss Anne Westling, hospitality; and Miss Mathilde Johnson, membership.

FROSH. TEAM SHOWS POSSIBILITIES

Down at a secluded part of the Fairgrounds these past few weeks, some 19 freshmen boys have been learning what this game of football is all about from Freshman Coach Snowbeck.

The Frosh have been putting in some hard work on the fundamentals and have learned a set of signals.

Like their varsity brothers, they go through a regular scrimmage session each night.

These freshies of today are the varsity of tomorrow.

Among the candidates are Calvin Backer, Huntly Prah, Jack Rolwes, Albert Ochs, Brey, Seifert.

SCHOOL DATES ANNOUNCED

The dates on the 1937-38 calendar have been announced by Supt. E. M. Hansen October 21, 22, and 23, Southwestern division of the Minnesota Education Association meeting at Mankato.

LITTLE TEN CHAMP. TILT

It can almost be said that the Redwood-Hutch game tonight is the championship tilt of the Little Ten.

The winning team is almost certain to be on top of the standings at the end of the season.

The battle tonight promises to be the best game played in the Little Ten this year.

Hutch has Krasean, Drahos, Smith, Rathburn and Stearns.

Redwood opposes them with Discher and Steele.

game here.

November 25, 26, Thanksgiving recess.

December 20 to January 3 Christmas vacation.

February 22 Washington's birthday.

April 18 to 25, Easter vacation.

May 30, Memorial day.

June 2, New Ulm High School commencement exercises.

June 3, Schools to close for summer vacation.

N.U.H.S. PLAYS MARSHALL TONITE

The cellar team in the Little Ten Conference aims at its third conference opponent tonight at the Lavender and White tangle with the Marshall gridgers at Marshall.

The line will be outweighed again by around six to eight pounds.

Last year Marshall ran rings around the H.S. eleven in the first half, using a sense of trick and razzle-dazzle plays. Will they do that tonight?

Meanwhile, out at the Fairgrounds this week the New Ulm squad has been drilling on pass offensive and defensive play.

If New Ulm wins tonight they may gain third place. If they lose, it's back to the cellar.

H.S. FALLS BEFORE HUTCH WAVE

A mighty Hutchinson eleven defeated New Ulm H. S. 18 to 0, Friday.

New Ulm put on two goal line stands in the second quarter, but were unable to stem the tide.

New Ulm's passing was superior. The Harmanites completed 5 out of 8 passes for 66 yds.

A guide explained to the boys what the work is that is being done. The station has been established for the purpose of educating farmers on soil conservation.

Staff to Convention Pg. 1

the twenty-five of last year. If these members wish to remain on the staff they must live up to the new requirements. All assigned articles must be handed in on time for there are many students who are waiting for the opportunity to take any slacking members' places. Each member is also rated on the amount of contributed material for the paper by the number of inches contributed each week.

If anyone is interested in becoming a staff member he may begin now by obtaining magazines and books on journalism from Mr. Sutherland. Any student's contribution outside of the Graphos staff will be given consideration by the editor for publication. These articles should be handed to Betty Nystrom or Marion Oswald. If any new staff prospects are discovered, they will be added to the staff or take the place of inefficient members of the present staff.

As the Graphos is for each and every student, the staff will appreciate any just criticisms that you give to any of its members, or any suggestion for improvements.

SOPHOMORES HOLD MEETING

The sophomore class held a meeting in the library Monday morning to decide upon the amount of class dues. Twenty-five cents a semester was agreed upon. Jack Minium, the class president, explained that collecting the money now would help to defray the cost of the Junior-Senior prom next year.

CHEER-LEADERS RESIGN

Anita Grussendorf, Lorraine Pechtel, and Evelyn Arndt have resigned their positions as cheer-leaders for the N.U.H.S. So far, no one has taken their place, but Mr. Dirks expects to hold a popularity contest soon, the winners of which will be the three highest.

SUBSCRIBERS PLEASE NOTICE

If you haven't been getting your Graphos, there must be a reason for it. You can't expect to get the paper unless you've purchased a student activity ticket or paid 75¢ for a year's subscription to the paper.

Will those outside of school who have subscribed to the Graphos please let the business manager, Carole Larson know where or with whom--in the high school or Emerson building--you wish to have your papers left.

Papers will be left in Mr. Dirks' office for students who are absent the day the paper comes out.
