

Band To Present First Concert In Series Sunday

Music For Victory To Be General Theme For Season

Sunday, February 13, at 4 p.m., a concert will be given by the high school concert band. The band will be under the direction of Mr. Paul Heltne, with the general theme of "Music for Victory". This is the first of a series of Sunday afternoon concerts.

The numbers that will be played by the band are "Washington Post March" by Sousa; "Caravan Overture" by Ellington; "Merry Men Selection" by Thomas; and "Children's March" by Goldman.

The high school mixed octette—Jean Bartl, Thelma Muesing, Norma Faaborg, Germaine Wieland, Harold Krieger, Bob Iseli, Howard Brust, and Burton Mahle—under the direction of Miss Martha Tharalson, will sing "When Day is Done" by Katscher and "King Jesus is A-Listening", a Negro spiritual arranged by Dawson.

"Cavaliers" by Johnson will be played by the trombone trio, Harold Fenske, Roman Sellner and Billy Schrader, accompanied by the band.

The band will then continue with "American Patrol" by Meacham; "Valse Triste" from Jarnefelt's drama "Kuolema" by Sibelius; "New Colonial March" by Hall; "Morning, Noon and Night Overture" by Suppe; and the "Stars and Stripes Forever", March, by Sousa.

The stage setting will be planned and produced by Miss Lucille Bruce, Mr. William Grefe, and students from the art and industrial arts departments.

Other concerts will be presented on March 5 by the high school mixed choir under the direction of Mr. Howard Johnson, and on March 19 by the high school orchestra under the direction of Miss Martha Tharalson.

Honor Point System Committee Meets

Thursday evening the honor point system committee met to discuss the present set-up in the awarding of points. A reviewed and revised schedule will soon be in the hands of the faculty.

After each member of the faculty has received the revised edition, another meeting will be held, to which the coaches and department heads will be invited to discuss the new program.

The members of the 1943-1944 honor point system committee are Tom Pfaender, chairman; Ann Westling, Evelyn Mann, Cecile McLaughlin, Mary Kayser, Paul Feltne.

Senior Class Begins Work On Class Play

The Class of 1944, consisting of nearly 100 seniors, is rapidly coming down the home stretch to complete the last lap of its four year journey through the halls of New Ulm High School. Preparations are already under way for the big events to come before the Class of 1944 takes its important place in the world of today.

One of these events is the class play, the theme of which will be chosen by the play committee together with those seniors who have signified their intentions of becoming a member of the play cast. Committee heads have been voted upon by the class, and have been urged to start preparations as soon as possible. In charge of stage properties this year will be Marian Metzen. The stage crew will be headed by Bob Dahl, and advertising will be taken care of by Calvin Lewis. The sale of tickets before performance night will be under the direction of Bob Schneider. The door ticket sales committee will be headed by Dorothy Anderson; Betty Gottschalk will be in charge of lining up ushers for performance night. In charge of the necessary programs will be Verda Roloff.

First-Aid Classes Start for Seniors

First-aid classes have started for the seniors of New Ulm high school. This year classes are held at three different places. They are Miss Steen's room on Monday and Wednesday during the activity period; in the gym on Mondays, fifth period; and on Monday nights. Mr. Pfaender and Miss Steen are the two instructors.

At the end of 20 hours of first-aid training, each senior student must take a test covering the entire course and he must also demonstrate his proficiency at artificial respiration, finding the pressure points and other practical first aid problems.

Fri-Le-Ta Elects Rosemary VonBank As New President

Thursday after school the Fri-Le-Ta meeting was held in the Cafeteria. Miss Fischer arranged the program for the girls. The meeting was opened by two readings given by Miss Marten; namely "A Letter from the First World War" and a "Waltz". Following this the boys' quartet—Harold Krieger, Bob Iseli, Howard Brust and Burton Mahle—sang two selections, "Happy Song" and "Sweet Kentucky Babe". Betty Neisen played two piano selections, "From the Rim of the Canon" by C. Franz Koehler, and "Prelude in Pastel" by Maxwell Eckstein.

Rosemary Von Bank was elected as the new president. Helen Pivonka and Grace Leary were the former presidents, but were forced to resign because of new duties.

Following this a business meeting was held. The girls discussed the coming Girl and Boy Party. The ordering of Fri-Le-Ta pins was discussed. There was a large attendance.

Stamp Sales Progress

Do you know that the pennies, nickels, and dimes that you use in purchasing war stamps provide equipment of all kinds, including jeeps, for our fighting men?

Uncle Sam takes his hats off to the students of New Ulm High School who contributed so generously in the jeep campaign and the Fourth War Loan Drive. The total amount of stamps and bonds purchased up to the present date is \$2,602.35.

The total amount purchased on the first day of the jeep drive was \$528.65, while the second week's total amounted to \$335.40.

Among the home-rooms with the highest percentages were Mr. Harman, Mr. Snowbeck, Miss Severson, Miss Treadwell, and Miss Mann. The campaign will continue for several weeks.

Twelve Movies To Supplement Class Work

Twelve movies are scheduled to supplement classwork for the month of February.

On February 7 Miss Fischer's and Miss Harbo's classes will see "Mexico and Its West Coast". Some of the other movies to be shown to Miss Harbo's group this month are as follows: February 8, "Happy Days in the Great Open Spaces"; February 11, "Where West Is Still West"; and "Golden Journey", February 14.

Mrs. Ewy's history classes will see "National Bridge and Historic Lexington" on February 10.

Mr. Hoefs' department will see "Thread Grinder" on February 11, "Diesel the Modern Power" on February 14, and "Power Within" on February 25.

"America Anniversary" will be shown to Mr. Harman's social classes February 18.

Minimum Essentials Friday

Minimum Essentials tests in English will be given on Friday morning, February 11, to all junior and senior high school students. The morning classes will each be shortened ten minutes in order to give approximately fifty minutes to the test. Each homeroom adviser will administer the test to his group.

A Swooning Reporter Frank Has Nothing On Nicklasson

Since Sunday morning New Ulm is no longer an insignificant spot on the map. We have at last come into our own. New Ulm has produced a celebrity whose fame is almost equal to that of Frank Sinatra. Of course, I don't even have to mention his name. At least, not to the girls.

Naturally, we all, by this time have read the news item which appeared in the Sunday paper. Now, it seems, Mr. Nicklasson's life is not his own. He has even engaged a secretary; and when I confronted him with an apple, he said he was far too busy to talk, but promptly grabbed my apple. It isn't only Frank Sinatra that's starved these days.

Speaking of Sinatra, it seems that Mr. Nicklasson is threatening to sue him for infringing on his rights. When asked about swooning

Eleven Students Make "A" Honor Roll for Second Quarter

"Unity for Peace" Chosen As Subject For Essay Contest

"Unity for Peace" is the subject chosen for the 1943-44 ninth annual National Essay Contest sponsored by the Ladies Auxiliary of the Veterans of Foreign Wars of the United States. The students of New Ulm High School will participate in this contest.

The Ladies Auxiliary believes that Unity for Peace should be studied by all, especially the children of today who will be the future leaders. It is hoped that this contest will help the fundamental truths which will form the foundation for future peace.

The rules required for entering this contest are as follows:

Art Exhibit Here Beginning Feb. 15

Tuesday, February 15, the Minnesota Artists' Association Exhibit will be present in New Ulm High School. This exhibit is sponsored by the Women's Current News Club of New Ulm.

The show will contain 26 pictures—of Gouache and of water colors.

These paintings will be on exhibit in the high school building and will be open for all students and townspeople.

Fri-Le-Ta To Sponsor Annual Boy And Girl Party February 12

Leap year will be the theme for the annual Fri-Le-Ta Boy and Girl party to be held February 12, 1944.

The girls will ask the boys for all dances except for an occasional men's choice. They will also escort the boys to supper.

Committees were appointed and they are refreshment, Betty and Bonnie Milliman; Entertainment, Mavis Schleuder; invitations, Norma Faaborg; and general, Rosemary Von Bank.

Miss Fischer commented, "The girls are showing great enthusiasm in planning this party."

Ninety-Six Have "B" Honors; Thirty Rate "B" Average

With the first semester over and the tabulations of the grades completed, the honor roll reveals that eleven students have made the "A" honor roll. They are Harold Krieger, Edwin Lentz and Roger Nelson, seniors; Howard Brust, Janice Heiser, Lucille Just, Donald Konakowitz, and LaVonne Larson, juniors; Thelma Muesing, sophomore; Patricia Harman, eighth grade; and Erma Dalrymple, seventh grade. No freshmen merited the "A" honor roll this quarter.

Five Seniors Await Call Into Service

Uncle Sam needs you! A number of boys in New Ulm High School have taken Uncle Sam up in a bargain. They joined and will help Uncle Sam; and as a return favor he will let them finish school.

The Army Air Corps has claimed one of our students, namely Leo Wilfahrt. He is subject to call after graduation.

One of our co-captains of the basketball team, John Esser, joined the Navy Air Corps and will also be called after graduation.

Harold Fenske, our other co-captain, and Bob Dahl went to Minneapolis to take a test on radio. If accepted, they will be a part of the Navy. The test they took was called Eddy's Radio Test and consisted of math, physics, and radio and electronics. Bob was notified Thursday that he had passed the test but Harold hasn't heard yet. If they pass the test, they will go to the Mankato Recruiting Station and then to Minneapolis to be sworn in. After graduation, they will go to Great Lakes for boot training and from there to Eddy's Radio School in Chicago.

Kenneth Earl has taken his physical and is awaiting his call to the army.

girls, Mr. Nicklasson blushed boyishly and said that was a true embarrassing.

If anyone is wondering how this started, it can be traced back to Mr. Harman, who in one of his weaker moments assigned themes to his social classes on the Ideal mate. An unsigned theme was handed in by a girl, who no doubt was caught by the charms of that certain gallant gentleman. It has never been known exactly what the contents of that theme were, but from the results it has brought, it must have been something pretty, rare. It seems that it was even be-spattered with blood.

When asked what he thought of being in the public eye, Mr. Nicklasson said, "If everybody is having fun, then I don't mind. Anything for my public."

Graphos Poll

A few weeks ago the Graphos staff conducted a poll regarding the opinions of the student body on the Graphos. Here, are some of the suggestions given and our answers to them.

One of the most frequent suggestions was that the paper contain less advertising. We realize we have a large number of ads, but without this advertising the paper could not be published. They are one of our sources of income.

Another common suggestion was this: "Why not have more letters from servicemen published?" We will be only too happy to publish any letter or part of a letter that the students will give us. Everyone likes to read a letter from a serviceman, and so any letters will be greatly appreciated.

We received some complaints that there is not enough news about the different classrooms. In the new column "What's Buzzing in the Classrooms" we are trying to cover all the classes but, here again, we will need the cooperation of the individual reporters and the rest of the students. If anything funny or unusual happens that could be put in this column, please put it in the Graphos box or tell it to one of the staff members.

A number of people asked why we didn't have a "We Seniors" column like the one last year. The column "Hi Seniors" is taking the place of it and contains the same information.

The Graphos staff would like to thank the student body for their fine cooperation in this matter. We will try to use all the suggestions and improve the Graphos in any way that we can.

On Report Cards

By Jerry Prah

Well, report cards have at last come out. No doubt some of you were met with some looking comments, and some might have had some that were of good standing. Or you might have been one of those unfortunate people who got, in one of the comments, something but words of praise, and then look at the next one and got "took" down to the status of "Hades" itself. Then you really had some explaining to do. Well it's over now; only nine more weeks to wait for the next "session" with "Pa".

In the GROOVE

by Ja Dee

Considering the general opinion of the students, I'd say our dance band was strictly "on the beam" at the last school dance. We had compliments from several individuals including John Esser who said our band was exceptionally easy to dance to. We still have not decided upon a name so, kids, get your thinking caps on and send a few suggestions our way—please—

Roughly speaking, every time I hear these tunes they remind me of certain individuals.

HAWAIIAN WAR CHANT—Norma Faaborg

WILLIE, THE WOLF OF THE WEST—Kenny Schroeder

PEOPLE WILL SAY WE'RE IN LOVE—Burton and Mutze

I'M JUST WILD ABOUT HARRY—Carol Kemske

DO I KNOW WHAT I'M DOING??—"Chick" at dance band practice

I STILL CARE—Norbert [Glen Ford] Gleisner [to Ruthie]

TWO O'CLOCK JUMP followed by OH! HOW I HATE TO GET UP IN THE MORNING—the majority of the senior high students

IT'S ALWAYS YOU—Irene and Dean

TAKE IT EASY and IF YOU PLEASE—Bob Iseli to Miss Raverty

MONDAY, TUESDAY, IN HALLWAYS—Punka and Dennie

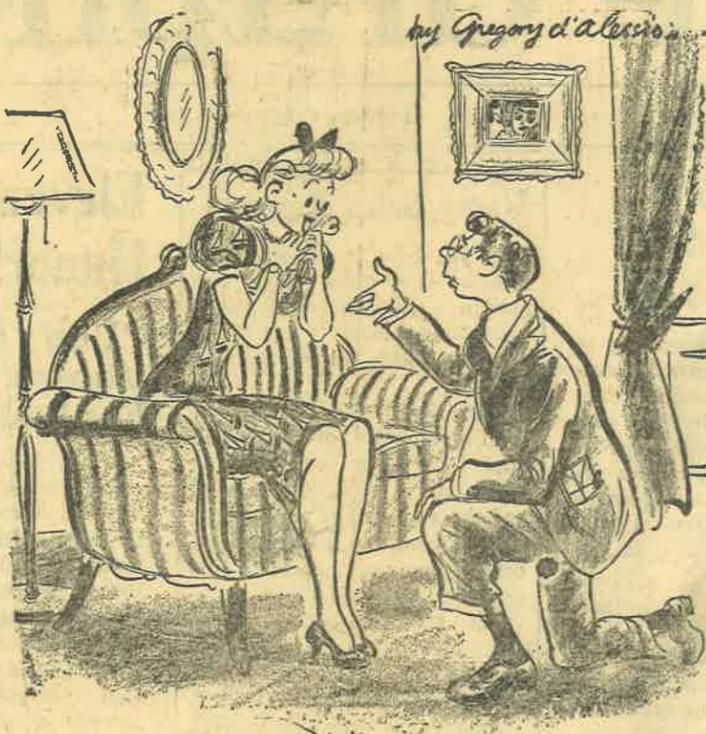

PLEASE DON'T ROLL THOSE BIG BLUE EYES AT SOMEBODY ELSE—A quotation taken from D. Veigel's letter from her "Sammy"

BY THE LIGHT OF THE SILVERY MOON—Shuzz and Bob

THE "HARLEN" SANDMANN—Jeanette

MY IDEAL—Howard Brust

A New Angle on an Old Story

A CONTRIBUTION TO VICTORY BY AMERICAN SOCIETY OF MAGAZINE CARTOONISTS

"Why, David—are you trying to say you want me to be co-owner on your War Savings Bonds from now on?"

Hi Seniors

"Give me a coke", is Bob Herzog's familiar saying. There is only one catch—he doesn't want to drink anything made by a certain drug store [jerk] clerk. Gosh, whom could he mean? His pet peeve is a gruesome two-some; hum, no wonder he never became involved in a cute little, shall we say, two-some. Bowling is his favorite pastime—wonder if he ever runs down the alley, hoping to knock that extra pin down? Chow Mein is his best liked food.

We know someone who is sure to see the show "Madame Curie", it's Donna Jeske. With her love of chemistry [??] and having Greer Garson as her favorite movie star, I see the connection. [Maybe Miss Raverty will with a little coaxing, treat all of her chemistry lovers to that show.] Strawberry shortcake with heaps of whipped cream is her favorite desert. With a favorite like that you would expect anyone to be just plain big, but not little Donna. Guess she doesn't stretch enough—oh, what am I saying?

Well, well here we have someone who swoons over Buddy Mureno and not Frankie S. Now boys, don't fall over, it's true—the gal is Lorna Jobe. Among other things she likes English, 'cuz it is so simple. [Well, she isn't taking College Prep, that is for sure.] Her real wolf man of the movies is that one and only George Montgomery. Now don't be alarmed if you find Lorna staring at you; it is a sign she is in deep thought. Boy, it must be wonderful! Her food slogan is, "I can walk a mile for a T-bone steak". In these days who couldn't? "Star Dust" is still her favorite song.

Edwin "Speed" Lentz they call him. He doesn't look the type but that's what he's noted for. [wow!!] Gee, what are we missing? His pet peeve is the word "suction" Edwin's favorite subject is Algebra; but don't get him wrong, it's elementary—not advanced, or he would be singing a different tune. Well, here we have a fellow noted for his corny jokes; guess Mr. Pengilly didn't teach him the right joke-telling technique. His favorite food is fried chicken.

"For the First Time" [and that's all] is Marjorie Lindberg's favorite song. She uttered the name of her favorite movie star with such a big sigh—it's John Garfield. He is another out of this world man, that is out of reach. Her pet peeve is a two faced person, of course, there is an advantage in one like that. [Two faces are better than one]. Chicken chow mein, made the Nankin style, is her favorite food. By the way, watch that chin of hers, she leads by it and nothing else.

"Moonlight Mood" and "At Last" are Shirley Loose's favorite songs. [Can you get the connection?] John Payne is her Hollywood man, but you need only one guess for her local one. Everything connected with the College Prep English class is in disorder in her mind. The tests in there are her pet peeves. Escalloped potatoes is her favorite food, and the letters "R" and "S" in her vegetable soup, too.

DID YOU KNOW THAT —

- there are 50 steps from 1st floor to 3rd floor?
- Harold Fenske can move his jaws 87 times a minute while chewing gum?
- the plants in Miss Fischer's room are 10 to 20 years old?
- we have the best cheerleaders?
- that Tante Meyer has been here about 40 years?
- there are 98 band members?
- there are too many misspelled words by students of N.U.H.S.?
- Joan of Arc, the statue in the second floor corridor, was given to the school by the class of 1913?
- there are 216 names on the service board?

Let's Dance

Yes, girls, most boys are very bashful and shy when it comes to asking a girl to dance for fear of having them answer "No" in an unpleasant manner.

Wouldn't a smile with that "No, I have this one," help matters a lot? Or maybe even add, "But you may have the next if you desire."

Then on the other hand, if a boy asks a girl in an unpolite manner, what has he to complain about? "Let's wiggle, worm" or "Come on, let's dance" isn't very encouraging, especially when used in a commanding tone of voice.

School dances should be fun for everyone, and they will be if every student does his share in making it a success.

Are our dances successful?

My Ideal

Here they are at last, our ideals in the senior class. In the next issue we'll present the juniors, then the sophomores, and also the freshmen. And don't forget, this is just one person's opinion.

Between Us Two

BONNIE

BETTY

If you noticed a few juniors and seniors out before daylight last week, it wasn't a siege of sleep-walking. It was just Miss Raverty's classes in chemistry for her more brilliant students.

"Ode to my Feet" by Richard Nelson

My feet, they haul me around the house,
They hoist me up the stairs,
I only have to steer them and
They ride me everywhere.

It took a long time but Lloyd Zieske finally hit rock bottom. Result: Absent Monday. It didn't take that long to recuperate from the midnight show.

Dynamite comes in small packages, doesn't it, Lois G.?

"An Essay on Frogs" by Dodo Pivonka
What a wonderful bird the frog are!
When he stand, he almost sit. When he hop,
he fly almost. He ain't got no sense, hardly.
He ain't got no tail, hardly either. When he
sit, he sit on what he ain't got almost.

Isn't that the cutest Valentine that adorns the front bulletin board? If you didn't know, it contained the scoop from the Minneapolis Tribune. This no doubt will give rise to the formation of "Nicklasson" clubs.

The morons are here again under new names.

Art Fenske: "You didn't know who I was when I called this morning, did you?"
Ralph Anderson: "No, who were you?"

English teacher: "Giles, use tissue in a sentence."

Giles Merkel: "Let me tissue again."

Someone has finally captured the heart of one handsome basketball player. Elaine Fischer seems to be the lucky girl.

Are you suffering from broken bones? Please see fifth hour first aid class on Mondays.

Here's a general hint: Don't miss that Fri-le-ta girl and boy party on February 12. You'll regret it if you do.

Dorothy Anderson seems to have quite an interest in her library table in fifth period.

Why all the rush for basketball pictures and autographs! Here's why, boys. The students are all right behind you, and they know you are going places.

N. U. Eagles Travel to Springfield Court Friday Night

Whip Cards 32-22 In Rough Battle; Tigers Seek Upset

Hutchinson—potent rival for Little Ten supremacy and regional honors—handed the highly touted Eagles their first setback recently by a 35-32 count. Johnny Esser wasn't in the ball game and the Eagles virtually handed the ball game away from the free throw line. It was a tough break for the Eagles who were aiming at an undefeated season.

But the Harmanites bounced right back from the Hutch game and clipped a scrappy St. James aggregation 32-21 without much trouble. The Saints were determined to win and a zone baffled the Eagle offensive machine a little bit. They still continued in their midseason slump and should pull out of it pretty soon.

Esser and Fenske have formed the center of the Eagle attack while Wilfahrt, Austad, and Wegner have been valuable defensive men and necessary to work that ball to the forwards. Each team has tried to bottle up the Eagle forwards and stop its scoring punch but slowly the Eagle guards have caught on to the fact that points are necessary, too, and want to click without shooting excessively. If the boys take shots when they are supposed, the Eagles present a well-balanced team ready for anything.

But the severe test of Eagle supremacy in the district will come from Springfield Friday night. Leo Domeier has been the flash for the Tigers while Milo Wood, Wohlrabe, Joe Spaeth and several other boys are around to cause unlimited trouble. Coach Joe Neal is out to upset the Eagles Friday and his boys will give him whole hearted support.

Besides the advantage of the home court, the Tigers will have

the moral support of many home fans and the Eagles will have to put up a stiff battle to offset this. All in all it's going to be a battle of battles and many local fans are expected to attend the game should the weather clear up by that time.

GLENCOE NEXT MEET

Then on the following Friday the Eagles entertain Glencoe in the local auditorium. Students are asked to give the Eagles their moral backing by attending the games. Your activity ticket admits all students. So why not be around for the game?

So far Coach Joe Harman's New Ulm high school Eagles haven't met much competition in District 10 but Friday night they travel to Springfield for a return engagement with the Tigers who are expected to give them a good fun for their money. From Sleepy Eye, Springfield, and Redwood Falls the Eagles expect the most opposition when tournament time rolls around in March.

In a wild and wooly battle here early in the season, the Eagles were a definitely superior ball club and pulled a 46-35 win with comparative ease. The Tigers couldn't click on passing, ball handling, defense, or shots but they left NUHS determined to get revenge when the Eagles visited their court.

EAGLES WHIP REDMEN

The latest Eagle victory was a 32-22 trouncing of a rough Redwood Falls quint on the local hardwood Friday. The Redmen were unable to take their first setback since 1938 and started to rough the game up a bit but the Eagles could take it. During the 1937-38 season, the Harmanites whipped the Redmen twice in a row but since that time had been unable to accomplish the mark.

Height again was a big Cardinal asset and the tall cagers put up a game fight with their strong zone defense. But Eagle speed and aggressiveness can't be underestimated as they pushed continually for their eighth win. Harold Fenske led the scoring with 11 points, Esser had 9, and Wilfahrt got 7.

Bob Cook, the only experienced veteran on Raasch's former championship teams, left the game in the fourth on five personals while Stan Slocum was a guiding light to the Redmen. Harman's sophomore outfit showed the drive and spirit of an up and coming ball club and played the last few minutes without the regulars and didn't need them either.

But the Eagles are far from impregnable. They were "off" Friday but good enough to beat an out-classed Redwood Falls club. Their shots failed to go down the hatch and they were sloppy from the free throw line making 6 shots in 22 tries.

Walnut Grove Mat Men Here This Evening

New Ulm grapplers, aiming at a regional title and state tournament fame, take on Walnut Grove in the small gymnasium Monday night [tonight] and shouldn't find any opposition from the invaders. They trounced Milroy 23-15 despite the fact they had to forfeit 10 points in the heavyweight and 165 pound classes.

Milroy defeated Walnut Grove so the fans can see that no opposition is forthcoming. Kenneth Engel and Stan Dittrich have paced the local wrestlers thus far and intend to continue at a good pace until regional time comes in March.

Coach Dick Pengilly is pleased with the workouts his team has given all opposition thus far this year. It is the final home match for the New Ulm squad. Any further meets will be away from home.

The match will start in the evening at 7:30 p.m. and all fans from the entire city are invited to attend the meet. Wrestling interest is slowly being built up in the city and local grapplers intend to reach their peak.

All your biology students take note of the poem that follows. It was stolen from the Beaver Booster, Cumberland, Wisconsin.

Swish! Bang! Crash! What was that? Oh, that was just another girl trying to plow through the obstacle course in record time. Yes, last week as the girls wandered down to the small gym for their usual classes, an odd sight greeted their eyes. The place was cluttered up with so-called "obstacles". After allowing the girls to go through a couple of times, to get used to it, Miss Zahn took one girl at a time, at intervals, and timed each one. The Schueller sisters were the record breakers for the junior and senior high. Gene Schueller did it in about 24X seconds for the junior high, and Maureen in 24 seconds for the senior high. Although as far as we know everyone escaped alive, some of the girls were pretty well battered up.

For the next six weeks the 7th and 8th grade and the sophomore and senior girls will be playing basketball. Freshmen and juniors will play volley ball.

Girls have been doing a better job of showing up at G.A.A. on Tuesday afternoons; but attendance could still be a lot better. Plans are being made for a G.A.A. skating party; so come on, let's not miss out on it!

New Ulm Victory Song

Yea team! Whose team? Our team!

We want a basket, hear 'em sing,
We want a basket, that's the thing,
Just let some great bruiser, husky and tall,

Dribble the ball, in no time at all,
We'll have a basket, when it's over
Let us hear you make some noise.

VICTORY

Let's have a basket, boys!
Fight, Fight! Fight, Fight! Fight, Fight!

Eagles Lose First Game To Strong Hutchinson Team

The Eagles, without the help of Johnny Esser, lost to a fast Hutchinson team with the score 35 to 32.

In the first quarter Hutch opened with a bucket and Wilfahrt followed with a free shot. Then Fenske jumped to life and sank a bucket before the Hutch team could recover. The quarter ended with the Eagles trailing 7 to 5.

In the second period, a new star started to shine. It was LaGrande Wegner. His rebound work stood along with his good ball handling. With Wegner getting the rebounds and Fenske doing the scoring, the Eagles stayed in the game, but were trailing at the half 17 to 14. In the first half the Eagles fell at the free throw line by missing twelve out of fourteen chances.

In the third period the Eagles came out fighting with Wegner looking great. Wegner and Martinka each connected and the Eagles were out in front for the first time. And the fourth period was a battle all the way through. When the horn sounded the Eagles were at the end of a 35-32 score.

Ray Weise Sees "Sugar Loaf"

What, no uniform? Yes it is true. Ray Weise has quit the Merchant Marine. He is now awaiting his call to the Army Air Corps. Ray told us quite a few interesting things about his adventures, and they aren't military secrets either. In other words, Ray has gotten around quite a bit.

While in South America, he saw the "Sugar Loaf", in Rio De Janeiro. The "Sugar Loaf", as it is so called, is located at the very peak of a mountain. It is a sort of spectators, tower for tourists, as one can see all the ports of Rio. There are dance halls, lunchrooms, and amusement halls. In order to reach this tower, one must use a trolley car. Ray brought back many souvenirs from South America.

Ray saw Jack Benny and many of the larger orchestras, such as Guy Lombardo, Harry James, and others, while in New York.

While Ray was with the Merchant Marine, he traveled to Algiers, the Mediterranean Sea, Port Said, and the Suez Canal, the Red Sea, and around the Persian Gulf.

Ray Reed, who would have been a senior this year, was home on leave from Shoemaker, California. Ray received his boot training in Farragut, Idaho, and attended a Hospital Corps school for eight weeks. While in Shoemaker, he saw George Burns and Gracie Allen and Mickey Rooney. Ray says the food is perfect and he met just loads of people.

This letter was sent to Kenneth Johnson from Ralph Thiede. Hello Everybody,

It sure was nice to see all of you again on my leave at Christmas. I sure appreciated getting home and seeing that you all are working so diligently in school. [H-m-m H-m-n] Anyway you are supposed to be.

This weather here in California is swell, but I still pick Minnesota as the best state in the Union.

It sure was swell to get the Graphos all the time and see that we have a championship basketball team in the making. I got the Graphos all the time I was at boot camp, and you in school who take the Graphos for granted have no idea how much it means to us fellows in service.

Well, study hard now and don't make the teachers work too hard. I will see you all on my next leave. [I hope.]

I sure will appreciate it if you will drop me a line here, and I will try to answer them as soon as I can.

Your past school chum, Ralph Thiede

[If anyone wants Ralph's address please ask Delores Pischke.]

We Found Out!

Down with the editors! Terrible paper! The best school paper ever! More dirt! These were just a few of the opinions expressed by the students in a recent poll taken by the Graphos staff in their effort to find out what students liked or didn't like about the paper.

"Between Us Two" was rated as the most widely read column, although, believe it or not, a few didn't enjoy it. "I read 'Between Us Two' for a laugh, but don't always get it," was one of the student remarks.

Some people don't read the editorials because they know all that "stuff" already.

Lil' Abner was the request of one person. Anyone knowing the whereabouts of Al Capp and having the capital to pay him for his services should report to the staff immediately.

Oh, yes, Herr Schultz also sent in his remarks. Anyone who is willing to translate German would also be appreciated.

W. Gareis' Money Collection Shown In Each Homeroom

Hobbies were the topic of discussion in homerooms last week. Many strange and interesting hobbies were discovered among the students.

Willard "Billy" Schultz has a fine collection of tanks ships. Stamp and match cover collections were found in many of the homerooms.

Not many people have as interesting hobby as Mr. Walter Gareis. Most students enjoyed his collection of money which he lent to the school to show to the students. His collection consists of old coins, foreign bills and coins, and old confederate money. It includes a silver dollar minted at the time George Washington was still living.

Speech Spotlight

By Harold Krieger

The second round of debate is well under way, with all teams going at it hot and heavy on this New League of Nations question. Team I, consisting of Germaine Martinka and Cameron Stewart, is debating Team II, Eileen Esser and Paul Kirgiss. Team I is supporting the affirmative side of the question and team II is on the negative. The outcome of this debate is as yet unknown, but we will have it for you in the next column.

Team III consisting of Janice Streissguth and Giles Merkel on the affirmative, is to debate team V, Bill Huevelmann and Ralph Werner. We have no decision on that one yet.

Last Friday afternoon, after a vicious verbal battle, team VI, Thelma Muesing and yours truly succeeded in defeating team IV, Rosemary Von Bank and Leo Wilfahrt. The debate was nip and tuck all the way through, and it ended with the affirmative just a shade on top.

A practice tournament with Mankato High School is being arranged before the New Ulm High School debaters start their big game hunting throughout the rest of Region Three, and before an attempted invasion of the Twin Cities' schools.

Penalty System Provides Funds For FFA Party

At the FFA meeting February 1, it was decided to change the regular meeting days. In the future the chapter will meet every first and third Tuesday of the month.

The F.F.A. chapter will enter a public speaking and chapter conducting contest. The place and date will be set some time in the future. Our chapter will enter only the chapter conducting contest, which is a parliamentary procedure contest.

An all-agriculture party was held Friday evening, February 4, at the home of Mr. and Mrs. Richard Pengilly. The funds for this party were secured by a penalty system. A penalty of ten cents had been collected by the banker, Mr. Pengilly, for each misdemeanor in the classroom.
