Junior Play Cast Chosen; Niehoff, Schultz In Lead

Play To Be Given Nov. 17 By Junior Class

Lorraine Niehoff and Norwin Schultz have the leads in the Junior class play, "Dear Daffodil" to be given November 17 in the high school auditorium. The cast was chosen October 19 by Ralph J. Sutherland and a class committee of six.

Charles Herrmann is to play the part of John J. Coleman, bandmaster and father of four. His wife, is Bonnie Neuwirth. Charles, their son, is played by Marvin Knutson. Charles is always fighting with Dee, Thelma Muesing, the beauty of the family.

James Swenson plays the role of another John J. Coleman, a lawyer who is of no relation to the Coleman family. He is always missing letters for which he comes to John Coleman. Cora, Gloria Thiede, oldest daughter of the Colemans, has a seven-year romance with Ellsworth, Donald Fenske, that has a surprise ending. Jimmy Carver as portrayed by Stanley Peterson, is madly in love with Dee.

Lorraine Niehoff as the lovable Daffodil, is heart broken over her "mail order" beau, Kent Merrill, who is played by Norwin Schultz.

Other members of the cast are as follows: Miss Thorp, Delores Fleck; Mrs. Merrill, Eileen Esser; and majorettes, Hazel Cordes and Betty Zischka.

T. A. Officers Elected

The new Ulm Public School Teachers Association held a meeting last Tuesday in Miss Steen's room. Officers were elected as follows: Pres., A. J. Snowbeck; Vice-Pres., Paul Heltne; Sec., Mrs. Katherine Franklin; Treas., Mildred Mann.

Linda Honored Queen Of '44'

Linda Peterson, Homecoming Queen of 1944, will be crowned queen in a colorful ceremony before "the" game with St. Peter this evening, Friday, October 20th.

Linda, a pretty girl with hazel eyes, blonde hair and a sweet smile, was chosen queen by a majority of votes from the nine candidates, during the homeroom period on October 16th. Her attendants will be the other candidates, Helen Schmiesing, Shirley Thordson, Gloria Brudellie, Mary Kral, Arline Eckstein, LaVone Anderson, Lillian Groebner, and Jean Bartl.

When asked how she felt about being chosen queen, Linda just smiled, and said she really didn't expect it and was really surprised and thrilled. Linda has attended New Ulm High School for four years. She enrolled here as a freshman. Before that she went to a country school near her farm home in Nicollet County. She has one sister and one brother. Her hobbies are dancing [especially to "I'll Walk Alone"] and playing the piano, a newcomer to her list of hobbies. Ice skating and watching football games are the sports she enjoys most. Eating ice cream for three meals a day is her main ambition. Linda will be in chorus starting next November and goes all out for commercial work.

Graphos Receives First Class Honors

First class honors—excellent—have been awarded to the Graphos for the second semester of 1944, by the judges of the National Scholastic Press Association in its national contest.

In this contest, school publications are classified according to method of publication, type and enrollment of school, and frequency of issue before any are judged. Over 1000 school newspapers from every state were critically analyzed and rated.

Realism Of Halloween Past; Now Mere Child's Play

As the world grows old and wise it ceases to believe in many of its superstitions. But, although these are no longer believed in, the customs connected with them do not always die out; they often linger on through centuries; and from having once been serious religious rites, or something real in the life of the people, they became at last mere children's plays, or often most enjoyed by those who do not understand their meaning.

Customs and superstitions gathered through the ages go into our celebration of Hallowe'en or "Holy Eve", on October 31. The day is so named because it is the eve of the festival of All Saints; but many of the beliefs and observances connected with it arose long before the Christian era, in the autumn festivals of pagan peoples.

The Ancient Druids had a three-day celebration at the beginning of November. On the eve before, spirits of the dead roamed and the Druids lighted bonfires to drive them away. In ancient Rome the festival of Pomona, goddess of fruits and gardens, occurred at about this time of year. It was a celebra-

tion associated with the harvest; and nuts and apples, as symbols of the winter store of fruit, were roasted before huge bonfires.

Our Hallowe'en celebrations today keep many of these early customs unchanged. Young and old still gather to hunt nuts and duck for apples bobbing in a tub of water. Grinning pumpkins, jack-o'-lanterns, rustling cornstalks, and white-sheeted figures create an air of mystery. Black paper witches and cats are used for party decoration.

Hallowe'en is a favorite "special day" for school celebrations when young people hold costume parties, play odd-fashioned games, and give clever plays and pageants based on the ancient customs. Frequently whole communities gather for a Hallowe'en festival, as did the villagers of earlier days.

Hallowe'en in some places is known as Nutcrack Night or Snap-Apple Night. Supernatural influences are pretended to prevail; hence all kinds of superstitions were formerly connected with it. It is now usually celebrated by children's parties, when certain special games are played.

Jean Bartl Sings With Minneapolis Symphony Band

Introducing—Jean Bartl, the Lily Pons of N.U.H.S. Last spring at the Musical festival held here in school, Jean received a very high rating. Because of this she was given an audition at the Harry Anderson Studio in Minneapolis. As the result of this audition she gave three concerts, two held at Powderhorn Park; and one, at Riverside Park. These concerts were given with the Minneapolis Symphony Band and the Gopher Legion Band under the direction of Harry Anderson. Mr. Anderson is the International Community Sing Leader in Minneapolis. Sometime this fall, Jean plans to give a recital here under the direction of Mr. Anderson. In December, during the holidays, she will also appear with the "People Sing" program over W.D.G.Y.

Jean goes to Minneapolis every Saturday for a lesson at the Studio.

Lunch Period Activities Are In Full Swing

While a large number of students go home for dinner, there are those who stay in school for their lunch. With free time on hand, checkers, Chinese Checkers, cross word puzzles, volley ball, ping pong, and a few other games have been made available for their use. Mr. Pfaender will supervise on Monday, Wednesday and Friday and Miss Hein on Tuesday and Thursday.

The Cafeteria will be available for those who care to study.

A large number of noon-hour students are enjoying their venturesome walks either South or North of the school building.

Welcome Grads

New Ulm High invites all graduates to participate in the 1944 Homecoming activities. We can assure you that you are welcome. We realize that many of you cannot attend in person because of more pressing duties. However, N.U.H.S. wants you to be with us in spirit, re-living, for a brief time, your own memories of previous Homecomings in which you played a part.

For those of you who can attend we want you to know that we are glad you still maintain your interest in your high school. So again we say, "Welcome, grads."

Two Lyceum Programs Scheduled

Two programs will be given through the courtesy of the University of Minnesota in the high school auditorium within the next two weeks.

Vernon S. Peterson from the Du Pont Chemical Company will present a Plastics Program October 30 at 8:30.

Burton Lynn Jackson, an artist on the marimba, will be presented November 7 at 11:00.

Two Day Vacation For Student Body October 26 - 27

Minnesota Education Association will meet October 26-27 in the St. Paul Auditorium. The teachers from this high school will attend the meeting. The student body will also be represented in an all state high school choir and orchestra.

Some of the topics which will be discussed are Adapting the School Program to the Wartime Situation, Educational Planning, Statewide Financing for Education, and Child Welfare and Guidance.

With "Peter Out St. Peter" as the slogan, the Homecoming festivities will begin this afternoon with a Pep Fest and end with a dance tonight after the game. The crowning of the queen, Linda Peterson, will be the hi-light of the festivities.

The Pep Fest, led by the cheer leaders, is scheduled for 3:00 this afternoon in the auditorium with the Marching band furnishing the music. The Queen and her attendants will be presented to the student body. Pep talks given by Coach Nicklasson, the team captain, and prominent alumni, are bound to put us in a fighting spirit.

A parade at 7:25 will start the events of the evening. The band, preceded by the Queen and her attendants riding in open automobiles, will march from First South, left to Minnesota, and then to Third North to German. Later at Johnson Field there will be a Flag Presentation and the Marching band will form a cross honoring the Red Cross and all service men and women. Then the coronation ceremony begins. Anna Trautmiller, Homecoming Queen of '43, will crown this year's Queen, Linda Peterson, in an impressive ceremony.

The game starts with the kick-off at 8:00 sharp. New Ulm out to win, of course. Between the halves, a Homecoming show will be presented by the Marching band under the direction of Paul Heltne. A fanfare will be played, and then the band marches into the formation of a heart and will play "Auld Lang Syne." "Hail, Hail" is played to welcome the alumni, while the band is in an H. I. formation. Other formations are an N. U. and a football. Mavis Schleuder, drum majorette of the band, and the twirlers will perform during this time.

After the game, the traditional Homecoming dance will be held in the big gym. The alumni and St. Peter are cordially invited to attend. A modern swing band of six pieces is to furnish the music.

Heltne to Speak at M.E.A.

Paul O. Heltne will be one of the speakers at a group discussion at the Minnesota Educational Association in St. Paul, on Friday, October 27. The general subject is "Curriculum" Content for General Fitness.

Mr. Heltne plans to point out how music contributes to general fitness and how music education provides a definite carry over into later life. He will also outline what should constitute the minimum essentials of a good secondary school music curriculum. Emphasis will be placed on the need for curriculum revision in the secondary school music programs of the state.

W. A. Andrews, former New Ulm High School superintendent, who is at present connected with the State Department of Education, will also speak.

As president of the Minnesota Music Educators Association, Mr. Heltne will preside at a meeting of the Officers and the Board of Directors of the Association on Friday, October 27, at 4 P. M. in St. Paul.

A Challenge To Us

A challenge to promote increased sportsmanship and friendliness towards visiting teams and students should be a motive of all New Ulm high school students this Homecoming of 1944.

Welcome the alumni with a cherry smile and a pat on the back, and don't forget your manners to the "out of towners" too.

Bring out the purple and white. Wear your school colors proudly and really show us some school spirit at the game, but don't "boo" the opposition. That's not sportsmanship.

And while you have your fun, stop for just a moment and think of those boys who will never have another homecoming. Yes, stop and think and then make the most of this "44" Homecoming.

On next Thursday, March 2, at 2:00 P.M., the mixed chorus of New Ulm high school will be heard over KYSM for its first radio program of the year. . . . A pre-lenten costume dance was held Tuesday night and it was quite a gala affair. There was every kind of costume there from soup to nuts. Pirates, little old ladies, Turkish girls, aviatrixes, gypsies, negroes, farmers, cowboys, Japanese girls, and even a doctor and nurse.

SENIORS' LAMENT

Mr. Snowbeck is my teacher,
I know despair;
He maketh me to overtax my brains
And lie awake nites, thinking up excuses.
Lo, tho I pretend to study hard, I do nothing
He see-eth through it all,
His piercing eyes and oft heard voice discom-
fort me.

He annoieth my papers with zeroes,
My report card runneth over with the same.
Yea, though he maketh me to quake with
fear now,
It shall soon be a thing of the past.
He prepareth a place for me at the foot of
my graduating class,
Surely our parting will sadden neither of us,
For I have dwelt in the shadow of his evil
clutch far too long.
You may substitute the name of your
favorite teacher.

How many of you remember this pep song that was written by Miss Helena Corcoran, former librarian of New Ulm high school?

PEP SONG

[Tune of "Deep in the Heart of Texas"]
They'll score and score,
Then score some more.
Just watch those New Ulm Eagles!
Then win this game
For our good name.
Just watch those New Ulm Eagles!
We'll cheer our team;
They're on the beam.
Just watch those New Ulm Eagles!
For purple and white
They'll fight, fight, fight,
Just watch those New Ulm Eagles!
How many would like to re-new this song?

BOOK TALK

Mary Carsten's *M. D.* is written by Mildred Foulke Meese. The story tells of Mary Carsten's year as interne at Victory Hospital. It tells of troubles that a girl doctor has, how she overcomes the laughing and fibbing of her new friends. The novel is interesting and is a good book for an older girl. *P. X.* is written by Malcolm Taylor, and is of interest to boys who like adventure. The story is about a man who discovers a flying field when his plane is forced down on the English coast. He finds out this belongs to a big organization called P. X. which is working to maintain a world peace. Adventures follow thick and fast.

Meet The Faculty

by Elaine Niehoff

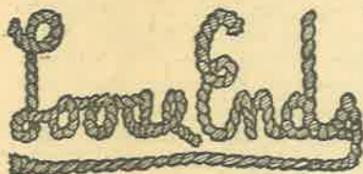

Here I am again fellow students! This time I popped questions at Miss Steen, sophomore English teacher, and this is the result.

Miss Alice Steen was born on a farm near Walnut Grove in the year—? [Oh these teachers and their secrets!] Well, to go on with the story—She went to grade school in a little white country school with her oldest sister as the teacher. [and if she did anything wrong in school, she "got it" when she got home.]

Miss Steen went to high school in Walnut Grove and to college at St. Olaf in Northfield.

Teaching sort of runs in her family as her mother taught school and likewise three of her four sisters. "There is nothing for me to do but carry on the family tradition," states Miss Steen.

Alice Steen, nicknamed "Auntie Al" by her niece, has no favorite color but she does wear a lot of blue. She eats anything, and her pet peeve is "gum chewing sophomores". [how well we know] Most of you have noticed the lapel pins Miss Steen wears; well, that's her hobby—collecting pins. She has some very rare and beautiful ones, too.

Saints Topple Eagles In Thrilling 20 - 14 Game

Jinx Day Is Fatal; Eagles Lose Again

Friday, the thirteenth of October, proved to live up to its name as a jinx day for the Eagles. The Saints on their own gridiron defeated the Eagles 20 to 14 in an exciting passing duel.

The whistle sounded, and the Saints kicked off to the Eagle 10. Tom Groebner picked it up and returned it to the Eagle 20. The next two downs netted little gain, so the Eagles punted in the third down to the Saint's 20. Wilkening of St. James returned it to his own 30. The next three downs proved no gain for St. James; so they punted to the Eagle 30, where it was downed by the Saints.

The Eagles' first down showed a three yard gain, and then Denny Krueger carried the ball to his own 45 for a first down. A pass was tried, but was not completed; Stan Martinka took the ball for fifteen yards and another first down. The Eagles were stopped for the next three downs on St. James' 37; and then on the fourth down, they punted into the arms of Jerry Grieschar. He carried it to his own 27. In the following three downs, the Saints made a gain of 12 yards and a first down. Then they were thrown for a three-yard loss and only made slight gains in the following downs, so the Saints were forced to punt.

Denny Krueger received it and ran it back 25 yards to the St. James 42 yard line. Martinka broke through the line for about nine yards, and the quarter ended.

Both Score In The Second
It was the Eagles ball on the St. James 30 yard line. The Eagles completed a pass for twenty yards; and then Martinka took the ball on the next down, racing ten yards for the first Eagle touchdown. The fans went wild as the extra point was also made. The score stood 7 to 0 as the Eagles kicked off to the St. James eleven. St. James returned it from the 20 to their own 35. Then on a series of runs they

brought it up to the Eagle's 38. In the next two downs, St. James completed two passes and went over for a touchdown. They made good the extra point, and the score stood 7 to 7.

The Saints kicked off to the visitor's twenty, and the Eagles returned the ball to their own 25. No gain was made in the next three plays, and the Eagles punted to the Saints' 40. The Saints took it to their own 48 and then attempted a pass, which Tom Groebner intercepted and carried to the Eagle 42. Another pass for the Eagles brought them up to the Saints' 40. Three downs showed no gain, and it looked as though the Eagles would kick. But it was a fake kick and a completed pass, which brought the ball to the St. James' 20. Then the gun sounded, ending the half.

Saints Receive First Penalty
New Ulm kicked off to St. James at the beginning of the third quarter; the Saints ran it back about six yards to their own 25. On the next down, they made a gain of about six yards but were penalized five yards for off side. This was the first penalty of the game. From there they ran it up to their own 43 yard line for a first down. Then they threw three passes of which the first two were incomplete, but the third one was good for 7 yards. It was fourth down and about two yards to go for the Saints on the Eagles' 48 yard line. Then the Saints heaved a beautiful pass good for 35 yards and a first down. A fumble cost the Saints 20 yards, and they were unable to make any substantial gain. They lost the ball on downs to the Eagles.

The Eagles got the ball on their twenty; but found they couldn't crack the wall, so they were forced to punt from their 28. The Saints received it on their 38 and ran it back to the Eagles' 43. The next three downs didn't go so well; so the Saints punted to the Eagle ten, where Groebner picked it up and carried it to the Eagle thirty. The next play the Eagles fumbled, and the Saints recovered.

Saints Score Again
It was first down on the Eagles' 33 yard line as the Saints began their touchdown march. The Saints completed four passes and

Looking Ahead At Homecoming

This year's homecoming game, against the St. Peter Saints on Friday, Oct. 20, will, from all accounts, be thrill-packed from beginning to end. The Eagles are becoming more and more a team working together in harmony. We stand a good chance of winning with a fast-moving backfield and a solid line.

Probable lineups for the game are

made two small runs for a touchdown. The extra point failed; however, the Saints were ahead 13 to 7.

The Saints kicked off to the Eagle 15, where Krueger picked it up and ran it back for 27 yards as the third quarter ended.

Krueger Injured
The fourth quarter began, and Krueger took the ball on a succession of plays to the Saints' 10. Krueger was injured on the next play and had to go out of the game. Pollei threw a pass to Thiede for a touchdown. The extra point was also a pass with Furth on the receiving end.

A bad kick by the Eagles put the ball on the fifty yard line. The Saints then tried three passes, the last one being good for ten yards and a first down. A short run and then a completed pass was good for 35 yards and a touchdown. The Saints also made the extra point, and the score stood 20 to 14 with the Saints on top. After that a few incompleated passes; and a few runs got the Eagles nowhere, and they punted. The Saints took the ball and started another touchdown march. When the game ended, the Saints were on the Eagles' ten yard line.

Sports

Past - - - Present - - - Future

So far this year, the Eagles have met only defeat. Although the last two games were close and it was only the breaks of the game that lost for the team, they still showed determination to win. At St. James, you probably couldn't have found a team that cooperated as well or showed as much spirit as our team did. They played splendidly but had the misfortune to lose.

Now we are faced with the Homecoming—a must on every team's win list. It will be a tough game no doubt as St. Peter has always had a good team. This year is no exception as the Saints have already won four out of five games. They will be out for a win this time, and we must stop them. The team will do its part, what do you say that we back them to the limit?

We take particular notice of four up and coming Juniors in the football backfield and line. Stan Martinka and Jack Pollei have another year of football left and are making names for themselves now. With the passing arm of Jack and the running ability of Stan, there is no doubt about having a good backfield. In the line there are "Doc" Furth and Don Eichten. These two men have shown their ability with Doc as a pass grabber and tackler. Don Eichten is a good pull-out guard.

It seems that Denny Krueger plays about the most rugged football of anyone. We surely all saw him when he ran about twenty yards and then his helmet came off. This didn't stop Denny though, he kept right on plowing for another ten yards. Many of the fans were wondering if he was crazy or liked football that much.

Hats off to the wrestlers in football. Stan Dittrich, Ken Engle, Ben Ubl, and Hank Eckstein show that they are not only good on the mat, but also on the gridiron.

Dittrich, who is out for his first year, had the oomph needed for the first string tackle. In the middle of the line is Engle, who held this position last year, as well. Ubl who is the other first string tackle is only a sophomore.

It is to be noted that in two of the three Eagle football games, the Eagles received no penalty. The opposition, St. James was penalized ten yards and Hutchinson five yards. This is a fine mark, so Eagles, keep up the fine sportsmanship.

Austad Captains Up And Coming Basketball Squad

Mr. Harman is looking ahead to the coming basket ball season. The four of the varsity five that have graduated are John Esser, Harold Fenske, LaGrance Wegner, Leo Wilfahrt. Roy Austad, captain of the team, was a regular last year and will most likely form the main cog. Men like Stan Martinka, Jack Pollei, Don Eichten, and "Doc" Furth will be some of the varsity quality this year. Marv "Buckles" Lieske, who is a transfer from Morgan high school, has had much experience in basketball. He played on the first five for Morgan; and although we don't know much about him, he has the height to make a good player.

As yet the schedule hasn't been announced, but there will probably be about 11 or 12 games this year. The end of the season will be marked by the district tournament at Redwood Falls and the regional and the state meets.

Miss Raverty Takes Flying Lessons

Don't be alarmed, dear children. It's only New Ulm High School's newest "Ace of the Airways"—Orlene Raverty.

Yes, after teaching aeronautics for two years [now starting on her third] Miss Raverty decided to put her abundant knowledge into practice. She was going to learn to fly!! So in the middle of August Miss Raverty rushed herself down to Mankato and enrolled in the Mankato flying school.

So far, Miss Raverty has had three instructors. The first one was Dewey Weisman. Her present instructor is Mr. Ford. Whenever her schedule and the weather permits, Miss Raverty is off to Mankato for another lesson.

A total of eleven hours and five minutes in the air is Miss Raverty's record up to date. She flies a piper-cub trainer. When asked how she liked flying, Miss Raverty exclaimed, "I love it" [with a capital L O V E]

Good flying and happy landings to you Miss Raverty, you are living a dream of many a high school girl.

S.O.S. Speaking Of Speech

Why is everybody so excited? Oh! It's just the end of the six weeks and every junior wants to get an A on his last speech before reports. Marvin Martins thought he could impress Mr. Sutherland by giving his last speech of the six weeks on "Tokyo Express". But..

At the extemp meeting last Tuesday, the topic for discussion was, "Should the League of Nations be Reconstituted?" Another topic for discussion in the near future will be "Socialized Medicine".

After Bill Huevelmann and Paul Kirgiss lost their last debate to Thelma Muesing and LaVonne Larson, Bill has been going around with a pretty long face. Oh well, better luck next time.

In the Classrooms What's Buzzin'?

I wonder what Jean Schueller and Patty Tierney watch when they are leading the cheers? Jean was kept quite busy watching a-certain-somebody at the Redwood Falls game.

George S. and Elton R. better stop chewing gum in English class or Miss Steen is going to do something drastic. Don't you think??

THE LATEST: Pat Yost and Billy S.

What was the anxiety of a few cars outside of Sleepy Eye coming home from St. James? Alice, you surely had them scared!!!

The eighth grade girl gym class will outnumber any other in history. Nine whole [??] girls, 6 1-2 able to take gym.

Say, how about all the eighth graders showing up at more of the football games. Last year there were only a few going regularly, and we bet there are some of you that haven't been to any of the games. That's the purpose of your student activity ticket, too, you know.

It looks as if Stan Martinka has finally found who he was looking for, and it's none other than Thelma Muesing. How about it, Stan??

Betty Brand seems to be taking an interest in the freshman class. Hint! Hint! to Buddy T.

ATTENTION—all students taking language from Miss Fischer should have noticed the exquisite bouquet of flowers on her cabinet. Those of you who haven't seen it ought to. It is composed of gum drops on twigs.

Miss Fischer, have you ever noticed your bouquet is diminishing? You had better stop sending your students to the front board. That gives them a chance to satisfy their sweet tooth.

Speaking of a sweet tooth—Mr. Sutherland had better stop eating cake after school. Doesn't he know it's fattening!!!

Litchfield High School

Thursday, October 12, at seven o'clock the 1943 Homecoming festivities began with a bang! The bonfire program was as follows: a band selection, cheers, speeches by the Coach and by the Superintendent, closing with a selection by the band. Immediately following the bonfire was a "snake dance" led by the band.

Students To Receive Dental Exam

New Ulm dentists are again cooperating to make a dental examination possible for all school children. All public school pupils will be examined in the high school building on November 1 and 2.

The chief aim of this mass examination is to stimulate interest in a dental correction program. The examination will be a hasty one and dentists will advise a visit to each pupil's dentist whenever there is the least suspicion that anything is wrong.

New Ulm has an enviable record in the matter of school age dental corrections. We hope we may reach the 100% dental correction goal.

Corky's Clothes Line

Did you ever notice all the different sort of lapel pins that are being worn? Some are very odd indeed. A Junior girl has a pin made from a pecan. Betty Lou Neisen has one from Catalina Island. You'll find others from Alaska and Mexico.

Speaking of pins—did anyone see Donna Kienlen's horse pin? She says the "Don" on it stands for "Donna"—who believes that?

Those yellow suspenders are very flashy, Donny Fenske!! Same goes for the red sweater.

Don't get excited when you see a pair of red plaid slacks struttin' down the street—cuz it'll just be Betsy Kosek.

A certain sophomore girl has Leroy Nelson's name sprawled all over her kerchief with a big red heart around it and an arrow through it. Now who could that be?

Some of Thelma's knee-socks surely hit the eye. They are VERY becoming!! Don't you think?

I wonder how many students from N.U.H.S. have pierced ears. "Toni" Thiede has an adorable pair of gold hoop earrings through hers.

The war hasn't affected shoe laces. In fact it has done something for them. Now the streamlined shoe will have red, white, and blue laces. In case you haven't noticed they are quite popular.

Night Courses In Full Swing

Night Courses have been organized in Red Cross, nutrition, sewing, and in general agriculture. The classes meet every Monday evening at 8:30 through December 11, in various classrooms.

The nutrition Red Cross class is taught by Miss Ann Westling.

The sewing class, taught by Miss Bernita Siverson, is making new garments and also remodeling old ones.

The agriculture class is taught by Mr. Glenn Scott. It is planned to have a guest speaker at every meeting. Weeds, weed control, weed identification and hybrid corn will be the topics for the next meeting. October 23, Ralph F. Crum will be the guest speaker.

Anyone wishing to join one of these classes is welcome to do so.

United States Navy,
October 13, 1944

Dear Editor,
I'm taking a little time out of my midnight to four o'clock "dog watch" to thank you for sending a copy of the **Graphos** to me. I really enjoyed reading it, as did a lot of my shipmates.

Saturday of last week certainly brought back pleasant memories of good ol' NUHS. I got to go to Evanston that day to see the football game between Great Lakes and Northwestern University. The playing of NU's "Go U Northwestern", and the letters N U formed by the Great Lakes Band and Drum & Bugle Corps were symbolic of a NUHS football game. Needless to say, G. Lakes won the game.

This civilian-forsaken place seems to have no interesting events which might be called news. The daily routines don't even offer anything new anymore. I suppose Bill Huevelmann would enjoy being here on the days we go swimming. Incidentally, I do my swimming in the world's largest indoor swimming pool.

I look forward to getting out of here in a few weeks, more or less. Until that time I'll be looking forward to each issue of the **Graphos**.

Yours truly,
Martin Klingler

P. S. [To Mary Ellen Yost] You might change your hobby after a week's diet of Navy chow.

Bob Gislason is home on a few weeks' leave. He has been stationed at Athens, Greece. No that's wrong! Athens, Georgia.

Bob joined the Navy Air Corps in August 11, 1943, and likes it. He prefers New Ulm to Athens, and misses the speech department. However, he doesn't think Mr. Sutherland has changed a bit.
