New Ulm High School, New Ulm, Minn., Wednesday, September 3, 1947

Number 1

## Over 500 Students Enroll; Sophomore Class Largest

### Five New Students Join Juniors, Sophomores

A total of 504 new and old students will make up the student body of New Ulm high school for the coming school year 1947 and '48. This total is somewhat short of last year's enrollment figures, which show that 513 had registered in the Junior and Senior high school, and still shorter for the previous year. In 1945 the enrollment was 544.

Enrolled in the Senior high school are 345 students. This total is made up of 110 Seniors, the same amount as last year's enrollment, 113 Juniors, seven less than last year, and leading the classes in the amount of students are the sophomores, with a total of 122 students. The sophomore class of last year had 113 enrolled.

The Junior high school is made up of 159 new and old students. This is 31 short of last year's total, which was 190 students. 92 pupils make up the freshman class which shows a drop of 36 from the previous year. The eighth grade has remained the same, 30 students being enrolled. The seventh grade is five over the sum of last year with a class of 37.

### New Students

Five new students have enrolled for this school year in the senior high school. Four of these are juniors and one a sophomore. The new juniors are Julie Paro, formerly of Mankato, Geraldine Christian, from Buffalo, Mary Lee Wilson, coming from Stewartville, and Norma Malherek from Buffalo Lake. The new sophomore hails from Waterloo, Iowa, and his name is Wayne Flesner. The senior class [continued on page 4]

## Jeanne Bartl Places First In Aquatennial

Jeanne Bartl

Jeanne Bartl, a graduate of New Ulm high school and member of the class of '45, came another step nearer her goal when she placed first in the Minneapolis Aquatennial song contest this summer. Even in high school it was Jeanne's desire to make music a career. She was a soloist in the high school choir when it was under the direction of Paul Heltne, and is a student at the MacPhail school of music in Minneapolis.

Jeanne entered the Chicago national vocal contest, August 16, with all expenses paid and also received a scholarship offered by the Northwestern Life Insurance company.

Recently given the part of "Katy" in the Oscar Strauss opera, "A Waltz Dream", Jeanne had literally been burning the midnight oil preparing herself for the role. It was presented August 27 in the Women's club assembly.

## Welcome

With preparations complete for the school year which opens today, we are happy to welcome students who are returning as well as the large group who are joining us for the first time.

We can make this an outstanding year for N.U.H.S. The success any student attains is limited only by his own choice. If you will study, participate in activities, develop your personality by being friendly, courteous, and a good school citizen, there can be no doubt of the success of this school year both for you and for our New Ulm high.

Well begun is half done.

M. A. Lynott, Principal  
J. M. Herrmann, Supt.

## No Smoking or Drinking For NUHS Students

The 1947-48 school year will be marked by a new rule in N.U.H.S. At the close of the last school term a law was passed prohibiting smoking and drinking.

This rule applies to all students in junior and senior high school. For all those who are seen by members of the faculty to be disobeying the order, all privileges will be taken from them. They will not be allowed to participate in band, chorus, sports, speech, student council, noon-hour activities, or any other extra-curricular programs.

The law was passed in cooperation with the other schools in the South Central conference such as Fairmont, Blue Earth and St. Peter.

In seeing that the laws are being abided by, it was decided that the aid of business groups and other organizations should not be enlisted, but instead members of the faculty are obliged to report all students smoking or drinking. Occasional checks in student hangouts by teachers will be permitted and are to be expected.

All teachers have agreed to cooperate fully in the execution of the rule.

## Band Plays 11 Times During Celebration

Participating in eleven events during the 85th anniversary homecoming celebration of the Indian Massacre, the New Ulm high school band and majorettes contributed greatly toward the success of the huge undertaking.

The band was under the direction of Robert Schaefer, a New Ulm high school alumnus, who during the war was a member of the Marine Corps. Bob, a student of music at Duluth university, took the place of Jack F. Strang, our present head of the music department, since Mr. Strang was unable to be here as early as August 14.

The first event that the high school band participated in was the Dedication of the Memorial Arch on Minnesota street erected between the Dakota hotel and Eibner's bakery. This event took place on Monday, August 11 and was the official opening of the celebration. Other events included the big Historical and Industrial parades on Wednesday and Sunday, and two appearances in the Kiddies Mardi Gras parade on Friday, August 15.

## Sixteen New Members Join New Ulm High School Faculty

First Row, left to right—Dorothy Wark, T. R. Olson, G. M. Maiquez. Second row—M. G. Ness, Audrey Olsen, Mrs. Madge Paro. Third row—J. A. Molstad, Lois Anderson.

## Bill Dempsey Wins Laurels In Northwestern Meet

A member of the debate team winning the final contest and the highest individual in the entire de-

bate contest, Bill Dempsey last month won what is practically a national debate championship at the National high school institute at Northwestern university.

## Gene Edwards Takes Honors At FFA Meet

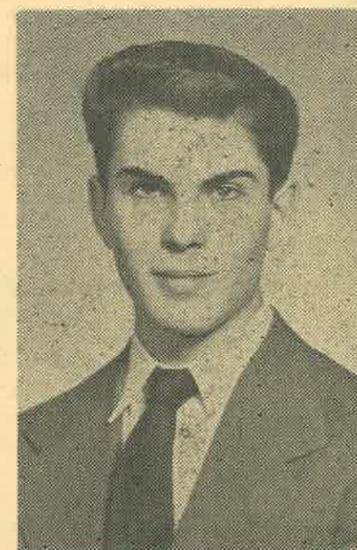

Eugene Edwards, an alumnus of New Ulm high school and member of the class of '47, became the winner of a \$100 scholarship for fire prevention work at the annual conference of the Future Farmers of America at the University Farm. He also won first place on industrial rating in the FFA entomology contest by the state farm staff, for which he was awarded a gold medal.

Eugene was last year's winner of the DeKalb agriculture award for being the most outstanding agriculture student. His record, submitted to the state FFA meeting, won him a State Farmers degree which gives him the distinction of being in the top two percent in the state, only 80 being chosen for leadership, scholarship and farming activities. Final thrill of the entire meet was when he was chosen to play in the FFA band which appeared before Governor Youngdahl and during other convention events.

E. H. Fier, New Ulm high school agriculture instructor, accompanied ten FFA members to the state meet. Delegates were Norman Sauer and LaVerne Schugel. Others who attended were Darwin Mielke, Harold Apitz, Maurieties Reis and Stan Schugel.

One hundred and fifty students representing every state in the union attended the speech institute. Bill is now a senior in New Ulm public high and has also won high speech honors, here, as well as district, regional and state honors.

In the debate tournament at Northwestern, Bill went through without a defeat for his team and in addition won first place and "outstanding" ratings among the debaters in each debate along the way, which brought him out at the end as the only one there to have had first place ratings in each contest.

William Dempsey

## Twelve Instruct In High School; Four in Grades

Sixteen new teachers reported for duty in the New Ulm public school this fall. One is returning after a year's leave of absence. Of the sixteen, twelve will instruct in the junior and senior high school and four will teach in the New Ulm grade schools.

The new instructors this year are the following:

Vocal Music—Lois Anderson, Duluth, graduate Duluth branch University of Minnesota.

Typing and shorthand — Mrs. Katherine Franklin, Hardwick, who will return after a year's leave of absence.

Speech—V. L. Halligan, Blue Earth, graduate Gustavus Adolphus. Foreign language—G. M. Maiquez, Valencia, Spain.

Junior high mathematics—J. A. Moldstad, Minot, N. D., graduate University of Minnesota.

Girls physical education—Ellen Mueller, Arlington, graduate St. Olaf and Gustavus Adolphus.

Modern History—M. G. Ness, Kenyon, graduate Luther college and University of Minnesota.

Home economics sewing—Audrey Olsen, Hutchinson, graduate St. Olaf and University of Minnesota.

Accounting—T. R. Olson, Stevens Point, Wis., graduate Whitewater, Wis., Teachers college.

Art—Mrs. Madge Paro, Faribault, graduate Mankato Teachers college.

Instrumental music—J. F. Strang, Duluth, graduate Duluth branch University of Minnesota.

Junior high English — Dorothy Wark, Faribault, graduate Carleton college and University of Minnesota.

Grades 5 and 6 Lincoln school—Donna Cambell, Zion, Ill., graduate St. Cloud Teachers college.

Kindergarten — Lorraine Kuhlmann, Lester Prairie, graduate Miss Wood's Kindergarten school.

Grades 3 and 4 Washington school—Lucy Rolland, Goodridge [continued on page 4]

## Eight Lyceum Programs to Be Given in NUHS

Variety is the keynote in the selection of the eight Lyceum assembly programs scheduled for this school year.

The Lyceum programs, engaged for us by the University of Minnesota, have been selected for presentation to the junior and senior high school by last year's student council. They have tried to pick programs that would be of interest to everyone.

The following is the list of programs to appear in this year's assemblies:

Friday, Sept. 19, 8:30 A. M.—Emil Liers.

Wednesday, Oct. 1, 11:00 A. M.—Table Tennis

Thursday, Oct. 30, 11:00 A. M.—Jesse-Phillips-Robertson

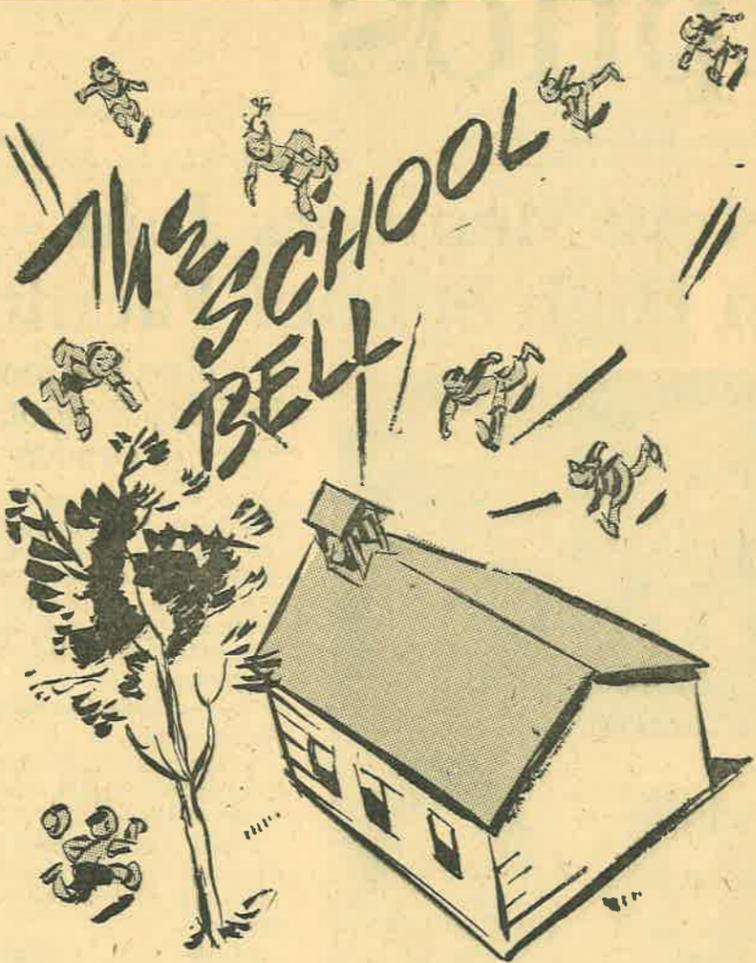

Monday, Nov. 17, 9:00 A. M.—Mason's Circus [grades]

Wednesday, Feb. 4, 11:00 A. M.—Petrie's White Hussars

Friday, March 12, 8:30 A. M.—Southern Serenaders

Monday, April 5, 11:00 A. M.—Geoffrey Morgan

Friday, April 30, 11:00 A. M.—Harry White.

### Take Your Choice

Last year at the close of school, both junior and senior high cooperated with the administration and faculty in adopting a rule which would cut down smoking and drinking in NUHS. The rule was not made to force students to stop these practices, but instead to help them protect their health.

Any student who may wish to do so may continue with smoking or drinking. However, with every privilege granted, a duty is also attached. Anyone who chooses to smoke or drink is obliged to dispense with all extra-curricular activities for the remainder of the school year. In this way, he is receiving the privilege and also fulfilling the connected duty.

Is the privilege of smoking and drinking worth that much?

We are constantly trying to make ours a better school. Therefore, it is up to us to abide by the laws set up not by those above us, but by we, ourselves. So, remember, by not obeying this law you are not out-doing the faculty, but are slapping yourself in the face.

We made the law, now let's see if we can keep it, thus setting a precedent for future classes in NUHS.

After realizing school started in a few days, and the deadline for this column was the next day, we paced the streets and these are the poor persons who dared cross our paths—"Jabber-wacky"

The first unsuspecting victim never dreamed that 17 years after March 6, 1930, she'd be caught in a maze of questions which pried into her personal life. During this period of torture, she gasped the answers. After twisting her arm, roast beef was found to be her favorite food, and as our methods of torture grew more intense, we learned her favorite movie actor was Walter Pidgeon and her favorite song and orchestra were "Sunrise Serenade" by Frankie Carle. Her favorite pastime is and we quote "I love to talk". We found this out for before we realized it, she had talked her way out of any more answers. In case you haven't guessed, the jabber-wacky gal is Patty Harman.

#### "Car-Hop"

The next poor soul was caught between carrying a tray and shouting, "One yellow dog and one root" at a certain roadside stand which brought to mind her favorite food...red dogs and root beer. [Thought you'd be tired of those by this time!] When not listening to Frankie Laine singing, "That's My Desire" or watching Dick Haymes on the screen...you can ask her why she likes him...she drools over a cer-

Well, here we are—back at the same old grind. But it really does seem good to be back in these polished halls. And they really are polished, too...Thanks to the good hard work of the janitors.

During the summer some of our classmates have really gotten in the news. Take Fred Nystrom, for instance. He's really been seeing the world. How does France look to you, Fred? We wish we were in your boots.

And then there were all those gorgeous gals who decorated floats during the celebration. They did a beautiful job, in more ways than one. Even strangers remarked about it, so it appears we're not the only smart ones.

We hope you new teachers find us lots, lots better than any pupils you've had before. We are, you know. We just don't show it all the time. Sincerely, though, we do hope you'll enjoy being in our town and our school.

Love,  
Patty and Mary

tain underclassman. She has light brown hair, brown eyes and her birthday is June 20. If you haven't guessed by now who this senior is, her name is Kathy Kral.

#### "Aquabelle"

The next important person from this school we encountered was a brown haired beauty of 17, born December 12, 1930. Ribs and french fries make her mouth water and Tom Drake makes her drool. Harry James is her favorite band and "Peg O My Heart" will be the song played for her five cents on any juke box. You'll make it a date anytime for swimming, won't you Jean Sahly?

#### "Connie"

An easy way to lose a friend and our first male at that, is to snatch him away from his dream girl who happens to be June Allyson. [Lynn on every other night of the week] Scalloped potatoes and wienies will bring him running, as well as any corny piece by Spike Jones. He is tall, has light brown hair, and his name [to let you in on the big thrill] is Conrad Luebke.

Beware, seniors, this may be all for this time, but in the next 15 issues, we'll be on the prowl and you may be caught under our spell, you lucky people, you!

## Let's Go!

"Gee, I'd like to go out for speech, but if I do, the other fellows will call me a pansy."

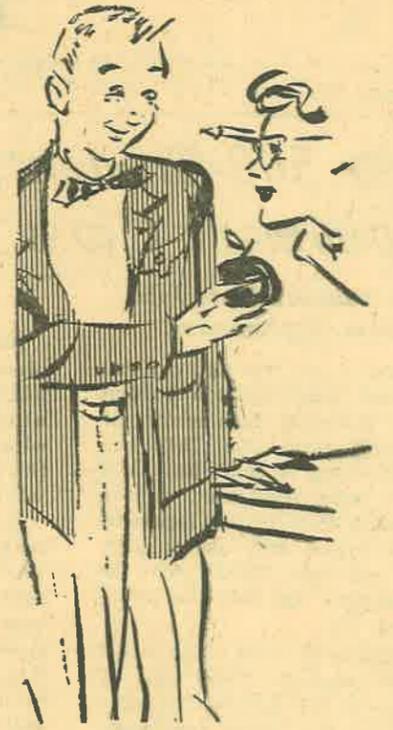

Chances are that's what many of you students are saying to yourself now at the beginning of school. Well, here is something you should know then. The fellows won't think you're pansy for participating in speech or any other activity. The truth of the matter is, they will think you a pansy if you don't participate in extra-curricular activities.

You, each and every one of you, has a hidden talent. Some use it, others don't. For those of you who just sit back and wish you could be on the football squad, you are wasting time. No one ever made a tackle or a touchdown by sitting back.

Let's all go out for at least one activity. Anything you think you would like. With all the talent in all fields in NUHS, we could make this a record-breaking year.

So let's not sit back and watch the other fellow do it. YOU do it! Let's go!

## Study Or Polish Apples?

# Kosek's Korner

### Bouquets to—

Bob Schaefer for the swell job he did during the celebration. Its success was due largely to all the work he put into it!

\* \* \*

The Graphos staff welcomes back all the old students and welcomes all the new ones. We hope you'll enjoy the paper this year as much as you have in the past.

\* \* \*

### Lucky Dogs

Some kids were pretty lucky this summer in that they got an all time thrill out of hearing Jimmy Dorsey play at Mankato. Hear Flip Schulke was doing a big business in collecting his autograph for all the kids who didn't have nerve enough to go up and ask for it.

\* \* \*

### Just Mugging

The Mug did a thriving business this summer due only to the efforts of its good-looking car hops. (all right girls, quit agreeing with me) Hey-Hey Heymann Kathy Kral, Shirley Gratz, Amarilis Kramer to mention a few.

\* \* \*

### QUIRY—

Since Joey read some of your fan mail have her letters improved Benny Siefert? I hear they were quite the thing—The Redwood letters, that is....

\* \* \*

### Hint—

It's strange how lies travel so fast when they haven't a leg to stand on....

\* \* \*

The sophomore girls seem to have made quite an impression at the Roller Rink. Some things can be put to quite a few uses, can't they? The boys were good-looking though Kay and Joanie.

\* \* \*

### Something New—???

Fritz Olson's new car is quite the rage. There's only one thing that he hasn't done yet. He has to figure out how to keep the rain out...It kind of drips in when its misting....

### Blue Ribbon

La Verne Schugel certainly pulled in awards on his cattle at the fair.

It's too bad some lucky girl can't wear them, but the bull won them, so it wouldn't be fair to the bull to give them away, would it?

\* \* \*

Some kids certainly had fun riding the little train at the fair...didn't they... hmmm?

\* \* \*

### Dropped My Watch

Jimmy Heiser was the first casualty of the season for the football team. He hurt his ankle carrying a dummy from a car to the football field...Must be out of practice!!

\* \* \*

### Can You Imagine—

Marv Rempfer going with a girl LaDonna Raepke without Wally Benny Siefert not keeping up his mail correspondence

Delby Altmann not trying to break up couples...Troubles of your own, Delby???? Joanie Bauermeister not at Earl's at least once a day

The kids not meeting at Eibner's Kenny Herzog keeping his mind on his work Kathy Kral in her new grey [gun metal] stockings

\* \* \*

### What's This?

Joanie Bauermeister and Dale Tomaschko seem to be going for afternoon rides instead of morning constitutional. They must like each other's company, or is it the scenery?

\* \* \*

Something old, something new—Conrad Luebke—Lynn Schmucker Curtis Larson—Kathryn Kral Mary Niehoff—PeeWee Pischke Liz Von Bank—Bud Thiede Jeanine Naumann—Flip Schulke Jack Friederich—Maggie Niesen Porky Prokosch—Springfield???? Leland Oren...Pamela York Sandy Sandmann—Shirley Kosek Pat Hartl—Cliff LaPlante Connie Muesing—Chuck Brust

# Tigers Dethrone Eagle Nine As District Champs

**NU Falls to Tigers By 4-2 After Romp Over Franklin Squad**

## Baseball Champs

The Springfield Tigers continued their jinx over New Ulm baseball teams when they eliminated the Eagles from Regional play in the finals of the District, 4-2.

The team romped over Franklin 18-0, in the first game, to qualify for the championship game.

Catcher Hank Eckstein and first baseman Arlo Becker each pounded out three hits apiece to pace the team. Becker hammered out a homer in the second inning. Eckstein laced out two doubles. Denny Roiger also smashed out a round-tripper. His came in the first with Beck on base.

Tommy Hayes, brilliant New Ulm moundman, had no trouble as he threw a no-hit, no-run, shut-out over Franklin.

Hayes had perfect support as the New Ulm batsmen got 14 hits off of Larson, Franklin's pitcher, in the four inning game. Franklin left one man stranded as the three of the four Hayes walked were nipped stealing.

**Championship—Springfield 4, New Ulm 2**

Springfield could get only five infield hits off Hayes, but scored three in the first and one in the fifth. New Ulm scored lone runs in the fourth and fifth.

Becker singled in the fourth. Roiger followed with a bingo, but Becker was caught going into third, on a relay from Wood to Schmidt. Don Kraus's roll-out was followed by Eckstein's single which scored Roiger.

In the sixth New Ulm counted when Don Kraus hit over Wood's head for a four bagger.

Each team got five hits and made no misplays.

Hayes walked five and fanned 11. Jim Staley struck out five and passed two.

Glencoe beat Springfield in the regional. During the summer the Eagles beat Glencoe in an exhibition game, the only defeat Glencoe suffered until it lost in the state tournament finals. Glencoe took second place in the state tournament.

# Eight Games on Schedule for Eagle Gridders

## Sports Review

By Herb Schaper  
 Sports for 1947-48

The outlook for sports for NUHS is not as bright as many hope. Lost to the Football, Basketball and Baseball teams are most of last year's regulars.

When the shrill whistle sounds over the Gridiron, starting the 1947 season, almost a new team will greet the pigskin fans. Backfield losses are Jerry Prahl, Jerry Kraus, Tom Hayes, and Benny Ubl. Line losses number Joe Pivonka, Dale Evans, "Bull" Pfeiffer, Wally Bloedel and Hank Eckstein. The line appears to be the strongest section of the team before practice gets under way.

Coach Joe Harman will find only four members of last year's District 10 team returning. All were reserves. They are Del Altmann, Jim Clay, Chuck Malby and Harlan Bauermeister.

One of the best prospects coming up is giant sophomore, Harlan Sauer. Harlan, in his first year of basketball, made rapid progress. He's coming, like many other candidates, for one of the six vacant spots.

Lost to Hank Nicklasson's great baseball team are seven regulars. Returning are second sacker Jim Clay and left fielder Dennis Roiger. Around these two, Nick will have to build a new team. Pitching will be the biggest problem.

Other sports are a little better off, not being hit too hard by graduation.

## Thirty-five Report To Coach Nicklasson For Initial Practice

New Ulm's grid season opens officially September 12 when the Eagle squad travels to Glencoe. The entire schedule consists of eight games...four on the opposing battlefields and four on the home field. Five of these eight games are South Central Conference frays with the remaining three tilts being exhibition.

The Eagles, under Coach Henry Nicklasson, will start the season with an entirely new squad from the team fielded in 1946. Thirteen of last year's lettermen graduated, leaving only veteran lineman Jack Bloedel to bolster the squad. Lost from last year are backs Ben Ubl, Jerry Kraus, Tom Hayes, Jerry Prahl and Jim Schnobrich, while in the line the squad will be without the services of Rusty Krebs, Bull Pfeiffer, Joe Pivonka, Hank Eckstein, Wally Bloedel, Don Kraus, Art Crum and Dale Evans.

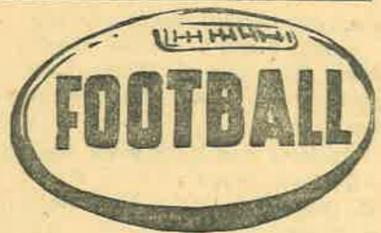

However, a new squad of 35 reserves and new recruits answered the call for first practice held Monday, August 25.

The following are those who reported for the opening drills:

Seniors—Les Kral, Joe Landquist, Arian Reinhart, Al Ganske, Lee Oren, Jack Bloedel, John Freiderichs, Richard Groebner, Bud Thiede, Leopold Traurig, Chuck Malby, Marv Rempfer and Khalil Mansoor.

Juniors—Walter Eckstein, Red Miller, Dennis Nelson, Elmer Roloff, George Glotzbach, Richard Niemann, Marlyn Dallman, Charles Brust, Curt Larson, Robert Lamecker, Jim Prokosch, Harold Wieland and Eugene Sandmann.

Remaining are Richard Wagner, John Kiefer, Raja Mansoor, Ed Metzke, Joe Schobert, Jim Keckeisen, Gordon Schroeder, Joel Tierney, and Jim Dittrich.

Sept. 12	Glencoe	there
Sept. 19	Waseca	there
Sept. 26	Fairmont	here
Oct. 3	Redwood Falls	[Home-coming]
Oct. 10	St. James	there
Oct. 16	St. Peter	there
Oct. 24	Blue Earth	here
Oct. 31	Hutchinson	here

## Skirts in Sports

This summer, some of the girls of New Ulm high school have gotten into the news via the world of sports. These individuals are Mary Green, Kathy Kral, Betsy Bon Bank and some of our last year's graduating class Pat Tierney and Connie Scherer. Betsy, Mary, Pat and Connie made up the girls' golf team under the tutoring of Joe Harman. These girls were to have played with Winthrop and Redwood Falls in the District, but took it automatically when the teams failed to show up. The New Ulm team took the Regional by a forfeit and Connie and Pat, having the best scores of the four girls, went on to the state where they were defeated.

Kathy Kral participated in the Regional tennis tournament, drawing a bye in the first round. Although defeated by the Sanborn entry, she became runner-up in the District, automatic winner in the Regional, because of the other team's failure to show, Kathy was eligible to play in the state contest, but was unable to do so.

I think that probably this is the column in which we should mention the swell work that the twirlers did in the parades this fall. I think that's a "sport" in itself. This year the Twirling club is going to be increased quite a bit. There are a half a dozen girls practicing faithfully on their finger twirls and flams, so that by the time basketball season rolls around, they'll be able to perform with the veteran bunch of majorettes. The regular twirlers will perform for the first time during school on September 26, the first home game, when the Eagle smelt Fairmont at Johnson Field.

[continued from page 1]

graduates Bemidji Teachers college. Grades 3 and 4 Lincoln school—Mary Van Offeren, Maple Lake, graduate St. Cloud Teachers college. Grades 1 and 2 Emerson school—Gertrude Waurich, Lake Forest, Ill., graduate Northern State Teachers college.

Other members of the public school faculty, who have previously been employed in the system and are returning for the next school year include:

Junior high school studies—Mrs. Grace Ewy; agriculture—E. H. Fier; senior social studies—J. A. Harman; English 12—Mary Kayser; wood shop—R. M. Laughlin; librarian—Cecile McLaughlin; mathematics 9—Evelyn Mann; American history—H. W. Nicklasson; orientation and guidance—Alida Nieboer; boys physical education—T. P. Pfaender; science—Orlene Raverty; general science—Liala Sogn; English 10—Alice Steen; metals—G. Y. Tyrrell; English 8 and 11—Jean Treadwell; home economics cooking—Anne Westling; higher mathematics—Laura Wuopio; Grades 1 and 2 Lincoln school—Mrs. Emma Dupere; Grades 1 and 2 Washington school—Irene C. Smith; Grades 5 and 6 Washington school—Mathilda Johnson; Grades 3 and 4 Emerson school—Louise Hensel; Grades 5 and 6 Emerson school—Jeanette Harbo; special class—Dorothy LeDuc; Kindergarten—Mrs. Harry G. Brand; nurse—Miss Cora Bruess.

M. A. Lynott, will again act as principal of the high school.

**Scott in Charge Of Jap Boy Scouts**

Glenn Scott, former instructor of agriculture at New Ulm high school, now stationed in Japan, is finding out that even in Scouting, the world is a small place after all. Recently assigned to take charge of the Saitama Prefecture, with 900 schools under his jurisdiction, one of the first musts on his program is Scouting. Mr. Scott disclosed that a Scouting program functioned in Japan before the war and now one of the needs of the youth of the country is Scout instruction. Importance of Scouting in any country of the world cannot be minimized, he declares, and the opportunity to do something for the children of a strange country where he is now stationed can best be effected through the same kind of activity that has been going on in America for many years.

**Arbes Flies Navy Hellcat During NU Celebration**

New Ulm high graduates can be found all over. This famous alumnus happens to be a graduate of the class of '34. He is Commander James Arbes who brought down a Navy "Hellcat" shipboard fighter plane during the Indian Massacre celebration.

Commander Arbes was given a leave of absence to come to New Ulm during the 85th massacre celebration. He is based at a Navy field near Corpus Christi, Texas.

From Corpus Christi to New Ulm is about 1,000 air miles. The big ship's motor is 2,400 horse-power. Commander Arbes made the trip in six hours from Texas field. He took out an hour at Olathe, Kansas, for refueling.

**Uranium-235!**

**Fred Olson Wins Four Awards In Photo Contests**

Fritz Olson has done it again. This time he was one of the snapshot contest winners in the Minneapolis Sunday Tribune's contest, winning with "Uranium-235", pictured above, "in Class A, Babies and Children". Best of all Fred didn't even leave the house to get his subject. He photographed his little brother, Tommy.

He was a prize winner before in the contest sponsored by the St. Paul Pioneer Press, so it's "old stuff" according to Fritz. These pictures were of Trinity church and one of still life. A second prize award was won for his picture entitled "Belly flop" which is again of his brother Tommy.

Winner of the Tribune prize automatically makes him eligible for the \$25 grand prize in his class, and the grand winners will be entered in the Newspaper National Snapshot Awards, to compete with similar winners from 72 American and three Canadian newspapers. In the contest will be 167 awards, ranging from \$25 to \$1000 and totaling \$10,000.

All of which comes from having a hobby. Fred, who is a senior here in school and chief photographer for the Graphos, has been an amateur photographer for a long time, only now we see that he won't remain in that class for very long. During the celebration he worked as hard as a professional and turned out some fine pictures, many of which are displayed in his father's drug store window. Fritz says that he especially likes to photograph children, as subjects, or anything that just "comes" to his mind, as an unusual subject.

**Over 500 Students**

[continued from page 1]

lost two of its former members, when Frank Huelskamp and Bonnie Hall left New Ulm to live in different towns. Bonnie moved to Dover, Minnesota and will attend school there, and Frank will be a member of the Mankato public high school.

Registration of students entering the New Ulm public school eighth and ninth grades for the first time was Wednesday and Thursday, August 27 and 28, in the high school library. New registrants in the senior high school, as well as those changing their enrollment from last spring, registered Friday, August 29.

**Nick-Nack Notes**

This year with a completely new batch of teachers inhabiting the music department, all of us in any musical organization will have to work just twice as hard as last year, learning new things that each new teacher brings with them. But we surely all join together wishing Mr. Strang and Miss Anderson the best of luck! We certainly hope you'll like it here!

You know, the music department can be very proud of its recent alumni. Take Jeanne Bartl, for instance. I'll bet many of you didn't know that we used to have an opera star in our '45 chorus. Jeanne is now working very hard learning the score for the opera, "A Waltz Dream". She just recently walked away with top honors in the Aquatennial Vocal Contest. Good luck to you too, Jeanne!

We surely were lucky to have another alumnus with us during the Indian Massacre Celebration. What would we have done without Bob Schaefer? You really did a grand job, Bob... thanks a lot.

We visited with Mr. Strang the other day. He seemed quite enthusiastic about the coming year with the music department. In his own words, here is what he has to say about it...

"From the looks of things, the band and orchestra should do well this year. The percentage graduating is not very large and should not affect the strength of the band or orchestra to any great degree.

The band will make its first appearance late in September at the first home game.

I find the personal of the band and orchestra very cooperative and am looking forward to an interesting year."

By **Kathy**

Well, here I am again, you lucky people. Don't take that seriously, but welcome back to our fair four walls for another year of fun, frolic and a little study, of course. There are lots and lots of new fads and fashions that blew in during the scorching summer months to talk about.

One fad that covers dresses, coats, skirts and just about every fem's wardrobe is the new length now a'daze. They're really wearin' 'em long this season and rightly so, I'd say. It gives that sophisticated look some way. So all you slick chicks, get out the measuring stick and fix that hem on last year's number and it will be as good as a '47 model with a new motor.

Have you seen the latest in suits? They're strictly super with their long jackets, and materialed in luscious corduroy shades. Speaking of corduroy, here's a chance to bring the male animals into the picture. They're wearin' them too, this fall, fellas. Yes, sir, brightly colored corduroy jeans. They certainly are the cutest ever.

Jantzen has done it again. That company really is on the ball. This year's campus "musts" just must include one of their new shades. Maroon, deep aqua and fuschia top the list and are they ever honeys!

Among every girl's apparel are certain little knick-knaeks picked up here or there. Some have weaknesses for jewelry, others hats, and some belts. If you're the latter you'll be interested in a brand new style that just appeared in the market. Attached to the belt is a little square purse used to cart your lipstick, comb, and occasional coins around. They really are handy little gadgets.

"Rumors are flying" all you fortunate football players. Yep, I heard Nick is coming across with new uniforms. Oh swell! I know we'll have a team just made to match those flashy jerseys. Good luck team!

So long,  
Kathy Jo
