

# Senior Awards To Be Presented On May 21 In NUHS Auditorium

Awards for scholastic, athletic, and extra-curricular activities will be presented to the senior class on the annual Award night, Friday, May 21, at 8:00 in the auditorium while the underclassmen will receive their awards in the morning.

### Senior Awards

The various awards being presented are for the seniors: the scholarship awards, American Legion medals, Josten medals, L. B. Krook commercial trophy, Eckstein music trophy, Harry G. Dirks and Tante Meyer medals, Bauch and Lamb science award, Stewart public speaking trophy, Vogel Latin trophy, Dallmann wrestling medal, agricultural award, the Eagle bread baking prizes, senior all-activity pins, G.A.A. letters, letters and chevrons for boys' sports, and letters and chevrons in the field of music.

### Underclassmen Awards

The underclassmen awards are the Izaak Walton League award, bread baking awards, agriculture awards, librarian letters, speech awards, Geib-Janni award, G.A.A. letters, junior high boys' sports monograms, and music letters and chevrons.

## Strang Tests Grade Students On Music

The week before Easter, students from grades 5-10 took a music test. Parents of those students who received high scores have received letters from Mr. Strang requesting them to come to a meeting on Wednesday evening May 12, at 7:00. A total of 36 letters have been sent out. The purpose of the meeting is to encourage parents to have their children who show special aptitude for music learn an instrument.

## Gulbrandson's Theme Enters Essay Contest

All the annual copy is now in the hands of the New Ulm Review ready to be printed. The annual, which is featuring a circus theme this year will have a white cover. A sales campaign will begin soon in the homerooms.

Jean Kuelbs and Agnes Dittich have passed the 80 word speed test in Mrs. Franklin's Shorthand I class.

Something new in the form of pins are being ordered for Fri-Le-Ta members for a small charge. According to Germaine Backer, who is sending in the list, thirty-three pins are wanted.

Seniors high students had their eyes and teeth checked during the past month by Miss C. Bruess, school nurse. They also rechecked their health record cards for any additional information.

This was the last time any student could receive those green slips put out by Miss Nieboer. They were issued for outstanding scholastic marks or for an improvement shown in one of the subjects. I hope everybody was lucky enough to get one, but if not that is all the more reason for trying harder next year.

A committee was appointed by Kathy Kral for the purpose of selecting candidates to fill the Fri-Le-Ta positions left open by the graduating seniors.

Laura Gulbrandson, senior, had her theme selected as the one to be sent to the stated in the Conservation Essay Contest which closed May 1.

Marilyn Lehmann, Dorothy Reinhart, and Myrtle Halverson will play cello solos; Anthony Just will play a viola solo.

The accompanists are Miss Lois Anderson and Ruth Groebner.

## Schugel Named Pres. of Dist. F.F.A. Group

La Verne Schugel, 17 year-old New Ulm high school senior was elected president of the southwestern Minnesota agriculture district at the agriculture district speech meet at Tracy Monday evening. This is the crowning honor for the FFA leader, whose high school career has been highlighted with outstanding agriculture achievements. With the honor, Schugel assumes a vice presidency of the state organization with offices in seven other districts in the state. Delegates from 19 schools in the district attended the meet.

The newly elected district president won first place in the New Ulm chapter of FFA public speaking contest which entitled him to represent New Ulm at Tracy. He placed fourth among ten candidates.

## Graduates of 1924 To Hold Reunion In New Ulm May 29

The class of 1923 NUHS's grads of 25 years ago, will hold its class reunion in New Ulm on May 29.

Ralph J. Stewart, who was principal at that time, has been named toastmaster for the banquet which will be held at Turner Hall at 6:30 P.M. Those who will not be able to attend were requested to send pictures of themselves and their families or letters which will be read at the banquet.

Roy Gebhard, New Ulm chairman, and Clarence Roloff, Montevideo, along with various committees have succeeded in reaching every classmate and several teachers. There are 53 students and 11 teachers who have made tentative reservations for the event.

Arrangements have also been made through Superintendent Herrmann for reserved seats for the 1948 commencement exercises.

## New Editors Are Appointed

New editors for next year's "Graphos" are editor-in-chief, Betty Watchke and assistant, Pat Hartl.

Both are juniors and are members of the journalism class. Betty has written many different types of stories for this year's "Graphos" and has written high school news for the Daily Journal. Pat Hartl has also been writing for the high school paper.

Responsible for the final issue, Betty and Pat have started work on the edition.

## Senior Girl Scouts Treat Friends At Flandrau Park

Senior Girl Scouts of Troop II entertained friends at a picnic at Flandrau State Park on May 10.

The lunch was furnished by the girls and the evening was spent dancing and playing games.

Mr. and Mrs. John Gnam and Mr. and Mrs. Howard Schnobrich, Mr. and Mrs. Henry Somsen Jr. and Mrs. Ralph Craigo were chaperons.

This was the last social event on the girl scout calendar for 1948. It concluded a year which was spent working on hospital, library and other community projects.

## School Students Present Styles

Anyone who saw the delightful spring style show on April 20 will agree that Miss Olson, Miss Westling and all the girls did a very fine job.

With large baskets of spring blossoms in the background and while soft music was being played by Ginger Tyyrell, the 9th and 11th grade girls modeled the creations that they had made or had bought for spring. The outfits included cotton frocks, rayon dresses, sundresses, slack suits, blouses and skirts.

Another who deserves credit for the show's success is a lad, Eddie "Paris-bound" Dornack whose hats were displayed by several senior high girls. These original creations are really clever and skilfully made.

## Minneapolis' Humphrey To Deliver Address To Seniors On May 27

Hubert Humphrey, mayor of Minneapolis, will deliver the commencement address to 109 seniors at the 63rd annual commencement exercises May 27. The exercises will be held in the high school auditorium at 8 o'clock.

Pomp and Circumstance by Edward Elgar, Lyric Overture, by Otis Taylor, and March Processional by Marcelli will be presented by the high school orchestra under the direction of John Strang. The mixed chorus, directed by Lois Anderson will sing the Shepherd Psalm by Swift, Hold On! arranged by Howarth and the Prayer Perfect by Stenson.

The class of 1948 will be the first to wear white caps and gowns with purple tassels and the stage will be decorated accordingly with purple and white lilacs.

## Sophs Present Class Play May 19 In Assembly

"Georgie Porgie" has been selected as the sophomore class play to be given on May 19, in the senior high assembly, under the direction of Miss Alice Steen.

It is a brilliantly captivating little comedy, which takes place on New Year's Eve at the Spinnits. The children are going to the hotel dance—all four of them, except fourteen year old Georgie [Dennis Deopere]. Georgie has hates: one of them being "Women" and slush; another being called "Georgie Porgie". Older sister Dorthea [Joan Knutson] has a quarrel with her boy friend sets out to steal Hugh Cameron [Joel Tierney] of the Military Academy, handsome boy friend of Milie [Mary Ellen Sisco.] But Georgie has an ingenious plan which works and Dorthea is foiled. Then Georgie hands older brother Todd [Norbert Swartz] his come-uppance and in the end goes off to the dance with Todd's dress suit and with a brand new girl, Mamie [Loretta Herrick].

Throughout the play Mrs. Spinnit [Gerry Slaybaugh] has to serve as a balance wheel in her bee-hive household and the maid Tessie [Alice Hindermann] is her stolid and reliant assistant.

## What's in a Name? Much Variation In our Faculty

Some years ago Mr. Hoff, who writes a column in the Pioneer Press Dispatch under the pen name of Hawf and Hawf, spoke before the New Ulm Rotary. He punned about having a Krook [Mr. Hilding Krook] in one bank and a Stole [Mr. Stoll] in another bank.

One of those who had heard him, told him afterwards that the former cashier in the other bank was a Buck [Mr. Boock]. Mr. Hoff later wrote in the Pioneer Press that with a Stole in one bank, and a Krook in the other it was no wonder that there was not a Buck left.

### Something Must Be Done

This gave New Ulm rather a bad name so the school board decided to do something about it. They engaged Mr. Herrmann as superintendent. The Spanish class has learned that hermano means brother, and he is very brotherly. They then proceeded to engage Mr. Lynott as principal; and woe be unto you if you try to lie to him. Next they hired a good neighbor [Miss Nieboer] as guidance instructor.

# Big Feets . . . . . On the Seniors

by  
**HEY HEY and JEAN**  
Harry Neisen is this senior's name,  
Blue Baron is his band of fame.  
His ambition is to be a sailor or a barber,  
His favorite food a nice big juicy hamburger.  
For favorite actor, pet peeve, and song he  
says he has none,  
He likes them all—no particular one.  
He was born on February 8th week,  
If you hear any loud noise it'll be his tuba  
squeak.

\* \* \*  
Gerald Christiansen "Christie" to all,  
He's nuts over actress Lauren Bacall.  
The band for him is Mr. Tex Beneke,  
His ambition "to see the world", says he.  
He's another hater of the new look,  
But all hunting he prefers to any book.  
April 11th is the day he was born,  
And hearing "Now is the Hour" keeps him  
from getting forlorn.

\* \* \*  
Jim Heiser is also a lover of Tex Beneke,  
September 8th is this guy's birthday.  
Mr. Olson, says he is his pet peeve,  
His ambition—his diploma to receive.  
Sentimental Journey is his favorite song,  
Chicken made anyway will ring the gong.  
He'll go to any show, June Allyson to see,  
While loafing all day would fit him to a tee.

\* \* \*  
She likes best ribs and french fries,  
And when she can't sleep—her past time—  
she cries.  
Jane Fesenmaier strongly dislikes a certain  
person,  
She has no special ambition for which she  
gave no reason.  
"Baby Face" she does enjoy,  
She's that dark haired senior dish. "Oh,  
Boy!"

## X-Change Wadena Seniors Take City Reins

Wadena High School seniors will govern  
the city on April 30. This is sponsored by  
the Wadena Junior Chamber of Commerce.

\* \* \*  
After the Junior-Senior Prom at  
Crookston high school is over at 12:00,  
the couples will make a tour of some  
of their host's homes, spending an  
hour at each home, and ending with  
breakfast at the senior host's home.

\* \* \*  
"We Shook The Family Tree" was present-  
ed in Lakefield high school on April 30.

\* \* \*  
Marshall high school is going to  
sponsor a dance to encourage people  
to give clothing to send to the needy  
people of Europe. The only admis-  
sion charge will be a bundle of cloth-  
ing.

\* \* \*  
Sad but true;  
I have a car.  
It never skids.  
It never breaks down.  
It never gets a puncture.  
It never gets overheated.  
It never falters on steep hills.  
I wish to goodness I could start it.

around here?"  
New Clerk: "I guess it's the dead letters  
sir."

**Comment:**  
Did you hear the old one about what the  
monkey said when he caught his tail in the  
lawn mower? "It won't be long now."

\* \* \*  
**Shopping:**  
Little Boy: Say, Mister, let me have six  
of those diapers.  
Store Clerk: There you are, Sonny.  
That will be 90c for the diapers and 3c for  
tax.

Little Boy: Don't want no tacks. Me

Slyvia Bassett, another pretty senior, likes  
Wayne King;  
"Sentimental Journey" she does like to sing.  
She is another fan of Van Johnson,  
People who can't make up their minds to her  
are loathsome.  
She likes any food—as long as it pork chops,  
And when she's not busy—for reading she  
stops.

\* \* \*  
Donna Fiemeyer likes Glenn Ford,  
And listening to "Smoke gets in your Eyes"  
she is never bored.  
Her birthday is the twenty-seventh of July,  
When she becomes a teacher on her we can  
rely.  
Insincere people she does not like,  
And when there is a good book around, she's  
never in sight.

\* \* \*  
Love songs of any kind please this senior  
guy.  
When girls are around, he is not very shy.  
Tex Beneke is okay by him,  
Just as is actress Jane Wyman.  
Becoming a millionaire is his most enjoyable  
dream,  
Serve scalloped potatoes to Lloyd Kornmann  
and you're right on the beam.

\* \* \*  
Harold Apitz was born November 24,  
When there's chicken all he does is want  
more.  
His ambition—to travel—we agree with  
that,  
His pet peeve—people who have to get their  
2 cents in on all chit chat.  
"Bye Bye Blackbird" is his favorite song,  
says he,  
And the band for him, like the others, is Tex  
Beneke.

## Library Column

Seems I sort of missed the deadline on  
Graphos copy last issue. But you know how  
it goes. There is something going on all the  
time.

These are some books for you:

1. **Everglade Gold** — Sackett — A  
fascinating story of the son of an oil well  
owner.
2. **Inventors Behind the Inventor**—  
Burlingams—Sketches of the fellows who  
really made some of our great inventions,  
but didn't get credit for them.
3. **Roommates** — Rendina — The con-  
flicting personalities of two girls who were  
put together at school.
4. **Sancho of the Long, Long Thorns**—  
Bosworth—A ranching story.
5. **Fighting Coach** — Scholz — The  
problems of the Midvale coach.
6. **Karen**—Dahl—The story of a Mor-  
wegian emigrant.

Remember, all books and magazines are  
due as of yesterday. I'm sure Mac would  
appreciate it if you would get them in as  
soon as possible. Fines also have to be paid.  
I'm sure you can save that penny or two, by  
postponing that next trip to Eibners.

# . . . . . Chip's Carvings . . . . .

**Rally!**  
Seems like Kenny Herzog found a new  
friend—he likes to tell stories too!

\* \* \*  
**Blue Ribbon At Least!**  
Gordie Larson ought to get a medal.  
He has to put up with the boys every  
night down at the "Maid Rite".

\* \* \*  
**Agreed!**  
The other morning the chemistry class was  
discussing Eddie Dornack's tooth. He has  
one pulled on Sunday and by Monday night  
he'd lost 13 pounds. To which George quip-  
ped: "Gosh, I'd be in the hole if I lost that  
much!" And George, you are so right!

\* \* \*  
**Well!**  
According to the note Bill Dempsey  
got last Monday, someone is trying to  
help him run his love life—the one in  
St. James that is!

\* \* \*  
**Fudin', Fussin', and Fightin'**  
That's what Jeanie Huevelman and Shirley  
Kosek are doing. And it's all for the affec-  
tions of a man-only this one is different—  
he's only six!

\* \* \*  
**Right?**  
Now that the prom's over and every-  
one's had a good time we can settle  
down again to the more important  
things of life—let's see—when did they

**Tuesday—April 28**  
Blue Earth baseball game today. We  
won, too. I tried to make Patty sit with  
me but it seems that she just had to sit be-  
hind the Blue Earth team. I wonder if she  
knows one of the players. Went out to the  
Mug and we found out that we certainly do  
have lots of enemies.

\* \* \*  
**Wednesday—April 28**  
Practice for the Style Revue for the  
gym show. Poor Renee had to wear  
size four shoes. She claims they were  
quite small.

\* \* \*  
**Friday—April 30**  
There was a style show after school. Pat  
Hartl and I and some other girls modeled  
some of Eddie Dornack's hats. They were  
really quite cute. Gym show in the nite.  
Everyone liked the senior girls' number.  
Some of the girls were afraid that the elastic  
was going to break—Namely Myrtle Halver-  
son.

\* \* \*  
**Saturday—May 1**  
Teen Age Dance. The swing band  
played too. You know a boy's voice  
does something for the band. Ben-  
ny's voice did.

\* \* \*  
**Sunday—May 2**  
The band played for the baseball game.  
You should have seen Tony Just picking up  
Patty's peanuts. We moved out to the  
farm, too. In the evening I went to the  
show. There was a guy in the show that  
reminded me of Monte. It was the wolf, of  
course.

\* \* \*  
**Tuesday—May 4**  
Track meet today. We saw two  
scenes from Macbeth in College Prep.  
Oh to be an actress!

\* \* \*  
**Wednesday—May 5**  
Three days until the prom!!

\* \* \*  
**Thursday—May 6**  
Two days until the prom!!

\* \* \*  
**Friday—May 7**  
One day until the prom!

\* \* \*  
**Saturday—May 8**  
The prom!! It was wonderful—food,  
decorations, orchestra and everything!  
The juniors certainly did surprise.  
The formals certainly looked nice.

\* \* \*  
**Sunday—May 9**  
Recuperating!

\* \* \*  
**Monday—May 10**  
School is empty today. Almost  
everyone went to see the Freedom  
Train. I would like to have gone.

say the spring dance was?

\* \* \*  
**Fair Warning!**  
Most of the seniors are walking around  
snickering—guess it's because they know  
what's in store for you underclassmen on  
'Skip Day'. So don't forget your scout  
motto children and "Be Prepared".

\* \* \*  
Seeing as how this is my last con-  
tribution to this fair paper I have  
written a poem.

To You  
This year I was a senior,  
[It took me four you know]  
And I've absorbed all knowledge,  
This school has got to show.

\* \* \*  
I studied, wrote, and wasted time,  
I played a little too,  
So now the time has come to say,  
As a senior, you are through.

\* \* \*  
It grieves me,  
For I hate to think of leaving things  
behind;  
But then I think of things to come,  
And really, I don't mind.

\* \* \*  
So I'll simply say to all  
[And teacher's you're included]  
Thanks to all  
Both big and small—  
And that leaves no one excluded.

## What Is The Point?

Somehow, somewhere along the line the  
people who made up the point system of New  
Ulm high school got off the beaten track. Why  
should some kids who work for four years in an  
extra-curricular activity not get enough points  
to earn a letter? And yet others can partici-  
pate in a different activity for one year and  
earn a letter. Then again, there is the case of  
a person who can accumulate enough points to  
earn not one but maybe three different letters  
in different fields. What is this person going  
to do with three letters?

Maybe we should have, as one New  
Ulm high teacher pointed out—"Letters  
awarded just for athletics and only to  
those who placed first in a meet or made  
the first team." This would give the  
fellows an incentive to go out and really  
work to make the team. The other  
fields such as music, speech, publica-  
tions, etc.—pins or other medals of  
achievement could be awarded. This  
should eliminate the doubling up of  
letters and they would not become the  
common, unglorified things they are to-  
day.

Perhaps, in the future, something better can  
be worked out and we can really feel proud  
when we see or wear a NU. Then we can say,  
"Sure—I've got a letter—but believe me, I  
earned it!"

## Back To Nature

On April twenty-sixth Miss Raverty's fu-  
ture biologists went on their long awaited  
field trip. Miss Raverty graciously offered  
to take the lunches out but few accepted  
since they planned to use them for keeping  
up their energy.

The old K. C. Park yielded twenty-  
three different kinds of flowers. The  
class is to be applauded since this is  
the greatest number ever found on  
the single field trip.

It seems that Joel Tierney got a little over  
enthusiastic in his flower hunting and ripped  
the back of his pants. However, he was  
lucky enough to have a jacket that could be  
used to cover up the damage.

Margaret Stoll and Julie Paro arrived  
on the scene at three o'clock. They  
got as far as the Y, east of town, be-  
fore some kind person told them they  
were going the wrong way.

Since the trip was such a great success, the  
class hopes to talk the school board into let-  
ting them have all classes outside.

## As I Was Going

### Down the Main Hall I Saw and Heard

Going down the "Main Hall" the first per-  
son we bumped into was Marvin Martens  
who just returned home from Japan. The  
only comment he had to make was that the  
girls back here all were either married or en-  
gaged. [That happens you know]

\* \* \*  
Now that the seniors have their call-  
ing cards they're finally finding out  
whose who in the Class of '48.

\* \* \*  
No doubt everyone noticed "Baumy's"  
limp on Friday. Guess that will teach him  
to move faster—especially when Brewer Nick  
is doing the batting.

\* \* \*  
Forty-nine students were so anxious  
to get out of a day at school Monday  
that they willingly paid a buck to go  
to Willmar to see the "Freedom  
Train."

\* \* \*  
Guess everyone is wondering how  
Donna Roberts' picture turned out.  
She had it taken at the Prom you know!

# Eagles Drop Lamberton In District Ten Tussle

## Cox Stars for New Ulm; Allows 4 Hits, Fans 12

Continuing his fine pitching, Bob Cox hurled New Ulm to a first round District ten baseball game over Lamberton 2-0, on May 5. Cox gave up four hits and struck out 12.

New Ulm held a 1-0 lead on a single, infield out, and a Lamberton error. Cox never was too deep in trouble, as he whiffed opposing batsmen in the pinches. New Ulm scored again in the sixth, when Cox was hit by a pitch, stole second, went to third on a wild pitch and scampered home on third baseman LaVerne Schugel's double to right.

# NU Cindermen Place First In Two Meets

New Ulm high's cinder team has entered five meets and have come out victorious in two.

The Eagles entered in three tough meets. Eagle thin-clads failed to score in the Mankato Indian Relays, but scored six at Blue Earth, and one at St. Johns.

### Squad Takes First

Coach Harman's squad bested Springfield, Mt. Lake and Gaylord in a quadrangular meet at Springfield by scoring 83 points. St. Peter fell before the trackmen in a dual meet on Johnson field by a 63-30 score.

Other meets still on the list are the South Central, District, Regional and a Sophomore-Varsity meet here with St. James.

## Sports Review

### Clay Shines On Base Paths, At Platter

by Herb Schaper

What couldn't have been—is. What could have been—is not.

For had diminutive Bobby Bowman not stayed out for track he could not have broken the school record in the half mile. Bob had a notion to drop track, but lucky for him and for the school he didn't as he found fame at Springfield.

When he asked how he felt about holding the school title, the 120-pound junior replied, "Oh! pretty good, I guess. Must have been the quarter pie I et." About future chances the five foot six inch flash said, "If I feel as good as I felt then, I'll be all right. Maybe I could have put on more speed. I wasn't tired a bit," asserted the proud possessor of the record.

Up at the Lamberton game Jim Clay has quite a reputation for reaching base safely. The Eagle shortstop had reached first base safely 11 out of the 16 official times he had batted. Besides getting on base he can hit the horsehide.

It looks like New Ulm won't have pitcher trouble. Since Bob Cox has taken over the pitching assignment, the Eagles have won two games and are playing better ball. Cox started the season as "Hank" Nicklasson's regular receiver. With his change to the mound, Eddie Metzen, sophomore, has the catching duties.

# Eagle Track Team Wins Two Of Five Meets

NEW ULM HIGH school's track and field team stopped drill on Johnson field long enough to have a squad picture taken by Fred Olson. Pictured, bottom row, reading left to right are Fred Arndt, James Gasner, Arlon Schmid, Roland Olson, Tad Pirmantgen, and Wilmer

Isacson. Middle row, left to right, are Roland Hoffmann, Joel Tierney, Richard Wagner, Ed Metzen, Gerald Weise, Raja Mansoor, Gordon Schroeder, Bob Schmidt, Norbert Schwartz, Raymond Wolf, and Charles Gerland. Top row, left to

right, Coach Joe Harman, Marv Rempfer, Khalil Mansoor, Richard Groebner, Denny Nelson, Walden Thiede, Charles Malby, Fred Nyström, Curtis Larson, Virgil Herrick, and Manager George Gltzbach.

## St. Pete Shuts Out Eagles By 3-0 Score In Conference Tilt

St. Peter's baseball team defeated the Eagles 3-0 behind the steady pitching of Russ Gustafson on Johnson field, Monday afternoon, May 3.

Each team collected five hits, but three miscues by the Eagles aided the Saints in collecting three runs.

Russ Gustafson, St. Peter's star southpaw pitch, has won four straight this year and is leading his team to the South Central Conference title.

Bob Cox, the Eagles' pitcher, catcher, has been doing some fine pitching and has a one and one record. He defeated Fairmont 12-6 when he pitched his first game. He has allowed 10 hits and has struck out 19 in his two games.

## Fairmont Falls To N U 12-6

Backing up Bob Cox's five hit pitching with a 15 base hit barrage, New Ulm high tumbled Fairmont 12-6 in a South Central game to register their first win of the season, on April 29.

### Cox Fans Ten

Cox paced his teammates at the plate besides striking out 10 on the hill, with a single, double, and triple. Donie Boelter walked and singled three times for a perfect afternoon.

### Gives 1-1 Record

The win gave New Ulm a 1-1 record in Conference play. The Eagles had to come from behind to win as Fairmont scored two in the first, the Eagles tied it up and the Cardinals forged into a one run lead. Once more New Ulm knotted the score and then blasted out eight hits for seven runs in the fourth and fifth innings.

## G.A.A. Girls in Gym Start Archery. Soft Ball

Miss Mueller said the plans for our G.A.A. hike will be carried over till May 17, next Monday. It rained last week so we weren't able to go. We decided it would be better to have the hike on the last G.A.A. night of the year, so we can give all the senior members, the "48 graduates" a good send-off.

Now that the gym show is over, Miss Mueller is starting the classes on their new units in gym. The seniors are having archery, and the juniors are playing softball. One division of the sophs is having softball while the other has tennis. The junior high girls also are starting the fundamentals of softball.

Congrats! Miss Mueller for the find job you did on the gym show. Everyone enjoyed it, 'cause it was tops!

Notice: Because of the short time left for school—Miss Mueller will hold her tennis classes every Thursday after school. All girls who are in senior high and are interested, be sure and bring your tennis rackets and be there at 4 o'clock.

## Notes In The News Five Seniors To Direct Band

by Elaine Siemering

### Award Night

Student directors of the outdoor band concert will be Pat Harman, Bill Dempsey, Floyd Kornmann, Myrtle Halverson and Norman Sauer.

\* \* \*

### Swing Band

The final teen-age dance was held at the armory on the first. The swing band played and the singers, Mary Herrmann and Pat Harman received much applause. We can't forget crooner Benny Seifert who made everybody swoon when he sang "The Stars Will Remember".

\* \* \*

### Who didn't

The other day Mr. Strang was called out of orchestra rehearsal and so he told Floyd Kornmann to be the director. Oh, brother, how they revised that "Processional March" into a swing tune!! But, in the middle of the fun Mr. Strang came back. [Result—100 points deducted from a few members!!]

\* \* \*

### String Recital

May 11 will be the string recital. Many solos are being practiced now. It's too bad more solos can't be played, but there are so many activities going on right now.

## What's In A Name?

(Continued From Page 1)

A number of us students thought that when Mr. Sutherland decided to change his course and go east to GAC the speech class would suffer, but so so. This year we have had speech in the halls, in the classroom, and out in the hall again [Mr. Halligan].

### Two Swedes

They didn't neglect the Scandinavians in hiring both a son and a daughter of Ole. [Miss Olson and Mr. Olson]

The board even provided whoopie for dull moments. [Miss Wuopio]

Some of the Agricultural students used to get a little unruly at times and it was necessary to put a little fear into them. [Mr. Fier].

So as not to slip on the stairways, they have instigated the use of good treads [Miss Treadwell].

### Harmony in Football

For complete harmony on the football field they have retained Mr. Harman as coach. If the baseball players get rough, they are immediately nicked by Mr. Nicklason.

New Ulm high school has always been noted for its music. We even have a song in the science class. [Miss Sogn]

To put algebra on a manly basis, Miss Mann was hired.

Spanish has always been known as a hard subject to master, but not so any more. It is being taught by one with an Irish name, not Pat, but Mike [Mr. Maiquez], and has he ever got a lovely blarney.

### Webster Consulted

Last but not least, I couldn't think of what to say about Mrs. Paro so I finally consulted Webster's Dictionary and found the very thing that I have been trying to do—paronomasia. By adding nomasia to Paro we have the definition as follows: A play upon words; punning; a pun; using words of similar sounds in opposition to each other.

## Home Ec Time To Clean Up The Kitchen

Have any of you ever gone on a few months' vacation? Do you know of all the things that have to be attended to before you leave? Many of you may think all you need to do is to pack up and leave, but that's only part of it.

**Some of the things that are being done in the home ec kitchens are only a few of the things that need attention.**

This week the annual housecleaning began. A few of the things that will have to be done are cleaning ovens, drawers, refrigerators, shelves, and rugs.

Everything must be spic and span before leaving. We must remember when we move out the bugs and ants will want to move in.

**Last week was the last week of laboratory work. On Tuesday the seniors baked Alaska, and was it ever good and oh—so filling. On Thursday they made a dinner. The sophomores also made a meal last week. Did those scales ever show an increase in pounds!**

The seventh and eighth graders did a bit of judging last week. They made cup cakes one day and judged them the next.

**Girls, guess what!—the boys have been hemming dish towels. This week they will have some out-door cooking—ah!! Mr. Higgs, an insurance agent, plans on talking to the boys too.**

The freshman are talking about grooming. The juniors talked about grooming too, and also on china, silverware, glass and linen.

### After thought

The big affair is over for another year, but wasn't it wonderful? Everyone and everything from food to decorations was perfection. Didja' notice how many of the dresses were appropriate for the theme? It was truly a quaint prom. Many thanks to the class of '49.

There was a big debate among the Senior girls concerning a major event which is about to "come-off" which went? Graduation, of course. What was the debate? Shoes, the only article of clothing that shows that will be different from the other 108 grads. Some are wearing flats, some heels; some want gold, green, purple, but most want white. It's just a matter of opinion; but one thing is sure—the female population of the class of '48 will present a large variety of footwear come May 27.

### Spring Hemlines

Dropped hem-lines were a must in cottons this spring. The poor lassie whose skirts had only a small hem was just out of luck but there is a solution. Adorn the edge of the skirt with two inch white eyelet. It not only lengthens but also improves the appearance of those summer frocks.

### Au Revoir

Since this is the last issue that we poor unfortunate seniors will have anything to say about, I bid you "Au Revoir" and hope you all have a very successful year's end and next.

Good luck, successor,  
Kathy

## Save Your Money By Buying Bonds

For as little as \$18.75 you can buy a ticket for a ride along the straightest, safest investment road in the world. Best of all, you can redeem your ticket for \$25.00 when you arrive at the end of your ten year's journey. The ticket is a Series E Savings Bond. Your destination—Security.

**When we buy United States Savings Bonds, we are having security. Money is at all times necessary to provide not only the essentials of life but also the desirable things that**

make life a wholesome and glorious experience. Increased investment in Saving Bonds will also help combat inflation by reducing the amount of money in competition for goods.

Many schools set aside one day in the week for Stamp Day on which students and teachers bring money for stamps which go toward a United States Savings Bond. In many schools it means that the guidance in money management that teachers have been giving during lessons in arithmetic, social studies, and home economics is translated into action by their pupils. But more than this, they are investing in a secure future.

America's security is your security.
