

## Awards In Six Fields To Go To Underclasses

Underclassmen will receive awards in six different fields during assembly on Friday, May 27, at 11 o'clock.

The Stewart Public Speaking Trophy will be awarded to a boy or girl for his improvement and excellence in speaking. A boy or girl will be awarded the Vogel Debate trophy for his improvement and excellence in debate.

A boy who has done outstanding work in industrial arts will be awarded the Geib-Janni trophy.

The 10 home economics students who were winners in the bread baking contest this spring will receive Eagle bread baking service from the Eagle Roller Mill.

### Wrestling Medal

Dallmann Wrestling awards in the form of medals will be given to the most outstanding wrestler and to the wrestlers who have made the most progress during the year—one in junior high and one in senior high.

Typing pins will be given to those students who successfully type 50 words a minute on a five-minute writing. Shorthand students will receive a pin by writing 100-120 words a minute on a five-minute dictation, if transcribed with 95% accuracy.

Some of these awards can go to seniors as well as underclassmen.

## Mary Lee Wilson Wins College Scholarship; 5915 Seniors Entered

Mary Lee Wilson, 16, New Ulm Public High School senior, has won a college scholarship of \$300 in a national scholarship competition held by the National Association of Secondary - School Principals, Washington, D. C., it was announced recently by M. A. Lynott, Principal. This scholarship was won in a competition of 5915 selected high-ranking students. — all seniors.

The scholarship winner is the daughter of Rev. and Mrs. M. L. Wilson, 620 Third St., N. She plans to enter Taylor University, Upland, Indiana, in September. At New Ulm High School she was active in speech and dramatics, music and journalism, being on the staff of both the school paper and yearbook. She has won a spelling medal and placed third in the district in the American Legion oratory contest.

Taking off for destinations unknown in Flip's hot rod are the graduating members of the Graphos staff. Pictured above are: Bette Crone, Pete Lindemann, Anita Rockvam, Betty Watchke, Pat Hartl, Herb Schaper, Viva Timm, Marlys Swanson, Flip Schulke, Corinne Olson and Iris Wagner.

## Soph Richard Wagner Selected to Attend Northwestern In July

Richard Wagner has reached the goal of being selected to attend the five-week summer session of the Northwestern University high school speech institute at Evanston, Illinois, beginning July 4.

Out of over 3,000 applicants from all over the nation, 112 were accepted for the three divisions of the institute—debate, drama, and radio. Richard was one of the two Minnesota students accepted, and is first in line for a scholarship in case of a vacancy.

## Home Ec. Girls Model At Style Show, April 29

Gay colors and styles were displayed by Audrey Olson's home economics classes at the style show on April 29 at 8:00 p. m. The garden scene setting with rustic benches and flower pots and the background music by Virginia Tyrrell created an atmosphere of spring.

Pert cotton dresses were modeled by the ninth graders. These ranged from dressy ones to ones for school and play.

### Private Instruction

The debate students will study under college professors from all over the nation. They will receive private instruction and criticism in debate technique, discussion, extemporaneous speaking, original oratory, and public speaking technique.

A typical day, Monday through Friday, will be getting up at 7:30, breakfast at 8:00 and morning classes from 9:00 to 12:00. After the noon hour, 12:00 to 1:30, is public speaking, and a laboratory period consisting of lectures on various pertinent subjects is planned from 2:30 to 4:00. The students will have a free period from 4:30 to 6:00, and a study period from 7:00 to 9:00 after dinner. Lights will be out at 10:00.

Many tours through points of interest in Chicago have been planned for Saturdays and Sundays, and the remaining time will be used for recreation. There will also be numerous social events, including several formal parties.

Pajamas and play clothes were displayed by the 7th and 8th graders. Sundresses, shorts, skirts and halters were all shown in bright colors.

### Seniors Projects

The twelfth grade girls modeled rayon dresses and wool suits; Mary Niehoff, Anita Rockvam, Delores Gag, Bette Crone and Alice Hippert modeled taffeta outfits and Elaine Bianchi made an aqua taffeta formal. Fern and Florine Johnson and Irma Jean Schmidt sewed wool suits and eyelet dresses were made by Joyce Bassett, Norma Melharek, and Alice Nichols.

## Two Days Set For State, Local Examinations

State board and local examinations will be given on Tuesday, May 31 and Wednesday, June 1. Because of Memorial day, there will only be two days for exams.

Typing, art, music, orientation, journalism and shop exams will be given during the last class period. NO pupil can be excused until one hour has elapsed. Mimeographed copies of schedule will be issued to each pupil, thus there will be no excuse for coming on the wrong day for an examination.

## Graduation Events

Events of commencement week will begin with the senior sermon Sunday evening, May 29 at 8 o'clock.

All seniors who wish to attend are to meet in the basement of Friedens Lutheran church where they will march in together.

Rev. M. Lee Wilson will be the speaker at the services. All seniors and seniors parents are invited.

The seniors will wear their caps and gowns.

June 2, at 8 o'clock commencement exercises will begin in the high school auditorium. Dr. Granskau of St. Olaf will be the speaker.

It is believed Mr. Groebner will present the diplomas.

There will be recessional and processional music when the 108 seniors enter and leave.

## Skip Day Plans Underway; School Dance In Evening

Plans for the senior Skip Day, May 20, are being formulated by the members of the various committees of the class.

An assembly program at 11:15 will be given by the members of the program committee. There will be three divisions based on the Centennial years—1849, 1949, and 2049.

The swing band will play for the all-school dance beginning at 8:00 that evening in the big gym.

## Senior Awards Will Be Given Friday, May 27

The seniors of New Ulm high school will receive the various senior awards on award night, Friday, May 27, at 8:00, in the high school auditorium.

Preceding the presentation of awards, the N.U.H.S. concert band will give a program of numbers conducted by five senior music students—Richard Niemann, Marlys Swanson, Arlyn Reinhart, Iris Wagner and Ruth Groebner.

### Awards Given

The honors that will be awarded this year are as follows: the Eckstein Music Trophy, awarded to a senior boy or girl for outstanding musicianship, dependability, versatility and industry through his senior high career; the American Legion Award, to one senior boy and one senior girl selected by the faculty on the basis of 40% citizenship, 40% extra-curricular and 20% scholarship; the Josten Senior Award by the principal's office to one senior boy and one senior girl having earned the greatest number of honor points during their attendance in Senior high school; the Agriculture Award, to the outstanding senior agriculture student who has belonged [continued on page 4]

## Last Meet of Camera Club In May; Hope For More Fans Next Year

Mr. Tyrrell's camera club has had about six meetings all year. Mr. Tyrrell hopes that more students will attend next year, as photography is something that can mean a lifelong career or an interesting hobby.

The students have taken pictures and have developed them. They have studied printing pictures and learned the parts of the camera. They learned the use of lens openings and shutter speeds and also have analyzed the faults of moving the camera. Every meeting, slides showing the effects of pictures made through the use of colored films are furnished by the Eastman Kodak Company.

Mr. Tyrrell would like to see more students out for the club next year, and wishes that it would be possible to have a regularly scheduled period for camera work.

On May 20, Mr. Tyrrell's club will meet for the last time. He hopes everyone interested and who has joined the club, will be present.

## By Connie and Marilyn

The joys and trials of high school girls in a small town come to life in Helen Sattley's understanding and constructive story, "The Young Barbarians." Find out how Barbara's new stepmother, Ann, finally learned to understand the behavior of teen-agers. You'll like to know what happened when Barbara's special friend, Ed, turned to other girls, and how she solved the problem of finding a useful job.

When Mrs. Baxter receives a box containing a bridal veil and a note announcing that her niece and twenty relatives will arrive in June for a wedding, she is certainly surprised, for she has neither a niece nor twenty relatives. However, the relatives do arrive, but without the bride. It is then discovered that she has been kidnapped! Be sure to unravel this mystery with the Baxter teen-agers by reading "The Veiled Mystery" by Dixie Wilson.

"Three to Make Ready" by Turlington tells of the adventures of three teen-agers. Whether it's a question of the new look ["Everybody's wearing strapless formals"] or a question of getting the 'phone free from the teen-agers ["Don't you want us to be popular?"] these three girls have all the answers. You can't miss reading this book, for you'll see yourself on every page.

This is all for the Bookworm this year. We hope you've taken a few of the suggestions and read a few of the many swell books in our library.

So until next year, "Auf Wiedersehen."

## Ex-change

A Lesson In English:

You see a beautiful girl walking down the street.

You walk across the street, changing to verbal, and then become dative.

If she is not objective, you become plural—you walk home together.

Her brother is an indefinite article, and her mother is accusative and becomes imperative.

You talk about the future, and she changes the subject.

Her father becomes present, and you become past.

Since this is the last issue we are putting out, we would like to take this opportunity to say "Farewell" to the school faculty and the graduating seniors.

The four years of high school have almost been completed and we will start on our journey into life. Whether it be college, marriage or some trade, do your best and above all be contented.

We, the editors and members of the staff, have enjoyed working on the Graphos and are grateful for the experience it provided. To next year's editor, Mary Jane Schmidt, we wish the best of luck and success.

# Schools and Colleges Senior Favorites According to Survey

In a recent survey taken to see what the future plans of the class of '49 are it was found that attendance at Liberal Art Colleges and Universities predominated with 29. The next choice for the future was clerking with 10 Trade schools had nine, while eight girls were heading for secretarial work. Business colleges were also a favorite and were chosen by seven. Beauty, farming and "just work" seemed to attract four apiece among these 49'ers.

In every class there are the "undecided" which took five off this list. Taking two each are nursing, art schools, telephone operators and mechanics. There were one each that chose modeling, medical technology, optical business, cabinet building, pastors and truck driving. Then we have the Navy and marriage careers which take their toll every year. This year there are three for the navy and four for wedded life.

### Pesty Pete

To become an officer in the marine corps is Pete Lindemann's ambition. He was born January 10, 1930 and dislikes social very much. His pet peeve are the girls in the journalism class.

### Cute Stuff

This brown haired, blue eyed girl's ambition is to go to California to see the sights. She was born July 24, 1931 and dislikes the people who make up her mind for her. Margie Neisen's pet peeve is Verna Stolt.

### Robie

To eat french fries and ribs and go boat riding keeps Robie happy; but women who ask to many questions just don't agree with him. He was born August 2, 1930, and would like to live an average life. His ambition is to make 8 feet in the pole vault—Good Luck Robie Lamecker!!!

### Tootie

Anita Rockvam, who was born May 13, 1931, intends to go to Mankato beauty culture school after graduation. To go bowling and dancing with Fawn Henderson, her pet peeve, is a great enjoyment. The men from Hanska and the University of Minnesota rate high with her!

### Kenny

To become a good farmer is Ken Gleisner's ambition. His pet peeve is stuck up people and social class. He was born September 14, 1931.

### Writer

"Boys in general" seem to be this girl's gripe. She was born March 10, 1931, and grew up with the wonderful talent of writing, which is her real ambition—to write some best sellers to put her favorite town, Searles, on the map. Arlyn Reinhart would also like to become a math teacher.

### Hercules

When Charlie Brust was asked what he thought of girls in N.U.H.S. he came back with a "No Comment!" [but we know better.] His pet peeve is how our school is run; but to sit down and play the piano keeps him happy. He was born March 8, 1931 and would some day like to become a millionaire. [Wouldn't we all????]

## We Seniors by Marianne and Ethel

### Quiet Gal

This shy, tall, dark girl dislikes conceited people. Bonita Zins was born January 25, 1931.

### Penny

Collecting hummel figurines made in Germany is Alice Nichols hobby. She was born August 13, 1931 and likes to go traveling. Her pet peeve is Verna Stolt's squeaky desk in social class. She loves to dance to Jerry Dostals orchestra [wonder why?] To her notion the kids in N.U.H.S. are rather friendly.

### Just Carol

Carol Current's hobby seems to be writing letters. Aggie and Curt's "gimmies" in college prep are very irritating to her. She was born August 5, 1931.

### Norma

Norma Malharek likes to tease Shirley Toupol. Her ambition is to graduate from N.U.H.S. so she won't have to put up with some of the teachers in school. July 10, 1931, was the big day for the Malharek family. Norma doesn't think New Ulm boys are "so hot".

### Jive King

It seems that girls on the whole are okay to Leland Johnson but one from the General Hospital in Minneapolis tops his list! He was born February 11, 1931, and grew up to hate farming; but enjoys dancing.

# SPORTS AT NUHS

## Baseball, Golf, Track Teams Participate In Games, Meets

Spring sports at New Ulm high school swung into high gear this month as the baseball, track, and golf teams entered meets and played games.

Vern Zahn's baseball team won three and lost two at this writing by beating Gaylord 5-3, Blue Earth 6-0 and Fairfax 14-2. Losses come at the hands of St. Peter 18-4 and St. James 3-2.

### Baseball Scheid Registers Season Opening Win Over Gaylord

Hank Scheid twirled the Eagles to a 5-3 opening win against Gaylord as the New Ulm club took a step toward the semi-finals of the District tournament.

Scheid allowed four hits while striking out 12, but teammates could collect only four off the Gaybee pitcher.

Gaylord scored first, but New Ulm knotted the score, went ahead and fought off a lastinning rally to register the win.

The track squad won one of the three meets entered in. Team won the triangular with St. Peter and Waseca, but lost a duel with Fairmont and scored seven points in the Blue Earth invitational meet. John Molstad's golf foursome split in two matches so far.

### Track Charles Brust, Robert Bowman Set New Marks

Charles Brust and Bob Bowman set school records in the discus and 880 events when the Eagle thin-clads rolled up 163 points to beat Waseca [126 1-2] and St. Peter [125 1-2] in a triangular held here on April 27.

Brust threw the discus 134 feet 10 inches to crack Delmar Schapekahn's heave of 122' 5". Bowman clipped 4.8 seconds from his old mark of 2:19.6 set last year.

New Ulm won first in the pole vault, broad jump, high jump, shot put, 200 yard low hurdles and the 880 yard relay.

### Lose First . . . Golf Team Hurt By Inexperience

The Eagle golf team lost its opening game to Fairmont on April 30. The Fairmont team consists of all regulars back from last year's district runnerups. This proved too much for the inexperienced Eagle links team, and the game ended with the Fairmont team on top, 10 1-2 to 1 1-2.

Sanfield Dittbenner and Billy Fenske got points for the Eagles. Billy Bierbaum and Hugh Sweetman rounded out the squad.

#### Team members

Other regulars composing this year's team are: DeWayne Hayes, Richard Siefert, Richard Niemann, and Rolly Olson.

The schedule for the remaining season is as follows: Hutchinson here, May 7; Fairmont there, May 14; Hutchinson there, May 21; and the conference meet will be held on May 28.

There are no girls' competition this year, but there are four girls out. They are Ginger Tyrrell, Connie Muesing, Renee Reim, and Dianne Anglemeyer.

### New Ulm Takes Ninth At Big Blue Earth Meet

New Ulm finished in ninth place with seven points in the Blue Earth Invitational meet won by St. James April 30.

Charles Brust got third in the discus, Harlon Sauer fourth in the high hurdles, and Dennis Nelson took fourth in the high jump.

### Eagle Thin-Clads Lose To Fairmont Tracksters

Fairmont high school defeated the Eagle tracksters on May 6 at Johnson field 152 1-2 to 110 1-2.

The Cardinals outscored the Eagles in every event, but the 880 yard run.

Charles Brust got a first in the discus, Jerry Dallman in the pole vault, Harlon Sauer took the high jump and Bob Bowman registered a win in the 880.

### Eagles Blast Out 14-2 Decision Over Fairfax in District

New Ulm came back from their pasting at St. Peter to register their second district win with a fourteen to two victory over Fairfax.

Wally Eckstein hurled for the Eagles, scattering five hits and allowing only two runs, both unearned. Harlan Bauermeister singled twice for the winners.

The Eagles scored six times in the first inning and added eight more runs throughout the game. It was Eckstein's second win against no losses.

## Track and Baseball Teams

Left to right back row: J. Dittrich, R. Mansoor, J. Tierney, D. Nelson, F. Nystrom, T. Pirmantgen, E. Fenske, G. Hewitt, J. Dallmann. Second Row: P. Marquardt, R. Lamecker, B. Bowman, G. Schroeder, R. Wagner, D. Bloedel, N. Schwartz, F. Buggert, R. Schmidt. Front row: K. Biser, Peterson, V. Walden, J. Gasner, R. Wolf, F. Stolt.

First row; left to right: Harold Wieland, Donald Boelter, Jerry Harman, Herb Schaper, Mike Pollei, Eddie Metzen. Top row: Curtis Larson, Wally Wellmann, Harlan Bauermeister, Connie Schmidt, Wally Eckstein, Henry Scheid, Coach Vernon Zahn. Two members, James Hoffmann and Leo Dittrich were not present when picture was taken.

### New Ulm Wins No-Hitter, Lose Two Games In South Central

#### Boelter, Escksein Hurl 6 to 0 Blue Earth Win Blue Earth

Don Boelter and Wally Eckstein combined to throw a 6-0 no-hit, no-run game over Blue Earth in the South Central conference game.

Eckstein pitched four and a third innings before walking the bases full and Boelter game in to retire the side and goose-egg Blue Earth the rest of the way.

New Ulm picked up six hits off the left handed slants of Bill Colby. New Ulm had one error afield. Herb Schaper singled twice.

#### St. Peter

St. Peter went on a scoring rampage to drub the high school baseball team 18-4 in a game played at St. Peter. Loss was the first in the conference and the first of the season for the Eagles.

Hank Scheid started for New Ulm, but went out in the third inning with New Ulm trailing 5-3. St. Peter picked up the rest of the 15 hits and 18 runs off Don Boelter and Wally Wellman.

Don Boelter hit safely three out of four trips to the plate. The Eagles had their worst fielding day, but only accounted for three "pure" errors.

#### St. James

St. James handed New Ulm its second conference defeat with a 3-2 verdict at Johnson field, May ninth.

Two walks by pitcher Wally Eckstein with the bases full gave the Jimmies two runs in the fourth and St. James added a final in the fifth on two singles. Those two walks were the only two issued by Eckstein and the sophomore right hander gave up only five hits to go down to his initial defeat of the season.

New Ulm scored twice in the fifth inning with Eckstein's two base hit the big blow in accounting for the runs.

All good things must come to an end. Everyone knows that phrase, and a good thing is coming to an end for me. This is my last issue where I will be at the Sports helm of the "Graphos".

It wasn't to long ago since I first started writing. I got my start on the Eaglet late in the freshman year; then I was a scribe as a sophomore and finally the Sports Editor for two years.

As a manager and writer I saw a lot of Athletic contests. Three straight years of football and basketball where I didn't miss a game. I got to know the coaches very well and I saw some great players perform for various schools. Some I think were tops that others don't; and visa versa.

I saw such sport stars as Clyde Slocum, Fen Lee, Roger Beamen, Red Rehwalt, Dave Hegna, Bill Braven, Glen Matka, Milt Joecks and many others. What a team they would make if they all played together. Then we'd have to throw in a few New Ulm boys to that list. Joe Pivonka, Tom Hayes, Jack Pollei, Stan Martinka, Chuck Malby and Harlan Bauermeister.

Then there would a four-year New Ulm team that would be great as a combination. Jack Pollei, Stan Martinka, Joe Pivonka, Tom Hayes, Don Eichten, Chuck Malby, Del Altmann and Harlan Bauermeister.

I got to know those players personally, each had a different

characteristic. Probably there won't be a happy-go-lucky hoopster as Del Altmann for some time. Yes, four years of just watching sports has been a memory I won't forget.

It will be hard to leave New Ulm high school and the sports page behind. It's been work but I enjoyed it. I enjoyed being manager and keeping sport statistics.

Do I have anymore predictions for next year? Sure.

**FOOTBALL** — Joe Harman will pull a surprise with the material he has and come up with a top notch pigskin eleven. Wally Eckstein could be the "Bronko" of New Ulm. He will make all conference and will make honorable all-state mention. By the time he is a senior he will join his brothers in a team that could be made up of the all time school team.

**BASKETBALL** — If Morris Ness finds some guards that will work as well as Bauermeister, Larson and Hayes—a conference championship, a district title and it will be the first time in many a year when the District Ten champ wins some ball games in the Regional. [Morris won't like this. Picking his team for spots that is.]

So to all those that have helped me, the players, coaches, fans, faculty and others I will say good bye and hope the best of luck to the 1949 and 1950 athletic teams. Also I wish my successors a world of luck and I am sure that they will bring you a good sports page.

Once more I say to my sport friends—GOOD BYE AND GOOD LUCK.—Herb Schaper

# Nelson, Seifert May Rotarians

The two Rotarians that were chosen for the months of May are Dennis Nelson and Richard Seifert.

Dennis Nelson is going on to Gustavus Adolphus where he plans to study business administration. During the year he has participated in basketball, football and track. He belongs to such music organizations as chorus, swing band, concert band, brass sextet and trumpet trio.

The other rotarian, Richard Seifert, is planning to go to Notre Dame and take a general college course. He belongs to chorus and is a member of the boys' octet. He also plays golf.

The rotarian for the month of April was Jerry Hamann. Jerry was a member of the wrestling squad and the baseball team. His plans after graduation are indefinite as yet.

# Kathy Fiemeyer To Teach Twirling In Minneapolis

Kathy Fiemeyer, head drum majorette of New Ulm high school, will be teaching twirling this summer for Harry Kraskin of Minneapolis.

Beginning as soon as school is out, she will travel with an older girl for about two weeks and then she will be on her own.

Kathy will be assigned a route, spending one day at each town, and will be teaching inexperienced twirlers. One night a week she will stay in New Ulm.

The L. B. Krook Commercial Trophy is awarded to the boy or girl who makes the most progress in the commercial department and has a B average or better; The Bausch-Lomb Science award is given to either senior boy or girl who has made the greatest progress in science during his high school career.

A college tuition scholarship is given to the highest ranking boy or girl in the graduating class. The All-Activity awards go to any senior boy or girl who had earned 2,250 points in two or more departments. Dallmann Wrestling award is for outstanding wrestling and for making the most wrestling progress for the year.

Membership in the National Honor Society requires that you be in the upper third of the class in scholarship. Service, leadership, character and scholarship are the four qualifications in which membership is based. Not more than 15% of the class may be selected.

Besides these awards, letters and chevrons will also be given in certain fields.

# Mary Oppelt To Visit Pearl Harbor In June

Mary Oppelt, a junior, is leaving New Ulm on June 1 on the first lap of her journey to Pearl Harbor. She expects to arrive in San Francisco on June 6 and embark on a navy liner June 8.

Mary is accompanying her sister-in-law and nephew on the trip. They are planning on visiting Mary's brother Francis, who is stationed on a navy experimental sub.

Among the places Mary hopes to visit are Honolulu, Waikiki Beach, the Volcanoe Mauna Loa, and the Royal Hawaiian Hotel.

For the last several weeks Mary has been getting shots for typhoid, tetanus and smallpox.

Mary plans on staying in Hawaii for at least one month.

# Junior Boy Chosen To First Annual Boys State

Richard Wagner has been chosen by the faculty to attend the first annual Boys' State, sponsored by the American Legion, June 12 to 18 at the St. Paul Campus of the University of Minnesota.

The objective of Boys State is "to educate our youth in the duties, rights and responsibilities of American citizenship." It is wholly a plan for training in the practical aspects of government.

Gopher Boys' State is a mythical 49th state with a constitution, statutes and ordinances constructed by its citizens to govern themselves. The citizens will elect their own officials in accordance with regular state election procedures, and will organize complete city, county, and state governments. They will also introduce and argue their own bills in a legislature.

The entire program is non-partisan.

# Music - - - - - Musings by I. M. W.

After a struggle to get up in time, members of the marching band played at Johnson Field for the Brewer baseball game, May 8, the day after the prom. Barbara Fritsche stretched out on the bleachers and made a brave attempt to snatch forty winks, but all in vain.

Maestro Niemann is busy these days trying to conduct the Skip Day symphony band. A few new techniques have been inaugurated. The use of a baseball bat and a pistol are necessary to control a stray flute player. [Name withheld by request.]

To wind up this school year, plans for social events are taking place in the music department. The band will have a picnic June 1, and the dance band is having a dinner tomorrow night.

Speaking of the dance band, we played for the Sleepy Eye prom last Saturday night. Since it was such a short distance we decided on bus transportation rather than airplane.

The seniors in orchestra have been listening to "Pomp and Circumstance" every rehearsal and every rehearsal gets closer to the real thing—graduation. Since this is the last time I will be writing "Musings", I wish the best of luck to my successor.

# Home Economics Activities Varied; Juniors Prepared Prom Food, Menu

The Home Economics Department has been busy preparing food and making plans for the Prom for the past two weeks.

Grades seven and eight have been preparing a various number of desserts. They have been preparing meals of different kinds also.

The sophomores have prepared various kinds of meals including buffet luncheons, dinner meals and meals for everyday eating. I think we all agree that they did a wonderful job serving for the Prom. As a result of their work, they received the aprons that they wore Saturday night. The senior girls who are taking Home Economics this semester made the aprons.

The Juniors have prepared various kinds of meals including teas, desserts, and planning for the Prom. Last week they were busy preparing the

menu and food for the Prom. Friday and Saturday, of last week, they cleaned silverware, dishes and prepared salad dressing, peeled potatoes, curled carrots, and cleaned lettuce and endive for the Prom. They also set the tables for the Prom.

The ninth grade girls have been studying glassware, china and silver. They have been studying the different kinds of living room plants also.

The twelfth grade girls made the organdy aprons, for the girls who served for the Prom. Lately, they have been given a week in which to make either a pair of shorts, sundress, or any other article for their practical tests.

The twelfth grade boys have been learning about color schemes, how to mend shirts, how to iron them, and the study of clothes in general.

# Special Assembly Program To Be Given May 26 At 3

A special assembly program of Broadway and Hollywood stars will be presented on May 26 at 3 o'clock.
