New Ulm High School, New Ulm Minn., Tuesday, Oct. 3, 1950

Number 1

## JINX THE JIMMIES . . . FRIDAY 13th

### School Days! Schools Days! Good Old Fashioned Rule Days! School Enrollment      New Students

The sixty-sixth session of New Ulm High School opened on Wednesday, September 6, with four new members on the faculty and one of the largest enrollments in years.

Unusual about the enrollment this year is the fact that the Junior High is exceptionally large with a total of 230 students. The Senior High enrollment is 287. The seniors have the smallest class in the Senior High with 81 students. The juniors have 98, and the sophomores, 104. The freshmen have the honor of being the largest class in school with 126 students. There are 54 students in the eighth grade and 49 in the seventh.

### Fri-La-Ta Officers Elected; Plans Made

Election of Fri-La-Ta officers was held at the second fall meeting. The vice-president is Dody Scherer; sec.-treas., Mavis Gronholz; senior rep., Virginia Iverson; junior rep., Evelyn Sauer; sophomore rep., Beverly Bloedel. The president, Lois Neuwirth, was elected last spring.

The dates for the Initiation Party and the Boy-Girl Party were set for October 11, 1950 and February 3, 1951.

Committee heads for the Initiation Party are: Marianne Martinka for food, Elaine Pechtel for clean up, and Barb Fesenmaier for entertainment.

There are 87 members in Fri-la-ta, the largest membership since the club was created.

This year Fri-la-ta will have more play days and parties.

Five new senior high students started at N.U.H.S. this year, one to the senior class, two junior and two sophomores.

Frank Reiser, a transfer from North High in Minneapolis, is a junior this year. Frank said there wasn't much difference between the large Minneapolis school, but that the kids are friendlier here. He also said the teachers at North High are harder on the students.

Bernice LaPlante, is the only new addition to the senior class. She attended St. Joseph's Academy in Crookston last year, and is interested in Fri-La-Ta and possibly G.A.A. this year. Bernice said school was O.K. and the kids are a lot of fun.

Frank Steinbach, a junior transfer from Onamia, now lives in Courtland. Frank is on the football team, and is interested in basketball, baseball and band. "School is O.K. and the students are pretty friendly," Frank said.

Marilyn Hulke, is the new sophomore girl, a transfer from Nicollet high. Marilyn said she likes school, it's new and different. She isn't sure about extra curricular activities, but might join G.A.A.

Melvin Koenig, is not exactly new for he lived in New Ulm before, but moved to Utah last year, where he attended Dixon Junior High in Prono. A sophomore this year, Melvin said he might go out for baseball.

### NUHS Students Enjoy Unusual Vacations

Deep sea-fishing, seeing Broadway hits, taking ballet lessons, over-turning in a speedboat were a few of the things experienced by students of NUHS during the summer vacation.

Jo Ann Windland and Donna Nelson took ballet lessons from the famous Victor Stengel. Mr. Stengel teaches the Russian Imperial Ballet Method. "It was thrilling and a lot of fun," was the opinion of both Jo Ann and Donna.

Treas.—Janet Schmidt  
Sec.—John Lloyd

### Mexico---They Have Come

Another "Share the Expense" trip to Mexico during Christmas vacation is being planned and will be conducted by Tom Pfaender, physical education instructor.

Several car owners have agreed to drive and the entire tour will cover about 5,200 miles. The days spent in driving to and from the border will be long and uneventful. Once inside Mexico the everchanging scenes and experiences will make this short stay in "the land of contrasts" one that will never be forgotten. There will be more news about the trip in the next issue of the Graphos. There are still some openings for passengers; so if anyone is interested, contact Mr. Pfaender.

Joleen Lindmeyer had a four-week vacation at Yakima, Washington. While Joleen was there she saw Rimrock Lake. The friendliness of Washington teenagers seemed to have impressed Jo the most.

Donna Breu spent ten weeks in Columbus, Georgia, visiting relatives. She toured Florida and several other states while she was there. In her opinion the most curious thing she saw were the white picket fences around the Kentucky farms.

New York City was the home of Lucille Palmer, Jimmy Palmer, and

### Homecoming Plans Undaunted By Friday 13 Superstitions

### FFA Holds Elections After Busy Summer

Election of officers for the coming year took place at the regular meeting of the New Ulm Chapter of Future Farmers of America on September 12. Verlin Goering was elected president; Walter Eckstein, vice president; David Olstad, secretary; John Lloyd, treasurer; Orville Broste, reporter; and Robert Grossman, sentinel.

A team of four boys sponsored by the New Ulm FFA chapter entered the Hog Judging contest at the National Barrow show at Austin. The group did not place in the first 10 teams. Team members were Leon Fritsche, Stanley Schugel, Vernon Kitzberger and Orville Broste. E. H. Fier, local FFA advisor attended the show, with the team.

Winings of \$51.25 were captured by 19 New Ulm FFA members who exhibited 9 entries in the Tri-County Fair at Mankato, September 19 and 20. Donald Dittrich was the big money winner with a prize of \$7.50 for his corn and potatoes. The highest quality exhibits were shown by David Olstad who exhibited four entries, all Blue Ribbons.

Another activity of the FFA was the exhibiting of livestock raised on their farms this summer. They won many honors both at the Brown County Fair and the State Fair.

Robert Novotny and Malcolm Brandt were working with Mr. Fier in the Ag. department for six weeks. They are both students of the University of Minnesota.

Lois Neuwirth for eight weeks this summer. They enjoyed two Broadway hits, "Where's Charlie" and "Gentlemen Prefer Blondes". They also tried their luck at deep sea fishing. Wonder what they caught?

A freshman, Lula Nichols, had a week's vacation at the Christian Endeavor camp at Medicine Lake, Minnesota. "I got a lot out of it and I enjoyed it a great deal", was Lula's comment.

[continued on page 3]

### Committees Chosen; October 12th Bonfire, Activities Planned

"Jinx the Jimmies" will be our slogan when we meet St. James, on Friday, October 13, for our homecoming game at Johnson Park; the game will get underway at 8:00, preceded by the crowning of the new homecoming queen.

A committee of four, including Nancy Peterson, Lucille Kosek, Arlon Schmid, and Hugh Sweetman chose the homecoming badges, the price of which will be fifty cents. They are purple and white with matching ribbons and have a picture of a player kicking off in the middle.

Thursday, October twelfth, the bonfire, announcing of the queen, and other activities will be staged at West Side Park. Your homecoming badge is your admission ticket for free bus transportation to the beach and free lunch immediately following the bonfire. The lunch will be served by the boys Home Economics class.

The HOMECOMING COMMITTEES have been appointed as follows: **PUBLICITY, POSTERS, ADVERTISING:** Faculty: Mr. Wold, Miss Kayser. Students: Art Class; **BONFIRE:** Faculty: Mr. Tyrrell, Mr. Achman, Mr. Fier. Students: Tad Primantgen, James Hoffman, Bob Schmitz, Hugh Sweetman, Arlon Fritsche, Walt Eckstein, and Carl Brust; **BEACH PARTY:** Faculty: Miss Westling; Miss Hanson; T. R. Olson; Miss Wuopio; Students: Boys' Homemaking class; **GOAL POSTS:** Cheerleaders-PEP **MEETING:** Faculty: Mr. Dahl, Mr. Johnson, Miss Mueller, Mr. Strang, Miss West; Miss Schmid; Students: Ralph Sondag, Arlon Schmid, Connie Schmid, Dot Campbell, Phyllis Altenburg, JoAnn Windland, Virginia Iverson; **HOMECOMING BADGES:** Faculty: Mr. Lynott; Students: Student Council Members and Junior High Class Officers; **CORONATION OF QUEEN:** Faculty: Mr. Pfaender, Miss Steen, Miss Raverly, Mr. Strang. Students: [Juniors] Carol Niemann, LaDonna Heck, Evelyn Sauer, Marianne Martinka, Jean Keckeisen; **DANCE RECEPTION:** Faculty: Mr. Lynott, Mr. Zahn, Mr. Pfaender, Miss Treadwell, Miss Kayser, Miss McLaughlin, Mrs. Franklin, Mr. Ness, Mr. Harman, Mr. Herrmann, and all other faculty members; Students: Roger Fixsen, Donna Nelson, Carolyn Held, Verlin Goering, Lucille Palmer, and Lois Neuwirth.

### High Tension In Speech Field

Miss Loretto Hylden and Claire Johnson will be in charge of all work in the speech department this year.

Members in the debate squad include sixteen freshman, who are new members, plus six members from last year.

Dramatic clubs in both junior and senior high are being planned. Miss Hylden will take charge of the junior high, and Mr. Johnson the senior high. There will also be junior and senior high discussion clubs.

Mr. Johnson stated that the junior class play will be produced during the first week of December.

### Junior High Officers

Ninth Grade  
Pres.—Leslie Dirks  
Vice-pres.—Charles Hintz  
Sec.—Treas.—Edith Kottke  
Eighth Grade  
Pres.—Janice Neumann  
Vice-pres.—Bonita Sisco  
Sec.—Treas.—Sandra Scheible

Miss Lorreto Hylden

Miss Hylden, who is teaching English 9 and speech, was born in Thief River Falls, Minnesota. She attended the college of St. Benedict, in St. Joseph, Minnesota. Two summers ago Miss Hylden went to summer school in Mexico City and last summer she visited in Virginia. Previously Miss Hylden taught in Wadena.

Miss Margaret Schmid

Miss Margaret Schmid in the guidance room, is a native New Ulmite. Miss Schmid has her Bachelor of Science degree from Mankato Teachers College, and she has done graduation work at both the University of Colorado and the University of Minnesota. Miss Schmid has taught at Faribault and Litchfield.

Miss Charlotte West

Miss Charlotte West replaces Miss Marie Carlson as chorus director this year. Miss West attended teachers college in her home town, St. Cloud.

"I like all the students I have met so far," commented Miss West, "and I think you have an excellent band and football team."

Before coming to New Ulm, Miss West taught at Chokio, Minnesota.

Mr. Claire Johnson

Our only new male teacher is Claire Johnson, speech teacher. Mr. Johnson graduated from Macalester in St. Paul last year, so this is his first year of teaching. His home town is Lake Crystal, Minnesota. He plans many interesting speech activities-

## News in Brief

Bob Schmidt, Class of 1950, was appointed principal for appointment to U. S. Military Academy at West Point by Congressman O'Hara. Tests are to be taken on March 5 at an army post in Illinois. Bob is now attending the University of Minnesota.

Gines Maiquez a former language instructor at N.U.H.S. is now instructor of Spanish at Aquinas College at Grand Rapids, Michigan.

Ralph Sutherland, one time speech instructor at N.U.H.S. is now teaching at Hibbing Junior College, Hibbing, Minnesota.

A Brown County Teachers meeting will be held at Springfield, October 9 at 6:30 P. M. Gov. Youngdahl is to be the speaker. The faculty is to attend.

At a meeting of the New Ulm Public School Teachers Association new officers were elected. They are as follows: President—Tom Pfaender, Vice President—Doris Smith; Secretary—Lorreto Hylden; Treasurer—Nelda Goar; Junior High Representative—E. J. Achman; Senior High Representative—M. G. Ness; Grade School Representative—Louise Hensel.

By Board action, all pupils enrolled, kindergarten through grade 12, are now covered under the Group Accident Plan of our State High School League and are eligible for a medical or dental benefit allowance for an accidental injury which occurs while the pupil is under the control and supervision of the school. Time enroute to and from school or while being transported is not covered and hospital bills are not included.

Dr. Kathleen Jordan, field survey physician for the Minnesota Health Association, will visit the New Ulm High School on Friday morning, October 6, to give Mantoux tests.

## Interesting Art Activities Planned

If you happen to see some senior high students going around town making sketches of land marks and other points of interest, don't be surprised. They're just getting some of their art class home work done. They are going to make several pencil sketches and later on will expand them to large casein tempera. The senior high group is going to study magazines and newspapers also to find out how pictures and colored pictures, especially, are produced. Then they are going to make some photograms which is like taking pictures, only without using a camera. Later in the year they will do some ceramic work, and it is hoped that this section may be expanded with the purchase of a new kiln.

In the junior high department the seventh grade is studying houses and why they are the way they are. After a while they will study landscaping and the grounds around houses. They, too, will do some ceramic work and stenciling.

"Often seen" places and objects are holding the interest of the eighth grade division. They are closely observing the familiar things around them to find out how they really look and how much they actually know about them. Later on they will be doing some block printing, and for the Christmas season they will be designing Yuletide gift wrappings.

### HEAR YE!! HEAR YE!!

A Notes to the Editor Column To report if all's well in NUHS It's for all students. This is your chance to ask questions, to complain or to compliment about the paper, the school, or the community.

Any contribution must be signed but the name will not go into the paper. A Graphos Box is in Miss Kayser's Room No. 204 for all contributions and suggestions.

# Remodeled Cafeteria In Action

Awaiting the noon rush are: [l. to r.] Cooks, Mrs. Henry Gruenhagen, Mrs. Arthur Alfred, Miss Catherine Case, and supervisor, Miss Anne Westling. Bottom—The new kitchen equipment being put to good use.

## NUHS Cafeteria One of Most Modern In Area

Many improvements have been made in the high school cafeteria, so that it is now one of the most modern kitchens in this area of the state.

The kitchen has been remodeled during the summer at a cost of more than \$10,000.

New fixtures in the kitchen are a stainless steel steam table, two new ranges, two baking ovens, automatic dish washer, reach-in and walk in refrigerators, and stainless steel sink, baking and preparation tables.

Fluorescent lights have been installed, and the kitchen has been repainted. A new slip proof, asphalt tile floor, has been put in.

Old furnishings are a work table, steam kettle for vegetables and soups and a floor-size mixer.

Miss Anne Westling is supervisor of the hot lunch program and aided in the planning of the new kitchen.

Cooks for the year are Mrs. Catherine Case, head cook, Mrs. Henry Gruenhagen, and Mrs. Arthur Alfred. They each work about a half day during the week.

## Students Ride In Style In New Bus

A new bus, a 29 passenger Flexible, has been added to the fleet of buses of the Brand Bus Service which serves New Ulm schools, both public and parochial.

This bus is a regular over-the-road bus, as used by numerous bus lines and independent charter lines. It is constructed with the motor in the rear. It was not meant originally to transport students to and from school but to be used for special trips such as to games. At present, though, it is being used on the Lafayette run. There is a little argument as to who will finally use it, the students or the players.

At this time there are six buses in operation for student transportation. All but one are custom-built. By that is meant deeper and wider seats, better interior finish—all adding up to more comfort in riding.

About 285 students are transported twice a day. The Brand Buses

serve the pupils of St. George and Searles schools also. Altogether there are over 300 students riding the buses daily, and the buses travel about 350 miles. The area served are a part of Cambria township in Blue Earth county, and Cottonwood and Sigel townships, Milford and West Newton, Lafayette and Klossner in Nicollet county. Some Hanska students come to meet the bus at an appointed place.

The drivers maybe known as "crabs"—but there is a reason for their maintaining strict order and discipline—that is, the safety of the students and everyone concerned; for after all, there is a great responsibility on the shoulders of the driver—he must keep his mind on the driving not on the antics of the students on the bus.

The drivers are as follows: Hil. Schaeffler, Glen Eyrich, John Minnick, Fred Siering, Herb Kosel, H. G. Brand and Albert Hamann.

Pictured above is the new addition to the Brand Bus Service, a 29 passenger Flexible.

## Looking Back Over NUHS

Gone are the "good old days" that we're always hearing about from mom and dad. But, nevertheless, the purpose of this column is to bring back to light some of those old memories of NUHS.

Our information source will be the "Graphos" file from 1916 up to the present time. Who knows what we'll find when rummaging through them. So we'll plow off the dust and see what we can see.

\* \* \*

Memories! Memories! Remember all the old slogans for the homecoming games? You can't? Well, in that case here they are:

- 1944—Peter Out St. Peter
- 45—Jam the Jimmies
- 46—Beat St. Pete
- 47—Make Redwood Deadwood
- 48—St. Peter, We'll Beat'er.
- 49—Redwood... falls!

\* \* \*

Even back in 1918 they had "corny" jokes:

Miss Kester: "For what is the term "etc." used?"

Douglas Beecher: "It is used to make people believe that we know a great deal more than we really do."

\* \* \*

And take this for instance:  
I stole a kiss the other night  
My conscience hurt alack!  
I think I'll have to go tonight  
And put the blamed thing back.  
Ah! Such poetry!

\* \* \*

Did you know Howard Vogel took first in the State Declam Contest in 1923 for his "The Turk Must Go."

\* \* \*

Another example of the humor:  
He put his arm around her waist  
The color left her cheek;  
But on the collar of his coat  
It stayed about a week.

\* \* \*

For now I'll have to close the squeaking door of the file cabinet. See you in the next issue.

## Unusual Vacations

[continued from page 1]

Bernice La Plante, a new student at New Ulm High School, spent a few weeks visiting friends in Michigan. Bernice wishes she could take the trip again soon.

\* \* \*

Thrills and excitement were part of the summer vacation for Mary Backer, Barbara Fesenmaier, Jean Keckeisen, Carol Niemann, Sharon Oswald, Marianne Martinka, Joanne Herrick and Beverly Jensen. The girls all got a ducking when the speedboat in which they were riding overturned on Green Lake.

\* \* \*

Nancy Peterson spent all summer in New York. Nancy visited Washington D. C. for a week and attended an outdoor opera production of "Aida". Nancy thought it was far more exciting than she imagined it would be.

\* \* \*

Darwin Jones, along with 12 other FFA members, stayed at Tom Pfaender's camp this summer. Darwin was very enthusiastic about the camp and the many different activities. When Darwin was asked if there were any girls up at camp, all he said was, "Ask the senior boys."

# East Is East and West Is West, But All Over the Teachers Go

Talk about interesting summer vacations, teachers of NUHS really had their share of them. Traveling, sightseeing, and working, too, as did Mr. Achman who worked for a construction company in Brewster, Minn. Six weeks of Miss Bruess' vacation was spent in St. Paul with her brother and sister. For the rest of the summer she attended Mankato Teacher's College with the exception of one week which was spent at home in Sleepy Eye.

Mr. Dahl went to school at the University of Indiana, and also made a trip to Yellowstone and Glacier National Parks.

Mrs. Ewy spent her summer traveling in the East visiting famous landmarks and other places of interest.

Helping the F.F.A. boys get their livestock and other products ready for the fairs kept Mr. Fier busy most of the summer. He spent a short time at school and went on two fishing trips. Mr. Fier also tried to get boys interested in joining the F.F.A.

## Six New Ulm Boys Attended National Boy Scout Jamboree

Valley Forge was the site of the National Boy Scout Jamboree. Six boys from New Ulm, George Peterson seventh grade, Jimmy Kagermeier and Teddy Ranheim, sophomores, Bill Fenske, a junior, Rolly Olson, senior, and Bob Schmid, alumni of 1950 participated in it.

The boys left for St. Paul Saturday, June 24. They met the large group at the St. Paul fairgrounds and left for Chicago early Sunday evening in their decorated train.

After sight-seeing Monday forenoon in Chicago, the boys left for Washington. Some of the interesting sights they saw in Washington were the Capitol, Mount Vernon, Arlington Cemetery, and the Library of Congress.

Friday, June 30, President Truman spoke and the pageant "The Valley Forge Story" was presented.

Saturday the scouts toured Philadelphia where they saw Carpenter's Hall, Betsy Ross' house, Jefferson's grave, and Independence Hall with the Liberty Bell.

Sunday was really a busy day for the scouts. First of all they had church services, which, of course, had to be given by sections. Next they all went on a tour of Valley Forge. They then saw another pageant entitled "The Freedom of Religion". A choir of one hundred sixty-five sang. Later they had a big candle light service.

The following day was spent entertaining foreign boys for dinner and listening to a little German band from this area. On Tuesday General Eisenhower spoke to them, there were Independence Day programs, and in the evening, big fireworks.

Before leaving Valley Forge the scouts made another tour, had another campfire, a big closing ceremony, and the world scouting displays.

On their way home the scouts toured New York City. They saw the Statue of Liberty, The Empire State Building, and Times Square. They also took the subway to Radio City. They stopped again in Chicago and arrived in St. Paul Sunday, July 9.

Boys from St. James, Mankato, and St. Peter were the others from this area that went.

You shouldn't go through life looking for something soft—you might find it under your hat.—Pups

Mrs. Franklin spent most of her summer at home in Hardwick, Minn. She also visited in Iowa and South Dakota.

Miss Hansen enjoyed a two weeks camping trip at Lake Kampeska, South Dakota, and the rest of her summer was spent at home in Brookings, South Dakota.

Mr. Harman worked on the playground program, including the Pee Wee Baseball teams. He also built a new house.

Miss Kayser spent six weeks touring and visiting in the West, including California. She was at home in St. Peter for the rest of the summer.

Miss McLaughlin accompanied Miss Kayser on her trip out West. Then she spent a month with her father in Canada and for the rest of the summer she was in St. Cloud.

Miss Mann spent her summer at home in Owatonna.

Miss Mueller made several trips to Milwaukee. The rest of her summer was spent at home in Arlington enjoying her new horse, Sir Timbolock.

Mr. Ness spent two weeks in the Navy and for the rest of the summer he attended the University of Minnesota.

A cruise on the Great Lakes on the Destroyer Escort 585 took up part of Mr. Olson's summer. They were the first ones out to look for the air transport that was downed in Lake Michigan. He sold life insurance for the rest of the summer.

From June 7 to September 3, Mr. Pfaender was up at his 4-H Club camp at Lake Esquagama. In addition to the eight hundred boys and girls that were at his camp, he played host to the MEA's fourth annual workshop and to an Ethiopian Students conference.

Miss Sogn took a trip into Canada spending some time at Banff and Lake Louise. She also visited Glacier and Yellowstone National Parks. The rest of her summer was spent at her home in Revillo, South Dakota.

Miss Steen spent her summer at home in Walnut Grove with her family.

Mr. Strang spent eight weeks of his summer vacation at the University of Iowa. He and his wife also visited with their parents in Duluth for a weekend. He was occupied for the rest of the summer with band rehearsals and music lessons.

Miss Raverty worked at the canning factory in Sleepy Eye. She also took three courses in physics at the University of Minnesota. "Madame Butterfly" and "The Devil's Disciple" were two she went to see. Other places of interest were the United States Mint in Denver and a number of abandoned gold mines.

Most of Miss Treadwell's vacation was spent in New Ulm, but for three weeks she visited friends in Boulder, Colorado. During her stay she visited many interesting places. She went to the Red Rock Amphitheater to hear the Denver Orchestra play Rodgers' and Hammerstein's music.

The first part of Mr. Tyrrell's summer was spent in South Dakota with his father who was ill. He

also went to Chicago for a week and then the rest of his vacation was spent at home.

Miss Wark spent most of her summer at home in St. Paul except for one week which she spent in Duluth with a friend.

Miss Westling spent most of her vacation at her home in Duluth taking care of her mother.

Mr. Wold attended the first session of summer school at the University of Minnesota. Then he came to New Ulm and worked at school here for a few days. He also went fishing in Wisconsin, attended the M.E.A. workshop at Mr. Pfaender's camp for three days, and went up to the North Shore Drive in Duluth, too.

For three weeks Miss Wuopio attended on Economics Workshop at the University of Minnesota. She spent the rest of the summer in northern Minnesota.

Mr. Zahn attended Mankato Teacher's College and also built a new home. He played baseball with the Brewer's and assisted with the summer baseball program, too.

## Class of 1950 Enter Many Walks of Life; Forty-two Percent To Further Education

Forty-two percent of last year's graduating seniors are furthering their education this fall. The students attending colleges and universities are as follows: University of Minnesota — Duane Anderson, Marilyn Bockus, Raymond Johnson, John Kiefer, Vernon Kitzberger, Raja Mansoor, Connie Muesing, Mary Oppelt, Kathleen Palmer, Gordon Schroeder and Robert Schmidt; Gustavus Adolphus — Dianne Anglemyer, Sanfield Dittbenner, Herb Halverson and Beryl Siebenbrunner; Mankato Teachers College — Martine Bakken, Joan Bauermeister, Beverly Kuester, Mary Lloyd, Edward Metzen and Gerry Slaybaugh.

Nurses Training at Red Wing — Jenine Anderson and Patricia Behrens; Harvard — Richard Wagner; Luther, Decorah, Iowa — Donald Boelter; Macalester — Patsy Church; St. Cloud Teachers College — Kathy Fiemeyer, Yvonne Christensen, Loretta Herrick, Mary Jean Schmidt, Mary Ann Steinbach, and Virginia Tyrrell; St. Catherine's — Elizabeth Furth; St. John's — Joel Tierney; St. Thomas — Eugene Schaefer; Miami University, Oxford, Ohio — Barbara Fritsche; Clark College in Dubuque, Iowa — Carol Green; St. Mary's Hospital, Rochester — Grace Lamecker; North Dakota State — Douglas Phillips; South Dakota State — Harlon Sauer; Northwestern University — Renee Reim; and Rochester Junior College — Myrna Scott.

Here are the occupations of the other seniors: Air Force — James Keckeisen, Floyd Stolt, Norbert Schwartz, and Gerald Weise; Office at Somsen's — Marianne Kienlen; Tree surgeon with father — James Liebl; Telephone operator — De-

lores Mack; Ulrich's Electric — Orval Marquardt; New Ulm Paint and Glass Co. — Eileen Mecklenburg; Nurses' Training at Loretta Hospital — Lucille Menk; Salet's — Mary Sahly; Red Owl Store — Donna Sandau; Piggly Wiggly Store in Mankato — Lois Meyer; Dakota Hotel — Joseph Schobert; New Ulm Laundry — Mary Ellen Sisco; City of New Ulm — Raymond Wolf; Working in Minneapolis — Joan Siering; Hauenstein Brewery — Kenny Biser; Long distance telephone operator — Shirley Gratz; David Berg is temporarily employed at Le Sueur Canning Factory; Pat's Cleaners — Betty Bode, Dorothy Brandel and Alice Pongratz; Canning Factory in Sleepy Eye — Isidor Faerber; Storks — Victoria Bonderson; Benson Optical Co. — Fremont Buggert; Eisenberg Electric Co. in Lafayette — Norma Cox; Spelbrinks — Jerry Dallmann; Kemske Paper Co. — Elmer Fenske; Farming with father — Dennis Deopere, Leon Fritsche, Connie Hoffmann, Marvin Metzen, Darwin Mielke, Wallace Wellman, Stanley Schugel, Eugene Thomas and Ralph Ubl; Plumbing in Rochester — Robert Galloway; Working in Idaho — Fernell Gehrt; F. W. Woolworth — Phyllis Glaser, Arlene Hamann, Joan Knutson, Irene Ubl and Lois Terhofter; Restaurant in Gibbon — Helen Havemeier; Secretary at Storks — Alice Hindermann; Office of City Engineer — Roland Hoffmann; Stay at home — Roselyn Griebel, Carol Gulden, Elaine Larson, Bernice Lindmeyer and Gladys Williams; and married are — Betty Bathen to John Echoles; Shirley Frank to Rolly Pischke; Arlawaine Peterson to Quentin Johnson; Marlene Wallner to Phelps Schulke; and Lynn Schmucker to William Fawcett, Jr., is living in Myton, Utah.

## Homecoming--New Ulm vs. St. James

### Girl-Stater Tells of Experiences

by Donna Nelson

A blue silhouette of Minnesota with the American Legion Auxiliary emblem in the center—that's what my Girl State pin looks like. But it is indeed more than just a piece of jewelry; it is an emblem—a symbol of the 1950 Girl's State. I'm very proud to wear it! There is so much to write that I could fill the whole paper telling about all the wonderful things that happened to me and 268 other Girl Staters from all over Minnesota. But of course I can't so I will merely give the purpose and a few of the highlights.

The purpose of Girl's State was to teach each girl "a sense of individual obligation to the community, state and nation." This we learned by actual participation in government. We learned what we will need to know as tomorrow's citizens.

Our mythical government was set up with a state government of Minnesota, which was divided into three counties: Sioux, Dakota, and Chippewa. These were divided into cities which had Indian names also. I was in the city of Wikake in Dakota county. Our city had 28 girls in it.

Our elections [city, county, and state] were held exactly as they are done in our government.

We had a Senate and a House of

Representatives, and one of the highlights was holding our house meetings in the real chambers in the State Capitol.

Our dean and head of Girl's State was Mrs. M. W. Knoblauch, a wonderful person. She was an inspiration to every Girl Stater.

Many tours were planned for us such as, the State Capitol, Sibley and Fairbault houses, State Historical and Science Museum, etc.

We had many interesting Forums and outstanding speakers. A few of the speakers were Elmer Andersen, senator; Col. E. B. Miller, who spoke on "Our American Heritage"; Mrs. Elmer Chestron, state president of the American Legion Auxiliary; and George Grim. Cedric Adams also broadcast his 10:00 news from Girl's State.

There are a lot of little things that I will never forget like the sound of everyone's voices raised in the Girl State Song, the grace we sang before our meals, "The Moccasin" our daily paper, the wonderful meals, the respect we learned for the American Flag, the inaugural, the friendliness of the girls and the many friends that were made, and, of course, the last day—truly a day of sorrow.

But I for one will be back at Girl's State next year as an alumni. I'm already looking forward to it. In fact, I have since the day Girl's State was over. I only wish every girl could have shared my Girl State experiences.

## THE MUSIC BOX

By R. E. S.

The first appearance of the 1950-51 high school band was at the Brown County Fair this summer. The band sounded good considering it was their first appearance and that half the band was composed of new members.

There will be an addition to the band around homecoming. I won't tell you what it is, but just keep your eyes open.

Again, as in other years, New Ulm High School has a large band and chorus. There are about 60 students in band and about the same number in the choir.

The half-time show during the Waseca-New Ulm game was put on by the Waseca High School band.

There will be a square dance on the field during the half-time show at Homecoming.

The five handsome gentlemen that you see on the stage during the pepfests are Roger Fixsen, trombone; John Wolf, cornet; James Schroedl, drums; Bob Kornmann, bass; and yours truly, alto sax. They now go by the very clever name of the "Mad Distillers."

The swing band has started practice and will be all ready to go for the first dance. They have a vocalist this year. In case you don't know her, her name is Faith Fischer.

Tryouts for the chorus were held on Tuesday and Thursday. All sections were well-balanced except the tenors. There were only three or four of them. The boys are really outnumbered in chorus this year, with the odds against them by about 4-1. But that doesn't bother us in the least.

If we had to pick a song that took the nation by surprise, and that everybody was humming from the Atlantic to the Pacific, I think it would be "Goodnight, Irene."

Well it looks like "Guy" Lombardo and his Royal Canadians are sweeping the nation in a music poll with Ralph Flanagan running a close second.

Looks like it's about time to sign off.

"Auf Wiedersehn"

## Dougherty's Dolls Walk and Talk

Puppets, marionettes, and various dolls, all under the supervision of Doc Dougherty were presented in the first assembly program to N.U.H.S. students on September 11.

The program included instructions by Doc Dougherty in the fundamentals of puppet making, with demonstrations given by the dolls to make the lesson interesting. The finale of the program introduced Willy O'Neil, Doc's sixty-five year old "dummy." Mr. Dougherty commented, "Willy was made by Mack, the original woodcarver." He went on to say, "There are only seven original Mack figures left, including the famous Charlie McCarthy."

Doc started his career when he was nine years old, and is now in his twenty-sixth season. He was taught by a famous puppeteer, La Follette. His home is in a small Irish community in Maryland. Puppeteering is in the Dougherty family, for now Doc's son is starting his own dolls and marionettes.

Among the many dolls belonging to Doc Dougherty is a puppet with the famous name, Kilroy. Also in the family of wooden figures are Mike, the little Irish leprechaun, and the first puppet to have roller skates.

## Sophomore Odds and Ends

Here we are back again to the same building, but for some of us it is a new experience. And to the old and new we say, "Good Luck and may it be a good year for both you and N.U.H.S. Only two more years left for our high school career so let's make the best of it."

Did we sophomores notice who made the touchdown at the Glencoe game? Don Rausch from our class. And what a team we would have without a water-boy like Tommy Ubl, a manager like Al Buggert, and a cheer leader like Darwin Jones! But win or lose, we're always cheering for you. And we thought the school spirit was pretty good at the pepfest and game.

History has its funny moments. The class was describing Pre-historic man and what he wore and used. He wore fur from a wild animal. "Oh, but so do today's women" piped up one of the boys. Mr. Ness replied, "That proves that men are more civilized than women."

In Biology we have been studying things through a microscope. One thing studied was the hair off Janet Schmidt's head. The outcome, "Ouch".

## University Theater Players

## Actors to Present Assembly Program

The University Theater Players, a company of three young actor-entertainers will appear at New Ulm High School auditorium at 8:45 A. M. October 20.

The three members of the company are H.E.D. Redford and Pat Clawson of Salt Lake City, Utah and Chris Ringham of Albert Lea, Minnesota. The group will present a one hour variety program, including Anton Chelsovs farce-comedy, "The Boor."

## WANTED . . . New Members

by M.A.S.

A few banged-up shins is what you will be seeing for the next few weeks, but don't be alarmed—it's only the girls' soccer teams.

For the first get-together of the senior high G.A.A. the girls hiked to the beach. Everyone brought her own food and a good time was had by all.

After soccer tournaments are over, we will start indoor sports such as basketball, volleyball, and ping pong. Don't miss the fun. You are all invited and urged to come. This is your organization; it will be what you make it.

By Barbara Kral and Mary Jane Tauscheck

Can you imagine:  
Miss Steen without a smile  
Mary Schuck without corny jokes  
N.U.H.S. with tall cheerleaders  
Dickie Rose without hair  
John Heymann with a girl friend  
Darwin Jones a football player  
History class with millions of studies.

Pet Peeves:  
Marlys Ubl—Boys that sock girls' arms.  
Lee Roy Youngblcom—Boring study halls.  
Barbara Keckeisen—Dress shoes and anklets.  
Wayne Veigel—Show offs

News:  
Socker is starting out again in girls gym. The gals sure are out of shape. Teams were picked and the first game really was trying on Miss Mueller's patience.

After three rehearsals the band really looked nice during the half of our first game. Incidentally, four sophs guessed the right score and were awarded candy bars.

The sophomore class has added two new members. Welcome to N.U.H.S.

## Fashion Plate by Chubby

Another school year has started and all girls and most boys are thinking about clothes.

A different fad in boys' hats is a multi-colored golf cap or a French beret. Also bright suspenders are getting a tryout. Bob Schmitz gave them a start. His are bright yellow, in case you haven't noticed.

Corduroy is rating high again this year in slacks, jeans, skirts, weskits, shirts and dresses. They are especially good in gold, a new color this season.

Suede and crepe make the shoe this term as last year. A zipper shoe or tie is very much in style. Of course saddles still vote high.

Jersey is popular in every shade. A touch of velvet on coats or dresses is very chic.

Last but not least, those purple shirts with the white yokes are very classy.

## Personal Perfection Stressed In Home Ec.

by Ginny and Dusty

To our surprise a senior boy opened the door for us when we came to school the other day. Later we found out that the senior boys have just finished a unit on Manners and Etiquette in Miss Hanson's Home Ec. Dept. They had five film strips on the subject. In the future they are going to start studying a unit on clothing selection.

Have you noticed any strange odors in the halls? Trim hair? Netly-applied make up? It's just the senior girls Home Ec. class. They have been experimenting with cologne, lipsticks and hairstyles becoming to them. Soon they will start studying patterns; then they will start on their clothing unit for the style show to be held in December. In preparation for the style review, each class will make a clothing inventory to determine what to make.

The juniors have been studying floral arrangements and various units in the book "How You Look and Dress", including "Do I Wear The Right Things Together". Next they will have a review of dress designs.

Floral arrangements and a unit on developing Personality and Etiquette have been the study of the sophomore girls. They dramatized how to make introductions. Like the juniors and seniors they will start reviewing dress designs and pattern markings in preparation for their clothing units.

Congratulations Jane Lippmann! As you probably know already, Jane representing Nicollet County, won the title as queen at the style revue at the tri-county fair. It was held at the Lincoln school in Mankato on September 19. Fifty kids from Nicollet, Blue Earth and Le Seuer county participated; from these a queen and four attendants were chosen. Jane said, "It was quite a thrill, being queen."

Everyone sewed a garment and modeled it. Jane's garment was a brown and white checked rayon dress with three quarter length sleeves, large collar, and tight skirt combined with a brown scarf, hat, gloves and shoes as accessories.

All in all, the classes in Home Ec. are learning many beneficial things and having a good time.

# N. U. Takes Game From Glencoe; Tie Waseca In Conference Play

*Eagles Score in the First Quarter to Defeat Glencoe*

*New Ulm and Waseca Play a 6-6 Deadlock in Conference Game*

New Ulm made an early score in the first grid contest of the 1950 season to defeat Glencoe 6 to 0 at Johnson Field.

The only score of the game was made in the first quarter by Don Rausch after Sonny Keckeisen recovered a fumble on Glencoe's 45 yard line to start the drive. Halfback Wally Eckstein hit the line and picked up 21 yards. Rausch gained two on a reverse play, then Schmid took the ball down to Glencoe's 11 yard line. Don went around left end to score for New Ulm. The Eagles missed the extra point, but held a 6-0 edge over Glencoe.

In the second quarter, Duane Welsch took to the air finding receivers to complete passes which brought Glencoe down to the 30 yard line, but a forced punt spoiled their chances to even up the score.

Coach Harman's Eagles moved down the field again in the second quarter when tackle Frank Steinbach blocked a punt, but an intercepted pass in the end zone by Braun stopped any scoring. Glencoe took an advantage in the fourth quarter to roll up a 60 yard gain, before Connie Schmid intercepted a pass and booted a punt to Glencoe's one yard line.

Glencoe moved into Eagle territory twice in the fourth quarter on Welsch's passes, but a fumble recovered by Steinbach gave New Ulm the ball for the remaining time and a 6-0 victory.

## N. U. Swim Team Enters Four Meets

New Ulm's swimming team, mostly N.U.H.S. students and alumni, was organized again this year by Jim Schnobrich, who coached the squad.

The team started the season by traveling to Wirth pool in Rochester for an invitational meet. Seven girls made the trip to the Minneapolis Aquatennial and took second place behind the large Ascension Club team.

The relay team kept their undefeated record by taking first place for the second consecutive year. New Ulm took first, second, and third place in the 50 yard free style, and two places in the diving events to get their points.

New Ulm held their third annual meet on August 6, as teams from Minneapolis made the trip to compete for the prizes. The season ended with a meet at St. Peter on August 13.

High schoolers and alumni on the team are: Liz Furth, Kathy Fiemeyer, Marianne Martinka, Delores Dittrich, Jo Ann Bierbaum, Dody Scherer, Betsy Oswald, John Wolf, Art Fiemeyer and Harlon Asleson.

The New Ulm Eagles and Waseca fought to a 6-6 deadlock in the first conference game of the year.

Coach Harman's team scored first, with less than four minutes of the game completed, as John Heymann recovered a Waseca fumble on the Bluejay's 23 yard line. A completed pass to Heymann, runs by Schmid and Eckstein, and a first down pass to Kagermeier, resulted in a touchdown, but the Eagles were penalized to the eighty-yard line because of backfield in motion.

On the next two plays, Schmid hit for a three yard gain, and Eckstein ploughed through right guard to score for New Ulm. The try for the extra point failed, and the Eagles held a six point advantage.

Waseca started their touchdown march when they recovered a New Ulm fumble. Gains by Yess brought the ball into scoring territory, when Paschall hit the line to score for Waseca and tie up the game.

New Ulm reached the goal line again in the second quarter, but a fumble prevented a tally. Rausch and Eckstein brought the ball down, but New Ulm was forced to punt. A Waseca fumble recovered by Pollei gave the ball right back to the Eagles, but they couldn't change the score.

The Bluejays started a 62 yard drive at the beginning of the second half, then made a force punt. A recovered Eagle fumble and a pass from Yess to Friebiger put the Waseca ball deep into Eagle territory, but they lost the ball on downs.

New Ulm took the ball on a first down, and made a fifty-four yard gain. They threatened again in the fourth quarter, but another fumble kept the score even.

Friday night the Eagles travel to Fairmont for a conference game. The team will play at Redwood Falls before coming to Johnson Field for a conference game with St. James.

## FOOTBALL - - - STARS

**Don Rausch** A veteran sophomore this year, Don was an understudy to all-conference Zula Keckeisen, and came through as a good reverse runner at the end of last year. Don is a good defense player, showing his abilities in the backfield.

**Walter Keckeisen** "Sonny" took over the running guard spot held by last year's captain, Joe Schobert. "Sonny", a senior, is developing into one of the better blockers on the team.

**Connie Schmid** Eagle's fullback, Connie specializes in punting and passing. A senior this year, he is co-captain of the team. An all-around powerhouse, he has been rated as a sparkplug on defense.

**Jim Gasner** A junior this year, Jim holds down a stationary guard position. He made the traveling squad as a reserve center last year, and shows promise for the coming year.

**Harry Christian** A junior tackle, Harry is one of the big men who make our line average strong. He sparkles on defense and is a workhorse on offense.

**Wally Eckstein** All conference tackle in his junior year, Wally has been converted to the backfield this year. Co-captain of the team, he is another powerhouse, plowing through to pick up the yardage.

**John Heymann** Big John broke into the lineup in last year's Homecoming game with Redwood, and played the rest of the season in the starting lineup at his end position. "Hammy" is rough defensively, and is an outstanding pass catcher.

**Jim Kagermeier** Jim, one of the youngest quarterbacks Coach Harman has ever had, is filling Eddie Metzen's shoes this year. Jim has had little experience, as he played reserve guard on last year's conference winners. He plays both offense and defense.

## World Champion Minneapolis Lakers Practice At High School Gym, Hold Clinic

Pictured above is Laker Jim Pollard, who will be in New Ulm with the Laker Team on October 7.

A three time Notre Dame All American will be among the 15 members of the Minneapolis Laker basketball team that will practice and put on a clinic here in New Ulm on Saturday, Oct. 7th, in the New Ulm High School Gym at 10:00 A. M.

He is Kevin O'Shea, captain of last year's Notre Dame team, and called by Irish coach Moose Krause "the greatest cager he ever coached".

O'Shea is one of five newcomers who will be in town with the Lakers. Others are Ed Beach, former All American at West Virginia; Bob Doll, who the Lakers purchased from Boston this year; Joe Hutton, a star for three seasons at Hamline; Mac Otten, former Bowling Green All American; and Newman Benson, the man who made it possible for Nate DeLong to set his scoring records at River Falls Teachers.

George Mikan, Jim Pollard, Bud Grant, Vern Mikkelsen, Tony Jaros, Slater Matin, Bob Harrison will be here to give the home town fans a demonstration of how the Lakers have won three straight world basketball titles.

The more we study, the more we discover our ignorance.—Shelly
