Schedule For Music Festival Completed; Program Announced

"Music hath charm, and so hath the musician." This statement will be proven Saturday, April 21, at Redwood Falls. Redwood Falls and New Ulm will be the veterans, with Sleepy Eye and Springfield the newcomers to the annual event.

The Music Festival is not a contest to see which school has the best band, chorus, or other vocal and instrumental ensembles, but to more fully understand how other school's music departments are managed and to meet our fellow students from other schools.

The buses will leave from New Ulm at 6:30 A.M., Saturday. Massed chorus rehearsal will be at 8:30 A.M. This will be followed by the Redwood Falls Music entries. At 11:00 A.M. a massed band rehearsal will be held. A noon lunch will be served in the cafeteria for all the visiting musicians. After the lunch hour has been completed, the New Ulm entries will be presented. Springfield will follow New Ulm in the school entries with Sleepy Eye concluding the afternoon schedule.

A social hour will be held from 6:00-7:00 with the music being furnished by the New Ulm Swing Band.

The evening program will begin at 8:00 with Massed Chorus. The program will consist of the following selections: Rejoice and Give Thanks, The Lord Bless and Keep You, Madame Jeanette, Rocka-My Soul, and O Soldier, Soldier.

A medley of the four school songs, with a drum beat by the percussion section of each school between the songs, will get the massed band off to a rousing start. The program of the band is as follows: Short Classics for Band, Marcho Poco, a concert march, Storm King, Eroica Overture, and concluding with the National Anthem.

Also during the evening program, ensemble numbers from each school will be presented. These numbers will have been selected during the day by judges and critics.

Mike Pollei Selected To Attend Boys' State

Mike Pollei, a junior at N.U.H.S., was chosen to attend Boys State on June 17-23 at the University of Minnesota St. Paul campus.

The Boy Staters are chosen by the superintendent of schools, the high school principal, or the faculty on the following important qualifications—scholarship, ability to get along with fellow students, character, ambition, and leadership. Only students who are finishing the junior year of high school and will be seniors in the fall are eligible to participate in Boys' State.

The primary objective of the Gopher Boys State is to give the boys who attend actual learning experiences so as [1] to arouse in them an enduring interest in government affairs [2] to obtain for the young men a higher appreciation of and wholehearted allegiance to the democratic way of life.

Baseball, football, basketball, chorus, and boys' octet are some of the activities Mike participates in.

FAREWELL???

This may be the last issue of the Graphos this year. The reason? Financial difficulties. High cost of living, you know.

Any suggestions for some sure-fire ways of making money in a hurry will be warmly received.

Marine Don Rausch Tells Of Boot Camp Training

Don Rausch—known to most N.U.H.S. students as Rocko—was home on a 10 day leave March 22 through April 1. Don, who joined the marines in January, was stationed at the Marine Boot Training Camp at San Diego, California.

Don declared that the Marines was the best branch of the Armed Service [at least that's what they try to drill into the Marine booters]. He said that Boot training is rough and that he and the rest of the booters would just as soon have gone AWOL. They have classes [as we do in school] such as First Aid, map-compass, personal hygiene, different weapons, and Marine Corps history. No sweets are allowed during boot camp training and the only entertainment they have are the theaters which have movies every night.

When Don reports back he will report to a new base—Camp Pendleton in California where he will receive advanced combat training. He is in the replacement draft which means he could be called at any time to replace men over in Korea.

Alumnui Walter Grams and Donald Cordes who were also home on leave from the Marines have the same status as Don has.

FFA Crops Judging Team Places Second

The New Ulm Crops Judging Team won second place in the Southwestern Minnesota District Crops Contest which was held at Windom on Saturday, March 31.

Members of the team were Robert Grossmann, John Erickson, Harold Ulrich, Orville Broste, and Kenneth Werner. The Ag. Instructor, E. H. Fier, was the team coach.

Fifteen other teams from Southwestern Minnesota competed. There was a total of 75 boys. Robert Grossmann won third place in the individual class.

Harold Ulrich, Robert Grossmann, and John Erickson will

compose a judging team that has been qualified to participate in the State Crops Judging Contest which will be held during the State FFA Convention on May 14, 15, and 16.

Arlon Fritsche won the Reserve Grand Championship [Individual] Junior Division, with his Berkshire hog at the Spring Barrow Show that was held on March 17 at Albert Lea.

Lyle Mielke, Gary Current, Alton Gehrke, Lowell Gieseke, Dale Gluth, Cliff Lawrence, Paul Schultz, James Gieseke, Lawrence Hippert, Darwin Jones, Melvin Koenig, John Lloyd, Dennis Rolloff, Harold Ulrich, Henry Brandel, Robert Martin, Kenneth Werner, Walter Eckstein, Verlin Goering, and Vernon Gieseke went with Mr. Fier on a bus.

The boys judged some of the hogs and later watched the official judging of the exhibits where they received many pointers from some of the best judges in the country.

Senior Class Play Cast Chosen For 'The Bishop's Mantle'

The Bishop's Mantle, a three act play by Marian L. Johnson, will be presented by the senior class under the direction of Mr. Regnier, head of the speech department.

The play, which is a straight drama play, is based on the trials of a young minister who must prove himself before the congregation of his church. He runs into difficulty when he discovers that the members of his congregation are all rather wealthy and socially prominent and that they disapprove strongly of allowing the people from the surrounding tenements join his congregation or even attend church. His fiance, Lex, and brother Dick also add to the rector's troubles.

Vocal Duo To Present Program On April 17

The Goodman and Calaway vocal duo will appear in a combined assembly on April 17, at 11 A.M.

George L. Goodman, baritone, studied voice two years before World War II, when he entered the U.S. Army. He resumed his studies after his discharge in 1946, at the Brooklyn Conservatory of Music. Mr. Goodman was a winner on the Major Bowes radio program, and has appeared during the past year in a Carnegie concert.

Dorothy Calaway, soprano, started her music studies at the Capitol Music School, and later became a private pupil of Professor Eugene Wissenberger. She has also studied under Earl Ashcroft, been featured on the Dumont Television shows, and appeared at Carnegie Hall in a concert.

Russell Stevenson, accompanist, graduated from the New England Conservatory of Music. He made his debut at the Carl Fisher Concert Hall in New York City. Mr. Stevenson appeared as soloist with the New England Conservatory Orchestra and in June, 1949, with the Boston "Pops" Orchestra.

Seniors Vote On Skip Day; Plans Underway

Senior skip day has been planned for May 8, although this day may be changed.

The majority of seniors voted for a two-hour program of recreation followed by a picnic supper. This will take place at 4:00 p.m. at the beach. Other suggestions were a program and picnic at noon or the complete day off.

In the evening, the annual spring dance will be held in the NUHS auditorium. Playing for the dance, will be members of next year's Swing Band.

The cast of 12 characters, 7 girls and 5 boys, is as follows: Ralph Sunday as Hilary Laurens, the new rector at St. Matthews; Hugh Sweetman as Dick Laurens, his brother; Bob Schmitz as Hastings, sexton of St. Matthews; Rolly Olson as J. V. Dunn, a prominent member of the church; Roger Fixsen as Mr. Alvord, senior vestryman of the church; Donna Nelson as Alexa McColly, Hilary's fiancee; Ceille Kosek as Miss Mowbray, Hilary's secretary; Lois Neuwirth as Mrs. Warner Reed, an elderly member of the church; Carolyn Held as Samantha Adams, wife of Hilary's assistant; JoAnn Windland as Maudie Dunn, daughter of J. V. Dunn; Dot Campbell as Miss Hettie Brekenridge, a socially prominent spinster; and Chubby Palmer as Mary Perkins Mcoomb, a girl from the tenements. Dody Scherer is assistant director to Mr. Regnier.

The cast has begun to work diligently and with much enthusiasm on the play which will be presented on May 11 and 12 in the New Ulm High School auditorium.

Connie Schmid Chosen Rotarian For April

Connie Schmid was guest Rotarian for April. He is active in basketball, football, baseball, Student Council, Senior Congress, and is on the class play staff. Connie plans on going to college after he graduates, but he hasn't decided just where he will attend.

VASS IST DASS?

The "German Background of New Ulm" was described by Carolyn Held in an article she wrote for the Gopher Historian. This magazine is published monthly during the school year by the Minnesota Historical Society. The Historian is endeavoring to describe the background of the different nationalities in different typical communities throughout the state. New Ulm was selected as the typical German community.

EAGLE NEWS

According to Miss Steen, three hundred N.U.H.S. students have bought 1951 Eagles.

The pictures have been sent to Schutte and Barnett at Mankato, and type has been set for almost all of the literature at Woebkes.

Halfway to Where?

Since this year of 1951 is the beginning of the second half of the Twentieth Century, it is a fitting time for both a backward and a forward look.

Professor Arthur M. Schlesinger, by way of a backward glance over the past 50 years, has listed the ten historical events of 1900-1951 which have had the greatest effect in shaping the history of the world. "He suggests the emergence of the United States as one of the two dominant world powers today as one "world-shaking" event of the first half of the Twentieth Century, and then lists World War I, the League of Nations, the political emancipation of women, the depression of the thirties, World War II, the practicability of atomic energy, the upsurge of labor, the abandonment of colonial imperialism on the part of the major nations of the world, the formation of the United Nations, and the emergency of Russia as the second dominant world power."

But now for a forward look as well as a backward glance. Being in the halfway position we are we may readily inquire "Halfway to where?"

The answer is, of course, not definite but a few of the predictions for the future are: That the age ahead may prove to be a golden one and the atomic age may well be that age "of which men have dreamed of for centuries."

In the next 50 years a 24-hour work week is predicted, a life span of from 85 to 90 years, and average incomes of \$12,000 a year in an economy eight times that of today serving a population in the United States of two hundred million.

Schooling will be universal between the ages of three and 20, and compulsory attendance laws will be operative nationwide. High school graduation, which will be the common experience of all 17 and 18-year olds will be followed by attendance at community colleges by the vast majority of young people. Tomorrow's school will witness a wider use of audio-visual materials [television will be commonplace and history in the making will be observed]. The school psychologist and psychiatrists will be as concerned with the mental health of the child as today's doctor is concern-

Dusty Broste: "Which do you desire most in a boy friend—brains, money, or appearance?"

Mary Siefert: "Appearance, of course, and the sooner the better."

Mr. Tyrrell: "Name three fast ways of easy communication."

Bob Clyne: "Telephone, telegraph, and tell-a-women."

How many men are there in the senior class this year?

"Oh, about five."

"What?"

"—But the others will grow up eventually."

Americans by the year 2000 will be riding around in spacious cars powered by rear engines as small as typewriters, and will be making interplanetary trips by rocket planes. REVEAL

Edie Wilson to Jane Lippmann
 "Of course I wouldn't say anything about her unless I could say something good. And, oh boy, is this good."

To!!!
 I have a car
 It never skids
 It never breaks down
 It never gets a puncture
 It never falters
 It never gets in a colision
 I wish it would start.

Famous last words:
 Connie Schmid—"I won't go steady with her again, I'll bet you a dollar!"
 Ralph Sunday — "Mad Distillers"..... silence.
 Miss West—"Just 10 more minutes."
 "Jeep" Heymann—"This car has never been stuck yet, ooops."

Mr. Harman—"My dear girl."
 Lorene Drill—"I hate men."
 Donny Rausch—"It's going to be just like the boy scouts."
 Mary Seifert—"I've got a good joke to tell you."
 Jim Gasner—"Mach schnell, Tex."
 Carolyn Held—"At Turner Hall the other night....."

A befuddled gentleman, obviously under the influence of a spiritous beverage, was approached by a cop.

"Off'sher, believe it's not, I'm lookin' for a parkin' plash.

"But, man, you haven't a car."

"Of yesh, I have, off'sher. It's in th' plash I'm lookin' for."

Boy: What's your brother doing for a living now?

Girl: Oh, he works with 50,000 men under him.

Boy: A factory manager?

Girl: No, he mows lawn in a cemetery.

Even though there isn't any joke to this, I bet everyone of you will read it to the very end.

Roses are red,
 Violets are blue,
 We ran out of jokes
 So, good-bye to you.

Roses are red,
 Violets are blue,
 We ran out of jokes
 So, good-bye to you.

Thoughts While Thinking

Haven't you been wondering where time has gone this year? Especially you seniors. Only about eight weeks left until graduation. Time certainly flies.

Did you know there are five classes of noses?—1. the Roman nose 2. the short Grecian nose 3. the thin crooked blunt nose 4. the snub nose, and 5. the flat nose. So what are you going to do about yours? Well, don't just stand there smell-bound.

A dedication to St. Peter: The Nutcracker Suite, written by that timid Russian Shy Kofsky.

Oh, many a woman uses a pill to get rid of a headache, and vice versa.

Next time someone asks you "Haven't I seen your face some place before?"—try answering "No, it's always been where it is now."

Life is just one fool thing after another; love is just two fool things after each other. This leads to the definition of a wedding—It's a funeral where you smell your own flowers. Ha.

A joke is something enjoyed by some and misunderstood by most.

There are five secrets of happiness: Money. Money. Money. Money. And Money.

After that I'm at a loss for words!

Looking Back Over NUHS

by Janet and Pat

Among other gifts, 18 decks of cards were given to our school in 1940. By the looks of things, some of those cards are still in circulation.

After an inactive period, the student government was reorganized in 1919.

Reward! Reward! A certain geometry teacher in 1919 offered a \$5.00 reward to anyone between the ages of 2 and 39,684 who would study geometry for 5 consecutive hours without looking up from his book. To everybody's surprise, no one took him up on it. Money couldn't have been very important in those days.

Remember those triple-dip cones? Our mothers probably do because they were popular around 1939 when we were about five or six years old.

In 1931 tardiness was made up in detention in the different teachers' rooms.

Let's dedicate this next item from a 1943 Graphos to the boys of our basketball team who are graduating.

One Act Play Takes Second Place In Contest

"Which is the Way to Boston" was the one-act play which New Ulm presented in the District 10 one-act play contest held at Fairfax on March 27.

New Ulm took second place with an excellent rating. Franklin, who took first place, got the only superior rating given at the contest.

Jim Kagermeier was one of the three to get recognized for "outstanding ability to portray character."

"The play was very good, and New Ulm acted as though they felt their parts," were some of the comments made by the judge on New Ulm's presentation of "Which is the Way to Boston."

Sob story in '48 Graphos:

Did you hear about the poor little Rice Krispie? He didn't have any pop!!!

It seems as though rationing was one of the main topics in 1943. Every column and every joke had something about it.

A program marking the Pearl Harbor anniversary was presented in a special assembly in '42.

In 1942 Easter vacation was shortened so that school could close one week earlier at the end of the year. This way students could accept summer employment one week earlier.

New Ulm was host to the 1942 music festival. Some schools represented were Belview, Echo, Fairfax, Franklin, Gaylord, Gibbon, Lambertson, Morgan, Morton, Redwood, Sanborn, Sleepy Eye, Springfield, Wabasso, Walnut Grove, Winthrop, Delhi, and Trinity High of New Ulm.

THE MUSIC BOX

By R. E. S.

The swing band travels to Morgan, Saturday, May 5, to play for the Morgan Junior-Senior Prom. This should prove quite interesting.

The New Ulm High School music department presented their annual Spring Concert Sunday, April 8, at 2:30 P.M. in the high school auditorium. The participating groups were the concert band, chorus, girl's triple trio, trio, trumpet duet, and a saxophone solo.

What would happen if: Ruth Halvorson could hold her breath

Bob Kornmann would play the flute

Swing band played a three-week stand at the Waldorf Astoria in New York.

Do you know what one instrument said to another instrument after a long concert? "I'm all played out."

That's about all for now. See you next month.
 P.S. Joke is original!!

BCEA To Hold Convention Here

New Ulm Public Schools will be host to the annual Brown County Educational Association on Monday, April 16.

The afternoon session, which commences at 2:00, will consist mainly of panel discussions and reports. Mr. George Dahl and Miss Laura Wuopio will participate in one of the groups. The NUHS band will present a short concert.

A banquet will be held at Eibner's in the evening. Supt. J. M. Herrmann will welcome the association and serve as toastmaster at the banquet.

The main speaker will be Dr. George Forell of Gustavus Adolphus College. Musical groups, the flute quintet and the triple trio, will also entertain.

Tissue sheer cottons are pretty popular again. Organdy, dotted swiss and voile are some of these cottons.

Tucks are making the blouse this spring, either in a bib or all down the front.

While Jane Lippmann was in the cities she went to a style show. Here are some of the things that interested her:

Organdy stoles or overskirts make up the formal.

Next winter when you buy your nylons, you will buy them in reference to your favorite perfume. Each shade of stocking has a corresponding scent.

Some of the color conscious people will be shocked at this. Jane saw violet and navy and violet and red together.

Many of the models wore dusters and that doesn't mean a household duster. It is a contrasting coat, with shorter sleeves, to wear over a plain colored dress.

Jane also mentioned that they were wearing flowers everywhere, not only at the neck as we are doing.

Bob Schmitz Is St. Paul Rotary Guest

Bob Schmitz, a senior at N.U.H.S. is the guest of the St. Paul Rotary Club in that city from April 7 through the 10.

The main objective in sending the boys is to acquaint them with whatever occupation they plan on going into later on. Bob is planning on going into business administration.

The senior going must first fill out a blank which tells which occupation he is interested in. He will stay at the home of someone who is already in this kind of work.

Besides finding out about the occupation, Bob and his host will tour Minneapolis and visit all places.

A senior boy from Trinity High School will accompany Bob to the cities. Last year Eddie Metzen had the pleasure of going.

Three Girls Represent NUHS In Speech Meet

Three New Ulm High girls attended the Regional Speech Meet held at Olivia on March 28.

La Donna Heck, in the extemporaneous field, received a superior rating and was chosen as alternate to the state meet. In the humorous division, senior Carolyn Held won an excellent rating. Dody Scherer received a superior rating in discussion.

The representatives from New Ulm were accompanied by Mr. Regnier, New Ulm High speech coach.

Girls' Swim Team Enters Meet, Takes Third Place

Five New Ulm girls participated in the Aqua-Spring Swim Meet held at the Y.W.C.A. in Minneapolis on April 6-7. They were: De De Dittrich, Marianne Martinka, Dody Scherer, Liz Furth, who is attending St. Catherine's College, and Kathy Fiemeyer, a student at St. Cloud Teacher's College.

The New Ulm team took third place with 21 points, as the Ascension Club took first place. Kathy Fiemeyer and Liz Furth took second and third places respectively in the 40 yard free style, while De De Dittrich took first place honors in diving. Marianne Martinka took a second place in diving, and qualified seventh in the 40 yard free style.

The relay team — Liz Furth, Kathy Fiemeyer, Marianne Martinka, and Dody Scherer, got the first place medals in the 120 yard race. Ascension's squad, which came in first in the event, were disqualified, so the New Ulm team kept their undefeated record.

Seven teams participated in the meet, including, the Minneapolis Athletic Club, the Ascension Club, and a team of girls from the University of Minnesota. A graduate of N.U.H.S., Donna Fiemeyer, now attending the University, swam for their team.

Eight Baseball Veterans Return; Opening Game Set For April 23
