Pictured above is the group of students which presented the annual Little Ten Discussion in front of the student body on January 24.

### Looking Ahead? Service Survey Shows Navy Is First Choice

A survey taken of the senior boys to find out what service they would join, if and when they had to leave, proves that Mr. "Navy" Ness has been doing some tall talking. The Navy was the favorite with 17 of the 28 senior boys, for they named that branch as their choice. The Air Force was second with six; two of the boys, namely Warren Heide-man and Vern Gieseke, chose the Coast Guard; while Tad Pirmantgen and Carl Brust listed the Merchant Marine. Last but not least, the 28th boy of the senior class, Bob Wandersee, chose to give his various talents to the French Foreign Legion.

### Debate Squad Wins Region Three Trophy

By winning over the Montevideo squad with an 8-6 decision, New Ulm earned the right to represent Region Three at the State Debate Tournament on February 10. Members of the squad are: Lois Neuwirth, JoAnn Herrick, La Donna Heck and Dody Scherer.

The tournament, held in New Ulm on January 23, included two rounds of debate. A tie between New Ulm and Montevideo, each with three wins and one loss, placed the decision on a point basis, where New Ulm held the edge.

Three towns, Canby, Montevideo and New Ulm competed for the trophy, which was presented by Principal Lynott to Mr. Regnier, coach of the debate squad.

The debate team traveled to South St. Paul on January 20, and won three out of six debates. Four states, Minnesota, Wisconsin, South Dakota and Iowa, totaling about thirty towns, participated in the meet. Other tournaments on the schedule include a meet at Gustavus Adolphus College on January 26 and 27 and the State Meet on February 10.

### Former NUHS Teacher Announces Wedding

An announcement has been received of the marriage of Mr. Penuelas, at one time Spanish teacher in New Ulm High School. His bride is the former Anita Fanjul of Guatemala. Her father, Mr. Jose Fanjul, is the owner of a coffee plantation there.

The wedding took place in New Orleans, Louisiana on Saturday, December 16, 1950.

Mr. Penuelas is now instructor of Spanish at the University of Denver.

## News In Brief

### CHEESE, PLEASE!

Friday, January 12, was a day of smiles in NUHS. Class and group pictures were taken for the 1950 annual.

\* \* \*

### NEW LIGHT ON THE SUBJECT

The board of education has engaged an electrical engineer to prepare specifications for new lights in the library.

\* \* \*

### WHO'S WHO

Harriet Krieger, a graduate of NUHS in '47, has been selected to appear in the book, "Who's Who in American Colleges and Universities". Harriet is studying at Mankato State Teachers' College.

\* \* \*

### LITTLE TEN

The annual Little Ten Discussion was held January 24 at 3:00 p. m. before the student body. The problem was: "Should control over radio, television, and movies be increased?"

\* \* \*

### COLLEGE PREP PREPARATION

The senior college prep classes are going to read "Hamlet" in preparation for seeing the movie which is coming soon to the New Ulm Theater.

\* \* \*

### WHAT'S WHAT

At a meeting of the student council it was decided to hold a special meeting to discuss the point system. It was also decided to have tournament ribbons again this year.

\* \* \*

### ENLISTMENTS

Two juniors and one senior have joined the armed services so far this year. They are Donald Rausch, 18, Earl Terhofer, 17 and Ray Brey. Donald joined the Marines and has reported to the Marine Base at San Diego. Earl and Ray will enter the Navy. Earl, as yet, is still at home, and Ray is still in school.

### GUIDANCE DEPARTMENT

Miss Schmid who is in charge of the guidance department is working mostly with seniors now. She has been counseling with them as to what they are planning on doing after school and helping them plan for college. Representatives from Mankato State Teachers College, Mankato Commercial College, and Carlton College at Northfield have already visited school to inform the seniors about these colleges. Representatives from Stephens College in Columbia, Missouri and Macalester College in St. Paul have also been here.

### PRACTICE TEACHER

"New Ulm High School is wonderful. It has so much equipment, not only in the Home Ec. department but also in the other laboratories." This was a comment made by Charlotte Fitch who is here from St. Paul to be a practice teacher in Home Economics.

### FFA To Hold Annual Public Speaking Contest

It was decided at the FFA meeting held on January 16 to hold the annual public speaking contest on January 30.

The winner will represent the New Ulm Chapter at the district FFA Contest which will be held at Lakefield on February 1.

Three freshmen, three sophomores, three juniors and one senior will compete in the contest to be held here. First, second, and third place medals will be awarded to the winners. Parents are invited to attend this contest.

A hog raising award of five dollars will be given to the boy who has the prize winning hogs. They will be judged on a record basis and also on the litter.

Several boys will go on a tour of the Winthrop Tri County Dairy in the near future.

The FFA boys are to be given much credit for passing around the word about the free adult classes that are held every Monday night. There were 78 farmers there at the first meeting and 83 at the second meeting. This is the highest record of attendance.

## Down South Of The Border---That Mexican Way

by Dot, Dona, and Jo

Palm trees, full moon and warm tropical nights, stars overhead, the smell of salt water on the ocean breeze, a native band—Aaaaaaaah!! Mumbo!

Cacti, dust, the sweltering heat of the sun, bamboo huts, thatched roofs, and meat drying on the porch-rails.

All this in the land of contrasts—Mexico.

Have you ever walked down a narrow sidewalk and stopped to find at your feet the freshly removed hide of a mule, with the entrails in a pile about two feet away? This we met in Acapulco.

Or have you gotten up at 3:30 A. M. to make a 720 mile drive in one day? That was also part of our trip to merry Mexico.

Instead of the usual travelogue we've decided to tell the most unusual incidents of our trip.

While driving through Texas on our way to Mexico, we ran out of gas in the middle of the fabulous King's Ranch without a service station within a 25 mile radius, so Jo and Mr. Achman had to hitch-hike to town for gas while Dot and Donna were left in the middle of the coyotes and rattlesnakes. All got back to civilization several hours later.

Driving in Mexico City is all its "cracked up" to be. With no signs or traffic lights the streets became a merry hodgepodge of cars; the person with the most nerve gets places. Mexico City is really the city of the "young men with horns."

## District Ten Basketball Tournament To Be Held February 19 Through March 3

### Final Games Will Be Played At Gustavus

The District Ten basketball tournament for 1951 will be held this year at New Ulm and Redwood Falls with the final games, the championship and consolation contests, at the field house at Gustavus Adolphus College.

Because New Ulm and Redwood Falls are the only schools which have the facilities to handle the crowds, the tournaments will be held simultaneously at these two auditoriums. The dates for the tournament are set for February 19 through the 23, the 26, 27, 28, with the final scheduled for March 3.

A meeting of the district committee and the tournament managers will be held on February 7 to make the tournament drawings. The schedule will be set up so that the two schools playing host to the tournament will be in opposite brackets and play all games before the finals on their home floors.

Admission prices will be 50c for adults and 30c for students for all sessions at New Ulm and Redwood Falls. Tickets for the final game at Gustavus will cost 1.00 for adults and 50c for students. Students' activity tickets are not honored at tournament games.

The towns in the district include: Redwood Falls, Wabasso, Morton, Springfield, Winthrop, Sleepy Eye, Belview, Franklin, New Ulm, Lambertson, Sanborn, Morgan, Gaylord, Wahut Grove, Gibbon, Echo and Fairfax.

### Hugh Sweetman Chosen Rotarian for January

Hugh Sweetman, an honor student who is active in golf and in basketball, was chosen Rotarian for the month of January. Hugh plans to go to St. Thomas College next year unless Uncle Sam interferes.

### Adults Return to School; Night Classes Begin

According to Mr. T. R. Olson, director of the adult evening school classes, there are 145 people taking advantage of the six courses offered at New Ulm High School that started January 8.

The agriculture class taught by Mr. E. H. Fier has the largest enrollment. This class being at 8 p. m. All other classes start at 7 p. m. Mr. Wold teaches the art class in the Emerson building. Mr. Achman has charge of the wood-working classes in the high school shop. Miss Hanson and Miss Westling hold classes in the home economics departments for those who wish to start with elementary food preparation and sewing. Mrs. Franklin, commercial instructor, teaches typing in room 308.

Two-hour classes are held every Monday night. There is a fee of \$3 for the ten weeks courses in art, woodworking, and typing. Agriculture, and home economics are free.

Mexico City is full of exciting things and we saw the most interesting of these on our tours of the city.

A visit to the swanky night club the "El Patio" proved to be a lot of fun. Dinner, dancing to the music of two orchestras on a revolving stage, and watching an entertaining floor show made up the pleasant evening.

We felt like millionaires in Mexico with our bulging billfolds full of pesos and centavos. For when we changed our American dollars and cents to Mexican money the rate of exchange was \$8.65 [pesos] for each American dollar, but the rate of exchange changes daily.

Did you hear Mr. Achman about three times a day yelling "Super"? If you did he was only getting gas at the Mexican filling stations. Super Mexilena gas, you know.

Driving days and days on narrow, winding mountain roads is no joy for the driver but the scenery is beautiful.

"Resting like eyebrows" on the mountainside is the city of Taxco, far apart from the rest of the world, full of atmosphere — cobblestone streets so narrow a car can barely squeeze through, and quaint shops in which to buy silver and cotton goods. Some of our most pleasant shopping hours were spent in Taxco.

All our meals were composed of six or seven courses.

Swimming in the ocean is very different from swimming in our pools

and lakes. The salt water made it easy to swim and every one had fun letting the huge waves carry them several yards toward shore. The sun was extremely strong and sunburns and tans identify all those who went to Mexico.

A trip around the harbor at Acapulco in a cabin cruiser was one of the highlights of the trip. While on the cruise we saw J. P. Morgan's yacht which had capsized in the harbor. We also saw Errol Flynn's yacht, and part of the fleet of the Mexican navy. A thrilling sight was a boy diving off a 120 foot cliff into a small cove for the entertainment of the visitors. When he performs at night with torches it's supposed to be even more thrilling.

New Year's Eve was spent dancing on the roof garden of the Club Los Cocoteros with stars and a full moon overhead and palm trees all around.

In Acapulco we also saw a bull fight. It was terribly bloody and gruesome. We almost got sick; nevertheless, it was something we wouldn't have missed for anything. Paulette Goddard and Esther Williams were among the spectators at the bullfight.

Going through customs was interesting but it was also a nuisance to have our suit cases, packages, boxes, etc., all checked. For a few pesos everything went through much faster, or often suitcases were not checked at all.

The point of this story is—If you want a wonderful time and a wonderful trip head down that Mexican way.

## Editorials

We will let the poet, Edgar A. Guest, speak for us and furnish the editorial for this issue:

### It Couldn't Be Done

Somebody said that it couldn't be done,  
 But he with a chuckle replied  
 That "maybe it couldn't," but he would be  
 one  
 Who wouldn't say so till he'd tried.  
 So he buckled right in with the trace of a  
 grin  
 On his face. If he worried he hid it.  
 He started to sing as he tackled the  
 thing  
 That couldn't be done done, and he did  
 it.  
 Somebody scoffed: "Oh, you'll never do  
 that;  
 At least no one ever has done it";  
 But he took off his coat and he took off his  
 hat,  
 And the first thing we knew he'd begun it.  
 With a lift of his chin and a bit of a grin,  
 Without any doubting or quiddit,  
 He started to sing as he tackled the  
 thing  
 That couldn't be done, and he did it.  
 There are thousands to tell you it cannot be  
 done,  
 There are thousands to prophecy failure;  
 There are thousands to paint out to you one  
 by one,  
 The dangers that wait to assail you.  
 But just buckle in with a bit of a grin,  
 Just take off your coat and go to it;  
 Just start to sing as you tackle the  
 thing  
 That "cannot be done," and you'll do it.

"You are educated if you can do what you ought, whether you want to do it or not."

### MEN ARE FOUR

He who knows not and knows not that he knows not: He is a fool. Shun him.  
 He who knows not, and knows he knows not: He is simple. Teach him.  
 He who knows and knows not he knows: He is asleep. Wake him.  
 He who knows and knows he knows: He is wise. Follow him.—Arabian Proverb

## Sophomore Whirl

If while you're walking through the hall you hear someone call Doris Wiedl, "Weeds," don't think it's a name she doesn't like, because Doris just loves the name.

We wonder why it is Wayne Broderson is continually calling Darwin Jones, nephew. Maybe because Wayne likes Darwin's teenage aunt; but we didn't think he liked her that much.

The back of the room in 2nd hour history must be pretty popular; Richard Ginkel is trying his best to convince Lila Grau that her eyes are bad so she can change with Luverne Ahrndt. Wonder what they want to do back there?

Ronald Schroeder seems to have a different nickname from every one. Orlue Schmidt, Barbara Keckeisen, and Shirley Sandau make him blush everytime they call him their pet name.

Have you seen Betty Bockus' "butch" haircut?

Did you know that if Mary Tauscheck grows to be an "old maid" she will have two pets, Polly and Tally.

We've heard about Barb Fesenmaier's latest accident. By the looks of things, she should have a rubber car.

Wouldn't it be silly if we were like grasshoppers? A boy grasshopper would say to a girl grasshopper, "May I hop you home?" One hop would be about 3 blocks. Just think how fast you could get home!! Nuts!!! That wouldn't be any fun.

Have you noticed the flashy new Fri-Le-Ta pins on some of the girls? Pretty aren't they? The pins we mean.

Can anyone explain? We hear that a certain club formed south

## Thoughts While Thinking

Greetings and hallucinations!!! Yonder comes ye olde Valentine's Day—which makes me think of what Mark Twain once said "Man is the only animal that blushes. Or needs to." Oh, is your face red!

My but my little pointed head is busy thinking thoughts—as usual.

I've always wondered why the holes are in Swiss cheese—it's the limburger cheese that needs the air-conditioning.

Why is "I" capitalized? "He" and "she" aren't, unless they're at the beginning of a sentence. Kind of egotistic, isn't it?

In case you've been wondering why some girls are foolish. It's because the Almighty had to make some matches for the boys. At least that's what they tell me.

It takes 34 muscles to frown and only 13 to smile. So why do we waste the energy?

Here are a few things I happened across that I think are worth thinking twice about. At least once, anyway.

A friend is a person who knows all about you—and still likes you.

Digging wells is about the only business where you don't have to begin at the bottom.

Speech is like a wheel; the longer the spoke the greater the tire.

After all is said and done, more is said than done.

**JoAnn Herrick:**

 At least it used to be.  
 First it killed the Romans  
 Now it's killing me.

**Miss Raverty:** I'm about to perform a delicate experiment. The least mistake I make will blow us all through the ceiling. Now gather around so you can follow me more closely.

**Mr. Zahn:** Give an athlete an inch and he'll take a foot. But let him have it. Who wants athlete's foot anyway?

**Who's Bert??**

Last Friday there was a lot of excitement among several junior girls and within a short time many of them were writing notes and letters. Maybe it's the Hah-vahd accent. But who?

Since this is our last issue before February 14 we'd like to send out some valentine wishes. Valentines to:

Our team—for winning so often and losing so well

Our faculty—for being patient with us

Our band—for their swell concert

Our school mates—for being a grand bunch of kids.

## Saint Valentine's Day

For centuries, February 14 has been observed as Saint Valentine's Day, but how many of us do know why we call it Saint Valentine's Day? Many of us think of it as a day only for friends and sweethearts to exchange valentines.

Traditionally, February 14 is a day for lovers. In medieval times young people in England, Scotland, and France used to assemble on Saint Valentine's Eve. They drew names by chance from an urn. Each person then became the "valentine", that is, the special friend of the one whose name he drew. It is still customary on this date to exchange gifts, many of them heart-shaped, as an expression of affection. Friends send cards, flowers, and candy as greetings.

Of the several saints named Valentine, the most important were a Roman priest and a bishop of Terni, both of whom were executed in Rome in the third century. The Roman festival, Lupercalia, which occurred on February 15, may be related to the modern celebration, but it was never proved.

**Double tragedy**

Dumpy Roiger: "There goes a sensible girl."

Kenny Bassett: "Yeah, she wouldn't go out with me either."

**Mighty tricky:**

Tad Pirmantgen was telling us about a trick he had learned in wrestling the other day.

"So I grabbed his wrist like this—then I grabbed his arm like this—then I twisted like this—and before he knew what hit him—I was flat on my back!"

If you want a better job to turn up, keep the corners of your mouth that way.

**A new one:**

One morning Vernon Gieseke stared into a mirror at his bloodshot eyes, and resolved never to go into a bar again.

"That television," he muttered, "is wrecking my eyes."

**Who said moron jokes were dead?**

A little moron turned his sox inside out. He said his feet got so hot he had to turn the hose on them.

[I guess they are dead at that.]

## Candid Corner

by Barb and Jean

In chorus the other day we overheard Ralph talking to Hughie.

Ralph—Say, Hugh, I heard the Lakers are after you?

Hugh—Huh???

Ralph—Yes, they heard you're all wet!!

[As you might suspect, this is one of Ralph's own compositions.]

In band last week Joy was trying to teach Darwin to play the flute. As she leaned over to adjust the mouth piece, Darwin yelled, "Joy, not so close." Interesting band classes Mr. Strang conducts!

It's a beautiful day for the races, not a teacher in sight, the time is five seconds before 8:45—four—three—the students are approaching the starting gate, and There They Go—

Nancy and Wally are out in front with Pollei "dribbling" in; the rest of the flock is rocketing by, and in last place, Sweetie-bomb.

Around the first turn and up the stars, it's Vernie by a swollen eye; "Ceille" and "Connie" are neck and neck with "social problem" close behind; Burton Kilmer bringing up the rear—wigggle! wigggle!

The students are going on the second flight of stairs with Gasner in front by a nose. It's "Snazzy Schmitz", "Fuzzy Fenske" and "Suspenders Olson" in the stretch, and in last place by ten stairs, we believe it is, "a-TOM-ic Niemann".

What a race! Mr. Lynott and Mr. Herrmann are chewing cigars on the sidelines as the students go on the third flight. "Laughing Hyena" [Hirschert] is closing in and Current is buzzing into the swarm.

Around the last turn and up to the lockers the Juniors are creating a wild disturbance; they're tearing all over the place. We don't know whose shirts they are tearing; gasp!! gasp!! They're ours!

And there goes the winner of the grand sweepstakes, that handsome young man with the "French disposition", Arlon Schmidt. Before we have him say a few words to you, we're going to tell you all about the wonderful prizes. The first prize is a dinner for two in our cafeteria. To decorate your desks, we are giving you free of charge a "full house" of beautiful, gold-framed pink slips—made to order—and, to top it off a copy of "Your Key To N. U. H. S.", attractively bound in imported red cardboard for future references. And now, Arlon, what do you have to say to our students concerning your magnificent prizes?

"All I got to say is, 'Haste Makes Waste'."

We wish to congratulate Misses Iverson, Nelson, and Halvorson. Be sure to give the right accent to the pronunciation of these names.

## REVEAL

**It takes brains**

A senior English class was asked to correct this sentence—What is the best time to see deer, early morning or late afternoon?

One senior changed it to:

Dear, what is the best time to see, early morning or late afternoon?

**Good Question**

"Chubby" Palmer—"I'll bet I can answer more of my questions than you can of yours."

Lorraine Juhnke — "Yes? O.K. You start."

Chubby—"How can a rabbit dig a hole without leaving any dirt on top?"

Lorraine—"That's your question, answer it."

Chubby—"He can start from the bottom and dig up."

Lorraine—"How can he do that?"

Chubby—"That's your question, you answer it."

**In senior English the other day—**

Miss Kayser read a sentence to be corrected, she read:

"Bob and I are going to the show."

Bob Wandersee said, "Well, let's get going, before I fall asleep."

# The Music Box

by R. E. S.

The New Ulm High School junior and senior concert bands, under the direction of J. F. Strang, presented their annual Winter Band Concert, January 21, at 2:30 p. m. in the high school auditorium.

The dance band also was in action this month. They played at the Woodchoppers' Brawl, Saturday, January 27.

The chorus was cut down in number last week by Miss West. There are about ten fewer voices now.

Another change was made in chorus—the boys have been moved up to the front. I wonder what brought this on?

New Ulm High School's Variety Show was presented during the assembly last Friday. The swing band, the "Mad Distillers", and the girl's triple trio provided the entertainment.

# Assembly Program: Wade Quartette

## Quartette to Present Musical Variety Program

Variety is not lacking in our next University of Minnesota Lyceum program which will be presented February 6, at 11 A. M., by the Wade Quartette.

Two marimbas; a piano accordion; and a piano and Hammond electric organ are combined in their performance of solos, duets, and ensemble numbers.

Music of the costumed quartette will range from that of the Masters to the modern composer. Each piece has been specially arranged for the group.

by Dot and Ceil

What is your ideal girl or boy? Here are some opinions of New Ulm High School students and teachers.

Roger Ulrich

"Her figure must be something like this [as his hands made a couple of wavy lines]. She must be talkative, polite [open doors for me and so on], and intelligent. My ideal doesn't have to be good-looking, but she must be able to say "the heck with it."

Jean Keckeisen

"He must be tall and dark, but not necessarily handsome. Sports must interest him, and of course he must have some intelligence. I'd like him to be short enough to get in the door, but too tall to climb out the windows. He must be a golfer... or at least be able to find the golf course at night."

Jim Gasner

"Hum—she must have a good shape [naturally], must be a washed-out blonde, with a nice personality. A gal who sticks to New Ulm boys, I want her to be heavier than normal [what?] so that there is more of her to love [oh!], plus a Cadillac convertible, two-tone blue with a radio and a GOOD heater to keep me warm. Otherwise, anyone will do."

"Korny" Kornman

"She must be good-looking—that's what counts you out Sauer. [Evie Sauer was sitting next to him when we asked this question]. I'd like to go with a good dancer. There is only one thing in particular that she must have and that's money; that is, if she wants to go out.

Dody Scherer

"He must be fairly tall, with a nice build, reddish blonde hair, but above all, kind, understanding, patient, fun to be with—and—someone who can think up a good excuse every night [Dody, what do you need those for?]. He must have an interest in sports, baseball that is, and he must like chocolate cake, fudge and

One of the most sophisticated magazines, Flair, has gone off the newsstands; but a new color has been left behind. It is "white wine", a beautiful off-shade of white. Don't be surprised if some graduation dresses are "white-wine".

Heavy gold jewelry sets seem to be the rage now. Lots of these sets must have been given for Christmas. Most of them consist of necklace and bracelet.

The darker shades are in for spring, especially navy and brown. Although gold isn't quite as dark, it is popular, too. A new spring color for those Easter bonnets is lilac, or lavender.

Speaking of unusual fashions—have you seen the jewelry that pins on bare skin? Don't be alarmed though 'cause it's "pinned" on by suction. If you are lacking a beauty mark you might be interested in the pin that's used in its place.

It looks like the "old look" is taking the place of the "new look" in skirt styles. I wonder what the boys think of it.

Dentyne gum."

Connie Schmid

"She must be about so tall with that much of this, and that color hair. Since this was a wee bit indefinite he went on to say that she must wear lipstick that won't come off [buy her Pond's, Connie], she must be a cheerleader with the initials L. K. on her class ring, and she MUST... co-operate. Hmmm.

Cleo Harmening

"My ideal is a tall basketball and kittenball player who must have a heine and brown eyes. [Cleo's opinion is entirely unbiased and unprejudiced]. Of course he must have a car with a heater... Oh, and a little brother to take me to the show when he isn't here. He doesn't have to have too much money, because I don't like a lot of money [silly, silly girl]. My ideal positively has to be a brute so that I can handle him."

Tom Pfaender

"My ideal girl would have a pleasing personality, be schooled in the social graces, neat, and above average in physical, mental and emotional health. Her interests must be broad in everything. She must like outdoor activities such as swimming and camping, but she must also be able to adjust herself to things like night clubs, dancing and so on. [He wouldn't clarify the "and so on", however.] She must have a glowing skin, white teeth, and clear eyes; the warmth of the Mexican senorita, the coolness of the Viking blonde, and the grace of a Greek goddess."

Shirley Lund

"I'd like my ideal to be real tall, and a good dancer, and he can not be a show-off. He has to be a guy who gets into sports and doesn't sit on the side lines. But personally, I hate men!!" [Oh come now, Shirley!]

Mr. Regnier

"She must be short, of course, her hair must have a little red in it, and she must have just a few freckles. She must have a voice that just slides from her lips, she can't be too thin, and she must have enough intelligence for conversation at least. Oh, and I like them to smell nice!"

# Mutton - Chefs!

You never know what those Senior boys will do next! Now they are starting off the afternoon with breakfast. Of course this is part of their newly-planned schedule for this last semester. Their menu consisted of juice, bacon and eggs or a cereal, cocoa, and toast.

Verlin Goering and Arlon Fritsche had very attractive tables. When asked how the food tasted they replied, "It tasted better than it looked."

Some boys tried the "advanced" method of frying eggs. Meaning—flopping the fried eggs with a frying pan.

Bob Wandersee yelled over to Carl Brust, "How's everything?" "Carly" answered, "Everything is O.K.—except the food."

When asked what the boys thought of the practice teacher, Miss Fitch, they answered in a whistle. Carl said, "I wouldn't mind doing some home cookin' with her."

Next in line for laboratory work will be breakfasts of griddle cakes, waffles and sausages. Then they will prepare hot breads, muffins and luncheons and suppers. They should make some lucky girl a thrifty hubby!!

## Eagles Win Over St. Peter 45-41; Top Waseca Team by Four Points

St. Peter

Waseca

A high fouling, ragged basketball game saw the New Ulm Eagles at the top of a 45-41 score in a conference game with St. Peter on January 9.

New Ulm held the lead throughout the game, but the Saints were never far behind. A bucket and a free throw by Sweetman started the scoring. After a score by Hill, the Eagles went ahead 6-1. Trimbo and Moses scored for St. Peter, then Schmid, Steinbach, Hoffmann and Sweetman connected to give the Eagles a 11-5 lead at the end of the first quarter.

St. Peter outscored New Ulm in the second quarter as they hit for ten points. Jim Hoffmann and Hugh Sweetman were the only scorers for New Ulm. The Nessmen held a 19-12 margin before St. Peter scored on a free throw and a bucket by Hill, as the half ended 19-15 in favor of New Ulm.

The third quarter saw New Ulm spurt ahead as Jim scored two free throws and two buckets, and Sweetman netted two gift tosses for the Nessmen. New Ulm kept going, leading by a score of 37-21 with a minute-and-a-half left, but St. Peter scored six straight points to pull up to a 37-27 score.

With a 43-21 lead for New Ulm, St. Peter made a belated scoring spree. Bjorklund scored on two baskets and three free throws, Hill on two free throws and a bucket, while Schmidt and Stewart each scored one point. Hoffman, Sweetman and Schmid did the scoring for Nessmen in the final quarter. Short tempers started to break loose after the final horn, but the fracas was quickly settled, as New Ulm won the game 45-41.

The New Ulm squad came out on the short end of a 47-43 score in a rough and tumble game with the Waseca Bluejays.

Both teams battled for the lead, and it wasn't until the fourth quarter that Waseca went ahead to stay. Six players left the game with five personal fouls, four of the players from the Eagle's starting lineup.

The Eagles went strong in the first half, as they started with a 6-1 lead early in the first quarter. The Nessmen ended the period with an 11-8 edge. In the second quarter Waseca doubled their score, racking up eight points, but the half ended in a tie between the Eagles and the Bluejays at 21-21.

In the third quarter the lead changed hands five times and tied three times, but Waseca took the edge of a 31-30 score.

The fourth quarter saw plenty of action for both sides. New Ulm made five points on buckets by Sauer and Sweetman and a free throw by Heymann. After an exchange of buckets, Waseca went ahead. The Blue Jays, with a four point edge, stalled out the last minute to win the game 47-43.

### Two Teams Top In Intramural League

by Connie Schmid

Bob Grossman's "Mighty Mites" and Wally Eckstein's "South Siders" are tied for the intramural lead with four victories and no defeats for both teams. Both of these teams have dumped their opponents by large scores, and when they meet, the game should prove to be tops.

Bob Schmitz' "Sinkers", Dick Wegner's "Flying Krauts" and Walt Keckeisen's "Stein Kophs" are tied for second place, while "Dumpy" Roiger's "Hoppers" and Rolly Olson's "Yumpin Svedes", both with one win and three defeats, share the third place standing. Ralph Sunday's "Rambling Wrecks" took to the cellar when they lost to Keckeisen's team. The "Yumpin Svedes" pulled up a notch when they took their first victory from the "Sinkers" in the games played on January 25.

Although Ronnie Roiger's team hasn't been faring too well, Ronnie has the undisputed lead of the high scorers, according to the records up to January 24. Ronnie has scored 50 points in three games for a 16.7 point average. Bob Grossman is second by scoring 42 points for an even 14 point average.

The averages of the rest of the first ten are as follows: Tom Kraus, 13.6; Walt Keckeisen, 13.3; Bob Schmitz, 11.3; Rolly Olson, 11; Ralph Sunday, 9.6; Carl Brust, 8.3; Warren Heideman, 8; and Dick Wegner last with a 7.6 point average.

### Gym Team Has Five Meets On Schedule

New Ulm's gym team is again going into action this year, as sixteen boys enter competition, under the coach, Mr. Pfaender.

On January 20, New Ulm played host to a quadrangular meet with Fairmont, Madison and Ceylon the visiting schools. In the "C" class, Fairmont took first place, New Ulm second and Madison third. John Wolf won high place with a 271 score in the individual competition. Madison took first in the "D" class with Fairmont and New Ulm placing second and third respectively. Jim Wolf took fourth in the individual competition.

The gym team travels to a meet at Madison on January 27, the Southern Minnesota Meet will be held on February 10, while the State Meet is on the 17. Northwestern Meet on February 24 will complete the schedule.

The boys who are on the gym squad are as follows: "C" class: Junior Ahrndt, Dick Veeck, John Wolf, Noel Iverson and Art Fiemeyer.

"D" class: Alan Iverson, Sid Herrick, Ken Clyne, Tom Christensen, LeRoy Youngbloom, Harlan Aseleson, Ronald Schroeder, Jim Palmer, Robert Dittrich, Jim Wolf and George Peterson.

## New Ulm Plays Close Games, Defeat Blue Earth; Lose To Hutch 50-49

Blue Earth

The Eagle squad edged by the Blue Earth team by two points in a game played on the Buc's floor. The final score was 59-57 in favor of New Ulm.

A high scoring first quarter for the Eagles showed Heymann, Sweetman and Hoffman combining for seventeen points, while Blue Earth, led by Narum with five, totaled nine points.

Both teams kept going in the second quarter. New Ulm hit for eight buckets and a free throw by Pollei for another seventeen points. Narum led the scoring again for Blue Earth as the team connected for eighteen points. The half time score saw the Eagles on top of a 34-27 point margin.

Blue Earth started to creep up in the third quarter as they outscored the Nessmen by four points. Narum, Sohn and Anderson combined to narrow the Eagles' margin to 48-45 at the end of the period.

Guard Jim Hoffmann scored on two baskets and a pair of free throws, while Sweetman dumped in two buckets keeping the Eagles on the winning side but Blue Earth came back to tie the score, giving the New Ulm fans a bad scare. After a last minute stall, the game ended in favor of New Ulm with a 57-59.

### Wrestling Team Meets Blue Earth, Waseca

by Connie Schmid

The wrestlers of New Ulm High School dropped three decisions, two to Blue Earth and one to Waseca.

The first Blue Earth match, which was held here in the small gym, found the Eagle matmen losing all but four of the matches. Chuck Scharf won a decision in the 112 lb. class. Vern "Weasel" Walden in the 155 division and Wally Eckstein in the heavy weight division won on pins. Don Rausch, who recently joined the U. S. Marines, gained a draw.

The Waseca match, which was also held here, found the Eagles winning two matches and tying one. Chuch Scharf won on a pin, and Chuck "Bull" Niehoff garnered a draw. Walt Eckstein got a forfeit.

Blue Earth's Buccaneers won all but three of the matches in the meet held down at Blue Earth. Again it was Chuck Scharf, Vern Walden and Walt Eckstein winning their matches, all three on decisions.

Hutchinson

New Ulm's Eagles staged a brilliant last quarter rally, but lost an overtime game to the rangy Hutchinson club, 50-49.

The Tigers kept the lead for three quarters, but a comeback, sparked by Jim Hoffmann and Cal Rolloff, put the Eagles back in the game. In the final three seconds of the game, Cal dumped in a bucket to tie the score at 47-47, putting the game into an overtime period.

A first quarter scoring hit for Hutch, led by guard Wendall Jahnke with four buckets, saw the Tigers out in front of a 15-11 score. Sweetman, pretty well tied up with a semi-zone defense by the Hutch club, dumped in six points for the Eagles in the first quarter.

In the second quarter Cal Rolloff was the high point man for New Ulm as he tallied three free throws and a bucket, but Hutch still led, 25-22 at the end of the first half.

Jahnke, who was high point man of the game with 25 points, kept the Tigers ahead in the third quarter. Hutch was nine points ahead at the end of the period with a 40-31 score.

The New Ulm club, trailing by twelve points, started going to town. A basket and a free throw by Hoffmann, and two buckets by Sweetman, gave New Ulm 43 points with less than three minutes to go.

Hutch then went into a stall, but a jump shot by Hoffmann started the ball rolling again. A free throw by Jahnke in the last 55 seconds put Hutch in front by two points. Then with only three seconds left, Rolloff added the basket which tied the score.

After 45 seconds of the overtime period had passed, Rolloff dumped in another bucket to put the Eagles ahead, but Jim Hoffmann was charged with his fifth personal foul on Jahnke's two pointer, giving the Tiger guard a free throw. The toss slipped through the net, giving Hutch the victory, 50-49.
