SUCCESS!!!

A word that comes up every year around graduation is the word "success". Just how do you become successful?

The word, however, should not only affect graduating seniors, for it is important not only after high school but during it, too. The answer, of course, is in its definition, and I doubt if there is a better definition than Berton Braley's in his poem:

SUCCESS!

It's doing your job the best you can,
And being just to your fellow man;
It's making money, but holding friends,
And staying true to your aims and ends;
It's figuring how and learning why,
And looking forward and thinking high;
And dreaming a little and doing much;
It's keeping always in closest touch
With what is finest in word and deed;
It's being thorough, yet making speed;
It's daring blithely the field of chance
While making labor a brave romance;
It's going onward despite defeat
And fighting staunchly, but keeping sweet;
It's being clean and it's playing fair;
It's laughing lightly at Dame Despair;
It's looking up at the stars above,
And drinking deeply of life and love;
It's struggling on with the will to win,
But taking loss with a cheerful grin;
It's sharing sorrow, and work, and mirth,
And making better this good old earth;
It's serving, striving through strain and stress
It's doing your noblest—That's Success

The Coming Seniors

by Barb and Jean

The seniors coming up next year really aren't as worthless a class as some teachers and students may think!

Some of their high standing future ambitions are:

Billy—to strive for a good golfing drive
Dolores—to go steady with Eddie
Noel Iverson—to junk that heap—down a hill nice 'n steep
Barbara F.—to caddy for Patty
La Donna—to get "RICH" [?!]
Faith F.—to hook her a good looker
Jean G.—to wait for her mate
To the seniors from the class of '52
Gosh! You seniors sure were swell
And boy oh boy! you sure could yell
At us, at games, when it was just right;
And you know, our classes never had a fight.
Here's wishing you the best of all
We'll really miss you 'round the hall
So it is with pride we say
"You seniors really are —OK!"

Bev Jensen
The Man I Love—Marie Kenning
I Wonder Who's Kissing Her Now—Connie Schmid
The Best Things in Life are Free—Dot Campbell

There were also a few "Pet Sayings" such as:
Nancy Peterson—Oh, dotsy potsy!
Ruby Hewitt—You're not the only one, boy!
Marie Kenning—Oh, did he ever look at me!
Wm. Metzzen—Bacteria, you know!

We would like to leave these four parting song dedications with you:

1. Never Been Kissed—Renelda Hirschert
2. Alright, Louie, Drop That Gun—Carolyn Held
3. Pomp and Circumstance—Memory book of the Class of '51
4. Rejoice and Give Thanks—To the teachers

TO THE CLASS OF '51

Well, ALUMNI, this is the time we have been waiting for, our graduation, but now that it is over, we think that maybe we didn't know when we were well off!

To all you lucky kids going to NUHS next year:

Be good, study hard, and don't get too many pink slips.

We have had a lot of fun [and work too] writing this column. Good luck to the kids who take it next year.

Dot 'n Ceil

Jokes Old and Rusty

Mary and Dusty

Birds on the mountain,
Fish in the sea,
How you ever graduated
Is a mystery to me.

First we meet,
Then we part.
That's the sorrow
Of a graduate's heart.

Bob Clyne: I can't! I can't!
Mrs. Clyne: Bob, never say you can't.
Bob: All right, let me see you put the tooth paste back in the tube.

To The Freshmen:
Start low,
Climb high,
Best of luck in Senior High.

Remember seniors,
Always be like a piano—grand, upright and square.

Our jokes this year may not have been the best, but we did the best we could and we hope you had some enjoyment out of this column.

A poem to summer drivers:
Spring has sprung
the grass is ris
On the places where last year's
Careless driver is.

Sophomore Whirl

I can't imagine why all the teachers tell David Hagemester not to talk all the time. After all do you think he's very much of a pest?

The other day Wayne Broderson was driving down the college hill, and he happened to take three posts along. He said it was the car's fault, but—you know Wayne.

Arlene Rewitzer looked awfully tired the other day. Maybe because the night before was the last night she could be with her guy, Jerry. He left for the army now; poor Arlene.

The other day in Biology, Janet Schmidt was talking to Teddy Ranheim, when all of a sudden Miss Raverly said, "Janet, you'd be much smarter if Teddy and you wouldn't be so interested in each other." Well—something new.

Some odd excuses have been coming in to Miss West about getting out of chorus. Maynard Bakken even came in with an excuse that he had to go buy a pig. The truth is he really did.

While asking kids what to write for the GRAPHOS, Kugo Kagermeier said he thought he was the Jack Benny of the high school. I know some kids that think some of his jokes smell.

Tests must be a "thrill" to Mr. Ness. We have one every day now!

The kids in sixth hour history must be quite the brains. Most of them seem to get all A's and B's on their tests.

Two of our sophomore boys earned the right to go to the regional track meet. Congratulations to John Lloyd and John Heymann!

I think Richard Rose should have two lockers. The day we got to clean out our lockers, he could hardly open his; it was so full of junk.

Thoughts While Thinking

This whole year I've been showing my ignorance, and for a change I'm going to try to hide it a little. Don't ask what brought all this about, but maybe it's because graduation is over and I'm an alumna now. About this time of year, all the seniors, pardon me—alumni, are looking forward—wondering and worrying about what's ahead of them. And because they say a word to the wise is sufficient, maybe these few words will help somewhat. They are the "thoughts while thinking" of much better qualified thinkers than myself.

Every day should be passed as if it were to be our last.

Let me do the thing that ought to be done, when it ought to be done, as it ought to be done, whether I like to do it or not.

You should forgive many things in others but nothing in yourself.

Whatever you are by nature, keep to it; never desert your line of talent. Be what nature intended you for, and you will succeed, be anything else; and you will be ten thousand times worse than nothing.

What is impossible to change is best to forget.

The best way to cheer up yourself is to cheer up some one else.

When you think of life, don't think of it as happiness with intervals of grief, but think of it as sorrow with periods of happiness.

The greatest of faults is to be conscious of none in one's self.

The men who try to do something and fail are infinitely better than those who try to do nothing and succeed.

With those words I'll close, wishing the best of luck to the alumni, and also to next year's seniors!!!!!!

Graphos Staff 'Epitaph'

GOOD LUCK!

As a final word in this final issue, the staff would like to say that we hope you have enjoyed this year's Graphos. We've had a lot of fun putting it out and we've tried our best to cover thoroughly all the news and also to make it interesting to everyone. It didn't take us long to find out that the latter isn't as easy as it sounds. All the seniors on the Graphos staff want to wish next year's staff "lots of luck." And especially want to wish the new co-editors, Carol and Sharon, the best, too.

THE GRAPHOS FILES

At the graduation exercises of 1941, the seniors trudged down the aisle to the strains of "The Grand March" played by the high school orchestra.

In the last issue of "The Graphos" the teachers wrote good-byes to the seniors. The superintendent advised: "Keep your head up, don't take any wooden nickels, and drop in to see us once in a while."

Of the 116 graduates in 1941 '37 went to college.

Graduation—1951

When the class of '51 leaves the halls of N.U.H.S. it will be leaving behind it a collection of memories. Many of these memories are recorded in "The Graphos" which will soon take its place in the files. Thanks seniors, for some wonderful memories!

From the sounds of this poem there must have been some "witty" students here in 1943.

Spring is sprung,
De boide is on de wing.
Dat's absoid,
De wings is on de boid.

IT'S BEEN A LONG RUN
1951 graduates

But you'll go a lot farther yet.

GOOD LUCK

GOOD LUCK CLASS OF 1951

FROM FRESHMAN to SOPHOMORES to JUNIORS to SENIORS to ALUMNI

Through these four years of work and fun at New Ulm High School strange faces have become familiar ones. When we came to our first assembly on September 3, 1947, we envied the students sitting in the middle section downstairs. Now that we have occupied the same seats for one year, there is many a sad heart among the Class of 1951 to think that soon we will leave.

Starting out with 92 students in the freshman class, we were informed that we were the smallest freshman class in many years.

We selected 'Rolly' Olson to lead us as our class president and Hugh Sweetman as our representative on the Student Council.

We also have royalty among us. When the annual Posture Program was held, two members of the freshman class took the honor of being Prince and Princess. Ray Brey and Lucille Kosek, respectively, were chosen.

We were proud to have Donna Nelson named as editor of our Junior High paper, The Eaglet.

For a while we thought we saw double. This was soon cleared up. The new addition to the class was a pair of identical twins, Don and Ron Iversen. We have another pair of twins, too, Bob and Marion Wandersee.

On October 3 we had Homecoming. "Make Redwood Deadwood" was chosen as the slogan. Sorry to say, we lost 6-0. Everyone had fun at the dance though.

On September 8 we returned as sophomores. As in every year and class, the majority returned. There

are a few, though, who fall by the way. Our small class was decreased to 88.

To lead our class we chose Bobby Schmitz.

During the summer at the Nicollet County Fair, one of our classmates walked away with a 4-H award. Jane Lippmann scored highest in health tests thus making her a club champion.

For Homecoming, on October 23, we played St. Peter. The slogan chosen was, "St. Peter, We'll Beat 'er". We won 7-6. Everyone was happy, except St. Peter, of course.

The basketball team showed signs of going places this year. On January 14, everyone congratulated Hugh Sweetman. He made the extra point in the Hutchinson game to win for us, 44-43. In other games, too, Hugh shone. He tied several games at tense moments and made good charity tosses to win games with just seconds to go.

The N.U.H.S. five walked off with the District 10 title by defeating Redwood, 51-35.

For many of us the Music Festival, held in New Ulm, was the first. We had loads of fun. We all met many students from other schools and found out how their school music departments were operated.

On May 7, was the Jr.-Sr. Prom. We were thrilled to think we could serve. After the banquet was over we all found out just how thrilling it was. There were an awful lot of dishes. We watched the dance with utter amazement. All the beautiful formal and decorations!

For the second year we saw a Senior Class graduate. The Class of '49 had made a grand exit to high school days forever.

When we returned back to school we had added a few more students and at the same time we lost a few. Added to our enrollment were Vern Budahn, Gordon Caswell, Rudy Laingen, and Lorraine Wieland.

For the Homecoming football game we played Redwood Falls. "Redwood—Falls" was chosen as the slogan.

Our football team won the South Central Conference. The Eagles won or tied all but one game with Redwood which wasn't a conference game.

The Junior Class chose, "Drums of Death" as their class play. 'Rolly' Olson had the leading part with ten others in the supporting cast.

Donna Nelson was chosen as Posture Queen. This was the second year a member of our class was among posture royalty.

Donna, too, was chosen to represent N.U.H.S. in Girl's State.

The Eagles' basketball team won the Dist. 10 consolation game from Franklin, 48-36, thus putting New Ulm in third place.

The Jr.-Sr. Prom! Our class had charge of the decorations. "Luxury Liner," was the theme. The stage was decorated to look like a ship. The back-drop was an island with palm trees and a huge silver moon.

On commencement day we began to feel the sentiments

and share with the class of '50 the sorrow of leaving.

When we came back as seniors, we realized that everything that we would do would be the last for good old N.U.H.S.

Eighty-one students constituted the senior class. Bernice LaPlant was the only new member.

Donna Nelson was appointed as Graphos Editor.

For the last time we elected class officers. Wally Eckstein was President, Rolly Olson as Student Council President.

Already Homecoming plans were getting under way. "Jinx the Jimmies—Friday the 13th" was the slogan chosen. Dorothy Broste reigned as queen over Homecoming festivities. Amid the clamor and excitement of Homecoming, we eagerly awaited our class rings. When they finally came everyone was overjoyed.

Jim Hoffmann was named Posture King.

A number of the girls in the senior class spent the Christmas Holidays in Mexico. They bought clothes, jewelry, purses, and other small articles.

Our basketball team was one to be admired. We worked our way up to the finals, where, we lost to Redwood 35-34, in the last few seconds.

Hugh Sweetman, Jim Hoffmann, and Connie Schmid were the only seniors on the squad. Our debate team took first at Tri-Mont. They took to the regional and went to the state.

Wally Eckstein placed second in the state wrestling meet. Wally can also be congratulated as being an outstanding

football player. He made the South Central Conference all-star team.

On April 21 we, for the last time, attended the music festival at Redwood Falls.

The Prom came around and we were guests of the Class of '52. It was a wonderful prom, the theme being "Festival In Rio."

Next came Skip Day. Early Friday morning, May 4, seniors took off to unknown destinations.

As announcements, calling cards, pictures, began to be sent out we, as seniors, fully realized that our days at N.U.-H.S. were drawing to a rapid close.

The senior class play, "The Bishop's Mantle," was a pleasant memory the Class of '51 will long remember. Ralph Sunday had the leading part with 11 others supporting to make the play a success.

Uncle Sam claimed a member of our class. Ray Brey left school to serve in the Navy.

The Class of '51 will never forget: Mr. Harman's social classes Wally Eckstein making the all-state football team

The basketball team being Dist. 10 runner-up.

The Dist. 10. track meet May 18.

Our South Central Conference champion baseball team.

As we bid a sad farewell to New Ulm High we sincerely hope the underclassmen will uphold her traditions and follow in our footsteps.

On May 31, eighty seniors will say good-bye knowing that our class, the Class of '51 will be long remembered.

Open Air Concert Held Inside on Award Night

Preceding the award night ceremonies, at 7:00 p.m., Friday, May 25, was an open air band concert. Several senior students volunteered to direct various selections of their choice.

Students and the selections they directed were as follows: "I've Been Working on the Railroad", Carolyn Held; "The Storm King", Mary Selfert; "Gavotte", Dorothy Campbell; "Memories", Donna Nelson; "The Liberty Bell March", Lorraine Juhnke; "Prayer—from Hansel and Gretel", Doloras Scherer; "Marco Polo", Ralph Sunday; and "Hall of Fame", march, Carol Halvorson

John F. Strang, conductor, directed the "American Folk Rhapsody", "Jazz Pizzicato", and "His Honor", march.

Vacation Time Again; Faculty as Well as Students, Plan Many Varied Vacations

Camping and fishing, traveling, doing more studying, and just plain resting are just a few of the summer plans N.U.H.S.'s faculty.

Miss Raverty has a General Electric Fellowship at the Cast Institute of Technology in Ohio with all expenses paid. It won't be hard to tell what her summer plans are.

Revillo, South Dakota, will be Miss Sogn's residence for at least part of the summer and she is undecided as to how she will spend the rest of her vacation.

Building a new house will keep Mr. Olson busy for most of the summer.

Miss Steen plans to have a quiet summer at home in Walnut Grove.

Another of those studious teachers is Mr. Tyrrell, who plans on attending summer school someplace.

Miss Bruess has a rather busy summer planned. She plans on visiting in St. Paul, spend some time at her home in Sleepy Eye, and take a short trip.

For the past fifteen summers Mr. Pfaender has been doing the same thing and this year will be no different from the rest. He will again be at the St. Louis County 4-H Club Camp on Lake Eshquagoma.

Miss Treadwell will attend summer school at Northwestern University at Evanston, Illinois, for part of the summer; but otherwise she is undecided.

A cottage on the lake will take care of at least a week of Miss Wuopio's summer. The rest of the time she will be at her home in Hibbing.

Mr. Herrmann's office is open all summer so he will spend most of his time here. He will, however, take at least a week's vacation at the lake. He also plans to attend one or more

conferences at the U. of Chicago.

Miss Schmid plans to attend two sessions of summer school at the U. of Colorado. While she is there she plans to take some side trips in the mountains to visit such places as Colorado Springs, Garden of the Gods, Pikes Peak, and many other interesting sites.

The University of Iowa will be Mr. and Mrs. Strang's home this summer. Besides attending summer school, Mr. Strang plans on giving another recital.

Miss Wark will go home to St. Paul for awhile, but she has no further plans.

Every one knows what Mr. Zahn's plans are. He received a recall to active duty and live well this summer as Lt. Vernon Zahn.

Staying at home in Duluth with her mother will occupy Miss Westling's summer.

Mr. Wold has not as yet decided what he plans to do; but for a week at least he will be fishing with some friends in International Falls. He might attend summer school, also.

Miss West will attend one session at the University of Minnesota. From there she will go to Detroit Lakes and then to Chokio to visit with some friends.

Mrs. Ewy will be at Minnetonka Lake with her brother. Her plans are indefinite about the rest of the summer.

Mr. Fier's summer is really packed with activities. He is planning to fish, attend the State Teachers' Conference, work at school, spend

two weeks on fairs and he may go to summer school.

"Having a good time doing nothing" is how Miss Hanson states her summer plans. However, that won't be quite the case. She is going camping and fishing and plans to stay at her home in Brookings, South Dakota.

A cottage on Twin Lakes near Mica Lake will occupy some of Miss Hylden's time. She also plans to take a trip to Virginia Beach, Virginia.

Mr. Regnier is going to Marshall for a while but as yet he hasn't decided about the rest of the summer.

A trip to Montreal and Quebec is the tentative plan of Miss Kayser. She will spend most of her time at home resting.

Mrs. Franklin is going home to Hardwick, Minnesota, for her vacation.

The playgrounds will keep Mr. Harman busy this summer. In between times, he expects to get a rest.

A vacation plan, we know the sophomore girls are interested in is Mr. Ness'. He is going to attend the University of Minnesota.

Miss Mann will be at home in Owatonna this summer.

A trip to New York and Washington, D.C. is what Miss Mueller wants to do. She will also spend some time in Arlington, her home.

Mr. Lynott seems to have one of the nicer summer vacations. He is just going to rest.

Miss McLaughlin will visit Canada and rest in St. Cloud for most of the summer.

Mr. Achman is going to school at the Colorado A and M for the most part of the summer.

Mr. Dahl is spending a session at the University of Indiana.

Fashion Plate by Chubby

The dress designers of the summer styles are emphasizing femininity with rolled collars, drapes, and capes.

Have you seen the shorts and T-shirt sets? The shorts are a solid color and the T-shirts are striped with different shades of the solid color.

Sailcloth is very popular in sport clothes. Blue, red, light orange, and black are some of the colors. There are wrap-around and plain skirts, jackets, hats, beach bags, shorts, pedal pushers, slacks, and a few others.

The French style of bathing suit is going out of style because Americans like to go in the water, too. This summer the suits will be one-piece with ruffles and shirring for decoration.

First row: Tom Ubl, Al Buggert, Bob Asleson, Allan Iverson, Vern Walden, Larry Krueger, Charlie Hintz, "Spinner" Altmann, "Junior" Ahrndt and John Lloyd.

Second Row: Coach Harman, Wayne Broderson, Tom Liesch, John Heymann, Hugh Sweetman, Don Alfreds, Leslie Dirks, Ernie Sauer, Roger Fixsen and Jim Kagermeier.

New Ulm Wins Conference Play; Pitchers Hurl Three One-Hitters

Fairmont

The Eagles continued their winning ways by defeating Fairmont in a South Central Conference game here. Rolly Schaper went out in the fifth inning with a fractured finger and was replaced by Harold Mess, who held the Cards hitless for the remainder of the game.

The Cards went ahead in the third inning to take a 4-1 lead, but walks, four hits, and 10 errors by the Fairmont squad paved the way for the Eagles, who won the game 16-6.

Waseca

The game here at Johnson Field against the Waseca Bluejays was the second one hitter for pitcher Walt Eckstein, and the fifth straight win for the Eagles as they scored a 16-6 victory.

Jim Hoffmann and Cal Rolloff scored in the first and Keckeisen and Rolloff added two more in the third. Waseca got their lone run in the seventh inning.

The Eagles were without their first baseman Bob "Moonshine" Grossmann who was in Minneapolis for a FFA convention.

Blue Earth

The New Ulm Eagles got off to a good start in their defense of the South Central crown by defeating Blue Earth 7-1 in a game at Johnson Field.

Walt Eckstein led the Eagles to a 7-1 victory over Blue Earth as he hurled a one hitter game. He gave up the one hit, a single, in the fifth and struck out ten. Hoffmann got a triple in the first and Cal Rolloff doubled to get his home. In the fifth inning the Eagles scored the remaining six with four hits and two walks.

St. James

The Eagles won their second straight conference ball game by defeating St. James 11-1.

Cal Rolloff moved up from shortstop to toss a one hitter at the St. James squad. "Plumber" Keckeisen got three for the Eagles' ten hits with a single, a double and a triple. The Eagles took advantage of the Saints' nine errors and went on to win 11-1.

Eagles Beat St. Peter For Conference Title

The New Ulm Eagles, coached by Vern Zahn, took the South Central Conference Championship when they defeated the St. Peter ball team, 25-2.

The booming bats of the Eagles proved to be the downfall for the Saints. New Ulm slammed out twenty hits as Walt Keckeisen had a field day with a perfect game at bat. The left-handed outfielder had six hits in as many times at bat, while scoring seven of the Eagle runs.

Sharing the pitching task for the New Ulm Eagles were Walt Eckstein and Rolly Schaper, who held the Saints to two singles throughout the game.

Last year our baseball squad also took the South Central Conference title when they defeated St. James, 4-2.

Eagles Beat St. Peter In Conference Meet

New Ulm places second next to Fairmont in the Conference Golf Meet held at St. Peter. Bill Fenske was co-medalist with 84, while Hugh Sweetman was third with a score of 85.

New Ulm will go to the regional golf meet at Madison June 2. The boys that will go to the regional are: Rolly Olson, Chuck Hintz, Hugh Sweetman, Carl Peterson and Bill Fenske.

New Ulm took two of the three dual meets in which they participated. They defeated Fairmont 4-0 and downed St. Peter with a score of 4-0.

Eagles Enter Three Track Meets; Place Second in District Ten

Blue Earth

Five boys from the New Ulm track team took part in the Blue Earth Invitational Meet held at Blue Earth on May 12. The five boys were Vern Walden, John Heymann, Hugh Sweetman, and Don Alfreds.

Vern placed in two events, taking fifth in the 100 and second in the broad jump. Don Alfreds took fourth in the shot put. The relay team—Walden, Lloyd, Heymann and Sweetman took third in that event.

Considering the small number of entered the New Ulm team made a fine showing placing eighth out of eleven teams participating.

St. Peter

The New Ulm track team copped nine of thirteen events to sweep to a victory over St. Peter in a dual track meet.

Vern Walden was the big point getter as he won the 100, the 220, the broad jump and tied with Hugh Sweetman for honors in the high jump.

John Heymann won the high and low hurdles, while Hugh took second in the 100, the 220 and the high jump. Larry Krueger took the mile and "Junior" Ahrndt placed first the pole vault. The relay team, composed of Walden, Lloyd, Heymann, and Sweetman, took first place.

Point getter for St. Peter was Almanson in the 440, Gardner in the 880 and discus, and Stewart in the shot put.

There were three freshman events in the meet. Reed of St. Peter took the 100 and high jump. Liesch, Hintz, Iverson and Gottschalk of New Ulm took the 440 yard relay.

District Ten

The first annual District 10 Track and Field Meet was held here in New Ulm Saturday, May 10. Redwood Falls won the meet with a total of 49 points, while New Ulm came in second with 39—points.

The schools that participated in the meet were; Redwood Falls, Morton, Morgan, Fairfax, Springfield, Wabasso, Franklin, Gaylord, and New Ulm.

The New Ulm boys that place in the various events are as follows. 100 yard dash, Vern Walden; high hurdles, John Lloyd and John Heymann; 440 yard dash Tom Ubl; low hurdles, John Heymann and John Lloyd; 220 yard dash, Vern Walden; 880 yard run, Bob Asleson; shot put, Hugh Sweetman and Don Alfreds; discus, Don Alfreds; high jump, Hugh Sweetman; broad jump, Vern Walden. The New Ulm relay team also took first place.

Vern Walden was awarded the laurel wreath for the credit of being the outstanding athlete of the meet.

The boys from New Ulm that will go to the regional meet at Montevideo are Don Alfreds, John Lloyd, Vern Walden and the relay team.

Springfield

Sparked by Vern Walden, the New Ulm high school track team swept to a 73-38 victory in a dual track meet Friday, May 11.

Walden captured the 100 yard dash, the 220, the broad jump, and was anchor man on the winning relay team.

Coach Joe Harman has high hopes for the future track team after the junior high school team swamped the Springfield freshmen 82-31.

School Champ Shows 'Em How

Pictured above are four of the golfers on New Ulm High's team, along with their coach, Mr. G. Dahl. The boys are: Hugh Sweetman, Rolly Olson, Carl Pederson and Bill Fenske. Bill took the school championship for the second consecutive time this year.
