Miss Nancy Cave

Miss Cave—

Collecting dolls is the hobby of Miss Cave, the new physical education teacher. She enjoys dancing, swimming and all sports. She attended South Dakota State and Iowa State Teachers. Last year Miss Cave taught at Clear Lake, Iowa. "Well organized and friendly" is her description of NUHS.

Speech Activities

Like all year-round extra curricular activities, the speech ones are starting. If any one is interested in the various speech fields watch for announcement of the meetings. "Debate has started but newcomers are welcome", says Coach Peterson. The debate question is Resolved: That all American citizens shall be subject to conscription to essential services in time of war.

"I speak for Democracy" is the topic chosen for the speech contest sponsored by the Junior Chamber of Commerce. The speech is to be five minutes long, this will be tape recorded so the contestants will not have to appear before an audience. This national contest will start with a local open to all senior high students. After the speeches are tape recorded, they will be played over our local radio station and judges will listen. The judges will not know the names of the contestants. The speeches will be judged on 40 per cent content, 40 per cent delivery, and 20 per cent originality.

Four national champions will be selected from the United States. They will receive a trip to Washington, D. C., and while there will receive a \$500 scholarship.

Discussion club will be held during

Teachers' Vacations Interesting Schooling, Fun, Relaxation

Traveling, Relaxing, and Studying seemed to interest most of the faculty during the summer. Only three of the teachers, Mr. Herrmann, Mr. Olsen, and Mr. Harman spent the summer at their homes in New Ulm. Mr. Harman had charge of the various play grounds. His comment was, "Do I ever go away?"

Miss Steen visited some friends while traveling through Michigan. Visiting in Minnesota, Iowa, and North Dakota kept Mrs. Franklin rather busy. Miss Westling and Mr. Peterson spent the summer at their homes in Duluth. Miss Westling took care of her mother, who is ill. Mrs. Ewy spoke of her trip to Colorado as "exceptionally interesting". Miss Sogn spent the summer with her sister at Revillo, South Dakota. Miss Hylden spent the summer at Virginia Beach, Virginia, and also at her cabin on Twin Lakes near Mahanomen.

Several of the teachers visited Canada for part of the summer. Among them were Miss Kayser, Mr. Lynott, Miss McLaughlin and Mr. Pfaender. Miss McLaughlin visited with her father in Canada for a month.

Student Body Enjoys Three Assemblies

A movie illustrating examples of common courtesy, how to build good character, and how to develop a pleasing personality was shown in assembly on Friday, September 7. The movie was a little out of date, but the examples it gave the students weren't.

Another program was given by Frederic Sjobiarn, pianist, on September 14. His concert varied from classical to his own composition. Mr. Sjobiarn was born in Kansas. When asked the year, he promptly changed the subject. Here is an encouraging note to all would-be pianists: Mr. Sjobiarn practises six to seven hours daily, and he said that if a pianist lets up for a week or two, everything he has learned he loses. Mr. Sjobiarn prefers classical music, but also likes to play some of his own compositions.

Betsy Oswald is the new N.U.H.S. senior high cheer leader chosen by the

Student Council Meets at Marshall

"Youth Leadership in a Changing World" is the theme of the Southwestern M.E.A. Division of the Student Council Convention which will be held at Marshall, Minnesota, October 30.

The first general session will begin at 10 A.M. Noel Iverson of New Ulm will be the presiding officer.

After lunch there will be various panel discussions concerning the Student Council.

Later in the afternoon there will be a general assembly in the main auditorium. Again the New Ulm student president will preside. A convention appraisal will be given by M. A. Lynott, Principal of New Ulm High School.

Adding to the enjoyment of the visiting students, a general-mixer will be held following the assembly program.

A banquet at 6 P.M., will complete the day-long affair. About four or five members of the N.U.H.S. student council will attend.

homerooms again, the senior high on Monday and junior high on Friday. The topics that will be discussed will be up to the members of the club. The state question is "How much authority shall the student government have in running the high school." This question will be discussed part of the time.

Mr. Pfaender was again director of the St. Louis county 4-H Club Camp on Lake Eshwagama near Virginia. While there he was host to the fifth annual M.E.A. workshop for three days in August.

Miss Bruess stayed in Sleepy Eye part of the summer and also visited in the Twin Cities. Miss Wark also relaxed at her home in St. Paul. "Trying to get a sun tan" was the way Miss Hanson spent her summer.

Quite a few of the teachers attended schools during the summer. Mr. Fier, Mr. Ness and Mr. Leak attended the University of Minnesota. Miss West went to summer school at the U and also visited at Detroit Lakes and Chokio. Mr. Strang received his Master's degree in music at the University of Iowa. Going to Mankato T. C. and vacationing in Chicago is how Mr. Tyrrell spent his summer. Miss Cave, the new physical education instructor attended the University of Minnesota, visited in Madison, Wisconsin, and Denver, Colorado. Colorado seemed to be quite a popular place as Miss Schmid and Mr.

senior high student body, September 21. Mary Lou Schmitz and Marjorie Moe were the other sophomore candidates.

As part of the same program short speeches were given on extra-curricular activities. Carol Niemann, the co-editor of the Graphos, invited students to join the staff. Evelyn Sauer encouraged all girls to come out for Fri-Le-Ta and informed members of the change of meeting days to Thursday; Miss Cave talked about G.A.A. and its plans for the year; Mr. Strang predicted a good season of music and gave the students an idea of the activities in which they could partake; Miss Steen urged students to come out for the school annual and told the students the background of our Eagle; and then Mr. Harman gave a brief pep talk on the game to be played at Waseca. Noel Iverson conducted the assembly.

Rotarian of the Month

Rotarian for the month of September is Noel Iverson, a senior at NUHS. Noel has been very active in extra-curricular activities such as gymnastics, and speech work. He is the Student Council President.

Mr. Peterson

Mr. Peterson—

The maroon car standing on Center street belongs to the new speech teacher, Mr. Peterson. He attended the University of Minnesota Branch at Duluth and also the Western Reserve University at Cleveland, Ohio. Last year he taught at Hibbing with a former NUHS speech teacher, Mr. Ralph J. Sutherland.

Achmann spent a part of their vacation there. Miss Schmid was chosen along with only 19 others to be honored by being accepted into the Pi Lambda Theta Educational Sorority. She was accepted on the basis of scholarship, character and professional growth. Mr. Achman attended summer school at Colorado A and M. A flash flood hit while he was there.

Miss Mann and Miss Wupio attended the National Council of Teachers of Mathematics at St. Olaf in Northfield. Miss Treatwell went to Northwestern University at Evanston, Illinois, and visited with friends in Washington, D. C., and Hamburg, New York. Mr. Dahl attended the University of Indiana. Miss Raverty because of the scholarship in physics she won went to school at the Case Institute of Technology in Cleveland Ohio for six weeks. She saw Bob Feller pitch a no hit game. She also visited in the northern part of the state.

As you can well imagine the teachers must have spent a very colorful summer.

Make the Redbirds Deadbirds!

Play Presented

The love story of Queen Elizabeth of England and the Earl of Essex, "Between the Axe and the Crown," is to be presented by the Hollywood Theatre Guild at 8 P.M., Tuesday, October 2 in the high school auditorium.

In the latter part of her reign, Queen Elizabeth centered her attention on one man, the Earl of Essex, thirty-three years younger than herself. Essex found her irksome to his youth and ambition and finally tried to lead an open rebellion against the queen.

Many legends have sprung up about these two. The most famous is the legend of the ring about which this play revolves. Many of the lines of the play are direct quotations from Elizabethan days.

Re-Decoration

Something new has been added to the beauty of N.U.H.S.

The home economics rooms and kitchen has had its face lifted with bright colors of rose, blue, and white.

The physical education girls needs were not overlooked either. New gym baskets and clever posters catch much attention.

We all agree that lunch seems better in our newly-painted and remodeled cafeteria. The colors are white, green, and yellow.

Ice cube trays in the library? Impossible, you say. But no, that is only the name given the new fluorescent lights. The next time you are in the library take a look and see if you think the name is appropriate.

A gay array of colors makes the men's room a bright place to spend spare time.

New Students Are Welcomed!

With each class gaining somewhat in number, there are ten new students in senior high school. So that we all will be better acquainted the Graphos has interviewed them.

The senior class has two new members. Both Betty Reinhart and Lloyd Hostelka are transfer students from Holy Trinity High School of New Ulm. "The school is okay", were comments from the two new seniors. Betty also commented on the friendliness of the student body.

One of the juniors, Rudy Weissmann, came from Czechoslovakia just 17 months ago. Last year he attended Springfield High. Rudy thinks our school is wonderful and quite different.

Jerry Hames, also another transfer from Trinity, is also a new member of the junior class. Jerry has a part-time job at the dime store.

The junior class also has a new girl in their class. Liz Eswald who is a former student of St. James High, likes school better every day. We wonder how Liz will feel when NUHS plays St. James in the various sports.

The sophomore class gained the most in new students with two boys and three girls. Mike Fesenmaier and Delmar Reuchert are the boys. Mike is a former student of St. John's Prep School in St. Cloud. He plans on taking part in golf and basketball this year. Mike's words are "I like school very much and the kids are just wonderful". The new girls in the class include, Mary Mauer from Mt. St. Mary's of St. Paul, Caroline Weissmann, a transfer from Redwood Falls, and Donna Mae Dahltorp a former student at Lake Crystal. Donna Mae is a member of our band. Caroline is a sister of Rudy and also recently came from Czechoslovakia.

Homecoming Plans Near Completion

Crowning the queen during the half of the game is the major change in the homecoming plans for this year, otherwise the plans are similar to those of last year.

Redwood Falls has again been chosen as our opponent for the Homecoming game set for October 5 at Johnson Field, getting under way at 8:00 o'clock.

The new queen will be announced at the pepfest at West Side Park starting at seven-thirty. After the program at the park the students will go to Flandrau Park for the second part of the pepfest. Food will be served at the beach and buses will be available to transport the students to and from the beach.

Homecoming badges will be sold during homerooms and also at the beach. Everyone should wear their badge Thursday for this will be check up day. Posters have been made by the high school art department.

After the game a dance will be held in the gym. Music will be furnished by Lynn Kern from Fairmont. Both junior and senior high may attend. Alumni, former students, and Redwood students are invited. The queen, her attendants, and the senior boys on the football team will be admitted to the dance without charge.

Scholarship Awarded

Beverly Horstman, class of 1951, won a Nursing Scholarship given for the first time by the state. The scholarship is given for an accredited practical or professional school of nursing in Minnesota for any girl having qualifications based on need and ability.

The State legislature made a law providing \$75,000 a year for scholarships in nursing. The scholarship is for \$300. \$200 goes to the first year, \$50 for second, and \$50 for the third.

Rings Arrive Early

Flash! Flash! The senior class rings arrived early this year and are they something!

The rings are really the simplest NUHS has ever had. There is a solid white gold top on a square setting with the N U crest on the white gold. 1952 is divided on both sides. They are proudly on display on almost all senior fingers.

Mr. Roger Leak

Mr. Leak—

Because Mr. Leak is an ex-marine he drives a "blue" Buick. He is a graduate of Augsburg college in Minneapolis and taught at New London last year. He has very good impressions of New Ulm and believes the students are "all right". His favorite sports are baseball and hockey, but he enjoys them all.

The Snooper by Jo and Mary

This column is going to be written as a poll would be. In the near future you will find a box in the library with a question written on top. If you have any original answers, please write them down and slip them into the box. We will try to write nearly all of the answers in this column in the following issue of the Graphos.

We didn't have our box up for this issue so we just asked kids their opinions of certain questions. Here are the answers we got.

Q. What do you think of dating on school nights?

Jean Keckeisen—"One night a week is okay."
 Sharon Current—"It all depends upon what you do."

Richard Schaefer [the voice of experience]—"It isn't too good."

Margie Moe—"If it isn't too late or too often, like me, I never get to bed." ???

Jimmy Kagemaier—"Nothing wrong with it."

* * * *

What do you think of girls joining our football team?

Bev Bloedl—"Too rough for me."
 Bob Kornmann—"Censored!!!"

Renelda Hirschert—"Can't you just see us in those shoulder pads!"

Junior Arndt—"If I were coach, I'd make Naomi Schapekahm fullback."

Mildred Portner—"We could show the boys up." [Joke]

John Heymann—"The 'littie' girls might get hurt."

* * * *

Don't forget to put your answers into the box in the library. Until next time—Drink a lot of "Mugs".

Editorial

Here we are, back in "ye olde" halls of N.-U.H.S., beginning another school year, and for the seniors, the last. As we rush from class to class we notice many new faces. The improvements in the library, cafeteria, lockers, and other rooms add a lift to our hours of study. Under the circumstances, and with the cooperation of all the students, we should be able to make this year one of the best.

School spirit is a worn out topic, but it can't do any harm to remind you students how important it is. There has been both criticism and praise of our spirit at the first two football games. Let's make it all praise!!!

Junior Whirl by Betty and Shirly

We have four new additions to the Junior class. We welcome you!

We hear that the kids are having a lot of fun with Mr. Olson, especially Mary Schuck and Darwin Jones.

Three of our Juniors have been "wounded in action." John Heymann, James Kagermeier and Tom Ubl were injured at our first two football games. We hope they will be able to play by the Homecoming game.

The Junior class play try outs are going to be held soon. The two plays to be decided on are "The Night of January 16" and "You Can't Take It With You."

* * * *

On one of the first days of experiments in Chemistry a few of the girls had an explosion. No one seemed too very shocked except John Heymann who ran to the door. Then the other day Miss Raverty took out some phosphorous, which is very inflammable. John again was the first to jump out of the way. My, is this a boy who is so fearless in football? ? ?

The new Freshmen are all forgiven if they walk into a wrong room or get lost. But what about Orhue Schmidt?

I Hear Music by Faith Ann

"Good season of Music" was predicted by Mr. Strang. New and old ideas will be used for vocal and instrumental groups this year.

The new chorus officers are: President, Larrys Krueger; Student Director, Loren Lentz; Attendance Secretary, Donald Alfred; Secretary, Dorothy Lee; Librarian, Jean Keckeisen; Properties committee, Darwin Jones [chairman], Donald Klassner, Joy Herman and Barbara Kral.

Student Director Loren Lentz revealed hidden musical talents by his long stretch when making his first attempt at conducting the chorus. Boom! tsch! tsch!

Several meetings have been held in chorus to determine matters of seating arrangements, future chorus trips and rules of conduct. Congratulations, Larrys, on the fine way you conduct the meetings.

At the Southwestern region of MEA at Mankato, a mass chorus of three hundred voices will be presented to the teachers on Friday, Oct. 26 at two o'clock in Teachers college gymnasium. Mr. Weston Noble of Luther College Decorah, Iowa, will be guest conductor. Six people from each section will be chosen from N.U.H.S. chorus.

Upon arriving, the students will go to a rehearsal at 9:30 in the Main auditorium of T.C. The music instructors will be asked to attend. The mass chorus is the first on the afternoon program.

Girls' Glee Club has also elected their officers: President, Evelyn Sauer; Student Director, Faith Anne Fischer; Attendance Secretary, Barbara Keckeisen; Librarian, JoAnne Bierbaum; and Assistant Librarian, Corrine Hensing.

Because of the fact that glee club is during the band period, fifteen girls have decided to meet every Thursday evening from 6:45 to 7:45.

When concert time comes, the two sections will be put together.

Congratulations to Barbara Fesenmaier, our new head majorette, Jean Keckeisen, Gerry Kramer, and JoAnne Bierbaum our A twilers. I am sure you noticed them perform when we played Fairmont September 28.

"There are promises of a very good swing band, senior high band and junior high band" said Mr. Strang. After the first home game the band will start work for their concert in November. The band marched in St. Peter, September 16 in honor of the one hundredth anniversary of the signing of the Traverse des Sioux treaty.

I'll Be Seeing You—

Kramer to Edit Yearbook

Gerry Kramer has been selected by Miss Steen to be the editor of the 1952 Eagle, the yearbook. Business manager is JoAnn Herrick. The rest of the Staff will be picked later. As in other years Miss Steen will be the adviser.

In order to gain knowledge about putting out a year book, editors, advisors, and business managers from the Little Ten Conference will attend a yearbook clinic at Springfield, October 1.

Mr. Carl Towley, assistant director of the National Scholastic Press Association, whose headquarters are at the University of Minnesota, will be the main speaker and consultant.

Criticizing the 1951 yearbooks of these schools will also be done by Mr. Carl Towley. Each school has sent him a copy of their last year's annual.

Fashion Forecast by Ann and Mimi

Since weekends in the life of a busy teenager include a little bit of everything, her favorite clothes are versatile. Corduroy skirts with pocket details are popular because they will serve as a basis for both sweaters and smart jersey blouses.

While thinking of Homecoming, you might consider velveteen or jersey accented with velvet or the shine of rhinestone buttons. Colors such as burnt orange, gold, green, red, and blue are especially appealing to the eye of the male.

Plaids, too, are high on the hit parade of fashions. Both gingham and light wool serve as classroom classics, as well as for informal parties. You can dress up a dull plaid with a detachable collar, a cluster of flowers to match

B and J Have This to Say

Young at heart—

It seems as though the senior girls still enjoy dolls, especially Bev Jensen's "Little Squirt". She said her dad bought it. Hmm! !

Trouble with your name?

If you do, think of Connie Schmid, class of '51. When he registered at Gustavus Adolphus his name was mistaken for a girl's. Not only was he assigned a room in a girl's dormitory but also received a letter from his "big sister". We think Connie rather enjoyed this mixup in names.

* * * *

It wasn't the girl this time!

Mike Pollei had a nice face warming at the Glencoe game. It wasn't because Edith was sitting next to him either. Don't you know, Mike, that you are supposed to drink coffee, not wash your face in it or is it something new to help the complexion?

Welcome—

We would like to take time out from our nonsense to welcome all new teachers and students. We sincerely hope you will all have an enjoyable time at NUHS.

Shuffle the Cards On the Shelf by La Donna

Each year our library is increased by the addition of many new and interesting books. This column and its successors will be written so that the students may learn about these additions and also have some idea of the contents of the books.

One of the outstanding travel books written in the past season is **Out Of This World** by Lowell Thomas, Jr., son of the popular newscaster, containing an interesting account of his adventurous trip to the forbidden mountain kingdom of Tibet. It is described by him as "the greatest travel adventure I will ever have, unless, someday, it will be possible to journey by spaceship to another planet." Through his detailed description of the life and customs of the Tibetan people supplemented by many pictures, some in full color, of the whole expedition, you can easily imagine that you are along on this marvelous journey.

a stripe in the plaid, or a tie peeking out from under your collar.

Seen often at school is the jumper. For a nifty combination, wear a jersey or cotton blouse with the jumper. To use the jumper for dressier purposes, why not subtract the blouse and add a string of pearls?

If you have any bright ideas for this column please can't leave us in the dark. Leave your suggestions with Miss Kayser.

We wonder why Loren Lentz so suddenly got warm in chorus one day. Loren feels that the boys behind him helped it along.

* * * *

Maybe Mr. Strang should give the band members exercises before every practice. Some of the members were rather tired and stiff the day after their short "stroll" at St. Peter, September 16.

* * * *

It seems as though Cal Rolloff Deny Rolloff and Lyle Mielke have taken to army life already. Don't be too anxious your time will come.

Darwin seems to be having trouble with his voice. When are you going to make up your mind to be a bass or a tenor? ?

* * * *

Did you ever hear of Frederick Barbarossa, King of Germany in 1152? No? He was a leader of Germany and the people greatly admired him. He had a beautiful red beard and sometimes was called "Redbeard". After his death a legend sprang up that he would some day return to life to rescue his people from their later misery. Well, we think maybe he has returned in the form of Frank [Redbeard] Stienbach. Or who he is supposed to be rescuing we don't know. Could it be the football team??

Eagles Lose to Cards In First Home Game

The New Ulm Eagles were defeated by Fairmont in a hard fought game at Johnson Park Friday, Sept. 28.

Vern Walden of New Ulm returned the opening kickoff 10 yards to his own 28 yard line. Five plays later Allan Ledebur of Fairmont intercepted Walden's 10 yard pass to start the Cardinals on their offensive march which ended with R. Weber scoring for Fairmont. R. Jaqua kicked the extra point to make the score Fairmont 7, New Ulm 0, at the end of the first quarter.

Halfway through the second quarter J. Musser powered through from the 1 yard line and scored for Fairmont. R. Jaqua again scored the conversion. J. Heymann returned Ledebur's kickoff 19 yards to his own 49 yard line. After a series of unsuccessful plays John Wolf's punt was blocked by Ledebur and Jaqua picked up the ball and ran for another Fairmont touchdown. The try for the extra point failed leaving the score 20 to 0 at the half.

John Wolf got off a 50 yard kick to open the second half of the ball game. There was a fumble on the play and J. Heymann recovered for New Ulm. This started the Eagles touchdown march. Vern Walden scored from the 1 foot line. Heymann's kick for extra point was no good and the score was left at New Ulm 6, Fairmont 20.

The fourth quarter saw Jaqua score for Fairmont. His try for extra point again failed, thus the score was 26 to 6 in favor of Fairmont. John Lloyd then returned Ledebur's kickoff 10 yards to his own 45 yard line. Later in the quarter the Eagles lost the ball but kept up their defensive work, knocking down pass after pass. Time finally ran out and the final score was Fairmont 26, New Ulm 6.

Watch Your Steps!

"This way to the powder room" is just one of the new signs recently put up in the girls' locker room.

In case anyone's interested, the other signs are: "Watch Your Step", "This Way to the Showers", "For Putting On Lipstick Only", and "For Combing Hair Only".

Too bad someone didn't have the bright idea before!

By the way the credit goes to our gym teacher, Miss Nancy Cave, and to Shirley Wallner who drew the signs.

Eagles Lose Opening Game to Glencoe 6-0; Twenty-Four Boys Make Traveling Squad

New Ulm loses their first football game of the season by Glencoe to the tune of 6-0.

Fast little Tom Ubl made most of the Eagles' long gains, starting with a forty-two yard run from our own 15 yard line on the first play of the game. John Heymann, Vern Walden, Junior Arnt, and Harry Christian were also very outstanding.

The team itself looked good in every respect except pass defense which Glencoe soon found out.

The Glencoe Eagles made most of their gains by short passes over the center of the line.

The first half passed without much excitement as the teams were quite evenly matched. But in the beginning of the second half Glencoe started

their short pass barrage which proved fatal to the New Ulm Eagles.

The Eagles suffered two casualties. They were John Heymann who injured his ankle, and Jim Kagamaier who also re-injured his knee.

The boys that made the trip were Jim Gasner, Harry Christian, Vern Walden, Frank Steinbach, Larry Krueger, Chuck Niehoff, Don Alfred, Roger Ulrich, John Heymann, John Lloyd, John Wolf, Ken Werner, Bob Asleson, Bill Fenske, Tom Ubl, Jim Albright, Jess Gehrt, Junior Arndt, Charlie Hintz, Tom Liesch, Les Dirks, Warren Sunday, Ron Schroeder, and Ernie Sauer.

The 1951 football managers are Bob Kornmann, Jim Palmer, Alton Bugert, and George Tyrrell.

Eagles Lose to Waseca 14-0 In Second Game

The second game of the season with Waseca started with Vern Walden returning Dahlager's kick off thirty-one yards to New Ulm's forty-one yard line. After three unsuccessful plays, John Wolf punted to Waseca's thirty-three. After a series of short gains, Roger Paschall powered twenty-two yards for Waseca's first touch down. Dahlager kicked the conversion for the extra point, making the score 7-0. Junior Ahrndt returned the Waseca kick off twenty-two yards to New Ulm's 37-yard line. New Ulm's offense was hampered when scatback Tom Ubl left the game with an injured ankle.

Late in the second quarter John Wolf punted forty-three yards from his own 32-yard line. Minske returned the kick which started the drive for Waseca's second touchdown. Then Ernie Bergland scored for the Bluejays. Dahlager again kicked the extra point which left the score, Waseca 14, New Ulm 0.

New Ulm started the third quarter with Junior Ahrndt's ten yard kick. A Waseca lineman fumbled the ball and John Lloyd recovered it. Three plays later, Vern Walden ran thirty-one yards for a touch down only to be called back because of a holding penalty against New Ulm. The Eagles then lost the ball, by an intercepted pass, to Waseca.

In the middle of the fourth quarter, Vern Walden intercepted Carlton's pass on his own 20-yard line. New Ulm's lateral pass plays clicked in the final quarter, but time ran out and the final score was 14-0.

G.A.A. by Joanne Bierbaum

by Joanne Bierbaum

G.A.A. meetings started this year with a hike to Flandrau State Park on Monday, September 10. Everyone brought her own lunch and most of the girls roasted weiners.

After the lunch a short business meeting was held. The following officials were elected: President—Marianne Martinka; Vice President—Jean Keckeisen; Treasurer—Evelyn Sauer.

Class representatives were also chosen. Sharon Oswald is to represent the seniors, Janet Schmidt the juniors, and Ruth Bakken the sophomores.

To engage in as many activities as possible during the school year is the hope of all the girls. The majority of them are looking forward to bowling classes which start at the Concordia Bowling Alley on Monday, September 24.

Guidance Institute

Attending the Guidance Institute Program at Redwood Falls Wednesday, Oct. 3, will be Miss Schmidt, Mr. Lynott, and Mr. Herrmann. The meeting is for all counselors, administrators, and ninth grade planning teachers. It is sponsored by the University of Minnesota College of Education and State Department of Education with the cooperation of other educational organizations. Panel discussions will be held with the topics pertaining to use and interpretation of all types of standardized tests. Leaders in guidance at the "U" will be consultants.

Last Year's Teachers

Remember the teachers from last year who are not with us anymore? Here's the latest information on them. Miss Ellen Mueller, physical education teacher, is vacationing in Milwaukee at her sister's home.

Mr. Regnier is teaching four classes of sophomore English at Central High School in St. Paul. He said that students at N.U.H.S. should appreciate the wonderful school they have, for there are not many like it.

Pat Senneff, marimbist, will be the second University of Minnesota assembly program on October 23.

Miss Senneff began her career at the age of seven.

Her early musical instruction began in her home-town, Britt, Iowa.

Through the efforts of one of her music teachers, Miss Senneff was able to play for Clair Omar Musser who at that time was President of the Degan Marimba Company. At this time it was the Mr. Musser's belief that Miss Pat Senneff was the youngest Marimbist in the United States.

Keckeisen at Hauenstein's Brewery; Thomas Kraus, at the Farmers' Creamery; Kenny Basset is at the mill; Dorothy Broste is a long distant telephone operator here in New Ulm. Selma Bublitz is employed at Storks. Mary Seifert is a student nurse at the Union Hospital. Robert Wandersee is working at Penny's; Clarize Traurig, is at the Hollywood Theater. Edith Wilson, at the telephone office; and Grace Kretsch is a clerk at Mark's Food Store.

In Courtland Katherine Ulrich is working at the food counter at the Shell Gas Station and Warren Heide- mann, at the Creamery.

Several of the students are undecided as to what they plan to do. They are Phyllis Altenburg, JoAnn Windland, Marion Wandersee, Joleen Lindmeyer and Arlon Schmidt.

FFA Notes by Cal. Rolloff

Our New Ulm F.F.A. chapter recently held a meeting in which they elected officers. Our new president is Ken Werner; vice president-Orville Broste; secretary-Maynard Bakken; treasurer-David Olstad; reporter-Gary Current; and sentinel-George Grossman. These new officers will be installed in October.

Over the summer many of our F.F.A. boys participated in the different fairs around the country. They did well in all of them. Some of the fairs were Brown County Fair, State Fair, Tri-County Fair, and also Albert Lea and Austin Fairs.

An event coming up in a few weeks is the initiation of freshmen to the Green Hand degree and sophomores to Chapter Farmer Degree.

A new part of the F.F.A. classes is the farm shop, which has been started this year and is now under the supervision of D. C. Brandon and A. Johanson from U. of M. In this class the senior members build suitable things to be used in the betterment of their farming program.
