Debaters Enter State Tourney by Jo Ann

With the district, regional, and the Gustavus Adolphus College tourneys, the debate team of NUHS has been very busy.

The team won the right to represent District 10 in the Region Three contest by defeating Sleepy Eye. Both the affirmative team, Jean Keckeisen and JoAnn Herrick, and the negative team, Rich Veeck and LaDonna Heck, won their round.

The New Ulm team then competed with Montevideo, District 11, and Canby, District 9, for the honor to enter the state tourney, February 9. The team finished with a four win and no loss record. They lack one point from having a perfect score. This tourney was held January 24.

The debaters then entered the Gustavus tourney. This tournament is supposed to be the largest high school tourney in the United States, but due to the weather several cancellations were received. Even then five states and about seventy schools were represented. The team's record this time was two wins and two losses for both the teams. Bob Asleson accompanied the team to Gustavus and entered the extemporaneous contest. He received third place in his division. Dick Veeck also entered oratory.

Closing the debator's year will be the state tournament.

Novelty Act Included In Pep Fest; Team Urges More Support

Ah, for the good old days. And we saw what they were like when the "5" and the manager came out of the mothballs. They came out of hibernation on January 29 during a pep fest before the St. James game. Alton Buggert, manager, came out in an old racoon coat, wig, hat and glasses. He represented a by gone famous coach of NUHS. The five of his team were: Mike Pollei, Cal Rolloff, Bill Fenske, John Heymann and Tom Ubl. Mike dressed as a fireman carrying a pail. Mr. Ness, present coach asked, "Why?" Al replied, "When our team got hot, it got hot." Mike pantomined throwing the pail of water. Were they insinuating that Mr. Ness is all wet. Cal put on a little weight between fifth and sixth hours. During one game they won with a score of 57-2, Billy made all 59 points. Surprising isn't it! John had a crutch but disposed of it before the game. Poor Tom isn't playing ball anymore, because he's blind but he has a better job, refereeing.

Mike helped Bev Jensen with cheering. And after that the coach and "5" went back into the scrap book and picture album.

February 16 is Date Of Woodchoppers Brawl

The annual Woodchopper's Brawl will be held February 16, in the small gym. The journalism class is sponsoring it for the purpose of making money to continue the Graphos.

It's a "hard time" ball, so dress accordingly.

Remember girls, I't leap year so "drag a date!"

The Swing Band will play and refreshments will be served.

Christmas Drive Lauded

Helping people get many things they would not otherwise have gotten was the achievement of the Journalism Christmas Drive. Miss Henjum of the County Welfare Board would like to express her thanks to the students and faculty of NUHS. "We received many nice things" was one of her comments.

She said that if it is continued next year, children's clothing and toys are perhaps the most needed but the other things are needed and appreciated. If all things are not used immediately at Christmas time, the Welfare Office has a storeroom and can use them later on in the year.

'52 Eagle Underway; Staff Named

Work on the '52 Eagle is underway. Senior class pictures have been sent to the Schutte-Barnett engravers in Mankato. Practically all the formal and informal pictures have been taken, with "Flip" Schulke doing the majority of them. Printer of the Annual is the New Ulm Publishing Company.

The Eagle staff is composed of the following: Editor, Gerry Kramer; Art editor, Shirley Wallner; Sports editor, Barb Fesenmaier; Business manager; JoAnn Herrick; Copywriters, Sharon Oswald, LaDonna Heck; Typists, Ordell Menk, Evelyn Sauer; Salesmen, Renelda Hirschert, Dee Dittrich, Elvia Wendland, Elizabeth Bakken, Jean Keckeisen, Yvonne Strate, Cleo Harmenting, June Rolloff, and Roger Ulrich.

The many salesmen will start their campaign very soon. Start thinking about this "Investment in Pleasure" now.

Morgan Presents Judo

We certainly were impressed by the lecture-demonstration of Irv Morgan on the American art of Judo. This art is used in the armed forces, FBI, secret service, border patrol, state and city police departments and institutional guards.

He showed us how to disarm the armed and the execution of throws, trips and counters. He also showed how a lighter and smaller person can handle a heavier and stronger one with proper knowledge of American Judo.

The climax of the demonstration was one that will live long in your memory.

Three Essay Contests Open to Students

At the present time there are three essay contests open to students of the three high schools in New Ulm. The first is the Americanism Essay Contest sponsored by the Ben J. Seifert Post of the American Legion. The topic for this essay is "Minnesota's Place in America Today." All students in junior and senior high school are eligible.

The second is the Conservation Essay Contest, and the topic is "Outdoor Safety." This is open to all pupils in the ninth through twelfth grades inclusive. It is sponsored by the Business and Professional Womens' Club of New Ulm. The topic for the essay is "After High School, What?" Further information regarding these essays may be obtained from Miss Kayser.

There are many different prizes given by the three groups. The Americanism Essay Contest will give \$50, \$35, and \$25 to the top three winners. The winners of the Conservation Essay Contest will be awarded a week's vacation at Douglas Lodge, Itasca State Park, as a member of the Conservation Caravan, all expenses paid. A \$25 saving bond will be the award in the Vocational Essay Contest.

New Ulm and Redwood Falls have again been selected as the sites for the district 10 tournaments. The drawings for play will be made on February 13, after seeding has been done.

The dates for the 1951-'52 tournaments are set for February 25-29, and March 2, 4, 6, and 8. The semifinals and finals will be held at Gustavus Adolphus College, St. Peter, on March 6 and 8.

Admission prices were set as .50 for the adults and .30 for students. Tickets for the semifinals and finals at Gustavus will be \$1.00 for adults and .50 for students. For all tournament games at New Ulm and Redwood Falls, tickets will be sold at the tournament site upon proper identification, which will be a hand stamp with the name of the town or school where the student attends.

Werner, Pollei Are Rotarians

Kenney Werner, the FFA chapter president, has been elected Rotarian for January. Ken, a senior, has been active in FFA, basketball, football, and baseball throughout his high school years.

For February, the Rotary Club has elected Mike Pollei to be Rotarian. Mike is co-captain of the basketball team, a member of the chorus, and a member of the baseball team. He played football in his sophomore and junior year.

College Representatives Visit Seniors of N.U.H.S.

Representatives from colleges throughout the Northwest have visited NUHS during the past semester. Some of them are: Stephens College, Missouri; Yankton, South Dakota; Mankato State Teachers; Medical School of Technology in Minneapolis; and Gustavus Adolphus.

Later on in the year representatives will come from St. Thomas College; Macalester and perhaps from the University of Minnesota and from Grenell, Iowa.

Vacationers Comment On Holiday Tour to Mexico by Barb

"Exciting!", "Thrilling!", "Terrific!", "Worthwhile!", and "Wonderful!" were a few of the comments made about the Holiday Tour to Mexico. The happy, sun-tanned faces of the teachers and students proved this to be true.

The tour left New Ulm early Saturday, December 22, and returned Sunday evening, January 6. The travelers seemed slightly bored while riding through the states; but as soon as they crossed the border, they could see the difference. Mary Jane Tauscheck commented, "I don't think Texas is so wonderful!"

Acapulco was placed first on the list of favorite places visited. Taxco, the quaint little city built on a hill, was also a great favorite. Mr. Pfaender particularly liked Taxco because of the individual attention the guests received. The food here at the Pasada de La Mission was excellent as was the service.

Reaching Mexico City, the traffic was something that the travelers never expected, except for Mr. Achmann, who last year had his car bumped; as a result he knew what to expect.

One of the girls remarked that the stay in Mexico City was too long and that in Acapulco it wasn't long enough. The weather at this time of the year proved to be ideal [continued on page 1]

News In Brief

The small gym is being used Monday and Wednesday nights and all day Saturday by the various Turner Hall groups.

Patsy Glasman, a 7th grade student, performed a twirling routine as the half-time show at the St. Peter-New Ulm basketball game.

Carolyn Held class of '51, has been named chairman of the properties committee for the play, "R.U.R.", to be presented this month at Yankton College, South Dakota. Carolyn is an English major.

"I like it here", was the comment made by James Syverson, the new senior student. He hails from St. James where his extracurricular activities included; Chorus, track, cross country, and declam. Jim was in the class play last year. His sister Karen, is in the eighth grade. Welcome Syversons!

Selection of the Junior Class ring will be made by a committee of seven. Mary Schuck, chairman; Shirley Sandau, Eunice Kohls, Ruth Wandersee, Joy Herrmann, Rich Veeck, and John Lloyd will choose the group of rings which will be presented to the class for their approval. They will then vote for their choice of the '53 class ring.

Jerry Hamann, class of '49, will be stationed with the army in Germany. He has finished special training in the Signal Corps and will be a radio operator. Jerry will report to Camp Kilmer, New Jersey on February 4, before leaving the states.

Benny Seifert
Benny Seifert, now in the army was home on furlough for several days. He was stationed at Fort George G. Meade, Maryland, and took basic training in Medical Technology. From New Ulm he will go to Fort Sam Houston, Texas for eight weeks. After that his plans are indefinite. Benny graduated in 1948.

Use Your Guidance Department

The students at New Ulm High School have an opportunity that many other people do not have. Over half of the people in the United States do not know where their aptitudes lie. They do not know at what jobs they would be the happiest, do the best work, and perhaps make the most money. But through the Guidance Department of NUHS we students here are given various tests to show us where our aptitudes lie. We are encouraged to take jobs in those fields. The department also helps us make many successful decisions. However, many students do not know the value of that department and consequently, do not take full advantage of it. Let's make the most of this opportunity which we have.

To The Editor

This article is in regard to school spirit. We would like to know why the school spirit is as bad as it is. Why don't we have successful pepfests? Two or three years ago we had pepfests that were successful. It seems when we lose we're a bunch of heels, and if we happen to win we're just so-so. Why don't some of you kids turn in ideas to the Student Council or Mr. Lynott.

A couple of basketball players Junior Whirl by Betty and Shirl

The first day back after Christmas vacation the chemistry class was lucky. Because all period Miss Raverty told the class about her time at the Rose Bowl game. It was lots of fun and we all wanted to do that some more, but the next day meant studies again.

Have you noticed how curly Janet Schmidt's hair has been lately? Ever since Mr. Leak made the comment about her hair being straight, she has been setting it every night.

Getting the measles seems to be the latest fad at N.U.H.S., seeing every one seems to be getting them.

The kids that made the Mexico trip sure must have had a wonderful time. They went swimming, saw the sights, and took pictures; but the thing they are most proud of is their beautiful suntan.

Sophomore Scribbles

Which class is most outstanding?
 Which class is just the best?
 Which class has plain good dancers?
 By now you must have guessed!
 We've got a Jerry Lewis and he really beats them all.
 We've got a team that's on the beam when playing basketball.
 We've got plenty tall guys
 short ones we've got too—
 they're really on the ball—
 and all good through and through.
 Now let me see? Who could this be?
 Well, we'll just tell you now!
 All "Sophomores" take a bow!

I HEAR
 MUSIC
 by
 Faith

The NUHS Swing Band put on a program for January 25 assembly. All members wore their new uniforms. New and old time music was played and Faith Fischer, their vocalist, sang two numbers. The purpose of this assembly was to advertise the dance sponsored by the Swing Band on February 2.

A Teenage danced was held at the Creamery Hall on January 26 with the Swing Band performing.

The Woodchoppers Brawl will be held on February 16 in the small gym. The Swing Band will also play for this, while the Journalism Class will sponsor it.

The Spring Concert will be composed of both band and chorus this year. The date is set for March 30.

A music festival will be held at NUHS on April 26. Taking part in the festival will be Redwood Falls, Springfield, Sleepy Eye and New Ulm.

STOP—I think it's time to give a salute to the pep band for furnishing the music at our home games. It seems it adds the finishing touch to any performance staged.

THE NOOPER

First of all we have a few late answers to our old question "What do you think of going steady in high school?"
 "I think going steady is OK if the girl has enough money."—Rich Kosek
 "Going steady with what?"

Jake Lentz
 "I think it is OK if you really mean it, but some people only want the privilege of carrying a ring around."
 Shirlene

"With some girls it may be OK but some you can't trust."
 Lowell Gieseke

Our new question was "What are your New Year's Resolutions?"

We wonder how many of these will be kept.

"To take full advantage of leap year."
 Ken Werner
 I resolve to hate all girls except Mary Schuck; she owes me a nickel."
 Jim Palmer

"Our New Years Resolution—Move to Hutchinson."
 J.L., R.G., W.B., & B.A.

"We resolve to be as follows:
 Mel—lovable
 Larry—sensible
 Junker—unlimited
 Lyle—generous"

Help! Pencil Pete on the Loose at NUHS

Wanted: "Pencil Pete" alias "Marking Mac", fugitive of NUHS, last seen in vicinity of the bulletin boards. His description is as follows: human; average build; pencil colored complexion and furtive manner.

This culprit does his "artistic" work when others aren't near, and obviously believes that his additions make the posters and illustrations more attractive or amusing. Penalty: This frustrated artist must join the art class so he can help make posters. Perhaps then he will realize how discouraging it is to find one of his masterpieces ruined by another's doodling.

Before vacation John Erickson came to social with lip stick smeared from cheek to cheek. He said he'd been to a party the night before. The sophomores certainly have interesting parties!

This actually happened!
 In social class Mr. Harman asked for the definition of sepsis. Barb Fesenmaier said, "Sepsis is a poisoned state caused by the absorption of the pathogenic bacteria and their products from a region of infection into the blood stream." Mr. Harman had a rather puzzled look on his face and asked Don Alfred if he could explain it more clearly. Don popped up with, "it is blood poisoning".

Our lips almost met
 It had been so fast
 For my head had doubts
 What about your past?
 So I held up;
 And I gave you up;
 You had lipstick stains,
 Little coffee cup.

Look alike!!
 John Heymann—Van Johnson

Good Bye—Hello,
 Goodbye to Harry Christian who has joined the Air Force. He certainly will be missed around the halls of NUHS. Hello to Jim Syverson, a new addition to the class of '52. Jim is a transfer student from St. James.

"My New Year's Resolution is to stop fighting with Mike Pollei about the basketball team."

Liz Ewald
 "To get more sleep [during school time of course.]"

Jim Gasner
 "My resolution is not to have a resolution."

Doyle Schneider
 "I will never go out with women again. Never!!"

Richard Bullimier
 "I resolve to get a shave and a haircut at least once in 1952."

John Guemmer
 "I resolve to get more sleep and stay away from girls two nights before games."

Cal Rolloff
 Resolved: To share John Erickson equally in social class.

"Clock Watcher Joe"

Hickory, dickory, dock,
 The mouse ran up the clock.
 The clock struck three, and
 Joe turned to see
 Hickory, dickory, dock.
 Now Joe's a very restless lad as anyone can tell,
 He sits and stares and strains his ears to hear the noon time bell.
 Tick, tock, tick, tock, the minutes pass, oh, so slow
 Joe twists his neck around again, for the hour he must know.
 No book is open, no pen in hand
 he idles his time away.
 Tick, tock, tick, tock,
 My, what a long, long, day.
 That boy will never learn a thing, his lessons he lets lie,
 For Joe must turn around again to see the time go by.

Hope you like it here!
 When Cleo Harmening heard that Harry was leaving for the Air Force, she burst forth with a cry of disappointment, "Oh what will I do in English?" Yes, Cleo, what will you do?

It seems that a few years ago when the senior girls were attracted to the sophomore boys, the sophomore girls thought it quite revolting. Now those sophomore girls have become seniors and well, you can guess the rest!!

After the Redwood Falls game an open house was held at Connie Schmid's, class of '51. A counting of the students and alumni showed that there were 73 at the party—not all at once though. At one time, however there were 50 in the house!

If there parties like that very often, you couldn't call your house your own.
 A really good time was had by all!

In American History class last week the discussion was about the Civil War. Mr. Leak asked the class what type of clothes General Grant wore. Dave Olstad seriously answered, "His Union suit".

In Latin II the other day Miss Treadwell told the students that in Roman days the girls wore Bullas around their necks to keep evil away. Nowadays girls wear baseballs, footballs, and basketballs around their necks to keep the other evil boys away!

Harman, Heymann Attend Banquet At Fairmont

John Heymann and football coach, Mr. Harman, attended a banquet given by the Service Clubs of Fairmont for their South Central Conference football team and all-opponent teams. The all-opponent teams consisted of outstanding players selected by the Fairmont squad. John was chosen as an outstanding end.

Wes Fesler was guest speaker.

Movies of the Fairmont vs. Blue Earth game and Minnesota games were shown.

Cal Rolloff [22] drives in for layup and a bucket in the New Ulm-Blue Earth Game. The Eagles won 60-48.

Eagles Win Three, Drop Five

Hutchinson

The New Ulm Eagles broke loose Friday, January 11, to win over Hutchinson, 59 to 56. John Heymann led the Eagles with 26 points. Second was Mike Pollei with 15. The game started badly for the Eagles with foul after foul being called against them. At half time Doyle Schneider was the only Eagle with less than 3 fouls. Cal Rolloff and Bill Fenske each had four. The second half was foulless for the Nessmen. Chuck Linder was high scorer for Hutchinson with 16. Esping was next with 11.

The B team beat Hutch by a score of 18 to 11. High point man for New Ulm was Hintz with 5. The final score of the A game again, 59 to 56, New Ulm.

Waseca

Bob Rethwill led Waseca to a 42 to 40 victory over the New Ulm Eagles with 11 points. High scorer for New Ulm was Cal Rolloff with 13. John Heymann, Bill Fenske, and Schneider all fouled out in the second half.

The B game was won by Waseca, 24 to 21.

Blue Earth

The Eagles dumped Blue Earth 60-48 for their third straight victory.

In the first quarter the two teams were tied for several minutes, but then the Eagles took the lead and stayed there. At the end of the first quarter the score was 19-15 in favor of New Ulm.

The Nessmen really put on the steam in the second period as Ernie Sauer made three field goals out of three tries. The score was 35-25 at half time.

In the last half Mike Pollei went on the rampage and made 13 points for himself.

In the final quarter the Eagles took their time, but still managed to raise the score at the end of the third period from 44 to 60. In the last minutes Coach Ness put in his second team. Blue Earth took advantage of this and racked up 14 points. The final score was New Ulm 60, Blue Earth 48.

D. Chilsen of Blue Earth was high point man for the entire game with 16 points. M. Pollei and J. Heymann were high point men for New Ulm with 13 apiece.

New Ulm won the B game 22-20.

St. James

After leading almost the entire game, the Eagles lost to St. James by a score of 56-55. The Saints tallied the winning points in the last 30 seconds. B. Erdmann was high scorer for St. James with 22 points. John Heymann had 25 points for New Ulm, 16 in the first half. His first half average was 50%, compared to the team average of 42%. Normal shooting percentage in high school basketball in southern Minnesota is 33%.

The game was played at New Ulm January 29. The Eagles lost the B game 35 to 14.

Redwood

George Tyrrell, Duke Lokenesgard and Charlie Hintz led the Eagles to a 33 to 31 win over Redwood Falls, at Redwood, Friday, January 25. High score for the Eagles was George Tyrrell with 8. Second were Charlie Hintz and Duke Lokensgaard with 6 each. Peterson of Redwood was high scorer with 10 points. Both Peterson and Cole of Redwood fouled out late in the fourth quarter.

The A squad bowed to Redwood 51 to 45. Heymann was high score with 19, Cal Rolloff next with 10. High scorer for Redwood was R. Hanson with 15.

Fairmont

Big Bob Craven of Fairmont scored 27 points to lead his team to victory over the New Ulm Eagles. High scorer for the Eagles was Heymann with 17. Fairmont won the B game 56 to 42.

The following week the Eagles romped over Springfield 64 to 35.

St. James

The New Ulm Eagles lost their second game of the season to St. James, there, December 7. The half-time score was 23 to 14 in favor of the Saints. The final score: St. James 43, New Ulm 39.

The first quarter saw plenty of action as both teams seemed well matched, sinking about 16% of the shots attempted. The score at the end of the first period was 13 to 12, St. James. Poor shooting was the Eagles' downfall in the second and third quarters. The ball just wouldn't go through the hoop.

A rally in the fourth quarter brought the Nessmen very close to victory, but their final hopes didn't materialize, and the game was lost 43 to 39.

John Heymann was high point man with 14 points. Mike Pollei was second with 13.

The St. James girls' tumbling team performed a novel half-time act on the trampoline.

St. Peter

The New Ulm Eagles tripped St. Peter to win their first conference game, 58-50.

The Eagles made 50% of their shots in the first quarter to the Saints 37%, and 40% in the second half to the Saints 35%. The Eagles had a 45% average for the night.

The Eagles led the entire game except for a few minutes in the first quarter. The score at the end of the first period was 14 to 13 in favor of New Ulm.

In the second and third quarters the Eagles really put on the steam. By half time the Nessmen were leading by 32 to 26 and at the end of the third quarter they were leading by 18 points.

In the last period St. Peter made a desperate attempt to gain the lead. They made seven points in less than two minutes, but failed to get ahead of the Eagles. The final score was New Ulm 58, St. Peter 50.

John Heymann was high point man with 16 points. Mike Pollei was next with 12, and Bill Fenske and Cal Rolloff were third with 11 points each. J. Osborne was high point man for the Saints with 13.

The Eagles won the preliminary game, 23-18.

Eagles Meet Madison Here, Win C Match

The Eagles lost a close match to Madison here on Jan. 19. The score, 2,087 to 2,948, was really a lot closer than it may seem to the average spectator. Alan Iverson was high in class "D", with a total of 273 points, averaging 91 on each apparatus.

The Eagles' second meet will be the Southern Minnesota Invitational at Mankato State Teachers' College on Feb. 2.

The Eagles won the meet in Class "C" by a score of 798 to 740. The three best men from each team qualified for that team. John Wolf of New Ulm was first place with 273 points. Dick Veeck was second with 265, and Art Fiemeyer was third with a score of 260. Best for Madison was Don Hoihille, scoring 248. These boys are looking for another win over Madison on Feb. 9, at Madison, Minnesota.

Mexico

[continued from page 1]

for the water skiing and swimming. For three days the group relaxed in the sun.

The hotel and management at Acapulco was fine, but most agreed that the food there was hard to get used to. Many of the students didn't like the meats at all; however consommés, tea, ice cream, and the fruits were of the best quality.

On New Year's Eve Mr. Pfaender took the students to the El Mirador Hotel, one of the finest in Acapulco. There, among other things, they saw two boys with torches dive from a 140 foot cliff into the ocean. Elaborate fireworks accompanied this feat.

The students were rather disappointed at not being able to see a bullfight while in Acapulco.

The Mexican people are either very rich or very poor. Those who live in small villages or along dusty roads do not appear very clean. Darwin Jones didn't like the way they stared at him. He said it made him feel "funny." Joy Herrmann commented, "The Mexican people are handsome!"

Among the other places that the tour visited were Cuernavaca, the summer palace of Maximilian; Victoria and its famous American restaurant, Turner's; Zimipan, with the beautiful Hotel Fundicion; the pyramids of the Sun, and Valles, and its lovely Colonial Courts.

Mr. Pfaender, organizer of the Holiday Tour, would like to go again next year with a group of adults.

All in all, the tourists had a very enjoyable trip. The old Spanish proverb certainly seems true. "If once the dust of Mexico has settled in your heart, you will never be happy any other place."

Senior Class Play Tryouts Held

Tryouts for the senior class play, "Our Town", were held on Monday and Wednesday of last week. "Although the play will be presented on May 9 and 10, the casting will be started early because of the difficulty in presenting the play," announced Mr. Peterson.

In 1940, also a leap year the seniors put on "Our Town", and were requested by the mayor of New Ulm to give a repeat performance.

Mr. Pfaender Invited To Instruct Swimmers

Tom Pfaender, physical education instructor, has been invited to be a guest swimming instructor at the Pasada de La Mission in Taxco, Mexico, over Easter vacation.

The hotel has built a swimming pool in the last year, and while the Holiday Tour visited Taxco, they were the first to swim in the newly finished pool.

As yet, Mr. Pfaender has not decided whether or not he will accept the invitation, but he is seriously thinking about it.

Tumblers Perform

The girls' tumbling team gave its first performance this year during the half of the Blue Earth-New Ulm basketball game. The team also plans to tumble during several more basketball games, during an assembly, and for the Spring Gym Show.

Building pyramids and working on double tricks are some of the new stunts which the girls worked on this year. They also spend much time working on front and back walkovers, front and back arabians, free flips, flip flops, and splits.

Members of the team are eighth graders—Jyneal Erickson, Nancy Turner and Dee Ann Schleuder; freshman—Janice Neumann, Carol Farschman, Marlene Shawl, and Sharon Nelson. There is only one sophomore, Betsy Oswald, four juniors—Joy Herrmann, JoAnn Bierbaum, Barbara Keckeisen and Elizabeth Ewald, and two seniors—Marianne Martinka and Dede Ditrach.

These 14 girls represent every class except the seventh grade. Miss Cave, instructor, works out with the team about twice a week.

The next performance the girls give will probably be on the trampoline.

"A Pupil's Dirge"

He's talking, talking, always talking, Standing straight with rule in hand. Asking questions; Giving orders; Talking, talking from his stand. What's psychosis? Where's Bermuda?

Now solve this small equation! Do be quiet! Pay attention! Like a part-time mass invasion. Talking loud and talking long, Please don't watch the clock all day!

Sit up straight! Don't close your eyes!

Did you pass a note that way? Where's your home work? Do it double!

Stop your whispering underneath. Don't throw spit balls at your girl friend!

Gee! He sure has big buck teeth. But talk he will and yell and scream,

All these things you couldn't feature;

Unless of course you have my fate, For I'm the pupil of a teacher.

Indonesian Dance Assembly Cancelled

The Indonesian assembly program originally scheduled for February 15 has been cancelled. Mr. Sudarpo, the cultural attache for the Indonesian Government of this country, who was personally sponsoring this program, has suddenly decided to leave his embassy post to return to Indonesia. Consequently the dance group has been called back to Washington by the Indonesian State Department.

This group of dancers has aimed to advance good will and a better understanding of their country. The Soekoras' hypnotic ability and extreme concentration make for oriental dancing that thrilled and mystified western audiences.

Mr. Soekora was on leave from the Indonesian Embassy in Washington where he is head of the research division.

Scholarships Offered to Seniors

Ouch! Off my Feet, Please Students Dance in Class

We in the journalism class thought it would be nice to find out some of the opinions of the students toward the social dancing which we are now taking up during the gym class. Here they are:

Jackie Keckeisen—"I want it." Bob Barnell—"I'd rather have two hours of calisthenics than one hour of dancing."

Dale Gluth—"It's fun. I like it!" Robert Martins—"I don't particularly like it."

Gladys Anderson—"It's good for the prom."

Jerry Gottschalk—"It's marvelous. It's wonderful. It's OK!"

Betty Breu—"I think it's wonderful!"

Billy Meyer—"It's OK. We could use a few new records!"

Art Fiemeyer—"It's pretty good. OK"

Roger Klotz—"It gives the boys more respect for the girls."

Kathleen Holm—"It's a lot of fun and the boys learn a lot from it."

Harold Mees—"It's fun, if you know how."

Richard Wiedl—"I don't like it!"

Cleo Harming—"It's fun. For once the boys are interested."

No Adults Allowed

"No adults allowed, tonight is teenagers' night!" The teenage dance, which was held at George's Ballroom, Friday, January 4 proved to be quite successful. Well over 300 students and alumni turned out at the affair, which was sponsored by the New Ulm Recreation Committee.

The featured band of the evening was our High School Swing Band. The soloist was Faith Fischer. Modern and old time tunes were danced to by Trinity High and New Ulm High School students. Many out of town teenagers also came.

"Very well mannered," was the over-all comment made on the teenagers' behavior.

The dance lasted from 8:30 to 12:00.

Admission was twenty-five cents. Mr. and Mrs. Joe Harman and Mr. and Mrs. Joseph Keckeisen acted as chaperones.

If you are a senior and planning to go to college next fall, Miss Schmid extends this invitation to you. You may stop in her room any time and look at the lists of chances for scholarships that she has. The giving of a scholarship is based on many things such as; ability, need, or amount of extra-curricular activities. Also you must show signs of leadership and ability to make good use of the scholarship.

There are many different kinds of scholarships. Some are for boys only and some for girls only. Many seniors have already applied for scholarships. If you haven't you had better hurry! JoAnn Herrick has already received a scholarship for \$125 and the promise of part-time work at St. Olaf College. Many seniors have applied for scholarships at the University and Mankato T. C. The scholarships range from \$25 to \$1000 a year. Since the deadlines vary from February 15 to May 1 you had better apply today.

Home Ec Notes

by Carla

This six weeks the girls in the 10th grade Home Ec. class are studying "How To Understand Ourselves and Others Better." The 11th grade girls are learning "Efficiency In Time, Money and Energy," while the 12th grade girls are studying "Budgeting." When you walk down the halls and smell some "home cooking" you can be sure it's the 12th grade boys. They are now working on the breakfast unit. At first they were preparing light breakfasts, but they're working on medium breakfasts, including cereals and eggs. Later on they are going to start making waffles, griddle cakes, muffins, and egg a la golden rod.
