Faculty Spends Varied Vacations

Knowledge, travel experience and wives were the acquisitions of various members of the NUHS faculty this last summer.

Physically energetic was our mentally energetic Miss Steen this summer. Miss Steen hand sanded and varnished the dining room furniture at her home in Walnut Grove. She also visited friends and waded into new English books. Because of strenuous activity the end of the vacation was simply a switch from the use of elbow gease to gray matter.

Mountains with snow, sparkling streams with shimmering trout, listening to Lily Pons and Jeanette MacDonald in an open air amphitheater—Sounds like heaven! It's just Colorado described by Miss Hanson. She also attended a rodeo at Denver and visited Estes Park. She flew home with a great love for Colorado. All this, besides summer school at Fort Collins.

Mr. Reber, after graduating from Gustavus Adolphus College, worked at the state hospital for several months—after that, wedding bells.

Miss Roberts sang in the Mankato T.C. Variety Show. She also sang and played trombone at school.

During the early part of the summer Mr. Leak played baseball for the New Ulm Brewers. Later he was employed by the city of Minneapolis and played ball for a team in Wisconsin. In August he was married to Miss Donna Wang.

Mr. Fier attended the University of Minnesota. He also worked at the fair in August and went on a fishing trip.

Miss Sogn spent one month of her vacation in Minneapolis. She also stayed in Revillo, South Dakota. Before school began she went on a trip to Duluth and Canada.

Mr. Strang worked at home and gave some lessons during this summer.

Miss Schmid was at home most of the time. Later she took part in a workshop at the University of Minnesota.

Mr. Dahl went to the University of Indiana. He was there almost all summer except for several weeks he spent with his family.

Mr. Tyrrell traveled North and also spent 10 days in Chicago. The rest of his vacation he stayed at home.

Versatile Mr. Epp went to the University summer school, did a little farming and then went to Northern Minnesota and drove a caterpillar for a construction crew.

Miss Westling attended the University of Minnesota for three weeks. The rest of the time was spent at her home in Duluth.

Chicago was hostess to Miss Cave for three weeks when she visited with her brother. She also went to summer school in Madison, Wisconsin.

Miss Wuopio spent a few weeks at her home in Hibbing, and went to an extension course from the University. In August she went to California by plane for several weeks' visit.

Mr. Harman went to summer school for a few weeks. After that he went on a trip in Canada. Then he came home and supervised the playgrounds.

Mr. Achman went to summer school for eight weeks at Fort Collins, Colorado. In August he was married.

During the early part of the summer Mr. Wold enjoyed fishing on Lake Superior; the last six weeks he was an instructor in art at Bemidji State Teachers College.

Winnipeg, Itasca and Minnesota was the trail through the North country followed by Miss McLaughlin this summer. She went visiting her father in Canada, and on August 9 met Miss Kayser and Miss Treadwell. The three Canadianers went to Itasca park and then returned to their respective homes.

Touring the most beautiful state of the Union and relaxing by Lake Minnetonka snatched away Mrs. Ewy's summer. Her enjoyment was [continued on page 4]

Exams for College Training To Be Held

The Navy announced recently that the seventh nation-wide competitive examination for its College Training Program has been scheduled for December 13, 1952, and will be open to high school seniors or graduates within the age requirements. Successful candidates will be given a four-year college education at government expense and will be commissioned as officers of the Navy or Marine Corps upon graduation.

The program is open to male citizens of the United States between the ages of 17 and 21, and quotas have been assigned to each state and territory on the basis of its high school population. Those who are successful in passing the aptitude test will be interviewed and given physical examinations; then, if they are found in all respects qualified, their names will be submitted to state and territorial Selection Committees composed of prominent citizens and naval officers. The Navy expects to enter about 2,000 students into the program commencing with the fall term of college, 1953.

The students selected by these competitive examinations will be assigned to the 52 Naval Reserve Officers Training Corps units which are located in various universities and colleges in the United States. If accepted by the college, they

Cheerleaders Chosen

Darwin Jones, Betsy Oswald, and Janice Neumann were the cheerleaders selected by the student body after tryouts were held three weeks ago Friday in assembly. Darwin, a senior, and Betsy, a junior, were two of our cheerleaders from last year. Janice, a sophomore, is the only new one.

Others who tried out for cheerleading this year were seniors—Joan Bierbaum, Barbara Keckeisen and Mary Schuck; juniors—Mary Lou Schmitz and Margie Moe; sophomores—Darlene Jobe, Shirley Ubl, Carol Farchmin, and Margaret Niehoff. All the contestants want to give special thanks to Miss Cave for giving up her time to help them in their practice.

Queen to Reign Over Homecoming

"Put the heater on St. Peter" is the slogan that was selected this year to cheer the Eagles to victory as they come to battle St. Peter for the 1952 Homecoming game to be played October 17.

The new queen will be announced at the pep fest at West Side Park in October 16, which will get underway at 7:30. After the program there, the students will, as usual, board buses to take them to Flandrau Park for "EATS" and informal dancing.

Homecoming badges will be sold in homerooms and also at the beach. The badges this year will be the usual pin with a rabbit's foot on the bottom.

Although the committees will follow the order of last year the personnel has not been selected.

The music of Gene Mark and his Stardreamers will serenade the students and alumni of NUHS at this year's homecoming dance which will get underway right after the game.

In the past we have played against St. Peter for Homecoming games in 1948 and 1938. Both times we have beat them 7-0 and 17-0 respectively. The slogans then were: "St. Peter We'll Beat Her" and "Stampede St. Peter's Gate".

Flash!

Minnesota Education Association meets in St. Paul October 23 and 24. The faculty members of NUHS will attend.

Successful Alumni

New Ulm graduates have done it again. Bob Schmidt was awarded a star at West Point for having outstanding grades throughout the year. There were 520 students in his class and 17 of these students were award stars.

Bill Dempsey was given the title of being Valedictorian of his class at Notre Dame. He was also awarded the Dome award. This award is given to the four students who have contributed the most to improve the college.

Miss Georgia Roberts, our new vocal music teacher hails from Judson, Minnesota. Miss Roberts graduated from Mankato Teachers College last year. She sings 2nd also in group singing, but sings soprano when she solos.

The band, under the able direction of Mr. Strang, was invited to play at the State Fair on Saturday, August 30. After five vigorous marching rehearsals, everyone in the band was ready to give a good performance in front of the grandstand on Saturday night.

Miss Charlotte West, the vocal teacher of the past two years, is now teaching kindergarten at Emerson School. Wanted: Two Freshmen to carry the tubas and the bass drum.

Don't Let It Go To Your Head by Rich and Red

Attention all girls! If you hear some weird noises in the hall, don't be alarmed—it's only Junior Ahrndt & John Wolf playing Martin & Lewis.

None of the senior boys seem to like the locker arrangements this year. It is said to be too unhandy. Hm?

Some senior boys were pretty teed-off at the dance after the Glencoe game. Their motto was, "Down with the senior girls." We wonder why?

The other day in Boys Home Ec. Miss Hanson asked the Question, "Did anyone of you ever hold a baby?" Junker Fredricks pops up and says, "I have." Miss Hanson: "Sorry, Junker, I mean a small baby."

Eagles Down Waseca 25-13 For Second Tilt

The Eagles downed Waseca 25 to 13 for their second win of the year. The game was played under the lights at Johnson Field on Friday, September 19.

The opening kick-off was a 51 yard boot by John Heymann, Eagle end and place-kicker. The ball was picked up on the Waseca 11 yard line by Darrell Evans who made a 14 yard run back to the 25. After a series of unsuccessful plays the Blue Jays were forced to punt. John Lloyd carried on the next play for a 25 yard gain through left tackle. Seconds later, as if from nowhere, Tom Ubl was on his way on a 45 yard sprint to the goal. The ball was fumbled on the conversion play, leaving the score 6 to 0, New Ulm.

Ubl runs again

This score persisted until the middle of the third quarter when the Eagles fumbled on an attempted reverse from Lloyd to Ubl, who picked up the ball and went 33 yards for the second T.D. The try for point failed again, but was made up for with another brilliant run by Ubl. This time it was 44 yards, originating with exactly the same play as the previous two scored. It seemed as though the ball refused to split the cross bars for Heymann, as the extra point kick was low for the third failure.

Waseca Scores

A fumbled punt on the New Ulm 21 yard line was recovered by Waseca early in the fourth period, and after a series of short gains by Roger Paschall, the Blue Jays scored on a two yard plunge by Dick Nobschall. The try for point was scored by a successful run by Paschall. The Eagles next touchdown drive was broken up, but not long, by a slipping penalty on the Waseca 26 yard line. Wolf's punt went out of bounds on the 14 and on the next play Paschall fumbled and Larson recovered in the end zone. The conversion was scored by Heymann making the score 25 to 7.

With 40 seconds left to go in the game, Nobschall of Waseca threw a 15 yard pass to Paschall who ran 45 yards for a T.D. The try for point failed and as the final gun was heard the score was 25 to 13, New Ulm over Waseca.

'52 Eagles Take 5th in Tourney

The '52 Eagle baseball team, following the closing of school last spring, went on to win fifth place in the State High School Baseball Tournament at Owatonna.

After winning the Region III title at Granite Falls, the Eagles had a rest for a week and a half before entering the state meet. They rallied over Eveleth in the first game 6-0, but fell victim to Halstad in the second round, 5-2. Halstad went on to win the state crown. The consolation championship game was a 4-1 victory over Melrose, who placed fifth. Coach Roger Leak is hoping for a repeat, or better, performance this season.

"B" Squad Looks Forward To Full Schedule This Year

by Carol Farchmin

The aroma of football has been quite easy to find in the air these past few weeks and that must be the reason for the "B" team's hard work. They started practicing a week and a half before school started and are continuing to do so every afternoon after school except Fridays. Almost everyone who goes out for football and is not a regular varsity player has a chance to land a spot with the Bombers, as they are called.

Hopes Voiced to Win

Mr. Leak is coaching the squad, which has been doing some good work and hope to win quite a few games, if not all of them. Looking very fine on both offense and defense is John "Hansy" Klotz, a freshman, who played for St. Mary's Grade School last year. John has played a part of both the Glencoe and Waseca games in a style displayed by few upperclassmen. Calling signals for the team will be quarterback, Duane Neubauer, who has also dressed for both varsity games, but failed to see much action. He is the smallest member of the "A" team, weighing a mere 135 pounds.

The members of the squad have not yet been chosen, but the picking of the boys mentioned in the foregoing paragraph seems inevitable. Their schedule is as follows:

- Sept. 29, St. James [There], 7:15 P.M.
- Oct. 6, Springfield [Here], 4:00 P.M.
- Oct. 13, Mankato [Here], 4:00 P.M.
- Oct. 20, Springfield [There], 7:00 P.M.
- Oct. 27, St. James [Here] 4:00 P.M.

G.A.A. by Jan

Now that we are all back in the same routine of school, most of us are deciding what extra activities we should join. If you are a girl and are interested in learning sports, G.A.A. is an activity for you. Miss Cave is the supervisor and the girls meet every Monday night after school. They participate in such sports as swimming, ping pong, volleyball, softball, bowling and basketball.

On September 8 the girls and Miss Cave went on a hike to Flandrau Park. The elections of officers were held and they are as follows: Betty Miller, president; Marcella Schnobrich, vice president; Carol Farchmin, secretary-treasurer.

The term G.A.A. stands for Girls' Athletic Association. Points are given every time a girl comes out, and extra points are given to the winning teams or any other outside activities. The more girls that come out, the more fun they can have, so we hope to see you next Monday for senior high G.A.A.

Meet the Boys by Junior

Jim "Kugo" Kagermeier

"Kugo" who had tough luck last year with a bad knee that put him out for the whole season is back and in tip-top shape. "Kugo's" playing center for the Eagles, and his knee isn't giving him any trouble. "Kugo" stands 5'10", weighs 170 and is a stand out on defense.

John "Jeep" Heymann

This 190 pound all-conference end has been playing on the starting eleven since he was a freshman. "Jeep" plays right end on both offense and defense and does all the kicking. He hopes to make a repeat performance of last year, making the all conference team. John stands 6'2½".

Thomas "Tom" Ubl

"Tom" one of the fastest men in the Eagle back field is playing his second year at right half; and because of his speed and shiftiness, "Tom" is one of the finest backs Joe Harman has ever coached.

Luverne "Junior" Ahrndt

"Junior" only played half of the season last year because of an ulcer, but he's back this year playing full-back on offense and safety on defense. He hopes he can click at full back, and likes the position very much. "Junior" stands 5'7", weighs 162.

James "Jim" Albright

"Jim" played tackle on last year's team and is back in the same position this year. "Jim" says he likes playing in the line and likes offense. "Jim" weighs 165, and stands 5'9½".

1952 Gridders Get Underway With A Record Turnout

The New Ulm football team experienced another record turnout this year as 42 boys reported and drew equipment before and on September 5.

Coach Joe Harman was very satisfied with the large number of boys who seemed interested in the game. He called 27 veterans for practice on August 25, and acquired the rest on the first few days of school. Because of the unusual size of the group, a third coach has been added to the staff. He is Roger Leak, who will be assisting Harman and Morrie Ness. Mr. Leak will guide the "B" team, with the other two coaches working on the varsity squad.

Boys Report for Practice

Those boys reporting for practice are as follows: Junior Ahrndt, Jim Albright, Jim Albrecht, Bob Asleson, Harlan Asleson, Ervin Boelter, Ken Brueske, Tom Christianson, Les Dirks, Mike Fesenmaier, Jerry Gottschalk, John Heymann, Richie Heymann, Chuck Hintz, Lawrence Hippert, Jim Kagermeier, John Klotz, Rich Kosek, Rogers Larson, Tom Liesch, John Lloyd, Don Lindemann, Doyle Miller, Ralph Neils, Duane Neubauer, Paul Radke, Ken Rockvam, Ernie Sauer, Ray Schnobrich, Ron Schroeder, Paul Schultz, Howie Schroeder, Warren Sondag, Eugene Steinback, Erwin Steinke, Tom Traurig, Tom Ubl, John Wolf, Sid Herrick, and Dale Sauer.

In addition to this list there are 35 seventh and eighth graders, who are coached by T. R. Olson. This makes a total of 77 football players who deserve the name of "Eagles of '52."

Eagles Bow To Fairmont 6 to 0

FAIRMONT—A fourth-quarter touchdown by Ray Meyer, 165-pound senior quarterback, gave Fairmont a 6 to 0 victory over the New Ulm Eagles Friday night and knocked the invaders out of first place in the South Central conference.

It was a tight defensive ball game with most of the action in vain between the 30-yard stripes.

Coach Joe Harman's Eagles, one of the strongest teams to come out of New Ulm in several years, threatened late in the second quarter.

John Wolf, defensive fullback, intercepted a pass from Jack Musser of Fairmont on New Ulm's nine-yard line and galloped down the sidelines for 85 yards. With a tally in sight, virtually in the shadow of the goal posts, Wolf was knocked out of bounds by a pursuing Cardinal defender.

On the first play John Lloyd was stopped for no gain. Junior Arndt found a hole in the middle and plunged over but the touchdown was called back for an offside penalty.

That made it second down and 11 yards to go, but before the Eagles could get another play going the half ended. That touchdown could have meant the game and the end of Fairmont's 14-game winning streak, for the Cardinals have made only one conversion this season. New Ulm, with John Heymann kicking, is good on that extra point.

New Ulm, after its second conference win, never got really close to a touchdown again.

The game went scoreless through the third quarter, but near the end of the period Fairmont started a drive. The attack, which was to wind up with the winning touchdown, was started by an 11-yard gain on a pass from Ron Jaqua to Jack Musser.

He was downed by Bob Asleson on New Ulm's 40. Meyer scored 11 plays later on a quarterback sneak from the one-yard-line. The Eagles had looked like blunting the Cardinal thrust when they had the hosts fourth down and seven to go on the New Ulm 9-yard line.

But a double reverse with Eddie Scott carrying the ball fooled the defenders and he made it first down on the one.

Standout for New Ulm in defense was James Kagermeier, who was a stalwart in the middle of the line.

The Cardinals also threw up a sturdy defense with New Ulm denied any first downs. Fairmont got seven first downs.

New Ulm's passing attack ran into trouble against Musser, six foot three inch Cardinal who pulled down the aerals nearly every time.

The final Eagle shot at coming off with a tie at least was when John Lloyd, on a reverse from Tom Ubl, skirted right end for nine yards but was stopped with a shoestring tackle by Ron Jaqua in the second line of defense.

Change!

Have you lunch students noticed anything different? Last year on Monday mornings all the lunch students made a mad dash for the principal's office. This year they have eliminated that. Miss Buggert sells the tickets just before the students go into the cafeteria. The lunch tickets are still five for a dollar-twenty-five. Then if you buy one to four tickets, they are thirty cents each.

Fashion Chart

We guess everyone has noticed the latest fad in school nowadays. It's putting food coloring in our hair. It has "gone over" with quite a few of us, but the majority are still hesitant about the whole idea.

White bucks will be popular through most of the winter this year. How about seeing more bucks on boys?

Sweaters and skirts have already made an appearance. Even though it is early, the weather has been chilly. It seems that plaid pleated skirts are quite the rage. Of course, they'll be topped with short-sleeved sweaters. Batwing three-quarter length sweaters, turtlenecks, and sleeveless sweaters will also be popular.

Remember, girls, keep that crease pressed in your sweater sleeves!

Speech Notes

"I'm worried. I've never tried this before!" "I haven't either, but it sounds interesting." These were some of the comments made by students at the first debate meeting. There are no experienced debaters so all of the basic fundamentals must be studied first. The people going out for debate are Bob Asleson, Helene Fesenmaier, Ruthie Bakken, Gib Hauenstein, Carla Fritsche, Bill Dempsey, John Purtzer, Richard Harris and El Ray Bentdahl. Each person has chosen a partner with whom he will work until the first practice debate, October 9. There are three propositions this year which pertain to international organization.

The senior high discussion club meets during the homeroom periods. So far there are seven members but more are welcome. There are also three discussion questions which are very closely connected to the debate propositions.

Girls! If you see the senior boys dressing real, sharp, thank Miss Hanson for that. She is teaching them how to buy clothes. They are also learning color harmonize for their shirts, ties, and socks.

Boys! If you get a wife that knows how to arrange home furnishings, you're lucky. The junior girls are working in that field of work. They also went on a field trip to Miss Westling's home.

Have you seen some improvement in the sophomore girls? That's because they are on a grooming unit.

The eighth grade girls are borrowing different items of clothing from stores. They are learning to consider the price and still have good quality in clothes.

Each Class Gains New Student Material

Four girls and two boys are new students entering senior high this fall.

The senior class boasts one new member. Darlene Bader went to Nicollet High last year. Darlene likes NUHS and thinks it is a lot of fun.

Marlene Koenig, a new junior, attended Roosevelt High in Minneapolis last year. Marlene thinks the students are swell and our school is fun because you get to know the students better. Marlene belongs to GAA and Fri-Le-Ta.

There are four new sophomores. Charles Leske and Erwin Boelter are transfer students from DMLC. Both Erwin and Charles think there is a wide range of activities at our school and the students are friendly and easy to get along with.

Connie Strate from Sanborn doesn't think she'll ever get to know all the students. At Sanborn there were only 27 in her class. Connie belongs to Fri-Le-Ta and GAA.

Last but not least is Janice from Springfield. Janice likes NUHS better, but she refused to say why. She is also a member of Fri-Le-Ta and GAA.

Mr. Epp

The new teacher for shop is Mr. Henry Epp who had previously taught in Tracy for four years after graduating from the Mankato Teachers College. He is working toward his masters degree at the University. In a week Mr. and Mrs. Epp will move to 301 South Jefferson from Lake Crystal where they resided during the summer.
